### 3.2. ALLOCATION RULES

The University of Delhi will consider the score obtained in NCET-2025 for the purpose of allocations. Highest preference will be provisionally allocated to a candidate considering the following criteria:

- (i) Merit
- (ii) Category-UR/OBC-NCL/SC/ST/EWS/(Minority)
- (iii) Availability of seats
- (iv) Any other allocation rules, policies, or criteria mentioned in this document or published on UoD's admission website.

The merit list for the UR category seats will comprise all candidates in order of merit. No one will be excluded from the same. In other words, the merit list for the Unreserved (UR) category will also include SC/ST/OBC-NCL/EWS candidates, irrespective of category, if they meet the criterion of merit for the UR category. No candidate can be excluded from the UR category merit list just because the Candidate belongs to or has applied under the SC/ST/OBC-NCL/EWS category. Discrimination on the basis of category/caste is completely unlawful. The UoD does not tolerate discrimination against any Candidate/student on this basis. Strict action will be taken against any violations.

If candidates belonging to SC/ST/OBC-NCL/EWS/PwBD/CW/Single Girl Child/Orphan category do not have a valid certificate/ document issued by the respective issuing authority at the time of admission, they will not be considered for allocation in the relevant category as claimed. (Refer to Annexure III).

If the total number of eligible ST category candidates who have applied for a particular Program exhausts, then the remaining seats under this category for that particular Program will be allocated to eligible SC category candidates and vice-versa.

In case a candidate was allocated a seat under any reserved category/ sub-category and was rejected on the basis of deficiency/ies in the category/sub-category/ caste documents, s(he) may be considered for seat allocation in subsequent round/s (if any) in UR category as per his/her eligibility, merit and availability of seats in UR.

### 3.3. SEAT ALLOCATION AND ADMISSION

On declaration of the Seat Allocation result/s by the University of Delhi, the candidate must log in to his/her dashboard for acceptance of the allocated seat, if offered.

**It is the candidate's responsibility to log in to the dashboard and check if a seat has been allocated in a given round of seat allocation. If allocated, s(he) must complete all admission formalities.**

#### 3.3.1 : Acceptance, Physical Verification of Documents and Approval

On declaration of each allocation round, if a seat is provisionally allocated, the candidate must **"Accept"** the allocated seat before the last date/time specified for the given allocation round.

**Inactivity/no action will be considered non-acceptance of the allocated seat. It will be treated as a decline in the provisionally allocated seat, and the candidate will no longer be able to participate in subsequent rounds.**

Department of Education and the concerned College will verify the following:

1. Minimum Eligibility of the Candidate
2. Score obtained in NCET-2025
3. Validity and authenticity of Documents/Certificates submitted by the candidate

After verification, the Department/ College will either 'Approve' or 'Reject' the application.

During verification, if any document/ certificate is found inadequate/insufficient/inappropriate, the admission, if granted, shall be cancelled and treated as invalid *ab initio*. Appropriate legal action will be taken against such a candidate. The University of Delhi will not refund the Admission Fee (if paid) in case a candidate is found ineligible at any stage.

**In case of Approval:** Once the approval is accorded, the candidate will have to pay the requisite admission fee within the stipulated time for the given allocation round. (refer to Section 3.3.2).

**In case of Rejection:** At the time of verification, if an application gets rejected, any/all of the following reason/s may be stated:

1. Non-fulfillment of the Minimum Eligibility by the Candidate
2. Invalid documents/certificates submitted by the Candidate
3. Failure to respond to the query(ies) raised by FoE within the stipulated time

### **3.3.2 : Admission to the Provisionally Allocated Seat**

After the approval is accorded, the candidate will have to pay the admission fee. The admission will be confirmed only after successful payment of the admission fee.

If a candidate fails to pay the admission fee within the stipulated time, it will be considered as a cancellation of the provisionally allocated seat. The allocated seat shall be forfeited, and the candidate will not be considered for any subsequent regular allocation rounds.

## **3.4 SUBSEQUENT ALLOCATION ROUNDS**

The University of Delhi may announce multiple allocation rounds based on the availability of the seats that arise due to rejections, cancellations, and withdrawals.

All admitted candidates who opt for the "Upgrade" option (refer to 3.5.1) in a particular round will be considered for the respective allocation round, subject to the availability of seats.

Candidates who were allocated their first preference in any round will not be considered in subsequent round/s of allocation.

## **3.5. UPGRADE & FREEZE**

Before an Allocation Round, the University of Delhi will open an "Upgrade" Window for all admitted candidates.

### **3.5.1 : Upgrade**

An admitted candidate can select the 'Upgrade' option, which will allow upgradation to a higher preference

submitted by the candidate. Admitted candidates who opt for upgradation will automatically be upgraded based on the allocation and upgradation policy.

Choosing the 'Upgrade' option means that the candidate consents to consideration of an offer of admission to a Program + College of his/her higher preference in the subsequent round (if any). His/her current admitted seat will be auto-cancelled if the new preference is allocated.

The Program in which the candidate had taken an admission earlier will never be offered to the candidate in any subsequent round. Similarly, the Program/s that were below in the preference order at which the candidate had taken an admission earlier will never be offered again to the candidate in any subsequent round.

The upgrade option will not be available for the candidate who was allocated his/her first preference.

It will be the candidate's responsibility to check for 'Upgrade' options in all rounds of seat allocations. Failure or inability to participate in the upgradation process will not be considered a grievance in any circumstance.

**A candidate who gets upgraded will have to 'Accept' the upgraded seat and complete the admission procedures on the upgraded allocated seat/s.** If a candidate does not do any activity on the upgraded seat/s, it will, by default, be considered cancelled, and the candidate will be out of the allocation process.

If a candidate is not upgraded, his/her admission to the earlier seat will be retained.

Selecting an upgrade does not mean an assurance of a seat in the next/ any subsequent allocation rounds.

Upgradation is subject to:

- a. Merit
- b. Order of Preference
- c. Availability of seats

### **3.5.2 : Freeze**

A candidate who has been admitted to an allocated seat and desires to continue with it should submit a 'Freeze' request through his/her dashboard. **On selecting 'Freeze', such a candidate will never be allowed to opt for "Upgradation."**

If an admitted candidate neither opts for Upgrade nor Freeze and remains inactive in that round, his/her admission will be retained, and s(he) will not be considered for upgradation in any subsequent round.

## **3.6 CANCELLATION OF PROVISIONALLY ALLOCATED SEAT/ ADMISSION**

1. Failure to 'Accept' the provisionally allocated seat within the stipulated timeline will result in the seat being cancelled.
2. The provisionally allocated seat will be cancelled if a candidate fails to pay the admission fees within the stipulated time.
3. The provisionally allocated seat/admission will be cancelled if, at any time, any of the document(s)/ certificate(s) is/are found to be invalid/fraudulent.
4. The provisionally allocated seat/admission will be cancelled if, at any time, it is found that a candidate does not meet the Minimum Eligibility Criteria as declared by UoD.

**A candidate whose provisionally allocated seat/admission is cancelled due to any of the above-mentioned reasons will forfeit the right to seek admission to UoD, and no fee will be refunded.**

### 3.7. WITHDRAWAL OF ADMISSION BY THE CANDIDATE

A candidate who has been admitted to a Program but wishes to withdraw can do so through her/his dashboard by selecting the 'Withdraw' option and paying a withdrawal fee of Rs. 1000.00 (non-refundable).

A candidate who withdraws her/his admission will forfeit her/his eligibility to participate in regular allocation rounds. S(he) will not be allowed to participate in any subsequent regular allocation rounds.

**The withdrawal option will be suspended upon announcement of the Spot Admission round/s.**

### 3.8. MID ENTRY
