**48/-** The Council considered and approved the following recommendations of the Committee regarding the minimum eligibility criteria for admissions: -

“In the matter of considering the minimum eligibility criteria for admissions, the Committee recommended that if the University treat for example marks obtained between 44.5% and 45% as equivalent to 45% and similarly other for rounding off the decimal  $\geq 0.5\%$  to the next whole number, it will have a positive impact to the extent that a large number of candidates shall get the opportunity to apply for a course in the University. It will also have no effect on quality of candidate as they are admitted on the basis of merit list on marks obtained in qualifying Class XII examinations/undergraduate courses or through entrance examination. This consideration may be applicable strictly for admission only and to those candidates who have been declared ‘pass’ in his/her qualifying Class XII examinations/undergraduate degree from their respective Board/University/Institution”.   - The second Communication dated 24.05.2022 was sent to the College to withdraw its Admission Prospectus – Undergraduate (UG) Programmes (2021-2022) and to issue a Public Notice iterating that Colleges admission policies shall be applicable to the College for UG Programmes for the Session 2022-2023.*

2. That an another **WPC NO. 8869/ 2022 KONIKA PODDAR VERSUS ST. STEPHEN'S COLLEGE & ORS** (PIL) was filed by a law student on behalf of aspirants seeking admission in St. Stephen's College, and directions to admit students in its unreserved seats solely on the basis of the Common University Entrance Test (CUET) scores as mandated by the University of Delhi. In addition the petitioner in the present WPC has sought directions to University of Delhi to implement its admission policy *vis-à-vis* the non-minority seats in the UG courses at minority Colleges.
3. The Hon'ble High Court of Delhi pronounced the common judgment dated 12.09.2022 in above two Writ Petitions, taking into consideration and the discussion held earlier by the Hon'ble Supreme Court of India, in the matters related to the minority Institutions as following: (**Para 68-69, Pg. No. 94-95**)

“ 68. In view of the above, this Court has arrived at the following conclusions:

- i. The fundamental right under Article 30(1) accorded to a minority institution cannot be extended to non-minority members.
- ii. Article 30(1) is not absolute and the State has the right to formulate regulations concerning the administration of a minority institution to the extent that it is for the furtherance of the interest of the minority community and is in a bid to prevent maladministration of the minority institution. Aided minority educational institutions that are affiliated with a University must follow the norms and procedure of the said University.
- iii. Protection under Article 30(1) can be extended to the extent that it allows a minority institution to sub-classify the reservation accorded to the minority community.

“69. Consequently, the communication dated 09.05.2022 issued by Respondent No.1 is liable to be set aside to the extent that it mandates a single merit list for admission of candidates belonging to the Christian community regardless of any denominations/sub-sects/sub-categories within the Christian community. The Petitioner-College is, therefore, directed to follow the admission policies for the year 2022-2023 as formulated by Respondent No.1. Further, in accordance with the subsequent communication dated 24.05.2022, the Petitioner-College must withdraw its Admission Prospectus and issue a Public Notice declaring the amended admission procedure.”

4. That after the judgment dated 12.09.2022 passed by the Hon'ble High Court of Delhi, St. Stephen's College filed an **Special Leave Petition (SLP) No. 17295-96/ 2022 ST. STEPHEN'S COLLEGE VS. UNIVERSITY OF DELHI & ORS.** seeking/ praying stay of operation of the said judgment dated 12.09.2022.
5. That the said SLP was heard by the Hon'ble Supreme Court of India on 19.10.2022 and vide the said order/ proceedings denied any interim relief in favour of the St. Stephen's College as prayed for. The following order has been passed:

“We have heard the learned counsel for the parties for quite some time for grant of interim relief, as prayed for by the appellant and after going through the Judgment in St. Stephen's College Vs. University of Delhi (1992) 1 SCC 558 and the fact that it is the first time when Entrance Test (CUET) has been introduced by the University of Delhi for the purpose of admission to various colleges for undergraduate courses, including the petitioner-institution, protecting their rights as a minority institution under Article 30 of the Constitution of India, a question raised for consideration is as to whether the admissions to the open category seats could be made purely on the basis of CUET qualifying test or in addition to it, a discretion has to be left with the college/institution for conducting interviews for the purposes of preparing the final list for admission against the open category seats in an aided minority institution (petitioner).

After taking into consideration the Judgment impugned before us, we find no reason at this stage to stay the operation of the impugned Judgment. Consequently, the prayer for interim relief, as prayed for, is rejected. However, the admission process shall remain subject to the final outcome of the appeals. “

6. The copy of the judgment dated 12.09.2022 passed by the Hon'ble High Court and order/ proceedings dated 19.10.2022 passed by Hon'ble Supreme Court of India are enclosed vide **Appendix-153**.

The Council applauded the efforts of the University and resolved that for academic session 2023-24, the admissions in the Under Graduate Programmes shall be solely on the basis of marks obtained in CUET for minority seats also.
