

About the Department

The Department of Psychology, University of Delhi was established as an independent department under the leadership of Prof. H.C. Ganguli in the year 1964.

There are two Units, one at North Campus offering Masters in Psychology and one at South Campus offering Masters in Applied Psychology. The PhD program is also offered by the Department.

SPECIAL ASSISTANCE PROGRAM (SAP)

In the year 2016, the Department received the SAP funding granted by the UGC for a period of 5 years. The research thrust area has been demarcated as 'Applied Human Development', with three sub-themes:

- ▶ Combating Vulnerability and Building Resilience
- ▶ Institution Building
- ▶ Optimizing Health and Well-being

NATIONAL SEMINAR

on

HEALTH & WELL-BEING

Reflecting on Dominant Practices & Emerging Challenges

sponsored by UGC
(Special Assistance Programme)

A step towards future directions...

28th-29th February 2020

Organized by:

**Department of Psychology
University of Delhi**

About the Seminar

The concept of wellbeing frames health as a positive aspiration rather than a neutral or a disease free state. Health & Wellbeing emphasize living well in the interface between health and societal participation.

In contemporary scenario, Health & Wellbeing also, are positioned as marketable and consumable products. As the society stands at the crossroads of modernity, post-modernity and nostalgia of traditions, the discourses in Health & Wellbeing also needs to be looked at critically.

The seminar aims to bring together a confluence of perspectives for initiation of areas to be reviewed and concerns to be addressed and mapping of future directions for research and practice.
