*Vice-Chancellor*

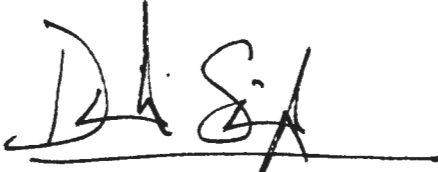

27<sup>th</sup> June 2014

A STATEMENT FROM THE VICE CHANCELLOR

The University of Delhi recognises the need of the hour. It is of paramount importance to protect the interests of the students by ensuring the start of the admission process.

In line with the directive of the UGC the University has decided to roll back the FYUP. Consequently the admission process shall be conducted under the scheme of courses that were in force in the academic session 2012-13 in all the colleges of the University of Delhi.

It is expected that the Principals of our colleges shall assist in devising and ensuring a speedy completion of the admission process.

  
DINESH SINGH
