3. Addition of detailed practical exercises of Skill Based Course titled "Decoding Union Budget" as follows:

The learners are required to:

- (i) Analyze the structure of the latest Union Budget, including revenue, expenditure and fiscal deficit.
- (ii) Track 5- year budget trends for a sector (e.g. Health, Education) and analyze changes in focus.
- (iii) Compare fiscal priorities, allocations and deficits between the Union and a State Budget.
- (iv) Design and conduct a short online/ offline survey to capture public perception of the budget (before and after Budget Day).
- (v) Review how well recent Union Budgets have adhered to FRBM (Fiscal Responsibility and Budget Management) targets.
