1.4 Eligibility criteria and admission process of BA LLB (Hons) and BBA LLB (Hons) for the academic session 2024-25.

The Committee was apprised about the Court case WPC NO. 10737 OF 2023 TITLED PRINCE SINGH VS FACULTY OF LAW UNIVERSITY OF DELHI & ORS. vide which the challenge was made to the procedure adopted by the University of Delhi for selecting the students for admission in two 5-year integrated Law Programmes through merit list of CLAT score.

In the Petition it has been insisted / prayed for directions to admit students on the basis of CUET score only in place of the CLAT.

In this background it was also apprised that the Academic Council and Executive Council vide its meeting dated 26th -27th May 2023 and 09th June, 2023 on the basis of the recommendation of the Workload Assessment Committee duly constituted by the Vice-Chancellor University of Delhi, resolved that the admissions to the said two 5- year Integrated Law Programmes are to be done based on merit by taking into consideration score under CLAT-2023.

During the hearing of the matter by the Hon'ble High Court of Delhi on 18.09.2023, the following was recorded at para 7 of its order:

"7. Crucial issues are involved in the present case which require consideration. The pertinent question is whether admissions are to be granted in the Central Universities only on the basis of CUET and whether Central Universities are at a liberty to admit students through other examinations conducted by other specialized agencies. However, for the present academic year 2023-24, as classes have already started, by way of interim relief, DU is permitted to admit students to its Five-Year Integrated Law Course based on CLAT UG-2023.

Given the importance of the issues raised in the present case, Mr. Anuj Bhardwaj, learned Senior Counsel is appointed as Amicus Curiae to assist this Court in this matter. Registry of this Court is directed to furnish the complete set of documents in this matter to Mr. Anuj Bhardwaj, to enable him to assist this Court."

As allowed by the Hon'ble Court the admissions to the %-year LL. B Integrated Programme has been done on the basis of CLAT score-2023. The Standing Committee has also discussed the communication of the UGC no. D.O. no. 13-11/2020 (CU) Dated 27.09.2023 addressed to all the Vice-Chancellors of the Central Universities, which is reproduced as under:

"This is in continuation to the UGC letter of even number, dated 10th March, 2023. As you are aware, on the basis of the decision taken by the University Grants Commission in its 566 meeting, held on 23rd February, 2023, all the Central Universities were requested to take appropriate measures for admission in all the Undergraduate programmes through CUET for the academic session 2023-24. I would like to share with you that the Commission in its 572nd meeting held on 20th September, 2023 has decided that & quoted CUET shall be mandatory for admission in all the Undergraduate Programmes, except professional courses such as in Engineering, Medical, Law etc., in all the Central Universities.

In view of the above, you are requested to kindly take appropriate measures for admission in the Undergraduate programmes of your University."

The Standing Committee is of the Opinion that the Prospective students for the 5- year LL. B programme should have the special knowledge, analytic ; reasoning aptitude in the legal field, in order to meet the objective of the National Education Policy for preparing the students who could compete globally, adopting best practices and embracing new technologies. The Committee observed that the CUET entrance exam conducted by the National Testing Agency, has a generic orientation and does not adequately test the aptitude of the students required for the Law courses. The UGC vide its letter dated 27.09.2023 has also not made mandatory for the Central Universities to take the students for professional courses such as Engineering, Medical, Law through

CUET. The University of Delhi has been admitting the students for the professional courses from the merit list of specialized admission test viz, JEE, NEET etc.

The Standing Committee finds that the CLAT conducted by the consortium of NLU for LL.B admissions, is more geared towards adequately testing the students covering topics English Language, Current Affairs, General Knowledge, Legal Reasoning and quantitative Techniques. Majority of the prospective candidates aspiring for legal field after the 12th standard, compete through CLAT. Therefore, the Standing Committee recommends that for the Academic Session 2024-25 onwards the students for 5-year BBA-LL.B, BA/ B. Com/LL.B be taken on the basis of the merit score of CLAT, applicable for the respective year.

Dean, Faculty of Law also informed the House that from the academic session 2024-25 onwards, PwBD, CW and Foreign Nationals candidates may be admitted under Supernumerary quotas (along with Orphans and Du employees ward quotas) as done for all undergraduate and postgraduate programs of University of Delhi
