A hearty welcome to the University of Delhi!

Ever since its inception in 1922, DU - the popular name of the University of Delhi - has distinguished itself as the premier institution of higher education in India. Located in the capital city of India, the University is a beacon of knowledge for the nation and has been recognised as a metaphor for excellence in tertiary education.

Functioning from two campuses - the North and the South - the University and its colleges straddle the length and breadth of Delhi and serve as a vibrant space not only for intellectual discourses but also for cultural interaction. With 91 Colleges, 16 Faculties, 86 Departments, 20 Centres, and 03 Institute, the University is committed to offering exceptional educational opportunities through a wide range of courses in almost all domains of knowledge with outstanding faculty, advanced curricula, avant-garde pedagogy, comprehensive extracurricular activities, and cutting edge infrastructure.

As the alma mater of a great many alumni, who have distinguished themselves in multifarious spheres of human endeavour, the University is endowed with a vast pool of intellectual resources. The University takes great pride in having moulded a number of heads of foreign states, and one of India's Prime Ministers, with another one having graced its faculty. Many of India's best-known litterateurs, intellectuals, scientists, economists, legal luminaries, civil servants, defence personnel, politicians, sports persons, film personalities, journalists, and business leaders have been students or faculty members of this institution.

No wonder our colleges find themselves at the top of various all India rankings instituted for higher education institutions. The year 2019 has been significant for us, as the University has been conferred with the prestigious Institution of Eminence (IoE) status by the MHRD. It has also improved its performance in QS World University ranking by subjects by figuring in top 50 to 200 institutions globally.

As a global leader in knowledge creation and dissemination, the University of Delhi has envisioned a unique trajectory for the 21st century by tapping the transformative power of liberal arts, social sciences and state-of-the-art science and technology education and research. As the University starts broadening its research horizons under the Institution of Eminence scheme by establishing a number of research-based institutions having interdisciplinary/multi-disciplinary approach, we are confident it will give an opportunity to our students to be proactive and to face the challenges of this century with much maturity and inventiveness.

In this journey of institutional excellence, we remain firmly devoted to educating the leaders of the future by building and sustaining an academic ambience that enables students from all corners of the country and the world to realize their potential without any barriers. Our robust admissions system is committed to full transparency and remains insulated from any malpractices and biases ensuring the selection of the candidates having the strongest potential, meeting all selection criteria**.**

While the University has in place a range of regulatory policies and practices, we go beyond the call of these obligations to meet societal aspirations. We are fully sensitized towards the constitutional provisions and values and are committed to meet them in letter and spirit.

As you consider applying to the University, we would like to assure that your academic pursuit will be in an environment that provides wholesomeness, security, and inclusivity keeping in mind the individuality, convenience and safety of each one of you. We, at the University of Delhi, are committed to lifelong learning and hold dear our institutional and individual attributes of honesty, integrity, kindness, compassion, altruism and ethics. Upholding our core cultural philosophy of Vasudhaiva Kutumbakam (the world is one family), the University is devoted to nation-building through abjuring violence and adhering to the constitutional and universal values of fraternity and expects you to become the propagators of these values.

I invite you to be a part of this venerable University and partake in this vibrant and thrilling journey towards endless opportunities. I am sure that the values reflected in the University's motto Niṣṭhā Dhṛtiḥ Satyam (firm devotion to truth) will continue to inspire you. I guarantee that your being part of the student community of the University will enrich and sustain you to make fair choices and to take up roles in life in a fulfilling manner not only for yourself but also for humankind.
