14/ The Council resolved that the recommendations of the Standing Committee of the Academic Council constituted under Clause -5 of Ordinance -II of the Ordinances of the University held on 25.02.2025 be accepted and recommended to the Executive Council for approval. The recommendations of the Standing Committee as reflected in the minutes of the Standing Committee is placed at **Appendix-100.**

The Standing Committee deliberated upon various matters relating to admissions and attendant issues thereto and recommended the following:

1. Program Specific Eligibility for the admissions to Undergraduate Programs for the Academic Session 2025-26.
2. Bulletin of Information for the admissions to Four Year Integrated Teacher Education Program (ITEP) for the Academic Session 2025-26.
3. Equivalence of Boards.

15/ The Council resolved that the introduction of a flexibility for the 4th Year of UG Programmes of the UGCF 2022, which are conventionally referred to as ‘Programme Courses’ namely, B.A. (P), BSc. (P) and B.Com. (P) be accepted and recommended to the Executive Council for approval.

Background:

- 1. There were concerns expressed regarding the implementation of 4th Year UG programmes for students of the School of Open Learning and NCWEB. The operationalization of the three tracks of the 4th Year UG programmes, viz. Dissertation writing, Academic Projects and Entrepreneurship may be challenging in view of the quantum of students who may possibly progress to the 4th year. There was thus a need to bring in some flexibility to students for the 4th Year.
- 2. In this regard, it was noted that students pursuing B.A. (P) or B.Sc. (P) or B.Com. (P) will get a simple degree after completion of 3rd year and an Honours degree after completion of 4th year. Such students will not get ‘Honours with Research’ degree after completion of the 4th year even if such students write ‘Dissertation’ or do ‘Academic Projects’.
- 3. Accordingly, it is proposed that an alternative may be provided to students enrolled in B.A. (P) or B.Sc. (P) or B.Com. (P) who will be pursuing the 4th year of their UG programmes to opt for additional number of Discipline Specific Electives and a Skill based course of two credits related to the core discipline each in the Semesters VII and VIII, in case they do not wish to opt for any of the three approved tracks aforementioned. The alternate structure proposed is provided below:

Alternate 4th Year B.A. (P), B.Sc. (P) and B.Com.(P) structure for those who do not wish to opt for Dissertation writing/Academic Projects/ Entrepreneurship

Semester	DSC	DSE	2 Credit course	Total Credits
Semester-VII	DSC (04 credits)	DSE - 1 DSE – 2 DSE – 3 DSE - 4 OR DSE-1, 2 & 3 GE-1 (16 credits)	Skill-based course/ workshop/ Specialised laboratory/ Hands on Learning (2 credits)	22
Semester-VIII	DSC (04 credits)	DSE- 5 DSE – 6 DSE – 7 DSE - 8 OR DSE- 4, 5 & 6 GE-2 (16 credits)	Skill-based course/ workshop/ Specialised laboratory/ Hands on Learning (2 credits)	22

- 4. However, this structure shall not be applicable for those students who are enrolled in Single Core Discipline Programmes (conventionally known as ‘Honours’ Programme i.e. programmes where students get Honours degree in three years).

- 16/** The Council resolved that the proposal for enabling implementation of cumulative improvement of marks of a course/ paper, be accepted and recommended to the Executive Council for approval.

Background:

1. The improvement of marks in a course/paper was approved by the AC and EC and notified vide Notification no. CNC-II/093/1(22)/2022-23/ dated 10.02.2023.
2. Due to overlapping of classes of different semesters, students who wish to improve their marks cumulatively of a course(s), including the IA and CA/Practical components, of a course/paper of earlier semester, find it challenging. A committee, chaired by the Director South Delhi Campus, was constituted by the competent authority to examine the matter. Further, a meeting held on 16.04.2025, chaired by the Hon'ble Vice Chancellor, wherein Principals of the Colleges and Head of Departments where UG courses are being offered, also discussed the matter.
3. As per the discussion in the meeting, which also emerged out of the deliberations of the Committee, the following are proposed:
 - a. (i) A student who has passed in a course/paper in an earlier semester, but wishes to improve the marks of both the theory (written exam marks) and Internal Assessment (IA) but excluding the attendance component of the IA, may be allowed to carry forward their previous attendance marks of IA and improve upon the rest of the two components i.e. Class Test and Assignment by re-registering for the course/paper and learning through self-study mode.

(ii) To 'Re-register' for a course/paper means to formally inform the College authority by a student of his/her intent to improve a course/paper. College may create a proforma /Google Form to seek such information from the students and may charge a very nominal fee (maximum Rs. 100/-) to systematize the process.
 - b. To overcome the issue of overlapping of the classes of the current semester and that of the class timings of the course of an earlier semester which a student wishes to improve the marks cumulatively, the following are proposed as per the deliberations:
 - (i) Holding of classes of such students from 6 to 8 pm OR on Saturdays or Sundays or both the days
 - (ii) In case of less number of students who wish to improve the marks of a course/paper in a College, Colleges can cluster together and hold classes of such course(s)/paper(s).
 - (iii) Faculty members of the College who take classes for these students at the timing or days mentioned in point 4. (b) (i) may be paid honorarium as per norms of the University if they take such classes over and above their prescribed workload in the College. However, a faculty member may be permitted to teach a maximum of four credits in a semester for such students.
 - c. For the sake of avoiding any confusion whatsoever, it is reiterated that as per Ordinance IX (2), improvement of marks obtained in a course/paper

can be made in the immediately succeeding odd/even semester only. However, if a student has got an 'Essential Repeat' in a course/paper in the relevant semester, he/she may be allowed to appear for that paper and improve the components of that paper till the time he/she passes that course/paper. For instance, if a student fails in a course of semester I, he/she has to repeat in semester III, but if he/she again fails in that course/paper in semester III, then he/she shall be allowed to appear again in semester V.
