Re: Extension of enrolment for an additional 6 months

Dear Prof. Kumar,

This letter concerns my enrollment in the PhD programme in dd/mm/yyyy.

I have been working on my dissertation titled “xxxx” very diligently. I have been in regular contact with my supervisors Prof/Dr. xxxxxxxx e over the period of my .

I would like to apply for an extension of my enrolment in the PhD programme for an additional six months. I would appreciate if this application for extension could be placed before the DRC at its next meeting, I am applying for leave because my work has progressed enormously BUT I need additional time to complete my thesis

With my best wishes
