Clarification of B.Sc(H) Computer Science , 1st Cutoff

A lot of students are seeking clarification in the percentage displayed in case of B.Sc.(H) Computer Science.

It is clarified that percentage declared by the college viz 93% (General), 89%(OBC), 87%(SC), 85%(ST), 85%(PwD) for B.Sc(H) Computer Science is meant for the for Science courses only i.e. the students who have studied Physics, Chemistry, Computer Science ,Mathematics in their 12th class.

However, for non-science students, the cut-off percentage would be 98% (Gen), 94%(OBC), 92%(SC), 90%(ST) & 90%(PwD) after incorporating 5% additional weightage.

The students are advised to act accordingly.
