## UNIVERSITY OF DELHI

Ref.No.CNC-I/2014/438

Dated: the 10th July, 2014

## All Heads

Dear Sir/Madam,

You are aware that the University had decided in its emergent Academic Council and Executive Council meetings for the restructuring of the erstwhile four year undergraduate programme 2013-14 to three year undergraduate programme for the students already enrolled in the 2013-14 programme. The University had formed a Committee of Principals to advise on this restructuring. In view of the recommendations given below, you are required to call an emergent meeting of Committee of Courses and send your recommendations in consonance with the following recommendations by 12th July, 2014.

1. The Committee of Principals has advised the following structure for BA/ B.Sc./ B.Com/ BMS Honours Courses:

Semester	Main Subject Papers	Allied Courses
III	3	1
IV	3	1
V	4	0
VI	4	0

Therefore, the Committee of Courses of respective departments are required to expeditiously organize the remaining fourteen papers for the main subject (Erstwhile DC-I papers excluding the two research methodology papers) in proper sequence (from amongst the DC-I papers approved in 2013-14) so as to ensure academic and pedagogical lucidity. No new papers should be created/framed.

- The Committee of Courses should also recommend on allied Courses for third and fourth semester (one for each semester) which may be picked up from amongst the existing DC-II papers of other subjects.
- 3. For Bachelor in Management Studies (Hons.), the Committee recommended 16 papers in semesters III to VI which may include papers of the erstwhile DC-I and DC-II ourses offered by the Faculty of Management Studies. Therefore, Committee of courses may recommend the appropriate order of papers from amongst the approved papers of DC-I and DC-II.

4. The Committee of Principals has advised the following structure for B.Tech. in Computer Sciences, Electronics, Polymer Sciences, Food Technology and Instrumentation:

Semester	Core Discipline Papers	Papers of Basic/ Allied Engineering Sciences
III	3	1
IV	3	1
V	3	1
VI	3	1
VII	2+ Project	1
VIII	2+ Project	1

Therefore, the respective departments/Committee of Courses are requested to recommend the appropriate order of papers of core discipline from amongst the approved papers of 2013-14 (DC-I). Also the Committee of Courses should also recommend three papers in Basic Science out of all the erstwhile DC-II papers of which two should be included in the third and fourth semester. The one paper of basic sciences may be suggested for semester Fifth to Eighth.

5. The concerned departments Committee of Courses offering B.Tech courses may also consult experts from engineering institution to recommend three papers of Allied Engineering Discipline to be offered from Semester Fifth to Eighth. This may be done at a later date.

This may be treated as most urgent and the recommendations of the Committee of Courses on points 1 to 4 should positively reach the office of Registrar by 12th July 2014 (5.00 p.m.).

Thanking you,

χ,

Assistant Registrar (Council)
