**Extension activities in the neighbourhood community, if any, in terms of impact and sensitising students to social issues and holistic development during the last five years.**

The activities in sensitizing to social service take a completely different avatar at FMS. The MSA society - “Vihaan”, handles all the social service activities across the campus. Social service becomes something more close to our heart as each student has the tools and the ability to bring about change in the society and environment. Whether it is giving implementable solutions by solving business cases for NGO's during induction event *Abhiyaan*, or helping children in Teach India and Big Friend Little Friend program, FMSites realize their potential and bring about change for the betterment of the society. Vihaan has been fortunate to be associated with NGO's like Teach For India, Teach India, Rotary, Bhumi, Udayan Care, Rhythm of Life, ENACTUS, Jagruti, Datri and many more in areas like women empowerment, helping orphans, education, environment and health improvement. Vihaan is successful because each student and faculty contributes by auctioning his or her skills at *Silent Auction*. Some of the items included in the silent auction are teaching PPT skills, hosting home parties, getting homemade cakes, having lunch with CEOs and having a coffee with the faculty. The money collected has been used to fulfill wishes of orphans at NGO Prayas and fund other activities of Vihaan.
