

WALK - IN - INTERVIEW

**Department of Microbiology
University of Delhi South Campus
Benito Juarez Road New Delhi-110021**

Walk in interview for the following positions in the three research projects titled (i) **“Butanol: a sustainable alternative fuel: Production, process optimization, scale up, purification and evaluation”** funded by DBT, (ii) **“Production of Shikimic acid: A potential candidate for the formulation of drug against Avian Flu/Swine flu”** funded by ICMR and (iii) **“Enzyme mediated transformations of potential applications in environment and pharmaceutical sectors”** funded by DU-DST.

Candidates are advised to bring original along with attested copies of certificates\degrees.

Date and Time : **06.09.2010; 10.00 A. M.**
Venue : **Department of Microbiology,
Bachhawat Block, UDSC.**

Essential qualifications:-

- Research Associate (1)** : Ph.D. in Industrial Microbiology / M.Sc. in Microbiology with 3 - 4 years. Experience in handling of large bioreactors for anaerobic fermentation.
- Junior Research Fellow (4)** : M.Sc. Microbiology with at least 55% marks with one year of research experience in aerobic/anaerobic fermentation technology (handling of large bioreactors) and downstream processing/purification of bioactive molecules.
- Desirable:** NET / GATE qualified candidates will be preferred
- Lab Attendant (2)** : 12th/10th with biological science, with three-four years experience of working in industrial microbiology laboratory.

NOTE :- NO TA /DA will be paid.

**Prof. R.K. Saxena
Principal investigator**
