SEMESTER – III

DSC – 7

Stage Performance

Course title & Code	Credits	Credit distribution of the course			Eligibility Criteria	Pre requisite of the Course (if any)
		L	T	P		
Stage Performance DSC – 7	4	0	0	4	• B A (Hons.) • Any Diploma in Karnatak music from recognised institute along with Bachelor's Degree in any discipline	Must have learned the raga and tala covered in the M A 1 st and 2 nd Semester

Course Objectives:

- This practical based course intends to make aware students understand the characteristic features of prescribed ragas and compositions.
- Students understand the planning of the concert procedure. (Performance).

Course Learning Outcomes:

- Student gain skills of performance techniques along with the accompaniments.
- Gain knowledge of various compositions composed by different composers.
- Gain skills of Ragam-Tanam-Pallavi rendering along with accompaniments.

Contents:

Unit 1: Stage Performance from the prescribed list of Ragas (A, B & C) (30 Hours)

- Performance of one hour duration, by the candidate within the Prescribed Ragas.
- Advanced Varnam
- Compositions covered in the course
- Ragam Tanam Pallavi Exposition

Unit 2: List of Ragas – (A) Prescribed for Composition (30 Hours)

- Nayaki, Kuranji, Senjuruti, Dwijavanti
- Bhouli, Bhairavam, Vagadhiswari
- Amruthavarshini, Subhapanthuvarali
- Kamalamanohari Hamsanadam

Unit 3: List of Ragas: (B) Prescribed for Pallavi exposition (30 Hours)

- Sankarabharanam, Kalyani,
- Kharaharapriya, Kedaragoula
- Kiravani, Shanmukhapriya
- Bilahari, Saveri

Unit 4: List of Ragas: (C) Prescribed for Expositions (30 Hours)

(In addition to the Ragas which covered in Previous Semesters)

- Nayaki, Senjurutti, Shubhapantuvarali, Bhoul
- Punnagavarali, Latangi, Sourashtram, Athana
- Sama, Sahana, Hamirkalyani, Asaveri
- Harikambhoji, Yadukulakambhoji, Kapi, Behag

Suggested Readings:

- 1. Panchapakesa Iyer, A.S. (2002), Ganamrutha Varna Malika, Karnatic Music Book Centre, Chennai**
- 2. Rao, T.K Govinda (1999), Compositions of Tyagaraja, Ganamandir Publications, Chennai**
- 3. Rao, T.K Govinda (1997), Compositions of Syama Sastri, Ganamandir Publications, Chennai**
- 4. Rao, T.K Govinda (1997), Compositions of Muddusvami Dikshitar, Ganamandir Publications, Chennai**

DSC – 8 Raga, Tala and their Application

Course title & Code	Credits	Credit distribution of the course			Eligibility Criteria	Pre requisite of the Course (if any)
		L	T	P		
Raga, Tala and their Application DSC – 8	4	0	0	4	• B A (Hons.) • Any Diploma in Karnatak music from recognised institute along with Bachelor's Degree in any discipline	Must have learned the raga and tala covered in the M A 1st and 2nd Semester

Course Objectives:

- Students Understand the practical demonstration of raga, tala and compositions.
- Students understand the characteristic features of prescribed raga and compositions. Understand the planning of the concert.

Course Learning Outcomes:

- Students are able to explain orally the theoretical aspects of ragas and talas.
- Gain the knowledge of compositions and be able to demonstrate the talas and creative aspects of ragas.
- Able to render Pallavi skilfully.

Contents:

Unit 1: Viva Voce:

(30 Hours)

- Practical Test of Ragas & Compositions from List A, B & C of prescribed ragas
- Test of practical knowledge of presentation of a concert.
- Practical knowledge of presentation of Pallavi exposition
- Knowledge of improvisation through the Raga and Tala prescribed

Unit 2: Practical test of Composition Learnt from (List A)

(30 Hours)

- Nayaki, Kuranji, Chenjuruti, Dwijavanti
- Bhouli, Bhairavam, Vagadhiswari,
- Kamalamanohari , Hamsanadam
- Amruthavarshini, Subhapanthuvarali

Unit:3 Exposition of Pallavi in prescribed ragas from (List B) (30 Hours)

- Sankarabharanam, Kalyani
- Kharaharapriya, Kiravani
- Saveri, Kedaragoula
- Bilahari, Shanmukhapriya

Unit 4: List of Raga For Expositions from (List: C) (30 Hours)

(In addition to the Ragas which covered in Previous Semesters)

- Nayaki, Chenjuruti, Subhapantuvarali, Bhoul
- Punnavarali, Latangi, Sourashtram, Athana
- Sama, Sahana, Hamirkalyani, Asaveri
- Harikambhoji, Yadukulakambhoji, Kapi, Behag

DSE- 11:**Research Methodology**

Course title & Code	Credits	Credit distribution of the course			Eligibility criteria	Pre-requisite of the course (if any)
		L	T	P		
Research Methodology	4	3	1	0	• Class XII Pass • Must have learnt for a minimum of 4 years at an established music institute or from a reputed guru	Must have studied the following papers • General Musicology (Sem- I) • Theory of Indian Music (Sem – II) OR • Understanding of the basic concepts such as Shruti, Swara, Raga, Tala etc and their associated components • Knowledge of the notation system

Course Objective

- The main focus of this unit is to create a research aptitude and queries about the basic principles of Music and its technical terms.
- It also deals with the Understanding of the principles of research, their definition and application.

Course Learning Outcome

- Understanding the important concepts of Research in Music and their practical application.
- To carry out a minor research project with fulfilling all credentials of research in Indian music.

Contents**Unit -1. (12 Hours)**

- Research, Definition, its aims and objectives
- Varieties, Types of Research
- Methodology and process
- Data Collection, Analysis and Hypothesis

Unit 2. (10 Hours)

- Synopsis- Definition, Importance,
- Preparing of synopsis
- Bibliography, Index, Preface, Introduction & footnotes

- Selection of Research Topic, Report writing, Literature review and Research design

Unit 3. (13 Hours) Primary sources

- Manuscripts and Interview
- Paintings, Frescoes & Sculpture
- Travelogues, Inscription, Museum & Coins
- Musical Pillars and Stones

Unit 4. (10 Hours) Secondary sources

- Books
- Journals & Magazines
- Archaeological findings
- Oral Tradition

Stage Performance

Course title & Code	Credits	Credit distribution of the course			Eligibility Criteria	Pre requisite of the Course (if any)
		L	T	P		
Stage Performance DSC – 7	4	0	0	4	• B A (Hons.) • Any Diploma in Karnatak music from recognised institute along with Bachelor's Degree in any discipline	Must have learned the raga and tala covered in the M A 1 st and 2 nd Semester

Course Objectives:

- This practical based course intends to make aware students understand the characteristic features of prescribed ragas and compositions.
- Students understand the planning of the concert procedure. (Performance).

Course Learning Outcomes:

- Student gain skills of performance techniques along with the accompaniments.
- Gain knowledge of various compositions composed by different composers.
- Gain skills of Ragam-Tanam-Pallavi rendering along with accompaniments.

Contents:

Unit 1: Stage Performance from the prescribed list of Ragas (A, B & C) (30 Hours)

- Performance of one hour duration, by the candidate within the Prescribed Ragas.
- Advanced Varnam
- Compositions covered in the course
- Ragam Tanam Pallavi Exposition

Unit 2: List of Ragas – (A) Prescribed for Composition (30 Hours)

- Nayaki, Kuranji, Senjuruti, Dwijavanti
- Bhouli, Bhairavam, Vagadhiswari
- Amruthavarshini, Subhapantuvarali
- Kamalamanohari Hamsanadam

Unit 3: List of Ragas: (B) Prescribed for Pallavi exposition (30 Hours)

- Sankarabharanam, Kalyani,
- Kharaharapriya, Kedaragoula
- Kiravani, Shanmukhapriya
- Bilahari, Saveri

Unit 4: List of Ragas: (C) Prescribed for Expositions (30 Hours)

(In addition to the Ragas which covered in Previous Semesters)

- Nayaki, Senjurutti, Shubhapantuvarali, Bhoul
- Punnavarali, Latangi, Sourashtram, Athana
- Sama, Sahana, Hamirkalyani, Asaveri
- Harikambhoji, Yadukulakambhoji, Kapi, Behag

Suggested Readings:

1. Panchapakesa Iyer, A.S. (2002), Ganamrutha Varna Malika, Karnatic Music

Book Centre, Chennai

2. Rao, T.K Govinda (1999), Compositions of Tyagaraja, Ganamandir Publications, Chennai

3. Rao, T.K Govinda (1997), Compositions of Syama Sastri, Ganamandir Publications, Chennai

(30 Hours)

- Different methods of elaborating Raga
- Niraval in Compositions and Pallavi Exposition
- Singing Swara Kalpana for various compositions in different tala-s
- Construction of Koruvai for various tala-s.

Suggested reading:

1. Sambamoorthy, P. Prof. (Vol. 3, 1964), South Indian Music, The Indian Music Publishing House, Madras.
2. Sambamoorthy, P. Prof. (Vol. 4, 1982), South Indian Music, The Indian Music Publishing House, Madras
3. Sambamoorthy, P. Prof. (Vol. 5, 2001), South Indian Music, The Indian Music Publishing House, Madras
4. Sambamoorthy, P. Prof. (Vol. 6, 2002), South Indian Music, The Indian Music Publishing House, Madras
5. Sambamoorthy, P. Prof. (1998), History of Indian Music, The Indian Music Publishing House, Madras.

SEMESTER - IV

DSC – 9

Stage Performance

Course title & Code	Credits	Credit distribution of the course			Eligibility Criteria	Pre requisite of the Course (if any)
		L	T	P		
Stage Performance DSC – 9	4	0	0	4	• B A (Hons.) • Any Diploma in Karnatak music from recognised institute along with Bachelor's Degree in any discipline	Must have learned the raga and tala covered in the MA 1 st , 2 nd and 3 rd Semester

Core course – Practical Stage Performance (Credit – 4)

Course Objectives:

- This practical based course intends to make aware students understand the characteristic features of prescribed ragas and compositions.
- Students understand the planning of the concert (Performance).

Course Learning Outcomes:

- Student gain skills of performance techniques along with the accompaniments.
- Gain knowledge of various compositions composed by different composers.
- Gain skills of Ragam-Tanam-Pallavi rendering along with accompaniments.

Contents

Unit 1: Stage Performance from the prescribed list of Ragas (A, B & C) (30 Hours)

- Performance of one hour duration, by the candidate within the Prescribed Ragas.
- Advanced Varnam
- Compositions covered in the course
- Ragam Tanam Pallavi Exposition

Unit: 2 List of Raga (A). For Composition (30 Hours)

- Lalita, Navaraj, Punthagavarali,
- Ranjani, Bhoopalam, Paras, Ahiri
- Jaganmohini, Hamsanandi,
- Natabhairavi, Manirang

Unit 3: List of Raga (B). For Pallavi – Any 3 (30 Hours)

- Kambhoji, Simhendramadhyamam,
- Mukhari, Anandabhairavi, Dhanyasi
- Bilahari, Pantuvarali
- Todi, Bhairavi

Unit 4: List of raga (C). For Exposition

(30 Hours)

- Jaganmohini
- Bhoopalam
- Manirangu
- Hamsanandi

Suggested Readings:

1. Panchapakesa Iyer, A.S. (2002), Ganamrutha Varna Malika, Karnatic Music Book Centre, Chennai
2. Rao, T.K Govinda (1999), Compositions of Tyagaraja, Ganamandir Publications, Chennai
3. Rao, T.K Govinda (1997), Compositions of Syama Sastri, Ganamandir Publications, Chennai
4. Rao, T.K Govinda (1997), Compositions of Dikshitar, Ganamandir Publications, Chennai

DSC – 10 Raga, Tala and their Application

Course title & Code	Credits	Credit distribution of the course			Eligibility Criteria	Pre requisite of the Course (if any)
		L	T	P		
Raga, Tala and their Application DSC – 10	4	0	0	4	• B A (Hons.) • Any Diploma in Karnatak music from recognised institute along with Bachelor's Degree in any discipline	Must have learned the raga and tala covered in the M A 1st and 2nd Semester

Course Objectives:

- Student Understand the practical demonstration of ragas, talas and compositions.
- Students get wider awareness about the Raga, Tala and improvisation of music and its application.

Course Learning Outcomes:

- Students are able to explain orally the theoretical aspects of ragas and talas.
- Gain the knowledge of compositions and able to demonstrate the talas and creative aspects of ragas.
- Able to render Pallavis skilfully.

Contents

Unit 1: Viva Voce:

(30 Hours)

- Practical Test of Ragas & Compositions from List A, B & C of prescribed ragas
- Test of practical knowledge of presentation of a concert.
- Practical knowledge of presentation of Pallavi exposition
- Knowledge of improvisation through the Raga and Tala prescribed

Unit 2: List of Raga (A) for Composition

(30 Hours)

- Lalitha, Navaraj, Punnavarali
- Manirangu, Ranjani, Bhoopalam
- Paras, Ahiri, Jaganmohini
- Hamsanandi, Natabhairavi

Unit 3: List of raga (B) for Pallavi – Any 3

(30 Hours)

- Kambhoji, Simhendramadhyamam
- Bhairavi, Mukhari
- Anandabhairavi, Dhanyasi
- Bilahari, Pantuvarali, Todi

Unit 4: List of Raga (C) for Non-Detailed Exposition

(30 Hours)

- Jaganmohini
- Bhoopalam
- Manirangu
- Hamsanandi

Suggested Readings:

1. Panchapakesa Iyer, A.S. (2002), Ganamrutha Varna Malika, Karnatic Music Book Centre, Chennai
2. Rao, T.K Govinda (1999), Compositions of Tyagaraja, Ganamandir Publications, Chennai
3. Rao, T.K Govinda (1997), Compositions of Syama Sastri, Ganamandir Publications, Chennai
4. Rao, T.K Govinda (1997), Compositions of Muddusvami Dikshitar, Ganamandir Publications, Chennai.

DSE – 7 Aesthetics and Appreciation of Karnatak Music

Course title & Code	Credits	Credit distribution of the course			Eligibility Criteria	Pre requisite of the Course (if any)
		L	T	P		
Aesthetics and Appreciation of Indian Music DSE – 7	4	3	1	0	• B A (Hons.) • Any Diploma in Karnatak music from recognised institute along with Bachelor's Degree in any discipline	Must have learned the other topics covered in the M A 1 st and 2 nd Semester

Objectives:

- In this paper the student understands the concept of Aesthetics, approaches and Aesthetics as a study.
- Student also understand Aesthetical elements found in the Karnatak musical forms such as Varnam, Kriti, Padam, Javali etc.

Course Learning Outcomes:

- Acquire the knowledge of Aesthetical elements found in the musical forms of Karnatak music i.e. Varnam, Kriti, Padam and Javali etc.
- Gain the knowledge of Aesthetical elements contained in the terms of Indian musicology such as Swara, Nada, Sruti, Gamaka, Raga and Tala etc.
- Able to explain the Aesthetics as a theory of fine art and its appreciation.
- Gain the knowledge of importance of aesthetics in Karnatak musical forms.

Contents

Unit 1: Aesthetics and its Application in Indian Performing Arts (15 Hours)

- Aesthetics, Its main approaches
- Concept of Aesthetics in Indian Music
- Concept of Aesthetics in Western Music
- Identification of aesthetics in Karnatak Music.

DSE- 9:**Research Methodology**

Course title & Code	Credits	Credit distribution of the course			Eligibility criteria	Pre-requisite of the course (if any)
		L	T	P		
Research Methodology	4	3	1	0	• Class XII Pass • Must have learnt for a minimum of 4 years at an established music institute or from a reputed guru	Must have studied the following papers • General Musicology (Sem- I) • Theory of Indian Music (Sem – II) OR • Understanding of the basic concepts such as Shruti, Swara, Raga, Tala etc and their associated components • Knowledge of the notation system

Course Objective

- The main focus of this unit is to create a research aptitude and queries about the basic principles of Music and its technical terms.
- It also deals with the Understanding of the principles of research, their definition and application.

Course Learning Outcome

- Understanding the important concepts of Research in Music and their practical application.
- To carry out a minor research project with fulfilling all credentials of research in Indian music.

Contents**Unit -1. (12 Hours)**

- Research, Definition, its aims and objectives
- Varieties, Types of Research
- Methodology and process
- Data Collection, Analysis and Hypothesis

Unit 2. (10 Hours)

- Synopsis- Definition, Importance,
- Preparing of synopsis
- Bibliography, Index, Preface, Introduction & footnotes
- Selection of Research Topic, Report writing, Literature review and Research design

Unit 3. (13 Hours) Primary sources

- Manuscripts and Interview
- Paintings, Frescoes & Sculpture
- Travelogues, Inscription, Museum & Coins
- Musical Pillars and Stones

Unit 4. (10 Hours) Secondary sources

- Books
- Journals & Magazines
- Archaeological findings
- Oral Tradition

A: Advance Research Methodology (ARM)

Course title & Code	Credits	Credit distribution of the course			Eligibility Criteria	Pre requisite of the Course (if any)
		L	T	P		
Advance Research Methodology Credit : 2	2	2	0	0	• B A (Hons.) • Any Diploma in Karnatak music from recognised institute along with Bachelor's Degree in any discipline	Must have learned the Research Methodology topics covered in BA 7 th 8 th & M A 1 st 2 nd Semester

Course Objectives:

- This course is mainly intended to create knowledge about the advanced research methodology.
- Students understand the characteristic features of research of higher realm and technical terms of advanced methods and methodology.

Course Learning Outcomes:

- Student gain skills of advance research techniques along with methodology.
- Gain knowledge of various technical terms and its utilisation.
- Gain skills of writing in different types of publication.

Content: (A) Advance research Methodology

Unit 1: Hypothesis in Research

(8 Hours)

- Research Question; Definition and Hypothesis in music
- Basic concepts concerning Hypothesis testing
- Importance and Formulation of Hypothesis
- Limitations of Hypothesis testing

Unit 2: Data analysis

(7 Hours)

- Analysis and interpretation of Data
- Methods of Analysis –
- Qualitative Analysis
- Quantitative Analysis

Unit:3 Analysis of Variance**(7 Hours)**

- Analysis of Variance and Co-Variance
- Multivariate and Analysis
- Factor and Analysis
- Path and Analysis

Unit : 4 Sampling fundamentals**(8 Hours)**

- Fundamental definitions
- Need for sampling
- Sample size and Determination
- Exploratory and Explanatory Research

Suggested Reading:

1. Floyd J F, Survey research Methods, Sage Publications, New Delhi.
2. Goode C V & Scates D E, 1954, Methods in Social Research, McGraw-Hill
3. Havell E B, The Art Heritage, 1964, D B Taraporevala Sons and Co Pvt LTD.

B: Tools for the Research (ARM)

Course title & Code	Credits	Credit distribution of the course			Eligibility Criteria	Pre requisite of the Course (if any)
		L	T	P		
Tools For The Research	2	2	0	0	• B A (Hons.) • Any Diploma in Karnatak music from recognised institute along with Bachelor's Degree in any discipline	Must have learned the other topics covered in the M A 1st and 2nd Semester

Course Objectives:

- This course is mainly intended to create knowledge about the advanced research methodology.
- Students understand the characteristic features of research of higher realm and technical terms of advanced methods and methodology.

Course Learning Outcomes:

- Student gain skills of advance research techniques along with methodology.
- Gain knowledge of various technical terms and its utilisation.
- Gain skills of writing in different types of publication.

Contents: B

Unit 1: Tools for the Research

(7 Hours)

- Measurement in Research
- Techniques of developing measurement tools
- Questionnaire and Scale
- Preparation of scale

Unit 2: Measurement Scales

(8 Hours)

- Nominal Scale
- Interval Scale
- Ratio Scale
- Ordinal Scale

Unit 3: Tests of Sound Measurement

(7 Hours)

- Test of Validity
- Content Validity
- Criterion related Validity
- Construct Validity

Unit 4: Importance of publishing Skills

(8 Hours)

- Indexing Database
- Patenting
- Citation
- Impact factor

Techniques of Research Writing (ARM)

Course title & Code	Credits	Credit distribution of the course			Eligibility Criteria	Pre requisite of the Course (if any)
		L	T	P		
Techniques of Research Writing Credit: 2	2	2	0	0	• B A (Hons.) • Any Diploma in Karnatak music from recognised institute along with Bachelor's Degree in any discipline	Must have learned the Research Methodology topics covered in BA 7 th or 8 th & M A 1 st or 2 nd Semester

Course Objectives:

- This course is mainly intended to create knowledge about the advanced research methodology.
- Students understand the characteristic features of research of higher realm and technical terms of advanced methods and methodology.

Course Learning Outcomes:

- Student gain skills of advance research techniques along with methodology.
- Gain knowledge of various technical terms and its utilisation.
- Gain skills of writing in different types of publication.

Contents:

Unit 1: Significance of Report writing

(8 Hours)

- Report Writing- Definition and Importance
- Types of Research Report
- Bibliography – Reference – Foot Notes
- Reference formats – APA, MLA, Chicago etc.

Unit 2: Importance of Documentation

(7 Hours)

- Manuscript structure
- Manuscript Content
- Planning and writing an article
- Empirical paper - Review paper

Unit 3: Different steps in writing report**(8 Hours)**

- Preparation of the Final outline
- Preparation of the rough draft
- Rewriting and polishing the rough draft
- Preparation of the final bibliography

Unit 4: Types of report**(7 Hours)**

- Technical report
- Popular report
- Oral presentation
- Techniques of writing a research report
