No. Estab.-IV/008/2023/ 177

Dated: 08.12.2023

NOTICE

It has been noticed that in most of the cases the Plagiarism test report duly signed by the Head of the Department is not attached with the proforma submitted by the faculty. This is invariably leading to delays in taking formal approval for implementation of the promotions even after completion of the process of screening or interview.

The faculty applying for promotion is accordingly requested to kindly attach the Plagiarism report with their application to avoid such delays. The plagiarism test report with following certificate from the Head of the concerned department, with respect to the publication(s) being used for promotion, should be annexed with the application form for promotion:

"Plagiarism test has been carried out. The percentage of similarity for this article/ book chapter is under the permissible limit of 10% as specified in the University Grants Commission (Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions) Regulations, 2018."
