70/- The Executive Council considered the order passed by the High Court of Delhi in the Writ Petitions W.P.(C) 10564/2019, WP(C) 10744/2019 and WP(C) 10789/2019, CM No. 44576/2019 (**Appendix-XIII**) wherein the recommendation, regarding date of eligibility of promotion, of the Selection Committee approved by the Executive Council was challenged.

The Court observed as under:

“21. In view of the above, the petitions need to be allowed. The proceedings of the Selection Committee / Executive Council / communication dated July 04, 2019 are set aside to the extent that promotion has been given to the petitioners to the post of Professor is made prospectively i.e. from June 25, 2019. The said promotion shall relate back to their date of eligibility. No costs.”

The Executive Council discussed the matter at length vis-à-vis numerous representations received from Faculty Members to antedate the date of promotion to date of eligibility. This relates back to the period for almost 20 years or so. The representations also include the persons who got superannuated. Therefore, the span of applicability of the said judgment is unlimited and involves financial implications. Further denial of benefits except to those in whose favor the judgement has been pronounced would lead to multiple litigations. The option available is either to accept and implement the decision of the Hon'ble Court or go in for appeal.

After a lengthy discussion, the Executive Council authorized the Vice-Chancellor to take decision in the matter.

71/- Disciplinary Matters (71-1 & 71-2)

72/- The Executive Council considered the matter regarding the recovery of salary from teachers who availed study leave for award of Ph.D. Degree.

The Executive Council noted that as per the bond signed by the teachers it was envisaged that the recovery of salary shall be made in case a teacher is not awarded Ph.D. degree within the span period of study leave.

The Executive Council also noted that during the span period of study leave pursuing for Ph.D., it is expected from a teacher to do compulsory course work, data collection / survey, experimentation, field work etc. Besides above, pre-synopsis, Ph.D. confirmation seminar, pre-Ph.D. submission seminar and thesis writing followed by thesis evaluation and viva-voce are the statutory requirements to be completed before the Ph.D. is awarded, which in most of the cases cannot be completed in the span of study leave period.

Therefore, the Executive Council decided that the recovery of salary shall not be made from the teachers who have been awarded Ph.D. degree while in service after availing the study leave.

73/- The Executive Council considered the representation received from DUCKU to grant permissions to the Non-Teaching staff to contest elections to any Legislator or Local authorities and approved the amendment to University Non-Teaching Employees (Terms and Conditions of Service) Rules-2013 clause 46 (5) to the extent that *nothing in this rule shall be deemed to prohibit any employee to participate or to contest the elections for various bodies such as Parliament, State Legislative Assemblies and Municipal Corporations etc. on the same terms and conditions as are applicable to teachers and also subject to the conditions that the employees will avail of their own leave for contesting the Elections. However, in the event of their getting elected or nominated to any body, they will be required to take leave of absence during the term as member as in the case of teachers.*

74/- **The following decision/action taken by the Vice-Chancellor/Pro-Vice Chancellor in exercise of his powers/delegated powers vested in him other than emergency powers in the following matters were reported, recorded and confirmed:**

In this case they will draw their salary from the Parliament/State Legislature Secretariat.
2. The teachers who wish to continue teaching in the University departments/colleges after being elected/nominated as Members of Parliament/State Legislation, may be allowed to continue with the teaching and research work in the Universities/colleges with the provision that they may be treated as "on duty" when the Parliament/State Legislature is in session for attending the session and when such teachers undertake any other Parliamentary/State Legislative assignments.
