Prof. Yogesh Singh
Vice Chancellor
University of Delhi,
New Delhi – 110 007

Sir/Madam,

Sub: Creation of 'External Experts' database in ISRO/DoS for Departmental Promotions – reg.

Scientists and Engineers form the elite cadre of ISRO, entrusted with the critical responsibilities of advancing core R&D activities in Space Science and Technology, executing time-bound missions, and propelling ISRO's position among leading spacefaring nations. To ensure only the most capable and meritorious individuals rise to higher responsibilities, ISRO/DOS has implemented a rigorous promotion system for its Scientists/Engineers starting from Grade 'SC' (Level 10).

Promotions to higher-grades including Grade SG (Level-13A), are contingent on comprehensive evaluations conducted by panel of experts comprising internal and external experts. Under the Merit Promotion Scheme (MPS), high-level Departmental Promotion Committees meet biennially to review and recommend eligible candidates for promotion to the next levels/grades. These DPCs incorporate external domain experts with extensive knowledge in Space Science and related technologies to assess individual's competencies, traits, and aptitude for higher responsibilities.

In order to update and expand the database of experts for this purpose, we solicit the details of interested & suitable Scientists/Engineers/Professors/Domain Experts of your esteemed organization/institution in Grade/Level 14 and above including serving as well as recently retired Officers (within the last two years). The required details, as outlined in Annexure-1, can be uploaded on the portal link:
<https://apps.isro.gov.in/edims>

✓ Office of
the:-
Registrar
Dean

JR(T)

20/3/25

We further request you to kindly arrange to disseminate this information widely among all your Subordinate/attached Offices including the Labs/Units, if any, to support the DOS/ISRO's mandate of effectively utilizing expert knowledge in Space Science and Technology for the national development.

With warm regards,

(M. Ganesh Pillai)
Scientific Secretary, ISRO

External Experts Database: Experts Contact details Capture Form

DOS has put in place a rigorous and robust review mechanism to assess individuals for promotions at various levels. As part of this mechanism, external experts are included in the 'External Experts Database' designed to capture details of experts from across the sectors viz. industries, academia, R&D institutes, etc
