Inviting applications for Project Position

Applications are invited from suitable candidates for filling up the purely temporary post of Junior Research Fellow (JRF) in a SERB funded project entitled: '**Analyzing the regulation of tapetum specific TA29 promoter from *Nicotiana tabacum***' under the guidance of Dr. Pradeep Kumar Burma, Professor, Department of Genetics, UDSC. The project aims to characterize the TA29 promoter mainly by carrying out mutations and analyzing the promoter activity in transgenic tobacco plants.

Junior Research Fellow (one post): Rs 25,000/- plus HRA

Eligibility: Candidates having M.Sc. /B. Tech or equivalent degree in the area of life sciences/ Biotechnology/related field with 55% marks or equivalent grade and having passed NET/GATE test are eligible to apply.

Candidates having prior experience in tobacco transformation and recombinant DNA techniques will be preferred.

Candidates will be selected on the basis of interview after screening of the applications, date for which will be notified to the selected candidates. The list of candidates called for interview will also be displayed at genetics.du.ac.in

The position is purely temporary and co-terminus with the project. The initial appointment will be for one year that can be extended/curtailed on the basis of assessment of the candidate's performance.

Eligible candidates may apply by sending hard copy of complete application **ONLY IN THE GIVEN FORMAT**, along with self-attested certificates (**ONLY those that support the eligibility criteria mentioned above**) and proof of research experience, if any. **The applications should reach the address given below latest by 12th December 2018.**
