NATIONAL YOUNG RESEARCH SCHOLARS' SYMPOSIUM 2026

on

Inquiry and Insight: Research Perspectives in Contemporary Contexts

24th - 25th April, 2026

The symposium seeks to provide a vibrant platform for research scholars in the Humanities and Social Sciences to present and engage with contemporary academic issues. The symposium will bring together young researchers from across the country to deliberate on diverse themes such as youth and mental health, gender and identity, media and digital cultures, public policy and governance, and interdisciplinary research approaches.
