2. **Eligibility Criteria of all Under-graduate Programs for admissions to the academic year 2022 -23 onwards.**

Eligibility Criteria (including minimum Eligibility and Program Specific Eligibility)were finalised and recommended by various Faculty based Courses of Admission Committee was presented (Annexure-II).

It was decided:

- All admissions will be based only on the scores obtained in CUET.
- It will not be feasible to include any criterion on the basis of marks obtained in Board examinations (For example, aspects such as the "candidate must have scored 50% marks in Mathematics in Class XII" will not be considered under CUET.
- Candidates mustappear in CUET in only those subjects in which s(he) has cleared Class XII.
- In case the subject studied at Class XII is not mentioned in the CUET, the candidate must appear in the subject that is similar/ closely related to the subject s(he) has studied at Class XII (for example, if a candidate has studied Biochemistry in Class XII, then s(he) must appear in Biology in CUET).
- Merit will be calculated only on the 'combination of subjects in which a candidate has appeared in CUET' as mentioned in Program-Specific Eligibility.
- There will be no provision to accommodate any additional riders. (For example, conditions like "if the candidate studied a particular subject will be given 2% advantage" will no longer exist).
- Existing Eligibility Criteria will have to be mapped with the proposed CUET structure to benefit maximum candidates.
- Equivalency of subjects across boards will not be established.
- The eligibility must be widely inclusive to invite alarge number of candidates across the nation.
- Minimum Eligibility should be rephrased as "The candidates must have passed the Class XII examination or equivalent thereto from a single recognised board".
- In the minimum eligibility of B.Sc. (Prog)Home Science, B.Sc. (Prog.) Electronics Science, B.Sc. (H) Home Science/B.A. (H) Business Economics/ Bachelor of Management Studies/ Bachelor of Business Administration (Financial Investment Analysis), B.Voc (Printing Technology/Health Care management/Retail Management and IT/Banking Operation/Web designing/Software Development), B.A. (H) Multi Media and Mass Communication, B.El.Ed., "English" may be replaced by "Any one language"
- In the Program-SpecificEligibility of B.A. (H) in Punjabi/ Bengali/ Urdu/ Sanskrit/ Arabic/ Persian/ French/German/Italian/Spanish, it may be mentioned that "Candidates who opted Combination II for the admission will be considered only if seats remain vacant after considering all the candidates who opted Combination I for admission.
- Programs in which language is not considered in merit of CUET score, obtaining a minimum of 30% in Section 1 of CUET is required.

- While calculating merit for the admission to Bachelor of Science in Physical Education, Health Education & Sports [BSc (PE, HE&S)] and UG programs of Faculty of Music and Fine Arts, combined CUET score (50% weightage) and Performance-based test (50%weightage) will be done.
- B.El.Ed. is a professional degree recognized by NCTE, the Minimum Eligibility as stated in Gazette Notification of NCTE 2014 may be retained for B.El.Ed.
- NTA may be requested to add Geology, Environmental Studies, Languages in Section II (Domain specific subjects) of CUET, and if these subjects get included appropriate modification may be made in the Program-Specific Eligibility.

3. B.A. Program Combinations

It was decided that all combinations of B.A. Program may be offered, unless the combinations get modified in the light of NEP-2020 / UGCF-2022 of the University of Delhi.

However, any additional phrases which limit the reachability of any particularcombination, must be dropped in the light of National Education Policy (NEP-2020). For example, in the combination B.A. Program (Elective English + Mathematics), the phrase 'Elective' must be dropped.

4. Process of UG Admissions to all seats (Including Supernumerary seats) for the academic session-2022-23.

Admission to all seats (Including Supernumerary, but excluding foreign students) will be done through CUET.

5. Undergraduate Admissions in all Minority Colleges from the academic year 2022-23 onwards

It was decided that Admissions to all Minority Colleges (including St. Stephens College and Jesus & Mary College) of University of Delhi will be done only through CUET. During centralized counselling, separate merit lists will be generated for UR and minority candidates as per the reservation policy.

6. Under-graduate and Post-graduate admissions in School of Open Learning and Non Collegiate Women Education Board for the Academic session-2022-23.

It was decided that admissions in School of Open Learning and Non Collegiate Women Education Boardwill be as past practice.

However, the minimum eligibility for admission to SOL and NCWEB will be "The candidates must have passed the Class XII examination or equivalent thereto from a single recognised board".

7. Admissions to Post-Graduate Program-2022-23

Admission to Post Graduate and Ph.D. programmes for the Academic Session 2022-2023 will be done through Delhi University Entrance Test (DUET) and shall be conducted by National Testing Agency (NTA) as per past practice.

The Committee decided that the Eligibility and Seat matrix for PG Programs for academic session 2022-23 will remainthe same; however, certain relaxations in the eligibility condition may be given in the light of NEP, with due approval from the Statutory Bodies.

With respect to the programs where the seats are allocated to St Stephens College, since the matter is sub-judice under the Hon'ble High Court, status-quo will be maintained for the time being.

It was decided that in the Post Graduate Registration form, additional fields should be made to capture to data related to CGPA, GPA and Percentage.

Regarding the process of admission, it was resolved that admission lists will be verified by the respective Departments andDocuments will be verified by the Colleges.Departments mustensure that all applications related to their program are processed by the Colleges within the stipulated time. It will be the responsibility of the Department to resolve the grievances related to delay in processing of applications by the College(s). The Central Grievance Committee will consider only those grievances that will be received from the Head of the Department along with his/her recommendations/remarks.

For Faculty of Law,the center-wise (Campus Law Centre, Law Centre I and Law Centre II) allocation of seats for all admitted students in L.L.B. courses shall be done on the basis of merit and preference.

8. Admission to Ph.D. programs

Admission to Ph.D. programmes for the Academic Session 2022-2023 will done through Delhi University Entrance Test (DUET) as per past practice.

The Committee decided that as per the recommendation of BRS of respective Faculties, Second Round of Ph.D. Admission may be conducted for the academic session2021-22.

9. Ward Quota Admissions in Under-graduate and Post-graduate programs

The Committee decided that in UG Programs, the ward quota admission will be done centrally by the University and in PG Programs, it will be as per past practice. In PG Programs,allocation of Colleges will be done by Head of the Department after the final list of ward quota. Colleges to be allotted based on the merit and preference order of the candidate.

Candidates must be in possession of a valid Employment Certificate issued by due officials at the time of registration. Only the Employment certificate uploaded at the time of registration will be considered. I-cards, Aadhar Card and/or any other document will not be accepted.

10. **Reservation for Children / Widows of Personnel of the Armed Forces (CW)**

The issue of Inter-se priority for reservation/preference to the wards of Armed Forces Personnel by States/UTs for admission to Medical/Professional/Non-Professional Courses was discussed in terms of letter No. 6(1)/2017/D (Res-II)-pt-III dated 28.02.2022 received from the Ministry of Defence, Govt. of India wherein this issue was placed before the Standing Committee and the factual position with respect to the observance of priority under Priority V of the reservation for Children / Widows of Personnel of the Armed Forces (CW) was discussed in terms of the letter under reference as well as decision of the Standing Committee dated 23.05.2019 wherein the priority under Priority V was set-out on the basis of President's Secretariat Notification No. 75-Pres/2001 dated 26.04.2001 and letter No. 371/Adm/Medical Seats/Vol.I dated 22.05.2018 of the Jt. Dir. (Adm&Coord KSB). The Standing Committee endorsed the decision of the same committee taken in the year 2019. The decision of the Standing Committee will be communicated to the Ministry of Defence accordingly. The Standing Committee decided that the Priorities under the CW category will remain the same for the Academic Session 2022-2023.

11. **Reporting Item:**

a. **Validity of OBC-NCBL and EWS Certificate for Academic Session-2022-23**
The validity of the OBC-NCL and EWS certificate shall be for the financial year 2022-23 (for assessment year ending on March 31, 2022), issued on or after 31st March 2022.

b. **Media Outreach**

The Committee recommended that all information pertaining to the admissions for the year 2022-23 may be provided to the print, audio and visual media by the Dean, Admission and Registrar.

12. **Any other matter**

- It was suggested that a mechanism must be worked out to take the consent of the candidates for his/her cancellation and/or reallocation.

- While doing admission, in the larger interest of the candidates, efforts must be made to fill all the seats till the last date of admissions.

- The issue of admission for the College of Art, which was not being undertaken by the University of Delhi for last few Academic Sessions, was taken up for discussions and the Standing Committee

recommended that Admission of the College of Art may be taken up by the University, in case it is not de-affiliated with the University of Delhi.

Members unanimously proposed to authorise the Hon'ble Vice Chancellor to make any amendments in the above matters as detailed in item no. 1 – 12, in the larger interest of the candidates/University.

The meeting ended with a vote of thanks to the chair.

Prof. Ravi Tekchandani, Prof. Anil Aneja and Prof. Sanjeev Singh expressed their regrets for their inability to attend the meeting owing to their other commitments.

At the outset, Chairperson welcomed all the members and after introduction of all the members, the Chairperson requested Convener to place the Agenda.

The Committee acknowledged and appreciated Prof. Rajiv Gupta, Chairperson, Admission Advisory Committee and Prof. Pinki Sharma, Dean, Admissions for successful completion of Admissions for the academic year 2021-22.

The Agenda was placed by the Dean Admissions and after detailed deliberations on the Agenda following were recommended by the Committee:

1. **Presentation of the tentative structure of Central Universities Entrance Test-2022 for Under-graduate programme**

The tentative structure of Central Universities Entrance Test (CUET) as shared by National Testing Agency (NTA) in its various meetings was presented before all the members. It was informed, this could be tentative and the final version will be considered as and when it is declared by GOI/NTA (Annexure-I).

2. **Eligibility Criteria of all Under-graduate Programs for admissions to the academic year 2022-23 onwards.**

Eligibility Criteria (including minimum Eligibility and Program Specific Eligibility) were finalised and recommended by various Faculty based Courses of Admission Committee was presented (Annexure-II).

Following were recommended:

- All admissions will be based only on the scores obtained in CUET.
- It will not be feasible to include any criterion on the basis of marks obtained in Board examinations (For example, aspects such as the "candidate must have scored 50% marks in Mathematics in Class XII" will not be considered under CUET.
- Candidates must appear in CUET in only those subjects in which s(he) has cleared Class XII.
- In case the subject studied at Class XII is not mentioned in the CUET, the candidate must appear in the subject that is similar/ closely related to the subject s(he) has studied at Class XII (for example, if a candidate has studied Biochemistry in Class XII, then s(he) must appear in Biology in CUET).
- Merit will be calculated only on the 'combination of subjects in which a candidate has appeared in CUET' as mentioned in Program-Specific Eligibility.
- There will be no provision to accommodate any additional riders. (For example, conditions like "if the candidate studied a particular subject will be given 2% advantage" will no longer exist).
- Existing Eligibility Criteria will have to be mapped with the proposed CUET structure to benefit maximum candidates.
- Equivalency of subjects across boards will not be established.
- The eligibility must be widely inclusive to invite a large number of candidates across the nation.

It was shared that for the Programs under Faculty of Commerce and Business Studies, Program-Specific Eligibility Criteria were not received from the Dean, Commerce and Business Studies. Hence, to avoid any delays, the Admission Advisory Committee recommended the eligibility for B.Com. (H) and B.Com (Prog.) as proposed by the Admission Branch.

It was also recommended that the Minimum Eligibility should be rephrased as "**The candidates must have passed the Class XII examination or equivalent thereto from a single recognised board**".

In the minimum eligibility of B.Sc. (Prog) Home Science, B.Sc. (Prog.) Electronics Science, B.Sc. (H) Home Science/B.A. (H) Business Economics/ Bachelor of Management Studies/ Bachelor of Business Administration (Financial Investment Analysis), B.Voc. (Printing Technology/Health Care management/Retail Management and IT/Banking Operation/Web designing/Software Development), B.A. (H) Multi Media and Mass Communication, B.El.Ed., "English" may be replaced by "**Any one language**"

In the Program-Specific Eligibility of B.A. (H) in Punjabi/ Bengali/ Urdu/ Sanskrit/ Arabic/ Persian/ French/German/Italian/Spanish, it may be mentioned that "**Candidates who opted Combination II for the admission will be considered only if seats remain vacant after considering all the candidates who opted Combination I for admission.**"

17/3/2022

It was also observed that since B.El.Ed. is a professional degree recognized by NCTE, the Minimum Eligibility as stated in Gazette Notification of NCTE 2014 may be retained for B.El.Ed.

NTA may be requested to add Geology/Environmental Studies as a subject in List B and if these subjects get included, appropriate modification may be made in the Program Specific Eligibility.

Members unanimously proposed to authorise the Honourable Vice Chancellor, University of Delhi to make modifications, if any, in the larger interest of the candidates/University.

3. B.A. Program Combinations

It was recommended that all combinations of B.A. Program may be offered. However, any additional phrases which limit the reachability of any particular combination, must be dropped in the light of National Education Policy (NEP-2020). For example, in the combination B.A. Program (Elective English + Mathematics), the phrase 'Elective' must be dropped. The Colleges may be requested to send the B.A. Program combinations they wish to offer, along with seat matrix for the academic session 2022-23.

4. Process of UG Admissions to all seats (including Supernumerary seats) for the academic session-2022-23.

Admission to all seats (including Supernumerary, but excluding foreign students) will be done through CUET.

5. Undergraduate Admissions in all Minority Colleges from the academic year 2022-23 onwards

It was recommended that Admissions to all Minority Colleges of University of Delhi will be done only through CUET. During centralized counselling, separate merit lists will be generated for UR and minority candidate as per reservation policy.

6. Under-graduate and Post-graduate admissions in School of Open Learning and Non Collegiate Women Education Board for the Academic session-2022-23.

It was recommended that for admission in School of Open Learning and Non Collegiate Women Education Board will be maintained as per past practice. However, modalities of admission process will be finalized later.
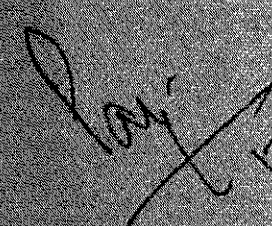

7. Admissions to Post-Graduate Program-2022-23

The Committee noted that as per University of Delhi notification (Reference No. Admission Br./2022/R-4289) dated February 16th, 2022 admission to Post Graduate and Ph.D. programmes for the Academic Session 2022-2023 will be done through Delhi University Entrance Test (DUET) and shell be conducted by National Testing Agency (NTA) as per past practice.

The Committee recommended that the Eligibility and Seat matrix for PG Programs for academic session 2022-23 will remain the same; however, certain relaxations in the eligibility condition may be given in the light of NEP, with due approval from the Statutory Bodies.

With respect to the programs where the seats are allocated to St Stephens College, since the matter is sub-judice under the Hon'ble High Court, status-quo will be maintained for the time being.

It was recommended that in the Post Graduate Registration form, additional fields should be made to capture to data related to CGPA, GPA and Percentage.

Regarding the process of admission, it was recommended that admission lists will be verified by the respective Departments and Documents will be verified by the Colleges. Departments may ensure that all applications related to their program are processed by the Colleges within the stipulated time. It will be the responsibility of the Department to resolve the grievances related to delay in processing of applications by the College(s). The Central Grievance Committee will consider only those grievances that will be received from the Head of the Department along with the recommendations/remarks.

For admissions in Faculty of Law, at the time of admissions, preferences for centres will not be taken. There will be only one option i.e., "Faculty of Law". It was also resolved that Admission Lists will be verified by the Faculty. All seats will be allotted to only Faculty of Law, as per the total seat matrix, provided by the Faculty of Law. Centre allocation will be done by the Faculty of Law. Grievance redressal and Court cases related to admissions in Faculty of Law will be dealt by Dean, Faculty of Law.

8. Admission to Ph.D. programs

The Committee noted that as per University of Delhi notification (Reference No. Admission Br./2022/R-4289) dated February 16th, 2022 admission to Post Graduate and Ph.D. programmes for the Academic Session 2022-2023 will done through Delhi University Entrance Test (DUET) as per past practice.

The Committee recommended that as per the recommendation of BRS of respective Faculties, Second Round of Ph.D. Admission may be conducted for the academic session 2021-22.

9. Ward Quota Admissions in Under-graduate and Post-graduate programs

The Committee recommended that in UG Programs, the ward quota admission will be done centrally by the University and in PG Programs, it will be as per past practice. In PG Programs, allocation of Colleges will be done by Head of the Department after the final list of ward quota. Colleges to be allotted based on the merit and preference order of the candidate.

Candidates must be in possession of a valid Employment Certificate issued by due officials at the time of registration. Only the Employment certificate uploaded at the time of registration will be considered. I-cards, Aadhar Card and/or any other document will not be accepted.

10. Validity of OBC-NCBL and EWS Certificate for Academic Session-2022-23

The validity of the OBC-NCL and EWS certificate shall be for the financial year 2022-23 (for assessment year ending on March 31, 2022), issued on or after 31st March 2022.

11. Media Outreach

The Committee recommended that all information pertaining to the admissions for the year 2022-23 may be provided to the print, audio and visual media by the Dean, Admission and Registrar.

12. Reporting Items:
a. **Admissions in Bachelor of Occupational Therapy (BOT), Bachelor of Prosthetics and Orthotics (BPO) and Bachelor of Physiotherapy (BPT).**
   It was reported that Amar Jyoti Institute of Physiotherapy and Pt. Deendayal Upadhayay Institute for the physically handicapped, Divyangjan, have expressed their desire to discontinue in CUET for admission to Bachelor of Occupational Therapy (BOT), Bachelor of Prosthetics and Orthotics (BPO) and Bachelor of Physiotherapy (BPT).

The Committee advised the Admission Branch to communicate to these institution the institutions will have to follow the same admission policy.

b. **Preparation and Translation of Under-graduate and Post-graduate Bulletins of Information 2022-23.**

The UG and PG Bulletin of Information will be prepared in English and Hindi. For translation of UG/PG Bulletin of Information in Hindi, the empanelled translators of the University shall be engaged for the translation work and they may be paid as per University approved rates. The Hindi translated BOI will be sent to the Head, Department of Hindi for final vetting. Possibilities will also be explored to create audio version of Bulletin of Information.

c. **Organisation of Open House, Help desk, Webinars, Videos:**
This year the admission related activities will be conducted in physical and virtual mode. The Admission Branch offers to create College clusters to help the Branch conduct Multiple Orientation Programs and Open House sessions which will facilitate candidates seeking admission to the University. Services of volunteers will be taken from various colleges for activities related to virtual/physical helpdesk, chat-bot and email etc.

13. Any other matter

a. The issue of inter-se priority for reservation/preference to the wards of Armed Forces Personnel by States/UTs for admission to Medical/Professional/Non-Professional Courses was discussed in terms of letter received from the Ministry of Defence, Govt. of India dated 28.02.2022 wherein this issue has been highlighted because of inclusion of Police Forces/Paramilitary Forces in this inter-se priority being followed by the University for admissions.
Reference to the Academic Council Resolution No. 70 dated 09.11.2009 and Academic Council Resolution No. 20-15 dated 24.08.2021 was highlighted in this context.
The Admission Advisory Committee recommended that the matter may be resolved by the Academic Branch in consultation with the Admission Branch, if required and place it before the appropriate Authority for a final decision about the inter-se priority for admission of the wards of the Armed Forces Personnel.

b. It was suggested that a mechanism must be worked out to take the consent of the candidates for his/her cancellation and/or reallocation.

c. While doing admission, in the larger interest of the candidates, efforts must be made to fill all the seats till the last date of admissions.

d. The Admission Branch was requested to get updated information related to affiliation of College of Arts under University of Delhi from the Academic Branch.

The meeting ended with a vote of thanks to the chair.

Dean, Admission Branch

Dear Professor Gandhi,

I am sending the eligibility criteria of B.El.Ed. to you :

B.El.Ed. Eligibility Criteria

Criteria 1. English/Hindi + any two subjects from List B.1 + Any one subject from List B.1 or List B.2
The following are our concerns regarding CUET :

- NCTE 2014 Regulations clearly mentions 50% marks in aggregate at class XIIth level as admission criteria to B.El.Ed. NCTE regulations are binding for Teacher Education Courses.

- There is a need for an additional criterion that candidate must have studied and passed English / Hindi, Mathematics, Science and Social Science till class X[th] as B.El.Ed. graduate would be teaching these school subjects at elementary level (till class VIIIth).

- Candidates admitted to B.El.Ed. programme are placed in Government Schools for their various field practicum. Therefore, knowledge of Hindi along with English is essential for smooth conduct of various school related practicum. Recruitment Rules for appointment of teachers by Central Government and all State Governments / Kendriya Vidyalaya Sangthan and Navodaya Vidyalaya ask for knowledge of both English and Hindi. If one language is taken for admission criteria then it will be problematic for the B.El.Ed. programme.

I am also sending the minutes of the meeting held with Education Courses Admission Committee.

Best wishes,

Sincerely,

Shobha Sinha

Minutes of Meeting of Education Courses Admissions Committee

An online meeting of Education Courses Admissions Committee was held on Friday, March 11, 2022 at 2:30 p.m.

The following members were present for the meeting:

1. Professor Shobha Sinha, Head & Dean, Faculty of Education, University of Delhi
2. Professor Harpreet Kaur, Principal, Mata Sundri College, University of Delhi.
3. Prof. Asha Rani, Member, Academic Council, PGDAV College
4. Dr. Alok Ranjan Pandey, Member, Academic Council, Ramanujan College

Agenda
To report the Eligibility Criteria B.El.Ed. for 2022-2023.

Decisions

The eligibility conditions for B.El.Ed. for 2022-2023 were approved by the Education Courses Admission Committee.

B.El.Ed. Eligibility Criteria

Criteria 1. English/Hindi + any two subjects from List B.1 + Any one subject from List B.1 or List B.2

The following are our concerns regarding CUET :

- NCTE 2014 Regulations clearly mentions 50% marks in aggregate at class XIIth level as admission criteria to B.El.Ed. NCTE regulations are binding for Teacher Education Courses.

- There is a need for an additional criterion that candidate must have studied and passed English / Hindi, Mathematics, Science and Social Science till class X[th] as B.El.Ed. graduate would be teaching these school subjects at elementary level (till class VIIIth).

- Candidates admitted to B.El.Ed. programme are placed in Government Schools for their various field practicum. Therefore, knowledge of Hindi along with English is essential for smooth conduct of various school related practicum. Recruitment Rules for appointment of teachers by Central Government and all State Governments / Kendriya Vidyalaya Sangthan and Navodaya Vidyalaya ask for knowledge of both English and Hindi. If one language is taken for admission criteria then it will be problematic for the B.El.Ed. programme.

Final Minutes

An online meeting of the Social Sciences Courses Admission Committee/Heads of the Departments of Social Sciences in the Faculty of Social Sciences was held on 10 March 2022 at 3:00 PM. Following members attended the meeting:

Prof. Surender Kumar, Dean Faculty of Social Sciences and Head, Department of Economics (Chair)
Prof. Gajendra Singh, Head, Department of African Studies
Prof. J. P. Dubey, Director, Delhi School of Journalism
Prof. Pamela Singla, Head, Department of Social Work
Prof. Rajesh, Head, Department of Adult Continuing and Extension Education
Prof. S. C. Rai, Head, Department of Geography
Prof. Sangit Ragi, Head, Department of Political Science
Prof. Seema Bawa, Head, Department of History
Prof. Sudha Vasan, Head, Department of Sociology

The committee has decided that:

1.   For undergraduate B. A. (H) admissions, the committee resolved that:
Common Minimum Eligibility: The candidate must have studied and passed Class XII Examination with a minimum of 40% marks from a single recognized board.

BA (Hons) History, Sociology, Social Work, Geography, Political Science, Journalism and Five Year Integrated Programme in Journalism (FYIPJ): Candidates must appear in CUET in the following subject combinations; Any one Language from List A + Any two subjects from List B.1 + Any one subject either from List B.1 or List B.2; Merit will be calculated by considering the 'best CUET score' obtained from the above-mentioned combination of subjects.

BA (Hons) Economics: Candidates must appear in CUET in the following subject combinations; Any one Language from List A + Mathematics + any two subjects out of which at least one should be from List B.1; Merit will be calculated by considering the 'best CUET marks' obtained from the above-mentioned combination of subjects. Moreover, it was point out that 'Mathematics' must be without any qualifications for admissions to BA (Hons) Economics, Sanskrit should be part of section I (along with other languages) and not part of list B.1. and Home Science should not be part of B.1 List for the courses considered for BA (Hons) Economics.

2.   A committee consisting of following members is constituted to rationalize the publications in social sciences for the purpose of promotions or other evaluations:
Prof. J. P. Dubey
Prof. Seema Bawa
Prof. Sangit Ragi

The committee is supposed to submit its report to the Faculty within two months.

The chair thanked the members for their cooperation and contribution.

<u>**ADMISSION COMMITTEE MINUTES**</u>

A meeting of the Faculty of Inter – Disciplinary and Applied Sciences Admission Committee was held on 11.03.2022 at 3:00 p.m. The meeting was conducted in hybrid mode. The members who joined online were admitted through Google Meet platform. The following members attended the meeting:

1.	Prof. Swati Saha	(Chairperson) (H.O.D. Microbiology)
2.	Dr. Manish Kumar	Member (H.O.D. Biophysics)
3.	Prof. Mridula Gupta	Member (H.O.D. Electronic Science)
4.	Prof. jagreet Kaur	Member (H.O.D. Genetics)
5.	Prof. Alo Nag	Member (H.O.D. Biochemistry)
6.	Prof. Anil Grover	Member (H.O.D. P.M.B.)
7.	Dr. Dhananjay Shaw	Member (H.O.D. D.P.E. & S.S.)
8.	Prof. Anju Srivastava	Principal, Hindu College (joined online)
9.	Prof. Anupa Sidhu	Principal, Lady Irwin College (joined online)
10.	Dr. Kumar Shantanu	Member, Academic Council, Deshbandhu College (joined online)
11.	Dr. Ramendra Pratap Singh	Member, Academic Council, Deptt of Chemistry (joined online)

The following members could not attend:

1.	Mr. Prashant Nagar	Special Invitee (Deputy Registrar)
2.	Dr. Sanjeev Singh	Member (H.O.D. IIC)

At the outset, the Chairperson welcomed the members and proceeded with the agenda.

The minutes of the last meeting held on 15.04.2021 were confirmed. The following items were then taken up for consideration.

Item 1. The list of candidates admitted to the following Post-graduate Courses during the academic session 2021-2022, provided by the Office of the Deputy Registrar, UDSC, were scrutinized and the admissions of the students on rolls were found to be in order and thus confirmed:

1. M.Sc. Plant Molecular Biology
2. M.Sc. Biochemistry
3. M.Sc. Biophysics
4. M.Sc. Microbiology
5. M.Sc. Genetics

all the undergraduate programmes of the University will be through the Central
Universities Entrance Test (CUET).

The Committee noted that students admitted to the UG programmes under FIAS will
have to attempt two sections: Section I and Section II.

It was noted that for all programmes the merit list for admission would be drawn up
based on the CUET score of the three subjects attempted in Section II.

**The Committee strongly felt that while it is appropriate that the merit list be drawn
based on Section II, it was also essential to set a minimum qualifying marks/
pass marks for Section I which is a Compulsory section. This could be decided
commonly across all streams if need be.**

For the Various UG programmes under FIAS listed below, the Committee discussed
and recommended the following:
1) B.Sc. (H) Biochemistry: as proposed in the UG eligibility document received
from Dean Admissions
2) B.Sc. (H) Microbiology: as proposed in the UG eligibility document received
from Dean Admissions
3) B.Sc. (PE, HE & S): The Head of DUPESS put forward the point that
Performance -based Test was critical to a programme of this kind. The
Committee deliberated the matter and recommended the following change:

The sentence "Merit will be calculated by considering the combined CUET
score (70% weightage) and Performance-based score (30% weightage)"
mentioned in the UG eligibility document received from Dean Admissions to
be replaced with "Merit will be calculated by considering the combined
CUET score (60% weightage) and Performance-based score (40%
weightage)".

4) B.Sc. (H) Electronics: The Head, DOES, put forward that students appearing
for this programme could also attempt Computer Science/Informatics
Practices. The matter was deliberated by the Committee and it was
recommended that the subjects the candidates must appear for could be
changed:

Physics + Chemistry + Mathematics
to be replaced with
Physics + Mathematics + Chemistry/Computer Science/Informatics
Practices

5) B.Sc. (H) Instrumentation: The Head, DOES, put forward that students
appearing for this programme could also attempt Computer
Science/Informatics Practices, or Biology, as several instruments were of the
medical field. The matter was deliberated by the Committee and it was
recommended that the subjects the candidates must appear for could be
changed:

Physics + Chemistry + Mathematics
to be replaced with

forwarded to the University for necessary approval, with the criteria for these courses remaining the same as last year (year 2021-2022):

1. M.Sc. Plant Molecular Biology
2. M.Sc. Biochemistry
3. M.Sc. Biophysics
4. M.Sc. Microbiology
5. M.Sc. Genetics
6. M.Sc. Electronics Science
7. M. Tech. Microwave Electronics
8. M.Sc. Informatics
9. M.P.Ed

It was noted that there were some errors in the admissions brochure last year and it was resolved to send the eligibility criteria to the Office of Dean, Admissions with a request to ensure that there were no errors in the brochure this year.

The meeting ended with a vote of thanks to the Chair.

B.Sc. (Hons.) Computer Science

Existing Eligibility	Proposed Eligibility
A maximum of two language subjects may be allowed for the calculation of marks for best four combination; however, out of the two languages, only one could be a core language. Merit will be calculated based on "Best Four" of Mathematics, one language and two other subjects listed as academic / elective subjects, as specified in List A and List B above, as per the following: 60% or more marks required in Mathematics.60% or more marks in aggregate of four subjects including Mathematics, one language and any two of Physics, Chemistry and Computer Science/ Informatics Practices/ Computer Application. Candidates from other streams (with Mathematics in Class XII), will have a disadvantage of 2% in aggregate of required four subjects	Candidates must appear in CUET in the following subject combinations: Any one language from the List A + Mathematics + any two subjects out of which at least one should be from the List B.1 Merit will be calculated by considering the 'best CUET score' obtained from the above combinations of subjects

B.Sc. (Hons.) Mathematics
B.Sc. (Hons.) Statistics

Existing Eligibility	Proposed Eligibility
A maximum of two language subjects may be allowed for the calculation of marks for best four combination; however, out of the two languages, only one could be a core language. 50% marks in Mathematics and an aggregate of 45% marks in the qualifying examination. Merit shall be determined on the basis of one language, Mathematics and two best academic / elective subjects as specified in List A and List B.	Candidates must appear in CUET in the following subject combinations: Any one language from List A + Mathematics + any two subjects out of which at least one should be from List B.1 Merit will be calculated by considering the 'best CUET score' obtained from the above combination of subjects
