

UNIVERSITY OF DELHI
दिल्ली विश्वविद्यालय

Professor Dinesh Singh
Vice-Chancellor

Dear Student,

The election of the office bearers of Delhi University Students Union (DUSU) and the members of its Central Council is an important event in the calendar of the University of Delhi. This year the election shall take place on September 13, 2013.

The DUSU plays a pivotal role in the decision making processes related to student affairs in the University. The elected office bearers, as your representatives, bring your aspirations, your feelings and your grievances to the notice of the administration. The administration with their help tries to fulfill your aspirations and resolve the problems faced by you.

The University conducts the election in the most transparent, fair and free manner. The Chief Election Officer, Chief Returning Officer, Returning Officer and I seek your co-operation in helping the University in its resolve.

I call upon all students to participate in the forthcoming DUSU elections in large numbers, exercise their democratic right without fear, coercion and favour, and elect their representatives most conscientiously and judiciously.

With every good wish,

Dinesh Singh
