Rules > Preliminary Round

- We will have a preliminary round of 25 questions, a mix of oral, still images and A-V (Audio / Video).
- All questions have 10 points each, except 5 starred questions that carry double the points
- Teams will be given 20 minutes to answer the quiz
- In the event of a tie-break, we will have a 3 question tie-breaker
- There will be a gap of 1 hour between the prelims and the finals
- 8 teams will qualify for the finals from the prelims

Rules > Finals

- There will be 4 rounds in the finals of 8 questions each
- We will follow the Infinite bounce system in the finals
 - If a question asked to Team 1 is answered by Team 4, then the next question is asked to Team 5
 - If no team answers the question asked to Team 1, then next question goes to Team 2
 - If points are split between say teams 2 and 3, then the next question is asked to Team 4
 - Order of asking questions is reversed after 16 questions
- Finals are expected to last for an hour
- 2 Audience questions after each round
