## INVITATION

Dear Sir/Madam

The Central Placement Cell, University of Delhi has entered the eleventh year of its inception. All the tenth batches registered with CPC in past have duly benefited from Industry- Students interaction. Corporate houses from different sectors have participated in our endeavor and recruited large number of students from the university and its colleges during these ten years. We express our gratitude towards these companies for reposing faith in our students and selecting them. We further wish to nurture this relationship by extending the data base to include Ph.D/Post Graduate/Under Graduate students along with the students from School of Open Learning/Non-Collegiate Women Education Board. This pool extends to all Delhi University Colleges and Post Graduate Departments. The CPC certainly ensures a wider choice in terms of number and quality of students available at a single platform.

The vision of CPC is to provide a continuum of opportunities to the undergraduate, post graduate students and research scholars studying in various courses of Science (Physical, Life and Applied sciences), Mathematical Sciences Commerce and Social Sciences. A detailed list of courses offered by the University of Delhi is available on the university website.
