ABOUT MALAVIYA MISSION SCHEME

The Ministry of Education (MoE) has sought strengthening of the synergy and integration between HRDCs and PMMMNMTT centres in order to meet the objective of NEP 2020, keeping in view the optimal utilization of infrastructure, human and financial resources. The scheme has been designed to implement some of the recommendations and aims of the policy, which suggests some key changes to the current higher education system to revamp and reenergize it and thereby deliver high-quality higher education, with equity and inclusion.

This new phase of the scheme also aims to implement the recommendations of NEP viz. to improve the quality of teaching at all levels and in all domains; to focus on equity and inclusion in higher education and promote online and digital education; ensure equitable use of technology; promote Indian language and culture; develop basic infrastructure facilities; create awareness about gender sensitization; include vocational education in the curriculum; develop leadership and management skills; create pool of mentors and pedagogic experts; promote research and multidisciplinary education.

ABOUT HANSRAJ COLLEGE

Hansraj College is one of the largest constituent colleges of University of Delhi and has been ranked as one of the top five colleges for Science, Arts and Commerce several times in the last decade. The faculty and students of the college have contributed immensely in the field of academics, sports and cultural activities. The college faculty is dedicated towards growth and development of the institution academically and administratively to constantly thrive for excellence. Hansarians have been placed in diverse professions and services worldwide and are bringing fame and laurels to the institution.

ABOUT DAULAT RAM COLLEGE

Daulat Ram College is enshrined in its motto "Salvation through knowledge" with the goal to educate, implement, engage, inculcate and instill the right values along with modern education. The College has been encouraging and motivating the faculty to upgrade themselves with the latest teaching-learning processes and pedagogies and skills required for transforming Higher Education. With the objective of upskilling and empowering the educators, the College has been organizing various training programmes e.g. FIPs, FDPs, Skill Enhancement Workshops and trainings on teaching, learning and research for the dynamic learners, educators, academicians and researchers of the 21st century.

ABOUT THE PROGRAMME

Higher education landscape is experiencing paradigm shifts due to technological innovations, ever-evolving learners' expectations and needs, growing emphasis on interdisciplinary learning, outcome-oriented education and an increasing focus on research and innovation. The adoption of modern educational policies, digital teaching methodologies, artificial intelligence, open educational resources, blended learning environments and evidence-based research practices necessitates continuous professional development among faculty members. In response to these developments, the Refresher Course on Contemporary Trends in Teaching, Learning and Research is designed to enhance participants' pedagogical expertise, research capabilities, and digital competencies. The programme will provide a valuable platform for academic collaboration, knowledge exchange, skill development, and professional networking across disciplines.

OBJECTIVES OF THE PROGRAMME

- To enhance pedagogical knowledge with modern teaching methodologies, digital tools, and learner centric approaches.
- To promote innovative learning aligning with contemporary educational needs.
- To strengthen research skills by developing participants' ability to engage in interdisciplinary research, apply emerging methodologies, and integrate technology in scholarly work.
- To encourage critical reflection to evaluate traditional practices and adapt to evolving academic and societal contexts.
- To inculcate a mindset of continuous professional growth, adaptability, and responsiveness to global educational trends.
