Last Date for Registration: 23 February 2024

Capacity-Building Programme on *Global Trends in Academic Administration*

I.   Objective of the Programme

The programme is a step in globalising the principle of *Vasudhaiv Kutumbakam* in the field of Academic Administration. The world of higher education is opening up fast with growing interaction and collaboration among seats of learning. Moving beyond regional and national boundaries, there is an increasing emphasis on sharing of knowledge to seek solutions for problems that affect the entire humanity. Academic Administrators being the backbone of educational institutions would be required to act as active collaborators and facilitators for the same.

The programme seeks to upgrade the skills of our Academic Administrators so that they can be active players in making India a developed nation by 2047 and actualizing the dream vision of our Hon'ble Prime Minister, *"Viksit Bharat@2047"*.

Accordingly, a sincere effort is being made to expose Academic Administrators in India to the Global Trends in Education and upskill them in this direction through this international training programme.

II.   Collaborating Partners

University of Delhi

The University of Delhi is a premier university of the country with a venerable legacy and international acclaim for highest academic standards, diverse educational programmes, distinguished faculty, illustrious alumni, varied co-curricular activities and modern infrastructure. Over more than a century of its existence, the University has sustained the highest global standards and best practices in higher education.

London School of Economics and Political Science

London School of Economics and Political Sciences (LSE) is one of the foremost social sciences universities in the world. Consistently ranked as the top university in London and one of the finest specialist research-intensive universities in the world, LSE has much to offer when it comes to sharing learning and connecting with global partners.

British Council

British Council combines the UK's expertise in arts and culture, education, global presence and relationships in over 100 countries providing access to young people and influencers. The Council works directly with individuals and institutions to help them gain skills, confidence and connections to transform their lives and shape a better world in partnership with the UK.
