13th Workshop on Bioinformatics and Drug Design: Artificial Intelligence & Machine Learning-Based Methods (BIF-DD-2025-26)

15 – 17 January 2026
Venue: Seminar Hall, ACBR, University of Delhi, Delhi 110007

Workshop Topics

- AI & ML in Drug Discovery
- Bioinformatics for Target Identification & Validation
- Python and R for Biomedical Computing
- Deep Learning in Healthcare
- Network-Based Drug Discovery

Selection Criteria

Selection will be based on a one-page write-up explaining how the workshop will benefit your research. Apply through the Google form: https://forms.gle/XBRbGkXnf3QwtN8z9. Preference will be given to active researchers, teachers, and scientists in the field. Notifications will be sent via email. For more details, visit www.acbrdu.edu.

Important Dates

Last date of application: **6th Jan 2026**
Intimation of selection: **8th Jan 2026**
Number of participants: **30**

REGISTRATION FEE*	Without Accommodation	With Accommodation**
Will include registration kit, lunch and tea	Rs. 2000/- (Faculty) Rs. 1500/- (Student)	As per University Guest House Rates (to be paid at the guest house on reporting)

*Registration fee is to be paid only after selection (payment detail to be send through mail after selection confirmation)
** An accommodation for 4-5 persons can be arranged on first cum first serve basis.
***Final confirmation only after selection followed by payment of the registration fee

Invited Speakers/Resource Persons

Dr. Debasisa Mohanty, NII, New Delhi
Prof. Shandar Ahmad, JNU, New Delhi
Prof. Punit Kaur, AIIMS, New Delhi
Dr. Dinesh Gupta, ICGEB, New Delhi
Dr. Gitanjali Yadav, NIPGR, New Delhi
Dr. Tavpritesh Sethi, IIIT Delhi, New Delhi
Dr. Lipi Thukral, IGIB, New Delhi
Dr. Ankit Rajpal, DU, New Delhi
Prof. Madhu Chopra, ACBR, DU
Dr. Prakash Jha, ACBR, DU

Chairperson
Prof. Sunit K. Singh
Director, ACBR

Advisors
Prof. Daman Saluja
Prof. P. M. Luthra
Dr. Tavpritesh Sethi, IIIT-D

Organizing Committee
Prof. Madhu Chopra
Prof. K. Natarajan

Workshop Secretariat
Prof. Madhu Chopra
(Course Director & Coordinator)

Workshop Correspondence
Dr. Prakash Jha
(Project Scientist-1)
