

दिल्ली विश्वविद्यालय University of Delhi

PRESS RELEASE

An online meeting was held on 24th October, 2020 in which Prof. P.C. Joshi, the Acting Vice Chancellor of the University of Delhi, addressed the Heads and Deans of the University Departments and Faculties, and the Principals of the Colleges. Prof. Suman Kundu, Director, South Campus, Dr. Balaram Pani, Dean of Colleges and Dr. Vikas Gupta, Registrar also attended this meeting. The team outlined the diverse ongoing activities being undertaken at the University and its colleges in the present context, and reiterated that all academic and administrative work, including recruitment, promotions, admissions, examinations and teaching were progressing well and as per stipulated timelines. The team also communicated its earnest intent of according due importance to nurturing the research culture at the University, as this has always been its distinctive hallmark, and ensuring that its status as an Institution of Eminence is reinforced through multifarious academic and research engagements.

The team summarized the multiplicity of initiatives which were to be executed in the near future, and highlighted that all interviews which had been scheduled for the recruitment of teaching staff and promotions shall progress as per plan. The 3rd cut off list for admissions to various undergraduate courses has been released as well. The appointment of Prof. Dinabandhu Sahoo, Department of Botany, as the Director of the Cluster Innovation Centre was also announced.

The team iterated its resolve to ensure the smooth and unhindered functioning of the esteemed University, and sought the cooperation and participation of the entire University fraternity in this endeavor. Prof. Joshi expressed his confidence in the tenacity and merit of the University and its constituents to take the distinguished institution to greater heights.
