The Chairman congratulated and honoured all the women members present in the meeting on account of the International Women's Day.

54/- APPRECIATION

The Council placed on record its deep appreciation of the services rendered by the Dr. Poonam Verma, Professor Principal, Shaheed Sukhdev College of Business Studies as members of the Executive Council in the Principals Category under **Statute 5(1)(ix)**.

55/- The Minutes of the meeting of Executive Council No. 1268th held on December 15th, 2023 (**Appendix-1**) were confirmed.

56/- The Action Taken Report on Minutes of the 1268th meeting of the Executive Council held on December 15th, 2023 (**Appendix-2**) was noted and confirmed by the Executive Council.

57/- The Executive Council approved the following recommendations made by the Academic Council at its meeting held on 30.11.2023. The recommendations of the Academic Council are reproduced below. Further, the Executive Council has also recommended that the consequential amendments to the relevant Ordinances of the University be made accordingly:

57-1/ Ref.: A.C. Res. No. 38 dated 30.11.2023

Resolved that the provisions for special moderation of 10 marks in respect of students who have a single remaining paper to complete the course be accepted.

Note:

1. There is a provision of span period for completion of degree programmes in the University within which students must complete their degree programs. With the implementation of the NEP UGCF-2022, there is now some relief available for students who are unable to complete the degree course within the specified span period. In such instances, they are eligible to receive a certificate or diploma, as applicable, even if they fail to complete the full degree program. Furthermore, here, a span period of 7 years is provided for degree completion.
2. The situation becomes particularly challenging for students who have passed all course requirements except for a single paper, due to the adverse circumstances faced by student/s preventing them from completing the Degree. Eventually, the entire duration of time spent in pursuing the course is wasted, in such cases, the University may consider granting special moderation for a single left-over paper, as stated above.
3. This provision may provide for the special moderation, exclusively for those students who have a single remaining paper, to the extent of a maximum of 10 marks. This special moderation may be in addition to any moderation already applied to that paper. This provision may exclusive be made applicable for students who have passed all course requirements except for a single paper, preventing them from completing the Degree, subject to the satisfaction of the University after careful consideration of the reasons submitted by the student. This special relief may be extended even to students who have exhausted all their opportunities for special chance examinations as granted/as may be granted by the University.

57-2/ **Ref.: A.C. Res. No. 39 dated 30.11.2023**

Resolved to grant a special chance to students who have exceeded their span period to appear in the remaining papers required to complete their degree (in respect of only those students whose span period was over in 2021-22 and 2022-23) be accepted.

Note:

1. The COVID-19 pandemic introduced unforeseen challenges, such as remote learning, limited access to resources, and health-related concerns. These circumstances adversely affected students' academic progress, making it unjust to penalize them for factors beyond their control.
2. Many students who exceeded their span period are likely to be under significant stress and anxiety due to their academic situation. Providing them with this opportunity would contribute to their mental well-being and relieve their academic burden.
3. The following steps may be taken to implement the proposal: -
 - Constituting a committee comprising academic advisors, faculty members, and administrators to evaluate requests from students who have exceeded their span period.
 - Allowing eligible students to submit an application explaining the reasons for their span period extension, with a focus on the impact of the pandemic.
 - Evaluate each application on a case-by-case basis, considering the extenuating circumstances and the feasibility of granting the special chance.
 - Conducting special chance examination for these students to facilitate their degree completion.

This opportunity would provide these students with a fair chance to overcome the obstacles they encountered during the pandemic and fulfil their academic aspirations.

The Council also resolved that the above provisions may also be made applicable for M.Phil Students and for the students who appeared in Centenary Chance with a limit of four papers.

58/- The Council considered the recommendation of the Committee (Appendix-3) constituted to frame the guidelines for grant of Study Leave to the faculty members of the University of Delhi and resolved that the recommendations of Committee for pursuing the Ph.D. from abroad be accepted as under:

- (i) The QS World Ranking of the University from where the non-Ph.D. faculty wish to pursue Ph.D. degree should not be less than that of the University of Delhi.
- (ii) The type of stipend/Fellowship and the amount thereof should also be mentioned in the application of the faculty member who wish to pursue Ph.D. from other Universities in the country and abroad.

Description:

As per Academic Council Resolution No. 9 dated 27.11.2020; University Notification No. Aca.-I/Ward Quota/2021/40 dated 13.08.2021; University Notification No. Aca.-I/Ward Quota/ 2021/ 888 dated 28.10.2021 and University Notification No. Aca.-I/Ward Quota/2022/655 dated 01.08.2022 wherein the order of preferences for Ward quota are started from Academic Session 2022-23.

It was notified that wards of employees of the University of Delhi are entitled to the benefit of a preferential quota ("the Ward Quota") for admission to its colleges. Each

college has an External Ward Quota (“EWQ”, hereinafter), of wards of employees of other colleges or of the University, and an Internal Ward Quota (“IWQ” hereinafter), of wards of employees of that college itself. The EWQ and IWQ are further sub-divided into Teaching and Non-Teaching Ward Quotas.

In pursuance to the Academic Council Resolution No. 09 dated 27.11.2020 and further Notification No. Aca.-I/Ward Quota/2021/40 dated 13.08.2021 and University Notification No. Aca.-I/Ward Quota/2022/655 dated 01.08.2022 the admissions of the wards of the employees of the University and its Colleges, the order of preference shall be as under:

1. Permanent Staff * and those staff who left for : Teaching and Non-Teaching
untimely Heavenly Abode while in Service
(up to the notional date of retirement from
regular service)
2. Retired Staff and those staff who left for : Teaching and Non-Teaching
untimely Heavenly Abode post retirement
3. Temporary/Ad-hoc and Contractual Staff : Teaching and Non-Teaching
(with three years of service).

*Include the staff on deputation/short term contract-deputation (employee in the University from other Autonomous Body/Government etc.) and drawing salary from the rolls of the University

The 8 supernumerary seats under EWQ are sanctioned for each i.e., teaching and non-teaching wards of employees of University of Delhi.

These are further divided Program-Cluster-wise (Stream-wise) across colleges, 2 (Two) for Sciences, 3 (Three) for Humanities and 3 (Three) for Commerce where all three Streams are offered in a College. The Seats are proportionally distributed in similar manner in Colleges where Two/One Stream are offered. Ward quota allocations are done Program-Cluster-wise. Combined merit for each program in three streams are considered for allocations in UoD Ward quota.

Allocations of Ward Quota is based on merit scores of candidates in Program clusters and the order of preferences given by the candidates. The seats under ward quota allocated for teaching and non-teaching will not be interchangeable. However, allocations may be considered within the Program Clusters to maximize the benefit.

Decision:

The Hon'ble Court found no illegality in the University adopting the stream-wise allocation procedure, as envisaged by the Admission Branch decision dated 4 November 2022. It was also decided, in the AC meeting, that a similar procedure would be followed for the academic session 2023-24. That decision was approved both by the AC as well as the Executive Council of the University. There cannot, therefore, be said to have been any illegality in the respondent following the Cluster-based allocation system while effecting Ward Quota admissions in the University.

The writ petition was, therefore, devoid of merits. It was dismissed, albeit without cost.

Subsequently, the following has been explicitly mentioned in the Bulletin of Information (UG) 2024-25 for Ward Quota Supernumerary allocations:

Admission to the wards of University and its College employees, both teaching and non-teaching will be done as per Academic Council resolution 9 a & b dated 27.11.2020 and subsequent amendments thereof. Candidates must be in possession of a valid Employment Certificate issued by due officials at the time of registration. Only the Employment certificate uploaded at the time of registration will be considered. I-cards, Aadhar Card and/or any other document will not be accepted. Admissions under ward quota for each college will be determined in three Program Clusters namely viz. Humanities, Commerce and Sciences. The allocation will also depend upon the number of Programs offered in a College/Department. Allocation of Ward Quota will be based on merit scores of candidates in program clusters and the order of preferences given by the candidates. The seats under ward quota allocated for teaching and nonteaching will not be interchangeable. However, allocations may be considered within the Program Clusters to maximize the benefit. Appropriate proration in CUET scores may be done to ascertain cluster-based merit.
