University of Delhi

**PRESS RELEASE**

**UNDER GRAGRADUATE ADMISSIONS**

The Admission Branch organized its first Webinar to help Undergraduate aspirants on 23<sup>rd</sup> June, 2020, between 11:00 a.m. – 01:00 p.m. The webinar was organised to address the concerns of aspiring candidates for admissions in University of Delhi.

More than 6200 registrations were received and around 250 participants attended the webinar. The other aspiring applicants and their parents joined the webinar through the live streaming on the Facebook page of Admission Branch. More than 1400 queries were received including clarity on eligibility criteria, issues in Self-attestation of mandatory certificates, calculating marks of best-four subjects, clarity on entrance-based and merit-based admissions. The process of filing the Registration form was explained in details and important aspects related to the admission process were highlighted. A detail related to the Help-Desk created to assist aspirants was also shared.

For wider dissemination of information related to admissions, the Branch has created a Facebook channel <http://facebook.com/duadmissionbranch> and a Twitter account <http://twitter.com/studyatdu>. The Admission Branch shall be uploading videos to assist the students in admissions. A list of additional Frequently Asked Questions has been prepared and posted on the website of the University of Delhi. The Branch will be holding more webinars, details of which will be shared soon.
