The University has provided multiple exits to students pursuing undergraduate programmes in the Departments/Centres /Colleges, after completion of specific Levels of study. However, it is also equally important to allow a semester away to students of the Departments/ Centres/Colleges in between a programme to a Foreign Higher Education Institution (FHEI). Such students shall be able to take advantage of the exposure to the FHEI, account for the credits earned from there for the purpose of grant of degree/ qualification and still get the degree from the University of Delhi. Accordingly, the University has formulated the following modalities for Semester Away Programme.
