

**The panel published in July 2013 is also valid for 2014-15**

9<sup>th</sup> July 2013

This panel (FOR THE ADHOC APPOINTMENTS IN THE COLLEGES OF THE DELHI UNIVERSITY FOR THE ACADEMIC SESSION 2013-2014) for considering candidates for ad hoc appointment has been prepared based on the information provided by applicants in the application format, and categorizing as per the University guidelines given below. Despite clear instructions, about fifty applicants did not fill the enclosed proforma and information had to be retrieved from their CV. At least two candidates even did not submit their CV but wrote an application without details. At the same time about 50 candidates did not mention their percentage or status of award of Ph.D. or the UGC/CSIR/NET certificate number and we had to write to each one otherwise they would have been eliminated from the panel. There is lot of difference between Ph.D. awarded and thesis submitted as the person having submitted thesis but without M.Phil. or NET becomes ineligible or category could be different. Applicant should understand that clear information is important to decide upon the category and incomplete information makes our job difficult and delays the process. Despite our best efforts there might be some errors, which might have resulted in wrong categorization. For any observations/correction in respect of the panel, applicants are requested to send mail at [vkchaudhary@south.du.ac.in](mailto:vkchaudhary@south.du.ac.in) within the next 7 days. **The colleges are required to check candidate's original certificates to ascertain the category as per university guidelines. The department has not verified the information provided by the candidate.**

**\*AD-HOC Category as per University of Delhi Guidelines**

| S.No. | Qualification to be taken into consideration Category                                                                                                                                                                                                                                                                                                                                                                             | Category |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|
| 1.    | First division from graduation onwards + Ph.D.                                                                                                                                                                                                                                                                                                                                                                                    | I=1      |
| 2.    | First division at the graduation level or P.G level + Ph.D.                                                                                                                                                                                                                                                                                                                                                                       | II=2     |
| 3.    | Graduation first division + P.G. first division + M.Phil./NET qualified                                                                                                                                                                                                                                                                                                                                                           | III=3    |
| 4.    | First division either at the graduation level or P.G. level + M.Phil./NET qualified                                                                                                                                                                                                                                                                                                                                               | IV=4     |
| 5.    | Graduation & PG second division (Minimum 55% [50% for candidates belonging to SC/ST] ) + Ph.D.                                                                                                                                                                                                                                                                                                                                    | V=5      |
| 6.    | Graduation & PG second division (Minimum 55% [50% for candidates belonging to SC/ST]) + M.Phil./NET qualified                                                                                                                                                                                                                                                                                                                     | VI=6     |
| 7.    | Good academic record with at least 55% (50% for candidates belonging to SC/ST or those who passed their Master's degree prior to 19.09.1991 and hold a Ph.D. degree) or an equivalent grade of B in the seven point scale with letter grades O, A, B, C, D, E & F at the Master's degree level in the relevant subject from an Indian University or an equivalent degree from a foreign University + Ph.D./M.Phil./NET qualified. | VII=7    |
