

दिल्ली विश्वविद्यालय University of Delhi

PRESS RELEASE

University of Delhi has commenced with Open Book Examination (OBE) on 10 August 2020 as a one-time measure in view of the emerging COVID – 19 pandemic situation for the final semester/year regular, NCWEB and SOL students. In the last four days, students have successfully attempted and submitted their answer scripts on the OBE portal of DU. Some of our students, who at present are in remote/ far-flung areas have submitted their answer scripts via the option of email available to them. Students with special needs have also been given the option to send answer scripts by email.

OBE Information: Till 17 August 2020

Cumulative data shows that the number of papers attempted by regular, NCWEB students and SOL is 207264 and 335382 respectively on the OBE portal. The answer scripts submitted by regular, NCWEB students and SOL students are 181539 and 272673 respectively on the OBE portal.

The above figure is only of the OBE portal. The answer scripts submitted directly on the email obescript@exam.du.ac.in are over and above.

University of Delhi again wishes to thank, the support extended by the students, guardians and the teaching community in smooth conducting the OBE.
