Subject: Support for Students and Staff with Disabilities During the Lock-Down Period on account of COVID-19.

Dear Sir/Madam,

As you are aware that during the present unprecedented times of lock-down on account of COVID-19, the University is taking all possible measures to provide educational and other support to its students. Through the online education modes, a large number of faculty members are engaged in maintaining continuity in content-delivery.

It is brought to your urgent and kind attention that in the above scenario, students and staff with disabilities may require additional support in continuing their educational activities and/or accessing information, particularly with reference to the use of educational technology and COVID-19. It is important that a conscious and proactive effort is made to reach out to this segment and provide all possible required support on priority.

It is therefore strongly advised that all possible efforts may be made to reach out to all students and staff with disabilities of your Institution either in person or through phone/email with a view to identify and redress difficulties, if any, being faced by them in accessing online education modes and/or in acquiring any other information. Teachers and student-volunteers may be involved in this task. While the Institutions should try to resolve their difficulties on priority, if any assistance with respect to the same becomes necessary, you may contact the undersigned on their mobile numbers given below:

1. Prof. Anil K. Aneja, OSD, EOC and Nodal Officer, PwD- 9871495050
2. Dr. Bipin K. Tiwary, OSD, EOC- 9811426337.

The above may also be contacted on the email id osdeoc@gmail.com or on their personal email ids anil.aneja@gmail.com bipintiwarydu@gmail.com

As the University is very keen that all students and staff with disabilities are contacted and helped at the earliest, it is strongly advised that the action taken in the above respects may be communicated by email to the undersigned latest by 5:00 pm of Wednesday, 8th April, 2020.

We take this opportunity to express our appreciation for your support in the above endeavour and trust that your actions will go a long way in empowering persons with disabilities of your Institution.

Thanking you,

Sincerely yours,

Sd/-
