102nd ANNUAL REPORT 2024-25

PART-I

UNIVERSITY OF DELHI

102nd

ANNUAL REPORT

2024-2025

PART-I

University of Delhi

Preface

It gives me immense pleasure to present the 102nd Annual Report of the University of Delhi at a time when the University is making significant strides in multiple directions and charting a new path of academic excellence after completing 102 years of its glorious existence with timely reforms which promises far-reaching impact across academia, research, diversity and inclusion.

The journey of the University from 03 Colleges, 02 Faculties, 08 Departments, 750 students and 1380 gifted books to 90 Colleges, 16 Faculties, 86 Departments, 20 Hostels, 32 Centers & Institutions, 34 Libraries under the Delhi University Library System and more than 06 lac students is a testimony of the indomitable spirit and persistent academic endeavour of every stakeholder of the University fraternity over the last Century, both during Pre-Independence and Post-Independence era. These accomplishments are a testament to the tireless dedication of our faculty members, students and administration towards academic rigor, research innovation and social responsibilities.

The ever improving National and the International Ranking of the University as reflected in NIRF Rank of 06 among the Universities, QS World University Rank of 328, QS Asia University Rank of 81, the Times of Higher Education Rank of 801-1000 during this period clearly delineates the exponential growth of this University in recent times. Further, the University was ranked 1st among Central Universities in India in the QS World University Rankings.

Resoundingly successful implementation of the NEP 2020 through Undergraduate Curriculum Framework 2022 (UGCF 2022) is a hallmark of the vision and mission of the University which is in complete conformity with the vision of National growth and development for a Viksit Bharat by the year 2047. Udhmodya Foundation, a Section 8 Company, is supporting Startup and pre-incubated ventures, in line with the underlying principles of NEP 2020, to nurture the spirit of innovation and entrepreneurship among the students who are the youth of our youthful Nation, Bharat.

The National character of our admission policy has significantly impacted the admission process and made it more inclusive where students from every corner of the Nation has an equal opportunity to secure admission in this prestigious Institution of Eminence and chart a path of academic excellence while imbibing the best academic milieu of this University.

The exponential growth in cutting edge research is clearly reflected in an 11% increase in publication in Scopus indexed journals and consistently higher H-index of the University. In order to further augment the research initiatives and encourage faculty members, especially the newly appointed faculty members, the University is persistently investing in development of physical infrastructure which includes state of the art buildings, research laboratories, ICT enabled library facilities and enhanced IT capabilities for a better research environment while also adducing adequate importance in curricular teaching-learning.

Several path-breaking initiatives of the University to make higher education more inclusive include provision of quota for Single Girl Child and quota for students rendered Orphan in admissions and provision of Financial Support Scheme for the students. Similarly, Vice Chancellor Internship Scheme is an initiative with a vision of empowering students through experiential learning and provides them invaluable work-integrated opportunities across University Departments.

The significant International outreach of the University is exemplified by 12 new International MoUs over and above the 78 existing MoUs with partner Institutions across 35 Nations of the globe to foster faculty and student exchanges, joint research and International cooperation.

The University has always recognized the importance of its umbilical relationship with the alumni of this University and in order to further give a fillip to this initiative, Delhi University Foundation, a Section 8 Company is relentlessly working towards further strengthening the University – Alumni connect more purposively than ever before.

I am sure the multifaceted growth of the University in academics, extracurricular activities and social outreach initiatives duly complemented by the unwavering support of every stakeholder of the University will go a long way in propelling the University in its pursuit of excellence with equity and constructive engagement in every sphere of activity.

Prof. Yogesh Singh
Vice-Chancellor

Editorial Board

The 102nd Annual Report of the University of Delhi for the period from 01.04.2024 to 31.03.2025 highlighting the activities and achievements of the University of Delhi during the year 2024-2025 is presented herewith.

The Report consists of two parts:

- Part I comprises of achievements and highlights of activities of the relevant period, information about University of Delhi's academic progress including Faculties, Departments, Centres, Colleges and Finance.
- Part-II provides Information and Data.

The Editorial Board comprised of the following members:

1. Prof. Neera Agnimitra, Department of Social Work – **Chairperson**
2. Prof. Sanjay Kapoor, Department of Plant Molecular Biology
3. Prof. Rupam Kapoor, Department of Botany
4. Prof. Sandeep Kaur, Department of Chemistry
5. Prof. Deepti Taneja, Joint Dean, Cultural Council
6. Dr. Ankit Rajpal, Department of Computer Science
7. Dr. Renu Baweja, Shivaji College
8. Dr. Uma Chaudhry, Bhaskaracharya College of Applied Sciences
9. Dr. Sonia Kaushik, Bharati College
10. Dr. Ashish Kumar Singh, Department of Zoology
11. Dr. Devi Dayal Gautam, Department of Sociology
12. Dr. Vaibhav Puri, Sri Guru Gobind Singh College of Commerce
13. Dr. Ashwini Siwal, Faculty of Law
14. Dr. Geeta Mishra, Department of Continuing Education & Extension
15. Dr. Anshika Agarwal, Faculty of Management Studies
16. Dr. Chetna Gupta, Indraprastha College for Women
17. Dr. Sapna Kumari, Lady Irwin College
18. Mr. Piyush Chaudhary, Hansraj College
19. Sh. Raju Nair, Joint Registrar (Council)
20. Sh. Akhilesh Kumar Jha, Assistant Registrar (Council) – **Member Secretary**

The Editorial Board acknowledges the contribution of Smt. Seema Sirpal, Senior Technical Officer, Delhi University Computer Centre and Prof. Manisha Choudhary, Joint Dean (Archives). The Editorial Board also acknowledges the contribution of Ten VC interns for their efforts and assistance in editing the Annual Report.

ACHIEVEMENTS AND ACTIVITIES OF THE YEAR 2024-25

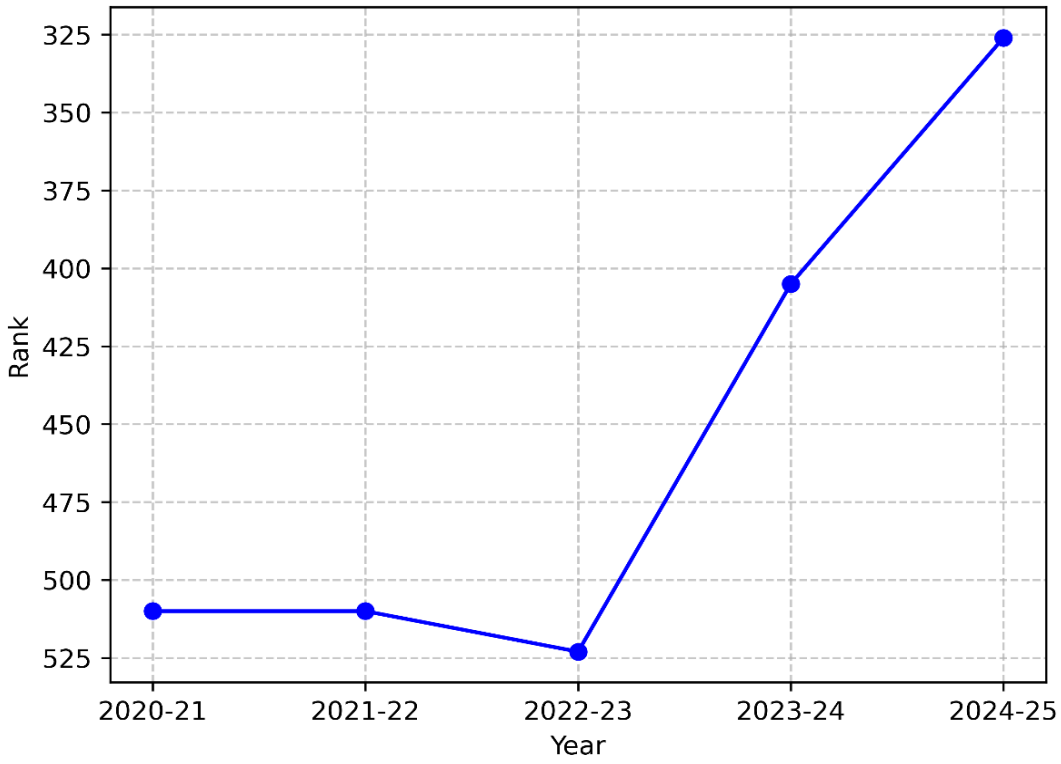
Notable Highlights of the Year 2024-25

The year 2024-25 was an eventful year for the University of Delhi. The University witnessed the splendid celebration of the Centennial Year, which was marked by several memorable historic moments, along with the launch of several flagship programs and initiatives with a far-reaching impact on the overall growth and development of the university. The strategic steps taken to improve the quality of teaching-learning, encourage research publications in high-impact journals, increase accessibility to education and recruitment of permanent faculty members in a mission mode have resulted in a rise of the University's QS World Ranking by more than seventy-five positions.

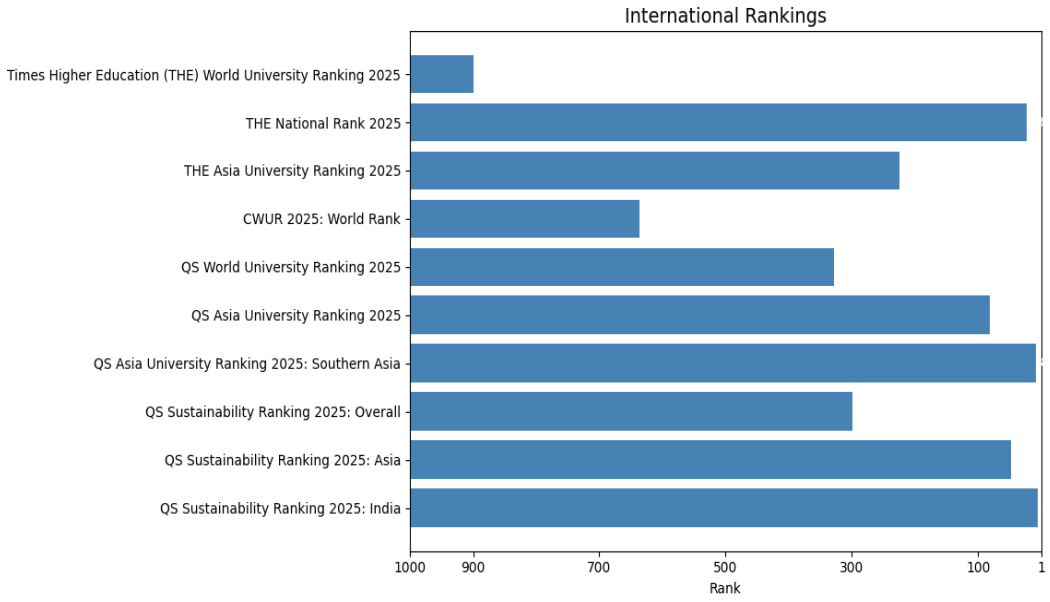
Ranking

International Ranking

The University of Delhi ranked 328th in the QS World Universities Rankings 2025, showing significant improvement over last year's ranking, which was 407. It has been ranked 1st in India (out of 56 Institutions, including IITs) and 299th globally (out of 1,403 Institutions) in the Quacquarelli Symonds (QS) World University Rankings: Sustainability 2025. The University's QS World Sustainability ranking moved significantly from 381-400 rank last year to 220th rank globally this year. It is the only Indian Institution in the top 250 globally.



The University is ranked 81st, featuring among the top 11% in QS Asia University Rankings 2025. Of the nine indicators, the University has been ranked among 100 institutions globally in three indicators: 16th in Environmental Education, 66th in Environmental Sustainability, and 93rd in Knowledge Exchange. It has also performed significantly well in the Governance indicator, ranking 167th. The University ranked 801-1000 in the Times Higher Education: World Universities Rankings 2025, improving significantly compared to last year's ranking, which was 1001-1200.



International Rank of the University for the year 2025

Ranking Name	Rank
Times Higher Education (THE) World University Ranking 2025	801-1000
THE National Rank 2025	23
THE Asia University Ranking 2025	201-250

Last Five Years' QS World Ranking

National Ranking

The University of Delhi has improved its ranking in both the Universities Category as well as the Overall Category in the NIRF Rankings 2024. In the Universities category, it has jumped from 11th position to 6th position, and in the Overall Category, from 22nd position to 15th position. The University has improved its performance in almost all parameters, including teaching and learning, resources, research, professional practice, graduation outcomes, and outreach and inclusivity.

National Institutional Ranking Framework (NIRF) – India Rankings for Universities

Year	Rank
2019-20	13
2020-21	11
2021-22	12
2022-23	12
2023-24	11
2024-25	6

Admission

The University of Delhi accomplished numerous milestones with its distinct admission strategies during the Academic Session 2024-25. Aiming for "National Reach," the Admission Branch successfully registered applicants from all over the country, highlighting the University's broad appeal to the nation's diversity.

1. This year, some significant improvements were made to the online platform to ensure that the process of admissions is more student-friendly and robust:

    a. Many additional features were added on the online platform to ensure reduction of grievances, transparency, fairness and ease of operations.
    b. Data-driven predictive analysis was done. Extensive data analysis was conducted to anticipate trends and seat allocations, which helped in making decisions to fill the seats optimally in minimum rounds (For example, extra allocations in initial rounds).
    c. Simulated Ranks were displayed well in advance, giving candidates enough opportunity to assess his/ her position.
    d. Cutoffs were displayed for each round, Program-wise, College-wise, and Category-wise on the dashboard of every candidate for each round.
    e. The provision to raise a query to communicate online with candidates was further improved to allow candidates to upload documents in larger file formats.
    f. Transparency was also established amongst colleges, as every college could witness the reasons for "acceptance" and "rejection" of other colleges.
    g. Every case that was rejected was given another chance for reconsideration, i.e. mapping of every rejected application was done at the central level.

2. Initiation of a new supernumerary quota: "Single Girl Child"

    Encouraging the scheme of Beti Bachao, Beti Padaao: from the year 2024-25 onwards, one (1) supernumerary seat was reserved in each Undergraduate Program for a Single Girl Child in every program of every college of the University. This resulted in the yearly admission of approximately 1500 Single Girl children to the University.

3. Reach-out Initiatives of the Branch: Every admission cycle sees enthusiastic aspirants who need guidance and support while seeking admission to various programs in the University of Delhi. To facilitate them, the Admission Helpdesk was constituted to actively engage and resolve the queries on time. This was achieved through various mediums such as an interactive platform (Chatbots), designated emails for UG/ PG/ Ph.D. programs, Open-House webinars, Call-in service and Illustrative Examples showcasing a selection of CUET papers. During the admissions, that is, between 25-04-2024 to 31-10-2024, the Admission Branch helped many candidates through its various modes:

    a. 47,929 (forty-seven thousand nine hundred twenty-nine) queries were resolved through emails.
    b. 83,189 (eighty-three thousand one hundred eighty-nine) chats were answered through Chatbots.
    c. 2,924 (two-thousand nine hundred twenty-four) walk-in candidates and their parents were helped through face-to-face interactions.
    d. Innumerable calls were received at the Admission Branch and were adequately responded to.

    This was handled by four faculty members, along with fifty interns under the Admission Support Intern Scheme. The student-interns worked tirelessly to guide candidates and resolve their queries. In order to address similar admission-related queries, as well as issues specific to Colleges, all colleges were directed to constitute a Helpdesk, which could help in facilitating a smooth admission process. Details of all such committees were displayed on the website of the University, as well as on the websites of the respective colleges.

Summary of Admissions

1. Undergraduate Admissions 2024-25:

    - There are 69 colleges and 79 programs in which admissions were done. Overall, Undergraduate admissions are done for 1559 Programs + College combinations.
    - Number of candidates who registered: 2,46,194
    - Total Number of preferences received: 1,72,18,187
    - Total count of unique cutoffs & ranks considered for allocations: 5,68,20,017
    - Total Admissions done: 70,422
    - Number of orphans admitted: 136 (61 Females, 75 Males)
    - Total number of girls admitted in SGC quota: 849

2. Post Graduate Admissions:

    - Number of Programs: 83
    - Number of candidates who registered: 87,673
    - Total registrations to unique Programs: 1,00,358
    - Total Admissions done: 11,653
    - Percentage of girls admitted: 5,879 (50.4%)
    - Number of orphans admitted: 33 (18 Females, 15 Males)

3. B.Tech. Programs:

    - Number of candidates who registered: 11,660
    - Admission to the following programs was done based on scores obtained in JEE (Mains) Paper I:
        i. B. Tech Computer Science Engineering: 147
        ii. B. Tech Electronics and Communication Engineering: 103
        iii. B. Tech Electrical Engineering: 48

- Total number of girls admitted in SGC quota: 02
- Number of orphans admitted: 04

4. Four-year B.A. L.LB and B.B.A LL.B:

    - Number of candidates who registered: 8,245
    - Total admissions granted: 115

5. Five-year Integrated Teacher Education program (ITEP):

    - Total Number of candidates registered: 1,348
    - This year, the admissions to ITEP were done in four institutes, namely
        i. Department of Education: 51
        ii. Mata Sundri College for Women: 93
        iii. Shyamlal Mukherjee College: 50
        iv. Jesus and Mary College: 32
    - Number of orphans admitted: 01 Female
    - Total number of girls admitted in SGC quota: 03

6. Ph.D. Admissions

    - Phase I
        i. Number of candidates registered: 9,902
        ii. Total admissions granted in Phase I: 1,386 (712 Females, 674 Males)
    - Phase II
        iii. Number of candidates registered: 8,081

Student Enrollment

As per the data for Academic Year 2024-25, the University had 2,10,907 undergraduate students, 34,520 postgraduate students, including PhD students and 6,047 students in certificate/ Diploma/ PG Diploma on rolls. The total number of students enrolled in conventional mode was 2,51,474. Additionally, as many as 3,36,126 students were enrolled in the distance mode, and 33,656 Non-Collegiate women students also formed part of this mammoth University. The total enrollment across conventional and distance modes in all programmes was 6,21,256 during 2024-25. At present, more than half of the students come from states other than Delhi.

Student Distribution by Education Level - Conventional Mode
Total: 251,474

Examination Details

The 101st Annual Convocation of the University of Delhi was organised on 22nd February 2025 at the Multipurpose Hall of Delhi University Sports Complex (DUSC). Shri Dharmendra Pradhan, Hon'ble Minister of Education, Government of India was the Chief Guest at the function, and the Hon'ble Vice Chancellor of the University, Prof. Yogesh Singh, presided over the function.

The Details of Medals/ Awards/ Degrees/ D.M., etc., awarded at the Convocation are as under:

Degrees/Awards	No. of Receipients
Ph.D. Degree	623
M.Phil. Result Declared	262
M.Phil. Degree	58
Advance Degree	229
LL.B. Degree	2189
UG and PG Regular Degree	83902
Gold Medal and prizes for Annual Convocation	194
Misc. Degree (1st April, 2024 to 31st March, 2025)	8383

Diversity of Students

The University of Delhi receives applications from all over India for admission to various programmes offered by the University. It may be noted that in terms of students' diversity at the national level, more than half of the students come from states other than the NCT of Delhi. The University also encourages foreign students to enroll in various programmes by allocating 10% of the total seats per programme for foreign students. Through such a provision, students from different foreign countries get admitted to the University and its colleges and pursue their higher studies. A visual representation of the enrolled foreign students and their respective countries is provided below:

1.0	Belarus Belize Bulgaria Burundi Chad Costa Rica Djibouti DPR Korea (South Korea) Ethiopia Finland France Germany Gambia Ghana Ireland Namibia Niger Palestine Peru Poland Portugal Seychelles Sierra Leone Somalia Togo Zimbabwe
2.0	Australia Bhutan China Egypt Jordan Madagascar Malawi Mali Nigeria Syria Uganda Ukraine Venezuela
3.0	Afghanistan Angola Eswatini/Swaziland Iran Iraq Laos Republic of Fiji Yemen
4.0	Canada Republic of Korea Sudan Tanzania United Kingdom (Britain)
5.0	Kazakhstan South Africa South Sudan Uzbekistan
6.0	Indonesia Tajikistan
7.0	Botswana Russia
8.0	Mongolia
9.0	Mauritius Myanmar
10.0	Thailand
11.0	Japan Kenya
12.0	Mozambique
26.0	Sri Lanka
32.0	United States of America
33.0	Cambodia
37.0	Vietnam
79.0	Tibet Origin
130.0	Bangladesh
147.0	Nepal

The Foreign Students Registry (FSR) received over 3,000 applications for admission in various courses from 93 countries. This included those received from ICCR and the self-paying DU portal. The number of foreign students admitted to the UG courses was 396. It was 228 in the PG courses, and 27 in the Certificate/ Diploma courses. As far as foreign students who got admission in PhD programmes were concerned, it was for the first time that the number of 50 admissions in one academic session was crossed, with 57 scholars having been admitted. The FSR worked tirelessly to allot them seats in Colleges and Departments as per merit. It may be noted that the postgraduate admissions (both Master's and PhD) are administered by the related Departments. Hostel accommodation was allotted to the fullest capacity in the international hostels, viz. ISH and ISHW, and also in other on-campus hostels. This year was unique, as the University made deep inroads in South America. We now have students from Venezuela, Costa Rica and Guatemala, in addition to the previously admitted students from Peru. The FSR has, at present, over 2,000 foreign students on roll.

Noteworthy Initiatives

The University has been undertaking pioneering initiatives, from time to time, in order to provide quality and accessible education to learners belonging to different strata of society. Some of the initiatives, which have been taken in the Centennial Year are briefly stated below:

Creation of New Medical Courses, 2024-25

i. Introduction of Ordinance and Course Curriculum for the start of the new Course Bachelor's in Medical Laboratory Science (BMLS) Course in the Department of Microbiology at UCMS.

ii. Introduction of Ordinance and Course Curriculum for the start of the Super-Speciality new course of DM (Pediatric & Neonatal Anaesthesia) Course in the Department of Anaesthesia at LHMC.

iii. Commencement of B.Sc. (Medical Technology) Radiology course with an intake of 10 (Ten) seats at Lady Hardinge Medical College (LHMC) with effect from the Academic Session 2025-2026 onwards subject to grant of permission by Funding Agency i.e. Ministry of Health and Family Welfare, Govt. of India, Regulatory Bodies (Atomic Energy Regulatory Board) and National Commission for Allied and Healthcare Profession (NCAHP).

iv. Commencement of DM (Pediatrics and Neonatal Anesthesia) Course with an intake of two (02) seats per academic year in the Department of Anesthesia at Lady Hardinge Medical College (LHMC) from the Academic Session 2024-2025 onwards, subject to grant of permission by Funding Agency i.e. Ministry of Health and Family Welfare, Govt. of India/ National Medical Commission.

v. Commencement of Bachelor's Medical Laboratory (BMLS) in the Department of Microbiology at University College of Medical Sciences (UCMS) with an intake of thirty (30) seats per academic year from the Academic Session 2025-2026 onwards, subject to the approval of NCAHP as and when enforced by the respective Regulatory Body.

Financial Support Scheme 2024-25

Taking forward the need for affirmative action as mandated in the Constitution of India and to extend the benefits of equity, access, and quality in education, both in letter and spirit, to the financially weak students, the University had initiated a Financial Support Scheme (FSS) in 2022. This scheme is reflected through a fee waiver for economically weak students in the spirit of the Government's motto, "Sabka Sath, Sabka Vikas".

In the Academic Session 2024-25, a total of 1,741 students enrolled in Departments/ Centres/ Institutes applied for financial support under this scheme. After the scrutiny of the application forms, recommendations were made based on the criteria listed below:

Category	Family Income (in Rs.) Per Annum	Fee Waiver (percentage)	Remarks
1	Less than or equal to Rs. 4,00,000.00	100%	Actual fee or up to a maximum of Rs. 12,000.00
2	Between Rs. 4,00,000.00 and Rs. 8,00,000.00	50%	Actual fee or up to a maximum of Rs. 10,000.00

A total of 1,741 students were awarded financial support; out of which 513 were female students, and the rest 1,228 were male students. The details of the grant disbursed under this scheme are given below:

Gender-wise quantum of support	Count of Students	Total Grant (in Rs.)
Female students	513	43,45,137
Those received 50% support	147	9,61,627
Those who received 100% support	366	33,83,510
Male students	1228	99,29,476
Those received 50% support	275	15,15,003
Those who received 100% support	953	84,14,473
Grand Total	1741	1,42,74,613

Creation of Quota for Orphan Students

The University has taken an exemplary step of admitting two children (one male and one female) who have been rendered orphans to each programme of study, both at the undergraduate and postgraduate levels. These two seats are supernumerary.

The expenditure incurred for admission and continuance of study of such students, including hostel expenditures in the University or its Colleges, shall be met from the University Welfare Fund or Colleges Students' Welfare Fund, as the case may be. A total of 177 (PG - 34 & UG - 143) orphan students were admitted under this category in the Academic Session 2024-25.

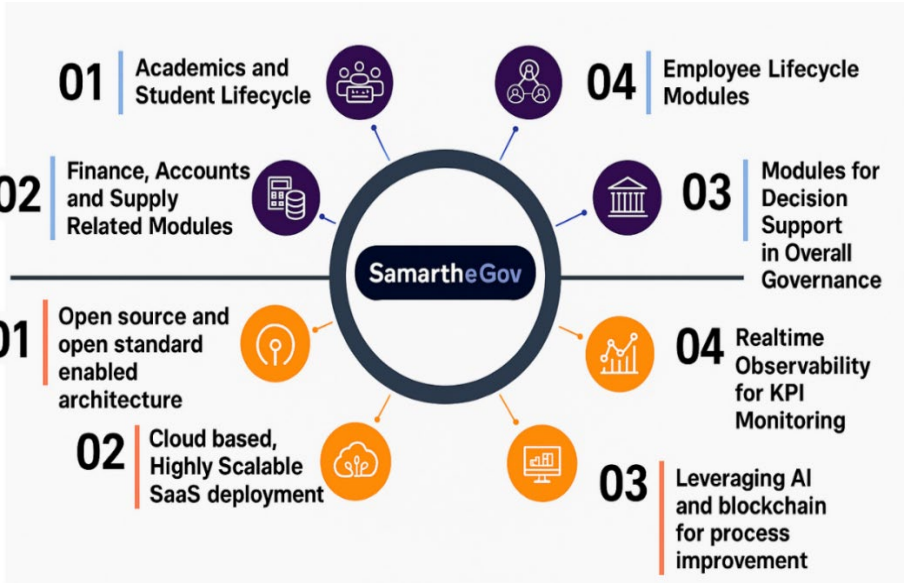
Competence Enhancement Scheme

Aligning to the National Education Policy 2020, the University launched a new scheme called the Competence Enhancement Scheme (CES) in its Centennial Year to make higher education more accessible.

The Scheme provides opportunities for people from all walks of life to enhance their knowledge/ competence by registering for one or two courses offered in a semester in the University's colleges and departments. Such persons get the flavour of studying in the University along with the regular students of such course(s) without having to enroll for a programme of study. The number of seats prescribed per course is a maximum of 10% of the class size of such a course. These seats are treated as supernumerary seats.

Admissions under CES 2024-25 were conducted for two semesters: January to June 2024 and June to December 2024. The following are the details of the admission under CES from 1st April 2024 to 31st March 2025:

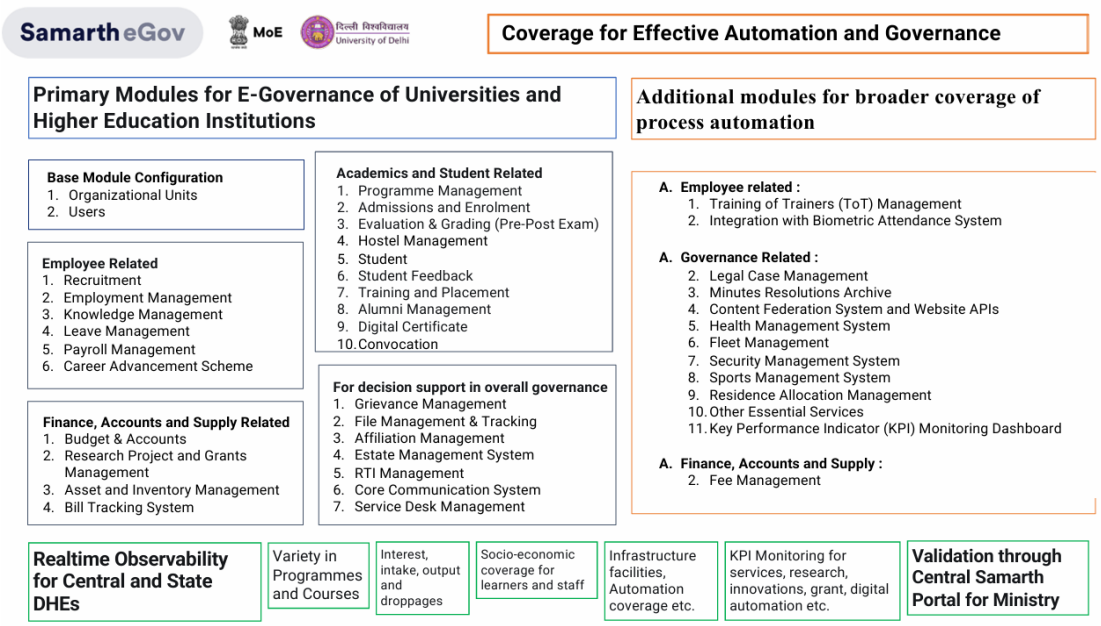
1. Time Duration: January 2024 to June 2024
Semester: IV and VI
Courses offered by the Departments: 19
Courses offered by the Colleges: 19
Total Registrations: 174 registrations in 2024
Number of students interested in taking admission: 05



2. Time Duration: August 2024 to December 2024
Semester: I, III and V
Courses offered by Departments: 13
Courses offered by the Colleges: 30
Total Registrations: 224 registrations in 2024
Number of students interested in taking admission: 11

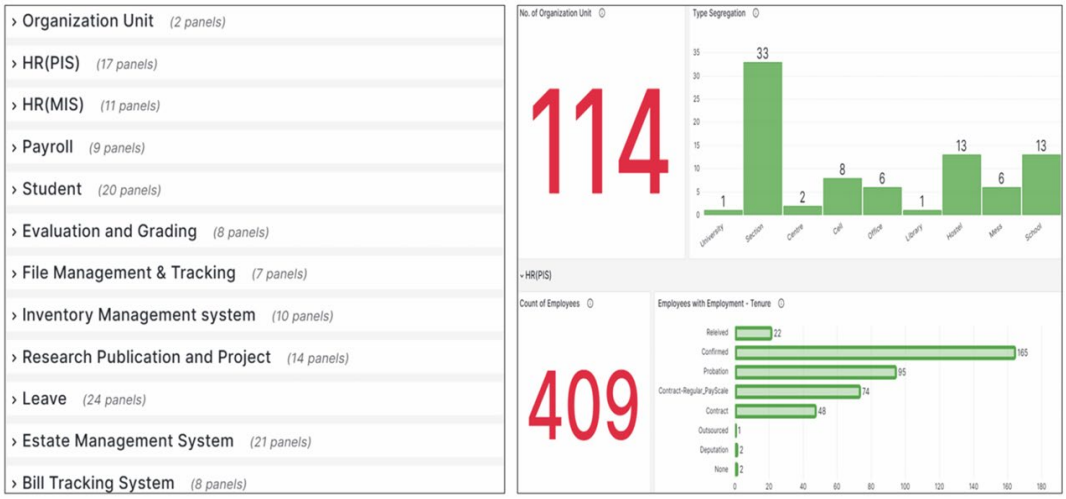
3. Time Duration: January 2025 to June 2025
Semester: I, III and V
Courses offered by Departments: 13
Courses offered by the Colleges: 30
Total Registrations: 173 registrations in 2025
Number of students interested in taking admission: 15

SAMARTH e-Gov



The SAMARTH e-Gov Suite, developed by the University of Delhi, is a purpose-built platform for Universities and HEIs to deploy a digital framework of good governance.

Samarth offers more than 40 automation modules for managing a variety of workflows across 5 critical functional domains of University operations and administration.



Samarth Highlights:

- 13,000+ Total Higher Education Institutions (HEIs) on Samarth (across 32 States/UTs and 435 Districts/Cities)
- 1.8 Crore Student Records
- 77 Lakh Active Students
- 1.9 Crore Successful Digital Payment Transactions to HEIs through SAMARTH
- ₹ 6,700 Crore Successful Digital Payment Amount Transacted to HEIs through SAMARTH
- 1.90 Lakhs Employee records
- 7.51 Lakhs Payroll Statements Processed online
- 5.41 Lakhs Leaves Processed online
- 2 Lakhs Files Entered and Tracked online
- 98.5K Recruitment Applications processed

Real-time dashboards for KPI monitoring from the metrics generated by all other modules of SAMARTH applicable across different functions and departments of institutions.

CU Administration for MoE

1. Subordinate Legislation: Request from CU(s) for amendment to Statutes and Ordinances and their Processing in the Ministry.

2. Statutory Positions: For record keeping, status tracking of the recruitment process, and report generation for various statutory positions under MoE (Chancellor, Vice-Chancellor, and Visitor Nominee in various Committees)

3. Annual Reports and Annual Accounts: Tracking and Management of Annual Reports and Annual Accounts of Central Universities.

4. Post Creation: For taking requests from Central Universities for new Post Creation and its processing in the Ministry.

5. Visitor Nominee Requisition: Central Universities can submit the request for a visitor nominee position if vacant or going to be vacant in the next 3 months.

6. VC Recruitment: A specialized recruitment portal was developed for the Ministry of Education for the recruitment of Vice-Chancellors in Central Universities.

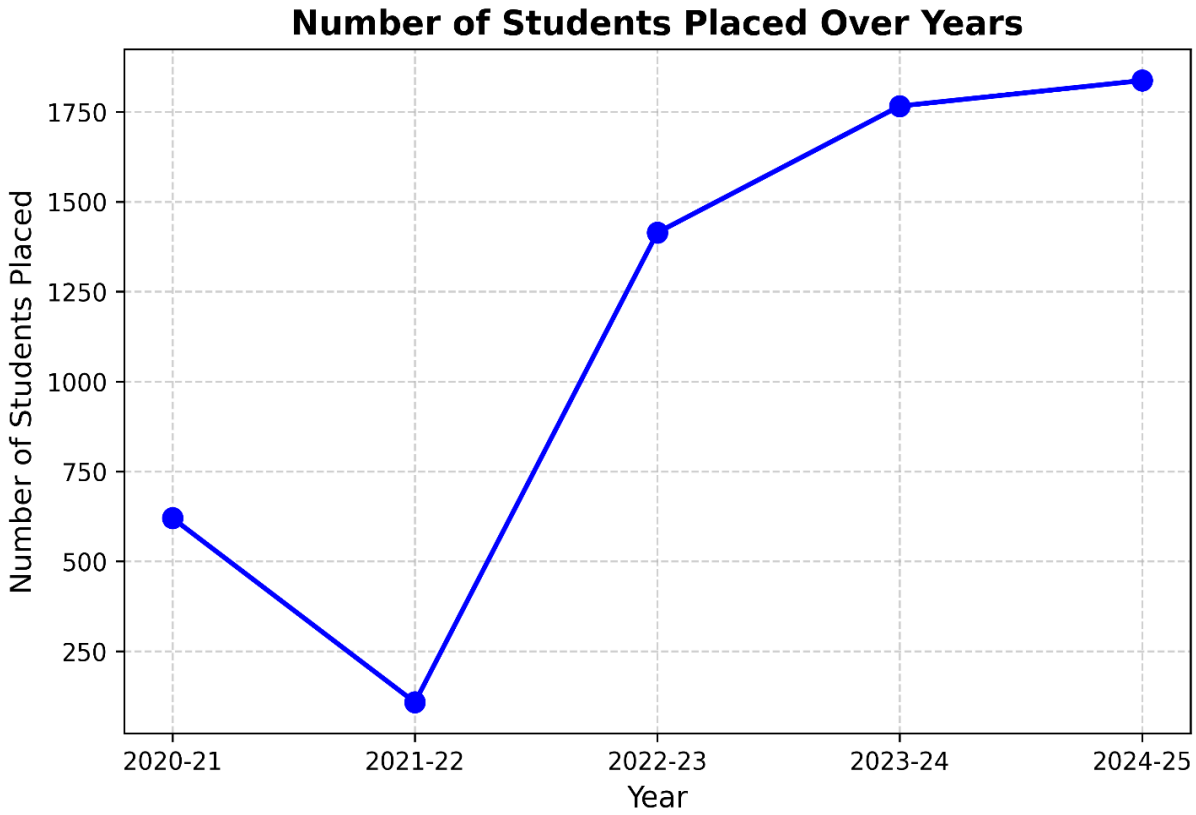
SAMARTH Characteristics:

1. Embracing NEP – 2020
2. Swadeshi & Aatmnirbhar
3. Interconnected and Unified
4. Anytime, Anywhere

Roadmap:

1. Localization of software in major Indian languages
2. International outreach – G20, Africa-India

VC Internship Scheme (VCIS)



The Vice Chancellor Internship Scheme (VCIS) aims to provide internship opportunities to the students of the University, which helps them to understand the working of different sectors of the University system, in particular, and official functioning in government set-ups, in general. The Scheme also tries to advance the concept of 'Earn while you Learn'. The VC Interns who have undergone this internship got the opportunity to contribute to the University, develop a better understanding of the policies, and, thereby act as ambassadors of the University.

Gender-wise total number of students enrolled in VCIS is as follows:

VCIS	Number of Students
(i) Vice-Chancellor Internship Scheme: Part-Time- 2024	Females– 122 & Males – 62
(ii) Vice-Chancellor Summer Internship 2025	Females – 110 & Males – 49

Placements

The Office of the Dean Students' Welfare facilitated reaching out to the recruiters/ organizations for providing placement/ internships. 1,837 students got selected through this outreach. A graphical representation of the number of students placed through the Office of the Dean Students' Welfare is provided below (this excludes departmental level placements).

Data of selected/ shortlisted candidates during the Placement/ Internship/ Job Mela - 2024-25				
S. No	**Name of Company**	**Average Compensation (LPA)**	**Number of Shortlisted Candidates**	**Date of Placement/ Internship/ Job Mela**

Internationalization Initiatives

The International Relations, University of Delhi, focuses on building and maintaining global partnerships, facilitating faculty and student exchange programs. In the AY 2024-25, the University of Delhi collaborated and signed 12 new MoUs with FHEIs. In total, the University has around 90 active MoUs with 35 countries around the globe (among these, we have 07 MoUs with Germany and Japan, 05 MoUs with France and Korea and 13 MoUs with Russia).

Through the Office of International Relations, around 30 students (UG/PG/PhD) of the University received International fellowships for short-term mobility under various schemes like, Sakura Science Program, Future Research Talent Program, Erasmus+ Mobility, etc.

Though there are multiple ongoing MoUs with Foreign Universities, below listed MoUs were signed during the period covered by this Annual Report:

List of MoUs signed during April 1, 2024 – March 31, 2025

S.No.	Partner University	Date of Signature
1	Moscow City University, Russia (Renewal)	April 2024
2	HSE University, Russia	April 2024
3	Helsinki University, Finland (Renewal)	May 2024
4	Niigata University, Japan (Student Exchange Agreement)	May 2024
5	Minin Nizhny Novgorod State Pedagogical University, Russia	May 2024
6	The Service Universitaire des Langues at Nantes Universite (SUL), France	May 2024

7.	Durham University, UK	June 2024
8.	University of Wuppertal, Germany (Renewal)	August 2024
9.	Universite Paul-Valery Montpellier 3, France (Renewal)	September 2024
10	University of Tokyo, Japan	November 2024
11	University of Vienna, Austria (Renewal)	November 2024
12	Universite de Bretagne Occidentale, France	December 2024
13	Goncourt Choice of India 2024-2025, Institute Francais En Inde	January 2025
14	Letter of Intent for "Mirror Laboratory on Space Technologies" with HSE University, Russia	January 2025
15	University of Liverpool, UK	January 2025
16	University of Leeds, UK	January 2025
17	University of Granada, Spain	January 2025
18	Erasmus+ IIA and MoU Addendum, Instituto Politecnico de Tomar (IPT), Portugal	March 2025
19	Minin Nizhny Novgorod State Pedagogical University, Russia (Student Exchange Agreement)	March 2025
20	Ecole des Hautes etudes en sciences sociales (EHESS), France	March 2025

Research

- Publication: There has been an increase of 11% (3,730 to 4,120) in research publications in Scopus-indexed journals.
- H-index: The H-index of the University has significantly increased from 273 to 286, indicating enhanced quality of research by faculty members.

Institution of Eminence

The Institution of Eminence (IoE), University of Delhi, is committed to developing physical infrastructure, establishing and upgrading research laboratories, libraries, Central Instrumentation facilities, IT & Networking facilities, and prioritizing research at the University.

The major achievements/ significant activities undertaken by the IoE during the financial year 2024-2025 are as follows:

1. Physical Infrastructure: To strengthen the physical infrastructure of the University, including the Academic and Administrative Building, Hostel cum Transit accommodation, Health Centre and Recreational facilities the following initiatives were taken:
   - The IoE released ₹ 12.87 crores for the vertical Extension of the Conference Centre and the Construction of the new WUS Health Centre Building.
   - The IoE released ₹ 10.56 crores to the NBCC for the construction of the Sewage Treatment Plant at the Faculty of Technology site.
   - The IoE released ₹ 0.22 crores for the infrastructure development at the Maharshi Kanad Bhawan for the Faculty of Technology, Faculty of Law, and Department of Commerce.
   - The IoE released ₹ 1.59 crores to the Faculty of Technology for infrastructure and laboratory development.

2. Research Infrastructure: The following steps were taken to strengthen the Central Instrumentation Facilities with high-end and sophisticated analytical instruments for students, researchers, and faculty members of the Science Departments at the University and the constituent Colleges of the University of Delhi:

- To purchase high-end instruments at the University Science Instrumentation Centre (USIC) at North Campus and Central Instrumentation Facility (CIF) at South Campus, around ₹ 55.18 crores were released.
- Financial support of ₹ 0.10 crore was provided for the procurement of a generator at the USIC (North Campus) to support the seamless functioning of the research equipment.

3. Information Technology & Networking: The following steps were taken to strengthen the Information Technology & Networking, procurement of academic software, and High-performance infrastructure for cloud services, and the constituent colleges of the University of Delhi:
   - The IoE released ₹ 10.17 crores to the DUCC to purchase various academic software.
   - The IoE released ₹ 6.03 crores to the DUCC for IT and cloud-based services.

4. Library Resources: The following steps were taken to upgrade the existing library facilities to meet global standards, including e-books, databases, storage, organization, and retrieval of digital library resources among the University's libraries:
   - The IoE provided financial support of around ₹ 29.49 crores to the Delhi University Library System (DULS) for procuring various e-books (Perpetual databases from international publishers) and digital archives.
   - The IoE released ₹ 5.96 crores to the DULS for the purchase of database subscriptions.
   - The IoE released ₹ 1.42 crores to the DULS for the purchase of Stand-alone computers, Kiosks, Patron Traffic Control, Blended Solution Panels, Photocopiers, and Printers.

5. Computer Labs: The following steps were taken to set up common computing facilities for the growth and development of teaching, research, and academic activities in the University:
   - For Information Technology Facilities, including computers for various Faculties, NCWEB & Libraries, sufficient financial support was provided. Around ₹ 5.654 crores have been released for developing various computer labs at the Faculty of Arts, Delhi University Library System, Faculty of Technology and NCWEB.

6. Research Activities: To strengthen and boost the research work of the faculty members in various Departments/ Centres of the University, the Faculty Research Program (FRP) and Major Research Project (MRP) were launched by the IoE.
   - The IoE under the Faculty Research Program sanctioned projects to the faculty members of the University/ colleges across various disciplines. A total of ₹ 9.48 crore was released for this purpose.
   - The IoE provided financial support in the form of the Major Research Project to the tune of approximately ₹ 0.60 crores to 17 faculty members of the University/ colleges across various disciplines to promote inter-disciplinary research.

7. Research Publication Awards: The IoE has instituted the Research Publication Awards to encourage researchers to publish their quality research work in top-rated high-impact journals and contribute to enhancing the quality of their scientific research.
   - 26 research papers were selected for the Research Publication Awards, and a sum of ₹ 0.20 crore was sanctioned. These awards were given under the following four categories: Category A (₹ 5 lakh): 02; Category B (₹ 2 lakh): 04; Category C (₹ 1 lakh): 13; Category D (₹ 0.5 lakh): 07.

8. Research Fellows and Post-Docs: To create a pool of talent that will help catalyze the high-end research at the University, the IoE has instituted College Fellows and Research Fellowship Programs.
    - The IoE has provided financial support of around ₹ 2.76 crores for the post-doctoral fellowship program named Maharishi Kanad Post-Doctoral Fellowship.

9. Repair, Maintenance, and Upgradation: The IoE has embarked on strengthening Central Instrumentation Facilities in the form of upgradation/ renovation/ maintenance in various Faculties/ Departments of the University.
    - For already installed/ existing instruments at the USIC/ CIF (North and South) and at CIFs of the Departments and Centres, financial support of about ₹ 2.13 crores has been provided for repair and maintenance.
    - The IoE provided financial support of ₹ 14.94 crores to the Engineering Branch for the installation of the sound system at the Tagore Hall, Sir Shankar Lal Concert Hall & Convocation Hall, repair of the centralized AC plant at the Biotech Building (South Campus), installation of CCTV cameras, and renovation work at the Vice Regal Lodge.
    - 52 Classrooms in various Departments were equipped with Interactive Panels with a financial support of ₹ 2.1 crores.
    - The IoE provided financial support of ₹ 1.56 crores to the Engineering Branch for the payment of the Electricity and Water Charges of the University.
    - The IoE released ₹ 0.7 crores for the technical manpower to operate high-end equipment at the USIC (North Campus) and CIF (South Campus).

10. Other Activities: The IoE also embarked on strengthening other facilities in the form of support for Patent Filing Fee, Training for Teachers, etc.
    - The IoE released ₹ 0.022 crores towards the Patent Filing Support.
    - The IoE released ₹ 0.011 crores to the Delhi School of Skill Enhancement and Entrepreneurship Development for organizing teachers' training programs to support the Skill Enhancement Courses.

University of Delhi Foundation

(a) As far as donations received through the University of Delhi Foundation are concerned, a total amount of ₹ 7,21,74,482/- (Rupees Seven Crore, Twenty-One Lakh, Seventy-Four Thousand, Four Hundred and Eighty-Two only) was raised till 31.03.2025 from 109 donors. This has been deposited in the Endowment Fund of the University of Delhi.

(b) A donation of ₹ 5,00,00,000/- (Rupees Five Crore) was received under the aegis of the Rita Bhargava Mukerji Memorial Charitable Trust (RBMMCT). Mr. Udayan Mukerji (IPS Retd.) donated this sum in memory of his late wife, Smt. Rita Bhargava Mukerji who was an alumnus of the prestigious Faculty of Management Studies, North Campus, University of Delhi. This substantial donation is dedicated towards the construction of the first floor of the FMS extension building, providing state-of-the-art facilities and resources for future generations of management students.

The amount is to be received in three installments, out of which the first installment of ₹ 50,00,000/- (Rupees Fifty Lakh) and the second installment of ₹ 2,00,00,000/- (Rupees Two Crore) were received on 27th May 2024 and 4th January 2025, respectively.

(c) The University of Delhi Foundation organized a *Samarpan Samaroh* and *Samman Samaroh* on 4th January 2025, to honor the donors of the University of Delhi and officially launch the ambulance donated by LIC Golden Jubilee Foundation, Project Sashakt Beti, Project e-Drishti and the Commemorative Volume of the Donors Chronicle 2024.

(d) The Life Insurance Corporation (LIC) Golden Jubilee Foundation donated Rs 26,80,202/- for the purchase of an ambulance for the University of Delhi's community. The ambulance has been procured, registered and stationed at the WUS, University of Delhi, North Campus, Delhi 110007.

(e) The University of Delhi Foundation launched two projects: the *Sashakt Beti* Project and the *e-Drishti* Project, wherein 300 laptops were distributed to orphan female students and single-parent female students with family income less than ₹ 4 lakhs, and 454 tablets were distributed to the visually impaired male and female students of the University. These projects were supported by a donation of ₹ 2.25 crores by BSES Discoms BRPL and BYPL. These projects were officially launched by the Hon'ble Union Education Minister Shri Dharmendra Pradhan and Member of Parliament Shri Manoj Tiwari at the Samarpan Samaroh organized by the Foundation on 4th January 2025.

(f) The University of Delhi Foundation launched the commemorative volume of the Donors Chronicle 2024, which highlights the life stories of the first 100 donors of the University of Delhi.

(g) The University of Delhi Foundation has instituted scholarships with the support of NITORI International Scholarship Foundation, based in Japan, to meritorious students of the constituent Faculties and Departments of the University. The total scholarship amount of ₹12 lakhs was received in the Endowment Fund of the University on 14th January 2025. A total of 20 students, who were toppers of their respective courses in the Faculty/ Departments, were awarded a scholarship of ₹ 60,000 each (one-time only) on 28th April 2025.

(h) The University of Delhi Foundation received ₹ 3,75,000/- from HB Stockholdings under CSR, for the purchase of a Braille Embosser for the visually impaired students of the University. The Braille Embosser has been purchased and is set to be installed at the Equal Opportunity Cell of the University.

Udhmodya Foundation

Udhmodya Foundation has successfully completed two years of supporting startups and promoting entrepreneurship within the University of Delhi. Located on the 5th floor of Maharishi Kanad Bhawan, it offers a modern co-working and incubation space for early-stage entrepreneurs.

As of March 31, 2025, Udhmodya Foundation is supporting 24 startups (across sectors - logistics, sports, health tech, social impact, waste management, agriculture, beauty and wellness, AI tools) through funding, office space, expert guidance, and networking opportunities. 15 pre-incubated startups receive regular mentorship and support. These are early-stage ideas from young entrepreneurs working on new solutions in education, food, health, skincare, smart vending, and sex education, among others.

Udhmodya Foundation has been organising regular incubation visits for students and teachers from colleges. These visits help them learn more about startups and entrepreneurship by interacting with founders directly. The Foundation received a grant from AICTE in March 2025 to conduct a Faculty Development Program (FDP) on Innovation and Entrepreneurship.

With strong support, growing infrastructure, and a focus on real impact, Udhmodya Foundation is emerging as a key player in building the next generation of startups and entrepreneurs.

Financial Data

Amount of Grants Received (in crores) from the funding agency is as follows:

Year 2024-2025	Amount of Grant Received 2024-25 (in crores)	Amount of Expenditure 2024-25 (in crores)
Salary Head (OH:36)	₹ 473.00	₹ 478.72
Recurring Head (OH:31)	₹ 313.00	₹ 544.46
Capital Assets (OH:35), including EWS	₹ 42.88	₹ 44.09

The quantum of Internal Resource Generated was ₹ 323.45 Crore.

Extramural Grants

The faculty members of the University have been able to secure grants for research from several funding agencies.

GIA: ₹ 828.88 Crores Allocated for 2024-25 Salary head OH:36 ₹ 473.00 crore, Recurring Head OH:31 ₹ 313.00 Crore and Capital Assets OH: 35 ₹ 42.88 Crores Scheme for infrastructure Development.

HEFA: ₹ 938.33 Crores funding from HEFA approved by the Ministry of Finance for 7 Projects.

The University has applied to HEFA for sanction of two projects amounting to ₹ 576.33 Crores.

Endowment Fund: ₹ 3,15,36,468/- collected through the University of Delhi Foundation.

Renovation / Construction

Major Special Repair and Renovation:

Name of the Project	Amount (in Crores)	Remarks
Arts Faculty	4	Completed
Gwyer Hall	2.4	Completed
Jubilee Hall	4	Ongoing
Record Room of University	2	Completed
Convention Hall of Arts Faculty, Tagore Hall, Shankar Lal Hall	11	Ongoing

Ongoing Constructions:

Name of the Project	Amount (in crores)
Construction of Computer Centre	87 crores
Vertical Extension of Physics and Chemistry Block	17 crores
Pragyan Bhawan near Faculty of Management Studies	29 crores
WUS Health Centre Building	36 crores
School at Maurice Nagar	27 crores
Building of IoE at Maurice Nagar	330 crores
Extension of Library	110 crores
Faculty of Technology	195 crores
Student Activity Centre at North Campus near Satyakam Bhawan	7.5 crores

Details of Statutory Meetings

The University conducted the following meetings in 2024-25:

Name of Statutory Body	Number of Meetings held
University Court	01
Executive Council	05
Academic Council	04
Finance Committee	03

Recruitment & Promotion

(i) 1,048 Assistant/ Associate Professors/ Professors/ Principals/ Directors were appointed in various Departments/ Colleges of the University.

(ii) 1,389 cases of teachers in the University were processed, and subsequently, teachers were duly promoted.

(iii) A total of 481 non-teaching staff were appointed/ promoted/ granted MACP in the University and colleges.

Right to Information (RTI)

The University functions with full observance of all the relevant provisions of the RTI Act 2005 and the rules framed thereunder from time to time. It is actively involved in the disclosure of maximum possible information in the public domain, encompassing almost all the areas of activity concerning the students, employees and various other stakeholders.

All systematic endeavours are appropriately undertaken through a well-structured mechanism of information dissemination for the public at large from time to time. Information has been disseminated by the University through various means, which include disclosure of information through its website, information handbook, prospectus for various courses of study, public notices, press releases, pamphlets, booklets, handouts, etc. This is regularly done to keep all the stakeholders informed about the developments of the University. Therefore, the University is at the forefront when it comes to the observance of transparency and accountability, leading to good governance in an academic institution.

During the year 2024-25 (1st April 2024 to 31st March 2025), the University received 6,052 Original Applications and 791 First Appeals, which were decided as per the relevant provisions of the RTI Act. During this time, 40 Second Appeals before the Hon'ble Central Information Commission were also successfully defended by the University.

Rajbhasha Cell

The Rajbhasha Cell of the University compiles and implements all the orders directed by the Ministry of Home Affairs (Department of Rajbhasha). Following is a brief description of the work undertaken by the Rajbhasha Department of the University:

1. Meeting of Official Rajbhasha Implementation Committee: In compliance with the Official Language Policy of the Union, quarterly meetings of the Rajbhasha Implementation Committee were organized every quarter (January-March, April-June, July-September, and October-December) under the chairmanship of the Director, South Campus and the Chairman (RABHAKAS) regarding the implementation of Rajbhasha Hindi.

2. Organizing Hindi Workshops: In compliance with the Official Language Policy of the Union, in relation to the implementation of Rajbhasha Hindi at the University, a Hindi workshop was organized for 45 officers/ employees in the North/South Campuses of the University every quarter (January-March, April-June, July-September, and October-December), in which lectures were given by invited experienced speakers on various relevant subjects, like the Official Language Policy of the Union Government and technical terminology, how to fill quarterly report, various formats of official correspondence and note drafting and standardization of Hindi spelling and grammatical mistakes.

3. Organization of Hindi Pakhwada: Hindi Pakhwada is organized as per rules in September/ October every year to promote Rajbhasha Hindi in the University and to encourage officers and employees (including contract officers/ employees) to do official work in Hindi. During this period, a total of five competitions (Hindi essay, Hindi dictation, Hindi extempore speech, Hindi memory test and Hindi question forum) were organized, in which officers/employees of the University participated enthusiastically. Prizes and certificates were given to the winning participants in the competitions.

4. World Hindi Day and Matrbhasha Day: To promote Rajbhasha Hindi in the University and to encourage officers and employees to do official work in Hindi, on the occasion of World Hindi Day, on January 10, 2025, Rajbhasha talk was organized in the North Campus of the University on the topic: “Was it right for the government to implement the official language in government offices?, give your opinion in favor and against”. On Matrabhasha Day, February 21, 2025, a scientific seminar was organized at the South Campus on the topic: “What impact will the use of Artificial Intelligence in the world have on human life in the future?”

5. Organizing Indian Language Festival: As per the order of the Ministry of Education (Government of India), an order was received to celebrate ‘Indian Language Occasion’ on December 11, 2024, to commemorate the Birth Anniversary of Shri Subramanya Bharati, the renowned Tamil poet, writer and journalist who participated in the Indian freedom struggle. In this regard, a speech competition was organized for the officers/employees (including contractual/ outsourced) of the North and South Campuses of the University at Maharishi Kanad Bhawan.

6. Status of Hindi Shorthand/ Typing Training: The process of providing long-term training in Hindi typing at the Central Hindi Training Institute, Department of Official Language, to Senior Assistant/ Assistant/ Junior Assistants, working at the University, has been undertaken. Till April 2025, a total of 78 employees were trained in Hindi typing. They were trained in a phased manner by the Central Hindi Training Institute, Department of Official Language, Ministry of Home Affairs. The remaining employees of the University are being trained in a phased manner by the Central Hindi Training Institute, Department of Official Language, Ministry of Home Affairs.

7. Annual program issued by the Department of Official Language (Ministry of Home Affairs): The University strives to fulfil the targets given in the annual program issued by the Department of Official Language every year. Along with this, the annual program also commits all the

Departments/ sections/ offices of the University, and the colleges to comply with all other points mentioned in the annual program.

8. Webpage of Rajbhasha Cell: A webpage of Rajbhasha Cell has been created on the website of the University, in which important information related to the official language for officers/ employees was uploaded from time to time.

9. Reading Room and Training Centre: To promote the official language, a reading room and Hindi training centre were started in the administrative building of the University. This is moving towards becoming fully operational. In this, officers/ employees of the University are able to read Hindi newspapers and magazines during lunch break. Moreover, officers/ employees will also be given training in Hindi language/ typing/ shorthand.

10. Standard expressions and technical terminology: To promote the official language Hindi and to encourage officers/employees to do official work in Hindi, a circular related to 10 administrative phrases and 10 technical terms was issued by the Rajbhasha Cell in the first week of every month.

11. Inclusion of lectures on Official Language Policy of Union Government, Unicode and New Hindi Software in departmental training: Topics related to Official Language Policy of Union Government, Unicode and New Hindi Software were also included in the training program organized for the officers of the University and the administrative officers of its affiliated colleges.

12. Inspection of Official Language: The Ministry of Education and the University Grants Commission also inspect the progress of the Official Language Hindi at the University from time to time. In the said inspection, the University made every effort to implement the suggestions given by the Ministry and the University Grants Commission.

13. Internal Inspection: As per the instructions of Department of Official Language (Ministry of Home Affairs), Government of India, Ministry of Education, UGC and the decision taken at the meeting of Official Language Implementation Committee of the University of Delhi, an internal inspection of the Department, offices and sections of the University is carried out in a planned manner in every half year.

14. Reward for those doing Hindi work: The incentive scheme, as amended by the Home Ministry (Official Language Department) Office Memorandum No. 12013/01/2011 - R.B. (Policy), dated 14.09.2016, has also been implemented by the University on an annual basis. At the end of the year, the concerned officer/employee gets his/her details signed /verified by his/her officer on the prescribed form and sends it to the Rajbhasha office, for which they are also given prizes as follows:

Position	Amount (₹)
First (2 Prizes)	5,000
Second (3 Prizes)	3,000
Third (5 Prizes)	2,000

15. Publication of Hindi Magazine Gyanlok: Two editions of the University's annual in-house magazine (Gyanlok) have been released, and work on the third edition is in progress.

Awards

Padma Award

- Prof. Bibek Debroy, an alum of the Delhi School of Economics, was honored with the Padma Bhushan Award, the third-highest civilian award of India.
- Prof. K L Krishna and Prof V R Panchamuki of the Delhi School of Economics were honored with the Padma Shri Award, the fourth-highest civilian award in India.

Visitor's Award

- Prof. Rina Chakrabarti, who is a Senior Professor as well as Head of the Department of Zoology, was conferred the Visitor's Award for Research in Biological Sciences for her research contributions to Sustainable Freshwater Aquaculture.

New Campuses

The University of Delhi is expanding its presence across Delhi with the addition of two new campuses and a College. Hon'ble Prime Minister Shri Narendra Modi ji virtually laid the foundation stones for these projects on 3rd January 2025:

- East Campus at Surajmal Vihar: This campus will cater to the growing demand for higher education in East Delhi.
- West Campus at Dwarka Sector 22: This campus will provide increased access to quality education for students from West Delhi.
- A new college named Veer Savarkar College is being set up in Roshanpura, Najafgarh to provide quality education.

Major Events and Programmes

One-day National Conference on 'Hindu Studies at the University of Delhi: Understanding Hindu Dharma and Hinduness'

A one-day conference on *"Understanding Hindu Dharma and 'Hindutva'"* was organized on April 2, 2024, by the Centre for Hindu Studies at the University of Delhi. The event was inaugurated by Prof. Yogesh Singh, Hon'ble Vice-Chancellor, University of Delhi, who was the Chief Guest. The Guest of Honour and Keynote Speaker was Swami Vigyananand Ji, Joint General Secretary of the Vishva Hindu Parishad and Founder & Global Chairman of the World Hindu Foundation. In his inaugural address, Prof. Yogesh Singh underscored the importance of shaping education through an Indian lens and worldview. He cited examples from ancient Indian architecture, noting its energy-efficient design in contrast to modern constructions that rely heavily on electricity for cooling. He also highlighted India's rich legacy in trade and knowledge systems, urging academic institutions to reconnect with these civilisational roots. Prof. Singh expressed confidence that initiatives like the Centre for Hindu Studies would play a vital role in reviving and promoting India's cultural and intellectual heritage.

Book launch "*Bhakti Samvedna aur Maanav Moolya*" Author: Prof. Anil Rai

At a book launch event held on April 3, 2024, at the University of Delhi, Hon'ble Vice-Chancellor Prof. Yogesh Singh emphasized that a teacher is assessed daily against the evolving standards of time and must therefore continuously strive for growth and excellence.

He made these remarks during the release of Prof. Anil Rai's book *"Bhakti Samvedna aur Maanav Moolya"*. Commending the book's insightful exploration of India's historical and cultural heritage, Prof. Singh noted its thoughtful reflection on the country's ancient glory, the challenges of its colonial past, and the enduring power of values, as exemplified through the lives and works of luminaries such as Tulsidas and Kalidas.

He further stated that true excellence is achieved when individuals articulate their thoughts with conviction, deeply rooted in cultural values—an approach that contributes to the elevation of both the individual and the nation.

Book launch "*Bhakti Samvedna aur Maanav Moolya*"

'Celebration of Samvidhan Amrit Mahotsav: Celebrating 75 years of Republic of Bharat' by the organization of 'कवि सम्मेलन' संविधान: विकसित भारत की राह करे आसान'

As part of the *"Samvidhan Amrit Mahotsav: Celebrating 75 Years of the Republic of Bharat"*, the University of Delhi organized a *कवि सम्मेलन* on the theme *"संविधान: विकसित भारत की राह करे आसान"*. The event was graced by Prof. Yogesh Singh, Hon'ble Vice-Chancellor, University of Delhi, as the Chief Guest, and Dr. Nand Kishore Garg, Chancellor of Maharaja Agrasen University, Himachal Pradesh, as the Guest of Honour on April 15, 2024.

In his address, Prof. Yogesh Singh emphasized the enduring relevance of the Constitution of India in guiding the nation's progress. He noted that the Constitution is not merely a legal document but a living framework that ensures justice, liberty, equality, and fraternity—principles that continue to steer Bharat towards becoming a developed nation. He highlighted the importance of instilling constitutional values among the youth to strengthen democratic institutions and promote inclusive growth.

Speaking on the occasion, Dr. Nand Kishore Garg reflected on the inspirational vision of the framers of the Constitution and its role in shaping India's developmental path. He underscored the need for collective responsibility in safeguarding constitutional ideals while adapting to the changing aspirations of society.

The *कवि सम्मेलन* brought together poets whose verses celebrated the spirit of the Constitution, weaving together patriotism, cultural pride, and the shared dream of a *Viksit Bharat*.

62nd Foundation Day Ceremony of the School of Open Learning on the theme "विकसित भारत के निर्माण में मुक्त शिक्षा का योगदान"

The 62nd Foundation Day Ceremony of the School of Open Learning (SOL) was celebrated on May 06, 2024, on the theme *"विकसित भारत के निर्माण में मुक्त शिक्षा का योगदान"*. The event was graced by Shri Jagdeep Dhankhar, Hon'ble Vice President of Bharat, as the Chief Guest, and was presided over by Prof. Yogesh Singh, Hon'ble Vice-Chancellor, University of Delhi. In his address, Shri Jagdeep Dhankhar emphasized the transformative role of open and distance education in shaping a progressive and self-reliant India.

He noted that such modes of learning have been instrumental in democratizing access to quality education, empowering learners from diverse socio-economic backgrounds, and enabling them to contribute meaningfully to nation-building. He lauded the School of Open Learning for its sustained efforts in expanding educational opportunities and fostering inclusivity over the past six decades.

Presiding over the ceremony, Prof. Yogesh Singh highlighted the importance of aligning educational initiatives with the vision of *Viksit Bharat@2047*. He stressed that open education must not only cater to academic advancement but also equip students with skills, values, and perspectives necessary for India's holistic development. He congratulated the faculty, staff, and students of SOL on reaching this significant milestone and expressed hope that the institution will continue to innovate and lead in the field of distance learning.

62nd Foundation Day Ceremony of the School of Open Learning on the theme "विकसित भारत के निर्माण में मुक्त शिक्षा का योगदान"

International Day of Yoga 2024

The University of Delhi celebrated the International Day of Yoga (IDY) 2024 on June 21, 2024, under the theme *"Yoga for Self and Society."*

The event was graced by Sh. Dharmendra Pradhan, Hon'ble Minister of Education, as the Chief Guest, and Shri Manoj Kumar Tiwari, Hon'ble Member of Parliament, Lok Sabha (North East Delhi), as the Guest of Honour. The Program was presided over by Prof. Yogesh Singh, Hon'ble Vice-Chancellor, University of Delhi.

Renowned Yoga Guru Shri Surakshit Goswami led the session, guiding participants through various yogic practices while emphasizing their physical, mental, and spiritual benefits.

The event brought together students, faculty, and staff to celebrate the ancient Indian tradition of yoga and its relevance in modern life, highlighting its power to bring balance between personal well-being and social harmony.

International Day of Yoga (IDY) 2024 on June 21, 2024, under the theme *"Yoga for Self and Society"*

National Seminar to commemorate "Partition Horrors Remembrance Day" on the theme: "Unraveling the Partition of India"

The Centre for Independence and Partition Studies, University of Delhi, in collaboration with the National Council for Promotion of Sindhi Language and the Indira Gandhi National Centre for the Arts, organized a National Seminar on August 14, 2024, to commemorate *"Partition Horrors Remembrance Day"* on the theme *"Unravelling the Partition of India"*. The event was graced by Shri Arjun Ram Meghwal, Hon'ble Minister of Law and Justice, as the Chief Guest, with Prof. Kapil Kapoor, Former Chancellor of Mahatma Gandhi Antarrashtriya Hindi Vishwavidyalaya, Wardha, delivering the Keynote Address. The seminar was presided over by Prof. Yogesh Singh, Hon'ble Vice-Chancellor, University of Delhi.

In his address, Shri Arjun Ram Meghwal reflected on the tragic consequences of the Partition of India, emphasising the need to remember the sacrifices and struggles of those affected. He urged the youth to draw lessons from history to strengthen the unity, integrity, and resilience of the nation.

Delivering the keynote lecture, Prof. Kapil Kapoor offered a deep academic and cultural perspective on the Partition, highlighting its civilisational, social, and linguistic impacts. He underscored the importance of preserving narratives and memories to ensure that the trauma and lessons of Partition remain part of the nation's collective consciousness.

In his presidential remarks, Prof. Yogesh Singh stressed that commemorating such events fosters awareness of India's historical journey and reinforces the commitment to safeguarding the nation's unity and diversity.

Partition Horrors Remembrance Day on the theme: "Unraveling the Partition of India"

“Samarpan Samaroh” for celebration of philanthrophy, inclusion and academic progress

The University of Delhi Foundation organized the “Samarpan Samaroh” on January 4, 2025, at the Convention Hall, University of Delhi, wherein two projects Sashakt Beti & e-Drishti were launched for the students belonging to the underprivileged sections of society.

The event was graced by Shri Dharmendra Pradhan, Hon’ble Minister for Education, Government of India, as the Chief Guest, and Dr. Sukanta Majumdar, Hon’ble Union Minister of State for Education and the North Eastern Region, as the Guest of Honour. The programme was presided over by Prof. Yogesh Singh, Hon’ble Vice-Chancellor, University of Delhi.

As part of the Foundation’s initiatives, laptops were distributed to female students who are either orphaned or have a single parent, under the ‘Sashakt Beti’ Program. In addition, visually impaired students were provided with tablets through the ‘E-Drishti’ initiative.

The event also marked the inauguration of a fully equipped ambulance and the launch of the Commemorative Volume of the Donor’s Chronicle, 2024, in recognition of the generous support extended by the University’s donors.

Samarpan Samaroh

Book Launch of "Modi vs. Khan Market Gang"

A book launch event for *"Modi Vs. Khan Market Gang"* was held on January 16, 2025, in collaboration between the Council for Media & Public Policy Research, Hear the Silence Foundation, and the University of Delhi.

The event was graced by Shri. Shiv Prakash Ji, National General Secretary, BJP, who was the Chief Guest and delivered the Keynote Address. The Special Guest was Dr. Jyoti Mirdha, Former Member of Parliament. The event was presided over by Prof. Yogesh Singh, Hon'ble Vice-Chancellor, University of Delhi.

Prof. Yogesh Singh highlighted the value of such events in academic spaces, encouraging students and scholars to engage with diverse political thoughts. He appreciated the effort behind the event and expressed hope that it would inspire more conversations around leadership, media, and governance.

Book launch event for *"Modi Vs. Khan Market Gang"*

Celebration of the 76th Republic Day

The University of Delhi celebrated the 76th Republic Day on January 26, 2025, with great enthusiasm and patriotic spirit at the historic Vice Regal Lodge. The celebration began with the Flag Hoisting Ceremony at 10:05 AM, followed by an address by Prof. Yogesh Singh, Hon'ble Vice-Chancellor, University of Delhi, at 10:15 AM.

In his address, Prof. Singh spoke about the significance of the Constitution and the values it upholds. He encouraged everyone present to contribute actively toward nation-building and uphold the ideals of justice, equality, and unity that form the foundation of the Republic.

The event saw wide participation from faculty members, students, and administrative staff, all coming together to honor the spirit of the nation.

Celebration of the 76th Republic Day

- Dr. Mehpara of Campus Law Centre was awarded Ph.D. Degree by Faculty of Law, University of Delhi on 22 October 2024.

Faculty of Mathematical Sciences

- Ruchi Das of Department of Mathematics was a Member of (i) Committee constituted for formulation of re-employment of research oriented academicians for promoting and strengthening the research culture in the University & for formulation of re- employment of research oriented academicians for promoting and strengthening the research culture in DU Colleges, (ii) Subject Expert Committee on Physical and Mathematical Sciences under Women Scientists Scheme-A, a flagship program of DST, (iii) Subject Expert Committee on Physical and Mathematical Sciences under WISE-PDF program of DST.
- Ruchi Das of Department of Mathematics was (i) a Subject Expert on Mathematical Sciences, Inspire Fellowship, DST, and (ii) an External Member for the Academic Council of the University of Allahabad, Prayagraj, for a period of three years w.e.f. June 07, 2024.
- Tarun Das of Department of Mathematics was Head, Department of Mathematics, DU since April 13, 2024.
- Tarun Das of Department of Mathematics was (i) a Member of the Standing Committee for Academic Matters, (ii) a Member of the Academic Council of DU and AU, (iii) Honorary Treasurer, Indian Society for History of Mathematics, and (iv) an Expert Member for VC Selection in the country for many Universities.
- Surendra Kumar of Department of Mathematics received Research Publication Award Grant in 2024.
- C S Lalitha of Department of Mathematics was (i) a Member of the FIST Expert Committee of DST, 2024, and (ii) an External Member on the Special Committee, School of Physical Sciences, Jawaharlal Nehru University, 2024-2027.
- L K Vashisht of Department of Mathematics was a member of Editorial Board of International Journal of Wavelets Multiresolution and Information Processing.
- Dr. Ankit Rajpal and Prof. Naveen kumar of Department of Computer Science received a research publication award of Rs. 5,00,000/- from IOE, University of Delhi for getting their research published in top 5% Q1 journal.
- Sr. Prof. Chandra K. Jaggi of Department of Operational Research was awarded 'Rotary Shiksha Vageswari Samman' by Rotary Club of Delhi Uptown in 2024.
- Sr. Prof. P.C. Jha of Department of Operational Research was felicitated for Outstanding Contribution to the field of Optimization and Operational Research as conferred by the SocPros 2025 Executive Committee during the 13th International Conference on Soft Computing for Problem Solving (SocPos 2025) on February 26th, 2025, organized by Department of Applied Mathematics and Scientific Computing, IIT Roorkee, India.

- Sr. Prof. Pankaj Gupta of Department of Operational Research and Prof. Mukesh Kumar Mehlawat featured among the Top 2% World Scientists in Operations Research category based on citation impact during the years 2023 in the ranking list published by Stanford University and Elsevier in 2024.
- Sr. Prof. Chandra K. Jaggi, Prof. Aditi Khanna, Dr. Vandana Khaitan of Department of Operational Research received the Research Publication Award Grant by the Institution of Eminence, University of Delhi.
- Dr. Kaushal Kumar of Department of Operational Research was awarded as 2024 Best Early-Career Research Papers by the journal Cleaner Logistics and Supply Chain, for the paper entitled "An uncertain sustainable supply chain network design for regulating greenhouse gas emission and supply chain cost" co- authored by Amit Kumar.
- Dr. Dreamlee Sharma of Department of Statistics was awarded as the ISPS Young Statistician Award 2024 at the 44th Annual Convention of ISPS, hosted by the Department of Statistics and Operational Research, Kurukshetra University, December 21-23, 2024.
- Dr. Manoj Kumar of Department of Statistics received the Best Paper Presentation Award, Ninth International Webinar on Recent Trends in Satistical Theory and Applications-2024 (WSTA 2024) organized by International Statistical Fraternity (ISF), Statistics Fraternity Kerala (SFK), Kerala Statistical Association (KSA), Department of Statistics, School of Physical and Mathematical Sciences, University of Kerala, Trivandrum, India.

Faculty of Management Studies

- Prof. A. Venkat Raman of Department of Business Management & Industrial Administration, Head & Dean, Faculty of Management Studies, was Chairperson, National Technical Working Group (NTWG), Private Sector Engagement in TB Elimination, Ministry of Health, Govt. of India. (since 2018 till date).
- Prof. A. Venkat Raman of Department of Business Management & Industrial Administration, Head & Dean, Faculty of Management Studies, was Member, Technical Advisory Group (TAG), Private Sector Governance and Universal Health Coverage, WHO, Geneva (Since April 2018 till date).
- Prof. A. Venkat Raman of Department of Business Management & Industrial Administration, Head & Dean, Faculty of Management Studies, was Member, Global Working Group on Public-Private Mix for TB Care and Prevention (PPM Working Group), WHO, Geneva (Since May., 2024 till date).
- Prof. A. Venkat Raman of Department of Business Management & Industrial Administration, Head & Dean, Faculty of Management Studies, is Member, Empowered Programme Committee (EPC), National Health Mission, Govt of India (Since Feb 2025).
- Prof. Harsh V. Verma of Department of Business Management & Industrial Administration was recognised as 'The Marketing Maestro' by the Indian Institutional Ranking Framework
- Prof. Harsh V. Verma of Department of Business Management & Industrial Administration, was invited as a Keynote Speaker at Marketing Conclave 2025 on the theme 'Customer centricity in the era of Disruptive Technology organized by IILM.
- Prof. Harsh V. Verma of Department of Business Management & Industrial Administration, was invited as a Speaker for a session on Marketing Interactions with Entrepreneurship organized by Udhmodya Foundation, University of Delhi.

- Dr. Anshika Agarwal of Department of Business Management & Industrial Administration, Assistant Professor, Faculty of Management Studies, received the Appreciation Award on International Women's Day by the Hon'ble Vice Chancellor, University of Delhi.
- Dr. Vivek Soni of Department of Business Management & Industrial Administration, Assistant Professor, Faculty of Management Studies (2025) received Research Publication Award by the Institution of Eminence, DU.

Faculty of Medical Sciences

- Dr. Sabita Mishra of Department of Anatomy (MAMC) completed a course in Executive Diploma in Clinical Psychology.
- Dr. Deepika of Department of Anatomy (MAMC) received Award for Best Paper presented in 30th UPASICON October 2024.
- Dr. Indu of Department of Anatomy (MAMC) received Award for Best Paper presented in SOMA January 2025.
- Dr. Binita Goswami of Department of Biochemistry (MAMC) was awarded FAMBI in 2024.
- Dr. Pradeep K Dabla of Department of Biochemistry (GIPMER) was the NABL Lead & Technical Assessor Medical Laboratories ISO 15189:2022 & ISO 17043:2023
- Dr. Pradeep K Dabla of Department of Biochemistry (GIPMER) was the National Medical Commission Assessor
- Dr. Pradeep K Dabla of Department of Biochemistry (GIPMER) was the Editorial Board Member Journals- *Clinical Chemistry & Laboratory Medicine, official J of EFLM; World J of Diabetes; Indian J of Clinical Biochemistry, Official J of ACBI*
- Dr. Pradeep K Dabla of Department of Biochemistry (GIPMER) was the Assistant Editor for the journal - *International Journal of Genetics & Cancer*, ADR Journals
- Dr. Pradeep K Dabla of Department of Biochemistry (GIPMER) was the Executive Editor: World Research Journal of Biochemistry (Worl Res J of Bioc), [p ISSN:2279-0810,e-ISSN:2279-0829]
- Dr. Pradeep K Dabla of Department of Biochemistry (GIPMER) was the Editorial Board Member: Advances in Biochemistry (AB), ISSN Print: 2329-0870, ISSN Online: 2329-0862
- Dr. Bhawna Mahajan of Department of Biochemistry (GIPMER) represented NABL as technical assessors
- Dr. Bhawna Mahajan of Department of Biochemistry (GIPMER) was reviewer of IJMB
- Dr. Ranjna Chawla of Department of Biochemistry (GIPMER) was Member, Scientific Research Committee BNCH&Y
- Dr. Ranjna Chawla of Department of Biochemistry (GIPMER) was Technical Advisory Committee Member for purchase of Biochemistry Equipments for B.R. Sur Hospital, New Delhi
- Dr. Ranjna Chawla of Department of Biochemistry (GIPMER) was External Expert for The Area Advisory Board meeting for the Program structure/ course review of B.Sc. Medical Physiology and M.Sc. Medical Physiology programs of Amity Institute of Physiology and Allied Sciences, Amity University Noida
- Dr. Jitender Sharma of Department of Biochemistry (GIPMER) was External Expert and Member in the Selection Committee of Institute of Advanced Virology, Science and Technology Department, Government of Kerala, India
- Dr. Jitender Sharma of Department of Biochemistry (GIPMER) was External Examiner for First Professional MBBS Annual and Supplementary practical Examination at Hamdard Institute of Medical Sciences and Research (HIMSR), New Delhi

- Dr. Jitender Sharma of Department of Biochemistry (GIPMER) was External Expert and Member in the selection committee of All India Institute of Medical Sciences (AIIMS) Bathinda, Punjab
- Dr. Jitender Sharma of Department of Biochemistry (GIPMER) was Reviewer-*Frontiers in Virology*, Frontiers Media SA
- Dr. Jitender Sharma of Department of Biochemistry (GIPMER) was Reviewer-*Frontiers in Public Health Journal*, Frontiers Media SA
- Dr. Jitender Sharma of Department of Biochemistry (GIPMER) was *Reviewer Laboratory Medicine Journal*, American Society for Clinical Pathology (ASCP)
- Dr. Jitender Sharma of Department of Biochemistry (GIPMER) was Reviewer-*Frontiers in Medicine Journal*, Frontiers Media SA
- Dr. Jamal Yusuf of Department of Cardiology (GIPMER) was awarded Prerna Deep Samman Award by the LG of New Delhi in the year 2025,
- Dr. Vimal Mehta of Department of Cardiology (GIPMER) was awarded Fellowship of Society for Cardiovascular Angiography and Interventions (SCAI)
- Dr. Vimal Mehta of Department of Cardiology (GIPMER) got the Paul Dudley White International Scholar Award, American Heart Association, Philadelphia, USA
- Dr. Vimal Mehta of Department of Cardiology (GIPMER) President elect: LAI Delhi Chapter
- Dr. Mohit Gupta of Department of Cardiology (GIPMER) was awarded Lifetime Achievement Award by XOBAD (2024)
- Dr. Vishal Batra of Department of Cardiology (GIPMER) was awarded DP BASU Memorial Award by Cardiological Society of India (2024).
- Dr. Krishna Deb Barman, HOD of Department of Dermatology and Venereology (MAMC) received Dr. Sardarilal Memorial Award 2024
- Dr. Barjesh Chander Sharma (Director- Professor) of Department of Gastroenterology (GIPMER) was elected as president of INASL
- Dr. Sanjeev Sachdeva (Director- Professor) of Department of Gastroenterology (GIPMER) was the Vice-President of INMA.
- Dr. Syed Ahmed (Assistant Professor) of Department of Gastroenterology (GIPMER) received the 2024 Early Career Investigator award at AASLD 2024
- Dr. Venkatesh VS (Assistant Professor) of Department of Gastroenterology (GIPMER) received 1st prize for the Oral presentation in INMA, 2024
- Dr. Sujoy Ghosh of Maulana Azad Institute of Dental Science was appointed as a Nodal Officer for National Resource Centre for OPMD at LHMC, New Delhi in Oct – Dec, 2024.
- Dr. Sujoy Ghosh of Maulana Azad Institute of Dental Science was awarded Fellow of International College of Dentists International College of Dentists on 23rd June, 2024.
- Dr. Sangeeta Talwar of Maulana Azad Institute of Dental Science was nominated as Expert for "First Technical Advisory Committee meeting for small grant projects selected under theICMR - Investigator Initiated Research proposal – Small Grant coordinated by the ICMR- Medical Device and diagnostics Mission Secretariat (MDMS) ICMR Headquarters, New Delhi on 23rd-24th April, 2024.
- Dr. Ruchika R Nawal of Maulana Azad Institute of Dental Science was appointed as an Associate Editor of Journal- Endodontology in 2024.
- Dr. Ruchika R Nawal of Maulana Azad Institute of Dental Science was awarded Associate Fellowship WCLI in Laser Dentistry on 19th-21st April, 2024.
- Dr. Ruchika R Nawal of Maulana Azad Institute of Dental Science was awarded Fellowship of International College of Dentist (ICD) in Nov, 2024.

- Dr. Mridula Goswami of Maulana Azad Institute of Dental Science was awarded as "Visiting Scholar" for fostering community and understanding between pediatric dentistry scholars internationally Indiana University School of Dentistry, United States in July,2024.
- Dr. Aadithya B. Urs of Maulana Azad Institute of Dental Science was appointed as Co-editor of *Journal of Oral and Maxillofacial Pathology* in February, 2024.
- Dr. Vikrant Mohanty of Maulana Azad Institute of Dental Science was awarded FAIMER Fellowship at CMCH, Ludhiana on 23rd April, 2024.
- Dr. Vikrant Mohanty of Maulana Azad Institute of Dental Science was elected as Vice - President of Indian Association of Public Health Dentistry in Thailand on 12th-15th September, 2024.
- Dr. Aswini Y Balappanavar of Maulana Azad Institute of Dental Science was elected as a Fellow of Pierra Fauchard Academy, section at large, Asia Region on 6th December, 2024.
- Dr. Aswini Y Balappanavar of Maulana Azad Institute of Dental Science was awarded the 2nd best scientific paper at, 28th IAPHD International Conference in collaboration with TSPHD and Thammasat University, Bangkok, Thailand on 12th-15th September, 2024.
- Dr. Sunita Aggarwal of Department of Medicine (MAMC) Received prestigious Award FRCP –Edinburgh.
- Dr. S. Anuradha of Department of Medicine (MAMC) was Member Technical Resource Group (TRG) – Co Chair: under the National Programme for the Prevention and Control of Cancer, Diabetes, Cardiovascular Diseases and Stroke (NPNCD)(MOHFW)
- Dr. S. Anuradha of Department of Medicine (MAMC) Member, Technical Specifications Committee for kits/ Equipment/ Drugs of the National Viral Hepatitis Control Programme (MOHFW)
- Dr. S. Anuradha of Department of Medicine (MAMC) was Member, Coordination Committee for NTEP-NACO programme.
- Dr. Poonam Loomba of Department of Microbiology (GIPMER) was MBBS External Examiner for II Prof Microbiology at BSAMCH in March 2024.
- Dr. Poonam Loomba of Department of Microbiology (GIPMER) conducted workshop on soft skills in Jamia on 5th December 2024.
- Dr. Poonam Loomba of Department of Microbiology (GIPMER) was External Examiner for BDS exam in Jamia on 18/11/24
- Dr. Poonam Loomba of Department of Microbiology (GIPMER) delivered a Guest Lecture for foundation course in MGIMS Jaipur on 10/10/24.
- Dr. Poonam Loomba of Department of Microbiology (GIPMER) Moderated for global forum of FAIMER on 16/1/24
- Dr. Poonam Loomba of Department of Microbiology (GIPMER) was a Resource Faculty of EGASP WHONET workshop at VMMC on 19/9/24.
- Dr. Poonam Loomba of Department of Microbiology (GIPMER) conducted workshop on 'competency based TLA and assessment methodologies at Jamia on 22/10/24.
- Dr. Poonam Loomba of Department of Microbiology (GIPMER) delivered a Guest Lecture at AIMS, Mohali on 5th Sept 2024 on academic leadership.
- Dr. Poonam Loomba of Department of Microbiology (GIPMER) was Chairperson in 1st Annual Clinical Virology summit on 9/10/24.
- Dr. Poonam Loomba of Department of Microbiology (GIPMER) conducted 2nd ACME workshop from 20-27th August 2024.
- Dr. Poonam Loomba of Department of Microbiology (GIPMER) was awarded faculty for first R-FACE program of CML Ludhiana for 2024 session.

- Dr. Poonam Loomba of Department of Microbiology (GIPMER) was awarded faculty for FAIMER at CMC Ludhiana April 15th-17th 2024.
- Dr. Poonam Loomba of Department of Microbiology (GIPMER) evaluated Ph.D. thesis for Adesh University January 2024.
- Dr. Poonam Loomba of Department of Microbiology (GIPMER) conducted first ACME course at MAMC from 20-27th Feb 2024.
- Dr. Poonam Loomba of Department of Microbiology (GIPMER) was the Panelist for 'Leadership in Surgical Practice' at HISI Delhi chapter at AIIMS on 14th dec 2024.
- Dr. Manisha Jain of Department of Microbiology (GIPMER) was the External Examiner for Microbiology practical exam of 2nd year MBBS (supple batch) at BSAMCH on 15/6/24.
- Dr. Manisha Jain of Department of Microbiology (GIPMER) was the External Examiner for MD Microbiology practical exam and evaluation of MD Micro theory papers at JIPMER, Pondicherry on 15-17th July 2024.
- Dr. Manisha Jain of Department of Microbiology (GIPMER) was the Guest speaker at ESI Basaisdharapur, Delhi during antibiotic awareness week on 21rst Nov 2024.
- Dr. Manisha Jain of Department of Microbiology (GIPMER) Evaluated MD thesis for AIIMS Delhi.
- Dr. Manisha Jain of Department of Microbiology (GIPMER) was the External Paper Setter for annual theory exam, MSc 3rd year at FMS, SGT University in October 2024.
- Dr. Manisha Jain of Department of Microbiology (GIPMER) evaluated M.Sc. Micro thesis for FMS, SGT University.
- Dr. Abha Sharma of Department of Microbiology (GIPMER) was Promoted as Professor on August 2024.
- Dr. Abha Sharma of Department of Microbiology (GIPMER) was the External Examiner for MBBS II Prof Microbiology at VMMC 18-22 Dec 2024.
- Dr. Abha Sharma of Department of Microbiology (GIPMER) was the Lecture taken on' Laboratory Safety' in GLP workshop at GIPMER on 9th December 2024.
- Dr. Shivani Tyagi of Department of Microbiology (GIPMER) was the Lecture taken on' Ethics' in GLP workshop at GIPMER on 9th December 2024.
- Dr. Shivani Tyagi of Department of Microbiology (GIPMER) was the External Examiner for MBBS II Prof Microbiology (supple) at BSAMCH March 2024
- Dr. Shivani Tyagi of Department of Microbiology (GIPMER) was the External Examiner for MBBS II Prof Microbiology at BSAMCH 19-24 Dec 2024
- Dr. Kirti Singh of Department of Ophthalmology (MAMC) was awarded Honorary Fellowship of All India Collegium of Ophthalmology (FAICO) in Glaucoma in the year 2025.
- Dr. Punita K. Sodhi of Department of Ophthalmology (MAMC) got first prize in DOS Winter Conference Free Paper session "Correlation of OCTA parameters in Diabetic macular edema with Serum VEGF A level"
- Dr. Arshi Singh of Department of Ophthalmology (MAMC) was awarded Honorary Fellowship of All India Collegium of Ophthalmology (FAICO) in Glaucoma in the year 2025.
- Dr. Isha Gupta of Department of Ophthalmology (MAMC) was Awarded Honorary Fellowship of All India Collegium of Ophthalmology (FAICO) in Refractive surgery in the year 2025.
- Dr. Priyadarshi Gupta of Department of Ophthalmology (MAMC) was awarded Honorary Fellowship of All India Collegium of Ophthalmology (FAICO) in Retina SR in the year 2025
- Dr. Kavita Gulati Director-Professor & Head, Department of Pharmacology of Vallabhbhai Patel Chest Institute represented ADR Monitoring Center of VPCI as Coordinator during 12th Induction-cum-Training Programme via digital/virtual platform to aware Coordinators/Deputy

Coordinators of hospitals/clinical establishments, who newly recognized as Medical Device Adverse Event Monitoring Centers (MDMCs) in order to strengthen the Materiovigilance programme of India, 30 July, 2024

- Pooja Dewan, Department of Pediatrics of University College of Medical Sciences was elected as the Editor-in-Chief, Indian Pediatrics, the Official Journal of Indian Academy of Pediatrics (2024-2026).
- Dr. M. Juneja of Department of Pediatrics (MAMC) was invited by Election Commission of India - Invitation to Join the Early Intervention Panel" at Sarthak Global Resource Center, 07.12.24
- Dr. M. Mantan of Department of Pediatrics (MAMC) organized the preconference workshop on Nephrodiagnostics on 5th December at the ISPNCON 2024 36th Annual Conference of The Indian Society of Pediatric Nephrology held in New Delhi from 6-8th December 2024.
- Dr. M. Mantan of Department of Pediatrics (MAMC) was the speaker at ISPNCON 2024 36th Annual Conference of The Indian Society of Pediatric Nephrology held in New Delhi from 6-8th December 2024 and took a talk on "IgA nephropathy: The evolving therapeutic landscape'.
- Dr. M. Mantan of Department of Pediatrics (MAMC) was the Moderator for the panel discussion on "Pediatric Urolithiasis" at ISPNCON 2024 36th Annual Conference of The Indian Society of Pediatric Nephrology held in New Delhi from 6-8th December 2024
- Dr. M. Mantan of Department of Pediatrics (MAMC) was the invited speaker at Young Kidneys-2024 Dr. Georgi Abraham oration held on 20th July 2024 at Chennai and delivered talk on: Dialysis Prescription in special situations Are we doing it right?"
- Dr. M. Mantan of Department of Pediatrics (MAMC) was the invited speaker at Young Kidneys-2024 Dr. Georgi Abraham oration held on 21st July 2024 at Chennai and delivered talk on "Management of IgA nephropathy in children".
- Dr. M. Mantan of Department of Pediatrics (MAMC) participated as Faculty for the symposium on "Two decades of training through IPNA support" at the IPNA-AsPNA Junior Master Class (JMC) in Pediatric Nephrology held on 5-6 April 2025 at the All India Institute of Medical Sciences, New Delhi
- Dr. M. Mantan of Department of Pediatrics (MAMC) was invited as Faculty to deliver talk on "IgA nephropathy: How do I suspect and manage?" at the 6th Pediatric Nephrology conclave held at AIIMS, Bhopal from 26-27th July 2024
- Dr. M. Mantan of Department of Pediatrics (MAMC) participated in the pane discussion on "UTI guidelines" at the Phoenix of Pediatric Nephrology 2.0 held on 14th July 2024 at Welcomhotels ITC, Dwarka.
- Dr. A. Dabas of Department of Pediatrics (MAMC) organized Strong Minds- Strong Adolescents workshop at Department of Pediatrics, Maulana Azad Medical College with Delhi Adolescent Health Academy on 20 September 2024 as part of Preconference of Pediatric Conference of North India
- Dr. A. Dabas of Department of Pediatrics (MAMC) organized Second Hands on Workshop on Excel with Data at Department of Pediatrics, Maulana Azad Medical College on 06 March 2025
- Dr. Vandana Roy of Department of Pharmacology (MAMC) received the Distinguished MAMC Alumni award 2023, 65th MAMC Annual Convocation, March 5th 2025.
- Dr. Vandana Roy of Department of Pharmacology (MAMC) received Award for Outstanding work done in Pharmacovigilance from Pharmacovigilance Program of India, Indian Pharmacopoeia Commission, Ministry of Health & Family Welfare, Government of India, 2024.

- Dr. Vandana Roy of Department of Pharmacology (MAMC) received the Presidents Appreciation Award, Indian Medical association, South Delhi Branch, 43rd annual convention, March 2025.4.28.
- Dr. Vandana Roy of Department of Pharmacology (MAMC) received Scroll of Appreciation on Teachers day, September 2024 from Delhi Medical Association.
- Dr. Aarti Sood Mahajan of Department of Physiology (MAMC) was member, Committee for courses and studies, University of Delhi; Member, Project review committee for ICMR; Co-Chairperson postgraduate protocol cell in 2024. Annual Report Committee-2023. Chairperson of graduate reception committee. In charge Internship program of college. Member of management committee in connection with orientation program of new entrants batch 2024. External examiner at AIIMS Jammu and SKIMS, Srinagar.
- Dr. D. Robinson of Department of Physiology (MAMC) attended the 35th Annual Conference of the Physiological Society of India (PHYSICON 2024) organized by Department of Human Physiology Tripura University on National Seminar on Emerging Health Issues and Challenges: Perspective from North East India from 15th to 17th November 2024; Examiner for the practical examination in the specialty of PHYSIOLOGY held at HBTMC & RN Cooper Hospital, Juhu, Mumbai, Maharashtra on 28th & 29th January 2025.
- Dr. Mona Bedi of Department of Physiology (MAMC) participated as Chairperson in National Conference: Society for Nitric Oxide and Allied Science, Department of Physiology, Hamdard Institute of Medical Sciences & Research (HIMSR), New Delhi on 26th September, 2024.
- Dr. Preeti Jain of Department of Physiology (MAMC) was Subject expert in the validation of question bank workshops organized by National Board of examinations (NBE) for conduct of various postgraduate entrance examinations including NEET, FMGE, DNB (CET), etc.; Examiner for On-site/ Remote Digital Evaluation of answer sheets for DNB/DrNB Final Theory Examinations (Physiology), April and October, 2024 Session by NBE, New Delhi; External Examiner to conduct practical exam for BPT and BOT courses 2024 by the University of Delhi; Officer-in-charge: Technical staff (Physiology), Internship Training Programme (MBBS). Member: Institutional MBBS UG orientation committee. Co-chairperson-- Institutional Post graduate protocol committee. Member editorial board of *MAMC Journal of Medical Sciences.* Member Institutional Ethics Committee of Pt Deen Dayal Upadhyaya National Institute of Persons with Physical Disabilities, New Delhi
- Dr. Gaurav Swami of Department of Physiology (MAMC) was a guest speaker presented a lecture entitled 'A practical Guide to Brain Computer Interface & its role in Research & Teaching' on 7 the Feb in Rajcon 2025, S.S Tantia Medical College & Research institute Sri Ganga Nagar Rajasthan
- Dr. Ravi Kaushik of Department of Physiology (MAMC) was Principal Assessor for NABH Hospital Assessment Programs
- Dr. Tanshi Daljit, Senior Resident of Department of Radiotherapy (MAMC) won the Best Poster Award & Young Investigator Award for ILCC 2024, 28/09/24
- Dr. Tanshi Daljit, Senior Resident of Department of Radiotherapy (MAMC) secured the 3rd position in in E-poster at ONCOVISION 2025, AHRR, 19/01/25
- Dr. Tanshi Daljit, Senior Resident of Department of Radiotherapy (MAMC) stood 2nd in Quiz at ONCOVISION 2025, AHRR, 19/01/25
- Dr. Ibrahim Ilmi, Dr. Pooja Abbey and Dr. R.S. Solanki of Department of Radiology (LHMC) won 1st Prize on their paper on Application of Qualitative Visual Assessment Criteria Including Loss of Hippocampal Striation In Children With Mesial Temporal Sclerosis (Mts) On 3t-Mri, First Prize, AOCR 2025 IRIA National Conference Chennai January 2025, Oral Paper.

- Dr. Ibrahim Ilmi, Dr. Vikas Yadav, of Department of Radiology (LHMC) won First Prize in the paper on The wandering brain: Case series on Encephalocele, IRIA Monthly meet May 2024 Oral Paper.
- Dr. Shubham Arora, Dr. R.S. Solanki, Dr. Bhawna Satija of Department of Radiology (LHMC), An illustrative diagram-based reporting system for laryngeal carcinoma enhancing clarity in diagnosis and treatment planning, First Prize, AOCR 2025, Poster.
- Dr. Shubham Arora, Dr. R.S. Solanki, Dr. Bhawna Satija, of Department of Radiology (LHMC) A comparative study of Standard CECT and quantitative DECT parameters for differentiating reactive and malignant cervical lymph nodes in head and neck squamous cell carcinoma, AOCR 2025, Oral Paper won Third Prize.
- Dr. Megha S. Dr. Chethan Kumar V. Dr. Sagar Nayak, Dr. Pooja Abbey, of Department of Radiology (LHMC) CT findings of fungal pneumonia in immunocompromised children. IRIA MONTHLY MEET, Oral Paper won 3rd Prize.
- Dr. Isha Garg, Dr. Nidhi Rai, Dr. Bhawna Satija, of Department of Radiology (LHMC) Polypoidal lesions of the Endometrial Cavity: A diagnostic challenge, IRIA Monthly meet, Oral Paper won 2nd Prize.
- Dr. Simmi K Ratan of Department of Surgery (MAMC) received DDF professorship.
- Dr. Simmi K Ratan of Department of Surgery (MAMC) was Internal Examiner for M.Ch. Pediatric Surgery exam for Delhi University
- Dr. Simmi K Ratan of Department of Surgery (MAMC) was Observer for selection of Senior Residents on regular basis for Maulana Azad Medical College.
- Dr. Simmi K Ratan of Department of Surgery (MAMC) was on the Editorial Eoard of MAMC *Journal of Medical Sciences and of Innovative Publications*.
- Dr. Simmi K Ratan of Department of Surgery (MAMC) was reviewer of *Indian Journal of Pediatrics, Journal of Indian Association of Pediatric Surgeons, Indian Journal of Urology, World Journal of Surgery.*
- Dr. Sujoy Neogi of Department of Surgery (MAMC) was Reviewer in *Indian Journal of Pediatrics, Journal of Indian Association of Pediatric Surgeons, Indian journal of urology, Journal of Pediatric Surgery, New Indian Journal of Surgery.*
- Dr. Sujoy Neogi of Department of Surgery (MAMC) was Editor in *International Journal of Medical Pediatrics & Oncology, Journal of Progress in Pediatric Urology, New Indian Journal of Surgery, Journal of Kidney.*
- Dr. Chiranjiv Kumar Department of Surgery (MAMC) was reviewer of *Journal of Neonatal Surgery.*
- Dr. Md. Fahim Ahmad of Department of Surgery (MAMC) was a reviewer of journal JIAPS (*Journal of Indian Association of Pediatric Surgeons*), PEDN (*Pediatrics and Neonatology*), JNS (*Journal of Neonatal Surgery*)
- Dr. Simmi K Ratan of Department of Surgery (MAMC) received FIAPS (Fellowship of Indian Association of Pediatric Surgeons) at IAPSCON 2024, Rishikesh.
- Dr. Simmi K Ratan of Department of Surgery (MAMC) was External Examiner for M.Ch. Pediatric Surgery exam for I.P. University.
- Dr. Simmi K Ratan of Department of Surgery (MAMC) was External Expert and Observer for Faculty Selection at SSRGPH Noida
- Dr. SV Madhu of University College of Medical Sciences was invited by President of Bharat to at home reception at Rashtrapati Bhavan as ‘Eminent Doctor’ on the occasion of Independence Day on August 15, 2024.

- Dr. Farah Khaliq of University College of Medical Sciences completed a 2-year fellowship - Foundation for Advancement of International Medical Education and Research (FAIMER) in April 2024.
- Dr. Satendra Singh of University College of Medical Sciences was selected as one among the 20 Commissioners on Lancet's first ever Commission on Disability and Health.
- Dr. Deepika Pandhi of University College of Medical Sciences was awarded the prestigious Dr LK Bhutani award (National award given by the Indian Association of Dermatology Venereology and Leprology to one member for achievement in teaching and research in clinical dermatology) at DERMACON 2025, held from 6-9th February 2025, at Jaipur.
- Dr. Amitesh Aggarwal of University College of Medical Sciences was awarded prestigious 'Prof. Halberg Medal' at 13th International Congress of Cardiology & Diabetes on 9th Nov 2024, New Delhi.
- Dr. Ankit Arora Assistant Professor of Vallabhbhai Patel Chest Institute completed NMC approved Basic Course in Medical Education September 25-27, 2024
- Dr. Ankit Arora of Vallabhbhai Patel Chest Institute chaired a session on 'Food Allergy' at 58th Annual Conference of the Indian College of Allergy, Asthma & Applied Immunology, VPCI, Delhi December 19-22, 2024
- Prof. Kavita Gulati of Vallabhbhai Patel Chest Institute was Subject Expert for Scientific Advisory Research Committee (SARC) of PhD in Department of Biotechnology School of Chemical and Life Sciences, Jamia Hamdard, 19 August, 2024
- Prof. Kavita Gulati of Vallabhbhai Patel Chest Institute was the Chairperson at National Conference of Society for Nitric Oxide and Allied Radicals (SNOAR), Hamdard Institute of Medical Sciences and Research (HIMSR) September 26, 2024
- Prof. Kavita Gulati of Vallabhbhai Patel Chest Institute was the Chairperson during Workshop on 'Good Clinical Laboratory Practices (GCLP)', VPCI Delhi, September 27, 2024
- Prof. Kavita Gulati of Vallabhbhai Patel Chest Institute was the Expert in Departmental Scientific Research Committee at DPSRU, October 14, 2024
- Prof. Kavita Gulati of Vallabhbhai Patel Chest Institute was the Subject Expert in the Board of Studies Meeting, Department of Pharmacology, SPER, Jamia Hamdard on October 15, 2024
- Prof. Kavita Gulati of Vallabhbhai Patel Chest Institute was the Chairperson of the Symposium on Allergic Rhinitis during ICAAICON -2024, Dec 19-22, 2024
- Prof. Kavita Gulati of Vallabhbhai Patel Chest Institute was the Judge for the NS Dhalla Award for the best Poster during Joint International Conference (JIC)-2025, Ahmedabad, Gujarat, January 10-12, 2025
- Prof. Kavita Gulati of Vallabhbhai Patel Chest Institute was the Chairperson for the Plenary lecture and Devendra K Agrawal Oration during Joint International Conference (JIC)-2025, Ahmedabad, Gujarat, January 10-12, 2025
- Prof. Kavita Gulati of Vallabhbhai Patel Chest Institute was Expert for Institutional Human Ethics committee (IHEC) meetings held by IHEC, ABVIMS, Dr. RML Hospital, Delhi on 24.10.2024, 5.12.2024, 16.1.2025, 14.2.2025.
- Prof. Kavita Gulati of Vallabhbhai Patel Chest Institute was Member, Sub-committee to access the SAE Death reported in clinical study titled "ARTEMIS – Effect of Ziltivekimab versus Placebo on Cardiovascular Outcomes in Patients with Myocardial Infarction", IHEC, ABVIMS, Dr RML Hospital, February 05, 2025
- Prof. Kavita Gulati of Vallabhbhai Patel Chest Institute was subject expert for Doctoral Research Committee of Ms. Monika Sharma, and Mr. T Bhanuteja, DIPAS, DRDO, February 19, 2025

- Prof. Kavita Gulati of Vallabhbhai Patel Chest Institute represented Multidisciplinary Research unit (MRU) of VPCI during Medical Colleges Research Connect-2025, Bharat Mandapam, Delhi, March 20-21, 2025
- Prof. Kavita Gulati of Vallabhbhai Patel Chest Institute was Expert for Departmental Assessment Board (DAB) for Group A Technical Officers at CCRUM, March 24, 2025.
- Dr. Ankit Arora Assistant Professor completed NMC approved Basic Course in Medical Education, September 25-27, 2024
- Prof. Madhu Khanna of Vallabhbhai Patel Chest Institute was recipient of Global Health Travel award from Bill and Melinda Gate Foundation to attend the Keystone Symposium on HIV and (Re)Emerging Viruses: Aligning Lessons Across Pandemics at Hannover, Germany April 8 - April 11, 2024
- Prof. Madhu Khanna of Vallabhbhai Patel Chest Institute was recipient of IVS-Young Scientist Award conferred to Dr. Roopali Rajput, Research Associate-II, C/o Prof. Madhu Khanna, Virology Unit, Department of Microbiology, VPCI, for oral presentation of research work entitled "Potential of engineered phage display antibodies in epitope mapping of influenza A virus antigens" at the International VIROCON-2024 conference on the theme 'Emerging Viruses: Pandemic & Biosecurity Perspectives' organized by DRDO - Defense Research & Development
- Prof. Madhu Khanna of Vallabhbhai Patel Chest Institute was invited to deliver a 'Lead Lecture' at the prestigious Asia-pacific Forum on RNA Therapeutics and Vaccines (APFRTV), 24-25 February 2025 held at Jawaharlal Nehru University, Delhi, India.
- Prof. Raj Kumar of Vallabhbhai Patel Chest Institute was the University Representative, Reappointment for Governing Body of Swami Sharddhanand College, University of Delhi, Delhi w.e.f. 04.05.2024 dt. 24.04.2024.
- Prof. Raj Kumar of Vallabhbhai Patel Chest Institute received ATS Public Service Award, Outstanding contributions, Improvement of air quality, eradication of tobacco usage, prevention of lung disease during ATS International Conference, San Diego Convention Center, American Thoracic Society dt. 18.05.2024.
- Prof. Raj Kumar of Vallabhbhai Patel Chest Institute was Member, 'Technical Expert Group for Chronic Respiratory Diseases' under the Natnal Program for Prevention and Control of Non-Communicable Diseases (NP-NCD) dt. 20.07.2024.
- Prof. Raj Kumar of Vallabhbhai Patel Chest Institute received Late Dr. Ramkrishna Modi Samriti Samman-2024 Contribution in the field of Allergy, Modi Allergy Clinic, Patna dt. 18.09.2024.
- Prof. Raj Kumar of Vallabhbhai Patel Chest Institute was Member; Nominated by VC regarding guest faculties in Faculty of Law for the appointment of academic year 2024-25 dated 17th September, 2024.
- Prof. Raj Kumar of Vallabhbhai Patel Chest Institute was Chief Guest, Invited as Chief Guest in Annual Function "Pratibimb" of Nutan Vidhya Mandir on 26th October, 2024 at NVM Sr. Sec. School, Dilshad Garden, Delhi.
- Prof. Raj Kumar of Vallabhbhai Patel Chest Institute received ESDA National Pride Award 2024 Outstanding Achievement and Remarkable Contributions in the Field of Tobacco Cessation, Environmental and Social Development Association dt. 17.11.2024.
- Prof. Raj Kumar of Vallabhbhai Patel Chest Institute received Lifetime Achievement Award Great recognition and appreciation in the Respiratory Allergy, Asthma and Immunology during ICAAICON-2024 Conference (w.e.f. 19th – 22nd Dec., 2024), Indian College of Allergy Asthma and Applied Immunology dt. 20.12.2024.

- Dr. Sonam Spalgais of Vallabhbhai Patel Chest Institute received the V Raju Award during the 58th ICAAICON 2024 held at VP Chest Institute, Delhi during December 19-24, 2024.
- Dr. Sonam Spalgais of Vallabhbhai Patel Chest Institute was awarded Best oral paper presentation ICAAICON 2024 held at VP Chest Institute, Delhi during December 19-24, 2024.
- Dr. Sonam Spalgais of Vallabhbhai Patel Chest Institute was awarded Best poster paper presentation ICAAICON 2024 held at VP Chest Institute, Delhi during December 19-24, 2024.
- Prof. Vishwajeet Rohil of Vallabhbhai Patel Chest Institute was invited and participated as Chairperson for the session on "Drug Delivery and Therapeutics", Symposium-23 scheduled for Saturday, 7th December 2024 in the Golden Jubilee Conference of the Association of Clinical Biochemists of India (ACBICON 2024) organized by Department of Biochemistry, PGIMER Chandigarh from 5th to 7th December 2024 at Hotel Mount View, Chandigarh.
- Prof. Vishwajeet Rohil of Vallabhbhai Patel Chest Institute was invited and participated as Expert in the Panel discussion for the Session titled "Use of AI for Outcome-Based Teaching Learning" on 1st Feb 2025 (11:45 am –12:45 pm) at the National Symposium on "Empowering Faculty: Advancing Excellence for NextGen Education" from January 31 to February 5, 2025 by Sharda University, Greater Noida, 201310.
- Prof. Vishwajeet Rohil of Vallabhbhai Patel Chest Institute was invited and participated as External Expert for the Comprehensive Review of Pedagogical Proficiency invited by Teaching Learning Centre, Sharda University, in its endeavor to increase and improve faculty standards across all levels, for the Programmes of "Biochemistry", "Clinical Research". "Physiology" and "BMLT" on Saturday, 1st March 2025 at 10:30 am - 1:00 pm at Sharda School of Applied Health Sciences, Greater Noida, 201310.
- Prof. Vishwajeet Rohil of Vallabhbhai Patel Chest Institute was appointed as Examiner for the Examinations of Post Graduate MD (Biochemistry) Annual Examination-2025 (Batch-2021) on 29th & 30th January 2025 which was held at University College of Medical Sciences, Delhi-110095 (Center of Practical Examination).
- Prof. Vishwajeet Rohil of Vallabhbhai Patel Chest Institute was invited and participated as Ph.D. open defense Viva as an External Expert on January 18, 2025, at 11:00 AM at Jaypee Institute of Information Technology, A-10, Sector-62, Noida, U.P., INDIA.

Faculty of Music

- Prof. T.V. Manikandan of Department of Music received Lifetime Achievement Award from UDAYJYOT Music Foundation Delhi, 02 March 2025.

Faculty of Social Science

- Prof. Rajesh of Department of Continuing Education and Extension was appointed as Honorary Director at IAEA in 2025
- Prof. Rajesh of Department of Continuing Education and Extension was appointed as the overall incharge for the Transgender Resource and Training Cell, University of Delhi.
- Dr. Geeta Mishra of Department of Continuing Education and Extension was appointed as the Nodal Officer for the Transgender Resource and Training Cell, University of Delhi.

- Dr. Geeta Mishra of Department of Continuing Education and Extension chaired a session on SG & Value Creation in the International Conference organized by ACCF, Amity University in collaboration with ACCA UK, Middlesex University Dubai & Goldsmiths, University of London, UK, January 25, 2025.
- Dr. Anish Gupta of Department of Economics was nominated as a member of the Academic Council of NIEPA, New Delhi.
- Prof. Dibyendu Maiti of Department of Economics was nominated as an official member of the Technical Advisory Group for Enterprise Surveys, NSSO, Ministry of Statistics and Programme Implementation (MoSPI), Government of India.
- Prof. Ram Singh of Department of Economics was nominated as visiting Research Professor, Institute of Law and Economics, Hamburg University, Germany (2024).
- Prof. Rohini Somanathan of Department of Economics was elected to the Council of the Econometric Society for the term 2024–2028.
- Prof. Yasser Arafath of Department of History completed Fulbright Fellowship at the University of Pennsylvania, USA.
- Ritesh Jaiswal of Department of History was awarded Humboldt Fellowship at Bonn University, Germany.
- Santosh Kumar Rai of Department of History was nominated as Member, Board of Governors, Govind Ballabh Pant Social Science Institute, Jhansi, Allahabad (a constituent institute of the University of Allahabad), January 20, 2023 – January 19, 2025.
- Prof. Ujjwal Kumar Singh of Department of Political Science was nominated as Visiting Professor at the Institute of Political Science and Sociology, University of Wuerzburg, Germany, June 1-30, 2024.

Faculty of Science

- Dr. Durga Rao Pedada of Department of Anthropology served as an Editorial Board Member of the *Journal of Criminology and Forensic Studies* (JOCFS), Medwin Publishers (ISSN: 2640-6578), since 6 December 2024.
- Prof. M. D. Milton of Department of Chemistry attended the meeting of the ACS Committee on Chemical Safety during American Chemical Society (ACS) Spring Meeting 2025 in San Diego, California (USA) in March 2025.
- Prof. M. D. Milton of Department of Chemistry served as an Associate member on the ACS Committee on Chemical Safety (2024, 2025) (only member from India).
- Prof. M. D. Milton of Department of Chemistry got a research article from her laboratory included in a themed collection of Royal Society of Chemistry entitled "Celebrating International Women's Day 2025: Women in Materials Science."
- Prof. Rajeev Gupta of Department of Chemistry was elected Fellow, Indian Academy of Sciences - January 2025
- Prof. Ramendra Pratap of Department of Chemistry was awarded Best Teacher Award, University of Delhi, 2024-2025.
- Prof. Sandeep Kaur of Department of Chemistry was selected as one of the 75 Women in "She Is – 75 Women in Chemistry" book, fourth edition of "She Is" by Beyond Black in partnership

with the Office of the Principal Scientific Adviser, Govt. of India and Royal Society of Chemistry, UK.

- Dr. Pushpal Ghosh of Department of Chemistry was elected as the Member of the Executive Council of Society for Materials Chemistry (SMC), (Bhabha Atomic Research Centre, Govt of India) for the tenure 2025-2028.
- Dr. Shiv Kumar of Department of Chemistry was awarded "RSC Researcher Collaborations Grant" by Royal Society of Chemistry (RSC), UK, 16 December 2024, £5000 to establish new research collaborations.
- Prof. Inderjit Singh of Department of Environmental Studies was awarded the JC Bose National Fellowship grant 2024.
- Prof. S.D. Biju of Department of Environmental Studies was elected Fellow of the Indian National Science Academy (FNA, INSA), New Delhi, India, 2024.
- Dr. Bharath G. of Department of Environmental Studies was selected as an Associate Fellow of the Telangana Academy of Sciences 2024.
- Prof. Ashutosh K Singh of Department of Geology was selected as Joint Secretary at the Paleontological Society of India, Lucknow, India.
- Dr. Anindita Dey of Department of Geology received ESPRIT post-doctoral fellowship from the Austrian Science Fund (Project no: ESP 675-N) to join University of Vienna, Austria.
- Prof. B.C. Choudhary, Prof. Ashutosh Bhardwaj, Prof. Kirti Ranjan, Prof. Md. Naimuddin, Dr. Ashok Kumar, Dr. Arun Kumar of Department of Physics & Astrophysics were recipients of Breakthrough Prize in Fundamental Physics from four experimental collaborations for the LHC at CERN, Geneva, Switzerland, in 2025.
- Prof. B.C. Choudhary of Department of Physics & Astrophysics was (a) Spokesperson (till 2026), Indian Institutions: Fermilab Collaboration in Neutrino Physics, (b) Recipient of Outstanding Faculty Award in Experimental High Energy Physics in India, from Careers 360, in 2024.
- Prof. Debajyoti Choudhury of Department of Physics & Astrophysics was (a) Member, PAC of DST, (b) Member, Selection Committee for INSPIRE Faculty Awards.
- Prof. Patrick Dasgupta of Department of Physics & Astrophysics was President, Indian Association of General Relativity and Gravitation (IAGRG), from 2020.
- Prof. S. Annapoorni of Department of Physics & Astrophysics was Member, Academic Council, Jawaharlal Nehru University, Pondicherry University and Amity Institute of Nanotechnology.
- Prof. Ajit K. Mahapatro of Department of Physics & Astrophysics was awarded as Extraordinary Professor, Department of Physics & Astronomy, University of Western Cape, Bellville, South Africa, from January 2025.
- Prof. Nivedita Deo of Department of Physics & Astrophysics was Member Complex Systems Society (CCS), Inc.
- Prof. Awadhesh Prasad of Department of Physics & Astrophysics was Member, PAC of DST.
- Prof. Samit K. Mandal of Department of Physics & Astrophysics was Member, Selection committees for JRF/ Research Associate/ Scientist, Inter-University Accelerator Center, DU.
- Prof. Shyama Rath of Department of Physics & Astrophysics, Member was Editorial Board, Applied Surface Science, Elsevier Publications.
- Dr. Sourav Sur of Department of Physics & Astrophysics, (a) Visiting Associate, IUCAA Pune, (b) Member, Indian association of General Relativity and Gravitation (IAGRG).
- Prof. Rina Chakraborty of Department of Zoology received 8th Visitor's Award in the field of Biological Sciences given by Hon'ble President of India, Respected Madam Draupadi Murmu on March 3, 2025.

- Prof. Rita Singh of Department of Zoology received Prof. Pera Govindarajulu Gold Medal Oration Award 2023 in recognition of research contributions in the field of Reproductive Endocrinology, "Environmental Oestrogens, Immunomodulation and Fertility" during "International Conference on Reproductive Sciences and Molecular Medicine: Innovations in Therapeutics and Technologies 2024 and 41st SRBCE Annual meeting, 15-17 November 2024.
- Prof. Rita Singh of Department of Zoology received, Visiting Researcher Award (France), 2024 INRA, Director of Research, CNRS, Tours Centre de Recherches, Val de Loire, Nouzilly, France, May-July 2024.
- Prof. Rita Singh of Department of Zoology received, QUAD Faculty (USA), Inaugural Faculty from Year 2022-2024: Member of Faculty Panel (Review committee) for Quad Fellowships (In STEM Scholars of Quad Countries), Institute of International Education, New York, USA.
- Prof. Rita Singh of Department of Zoology was Organising Chairperson, ICRSMM-2024 & SRBCE-2024 entitled "International Conference on Reproductive Sciences and Molecular Medicine: Innovations in Therapeutics and Technologies 2024 and 41st SRBCE meeting, 15-17 November 2024.
- Prof. Alok Chandra Bharti of Department of Zoology served as Subject Area Expert at National Testing Agency (NTA), University Grants Commission National Eligibility Test (UGC-NET), Ayurveda Biology and Biomedical Research Eligibility Test (BRET) (Since 2024).
- Prof. Alok Chandra Bharti of Department of Zoology served as Subject Area Expert in Union Public Service Commission (UPSC) (Since 2024).

Faculty of Technology

- Prof. Raj Senani of Department of Electronics and Communication Engineering was included in the list of Top 2% Scientists of the World (Career -wise) in the areas of Science, Engineering and Technology, as per a report published in August 2024, by a group of Stanford University and Elsevier researchers.
- Prof. Raj Senani of Department of Electronics and Communication Engineering, was conferred with the `IETE Lifetime Achievement Award for 2024`, by the Institution of Electronics and Telecommunication Engineers (IETE), India, for outstanding research in the field of Circuits and Systems spanning over five decades and for distinguished services to the IETE journals.
- Dr. Arjun Tyagi of Department of Electrical Engineering was elevated to the grade of Senior Member of IEEE.

****

FACULTY OF APPLIED SOCIAL SCIENCES AND HUMANITIES

DEPARTMENT OF FINANCE & BUSINESS ECONOMICS

Major Activities and Achievements

The major achievement of the Department was final placements of the majority of its final year students of MBA (Business Economics) and MBA (Finance) through the campus placement process. The Department strengthened its corporate-academia interface through a large number of events such as the Annual Conventions and other specialized events based on Analytics, Finance, HR, and Marketing that provided exposure of the student body to real world developments and cutting-edge tools and practices from the corporate domain.

The major achievements of Department faculty included research projects and regular interactions with the academic community via Seminar presentations and participation in Conferences (both national and international), apart from smooth completion of regular teaching-learning activities.

***

DEPARTMENT OF ENGLISH

Major Activities and Achievements

The Department of English has the same year of inception as the University of Delhi, which is 1922.

The Department offers degrees at MA and PhD levels and oversees undergraduate teaching at 79 Colleges which are affiliated to University of Delhi.

The Department began functioning from two campuses: the Main Campus at the Arts Faculty, North Delhi and South Campus at Dhaula Kuan, South Delhi since 1970.

The Department also oversees MA (English) Programme at the Non-Collegiate Women's Education Board.

The Department provides intensive mentoring to its students both in and beyond the classroom in a wide variety of forums; and its calendar makes up of ongoing lectures, film screenings, symposia, conferences, and colloquia on multiple themes.

In the QS Ranking 2024, the Department of English, University of Delhi has been ranked between 101-150.

Number and Percentage of Students Placed

40% of the students were placed.

Extension and Outreach Activities

The Department being a premiere Institute in the country is regularly host the students visit from other LIS Departments across the country.

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D. : 09

Faculty Strength

Total: 08 (Eight) - (Sr.Professor – 01, Professor-4, Associate Professor – 01 and Assistant Professor – 02)

Other Significant Information

The Department is successfully publishing a journal entitled 'Journal of Library and Information Science' since 1976. The latest Volume No. 49 is in Press.

Fund allocated to the department ₹ 4,22,000 lakhs from that ₹ 3,12,573 lakhs was utilized in the financial year 2024-25.

***

DEPARTMENT OF LINGUISTICS

Major Activities and Achievements

The Faculty of the Department has received as many as four projects from known agencies like ICSSR and IOE of DU.
The Department of Linguistics has organised one major conference.
The faculty has delivered more than twenty invited talks across the nation.
The Faculty has also presented over twenty conference talks.
The Ph.D. and MA students have made over twenty-six student conference presentations.
A Ph.D. student has published a research paper in an international publication.
The Department organised the 15th SCONLI conference which attracted a large number of participants from the country and is the largest and most successful conference, 29th -31st January, 2025.
Fund allocated to the department ₹ 5200 Cr from that ₹ 4816.39 Cr was utilized in the financial year 2024-2025.

Honours/Distinctions

Faculty

- The faculty was appointed in many local, national and international committees/boards.

Students

- Soumini Bannerjee and Medha Sara Sam, 2nd year Masters' students won the best poster award for the poster titled " Echo Formations in South Munda Languages as Reflecting Complex Verb Configurations" at the Himalayan Languages Symposium, IIT Guwahati, 12th -14th June, 2024. They received a prize money of Rs. 10,000/-.
- Mouma Banik cleared UGC-NET 2024 June cycle for Assistant Professorship
- Bhavya C.P. qualified for UGC-NET (2024) and GATE (2025).
- Franko Tongbram, Linguistics (PhD 2nd year) was selected for the National Fellowship for Scheduled Caste Students (NFSC), UGC, 18th March 2025

Conferences Organized

- Conference on "Culture Embedded in Indian Philosophy" organised in collaboration with Indian Council of Philosophical Research in association with Santhigiri Research Foundation, 05-03-2025

Other Inter-Institutional Collaboration

The department has recently collaborated with the Indian Institute of Management (IIM) to design and deliver a specially tailored Philosophy course for students enrolled in the Integrated Programme in Management (IPM). This course, conducted from 15th March to 10th April 2025, was facilitated by Dr. Reetu Jaiswal and exemplifies the department's commitment to interdisciplinary learning and philosophical inquiry beyond traditional academic boundaries

NUMBER AND PERCENTAGE OF STUDENTS PLACED

4

EXTENSION AND OUTREACH ACTIVITIES

- A distinguished lecture entitled "Engaging with Intersectionality" was delivered by Professor Wandana Sonalkar under the auspices of the Gender Champion Committee, 12th February, 2025.
- The Philosophy Department's Movie Club remains an integral part of the department's pedagogical approach, curating a diverse selection of films and documentaries that explore philosophical and socio-political concerns. Notable screenings included Fantastic Planet (1973) by René Laloux, an animated science fiction film examining metaphysical questions; Still Life (2006) by Jia Zhangke, which reflects on transformation and resilience amid socio-economic disruption; and The Hunt (2012) by Thomas Vinterberg, a poignant exploration of moral complexity, stigma, and justice.
- The Movie Club also hosts viewing sessions from the acclaimed series Closer to Truth, created and hosted by Robert Kuhn. These sessions focus on profound themes such as consciousness, the mind-body problem, and the nature of reality, featuring insights from leading philosophers, neuroscientists, and cognitive scientists.
- A special screening of Eikhoigi Yum (Our Home) was followed by an enriching discussion with National Award-winning filmmaker Romi Meitei, who offered valuable reflections on ecological sensibility and cinematic expression. Additionally, a workshop titled "Philosophical Counselling and Meditative Enquiry" was conducted by Prof. Ashwani Kumar of Mount Saint Vincent University, enriching students' understanding of applied philosophy, 18th March, 2025.
- Eco-Club of the department organized a panel discussion on the occasion of the World Day of Social Justice entitled "Rethinking Social Justice and Equity in Contemporary Times," for scholars from multiple disciplines. Panel included Prof. Ujjawal Kumar Singh (University of Delhi), Dr. Harsh S. Wankhede (Jawaharlal Nehru University), Prof. Janki Abraham (University of Delhi), and Prof. Sonajharia Minz (JNU and former Vice-Chancellor, Sido Kanhu Murmu University), 20th February 2025.
- Department's Movie Club remains a key pedagogical resource. Through curated screenings of films and documentaries, the club provides a platform for students to engage with philosophical, ethical, and socio-political themes, enriching their critical thinking and reflective capacities.

ECA/SPORTS

- Prachi, student of MA, 1st year student (2025), Part of Gatka society SGTB KHALSA COLLEGE, DU, got 2nd position in 8th NATIONAL GATKA COMPETITION (August 23rd - August 27th, 2024) also 2nd POSITION in DEMO(T), 9th DELHI STATE GATKA COMPETITION (August 9th -11th, 2024)

- Arti Verma, MA Philosophy (2024-26), Department of Philosophy, University of Delhi participated in Drishti Essay Competition,17th October, 2024.
- Anchal, MA Philosophy (2024-26), Department of Philosophy, University of Delhi participated in Philosophy Day Art Exhibition, 21st November, 2024.
- Suchitra Kumari, MA Philosophy (2024-26), Department of Philosophy, University of Delhi participated in Speak for India contest, 19th March, 2024.
- Anshika Jain, MA Philosophy (2023-25) from the Department of Philosophy, University of Delhi, participated in the national essay competition conducted by ICPR, 17th October, 2024.
- Shambhavi Rawat, MA Philosophy (2024-26), from the Department of Philosophy, University of Delhi participated in the Lawn tennis(sports) at the 38thNational Games in Uttarakhand, University Trials, Quarter Finals,8th March, 2025.

Number of M.Phil./Ph.D. Degrees Awarded

M.Phil :14

Ph.D. :13

Faculty Strength

Total: 16 (Sixteen) - (Professor – 04, Associate Professor – 03 and Assistant Professor – 09)

OTHER SIGNIFICANT INFORMATION

- The Department of Philosophy is proud to announce that Professor Balaganapathi Devarakonda has been elected to the Steering Committee of the Federation of International Societies of Philosophy (FISP), the foremost global organization in the field. FISP is responsible for organizing the World Congress of Philosophy, held every five years. Professor Devarakonda's election to this prestigious body underscores his academic distinction and reflects the department's sustained engagement with international philosophical discourse.

- Dr. Sujata Roy Abhijat contributed to the project "A Comprehensive Documentation of Mela's Socio-Cultural, Economic and Environmental Impact," focusing on the Maha Kumbh 2025. The project was undertaken in collaboration with the Institute for Competitiveness (IFC) and included contributions from subject experts affiliated with Stanford University and the University of Dayton, Ohio, USA.

- Department conducts monthly Scholars' Seminar Meet, a platform organized by research scholars and chaired by faculty members. It offerss Ph.D. candidates an opportunity to present their ongoing research, engage in critical dialogue, and receive constructive feedback. Recent sessions have explored a broad range of themes, including Perspectives in Contemporary Philosophy: Indian and Western, Topics in Buddhist Ethics, Philosophizing Discrimination (addressing caste, gender, and race), and Philosophical Reflections on Artificial Intelligence. These initiatives underscore the department's commitment to fostering intellectual exchange and supporting early-stage research.

- Fund allocated to the department ₹ .276 Cr from that ₹ .1932 Cr was utilized in the financial year 2024-25.

- Workshop on Mental Status Examination, Dr. Manoj Kumar, Associate Professor, Department of Psychology, Sri Aurobindo College, 02-04-2024.

- Workshop on Prevention of Sexual Harassment (POSH) Training for M.A. Psychology students, Mr. Ajay Sharma, (Chief Consultant for GME Consulting), Co-ordinator, Dr. S. Rana,Department of Psychology, 11-02-2025.

- Workshop on Assessment: Skills, Attributes & Methods for M.A. Psychology students with OB specialisation, Dr. Vinod Dumblekar, (Founder & CEO, MANTIS), Co-ordinator, Dr. S Rana, Department of Psychology, 14-02-2025.

Conferences Organized

- International Conference of Psychology and Rehabilitation Science, Dr Manoj Kumar, Associate Professor, Department of Psychology, Noida, March, 27th -29th, 2025. Seminar/Conference Presentations (National / International)

International

- Dr. S. Meena presented a paper entitled “Influence of Gender and Cultural Norms in the Experience of Chronic Pain and its Catastrophizing” during an International Conference on “Reflections on the Past, Looking to the Future: Fifty Years of Towards Equality Report” organised by Centre for Women’s Development Studies, New Delhi, 3rd -5th March, 2025.

- Prof. U.N. Biswas presented a paper entitled “The Care Needs and Care Delivery for Seniors in India: Exploring Culturally Competent Value-based Elder Care Models" at 27th International Congress of the International Association for Cross-Cultural Psychology at Bali, Indonesia, 5th -9th August, 2024.

- Prof. U. N. Biswas presented a paper entitled “Envisioned Life vs. Lived Experiences in Canada: A Study of Skilled Indian Women Immigrants and Aspirants" at 27th International Congress of the International Association for Cross-Cultural Psychology at Bali, Indonesia, 5th -9th August, 2024.

National

- Prof. S. P. K. Jena presented a paper entitled "Homelessness and Mental Health," in the National Seminar on organized by Institute of Mental Health and Neurosciences (IMHANS), Kozhikode, 10-10-2024.

- Prof. S. P. K. Jena presented a paper entitled " Use of Applied Behaviour Analysis And Bio feedback in Treatment of Sex Offenders: Current Issues, Research and Applications” in the National Seminar organized by Clinical Psychology Society of India (CPSI), Rakshya Shakti University, Gandhinagar, 21st -23rd November, 2024.

- Dr. S. Meena presented a paper entitled ‘The Flipped Side: Trans-Ability, An(Uncanny) Desire’ during an 11th International and 13th National Indian Psychological Science Congress on ‘Mental Health: Care & Crises for Holistic Health Across the Ages’ organised by Department of Psychology, C.C.S. University, Meerut, U.P. in collaboration with National Association of Psychological Science, Chandigarh and Mental Health Mission India, Meerut, U.P, 29h November to 01st December 2024.

Other Inter-Institutional Collaboration

- The department renewed its long-standing academic collaboration with the University of Tokyo, focusing on cross-cultural psychology, shared online lecture modules, and collaborative research.

Students under Exchange Programme

Inbound Student Exchange

Under the Full Bright Nehru Fellowship Program and USIEF, Department of Psychology, University of Delhi, supervised one graduate student from USA who visited DU from August 10th, 2024- April, 2025. The exchange was coordinated by Prof. Manoj Kumar and focused on research and academics. Students attended core lectures, participated in field visits to Delhi, and completed a short-term research project. The exchange fostered meaningful academic dialogue and cultural immersion, contributing to Master’s studies program in Psychology and Neuroscience.

Outbound Student Exchange

- Under the Ministry of Education, Culture, Sports, Science and Technology (MEXT) of Japan, the Sakura Science Exchange Program was organized by the Japan Science and Technology (JST) Agency at the Graduate School of Humanities and Sociology, University of Tokyo in which 2 post graduate students from M.A. Psychology (2023-25) Khushi Chopra and Simarjeet Kaur Ajji went to Japan for Student Exchange Program centered on the theme ‘The Pioneering Development of “Convergence of Knowledge”.

- Two postgraduate students from the Department of Psychology, University of Delhi, visited Japan from November 17th - November 23rd, 2024. The exchange was coordinated by Prof. Takahiro Kato and centered on the theme 'The Pioneering Development of "Convergence of Knowledge": Humanities and Science and Technology.' Students attended special lectures on digital humanities, ancient sculpture through 3D modeling, well-being in academia, and the development of AI tools for the Devanagari script. They participated in various cultural activities at Sensoji Temple, Asakusa. The exchange fostered meaningful academic dialogue and cultural immersion, contributing to their interdisciplinary understanding of fields where cutting-edge technology is integrated with traditional academic methods in humanities and social sciences.

Placement Details (Number and percentage of students placed)

21 students were placed.

Extension and Outreach Activities

Manastha – The Counselling Centre: In a significant step towards community mental health outreach, the department inaugurated its dedicated counselling initiative, "Manastha." The centre aims to offer confidential, professional psychological services to the University community, particularly students, staff, and faculty members. Manastha is operated under the guidance of licensed psychologist and clinical faculty and is staffed by postgraduate student interns and research scholars from the Department of Psychology. The centre provides individual counselling.
The Key Features are as follows:

- Free and confidential sessions for students.
- Outreach through mental health awareness campaigns.
- Integration of experiential learning for interns.

M.A. Psychology students with Organizational Behavior Specialization had a field visit at GTI (GAIL Training Institute), Noida in order to understand the HR operations and Training function in PSUs, 7th February,2025.

Jaisalmer trip: 64 students and faculty members went for field trip to Jaisalmer.

FACULTY OF AYURVEDIC AND UNANI MEDICINE

ALL INDIA INSTITUTE OF AYURVEDA

Major Activities and Achievements

The All India Institute of Ayurveda (AIIA), New Delhi, marked several significant milestones in 2024, strengthening its leadership in Ayurvedic education, research, and innovation. The Department of Shalya Tantra hosted the 2nd National Seminar from July 13–15 on the occasion of Sushruta Jayanti, bringing together experts to discuss advancements in Shalya Tantra.

On October 9, Hon'ble President Smt. Droupadi Murmu graced the 8th Foundation Day of AIIA, launching the Ayush Aushadhi Pharmacy Programme and Shashwat Ayush Expo. She emphasized integrative healthcare and Ayurveda's holistic impact on humans, animals, and the environment.

Further, AIIA organized its first international conference, AROHA-2024, from October 17–19, showcasing innovations in Ayurveda and wellness. Hon'ble Minister Shri Prataprao Jadhav felicitated Hon'ble CJI Dr. Justice D Y Chandrachud during the event.

On the 9th Ayurveda Day, AIIA, designated as the nodal institute, hosted Hon'ble Prime Minister of India, who inaugurated Phase-II of the campus and projects worth over ₹12,850 crore. These included a Panchakarma hospital, Ayurvedic pharmacy, sports medicine unit, central library, IT and start-up incubation centre, and a 500-seat auditorium. Collectively, these initiatives reflect AIIA's pivotal role in globalizing Ayurveda through innovation, education, and integrative healthcare.

AYURVEDIC & UNANI TIBBIA COLLEGE & HOSPITAL

Major Activities and Achievements

In the academic year 2024–2025, A & U Tibbia College and Hospital (AUTCH) undertook several significant academic and outreach initiatives. The Panchakarma Technician Course was formally introduced to enhance skill development in Ayurvedic therapy. A sensitization program on the Ayushman Bharat Digital Mission was conducted on May 3, 2024, to promote awareness about digital health services. From June 24 to 29, 2024, a Primary Trauma Care Workshop was organized by the Directorate of AYUSH to strengthen emergency care preparedness. A Teacher's Training Program, held in collaboration with Mahatma Gandhi Ayurved College, Wardha from September 17 to 23, 2024, focused on faculty development. On October 16, 2024, an Awareness Program on Pharmacovigilance in ASU&H Drugs was held by CCRAS, followed by a WHO-collaborated sensitization workshop on October 24, 2024, covering AEFI and VPDs. AUTCH also observed Vigilance Awareness Week, conducted a Capacity Building Programme for new faculty, and celebrated the International Day of Yoga on June 21, 2024, and Ayurveda Day in late October. Sports Week, held from February 7, 2025, was followed by cultural events and Ajmal Day on February 13, 2025. A 60-day 'Desh ka Prakriti Parikshan' biodiversity campaign was also conducted as per Ministry of AYUSH directives.

Honours/Distinctions

Faculty

- Dr. Amit Rai served as Guest Editor for a special issue of the JRAS Journal on the theme of Geriatric Healthcare.
- Dr. Ayesha Raja was appointed as a Board Member for the Regular Board of Studies (BUMS Final Prof.).
- Dr. Fahmida Kausar and Dr. Shalini Varshney were recognized as Ashwagandha Champions by the Directorate of AYUSH under the NMPB sapling distribution initiative.

- Prof. Mohammad Zubair was felicitated as the Special Guest of Honour at the 7th Run4Cause—Tarey 2024, held on April 7, 2024, at Thyagraj Sports Complex, New Delhi, in recognition of his outstanding commitment and contributions to humanitarian service. FACULTY OF COMMERCE AND BUSINESS

DEPARTMENT OF COMMERCE

Major Activities and Achievements

The Department of Commerce is renowned for its excellence in commerce education in India. It is particularly recognized for its research endeavours, esteemed faculty, and motivated student body. The department takes pride in its distinguished alumni who are making significant contributions in various fields globally. Its vision revolves around fostering a culture of learning. Besides academic achievements, the institution actively involves its students in extracurricular activities. During the academic year 2024-2025, the department continued its commitment to academia and research through regular classroom teaching and publications in esteemed national and international journals by its faculty members. The Department offers M. Com., MBA (IB), MBA (HRD), MBA (BA), and PhD programs. Recently, Department of Commerce, Faculty of Commerce and Business, Delhi School of Economics was ranked as Top Government B-School that offers the Best Value for Money as per India Today Best B-Schools Survey. During the year 2024-25, the department successfully organized 10th Annual International Commerce Conference (AICC) with Deen Dayal Upadhyaya College, University of Delhi. During this period, a number of papers have been published and a number of honours have been received by faculty members of the department.

Honours/Distinctions

Faculty

- Prof. Amit Kumar Singh received the Certificate of Appreciation for exemplary service, dedication, and contribution by the Honourable Vice Chancellor, University of Delhi.
- Prof. Amit Kumar Singh was honoured by SEBI as Champion of Investors Education for his contributions in this field, at 'Bharat Ka Share Bazar' Pavallion set up by SEBI and other stakeholders at IITF 2024.
- Prof Sunaina Kanojia received the prestigious excellence award from the University of Delhi.

FACULTY OF HOMEOPATHIC MEDICINE

NEHRU HOMEOPATHIC MEDICAL COLLEGE & HOSPITAL

Major Activities and Achievements

Nehru Homoeopathic Medical College & Hospital (NHMC&H), established under the Government of NCT of Delhi and affiliated with the University of Delhi since 1992. The institute offers a 5½-year undergraduate programme leading to the B.H.M.S. degree and a three-year postgraduate M.D. (Homoeopathy) programme introduced in 2009, initially in Practice of Medicine and later expanded in 2018–19 to include Organon of Medicine and Materia Medica. Recognized by the National Commission for Homoeopathy (NCH), the college adheres to its regulatory guidelines. The institution is supported by a 100-bedded hospital with fully functional OPD and IPD facilities, ensuring standardized case documentation, diagnostic support, and holistic patient care under the supervision of senior faculty and teams of residents. Services are further enriched through the involvement of a dietician and yoga instructor, alongside ongoing research projects in the OPD. The hospital has also contributed to public health through immune booster distribution, COVID-19 sensitization initiatives, and the functioning of a Community Training Centre since July 2020.

- Seminar and speech on Bhagwan Birsa Munda on 23.11.2024.
- World Menstrual Hygiene Day on 28.05.2024.
- Awareness Programme on Heat Wave Related Disease & Nutrition on 07.05.2024.

Seminar/Conference Organized

- Faculty Development Programme in collaboration with NCH on 11.02.2025.
- World Environmental Day on 14.06.2024.

Extension and Outreach Activities

Department of Community Medicine, Nehru Homoeopathic Medical College organized the following:

- 2024, March 8: PHC Najafgarh Visit
- 2024, July 23: Mother Dairy Visit
- 2024, August 13: Adven Industry Visit
- 2024, September 17: Visit to Water Treatment Plant
- 2024, November 9: Health Camp in Pillanji Village
- 2024, July 10: Stop Diarrhoea Campaign held at Dr. B. R. Ambedkar School of Specialized Education
- 2024, November 21: Visit to NCDC
- 2025, February 15: Health & Awareness Camp organised at Dr. B. R. Ambedkar Nagar of Specialized Education
- 2025, April 2: PHC Mehrauli Visit

FACULTY OF INTERDISCIPLINARY AND APPLIED SCIENCES

DEPARTMENT OF BIOCHEMISTRY

Major Activities and Achievements

The Department has carried out its teaching and research activities with full rigor. The Department of Biochemistry has been awarded the Fund for Improvement of S&T Infrastructure (FIST) grant by the Department of Science and Technology (DST), Govt of India. Screening of applications for recruitment against advertised posts is underway and will be completed soon. Promotion of teachers in the Biochemistry department in various colleges was also done. The NAAC team visited the department as part of the second round of evaluation for the University, and the team was highly appreciative of the practices followed in the department for teaching and research, as well as ongoing research and achievements. An interaction meeting of college teachers, Principals, and Faculty Members was organized in February 2025 to discuss the course structure and content for research in the 4th year in Biochemistry at the UG level. The M.Sc. course structure under NEP-2020 was also discussed. Five students from the Department received their PhD degrees this year. The department drafted the curriculum for the first year of M.Sc. Biochemistry (NEP-2020 framework) and submitted to the University for approval. Various student committees were constituted for departmental activities. Science Day and Sports Day were organized in February 2025.

Honours/Distinctions

Faculty/Department

- Prof. Amita Gupta
- Lifetime Achievement Award by the Society for Bacteriophage Research and Therapy, 2024.
- Appointed Director, Delhi School for Skill Enhancement & Entrepreneurship Development (DSSEED), Institution of Eminence (IoE), University of Delhi
- The department has been awarded with the "Fund for Improvement of S&T Infrastructure (FIST)" grant by Department of Science and Technology (DST), Government of India.

Students

- Ms. Preeti, PhD student of Prof. Alo Nag, won an award in the Essay writing competition, Topic: "Translational research is not possible without a basic research foundation" by the Indian Association of Cancer Research, 22 January 2024.
- Ms. Nandini Sahani, PhD student of Prof. Alo Nag, won the Best Poster presentation award at the "International Conference on Convergence of Fundamental and Translational Approaches in Cancer Therapeutics", organized by CNCI, Kolkata, 16-18 January 2025. She presented a poster on "Uncovering the Role of FoxM1-hTERT Axis in Cancer Progression and Therapeutic Interventions".
- Ms. Preeti, PhD student of Prof. Alo Nag, won the Prize for Third Best Essay in the IACR essay competition at the "International Conference on Convergence of Fundamental and Translational Approaches in Cancer Therapeutics", organized by CNCI, Kolkata, 16-18 January 2025. Her essay was based on "Systems Biology and bioinformatics: Advances and Applications in Cancer Research and Management ".

Research Projects

- Dr. Vijay Kumar Prajapati, Department of Biochemistry, has been sanctioned an amount of ₹ 2.23 Crore for a research project entitled, 'Quantification and expression of anti-apoptotic and pro-apoptotic proteins of Leishmania parasites for developing novel therapeutics' as PI**.** The grant has been provided by the Indian Council of Medical Research and covers the duration from April 2024 till April 2028.
- Dr. Vijay Kumar Prajapati, Department of Biochemistry, has been sanctioned an amount of ₹ 1.07 Crore for a research project entitled, 'Inhibiting glycosomal membrane biogenesis as a potential leishmaniasis treatment' as PI**.** The grant has been provided by the Indian Council of Medical Research and covers the duration from April 2024 till April 2028.
- Dr. Garima Khare, Department of Biochemistry, has been sanctioned for an amount of Rs . 14.90 lakhs for the project entitled "Development and evaluation of heterologous prime boost vaccine regimens against Tuberculosis in animal models" as PI. The grant has been provided by IGNITE Life Science Foundation and covers the duration from December 2024 to December 2026.

Seminars Organized

- Prof. Kalpana Luthra, Head, Department of Biochemistry, All India Institute of Medical Sciences (AIIMS), New Delhi delivered seminar on "Characterization of the circulating viruses and protective antibody responses in HIV-1 infected children: guide to vaccine design" on March 20, 2024.
- Dr. Neeru Saini**,** Chief Scientist, CSIR Institute for Genomics and Integrative Biology New Delhi delivered a seminar on "microRNAs - Basic biology to Translational Relevance" on the Occasion of Science Day and Professor P.C. Ghosh Memorial Lecturer 2024 on February 29, 2024.
- Dr. Sumit Kumar Singh, School of Biochemical Engineering, IIT, BHU, Varanasi delivered seminar on "Effect of Critical Process Parameters on site specific N-linked glycosylation of VRC01 produced in CHO" on December 11, 2024.
- Dr. Prem S. Kaushal, Associate Professor, Regional Centre for Biotechnology, Faridabad, Haryana delivered seminar on "Cryo-EM: a tool for understanding the structures of biomolecules in the atomic details" on August 19, 2024.

Placement Details (Number and percentage of students placed)

Most of the students who complete M.Sc. and Ph.D. courses from our department pursue Higher Education at various national and international institutions

Extension and Outreach Activities

- B.Sc. (Hons) Biochemistry students from Institute of Home Economics, DU visited the department on 13th February 2025. Students were oriented about the activities of the department by faculties followed by visits to various Research Labs.
- B.Sc. (Hons) Biochemistry students from Shivaji College, University of Delhi visited the department on 12th February 2025. Students were oriented about the activities of the department by the faculty, followed by visits to various Research Labs.
- Visit of students and faculty members of the Department of Biochemistry, Shaheed Rajguru College of Applied Sciences for Women (SRCASW), DU on 23rd April 2024.
- Book Launch on 10th April 2024 of "Text Book of Nutritional Biochemistry" written by the Faculty Members of Department of Biochemistry of DU Colleges and published by Springer Nature.
- Visit of M.Sc. students to Panacea Biotech, New Delhi, as part of Industry visit initiative by the department, 18th March 2025.
- Visit of students and faculty members of Department of Zoology, Bhaskaracharya College of Applied Sciences, DU on 13th March 2024.
- Students' Excursion Tour was organized by the Department to Mussoorie for M.Sc. and Ph.D. students from 7th to 10th March 2024.

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D. : 05

DEPARTMENT OF BIOPHYSICS

Major Activities and Achievements

The Department of Biophysics has well-established research labs funded by Extramural grants from DBT, DST, ICMR, CSIR, UGC, and intramural grants from the University of Delhi. The department offers research opportunities in the areas of structural and computational biology. Prof. Manish Kumar's research group works on multiple problems/fields, which are important for translational research. The research interests include analysis of microbial genomes and proteomes using bioinformatics, chemi-informatics, and phylogenomics tools to understand mechanisms behind the evolution and spread of virulence and antibiotic resistance among microbes. Kumar's lab also uses Next Generation Sequencing-based metagenomic data to analyze the load of antibiotic resistance genes in different biotic reservoirs. They have constructed a library of reported antibiotic resistance genes to annotate Next Generation Metagenomic samples. Prof. Manisha Goel's group works with structural bioinformatics and is currently exploring the role of prosequences in protein folding and function. They are also interested in the mechanism of action of Cas proteins involved in CRISPR function. Dr. Hemlata Agnihotri's lab works on Cell signaling, Receptor biology, and Host-pathogen interactions. Dr. Sumit Kumar Chaturvedi's lab works on conformational and ligand binding on proteins. Dr. Suman Tapryal's research interest is primarily subunit vaccines, protein engineering, and applied Biotechnology.

Honours/Distinctions

Students

- Alisha Goyal, student of M. Sc. Biophysics (IInd year), awarded Jawahar Bhawan Trust Merit-cum-means scholarship for the year 2023-24, July 2nd, 2024
- Suravi Bhaya, student of M. Sc. Biophysics (IInd year), selected for Sakura Science Exchange Programe organized by Japan Science and Technology (JST), September 2024
- Govinda Rao Dabburu, Ph.D student, received a grant from the International Society of Computational Biology (ISCB) to present his research as a poster at the Asia Pacific Joint Bioinformatics Conference (APBJC 2024) and ASCS 2024, held in Okinawa, Japan, October 22-25, 2024
- Govinda Rao Dabburu, Ph.D student, received a travel grant from the European Molecular Biology Laboratory (EMBL) to attend and present his research at the AlphaFold Education Summit, held at EMBL-EBI in the UK in January 2025
- Aakriti Jain, Ph.D student, received a a travel grant from DST SERB to present her research at the Asia Pacific Bioinformatics Joint Conference (APBJC 2024) held in Okinawa, Japan in October 2024, October 22-25, 2024

- Govinda Rao Dabburu, Ph.D student, served as the President of the International Society of Computational Biology- Student Council Regional Student Group (ISCB-SC RSG)-India from January 2024 to January 2025
- Mr. Govinda Rao Dabburu, Ms. Nikita Ray, Mr. Jatin Joshi and Ms. Aakriti Jain, Ph.D students of Department of Biophysics served as organizing committee members for the 3rd Asian Student Council Symposium (ASCS2024) which was conducted in a hybrid mode in Okinawa, Japan. October 22-25, 2024
- Jatin Joshi, Ph.D student (IInd year), appointed as the President of the International Society of Computational Biology- Student Council Regional Student Group (ISCB-SC RSG) - India since January 2025.
- Dr. Somendro Singh Nambram, Postdoctoral Fellow, received International Travel Support Non-ICMR Scientists from Indian Council of Medical Research, Department of Health Research, Ministry of Health and Family Welfare, Government of India to present a research paper in ESCMID Global, European Society of Clinical Microbiology and Infectious Diseases 2024, Barcelona, Spain, April 27th - 30th, 2024
- Dr. Somendro Singh Nambram, Postdoctoral Fellow, received CSIR Foreign Travel Grant from Council of Scientific and Industrial Research (CSIR) Human Resource Development Group: To present a research paper in ESCMID Global, European Society of Clinical Microbiology and Infectious Diseases 2024, Barcelona, Spain, April 27th - 30th, 2024
- Dr. Neelja Singhal received CSIR Foreign Travel Grant from the Council of Scientific and Industrial Research (CSIR) Human Resource Development Group To present a research paper in ESCMID Global, European Society of Clinical Microbiology and Infectious Diseases 2024, Barcelona, Spain April 27th - 30th, 2024.

Research Projects

- Dr. Hemlata Agnihotri, Department of Biophysics has been sanctioned ₹ 29,30,389 for a research project entitled, 'Elucidating the functional insights of super-conserved receptor expressed in the brain, SREB3 (GPR173)' as PI**.** The grant has been provided by SERB and covers the duration from March 2024 till March 2026.
- Prof. Manish Kumar, Department of Biophysics has been sanctioned ₹ 1,97,99,240 for a National network project of Indraprastha Institute of Information Technology, Delhi**.** The grant has been provided by Department of Biotechnology (DBT) and covers the duration from December 2023 till December 2028.
- Prof. Manish Kumar, Department of Biophysics has been sanctioned ₹ 1,55,80,000 for a National network project of Aligarh Muslim University, Aligarh**.** The grant has been provided by Department of Biotechnology (DBT) and covers the duration from September 2023 till December 2028.
- Prof. Manish Kumar, Department of Biophysics has been sanctioned ₹ 29,37,538 for a research project entitled, "Artificial intelligence-aided genomics, trancriptomics and proteomics analyses of multidrug-resistant enteropathogens to discern novel drug targets" as PI. The grant has been provided by ICMR and covers the duration from February 2024 till Januray 2026.
- Prof. Manish Kumar, Department of Biophysics has been sanctioned ₹ 35,16,810 for a research project entitled, "Using the National COVID-19 testing database to

develop a machine learning model for rapid prioritization/triage of SARS-CoV2 patients and demographic groups" as PI. The grant has been provided by ICMR and covers the duration from April 2022 till April 2025.

- Prof. Manish Kumar, Department of Biophysics has been sanctioned ₹ 1,50,95,702 for a research project entitled, "Specific single domain antibodies (sdAbs) against antimicrobial resistant Mastitis pathogens for clinical therapeutic use in dairy animals". The grant has been provided by DBT and covers the duration from March 2022 till March 2025.
- Prof. Manish Kumar, Department of Biophysics, has been sanctioned ₹ 4,74,60,400 for the Center of Antibody Engineering: Center for Immuno-Diagnostics! Therapeutics Veneering technologies (CIVET). The grant has been provided by DBT and covers the duration from March 2022 till March 2025.
- Dr. Suman Tapryal, Department of Biophysics has been sanctioned ₹ 14,18,000 for a research project entitled, 'Development of L-proline modified magnetoreceptor protein–coated iron beads as recyclable heterogenous biocatalyst for asymmetric transformations' as PI**.** The grant has been provided by SERB and covers the duration from January 2025 till September 2025.
- Dr. Sumit Kumar Chaturvedi, Department of Biophysics has been sanctioned ₹ 83,91,081 for a research project entitled, "Therapeutic approach for Parkinson's disease" as PI**.** The grant has been provided by ICMR and covers the duration from February 2024 till February 2027.

Seminars Organized

- Dr. Ming "Tommy" Tang, Director of Computational Biology Immunitas Therapeutics, United states delivered a talk on "Academia to Industry: Computational Biology career advice and tips" on a webinar conducted by ISCB RSG-India and Department of Biophysics on April 27, 2024.
- Dr. Priyanka Das Gupta, Communication officer at International Electrotechnical Commission, Geneva delivered a talk on "Creating Impact Through Science Communication: Opportunities In Computational Biology" on a webinar conducted by ISCB RSG-India and Department of Biophysics on June 15, 2024.
- Prof. Raja Mazumder, principal investigator, The George Washington University and Prof. Michael Tiemeyer, Principle investigator, University of Georgia, Athens, GA delivered a talk in first episode of Meet and Learn With the Bioinformatician series (MLTB) on the topic 'Exploring Glycan and Protein Functions in GlyGen' conducted by ISCB RSG-India and Department of Biophysics on July 5, 2024.
- Dr. Sudakshina Ganguly and Dr. Paulyna Magaña from EMBL-EBI, UK delivered a talk in second episode of Meet and Learn With the Bioinformatician series (MLTB) on the topic 'A journey through the Protein Data Bank with a focus on PDBe resources' featuring Protein Data Bank in Europe (PDBe)conducted by ISCB RSG-India and Department of Biophysics on July 26, 2024.
- Department of Biophysics, University of Delhi South Campus has organized 8th International Symposium on Bioinformatics (InSyB 2024) under the aegis of Asia-Pacific Bioinformatics Network (APBioNET) on Nov 29, 2024 at New Delhi, India in collaboration with Bioinformatics Facility, Sri Venkateswara College, University of Delhi & Department of Biotechnology, Bennett University (The Times Group).

Placement Details (Number and percentage of students placed)

Most of the students who complete M.Sc. and Ph.D. courses from our department pursue Higher Education at various national and international institutions. 75% students were placed this year.

Extension and Outreach Activities

- "Meet the bioinformatician series" organized by Department pf Biophysics in collaboration with the International Society of Computational Biology Regional Student Group (India) is open to all.
- Lectures are delivered by peer scientists, patent team, industry etc.

Number of M.Phil./Ph.D. Degrees Awarded

DEPARTMENT OF ELECTRONIC SCIENCES

Major Activities and Achievements

The Department continues to demonstrate strong academic and research engagement, with faculty members actively involved in cutting-edge research and Ph.D. supervision in areas such as microelectronics, materials science, microwaves, photonics, and related disciplines. Their research output includes high-quality publications in reputed journals and granted patents, reflecting both innovation and academic rigour. Several ongoing research projects are supported by prominent national agencies including CSIR, DRDO, and ISRO, and the Department maintains robust collaborations with national and international institutions.

To enhance industry interaction and student exposure, an educational visit to Applied Electromagnetics Pvt. Ltd. was organized in March 2025. The Annual Visitors' Programme and Alumni Meet, held on March 22, 2025, served as a platform for reconnecting with alumni and showcasing departmental achievements.

The Department regularly organizes seminars, invited lectures, and expert talks to broaden students' academic horizons and refine their professional skills. This year marked the initiation of a distinguished lecture series in honour of the Founding Head of the Department, *Prof. G. P. Srivastava*. The inaugural *Prof. G. P. Srivastava Memorial Lecture* was delivered on February 21, 2025, by Prof. K. P. Ray, Head of the Department of Electronics Engineering and Director of the School of RADAR Technology at the Defence Institute of Advanced Technology (DIAT), Pune. Prof. Ray, a distinguished alumnus from the first batch of the Department's M.Tech. (Microwave Electronics) programme, shared insights from his distinguished career.

The Department also hosted several other lectures by eminent experts including Prof. Girish Kumar, Retired Professor, IIT Bombay; Prof. Debatosh Guha, Institute of Radio

Physics & Electronics, University of Calcutta; and Prof. M. Jaleel Akhtar, Department of Electrical Engineering, IIT Kanpur — all Fellows of the IEEE and leading experts in their respective fields. These sessions significantly enriched the Department's academic environment and student learning experience.

Research Projects

- Dr Mukesh Kumar Khandelwal has been sanctioned ₹6 Lakh for a research project entitled "Design and Development of High-gain Antenna for communication using Software Defined Radio" as PI by the Institutions of Eminence, Delhi University, for the duration 2024 to 2025.
- Dr. Amit Birwal has been sanctioned ₹6 Lakh for a research project entitled "Fabrication and Characterization of Ion-implanted magnetic materials thin film for spintronics device" as PI by the Institutions of Eminence Delhi University for the duration, 2024 to 2025.
- Vikram Kumar has been sanctioned ₹29,78,310/-for a research project entitled "Study of Multi-mode Microwave Cavity Design for Biomedical Waste Disinfection in ISM band" as PI by ANRF-DST, Government of India, for the duration 2024 to 2026.
- Vikram Kumar has been sanctioned ₹6 Lakh for a research project entitled "Study of Microwave Absorbing Material for Application in Disinfection of Biomedical Waste" as PI by the Institutions of Eminence Delhi University for the duration 2024 to 2025.
- Sr. Prof. Mridula Gupta, has been sanctioned 23.03 Lacs for a research project entitled "Capacity Building in Modelling and Simulation of Radiation Hardened HEMT Design and Energy-Efficient Devices for Space Application" as PI by DU-IoE for the duration, August 2022 to March 2025.
- Sr. Prof. Mridula Gupta, has been sanctioned 58.83 Lacs for a research project entitled "Design, Optimization and Fabrication of Radiation Hardened Sub 0.15 micron gate length InAlN/GaN HEMT for Ku band application" as PI by DST-SERB for the duration, Sep. 2022 to Sep 2025.
- Vanita Jain, has been sanctioned ₹6 Lakh, for a research project entitled "Development of AI-Driven application for Enhancing Sickle Cell Disease Management in Tribal Populations" as PI. The grant has been provided by Institutions of Eminence Delhi University and covers the duration from 2024 to 2025

Patents Filed/Granted

- Vikram Kumar, Sivavenkateswara Rao V, Pradip K. Jain, An Improved Electromagnetic Radiator Based on Integration of Sectoral Plates in Coaxial Horn Antenna, National Institute of Technology Patna, 534672, 24 April 2024, National. https://drive.google.com/file/d/14KI85j3DW8rqY49pKKgjdFPE-tuBgnwJ/view?usp=sharing.
- Vikram Kumar, Smrity Dwivedi, Pradip K. Jain, High power microwave sectoral waveguide mode converter, Indian Institute of Technology Varanasi, 556063, 11 Dec 2024, Indian Patent. https://drive.google.com/file/d/1ro6JmXmB3rZyWHlVo3ETivK5GmlunUI0/view?usp=drive_link.
- Biswajeet Mukherjee & Monika Chauhan, Dielectric Resonator Antenna (DRA) System and Method of Designing Thereof, Patent Number: 542625, Date of Filing:

14/9/2020, Date of Grant: 24/06/2024, Indian Patent https://iprsearch.ipindia.gov.in/PatentSearch/PatentSearch/ViewApplicationStatus.

- Shivangi Pande, P. D. Akhil Kumar, Biswajeet Mukherjee, Asymmetric Umbrella with a strain reducing hand band. Patent Number: 545802, Date of Filing: 22/03/2021, Date of Grant: 24/07/2024, Indian Patent https://iprsearch.ipindia.gov.in/PatentSearch/PatentSearch/ViewApplicationStatus.

Seminars Organized

- Overview of MATLAB Antenna and RF PCB toolboxes: By the experts (Ms. Chandra Amma Palanisamy, Mr. Vinod Dwarapudi, Ms. Srujana Nandigama and Ms. Sangeetha Balasubramaniyam)from MathWorks online on April 18, 2024.

Placement Details (Number and percentage of students placed)

Most of the students who complete M.Sc. and Ph.D. courses from our department pursue Higher Education at various national and international institutions. This year, 16 students, amounting to 40% of the total, have been placed in different capacities.

Extension and Outreach Activities

The Department of Electronic Science, University of Delhi South Campus, in collaboration with IEEE EDS Delhi Chapter and the IEEE APS Delhi Section, conducted an outreach program for school students on October 16, 2024, from 10:30 AM to 12:30 PM. The topic of the program is "Training and Demonstration of Arduino-based Real-Time Experiments."

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D. : 11

Faculty Strength

Total: 13 (Thirteen) - (Professor – 04, Associate Professor – 06 and Assistant Professor – 03)

Other Significant Information

- *Sehaj Gambhir*, MSc. Electronics – she won the first position at the Innovation Fair organized by the National Science Centre, Delhi, 2024.
- *Sehaj Gambhir*, MSc. Electronics – she won the first Position in "The Young Innovators" program at the International Museum Expo 2024, organized by the Ministry of Culture and National Council of Science Museums.

Faculty members

- *Dr. Vikram Kumar* was recognized as the Entrepreneurial Champion in the “Bold Beginnings” webinar quiz series, hosted by IEEE Region 10 in association with the IEEE Kerala Section’s Startup and Career Guidance Committee.
- *Prof. Harsupreet Kaur* received the Outstanding Reviewer Award from (Institute of Physics) IOP Publishing for her contributions to Semiconductor Science and Technology in 2024.

***

DEPARTMENT OF GENETICS

Major Activities and Achievements

Notable scientific contributions are: Prof. Burma's group is working on unraveling tapetum-specific promoter regulation. Prof. Sarkar's group focuses on unraveling the cellular and molecular basis of human neurodegenerative brain disorders, identifying druggable targets and drug repurposing to restrict disease pathogenesis. Prof. Kaur's group used a set of geographically diverse Arabidopsis accessions (140 accessions) to uncover the genetic architecture underlying resistance to Alternaria brassicae, to help develop resistant crops. Prof. Srivastava's lab works on long-COVID sequelae, exploring natural products (lactoferrin) for cancer mitigation and the role of hypoxemia in leukemia and other cancers. Dr. Datta's group has identified novel GTPases in the mitochondrial ribosomes that potentially respond to changes in ATP/ADP ratio and regulate cellular ability to perform respiratory functions. Dr. Naorem's group aims to understand the role of regulatory proteins: PPIases, Wee family kinases, etc., in growth and developmental processes. Prof. Prasad's lab focuses on deciphering the molecular mechanism of abiotic stress tolerance in C4 model crop foxtail millet. Prof. Dutt's lab has multifaceted interests from devising innovative computational methodologies for analyzing expansive cancer genome datasets, characterization of novel leads and the microbial agents implicated in human carcinogenesis.

Honours/Distinctions

Faculty/Department

- Prof Tapasya Srivastava delivered the Asian Journal of Organic Chemistry AJOC, Wiley) lecture award on 'Nicotinamide AcetylCholine Receptors (nAChR) in lung cancer: focus on never smokers' at FORCE-IICS conference on 3.10.2024

Students

- Rithik Lal S, student of M.Sc. Genetics (2nd Year) was the topper in M.Sc. Genetics Examination 2024 and awarded the University Gold Medal.
- Virender, Prerna Aggarwal, and Prof. Surajit Sarkar (2024) won Best poster Award at the "21st Biennial International Conference of the Association of Gerontology (India)"-2024, at the National Institute of Health and Family Welfare, New Delhi. From 13 to 15 December 2024, title: Impaired sleep-wake cycles cause early progression and exaggerated severity in Drosophila models of human tauopathies.
- Shikha Kaushik, Ph.D. student Genetics (5th year), Selected for attending EMBL Course on Genome Engineering, EMBL, Heidelberg, 31/08/2024- 06/09/2024
- Shikha Kaushik, Ph.D. student, Genetics (5th year) Selected for presenting a poster on Insights on the anti-cancerous activity of Lactoferrin in tumour microenvironment, ACBICON 2024, Department of Biochemistry, PGIMER, Chandigarh, 4/12/2024- 7/12/2024
- Pooja Ghorawat, Ph.D. student, Genetics (4th year) Selected for Oral presentation on Investigating the role of WASp in hypoxemic condition-driven changes in lineage and differentiation genes of T-ALL, ACBICON 2024, Department of Biochemistry, PGIMER, Chandigarh, 4/12/2024- 7/12/2024

- Pavan Baboo, Ph.D. student, Genetics (3rd year) Selected for Workshop on Molecular Modelling, Docking and Network Biology, BRIC - National Centre for Cell Sciences, Pune,14/06/2024-15/06/2024
- Pavan Baboo, Ph.D. student, Genetics (3rd year) Selected for Pre conference workshop on "Digital PCR" at ACBICON2024, Department of Biochemistry, PGIMER, Chandigarh, Department of Biochemistry, PGIMER, Chandigarh, 12/4/2024
- Pavan Baboo, Ph.D. student, Genetics (3rd year) Selected for Program on Python and QISKIT for Data Science, Data analytics, Machine learning and Quantum Computing by IIT Kanpur (online), 01/03/2025 - 28/03/2025
- Shruti Khanna, a Ph.D. student, Genetics (6th year) Selected for Selected for an oral presentation on Understanding the development of post covid symptoms in the Indian population and the factors leading to their persistence, 26' joint National Conference on Pulmonary Diseases of National College of Chest Physicians (India) and Indian chest society, PSG institute of medical sciences and research, Coimbatore, 21/11/2024-24/11/2024

Research Projects

- Dr Aruna Naorem has been sanctioned an amount of ₹42.83 lakhs for a research project entitled, 'Role of prolyl isomerisation in developmental processes: A study using *Dictyostelium discoideum* as a model organism' as PI**.** The grant has been provided by SERB/ANRF and covers the duration from 2023 to 2026.
- Prof. Jagreet Kaur has been sanctioned ₹12 lakhs plus one JRF for a research project entitled "Deciphering the genetics of tolerance in *Brassica juncea* germplasm against *Sclerotinia sclerotiorum* using Genome Wide Association Studies GWAS" as PI. The grant has been provided by CSIR-ASPIRE and covers the duration from 2024 to 2027.
- Prof. Jagreet Kaur and Prof Deepak Pental have been sanctioned ₹1366.50 lakhs for a research project "UDSC- DBT Partnership program Phase 2" as PI and co-PI. The grant has been provided by DBT and covers the duration from 2023 to 2028.
- Prof. Jagreet Kaur has been sanctioned ₹38.10 lakhs for a research project entitled "Testing the efficacy of the Brassica juncea glyphosate resistant transgenic lines against *Orobanche aegyptiaca* infections" as PI. The grant has been provided by BIRAC and covers the duration from 2023 to 2025.
- Prof Manoj Prasad has been sanctioned₹38.17 lakhs for a research project entitled "Delineating the role of SiSAP12, a novel stress-associated protein encoding gene from foxtail millet (*Setaria italica* L) during extreme heat stress conditions" as a PI. The grant has been provided by DBT and covers the duration from 2024 to 2027.

- Prof Manoj Prasad has been sanctioned₹95.00 lakhs for a research project entitled "Functional characterization of Ubiquitin conjugation pathway genes for delineating its role in Tomato leaf curl disease resistance in tomato" as a PI. The grant has been provided by ANRF and covers the duration from 2023 to 2028.
- Prof. Tapasya Srivastava has been sanctioned ₹19,88,944/- for a research project entitled "Evaluating Exhaled Breath Condensate (EBC) as a promising non-invasive method for identification of clinically relevant genetic mutations in lung cancer" as PI. The grant has been provided by ICMR and covers the duration from 2024 to 2025.
- Prof. Tapasya Srivastava has been sanctioned ₹1068000/- for a research project entitled "Investigating the role of hypoxia in regulating differentiation and development of leukemia" as PI. The grant has been provided by ANRF (SERB-POWER) and covers the duration from 2024 to 2025.
- Prof. Tapasya Srivastava has been sanctioned ₹694620/- for a research project entitled "Investigating the Genetic Predictive Risk Factor Associated with Long-Covid sequelae in a Longitudinal Multisystem Study" as PI. The grant has been provided by MRP- IoE, University of Delhi, and covers the duration from 2024 to 2026.
- Prof. Surajit Sarkar has been sanctioned ₹15.00 lakhs for a research project entitled "A novel strategy for identification of modifiers and drugs to halt age-dependent trans-cellular propagation of pathogenic tau aggregates and associated impairments" as PI. The grant has been provided by IGNITE- Life Science Foundation and covers the duration from 2024 to 2025.
- Prof. Surajit Sarkar has been sanctioned ₹50.00 lakhs/- for a research project entitled "Deciphering the role of immune response Toll-pathway in mitigation of human tau-mediated neurodegeneration in Drosophila disease models" as PI. The grant has been provided by SERB and covers the duration from 2024 to 2027.
- Prof Akshay K Pradhan has been sanctioned ₹13.8 lakhs as INSA Senior Scientist. The grant has been provided by INSA and covers the duration from 2021 to 2024.
- Prof B K Thelma has been sanctioned ₹132 lakhs as National Science Chair. The grant has been provided by SERB and covers the duration from 2021 to 2024.
- Prof Deepak Pental has been sanctioned ₹132 lakhs as National Science Chair. The grant has been provided by INSA and covers the duration from 2022-2025.

Seminars Organized

- Prof. Alicia Hidalgo, Professor: University of Birmingham, UK, delivered a talk on Brain plasticity, degeneration, and regeneration on 4/4/2024
- Prof. Anindya Ghosh Roy, DBT India Alliance Senior Fellow, National Brain Research Center, Manesar, Gurgaon, delivers a talk on Functional rewiring of neural circuit on 26/4/2024.

Extension and Outreach Activities

- Prof Pradeep Kumar Burma as a resource person in workshops held at NISER Outreach Teachers Training Program held at National Institute of Science and Education Research, Bhubaneshwar, Odisha, 8th to 10th April 2024

- Prof. Burma was invited to deliver a talk on safety measures and maintenance of teaching labs as experts in "One Week Training Program for Lab And Technical Staff" organized by USIC on 11th July, 2024
- Prof Manoj Prasad is actively involved in not only developing educational projects for students at both the school and college levels but has also delivered talks to motivate young scholars and students towards STEM in different universities and institutes.
- Prof. Surajit Sarkar was invited to give a talk entitled "Developing combinatorial therapeutic drug target(s) for human neurodegenerative disorders: lessons from Drosophila disease models" in the conference "Advances in Biological Sciences: Molecules to organisms" Department of Zoology, Aligarh Muslim University, Aligarh-UP." December 28-29, 2024.
- Prof Tapasya Srivastava's lab conducted a one-day experimental workshop for ANDC students on 25 July 2024 on PCR.

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D. : 03

Faculty Strength

Total: 08 (Eight) - (Professor – 06, Associate Professor – 01 and Assistant Professor – 01)

Other Significant Information

Prof Burma
- nominated member on the Academic Committee of NII, New Delhi.
- Member Secretary of IBSC, FIAS

Prof. Srivastava
- Member Secretary, IEC of FIAS and Nude Mice facility at UDSC
- Member of the Governing Body of Ram LalAnand College, 14th June, 2024
- an expert member for drafting of exam syllabus for DHR non-medical fellowship
- IQAC nodal officer, 2024
- Research committee member, St John'sHospital, Bangalore; AIIMS and IGIB.
- M.Sc. thesis evaluator forAIIMS May, 2024

Prof. Sarkar
- Professor in-charge, CIF, UDSC, (2023-).
- Member, Neurobiology Task force (2023-) and selection of DBT-Star College (2019-), DBT, Government of India, New Delhi (2018-20; 2023-).
- Associate Editor: The Nucleus, Publisher: Springer Nature

Prof. Prasad, Member of
- CSIR-SRAB, ICAR- SRB, New Delhi
- DBT-Agricultural Biotechnology Task Force committee, New Delhi
- Advisory Committee of M.Sc. Biotechnology program (DBT supported) of Jammu University, Jammu Tawi (J&K).
- DST-FIST program (Life Sciences), New Delhi
- Selection Committee of DBT-RA, New Delhi

- Screening & monitoring committee of SERB-POWER grant proposals
- DBT Nominee, Annual Advisory Committee Meeting for DBT supported the PG Programme in Biotechnology/Allied sciences at Assam Agricultural University, Jorhat, Assam; IBSC constituted at ICAR-IARI; Dept. of Biotechnology, Indraprastha University, New Delhi

Prof. Amit Dutt

- CSIR Expert Monitoring Committee: Pan CSIR Cancer Research Program & Indian Breast CancerGenome Atlas
- Core Expert Committee Member for SERB programmes, Govt of India: EMEQ, ECRA, SRG, NPDF, CRG, SIRE, and SUPRA.
- ICMR Core Member
- Expert DBT-NCI/ AIIMS India Translational & Clinical Research Partnership Center for Cancer Genomics
- Scientific Reviewer, TTCRC, TMC, Kolkata
- Scientific Advisory Committee in Companies and Institutes
- Jury Member for Sun Pharma Science Foundation, Science Scholar Awards
- Jt Secretary, Molecular Pathologist Association of India

***

DEPARTMENT OF MICROBIOLOGY

Major Activities and Achievements

The Department hosts a diverse range of research activities spanning molecular microbiology, parasitology, and biotechnology. Prof. Swati Saha's laboratory investigates DNA biology and epigenetic regulation in *Leishmania*, with recent discoveries of two parasite-specific proteins involved in DNA replication. Prof. Rajeev Kaul's group focuses on understanding the role of *Peste des petits ruminants* (PPR) virus proteins in disease pathogenesis. Prof. Y. P. Khasa's laboratory specializes in recombinant protein production and bioprocess optimization, with a focus on large-scale expression of cytokines and therapeutic proteins. Dr. Ashwini Chauhan's research delves into biofilm-associated infections and resistance mechanisms, while Dr. Ram Karan's laboratory is engaged in the discovery of novel microbes and their biomolecules for environmental, biomedical, and biotechnological applications. Dr. Vijay K. Verma explores the molecular mechanisms underlying persistent infections and host-pathogen coexistence under stress conditions. Additionally, Dr. Pau Biak Sang's laboratory focuses on DNA repair mechanisms in *Candida glabrata* and is developing rapid detection methods for antimicrobial resistance.

Honours/Distinctions

Students

Mansi Joshi, an M.Sc Microbiology student, secured first position and received a gold medal.

Research Projects

- Prof. Swati Saha, has been sanctioned an amount of ₹ 4,44,67,000/- for a research project entitled, 'Fostering Innovation and technology development through BioIncubation' as PI. The grant has been provided by BIRAC-sponsored BioNEST program. and covers the duration from July 2022 till July 2026.
- Prof. Swati Saha, has been sanctioned an amount of ₹ 68,89,000/- for a research project entitled, 'Investigating the roles of SET26 and SET27 in the protozoan parasite *Leishmania donovani'* as PI. The grant has been provided by SERB and covers the duration from March 2024 till March 2027.
- Prof. Swati Saha, has been sanctioned an amount of ₹ 68,89,000/- for a research project entitled, 'Towards identifying parasite-specific proteins involved in DNA replication in the protozoan *Leishmania donovani'* as PI. The grant has been provided by DBT and covers the duration from August 2022 till August 2025.
- Prof. Rajeev Kaul, has been sanctioned an amount of ₹ 1,87,00,000/- for a research project entitled, 'Center of Antibody Engineering: Center for Immuno-Diagnostics/ Therapeutics Veneering technologies (CIVET)' as PI. The grant has been provided by DST-SERB and covers the duration from March 2022 till March 2025.
- Prof. Rajeev Kaul, has been sanctioned an amount of ₹ 59,60,000/- for a research project entitled, 'Specific Single domain antibodies (sdAbs) against antimicrobial resistant Mastitis pathogen for clinical therapeutic use in dairy animals' as PI. The grant has been provided by DST-SERB and covers the duration from March 2022 till March 2025.
- Prof Y.P. Khasa, has been sanctioned an amount of ₹ 61,98,000/- for a research project entitled, 'Development of a scalable expression platform for the overproduction of therapeutically important human Interleukin-2 (hIL-2) for immunotherapy in E. coli and Pichia pastoris' as PI. The grant has been provided by ICMR and covers the duration from April 2025 till March 2028.

- Dr. Ashwini Chauhan, has been sanctioned an amount of ₹ 56,50,000/- for a research project entitled, 'Devising Multi-characteristic surface coatings for CVC to prevent biofilm colonization and infections' as PI. The grant has been provided by ICMR and covers the duration from April 2021 till March 2025.
- Dr. Ashwini Chauhan, has been sanctioned an amount of ₹ 29,00,000/- for a research project entitled, 'Bacteriophages and their products for controlling the biofilms of drug resistant *K .pneumoniae'* as PI. The grant has been provided by DST-SERB and covers the duration from March 2022 till August 2024.
- Dr. Ashwini Chauhan, has been sanctioned an amount of ₹ 90,00,000/- for a research project entitled, 'Investigating the role of purified human milk oligosaccharides as antibiofilm agents for multi-drug resistant bacteria' as PI. The grant has been provided by ICMR and covers the duration from March 2022 till August 2024.
- Dr. Vijay Verma, has been sanctioned an amount of ₹ 47,00,000/- for a research project entitled, 'Unravelling the Mystery of Bacterial Persistent Infection: Genome-wide Identification and characterization of Toxin-Antitoxin systems of Helicobacter pylori' as PI. The grant has been provided by ICMR and covers the duration from March 2021 till August 2025.
- Dr. Pau Biak Sang, has been sanctioned an amount of ₹ 91,00,000/- for a research project entitled, 'A novel method for rapid detection of Antimicrobial Resistance' as PI. The grant has been provided by ICMR and covers the duration from April 2024 till March 2025.
- Dr. Ram Karan, has been sanctioned an amount of $20,000/- for a research project entitled, 'Advancing Green Energy: Screening for Next-Gen Microbes and Enzymes for Low-Carbon Biofuel Production' as PI. The grant has been provided by KAUST and covers the duration from 2024 till 2025.

Seminars Organized

- Prof. Barry T. Rouse, Professor, College of Veterinary Medicine, University of Tennessee, Knoxville, USA, delivered a seminar/talk on 'Meeting the Challenges of Controlling Viral Immunopathology' on November 14, 2024.
- Dr. Rajesh Kumari, Assistant Professor, Department of Zoology, University of Allahabad, Prayagraj, Uttar Pradesh 211002 India, delivered a seminar/talk on 'The role of RNA modifications in recent mRNA vaccine development against SARS-CoV2' on January 27, 2025.
- Dr. Manish Kumar, Research Associate, Department of Life Sciences, Imperial College London, UK, delivered a seminar/talk on 'how animals chil-out pathogens? Understanding immune signalling against oomycete pathogens in C. elegans on March 6, 2025.

Students under Exchange Programme

To promote the exchange in the field of science and technology by the Japanese Science and Technology Agency, one postgraduate student (Ms. Keerthana Pradeep) from the Department of Microbiology, University of Delhi South Campus, participated in an exchange program from September 18 to 14, 2024. The students engaged in lab-based research. Coordinated by the International Relations University of Delhi, the program

was funded by the Japanese Science and Technology Agency. Students enhanced their cross-cultural understanding and developed valuable research skills.

Placement Details (Number and percentage of students placed)

Most of the students who complete M.Sc. and Ph.D. courses from our department pursue Higher Education at various national and international institutions

Extension and Outreach Activities

The Department conducted several workshops for college students. In these workshops, students received hands-on training in basic molecular biology techniques, animal cell culture techniques, fermentation technology, and the use of HPLC. Under these workshops, a total of 70 students received direct hands-on training over the past year.

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D. : 05

Faculty Strength

Total: 07 (Seven) - (Professor – 03, Associate Professor – 02, and Assistant Professor – 02)

***

DEPARTMENT OF PHYSICAL EDUCATION AND SPORTS SCIENCES

Major Activities and Achievements

The Department of Physical Education and Sports Sciences (DPESS), established in 2005, is committed to fostering the values and qualities essential for the development of sports persons and physical education professionals at various levels. Its primary objectives include conducting diverse training programmes in physical education and sports, providing opportunities for research on multiple facets of physical education and sports sciences, and offering professional and socially relevant postgraduate teaching programmes. These academic initiatives are undertaken either independently or in collaboration with other departments, covering disciplines such as psychology, yoga, and other related fields in health and physical education.

DEPARTMENT OF PLANT MOLECULAR BIOLOGY

Major Activities and Achievements

The Department of Plant Molecular Biology achieved significant advancements across diverse areas of fundamental and applied plant biology in 2024-2025. Research provided deeper insights into molecular signaling mechanisms underlying stress tolerance, particularly involving calcium signaling, reactive oxygen species homeostasis, and ABA pathways contributing to salt and drought stress resistance. Genetic analyses revealed critical roles of transcriptional regulators and Mediator complex subunits in reproductive development and meiotic processes. Studies in transcriptional regulation further elucidated structural and functional roles of key transcription factors, general transcriptional machinery, and epigenetic factors, including methyl-CpG-binding-domain proteins and long non-coding RNAs. Metabolomics-driven research highlighted plant defense responses against biotic stress, and advancements were made in metabolic engineering for enhanced terpenoid production. Investigations into plant-pathogen and plant-insect interactions disclosed complex defense strategies involving translational reprogramming, MAP kinase signaling, and hormonal crosstalk mechanisms. Applied biotechnology approaches, such as genome editing and transgenic strategies, were leveraged to develop resistance against pests and pathogens in agricultural and forestry contexts. Additionally, efforts were made to construct specialized bioinformatics resources, notably the Mediator complex interaction database, supporting further functional genomics research. Collectively, these multidisciplinary achievements affirm the department's significance in contemporary plant molecular biology at both national and international levels.

Honours/Distinctions

Students

- Diksha Bisht Ph.D. 2024 was awarded with an International Travel Support (ITS) grant by Anusandhan National Research Foundation (ANRF), SERB, to attend the 13th International Plant Molecular Biology (IPMB) Congress during June 24th-28th, 2024, held in Cairns, Queensland, Australia.
- Diksha Bisht Ph.D. 2024 was awarded the Poster presentation award organized by the 13th International Plant Molecular Biology (IPMB) Congress during June 24th-28th, 2024, held in Cairns, Queensland, Australia.
- Sonam Pahuja Ph.D. 2025 was awarded the ASPB Travel Award to attend the Plant Biology 2025 conference organised by the American Society of Plant Biologists (ASPB) in Milwaukee, Wisconsin, USA.

Research Projects

- Prof. Sanjay Kapoor, Department of Plant Molecular Biology has been sanctioned the amount of Rs 87.47 lakhs for a research project entitled "Deciphering the Role of Translational Regulation in Embryo and Endosperm Differentiation During Early Seed Development in Rice" by DBT from 19-10- 2023 to 18-10-2026
- Professor Girdhar K. Pandey, Department of Plant Molecular Biology has been sanctioned the amount of Rs. 88.15 Lakhs for a research project entitled "Precise Gene Editing in Potassium Uptake/Distribution on Machinery to Develop Mineral Nutrient Deficiency Tolerant Rice" [Hi"K"E], The grant has been provided by DBT, India from December 2023 till 2 December 2026.
- Professor Girdhar K. Pandey, Department of Plant Molecular Biology has been sanctioned the amount of Rs. 38.53 Lakhs for a research project entitled "Deciphering the role of CBL-CIPK in regulating WRKY transcription factor in abiotic stress responses" The grant has been provided by SERB, India, July 2023 to July 2026.
- Professor Girdhar K. Pandey, Department of Plant Molecular Biology has been sanctioned the amount of Rs. 92 Lakhs for a research project entitled Name of the

project: Integrating calcium and reactive oxygen species signaling for the development of stress tolerance rice using CRISPR/Cas9 mediated genome editing approach" The grant has been provided by DBT, India May 2023 till May 2027.

- Prof. Saurabh Raghuvanshi, Department of Plant Molecular Biology has been sanctioned the amount of Rs 603.04 lakhs for a research project entitled" Mainstreaming rice landraces diversity in varietal development through genome-wide association studies: A model for large-scale utilization of gene bank collection of rice" under the mission programme of "Characterization of genetic resources" by DBT from 05-03-2023 to 04-03-2027
- Professor Surekha K-Agarwal, Department of Plant Molecular Biology has been sanctioned the amount of Rs 18.50 lakhs for a research project entitled "Unravelling the role of RNA Pseudouridylation in regulating heat stress response in plant." The grant has been provided by SERB-DST from August 2023 to August 2026
- Dr. Kamal Kumar, Department of Plant Molecular Biology has been sanctioned the amount of Rs 28.70 lakhs for a research project entitled "Identification of chickpea race-specific resistance genes against fusarium wilt disease and generation of molecular markers for breeding" sponsored by SERB scheme Start-up Research (SRG) [SRG/2023/002216]. for a period from January 2024 till January 2026.

Patents Filed/Granted

Dr. Archana Singh, Associate Professor in Department of Plant Molecular Biology PLANT PATHOGEN DETECTION DEVICE (design; class 10-05); Indian Application No. 419700-001 [2024].

Status: Granted.

Dr. Archana Singh, Associate Professor in Department of Plant Molecular Biology • ML-powered freshness analyzer device- for veg. & fruits (design); Indian Application No. 407518-001[2024]:

Status: Granted.

Seminars Organized

- PMB Guest lecture by Dr. Sudhir Kumar, Iowa state university Ames, IA USA and title of the talk is, "Plasmodium fertilization: Role of plant like gamete Fusogens", on May 6, 2024.
- PMB Guest lecture by Prof. Gyaneshwar Prasad, Professor and Departmental Chair Biological Sciences, College of Letters and Sciences, University of Wisconsin, Milwaukee USA. The title of the talk is, "Friends and benefit: the tales of Rhizobium-Plant Interaction", on May 22, 2024.
- PMB Guest Lecture by Dr. Kalpana Panneerselvam, Lead-IntAct IntAct and title of the talk is "Molecular Interaction Database", on January 7, 2025.
- PMB Guest Lecture by Dr Jitesh Singh Rathee, Bio-Science Group BARC, and title of the talk is "Atoms in the Service of the Nation: It's Future and Career Opportunities", on January 15, 2025.

- PMB Guest Lecture by Prof. Christine H. Foyer, FRS; Adjunct Faculty, DPMB, School of Biosciences, University of Birmingham, UK., and Title of the talk is "How will Plants Adapt to a High CO2 World" on March 24, 2025.

Other Inter-Institutional Collaboration

Collaboration of Prof Girdhar K. Pandey with Prof. Christine H. Foyer, University of Birmingham, UK, under the SERB-DST VAJRA (Visiting Advanced Joint Research) Faculty Scheme. Prof Christine visited DPMB, UDSC for two weeks during March 2025 for the joint research work/project completion.

Placement Details (Number and percentage of students placed)

Most of the students who complete M.Sc. and Ph.D. courses from our department pursue Higher Education at various national and international institutions. This year 67% PhD (4 out of 6) students got placed in different institutions.

Extension and Outreach Activities

Students' Excursion Tour was organized by the Department for various institutions in the Chandigarh Mohali area for M.Sc. and Ph.D. students in January 2025.

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D. : 06

Faculty Strength

Total: 08 (Eight) - (Professor – 05, Associate Professor – 01 and Assistant Professor – 02)

****

FACULTY OF LAW
CAMPUS LAW CENTRE

Major Activities and Achievements

Campus Law Centre fondly known as CLC is one of the premier legal education centers of the country. It was established in 1922, under the aegis of University of Delhi in its foundation year. In 1975, the day classes of LL.B. of the Faculty of Law were rechristened as Campus Law Centre. The Campus Law Centre or CLC, known for its great achievements, has the distinction of being one of the oldest and most prestigious institutions, which continues to preserve its 100 years of rich heritage and legacy of yielding profound lawyers, academicians, Union Cabinet Ministers, Chief Justices, and judges.

Campus Law Centre (CLC) organized the 21st K.K. Luthra Memorial Moot Court Competition from February 21–23, 2025. This year's competition received the participation from 127 teams from India and abroad.

CLC Organized Rangmanch 2.0, a flagship event of its Cultural Society, on March 5 and 6, 2025 wherein veteran actor Mr. Piyush Mishra came as chief guest.

Students with Distinctions

- Anushka Sharma (Speaker), Mehul (Speaker), and Sehrish Jafri (Researcher), students of LL.B., were winners in the 5th Gurjeet Singh Memorial National Moot Court Competition organized by National Law University and Judicial Academy, Assam, May 24–26, 2024.
- Anant Kumar Singhi (Speaker), Arivarasan M (Speaker), and Sachin Yadav (Researcher), students of LL.B., were winners in the 2nd Bennett International Moot Court Competition organized by Bennett University in collaboration with University of Waikato, New Zealand, February 7–9, 2025.
- Bashar Khan (Speaker), Priya Bansal (Speaker), and Fardin Nasim Ansari (Researcher), students of LL.B., won 1st Runner Up in the 4th National Moot Court Competition organized by Legal Locks, February 8–9, 2025.
- Shreya Nanda (Speaker), Vrinda Mittal (Speaker), and Nandini Dube (Researcher), students of LL.B., won 1st Runner Up in the 15th SLCU CAM International Environmental Law Moot organized by Christ University, Bangalore, February 28–March 2, 2025.
- Kunal Raj (Speaker), Nikhil Chaudhary (Speaker), and Ritik Choudhary (Researcher), students of LL.B., won 1st Runner Up in the 5th National Moot Court Competition organized by Career Point University, Himachal Pradesh, May 24–25, 2024.
- Madonna (Member), Yugaanter Negi (Member), Anshika Bhatnagar (Member), Nandini Dube (Member), and Sumedha Tiwari (Member), students of LL.B., won 1st Runner Up in the 4th Annual Boston International Innovation Moot on AI and IP, February 2025.
- Aman Kumar (Speaker), student of LL.B., was awarded Best Speaker in the 22nd TSV National Moot Court Competition, February 21–23, 2025.
- Ritik Choudhary (Researcher), student of LL.B., was awarded Best Researcher in the 5th National Moot Court Competition organized by Career Point University, May 24–25, 2024.
- Sehrish Jafri (Researcher), student of LL.B., was awarded Best Researcher in the 5th Gurjeet Singh Memorial National Moot Court Competition organized by NLUJA Assam, May 24–26, 2024.
- Sehrish Jafri (Researcher), student of LL.B., was awarded Best Researcher in the 19th All India Moot Court Competition organized by Government Law College, Thiruvananthapuram, January 23–26, 2025.
- Shrestha Verma (Researcher), student of LL.B., was awarded Best Researcher in the 5th Moot Court Competition organized by School of Law, CHRIST (Deemed to be University), Delhi NCR Campus, March 21–23, 2025.
- Kratika Kushawaha (Speaker), Priya Goel (Speaker), and Sidhanth Singh (Researcher), students of LL.B., were awarded Best Memorial in the 6th ICFAI Inter University Moot Court Competition organized by ICFAI, Dehradun, February 15–16, 2025.
- Aradhya Yadav (Speaker), Prabhsimran Kaur Sran (Speaker), and Snehil Himanshu (Researcher), students of LL.B., were awarded 3rd Best Memorial in the 7th Surana & Surana and RGNUL International Law Moot Court Competition organized by RGNUL, August 2024.
- Saksham Rai (Mediator), student of LL.B., was awarded Best Mediator in the 5th MAIMS Mediation Competition organized by Maharaja Agrasen Institute of Management Studies, March 8–23, 2025.

Social Outreach

CLC, particularly through its various active societies and committees, indulges in various outreach initiatives and activities. Its Legal Aid Society (LAS), whose avowed objective is to provide legal aid and assistance to people who cannot afford professional legal help, undertook several impactful outreach programs during the year 2024–25, focusing on legal education, public engagement, and access to justice. Key components included seminars, participation in Lok Adalats, and legal awareness drives. LAS actively participated in National Lok Adalats on May 11, 2024, December 14, 2024, and March 8, 2025. Students assisted in dispute resolution processes under the guidance of National Legal Services Authority (NALSA) and Delhi State Legal Services Authority (DSLSA), gaining practical experience in delivering justice. On January 31, 2025, LAS conducted a Legal Awareness Drive in Kingsway Camp, Mukherjee Nagar, to educate the local community on legal rights and available aid. It also runs 'Awaaz-The Blog' available at: https://www.lasclc.in/. These initiatives reflect CLC's strong commitment to legal empowerment and social justice through its various social outreach activities.

ECA/Sports

The societies and committees of the Campus Law Centre (CLC) organize various extracurricular events throughout the year. In 2024-25, CLC's Quiz Society, in collaboration with LAWGYSTIX Foundation, conducted the Women & Justice Online National Quiz Competition on March 7, 2025. CLC's Sports Society plays a pivotal role in fostering a vibrant sports culture and promoting holistic development among students and faculty. Beyond organizing events, it encourages a healthy, active lifestyle through regular sports activities, tournaments, and fitness workshops, helping students balance academics and physical well-being.

In October 2024, it hosted "Sports Conclave–2," a flagship event that brought together students, faculty, and guests to celebrate sports' transformative power, with notable sports personalities like Ms. Megha Parmar and Mr. Rishabh Chaudhary. The society also participated in the VIKSIT BHARAT RUN and YOGA DAY, organized by the University of Delhi. Another key event, "She Roars," held on March 22, 2025, celebrated women's achievements in sports and beyond. Guests included Commonwealth silver medallist Ms. Tulika Mann and Prof. Abha Jain. The event featured various sporting activities, panel discussions, and motivational talks, reinforcing CLC's commitment to inclusivity and gender sensitization as a progressive academic institution.

Other Significant Information

Campus Law Centre has produced several notable alumni. Among them are Dr. Justice D. Y. Chandrachud, the 50th Chief Justice of India (served until November 10, 2024), and Justice Sanjiv Khanna, the 51st Chief Justice of India. The CLC Library offers rich physical resources and essential digital solutions for students and faculty. CLC educators stay up-to-date with the latest pedagogical techniques and technological advancements through continuous professional development, and actively participate in academic and student oriented initiatives year-round.

In addition to classroom activities, CLC has several vibrant societies and committees, including the Legal Aid Society, Placement Assistance Council, Debate and Discussion Society, Moot Court Society (MCS), Sports Society, and Enabling Unit, whose several key events and initiatives during the previous year have been detailed in the preceding sections. Some events, among others, organized by the MCS in the relevant period are: Orientation Programme and Moot Demonstration for incoming students; Freshers' Induction Moot Workshops; Common Induction Moot Workshops on various themes. CLC's Building Maintenance Committee extensively worked to renovate the CLC Seminar Room.

CLC faculty members conduct high quality research, deliver numerous invited lectures, are invited as resource persons and make seminars/conference presentations of their research, both nationally and internationally. For example, Dr. Kshitij Kumar Singh was appointed as the Research Affiliate to the International Collaborative Bioscience Innovation & Law (Inter-CeBIL) Programme at the University of Copenhagen (May 28, 2024) and Dr. Mehpara judged 1st SSIA-NUSRL National Criminal Law Moot Court Competition organized by National University of Study and Research in Law, Ranchi in October 2024. CLC also regularly uploads videos of its various academic events, etc. on its Official YouTube channel: Campus Law Centre, University of Delhi that presently has 4.3K subscribers.

LAW CENTRE-I

Major Activities and Achievements

Law Centre-I carried out all teaching-learning activities including seminars, workshops, training programs and placement activities. Law Centre-I organized the XVIIIth LC-I All Delhi NCR Moot Court Competition and had overwhelming participation of students from major law schools in Delhi-NCR.

Law Centre-I North-East Cell conducted an event under the theme: "MOSAIC 2025: Celebrating Culture & Honouring Heritage". Theme reflected the commitment of the North-East Cell to celebrating the rich cultural heritage, resilience, and identity of the Northeastern region. The event aims to foster a sense of community and belonging while encouraging cross-cultural understanding within the academic space.

Law Centre-I Entrepreneurial Law Clinic convened Youth Parliament 2.0 under the Theme: "Empowering Women in Indian Legal Field - Vision for Viksit Bharat 2047"

The faculty members have published research papers in national and international journals and chapters in book published by reputed publishers.

Law Centre-I secured 1st position in RTI Drafting competition and 2nd in best mediator

LAW CENTRE-II

Major Activities and Achievements

Law Centre II has been organising varied nature of activities for the both social and professional development of its students. To list a few of the major activities, we would like to inform you that LC2 organised a its annual International Moot Court from 22nd to 23rd November which was a huge success. Participants from all over India and from other countries as well participated in this moot court competition. Various Industry Experts and judges also visited the institution not only to judge the participants but also to teach the students basic mooting skills.

Apart from this International Women's Day was celebrated with great Pomp and show in the event

organised by the Legal Aid society of Law Centre II. This event aimed to sensitize students about the problems faced by women and the changing dimensions of the modern society.

For the development of its teachers Law Centre Organised a One Week Faculty Development Programme on Reforms in Criminal Laws of Bharat which saw a huge participations from academicians throughout India. The programme was a huge success.

NSS Committee of Law Centre II also organised numerous programmes in the form of Plantation Drive and Blood Donation Camp.

- Dr. Vivek Soni, Assistant Professor, Faculty of Management Studies (2025), Research Publication Award by the Institution of Eminence, DU.

Students

- Aman Dua, a student of MBA (1st Year) was the National Finalist at Mahindra Rise Challenge for the year 2024-25.
- Aman Dua, a student of MBA(1st Year) was the National Finalist at Reckitt Career Compass for the year 2024-25.
- Aman Dua, a student of MBA(1st Year) was the Campus Winner at Flipkart Wired 8.0 for the year 2024-25.
- Tanya Verma, a student of MBA (1st Year) was theNational Runners up at VCIC for the year 2024-25.
- Aishu Goel, a student of MBA (1st Year)was the National First runner up at Accenture B-School Challenge Season 8 for the year 2024-25.
- Aryaman Jain, a student of MBA (1st Year) was the National Winner at BCG ReDEIsign 2.0 for the year 2024-25.
- Garima Malik, a student of MBA (2ndYear) was the National Runner Up at L'Oréal Brandstorm'24 for the year 2024-25.
- Aishu Goel, Mudit Agarwal, Karan Grover, students of MBA (1st Year) were the National Semi Finalist at Saregama case competition for the year 2024-25.
- Kushal Gupta, a student of MBA (1st Year) was the National First Runners Up at Insurethon 1.0 HDFC Ergo for the year 2024-25.
- Chirag Chaudhary, a student of MBA (1st Year) was the National Winner at Capgemini La Nique 7.0 for the year 2024-25.
- Siyyadri Chakradhar, a student of MBA (1st Year) was the National Finalist at Amazon ACE Challenge for the year 2024-25.
- Manushree Singh, a student of MBA (1st Year) was the National Finalist at Samagra The Governance Challenge for the year 2024-25.
- Mrityunjaya Thakur, a student of MBA (1st Year) was the National Finalist at Salesforce Futureforce '24 for the year 2024-25.

- Alisha Borali, a student of MBA (1st Year) was the National Finalist at Xiaomi Summit 6.0 for the year 2024-25.
- Chirag Kharbanda, a student of MBA (2ndYear) was the National Winner at ReLead 7.0 for the year 2024-25.
- Rithika Mehta student of MBA (2ndYear) was the National Winner at Tata Imagination Challenge for the year 2024-25.
- Ishan Yadav, a student of MBA (2ndYear) was the National First Runners Up at Mondelez Maestros 2025 for the year 2024-25.
- Siddharth Singh, a student of MBA (2ndYear) was the National Second Runners Up at Accenture B-School Challenge Season 8 for the year 2024-25.

Patent Granted

- Dr. Anshika Agarwal. Smart Shopping Bag with Vacuum Insulated and Temperature Display. Patent No. 437130-001. 3rd February 2025.

Seminars Organized

1. Mr. Sanjay Chhadha, the Director of Public Policy for India & South Asia at Uber India delivered a talk on 'Policy in action: Driving change in business and Society' on 24th February 2025

2. Dr. Karan Thakur, VP of Sustainability, ESG & Public Affairs at Apollo Hospitals delivered a talk on 'Policy in action: Driving change in business and Society' on 24th February 2025.

3. Ms. Gurvinder Kaur, IES, Joint Director, Department of Economic Affairs, Ministry of Finance delivered a talk on 'Government Budget' on 13th February 2025.

4. Mr. Prathviraj Gupta, Chairman, Ortiva Realty & Developers Pvt. Ltd; Dr. Rahul Amritraj, Head-Centre for Medical Innovation and Incubation at Govt. Institute of Medical Sciences, Greater Noida, and Mr. Rudransh Garg, Dharaksha Ecosolutions, were invited to the inaugural event of ThinkX-Business Startup Lab of FMS Delhi, and spoke on the topic of "Entrepreneurship Through the Ages – Navigating Expectations and Career Aspirations for Future Work." on 27th February 2025.

Students under Exchange Programme

Under the MoU between Financial University, Russia and the FMS, University of Delhi, 1 student named 'Pavlov Aleksandr Andreevich' from Financial University, Master of Management (Management and Industrial Business) First Year attended the Master of Business Administration (MBA) Full Time program as a foreign exchange student in the Academic Session 2024-2025 for the third semester (July - November, 2024).

Placement Details (Number and percentage of students placed)

260 out of 298, 87.23%

Extension and Outreach Activities

The activities are as follows:
1. Organised a Sports Fest-Northern Brawl in collaboration with XLRI Delhi for 3 days.
2. Organised Case Solvers workshop in collaboration with CAseSolvers for 2 days.
3. Organised a 'Launch of a live project opportunity' in collaboration with Ingenium consultancy.

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D. : 11

Faculty Strength

Total: 45 (Six) - (Senior Professor/ Professor – 17, Associate Professor – 00, Assistant Professor – 23 and Guest- 05)

Social Outreach

Organised the following:
1. Awareness session on "Peaceful Coexistence of humans and animals" in collaboration with Heads Up For Tails, participated by 70 participants.
2. Social Internships in collaboration with Child Rights And You (CRY), participated by 17 participants.
3. Social Internships in collaboration with Mobile Creches NGO, participated by 28 participants.
4. Clothing drive in collaboration with Goonj, Rahat Campaign, participated by 100 participants.
5. Extempore Competition on "Why Early Childhood Development (ECD) is not prioritized in India?" in collaboration with Mobile Creches NGO, participated by 148 participants.
6. Case Competition organised by Vihaan in collaboration with Sharansthan NGO, participated by 259 participants.
7. CAT Score Booster Session in collaboration with Indian Association for the Blind, participated by 62 participants.
8. Health Awareness session on PCOD in collaboration with Dr. Yukti Wadhawan (MBBS, MS, FRM, FICOG, FIMSA, F.MAS), participated by 120 participants.
9. Silent Auction to raise money for social causes, participated by 119 participants.
10. FMS Thrift Exchange, participated by 40 participants.
11. NGO Visits to ignite social consciousness in collaboration with Mobile Creches, participated by 20 participants.

ECA/SPORTS

Across a wide spectrum of Indian collegiate and corporate contests, the FMS Delhi contingent has posted a stellar tally of podium finishes—dominated by the quiz duo of Shashank Tyagi and Ankita Shandilya. Together they swept multiple quiz genres—India, Law, Sci-Biz-Tech, General, MELA, BizTech and TLC—at flagship fests such as NALSAR's Interrobang, IIT Delhi's Rendezvous, Punjab Engineering College's Verve, IIM Lucknow's Qrioso, and IIM Ahmedabad's Quiz Fest, accruing 19 first-place titles, four seconds and a third. They also clinched the national championship at Rajagiri Business School's prestigious National Biz Quiz and finished national runners-up in NTPC's Electron Business Quiz. They added further laurels at IIT Roorkee and IIT Delhi. Teammates Sushant Adlakha and Mohammad Mahatab complemented this record by reaching the Electron Quiz semi-finals, while the Ridima Srivastava–Garima Malik pair captured the 2024 national crown and 2025 runners-up spot in FMS Forum's Thinc Debate. Beyond quizzing, FMS excelled in case competitions: Chirag Chaudhary and Pragati Jenneth Tudu won Capgemini's La Niaque 7.0 and secured bronze at IIM Nagpur's Prabhav 5.0; Alisha Bhorali joined Chandni Choudhary as national runners-up in Tata Products' Grow Beyond Better. Choudhary also shone on prime-time television, winning ₹26 lakh on Kaun Banega Crorepati Season 16. Collectively, the cohort displayed remarkable versatility—dominating quizzes, debates, and strategic business challenges on the national stage.

Funds Utilized: Rs. 1.12 Crores

Funds Allocated: Rs. 1.93 Crores

- Major Research Project (MRP), Institution of Eminence, University of Delhi, Dr. Kuldeep Singh, Mining of High Utility Sequential Patterns using Evolutionary Techniques, ₹ 10,30,000
- Institution of Eminence (IoE), University of Delhi, Dr. Om Pal, Development of a Lightweight Communication Protocol for the Internet of Drones (IoD), ₹ 5,00,000
- IIT Guwahati – Technology Innovation and Development Foundation, Dr. Reena Kasana (Co-PI), Development of an underwater ROV for inspection of dams and bridges, ₹ 15,00,000

Patents Filed/Granted

- Naveen Kumar, Rashmi Mishra, Ankit Rajpal, and Sheetal Rajpal. An interpretable leaf disease detection device (I-LDD). German Patent Office, assignee. 202024103925. 20 Aug. 2024.
- Manoj Agarwal, Naveen Kumar, Virendra Kumar, Ankit Rajpal, Sheetal Rajpal. Arpita Saggar, and Ashok Kumar Vaid. An explainable artificial intelligence-based biomarker discovery system. German Patent Office, assignee. 202024100861. 18 Apr. 2024.
- Om Pal, Bashir Alam, Centralized Digital System for Ppv and Ppc Multimedia Services for Conditional Access System, Indian Patent No: 515115, Date of grant: 26.02.2024.
- Om Pal, Bashir Alam, Method and System For Secure Group Communication For Dynamic Group, Indian Patent No: 514965, Date of grant: 26.02.2024.

Conferences Organized

1. Ankit Rajpal
   - Contributed as Member of Organizing Committee in two-day workshop on ‘Mathematical Sciences for VIKSIT BHARAT@2047’ organized by Faculty of Mathematical Sciences, University of Delhi, held during April 12-13, 2024.

2. Neelima Gupta
   - Under her headship & supervision, One week Faculty Development Program on “Quantum Computing and Post- Quantum Cryptography” in collaboration of NIT Patna & sponsored by MeitY was organized at Department of Computer Science, University of Delhi from February 3 to February 9, 2025

- Under her headship & supervision, Cyber Security Awareness Week (March 25 to March 31, 2025) in collaboration of C-DAC Noida was organised at the Department of Computer Science, University of Delhi.

3. Om Pal
   - Coordinator for One week Faculty Development Program on "Quantum Computing and Post-Quantum Cryptography" in collaboration of NIT Patna & sponsored by MeitY organized at Department of Computer Science, University of Delhi from February 3 to February 9, 2025.
   - Coordinator for Cyber Security Awareness Week (March 25 to March 31, 2025) in collaboration of C-DAC Noida at the Department of Computer Science, University of Delhi.

4. Reena Kasana
   - Organising member for One week Faculty Development Program on "Quantum Computing and Post- Quantum Cryptography" in collaboration of NIT Patna & sponsored by MeitY organized at Department of Computer Science, University of Delhi from February 3 to February 9, 2025.
   - Coordinator for Cyber Security Awareness Week (March 25 to March 31, 2025) in collaboration of C-DAC Noida at the Department of Computer Science, University of Delhi.

National/International MoUs Signed

1. Neelima Gupta
   - Under headship & supervision of undersigned, Department of Computer Science, University of Delhi played a pivotal role in signing of Memorandum of Understanding (MoU) between University of Delhi and Centre for Development of Advanced Computing (C-DAC). MoU was signed on March 5, 2025. As a result of this collaboration, (i) Few R&D joint project proposals have been submitted to funding agencies. (ii) Few students of the Department of Computer Science are undergoing project internships at C-DAC.

2. Om Pal
   - Coordinator/convener from Department of Computer Science, University of Delhi, for the signing of the Memorandum of Understanding (MoU) between the University of Delhi and the Centre for Development of Advanced Computing (C-DAC). The MoU was signed on 5th March 2025. As a result of this collaboration, (i) Few R&D joint project proposals have been submitted to funding agencies. (ii) Few students of the Department of Computer Science are undergoing project internships at C-DAC.

Other Inter-Institutional Collaboration

1. Neelima Gupta
   - Under her headship & supervision, Department of Computer Science, initiated the process of submission of proposal for Visvesvaraya PhD seats (for 2025-2026 session) to MeitY. The proposal submitted successfully and University of Delhi got 3 Visvesvaraya PhD fellowships of budget of Rs. 1,14,93,600/- (PhD-04/03-2025/57 dated 26.03.2025) from MeitY, Govt of India for the year 2025.
2. Om Pal
   - As a Nodal officer of 'PhD Scheme MeitY', University of Delhi, initiated the process of submission of proposal for Visvesvaraya PhD seats (for 2025-2026 session) to MeitY. The proposal submitted successfully and University of Delhi got 3 Visvesvaraya PhD fellowships of budget of Rs. 1,14,93,600/- (PhD-04/03-2025/57 dated 26.03.2025) from MeitY, Govt of India for the year 2025.
   - Member Convener in Bureau of Indian Standards, Ministry of Consumer Affairs, Food and Public Distribution, Government of India for Review of ISO Standard 16340 (Application of blockchain-based traceability platform for cold chain food) for

Adoption as Indian Standards and ISO Standard ISO 20415 (Trusted mobile e-document framework— Requirements, functionality and criteria for ensuring reliable and safe mobile e-business) from January 2025.

- External Academic Advisor, Department of Computer Science and Engineering, Sri Ramakrishna Engineering College (Anna University), Coimbatore, from March, 2025.

Placement Details (Number and percentage of students placed)

Total Offers 61: Total Placed Students 58: (Total Placed MCA Students 38,Total Placed MSC Students 20)

Extension and Outreach Activities

- Sankalan 2025, the annual technical festival organized by the Department of Computer Science, University of Delhi, was held on April 19–20, 2025. The two-day celebration received an overwhelming response, with 2,173 registrations and more than 700 participants actively engaging in a wide array of events. A total of 170 attended offline Day 1, and 380 attended offline Day 2. Bringing together students from across the region, Sankalan 2025 once again proved to be a vibrant platform for showcasing talent, innovation, and enthusiasm.
- Into the Mountains! March 7th to 11th, 2025, the department took a memorable journey filled with adventure and bonding. They began with the Tungnath-Chandrashila trek, reaching 13,000 feet and enjoying stunning views. Next, they trekked to Deoria Taal, a serene lake surrounded by the Himalayas. Their trip concluded with a peaceful stay in Rishikesh, where they explored spiritual sites such as the Devprayag Sangam and Dhari Devi Temple. This experience reminded us that great teams are built through shared challenges and experiences.

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D.: 10

Faculty Strength

Total: 12 (Twelve) - (Sr. Professor – 3 + 1 (after Superanuation), Professor – 1 (on deputation), Associate Professor – 04 and Assistant Professor – 04)

***

DEPARTMENT OF MATHEMATICS

Major Activities and Achievements

The Department of Mathematics at the University of Delhi, established in 1947, continues to uphold its reputation as one of the leading mathematics departments in the country. The Department currently offers M.Sc. and Ph.D. programs and has received substantial support through grants from UGC (SAP-DRS, SAP-DSA), DST (FIST, PURSE), NBHM, and DAE, India. In the QS World Rankings 2025, the Department is placed in the 201–250 band globally and holds the 8th position in India in the subjectwise ranking. During April 2024 – March 2025, faculty members undertook research projects worth approximately ₹69.97 lakhs and published 63 research papers in reputed international journals. The Placement Cell organized multiple webinars and workshops to enhance student competencies. In the academic year 2024–25, around 19 companies, including Axtria, CourseLeap, Aakash, Deloitte, and MathCo, recruited students, with the highest package offered being ₹13 LPA.

Honours/Distinctions

Faculty

- Ruchi Das is a Member of (i) committee constituted for formulation of re-employment of research oriented academicians for promoting and strengthening the research culture in the University & for formulation of re-employment of research oriented academicians for promoting and strengthening the research culture in DU Colleges, (ii) Subject Expert Committee on Physical and Mathematical Sciences under Women Scientists Scheme-A, a flagship program of DST, (iii) Subject Expert Committee on Physical and Mathematical Sciences under WISE-PDF program of DST.

- Ruchi Das is (i) a Subject Expert on Mathematical Sciences, Inspire Fellowship, DST, and (ii) an External Member for the Academic Council of the University of Allahabad, Prayagraj, for a period of three years w.e.f. June 07, 2024.

- Tarun Das is (i) a Member of the Standing Committee for Academic Matters, (ii) a Member of the Academic Council of DU and AU, (iii) Honorary Treasurer, Indian Society for History of Mathematics, and (iv) an expert member for VC selection in the country for many Universities.

- Surendra Kumar received Research Publication Award Grant in 2024.

- C S Lalitha is (i) a Member of the FIST Expert Committee of DST, 2024, and (ii) an External Member on the Special Committee, School of Physical Sciences, Jawaharlal Nehru University, 2024-2027.

- L K Vashisht is a member of Editorial Board of International Journal of Wavelets Multiresolution and Information Processing.

Seminars Organized

- Dr. Akshat Das, Assistant Professor, United States Military Academy New York, U.S.A. delivered a talk on nvestigation of Gaps problems in Diophantine Approximation on Jun 12, 2024.
- Dr. Pratyoosh Kumar, Associate Professor, IIT Guwahati delivered a talk on The Hardy–Littlewood Maximal Theorem beyond Euclidean Spaces on Dec 2, 2024.
- Dr. Prem Prakash Pandey, Associate Professor delivered a talk on IISER Berhampur Prime Generating Functions on Jan 20, 2025.
- Prof. A. Leroy, Professor, University of Artois, Arras delivered a talk on France Evaluations of

polynomials in noncommutative settings on Jan 21, 2025.

- Prof. S.K. Jain, Professor, Ohio University, Ohio, USA delivered a talk on Regular Rings and Separativity Problem for PI, PM, GPI, Self-Pseudo Injective, and C * Algebras on Jan 21, 2025.
- Dr. Abhay Jindal, Associate Professor, IISc Bengaluru delivered a talk on Approximation by inner functions on Jan 23, 2025.
- Prof. Eknath Ghate, Professor, TIFR, Mumbai delivered a talk on The Tau of Ramanujan on Feb 18, 2025, South Campus.
- Prof. Malay Banerjee, Professor, IIT Kanpur, delivered a talk on Structural Sensitivity and Global Bifurcations associated with Chaotic Dynamics on Feb 28, 2025.

Extension and Outreach Activities

- Department organized (I) Quiz, Poster and Slogan Writing Competition on the theme "Viksit Bharat" on August 14, 2024, and (ii) Quiz and Poster making Competition on the theme "Atulya Bharat" on January 24, 2025.
- Tarun Das delivered a talk on the topic "Recurrence and beyond via Toral automorphisms" in a Refresher Course in Mathematica at CPDHE, University of Delhi during September 18, 2024 – October 1, 2024.
- Ranjana Jain delivered a talk on (i) "Research Methodology in Mathematics for Undergraduates" at Keshav Mahavidyalaya College, University of Delhi on March 20, 2025, and (ii) "Some Applications of Linear Algebra" at the Annual Mathematics Fest 'Tangentia-25' of Atma Ram Sanatan Dharam College, University of Delhi on March 26, 2025.
- Ratikanta Panda delivered a talk on "Browder's Fixed-Point Theorem" in a Refresher Course in Mathematica at CPDHE, University of Delhi during September 18, 2024 – October 1, 2024.
- Arvind Patel delivered a talk on (I) "Conservation Laws, Characteristics and Shocks," at Sri Venkateswara College, University of Delhi on March 26, 2025, (ii) "Well-posed Problem in Differential Equations" at Daulat Ram College, University of Delhi on March 5, 2025, and (iii) "Existence, uniqueness and stability of solution of IVP" at Rajdhani College, University of Delhi on May 2, 2024.
- Hemant Kumar Singh delivered a talk on the topic "Algebraic Topology: A Bridge between Topology and Algebra" in a Refresher Course in Mathematica at CPDHE, University of Delhi during September 18, 2024 – October 1, 2024.

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D.: 21

Faculty Strength

Total: 20 (Twenty) - (Senior Professor/Professor – 07, Associate Professor – 04 and Assistant Professor – 09)

Other Significant Information

- Tarun Das organised a two-week online Refresher Course in Mathematical Sciences (Mathematics/ Statistics / Operational Research/ Computer Sciences) as course Coordinator from September 18, 2024 – October 1, 2024.
- Hemant Kumar Singh organised a two-week online Refresher Course in Mathematical Sciences (Mathematics/ Statistics / Operational Research/ Computer Sciences) as Co-Coordinator from September 18, 2024 – October 1, 2024.

DEPARTMENT OF OPERATIONAL RESEARCH

Major Activities and Achievements

In alignment with the NEP, the Department has made a significant academic advancement by initiating the development of a two-year Postgraduate program in Operational Research under the PGCF framework. The program has been carefully designed through extensive consultations with departmental faculty and distinguished experts from academia and industry. The proposed curriculum emphasizes interdisciplinary learning, industry relevance, and skill-oriented education, aiming to prepare students for dynamic roles in professional and research domains. On the research front, faculty activity has flourished, leading to increased publications and active participation in national and international conferences. Research themes focus on innovation and real-world applicability, reinforcing the Department's academic rigor. The placement landscape also recorded notable growth, with stronger industry engagement and the participation of several new companies alongside regular recruiting partners, thereby broadening career opportunities for students. To bridge the gap between academia and industry, the Department organized a series of expert-led seminars and workshops, which provided insights into emerging trends and technologies while enhancing students' practical knowledge and industry readiness. Collectively, these initiatives reflect the Department's commitment to holistic education, global collaboration, and academic excellence.

Honours/Distinctions

Faculty

- Sr. Prof. Chandra K. Jaggi was awarded 'Rotary Shiksha Vageswari Samman' by Rotary Club of Delhi Uptown in 2024.
- Sr. Prof. P.C. Jha was felicitated for Outstanding Contribution to the field of Optimization and Operational Research as conferred by the SocPros 2025 Executive Committee during the 13th International Conference on Soft Computing for Problem Solving (SocPos 2025) on February 26th, 2025, organised by Department of Applied Mathematics and Scientific Computing, IIT Roorkee, India.
- Sr. Prof. Pankaj Gupta and Prof. Mukesh Kumar Mehlawat featured among the Top 2% World Scientists in Operations Research category based on citation impact during the years 2023 in the ranking list published by Stanford University and Elsevier in 2024.
- Sr. Prof. Chandra K. Jaggi, Prof. Aditi Khanna, Dr. Vandana Khaitan received the Research Publication Award Grant by the Institution of Eminence, University of Delhi.
- Dr. Kaushal Kumar has been awarded as 2024 Best Early-Career Research Papers by the journal Cleaner Logistics and Supply Chain, for the paper entitled "An uncertain sustainable supply chain network design for regulating greenhouse gas emission and supply chain cost" co- authored by Amit Kumar.

Seminars Organized

- **Nutan Sahoo**, Applied Scientist at Microsoft, delivered a seminar on "Churn Prediction: From Data to Decisions" on April 13, 2024
- **Dharmender Yadav**, Senior AVP - Operational Research, HSBC, delivered a seminar on "Elevate Your Placement Prospects" on June 22, 2024.
- **Archana Mangtani Walia**, Responsible AI Lead, Accenture, delivered a seminar on "Diving into Responsible AI" on September 29, 2024.
- **Dr. Borja Menendez**, Lead Operations Research Engineer, Trucksters, delivered a seminar on "The Impact of Operational Research on Business" on February 13, 2025.
- **Dr. Deepmala Sharma**, Associate Director, Xceedance, delivered a seminar on "Academia and Industry" at Alumsphere 1.0 on March 28, 2025.

Extension and Outreach Activities

The Department actively engaged in extension and outreach activities throughout the year, upholding its tradition while fostering social responsibility. On February 3, 2025, Saraswati Puja was organized by the Alumni Relations Cell. On March 1, 2025, the Department hosted Orion – The Alumni Meet 2025, which saw enthusiastic participation from alumni across batches. Senior alumni shared their professional journeys and fond memories, inspiring students to pursue Operational Research with confidence. To blend academic learning with social awareness, the Department regularly invites speakers from academia and industry who, besides domain knowledge, emphasize issues like environmental sustainability, gender equality, and mental health—encouraging students to become responsible and proactive members of society.

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D.: 3

Faculty Strength

Total: 17 (Seventeen) - (Senior Professor/Professor – 10, Associate Professor – 04 and Assistant Professor – 03)

Other Significant Information

- Sr. Prof. Chandra K. Jaggi was elected president of the Operational Research Society of India (ORSI) for Two years (January 1, 2025, to December 31, 2026).
- Ayush Rawat, a student of the MOR, has initiated a mental health start-up named Mentcura, aimed at enhancing psychological well-being through an accessible mobile application. The venture is currently in the Pre-Incubation stage under the guidance of the Udhmodya Foundation at Delhi University. Mentcura is now investment-ready and actively seeking funding opportunities from potential investors, including support from the Udhmodya Foundation, to accelerate its development and outreach.
- Prof. Ompal Singh chaired sessions at two conferences: IC-ITSODS-2024 (December 21–23, 2024) and ICRTETBM-2025 (February 19–21, 2025), focused on statistics, optimization, engineering, and business management.
- Dr. Kaushal Kumar chaired a session during an International Conference on 'Emerging Trends in Business Analytics & Management Sciences', held as part of the 57th Annual Convention of the Operational Research Society of India (BAMS- ORSI 2024), organized by the Shailesh J. Mehta School of Management, IIT Bombay, from December 12-14, 2024.
- Dr. Jagvinder Singh chaired a session at '25th business horizon Inbush Era World Summit 2025 organized from Feb 19- 21, 2025, Amity University, Noida.
- Dr. Gurjeet Kaur, contributed as Member of Organizing Committee in two-day workshop on 'Mathematical Sciences for VIKSIT BHARAT@2047' organized by Faculty of Mathematical Sciences, University of Delhi, held during April 12-13, 2024. She also chaired sessions at two international conferences in February 2025: ICRTETBM-2025 at Amity University, Noida, and SocProS 2025 at IIT Roorkee, hosted by the Department of Applied Mathematics and Scientific Computing.

***

DEPARTMENT OF STATISTICS

Major Activities and Achievements

The Department is engaged in research and teaching across diverse fields of Statistics, leveraging statistical methods and computational tools to make significant research contributions. Its primary focus is on basic and applied research while developing skilled manpower in the discipline. The Department offers M.A./M.Sc. and Ph.D. programmes in Statistics, with curricula covering both core and emerging areas. It regularly organizes invited talks by eminent scholars from India and abroad, facilitating interaction between distinguished professors, faculty, and students. The Department has also achieved notable success in placing students in reputed national and international organizations.

Honours/Distinctions

Faculty

- Dr. Dreamlee Sharma awarded as the ISPS Young Statistician Award 2024 at the 44th Annual Convention of ISPS, hosted by the Department of Statistics and Operational Research, Kurukshetra University, December 21-23,2024.

- Dr. Manoj Kumar received the best Paper Presentation Award, Ninth International Webinar on Recent Trends in Satistical Theory and Applications-2024 (WSTA 2024) organized by

International Statistical Fraternity (ISF) , Statistics Fraternity Kerala (SFK), Kerala Statistical Association (KSA), Department of Statistics, School of Physical and Mathematical Sciences, University of Kerala, Trivandrum, India.

Research Projects

- Institution of Eminence (IoE), University of Delhi, Dr. Girish Chandra, Faculty Research Programme (FRP) Grant, ₹ 5,00,000
- Institution of Eminence (IoE), University of Delhi, Dr. Devendra Kumar, Faculty Research Programme (FRP) Grant, ₹ 5,00,000
- Institution of Eminence (IoE), University of Delhi, Dr. Mahendra Saha, Faculty Research Programme (FRP) Grant, ₹ 5,00,000
- Institution of Eminence (IoE), University of Delhi, Dr. Manoj Kumar, Faculty Research Programme (FRP) Grant, ₹ 5,00,000
- Institution of Eminence (IoE), University of Delhi, Dr. Sumit Kumar, Faculty Research Programme (FRP) Grant, ₹ 5,00,000

Seminars/Conferences Organized

On behalf of the Faculty of Mathematical Sciences, University of Delhi, the Department of Statistics convened a two-day National Workshop on "Mathematical Sciences for Viksit Bharat 2047" on the Golden Jubilee of the Faculty, held on April 12 -13, 2024.

Placement Details (Number and percentage of students placed)

49 and 53%

Extension and Outreach Activities

- UDAAN- The Socio-Cultural Cell
    - The Udaan-The socio-cultural cell Organized Blood Donation Drive on April 2, 2024, Department of Statistics, University of Delhi.
    - The Udaan-The socio-cultural cell Organized Teacher's Day on September 5, 2024, Department of Statistics, University of Delhi.
    - The Udaan-The socio-cultural cell Organized Freshers x Ulhaas on November 22, 2024, Department of Statistics, University of Delhi.
    - The Udaan-The socio-cultural cell Organized Cloth Collection Drive from January 15 to January 17, 2025, Department of Statistics, University of Delhi.
    - The Udaan-The socio-cultural cell Organized Saraswati Puja on January 31, 2025, Department of Statistics, University of Delhi.
    - The Udaan-The socio-cultural cell Organized Blood Donation Drive on February 24, 2025, Department of Statistics, University of Delhi.
- The Heritage Club
    - Haritage walk on April 20, 2024.
    - ISS Webinar on February 27, 2024.
    - Rangoli Celebration on Deepawali on October 23, 2024.
    - Annual Sport Day on December 9, 2024.

    - International Mother Language Day on February 21, 2025.
    - Heritage walk on March 29, 2025.
- Placement Cell
    - SQL: Basic to Advanced workshop from April 6 to April 7, 2024.
    - "Into the Date Industry: A Guidance session" with two of our Alumni on April 20, 2024.
    - Mastering Interviews: A Guidance Session || Alumni Edition on June 30, 2024.

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D.: 2

Faculty Strength

Total: 11 (Eleven) - (Senior Professor/Professor – 2, Associate Professor – 04 and Assistant Professor – 05)

Other Significant Information

- The Department has its own placement cell, Credence, established in 2004 with the objective of providing a dedicated platform for the placement of students pursuing M.A./M.Sc. in Statistics at the University of Delhi. Through this cell, students gain opportunities to interact with various organizations in the corporate world. In the academic year 2024–25, a total of 49 students (till date) have secured placements through Credence.
- The Department also maintains a comprehensive website: statistics.du.ac.in, which provides detailed information about the faculty, research scholars, departmental staff, academic programs, syllabi, and other relevant resources.
- To support academic and research activities, the Department is equipped with two well-maintained, fully computerized laboratories featuring the latest computing facilities. In addition, the Department has an Infinity Cell that manages its social media presence on platforms such as Facebook, Instagram, and LinkedIn. This cell actively updates and promotes all departmental events and achievements.

Research Project

- A Randomised controlled trial for Evaluation of Augmented Reality as distraction technique on preoperative anxiety in paediatric patients. Dr. Nisha, Dr. Kapil Chaudhary, Dr. Munisha Agarwal, Dr. Lalit Gupta
- Evaluation of internal jugular vein distensibility index as a predictor of intraoperative fluid responsiveness during tidal volume challenge in patients undergoing elective surgery under general anaesthesia: A cross -sectional study. Dr. Agathiyan, Dr. Munisha Agarwal, Dr. Kapil Chaudhary
- A Randomized Control Study comparing the effect of intraoperative external audiovisual blockade, immersive distraction and standard care on anxiety, stress and pain catastrophizing score in parturients undergoing caesarean delivery under spinal anaesthesia. Dr. Shaivya Shrivastava, Dr. Kapil Chaudhary, Dr. Munisha Agarwal, Dr. Lalit Gupta
- Effect of low flow and minimal flow Desflurane anaesthesia on inspired oxygen concentration in obese patients undergoing elective surgery under general anaesthesia: A Randomised Parallel Group Study.Dr. Sherigar Mahesha Ravi, Dr. Munisha Agarwal, Dr. Kapil Chaudhary
- Effect of different levels of PEEP on gastric insufflation during pressure controlled face mask ventilation. Dr. Anjali Rawat, Dr. Munisha Agarwal, Dr. Kapil Chaudhary
- Effect of oral versus intravenous dexamethasone on duration of analgesia after osseous upper limb surgery under supraclavicular brachial plexus block Dr. Akshay Sharma, Dr Anju R Bhalotra, Dr Mona Arya, Dr Rahil Singh
- Effect of noise cancellation using noise cancelling headphones during laparoscopic cholecystectomy on postoperative pain. Dr V Vimlanathan, Dr Anju R Bhalotra, Dr Mona Arya, Dr Rahil Singh

- Effect of oral carbohydrate preloading on changes in core body temperature in elderly patients undergoing lower limb orthopaedic surgery under neuraxial anaesthesia Dr. Kamna Sharma, Dr. Anju R Bhalotra, Dr Mona Arya, Dr Rahil Singh
- Comparison of erector spinae block with intrathecal morphine for postoperative analgesia in patients undergoing surgery for gynaecological malignancies. Dr Rahil Singh, Dr Anju R. Bhalotra, Dr. Sukhyanti Kerai
- Comparison of ultrasound guided external oblique intercostal fascial plane block with port site local anesthetic infiltration for postoperative analgesia after laparoscopic cholecystectomy in obese patients Dr. Rahil Singh, Dr Anju R Bhalotra, Dr Amit Kohli, Dr Sukhyanti Kerai
- A comparative study on cosmetic and functional outcome in patients undergoing single and staged repair for proximal penile hypospadias Dr Sanjay Kumar Pal, Dr Simi Ratan, Dr Sujoy, Dr Munisha Agarwal, Dr Anju R Bhalotra
- Evaluation of perfusion index and plethysmographic variability index as determinants of hypotension following induction with propofol Dr. Rahil Singh, Dr Anju R Bhalotra
- Comparative evaluation of music therapy with Dexmedtomidine on comfort level during awake fibreoptic incubation in patients with difficult airway. Dr. Deen bandhu Choudhary, Dr. Sonia Wadhawan, Dr. Neelam Prasad, Dr. Sukyanti Kerai and Dr. Smita Kaushik
- Effect of low dose intravenous ketamine on hemodynamic of parturiets undergoing caesarean delivery under spinal anesthesia. Dr. Himanshu Singh, Dr. Sonia Wadhawan, Dr. Neelam prasad and Dr. Sukhyanti kerai
- Combined Rhomboid intercostal block and sub serratus plane block for perioperative analgesia in children undergoing video assisted thoracoscopic surgery under general anaesthesia. Dr. Shubheshwari Anupam, Dr. Sonia Wadhawan, Dr. Neelam Prasad, Dr. Sukhyanti Kerai and Dr. Sujoy Neogi
- Effect of Erector Spinae Plane Block on quality of recovery in patients undergoing lumbar spine surgery. Dr. Asaad ahmad, Dr. Sukhyanti Kerai, Dr. Sonia Wadhawan, Dr. Rahil Singh & Dr. Abhishek Kashyap
- Effect of Erector spinae plane block versus peritumoral local anaesthetic infiltration on post-operative immune response in patients undergoing surgery for breast cancer. Dr. Pathan Arief, Dr. Sukhyanti Kerai, Dr. Sonia Wadhawan, Dr. Sushanto neogi and Dr. Binita Goswami
- Comparison of the stress response between total intravenous anaesthesia (TIVA) and inhalational anaesthetic technique in diabetic patients undergoing abdominal surgery using cortisol/ dehydroepiandrosterone sulphate (DHEAS) ratio. Dr Shivika Malik, Dr. Sonia Wadhwan, Dr. Mona Arya, Dr. Binita Goswam
- Effect of ultrasound guided Erector spinae plane block and Serratus anterior plane block on inflammatory response in patients undergoing modified radical mastectomy under general anaesthesia. Dr Sandeep J, Dr Sonia Wadhawan, Dr Mona Arya, Dr Anubhuti
- Evaluation of plasma microRNA-21 for early detection of postoperative acute kidney injury in patients undergoing exploratory laparotomy. Dr Sukhyanti Kerai, Dr Asaad Ahmed, Dr Aditya Tripathi, Dr Pallavi Doda, Dr Sonia Wadhawan, Dr Farah Husain, Dr Munisha Agarwal

b) Details of thesis completed during current year;

- Effect of Preoperative Carbohydrate lollipop on Gastric Volume in Fasting Paediatric Patients. Dr Sherry Marak
- Comparative evaluation of the effect of an Eye mask and Music on Midazolam requirement for Bispectral Index (BIS) guided sedation during Spinal Anaesthesia. Dr Anuradha Dialani
- Comparison of ultrasound guided erector spinae plane block versus Subcostal transversus abdominis block for postoperative analgesia in patients undergoing laparoscopic cholecystectomy. Dr Ankur Sharma
- Association of genetic polymorphisms of genes GABRA1 and GABRA2 genes and hemodynamic responses to propofol in patients undergoing elective surgery. Dr. Samikshya suman

- Comparative evaluation of Deep versus Superficial Erector Spinae Plane blocks for post-operative analgesia in modified radical mastectomy. Dr Kuber Bhinde
- Evaluation of effect of different levelas of positive end expiratory pressure on lung compliance and driving pressure in patients undergoing laparoscopic abdominal surgery under general anaesthesia. Dr Ridhi Roy, Dr Munisha Agarwal, Dr Kapil Chaudhary
- Comparative evaluation of Minimum Alveolar Concentration (MAC) vs Bispectral Index (BIS) guided anaesthetic management on Desflurane consumption and recovery profile in elderly patients. Dr Varnit Saini, Dr Munisha Agarwal, Dr Kapil Chaudhary
- Comparative evaluation of internal jugular vein collapsibility index guided versus conventional crystalloid administration on post spinal hypotension in parturient undergoing caesarean section. Dr Anurag Singh, Dr Munisha Agarwal, Dr Kapil Chaudhary
- Comparative evaluation of Augmented Reality and Virtual Reality as distraction techniques on preoperative anxiety in paediatric patients. Dr. Garvita Bhatnagar, Dr. Kapil Chaudhary, Dr. Munisha Agarwal, Dr. Lalit Gupta
- Preoperative evaluation of condyle tragus distance with patient wearing surgical mask for prediction of difficult ventilation. Dr Harshita, Dr. Kapil Chaudhary, Dr. Munisha Agarwal, Dr. Lalit Gupta
- Association between abdominal defect size, abdominal circumference and volume with types of abdominal wall closure in neonates with gastroschisis. Dr Rajib Bora, Dr Simmi Ratan, Dr Sujoy Neogi, Dr Anju R Bhalotra
- Association between pre-anaesthetic subclavian vein collapsibility index and decrease in mean arterial pressure after induction of general anaesthesia in patients undergoing elective surgical procedures. Dr Abhishek Ahirwar, Dr Anju R. Bhalotra, Dr. Mona Arya, Dr. Rahil Singh
- Incidence of respiratory events in children following removal of Proseal laryngeal mask airway after total intravenous anaesthesia with Propofol and inhalation anaesthesia with Sevoflurane. Dr Priyanka Tyagi, Dr Anju R. Bhalotra, Dr Mona Arya, Dr Rahil Singh
- Comparison of the duration of sensory blockade of spinal anaesthesia with and without intravenous dexmedetomidine in patients undergoing lower limb orthopaedic surgery. Dr Simran Chahal, Dr Anju R. Bhalotra, Dr Mona Arya, Dr Rahil Singh
- Comparison of efficacy of ultrasound guided peri-capsular nerve group block with and without lateral cutaneous femoral nerve block for postoperative analgesia in patients undergoing fracture hip surgery. Dr Pendum Chindu Kumar, Dr Rahil Singh, Dr Anju R. Bhalotra, Dr Sukhyanti Kerai
- Operator ease and patient comfort during pre-oxygenation with high flow nasal oxygen cannula vs facemask in adult patients under general anaesthesia. Dr Abhijith, Dr Mona Arya, Dr Anju R. Bhalotra, Dr Neelam Prasad
- Comparison of post-operative analgesia using Subfascial and Extrafascial approach of Transmuscular Quadratus lumborum block after lower segment Caesarean section. Dr Hemashree, Dr Mona Arya, Dr Anju Bhalotra, Dr Sukhyanti Kerai, Dr Niharika Dhiman
- Comparative evaluation of ultrasound guided erector spinae plane block and transversus abdominis plane block for post-operative analgesia in lower segment caesarean section under subarachnoid block. Dr. Nishtha Narang, Dr Sonia Wadhawan, Dr Neelam Prasad and Dr Amit Kohli
- Effect of ultrasound guided erector spinae plane block on intraoperative opioid requirement in children undergoing video assisted thoracoscopic surgery under general anaesthesia.Dr. Anshul, Dr Sonia Wadhawan, Dr Neelam Prasad and Dr Sujoy Neogi
- Comparative evaluation of effect of mother's recorded voice with stranger's recorded voice on occurrence of emergence delirium in pediatric patients.Dr. Nishita Chandra, Dr Sonia Wadhawan, Dr Neelam Prasad and Dr Simmi K Ratan
- Dynamic ultrasound for identification of different nerves during axillary brachial plexus block. Dr Noor Sabha, Dr Neelam Prasad, Dr Sonia Wadhawan
- Ultrasonographic evaluation of gastric emptying time in obese and non-obese full term pregnant women planned for elective casesarean section following standardized meal. Dr Apporva, Dr Neelam Prasad, Dr Sonia Wadhawan, Dr Mona Arya, Dr Shakun Tyagi

- Comparison of modified thoracoabdominal nerve block via perichondral approach with portsite local infiltration for postoperative analgesia after laparoscopic cholecystectomy: a randomised controlled study. Dr Shalini Chaudhary, Dr Sukhyanti Kerai, Dr Kirti N Saxena, Dr Rahil Singh
- Efficacy of brief preoperative cognitive screening using animal fluency test and six-item screener for prediction of postoperative delirium in elderly patients undergoing orthopaedic surgery; a prospective observational study. Dr Ghazala Anis Fatima, Dr Sukhyanti Kerai, Dr Sonia Wadhawan, Dr Rahil Singh, Dr Farah Husain, Dr Munisha Agarwal, Dr Ramita Kashyap
- Evaluation of perfusion index and plethysmography variability index as determinants of hypotension following induction with propofol. Dr Rahil Singh, Dr Anju R Bhalotra.
- Comparison of point of care ultrasound and chest X-ray for localization of tip of central venous catheter in patients admitted in intensive care unit. Dr Rahil Singh, Dr Sukhyanti Kerai

Seminars Organized

- Labor Analgesia CME on Saturday, 4th May 2024 at MAMC (Organising Chairperson: Dr Munisha Agarwal, Scientific Chairperson: Dr Kirti N Saxena, Organising Secretary: Dr Bharti Wadhwa, Treasurer: Dr Prachi Gaba)
- YUVACON 2024 at MAMC, Delhi 5-6TH April'2024 (Organising Chairperson: Dr Munisha Agarwal, Organising Secretary: Dr Amit Kohli)
- Organising chairperson of ICA New Delhi PG Assembly 2024 held at GBPH, Delhi in July'2024 (Organising Chairperson Dr Munisha Agarwal)
- MAMC UG Scientific Society Basic Life Support' Workshop for MBBS undergraduates (70 delegates) on 29-30th April 2024 at MAMC, Delhi (Dr Munisha Agarwal, Dr Sonia Wadhawan)
- Workshop on basic airway management in 7th International Airway Congress of AMF on 14th Sept 2024 (Dr Anju R Bhalotra, Dr Kapil Chaudhary)
- MAMC UG SYNAPSE Basic Airway Management & Acute Crisis Workshop' on 7-10th Oct'2024 at MAMC, Delhi (Dr Munisha Agarwal, Dr Sonia Wadhawan)
- Simulation in Anaesthesia' workshop held in Department of Anaesthesiology for ISACON 2024 on 27th November'2024 (Dr Munisha Agarwal organising Chairperson, Dr Kapil Chaudhary and Dr Lalit Gupta Organising secretary)
- MAMC Anaesthesia Update 2024 15th-19th october2024 (Organising Chairperson: Dr Munisha Agarwal, Scientific Chairperson: Dr Sonia Wadhawan, Organising Secretary: Dr Neelam Prasad, Treasurer: Dr Sukhyanti Kerai)
- BLS courses for Undergraduate students at MAMC in Aug 2024

Faculty Strength

Senior Professor/Professor/Director: 12
Associate Professor: 0
Assistant Professor: 7
Ad-hoc Faculty Member: 5

Other Significant Information

Dr Munisha Agarwal

- Elected as President "Indian Society of Anaesthesiologist", Delhi in Oct'2024
- Awarded ISA President's Appreciation Award Sept'2024

Dr Sonia Wadhawan

- Received the Fellowship of the Indian College of Anaesthesiologist at ICACON 2024 in Sept 2024 at Lucknow.
- Took charge of the post of Vice President ISA Delhi branch on 16th October 2024.

- Subject expert for promotion of faculties at King George's Medical University, UP, Lucknow in subject of Anaesthesiology on 6th February 2025.
- As co-presenter won one 1st prize in oral presentation at the ISA Delhi YUVACON in April 2024 & won the 1st prize in poster presentation at the ISA Delhi YUVACON in April 2024.

Dr Kapil Chaudhary

- Received Certificate of Excellence for Reviewing Indian Journal of Clinical Anaesthesia.
- Won first prize in 2 free papers in ISA YUVACON April 2024 and in 3 free papers in ISACON 2024:
  -Preoperative ultrasound assessment of airway to predict difficult Bag mask ventilation (ISA Yuvacon Delhi, April 2024). Authors: Rupal Jain, Kapil Chaudhary, Munisha Agarwal, Lalit Gupta
  -Predicting the need for use of oropharyngeal airway during mask ventilation under anaesthesia using preoperative voice parameters (ISA Yuvacon Delhi, April 2024). Authors: Shweta Prajapati, Kapil Chaudhary, Munisha Agarwal, Lalit Gupta
  -Comparative evaluation of virtual reality and augmented reality as distraction techniques on preoperative anxiety (ISACON Delhi, September 2024) Authors: Garvita Bhatnagar, Kapil Chaudhary, Munisha Agarwal, Lalit Gupta
  -Evaluation of the effect of different levels of PEEP on dynamic compliance, and driving pressure in laparoscopic abdominal surgery under general anaesthesia (ISACON Delhi, September 2024) Authors: Ridhi Roy, Munisha Agarwal, Kapil Chaudhary
  -Preoperative ultrasound assessment of airway to predict difficult Bag mask ventilation (ISACON Delhi, September2024) Authors: Rupal Jain, Kapil Chaudhary, Munisha Agarwal, and Lalit Gupta
- Won second prize for poster entitled "Bleomycin injection in arteriovenous malformation: anaesthetic considerations" in ISA Yuvacon Delhi, April 2024. Authors: Harshita, Kapil Chaudhary, Munisha Agarwal, Gunjan Manchanda, Divya Gahlot.

Fellowships – Dr Sonia Wadhawan and Dr Bharti Wadhwa received the Fellowship of the Indian College of Anaesthesiologist at ICACON 2024 in Sept 2024 at Lucknow

Representation on Expert Committees / Bodies:

Dr. Kirti N Saxena

Promotion

- To HAG scale by order dated 14.10.24.

Representation on Expert Bodies

- Expert on the Anaesthetic, Resuscitation and Allied Equipment Sectional Committee and medical textiles of Medical Equipment & Hospital Planning Department Bureau of Indian Standards.
- Expert resource person for Delhi Subordinate Services Selection Board.
- Member of education committee meeting of Indian College of Anaesthesiology.
- Expert in National Board of Education.
- Member of the NHA Medical Cell of Ayushman Bharat, National Health Authority, Ministry of Health & Family Welfare (MoHFW) Government of India.
- 'Subject Expert' (in online mode) for interviews for recruitment to various Faculty posts at AIIMS Raipur scheduled on 23.9.24.
- Conducted interviews for the post of Professor (Anaesthesia) and Assistant Professor (Anaesthesia) held on 19th December, 2024 at ILBS, New Delhi.

- Conducted interviews as subject expert for Contractual Specialist posts in Anaesthesia for all Delhi Government hospital posts in October 2024.
- Conducted interviews as chairperson for Contractual Specialist posts in Ophthalmology for all Delhi Government hospital posts in October 2024.
- Conducted interviews as chairperson for Contractual Assistant posts in Anaesthesia for all Delhi Government hospital posts in October 2024.
- Was external examiner for thesis of various universities in India

Work Profile

- Clinical work involving administration of anaesthesia to patients, pre-anaesthetic check-up, post-op care, intensive care, acute and chronic pain management.
- Teaching of UG and PG medical students, nursing and dental students.
- Guiding research thesis of PG students and research of senior residents.
- Training of senior and junior residents and interns.
- Member of courses committee of Anaesthesia at Delhi University.
- Teaching and training of undergraduate medical students, postgraduate students of anaesthesia department and technical staff.
- Guiding research protocol and thesis of postgraduate students of anaesthesia department.
- Member of building maintenance committee of Maulana Azad medical college.

Editorial Board of Journals

- Editorial board member of Journal of Obstetric Anaesthesia and critical care.
- Editorial board member of Medical journal of DY Patil University.
- Editor in Chief of Journal of Indian college of Anesthesiologists.

Dr. Munisha Agarwal

Examiner/Assessor/Subject Expert

- Examiner and paper setter for DM Oncoanaesthesia & Palliative Care at AIIMS, Delhi on 10th May'24
- DNB Assessor for starting DNB Critical Care at Hiranandani Hospital, Mumbai on 18th April'24.
- Subject expert for Faculty interviews for AP at Jabalpur Medical College on2nd March'24
- Subject expert for Faculty interviews for AP at Noida Superspeciality Children Hospital on 19th June'24.
- Subject expert for Faculty interviews for Oncoanaesthesia & Intensive Care at Delhi State Cancer Institute on5th July'24.
- Subject expert for Faculty interviews for AIIMS, Bilaspur on 18th July'24

Dr. Anju R.Bhalotra

Expert Committees / Bodies

- Invited as External Expert for Online Promotion Interview of candidate at Sharda University on 18.05.2024.
- 24.2.2025 - Nominated as subject expert for recruitment to the posts of Faculty (Group A) on direct recruitment/ deputation/ contractual basis in the department of Anaesthesiology; AIIMS Bilaspur.

- Expert for appraisal of theses from All India Institute of Medical Sciences / various Government medical colleges and NBE.
- Regular appraisal of thesis from PGI Chandigarh /Ahmedabad.
- Appointed as a subject expert by NBEMS to contribute to the question bank.
- Founder member of Society for Children with DSD.
- Member of Specialist Board in the Specialty of Anaesthesiology NBE.
- Nominated as representative from the Department of Anaesthesiology for National Rare Disease Policy.
- On Reviewer board of several journals: Current Medicine Research and Practice, Journal of neonatal surgery, Journal of clinical case studies, Journal of Pharmaceutical Research International, Journal of Advances in Medicine and Medical Research, Journal of Clinical Anaesthesia, BMC Anaesthesiology, Medicine, Journal of Advances in Medicine and Medical Research, Clinical journal of pain, Expert review of medical devices, European journal of Medical Research, Journal of Clinical Anaesthesia Advances, Perioperative Medicine.

Dr Sonia Wadhawan

- Co-chairperson for the Protocol discussion and Approval committee meeting for departments of Cardiac anaesthesia, Neuro anaesthesia, Neonatology, Neurosurgery, Paediatric surgery on 05/04/2024
- Examiner for the Diploma Practical exam in Anaesthesiology at Sparsh Super Specialty Hospital, Bengaluru on 24th & 25th April 2024
- Examiner for setting of question paper for FORMATIVE ASSESSMENT TEST for Anaesthesiology Paper I and II in May & June 2024
- Member of flying squad for Appraisal of conduct of NEET PG 2024 examination on 22nd June 2024
- Expert for the Post exam question paper review workshop of NEET- PG 2024 in June 2024
- Member of flying squad to appraise the conduct of FMGE June 2024 on 6th July 2024.
- Expert for validation of MCQs PG entrance exam in a workshop organised by NBEMS on 30th July 2024
- Faculty in the CME organised by department of Paediatric anaesthesia, Postgraduate Institute of Child Health, Noida on 5th Aug 2024.
- Assessed theory answer sheets for Diploma Anaesthesiology exam conducted by NBEMS in Aug 2024
- Invited as External assessor for the Formative assessment test (NBEMS) held by Sir Ganga Ram hospital on 7th sept 2024.
- Member co-ordinator of NAAC Peer team for visit to B N Patel Institute of Paramedical and Science, Anand on 3rd and 4th sept 2024
- Assessed the OSCE stations of Anaesthesiology DNB final practical in Sept 2024.
- Setting of theory papers for Diploma Anaesthesia exam for Baba Farid University, Punjab in Oct 2024.
- Examiner for the Diploma Anaesthesiology practical exam (NBEMS) held on 25th and 26th Nov in Kolkata.
- Moderation of diploma theory papers (NBEMS) on 27th Nov 2024.
- Expert for preparing the PG exit MCQs for Anaesthesiology, dec 2024.
- Assessor of theory papers for Anaesthesiology MD final exam for Era Medical College & University, Lucknow in Jan 2025.
- Expert for preparation of OSCE for Anaesthesiology post-doctoral in Feb 2025.
- Examiner for DNB final practical exam in Anaesthesiology held at Indira Gandhi Medical College and research Institute, Puducherry on 19th & 20th Feb 2025.
- Expert in validation workshop for MCQs in Anaesthesiology for PG exit exam in Feb 2025.
- Assessed the OSCE for DNB Anaesthesiology practical exam held on 20th Feb 2025.

- Member of Maternal Death Review Committee for Deptt. Of Obst. & Gynae, Lok Nayak Hospital.
- Member of the Sexual harassment committee at LNH.
- Member, administrative committee of PGMET Cell, MAMC

Dr Neelam Prasad

- Anaesthesia Expert for faculty selection in GIMS greater Noida.
- Member of NMC and NBE board.
- Examiner for various state level postgraduate exams.

Dr Lalit Gupta
Representation on Expert Bodies

- Panel member for "6th MoT-FICCI-BIS National Conclave on Standards & Regulations for Technical Textiles; BUREAU OF INDIAN STANDARDS (BIS)".
- Expert in National Board of Education.
- External examiner for thesis of various universities in India.

Work Profile

- Clinical work involving administration of anesthesia to patients, pre-anesthetic checkup, post-op care, intensive care, acute and chronic pain management.
- Teaching of UG and PG medical students, nursing and dental students.
- Guiding research thesis of PG students and research of senior residents.
- Teaching and training of undergraduate medical students, postgraduate students of anesthesia department and technical staff.
- Member of Purchase committee of Lok Nayak hospital.
- Member of research Society of Maulana Azad medical college.

Editorial Board of Journals

- Editor In Chief of Indian journal of Clinical anaesthesia.
- Academic Editor for PLOS one.
- Associate Editor for World Journal of Anesthesiology.
- Reviewer for the Asian Pacific Journal of Cancer Prevention (APJCP).
- Senior Associate Editor for Journal of Clinical Case reports.
- Reviewer for Emergency Medicine Journal (Scholar one: BMJ journal).
- Associate Editor of Journal of Anaesthesiology Clinical Pharmacology.
- Associate Editor of International Journal of Anesthesiology Research.
- Editorial board member of Pharma Insight: Journal of Pharmaceutical Science and Technology.

New Facilities added: Anaesthesia Simulation and Clinical Skills Lab" inaugurated on 7th May 24

Any other worth mentioning:

- "Simulation in anaesthesia" classes has been integrated into the regular teaching and training curriculum of postgraduate students of anaesthesia. Every month 3 classes are conducted for second and 3rd year postgraduate students.
- Basic life support and simulation classes are being regularly conducted for the interns

***

ANATOMY (MAMC)

Major Activities and Achievements

The Department of Anatomy is a centralized facility for embalming under Delhi Government. The Department is recognized center for voluntary body donation. Department has a modern molecular and cytogenetics laboratory where research projects are under progress. The department has started a plastination unit. The Department is Institutional center for Fetal Autopsy. The Department of Anatomy is a center for the following teaching programs:- a. MBBS Bachelor of Medicine and Bachelor of Surgery. b. Bachelor of Dental Sciences. c. B.Sc. Nursing. d. Interdisciplinary postgraduate and superspeciality teaching of Neurosurgery, Cardio- Thoracic Surgery department of MAMC & GIPMER. e. Interdisciplinary postgraduate teaching of ENT, Orthopedics and Surgery department of MAMC & LNH.

Honors/Distinctions

- Dr Sabita Mishra completed a course in Executive Diploma in Clinical Psychology
- Dr Deepika received Award for Best Paper presented in 30th UPASICON October 2024
- Dr Indu received Award for Best Paper presented in SOMA January 2025

Students with Distinctions:

- 22 MBBS Students of Batch 2023 scored Distinction marks in Anatomy

Research Project

Dr Anita Mahajan, Deptt. of Anatomy, have been sanctioned Rs 1,68,000 for a research project entitled "Plastination of brain section: an efficient way to preserve cadaveric specimen" as PI. The grant has been provided by Govt of NCT under the plan scheme "Strengthening of Medical Research at MAMC" and covers the duration from 2023 and is in progress till date.

Dr Babita Pangtey, Deptt. of Anatomy, have been sanctioned Rs 2,95,400 for a research project entitled "Association of serum Galectin 3-levels with its placental expression and histomorphological changes in gestational diabetes mellitus" as PI. The grant has been provided by Govt of NCT under the plan scheme "Strengthening of Medical Research at MAMC" and covers the duration from 2023 and is in progress till date

Dr Dinesh Kumar, Deptt. Of Anatomy, have been sanctioned Rs 3,00,000 for a research project entitled "In Vitro molecular characterization of AZF region of Y chromosome in men (non obstructive oligo or azospermia) of infertile couple of Northern region of India" as PI. The grant has been provided by Govt of NCT under the plan scheme "Strengthening of Medical Research at MAMC" and covers the duration from 2023 and is in progress till date.

Dr Preeti Goswami, Deptt. of Anatomy, have been sanctioned Rs 3,00,000 for a research project entitled "Association of serum vascular endothelial growth factor levels with its placental expression and histomorphological changes in preeclampsia" as PI. The grant has been provided byGovt of NCT under the plan scheme "Strengthening of Medical Research at MAMC" and covers the duration from 2023 and is in progress till date.

Dr Sabita Mishra and Dr Surbhi Wadhwa, Deptt. Of Anatomy, have been sanctioned Rs 13, 35, 168 for one year for a research project entitled "Development of the blood nerve barrier of the human cochlear nerve" as PI and Co-PI respectively. The grant has been provided by ICMR.

Dr Shikha Singh, Deptt. of Anatomy, have been sanctioned Rs. 1,31,300 for a research project entitled "Anatomy of heart and kidney in a new light: Plastination as a scientific method for teaching and research" as PI. The grant has been provided by Govt of NCT under the plan scheme "Strengthening of Medical Research at MAMC" and covers the duration from 2024 and is in progress till date.

Conferences Organized

- DASMOS was organised by Deptt of Anatomy, MAMC, on 27 April 2024.
- 2nd Foetal Autopsy workshop 2025 was organised by Deptt of Anatomy, MAMC, on 7-8 February 2025.
- White fibre tract dissection course was organised by Deptt of Anatomy, MAMC, in collaboration with Deptt of Neurosurgery, GIPMER on 19 February 2025.
- Dr Dinesh Kumar as head of Medical education department conducted a preconference workshop: 'Make it real: Simulation designing 'beyond the Show how' at 15th National Conference on Health Professions Education (NCHPE 2024) in ERA Medical College Lucknow November 2024.

Extension and Outreach Activities

Body donation awareness campaign

Faculty Strength

Senior Professor/Professor/Director: 7
Associate Professor: 2
Assistant Professor: 2
Ad-hoc: 1

Other Significant Information

- Dr Sabita Mishra is Academic officer at MAMC
- Dr Sabita Mishra is Convenor at the National Board of Examinations for the subject of Anatomy.
- Dr Sabita Mishra is Chairperson of Anatomy and Forensic Sciences Equipment Sectional Committee, MHD 23 under Medical Equipment and Hospital Planning Division Council (MHDC) of Bureau of Indian Standards.
- Dr Dinesh Kumar and Dr Swati Tiwari are members of Anatomy and Forensic Sciences Equipment Sectional Committee, MHD 23 under Medical Equipment and Hospital Planning Division Council (MHDC) of Bureau of Indian Standards.
- Dr Sabita Mishra and Dr Dinesh Kumar are e-resource persons for Medical Council of India.
- Dr. Dinesh Kumar is Head of Department of Medical Education MAMC which conducts National Teachers Training Courses and MCI basic workshops for teaching medical faculty from all over India.
- Dr Dinesh Kumar is Nodal officer for the NMC IT initiative for MAMC.
- Dr Dinesh Kumar is Superintendent of Examinations at MAMC and member of sports committee at MAMC.
- Dr Anita Mahajan: Provost for girls' hostel and Faculty advisor with Fine arts Committee and Library Committee.
- Dr Anita Mahajan was invited as subject expert at NBE for validation of question papers for FMGE exam.
- Dr Surbhi Wadhwa: Treasurer of Spandan Magazine Committee and Faculty Advisor to college Literary Society
- Dr Babita Pangtey is member of the Sexual Harrassment committee at MAMC.
- Dr Shikha Singh is a member of the Department of Medical Education.

- Dr. Shikha Singh is NMC coordinator for organisation and conduct of BCME in various other Medical Colleges
- Dr Deepika was a Member of PG Protocol Committee

- Dr Bhawna Mahajan To Study Effect of Carbamazepine Monotherapy on Serum Levels of Homocysteine, Vitamine B12 & Folic Acid In Epileptic Patients
- Dr Bhawna Mahajan Effect of Daily Vitamin D Supplementation on Serum Vitamin D Levels in Children with Epilepsy Receiving Sod Valproate Monotherapy:A Double-blind Randomized Controlled Trial.
- Dr Bhawna Mahajan Assessment of salivary Insulin like growth factor-1 and Bone alkaline phosphatase levels with twin block therapy: an observational study
- Dr Bhawna Mahajan Evaluation of optical coherence tomography angiography following use of anti vascular endothelial growth factor in diabetic retinopathy.
- Dr Jitender Sharma Co-Principal Investigator for the ongoing project entitled “Extracellular Vesicle Mediated induction in pro-inflammatory response leading to Pulmonary Endothelial Dysfunction in Cystic Fibrosis Patients”in collaboration with AIIMS Bathinda, Punjab sanctioned by Indian Council of Medical Research (ICMR), New Delhi. Project sanctioned fund Rs 32 lacs plus overheads (Extramural Project).
- Dr Jitender Sharma Longitudinal assessment of back disability, stress and inflammatory markers in patients undergoing conventional treatment for chronic non-specific low back pain.

Patents

- IP Australia; Innovation Patent number: 2021106418; Title of invention: Developing Early Risk Estimation Machine Learning Model In Early Onset Cad Patients For Prediction And Outcomes. Name of inventor(s): Dabla, Pradeep Kumar; Stankovic, Sanja DJ; Mishra, Durgesh; Mehta, Vimal; Upreti, Kamal and Gruson, Damien. Term of Patent: Eight years from 22 August 2021.
- IP Australia; Innovation Patent number: 2021106431; Title of invention: A System And Method For Autonomous Patient Monitoring Using Deep Neural Learning. Name of inventor(s): Dabla, Pradeep Kumar; Stankovic, Sanja DJ; Raut, RanjanaDinkar; Upreti, Kamal; Yamuna, G.; Gouget, Bernard; Gruson, Damien; Bernardini, Sergio and Choudhuri, AnirbanTerm of Patent: Eight years from 22 August 2021

Seminars Organized

- Convener & Faculty, Workshop onProficiency Testing Accreditation ISO17043:2023, at ACBICON 2024, PGI Chandigarh
- Convener & Faculty, Workshop onLipid associated Cardiovascular Risk Assessment & Management, at PATHCON 2024, Delhi
- Convener, Visiting Lecture by Prof Qing Ming (Uni of Texas, MD Andrson Cancer Centre, USA) organized by Dept Biochemistry, 3Dec2024, GIPMER, Govt of Delhi
- Invited Reviewer Abstracts, EuromedLab 2025, Brussels, Belgium.
- Member Organizing Scientific Committee, IFCC WorldLab 2026, Delhi India
- Convener, Visiting Lecture by Prof. Hari Shankar Sharma is a Biomedical Scientist and Professor affiliated to the ErasmusMC, University Medical Centre, Rotterdam. organized by Dept Biochemistry, 7th May 2025, GIPMER, Govt of Delhi.
- Workshop on "Applied Artificial intelligence Research" on November 2022 at GIPMER with ACBICON 2022 Delhi Visitors Faculty: Dr Bernard Gouget, IFCC MHBLM Paris; Dr Sergio Bernardini IFCC ETD Italy; Other Faculty Visitors: Dr Maurizio Ferrari, University Vita-Salute Milan Italy; Dr Alexander Haliassos, President and CEO of DIAMEDICA, a Greek reference laboratory, Greece
- Visiting Lecture by Prof Qing Ming (Uni of Texas, MD Andrson Cancer Centre, USA) organized by Dept Biochemistry, 3Dec2024, GIPMER, Govt of Delhi
- Visiting Lecture by Prof. Hari Shankar Sharma is a Biomedical Scientist and Professor affiliated to the Erasmus MC, University Medical Centre, Rotterdam. organized by Dept Biochemistry, 7th May 2025, GIPMER, Govt of Delhi.

Conferences Organized

- Convener & Faculty, Workshop on Proficiency Testing Accreditation ISO17043:2023, at ACBICON 2024, PGI Chandigarh
- Convener & Faculty, Workshop on Lipid associated Cardiovascular Risk Assessment & Management, at PATHCON 2024, Delhi
- Invited Reviewer Abstracts, EuromedLab 2025, Brussels, Belgium.
- Member Organizing Scientific Committee, WASPaLM& ACBICON2025, Pune India
- Member Organizing Scientific Committee, IFCC WorldLab 2026, Delhi India

Outreach activities

All the resident and technical staff participated in the ongoing pulse Polio Immunization programme of Govt of NCT of Delhi. Further residents undergo district training prog cum district hospital patient care support as per NMC regulations.

Other Collaborations

- Dr Pradeep Kumar Dabla C-CAMP Inter-Institutional Biomedical Innovations Programme (CIBIP): AICTE Granted Coordinator Medical for CIBIP CHRIST and GBPant Inter Institutional Biomedical Innovation Programme, 2024
- Dr Pradeep Kumar Dabla Co-supervisor for the short-term project under BTech IIT Delhi "sample monitoring in patients admitted in ICU using an artificial intelligence model", year 2024, Modit&Abinov, Dept of Industrial Engineering
- Dr Pradeep Kumar Dabla IFCC Professional Scientific Exchange Programme (PSEP), 2024 (July-Oct) at Dept Biochemistry, GIPMER:Host Supervisor & Guide for the 3 months training prog for – OziomaEbereObianyido, Final PhD student, and lecturer in the Department of Medical Laboratory Sciences, College of Medicine, University of Nigeria, Enugu campus.

Other Significant Information

New Facilities added

- Seminar Room
- Postgraduate Teaching & Research Laboratory (including molecular biology
- Spectrophotometer, ELISA Reader & Washer, Thermocycler, Deep Refrigerators, Digital Colorimeter, Mini centrifuge, Coagulation Analyser, Semi-auto analyser, Autoclave, Benchtop Centrifuges
- Interactive Teaching Panel with teleconference facility and camera, speaker
- Departmental Library
- Molecular laboratory- for research & PG teaching purposes

BIOCHEMISTRY (MAMC)

Major Activities and Achievements

1. Academics: Successfully conducting 3 Elective posting programme for the MBBS students as per NMC guidelines

i. Clinical Diagnostics
ii. Molecular Diagnostics
iii. Immunodiagnostics

2. Patient care: Established molecular diagnostic laboratory to provide state-of- the-art molecular testing for the patient care. Panel of tests are included as follows:

- Acute lymphocytic leukemia (ALL) Panel,
- Acute myeloid leukemia (AML) Panel
- Thrombophilia Panel including Factor V Leiden
- BCR-ABL
- BRAF V600
- BRCA extended panel
- EGFR mutation panel
- FSHR polymorphism
- HER 2 NEU status
- JAK-2 mutation
- MTHFR mutation panel
- Primary immunodeficiency panel
- Vitamin A and E
- Celiac diseases genotyping
- Hemophilia carrier screening

2. The Clinical Biochemistry laboratory accorded NABL accreditation on 23/08/2024.

3. New equipment purchased: Thermo Fisher Phadia 200 Allergy System procured in December 2024.

Honors/Distinctions

Dr. Binita Goswami awarded FAMBI in 2024

CARDIOLOGY (GOVIND BALLABH PANT INSTITUTE POSTGRADUATE MEDICAL EDUCATION & RESEARCH)

Major activities and achievements

- The Department held the National CSI Conference 2024 and Delhi CSI Conference 2025.
- The prestigious fellowship of American College of Cardiology has been awarded to Prof. Dr Jamal Yusuf and Prof. Dr Girish MP in 2025.
- The prestigious fellowship of Society for Cardiovascular Angiography and Interventions has been awarded to Prof. Dr Vimal Mehta in 2024.
- The Prerna Deep Samman Awardwas awarded to Prof. Dr Jamal Yusuf by the Lieutenant Governor of New Delhi in 2025.

- The highest number of coronary and non-coronary interventions in the country have been performed by the Department. (NIC data 2024-2025)

Honours and distinctions

- Dr. Jamal Yusuf Prerna Deep Samman Award" by the LG of NewDelhi in the year 2025,
- Dr. Jamal Yusuf FCSI by Cardiological Society of India (2024)
- Dr. Jamal Yusuf FACC by the American College of Cardiology (2025)
- Dr. Vimal Mehta Fellowship of Society for Cardiovascular Angiography and Interventions (SCAI)
- Dr. Vimal Mehta Paul Dudley White International Scholar Award, American Heart Association, Philadelphia, USA
- Dr. Vimal Mehta President elect:LAI Delhi Chapter
- Dr. Girish MP FCSI by the Cardiological Society of India
- Dr. Girish MP FACC by American College of Cardiology (2025
- Dr. Mohit Gupta Lifetime Achievement Award by XOBAD(2024)
- Dr. Vishal Batra DP BASU Memorial Award by Cardiological Society of India (2024)

Students with Distinctions

- Dr Brijesh Kumar; Gold medal in DM Exit Examination (2025).
- Dr. Abhishek Nagar, CSI Travel award (2024).
- Dr. Shreyoshee Sarkar, Col. K L Chopra Award Delhi CSI (2025).
- Dr. Brijesh Kumar, Sujoy B Roy Award, Delhi CSI (2025).

Research Projects

- Dr Ankit Bansal, Department of Cardiology has not been sanctioned any budget for a research project entitled "The Cardiovascular Safety of Cagrilintide 2.4 Mg S.C in Combination with Semaglutide 2.4 Mg S.C (Cagrisema 2.4mg/ 2.4 Mg S.C) Once Weekly in Participants with Obesity And Established Cardiovascular Disease. (REDEFINE-3)" as PI.

- Dr Ankit Bansal, Department of Cardiology has not been sanctioned any budget for a research project entitled “North India – Acute Myocardial Infarction Registry (NORIN-AMI)” as PI.
- Dr Ankit Bansal, Department of Cardiology has not been sanctioned any budget for a research project entitled “Assessment of Left Atrial Myopathy by Left Atrial Deformation Parameters in Patients of Hypertrophic Cardiomyopathy. (HOCM)” as PI.
- Dr Girish MP, Department of Cardiology has not been sanctioned any budget for a research project entitled “Digoxin in patients with rheumatic heart disease - a randomized placebo-controlled trial.” as Co-PI.The grant has been provided by ICMR and covers the duration from 2024-2025.
- Dr Girish MP, Department of Cardiology has not been sanctioned any budget for a research project entitled “Routine Invasive Vs Ischemia Driven Strategy in Patients with ST-Segment-Elevation Myocardial Infarction Presenting Between 12-72 Hours of Symptom Onset. (LATECOMER TRIAL)” as Co-PI.The grant has been provided by ICMR and covers the duration from 2024-2025.
- Dr Girish MP, Department of Cardiology has not been sanctioned any budget for a research project entitled “DevelopmeNt, implementation and evaluation of Protocolized cArdio-Obstetric Care in improving maternal cardiac, obstetric and fetal outcomes of Pregnant Women with Heart Diseases in India. (N-PAC TRIAL)” as PI. The grant has been provided by ICMR and covers the duration from 2024-2025.
- Dr Girish MP, Department of Cardiology has not been sanctioned any budget for a research project entitled “Influenza vaccine to reduce cardiovascular events in patients with recent myocardial infarction: a multicentric randomized, double-blind, placebo-controlled trial. (FLUENT – MI TRIAL)” as PI. The grant has been provided by ICMR and covers the duration from 2024-2025.
- Dr Girish MP, Department of Cardiology has not been sanctioned any budget for a research project entitled “Developing and testing a collaborative quality improvement initiative for prevention of cardiovascular disease (CVD) in India. (CQIP)” as Co-PI. The grant has been provided by Population Health Foundation of India and covers the duration from 2024-2025.
- Dr Girish MP, Department of Cardiology has not been sanctioned any budget for a research project entitled “A phase 3, prospective, multicenter, double-blind, double-dummy, randomized, active controlled, Parallel-group, group-sequential, adaptive, event-driven study to compare efficacy, safety, and tolerability of macitentan 75 mg versus macitentan 10 mg in Patients with pulmonary arterial hypertension, followed by an open-label treatment period with macitentan 75 mg. (UNISUS)” as Co-PI. The grant has been provided by Johnson and Johnson and covers the duration from 2024-2025.
- Dr Girish MP, Department of Cardiology has not been sanctioned any budget for a research project entitled “The Cardiovascular Safety of Cagrilintide 2.4 Mg S.C in Combination with Semaglutide 2.4 Mg S.C (Cagrisema 2.4mg/ 2.4 Mg S.C) Once Weekly in Participants with Obesity and Established Cardiovascular Disease. (REDEFINE-3)” as Co-PI. The grant has been provided by NovoNordiskand covers the duration from 2024-2025.
- Dr Girish MP, Department of Cardiology has not been sanctioned any budget for a research project entitled “A randomized, double-blind, placebo-controlled multicenter study to evaluate the effect of inclisiran on preventing major adverse cardiovascular events in high-risk primary prevention patients. (VICTORION-1 PREVENT)” as Co-PI. The grant has been provided by Novartis and covers the duration from 2024-2025.
- Dr Girish MP, Department of Cardiology has not been sanctioned any budget for a research project entitled “Effects of ziltivekimab versus placebo on heart failure symptoms and physical function in patients with heart failure with mildly reduced or preserved ejection fraction and systemic inflammation. (ATHENA)” as Co-PI. The grant has been provided by NovoNordiskand covers the duration from 2024-2025.
- Dr Girish MP, Department of Cardiology has not been sanctioned any budget for a research project entitled “ANT-010- A Phase 3, multicenter, randomized, double-blind, placebo-controlled, parallel-group study to evaluate the efficacy and safety of abeLacimab in high-risk patients with Atrial fibrillation who have been deemed unsuitable for oral anticoagulation

(LILAC)" as PI. The grant has been provided byFortreaand covers the duration from 2024-2025.

- Dr Girish MP, Department of Cardiology has not been sanctioned any budget for a research project entitled "North India – Acute Myocardial Infarction Registry (NORIN-AMI)" as PI.
- Dr Girish MP, Department of Cardiology has not been sanctioned any budget for a research project entitled "Assessment of Left Atrial Myopathy by Left Atrial Deformation Parameters in Patients of Hypertrophic Cardiomyopathy. (HOCM)" as PI for the duration of 2024-2025.
- Dr Jamal Yusuf, Department of Cardiology has been sanctioned ₹ 60,00,000/- for a research project entitled "Mission Delhi- Phase 2: Delhi Emergency Life Heart Attack Initiative" as PI. The grant has been provided by ICMR and covers the duration from 2024-2025.
- Dr Jamal Yusuf, Department of Cardiology has not been sanctioned any budget for a research project entitled "Cardiac repolarization Current Channel Expression in Rheumatic Atrial Fibrillation: a prospective observational study" as PIfor the duration of 2024-2025.
- Dr Jamal Yusuf, Department of Cardiology has not been sanctioned any budget for a research project entitled "To Study Correlation of Left Atrial Deformation Parameters with Left Atrial Appendage Contractile Function in Patients of Severe Rheumatic Mitral Stenosis in sinus rhythm" as PIfor the duration of 2024-2025.
- Dr Jamal Yusuf, Department of Cardiology has not been sanctioned any budget for a research project entitled "Effect of Ticagrelor Vs Prasugrel on Coronary Microvascular Function in Patients of Non-ST Segment Elevation Myocardial Infarction as Assessed by Index of Microcirculatory Resistance" as PIfor the duration of 2024-2025.
- Dr Jamal Yusuf, Department of Cardiology has not been sanctioned any budget for a research project entitled "Incidence and predictors of left ventricular dysfunction assessed by 3-D echocardiography in post pacemaker patients of complete heart block- an observational prospective study" as PIfor the duration of 2024-2025.
- Dr Jamal Yusuf, Department of Cardiology has not been sanctioned any budget for a research project entitled "Effect of SGLT-2 inhibitor on indices of atrial myopathy in rheumatic mitral valve disease" as PIfor the duration of 2024-2025.
- Dr Jamal Yusuf, Department of Cardiology has not been sanctioned any budget for a research project entitled "Comparative assessment of coagulation factors in patients with mitral stenosis with inactive LAA in sinus rhythm vs atrial fibrillation." as PI.
- Dr Jamal Yusuf, Department of Cardiology has not been sanctioned any budget for a research project entitled "Effect of dapagliflozin on left atrial ejection force in hear failure with preserved ejection fraction." as PIfor the duration of 2024-2025.
- Dr Jamal Yusuf, Department of Cardiology has not been sanctioned any budget for a research project entitled "To develop a comprehensive fusion model to predict left atrial appendage inactivity from 12-lead ECG data in patients of severe rheumatic mitral stenosis in sinus rhythm" as PIfor the duration of 2024-2025.
- Dr Jamal Yusuf, Department of Cardiology has not been sanctioned any budget for a research project entitled "Non-invasive and invasive assessment of autonomic nervous system dysfunction in various cardiovascular disease." as PIfor the duration of 2024-2025.
- Dr Jamal Yusuf, Department of Cardiology has not been sanctioned any budget for a research project entitled "ICE guided versus fluoroscopy guided left bundle branch area pacing: a pilot randomised controlled trial" as PIfor the duration of 2024-2025.
- Dr Jamal Yusuf, Department of Cardiology has not been sanctioned any budget for a research project entitled "YEO's index for mitral valve assessment during percutaneous transvenous mitral commissurotomy" as PIfor the duration of 2024-2025.
- Dr Mohit D Gupta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Digoxin in patients with rheumatic heart disease - a randomized placebo-controlled trial." asPI.The grant has been provided by ICMR and covers the duration from 2024-2025.
- Dr Mohit D Gupta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Routine Invasive Vs Ischemia Driven Strategy in Patients with ST-Segment-Elevation Myocardial Infarction Presenting Between 12-72 Hours of Symptom Onset.

(LATECOMER TRIAL)" as PI. The grant has been provided by ICMR and covers the duration from 2024-2025.

- Dr Mohit D Gupta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Influenza vaccine to reduce cardiovascular events in patients with recent myocardial infarction: a multicentric randomized, double-blind, placebo-controlled trial. (FLUENT – MI TRIAL)" as Co-PI.The grant has been provided by ICMR and covers the duration from 2024-2025.
- Dr Mohit D Gupta, Department of Cardiology has not been sanctioned any budget for a research project entitled "DevelopmeNt, implementation and evaluation of Protocolized cArdio-Obstetric Care in improving maternal cardiac, obstetric and fetal outcomes of Pregnant Women with Heart Diseases in India. (N-PAC TRIAL)" as Co-PI. The grant has been provided by ICMR and covers the duration from 2024-2025.
- Dr Mohit D Gupta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Developing and testing a collaborative quality improvement initiative for prevention of cardiovascular disease (CVD) in India. (CQIP)" as Co-PI. The grant has been provided by Population Health Foundation of India and covers the duration from 2024-2025.
- Dr Mohit D Gupta, Department of Cardiology has not been sanctioned any budget for a research project entitled "A phase 3, prospective, multicenter, double-blind, double-dummy, randomized, active controlled, Parallel-group, group-sequential, adaptive, event-driven study to compare efficacy, safety, and tolerability of macitentan 75 mg versus macitentan 10 mg in Patients with pulmonary arterial hypertension, followed by an open-label treatment period with macitentan 75 mg. (UNISUS)" as PI. The grant has been provided by Johnson and Johnson and covers the duration from 2024-2025.
- Dr Mohit D Gupta, Department of Cardiology has not been sanctioned any budget for a research project entitled "The Cardiovascular Safety of Cagrilintide 2.4 Mg S.C in Combination with Semaglutide 2.4 Mg S.C (Cagrisema 2.4mg/ 2.4 Mg S.C) Once Weekly in Participants with Obesity and Established Cardiovascular Disease. (REDEFINE-3)" as PI. The grant has been provided by NovoNordiskand covers the duration from 2024-2025.
- Dr Mohit D Gupta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Effects of ziltivekimab versus placebo on heart failure symptoms and physical function in patients with heart failure with mildly reduced or preserved ejection fraction and systemic inflammation. (ATHENA)" asPI. The grant has been provided by NovoNordiskand covers the duration from 2024-2025.
- Dr Mohit D Gupta, Department of Cardiology has not been sanctioned any budget for a research project entitled "ANT-010- A Phase 3, multicenter, randomized, double-blind, placebo-controlled, parallel-group study to evaluate the efficacy and safety of abeLacimab in high-risk patients with Atrial fibrillation who have been deemed unsuitable for oral anticoagulation (LILAC)" as Co-PI. The grant has been provided byFortreaand covers the duration from 2024-2025.
- Dr Mohit D Gupta, Department of Cardiology has not been sanctioned any budget for a research project entitled "North India – Acute Myocardial Infarction Registry (NORIN-AMI)" as PIfor the duration of 2024-2025.
- Dr Mohit D Gupta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Assessment of Left Atrial Myopathy by Left Atrial Deformation Parameters in Patients of Hypertrophic Cardiomyopathy. (HOCM)" as PIfor the duration of 2024-2025.
- Dr Safal, Department of Cardiology, has been sanctioned Rs 25,000 for a research project entitled "A Retrospective, Observational Study to Determine Safety and Performance of Neohexa Sirolimus-Eluting Coronary Stent System (SES) in all-comer patients with coronary artery disease (CAD)" as PI. The grant has been provided by SLTL and covers the duration from 2023-2025.
- Dr Sanjeev Kathuria, Department of Cardiology has not been sanctioned any budget for a research project entitled "Long term outcomes of symptomatic patients with rheumatic AF : RHD AF registry" as Co-PI for the duration of 2024-2025.

- Dr Mohit D Gupta, Department of Cardiology has not been sanctioned any budget for a research project entitled "A randomized, double-blind, placebo-controlled multicenter study to evaluate the effect of inclisiran on preventing major adverse cardiovascular events in high-risk primary prevention patients. (VICTORION-1 PREVENT)" as Co-PI. The grant has been provided by Novartis and covers the duration from 2024-2025.
- Dr Vimal Mehta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Title-LIB004: Randomized, Double-Blind, Placebo-Controlled, Phase 3 Study to Evaluate the Long-Term Efficacy and Safety of LIB003 in Heterozygous Familial Hypercholesterolemia Patients on Stable Lipid-Lowering Therapy Requiring Additional Low-Density Lipoprotein Cholesterol Reduction (LIBerate-HeFH)" as PI for the duration from 2024-2025.
- Dr Vimal Mehta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Title-LIB005: Randomized, Double-Blind, Placebo-Controlled, Phase 3 Study to Evaluate the Long-Term Efficacy and Safety of LIB003 in Patients with Cardiovascular Disease on Stable Lipid-Lowering Therapy Requiring Additional Low-Density Lipoprotein Cholesterol Reduction (LIBerate-CVD)" as PI for the duration from 2024-2025.
- Dr Vimal Mehta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Title-EX6018-4758: ZEUS: Effects of ziltivekimab versus placebo on cardiovascular outcomes in participants with established atherosclerotic cardiovascular disease, chronic kidney disease and systemic inflammation)" as PI for the duration from 2024-2025.
- Dr Vimal Mehta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Title-I8F-MC-GPID: Randomized, Double-Blind, Placebo-Controlled, Phase 3 Study Comparing the Efficacy and Safety of Tirzepatide versus Placebo in Patients with Heart Failure with Preserved Ejection Fraction and Obesity (SUMMlT)" as PI for the duration from 2024-2025.
- Dr Vimal Mehta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Title-Study Title: EX9536-4773: Effect of Semaglutide 2.4 mg once-weekly on function and symptoms in subjects with obesity related heart failure with preserved ejection fraction, and type 2 diabetes" as PI for the duration from 2024-2025.
- Dr Vimal Mehta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Title-I8F-MC-GPGN: Protocol Title: The Effect of Tirzepatide versus Dulaglutide on Major Adverse Cardiovascular Events in Patients with Type 2 Diabetes (SURPASS-CVOT)"as PI for the duration from 2024-2025.
- Dr Vimal Mehta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Title- "I8F-MC-GPIJ: A Phase 3, Randomized, Double-blind, Placebo-Controlled Study to Investigate the Effect of Tirzepatide on the Reduction of Morbidity and Mortality in Adults with Obesity"as PI for the duration from 2024-2025.
- Dr Vimal Mehta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Title- LIB007: Open-Label Extension Phase 3 Study to Evaluate the Long-Term Efficacy and Safety of LIB003 in Patients With Homozygous and Heterozygous Familial Hypercholesterolemia, Cardiovascular Disease, or at High Risk for Cardiovascular Disease, on Stable Lipid-Lowering Therapy Requiring Additional Low-Density Lipoprotein Cholesterol Reduction (LIBerate-OLE)"as PI for the duration from 2024-2025.
- Dr Vimal Mehta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Title- "EX6018-4915: HERMES: Effects of ziltivekimab versus placebo on morbidity and mortality in patients with heart failure with mildly reduced or preserved ejection fraction and systemic inflammation"as PI for the duration from 2024-2025.
- Dr Vimal Mehta, Department of Cardiology has not been sanctioned any budget for a research project entitled "EX6018-4915: HERMES: Effects of ziltivekimab versus placebo on morbidity and mortality in patients with heart failure with mildly reduced or preserved ejection fraction and systemic inflammation."as PI for the duration from 2024-2025.
- Dr Vimal Mehta, Department of Cardiology has not been sanctioned any budget for a research project entitled "D6970C00002: A randomised, Double-Blind, Placebo-Controlled, Parallel Group Study to Assess the Efficacy and Safety of Baxdrostat in Participants with Uncontrolled

Hypertension on Two or More Medications including Participants with Resistant Hypertension."as PI for the duration from 2024-2025.

- Dr Vimal Mehta, Department of Cardiology has not been sanctioned any budget for a research project entitled "D6402C00012: BalanceD-HF: A Phase III, Randomised, Double-blind Study to Evaluate the Effect of Balcinrenone/Dapagliflozin, Compared with Dapagliflozin, on the Risk of Heart Failure Events and Cardiovascular Death in Patients with Heart Failure and Impaired Kidney Function."as PI for the duration from 2024-2025.
- Dr Vimal Mehta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Comparison of high intensity statin with high intensity statin plus ezetimibe in acute coronary syndrome" as PI for the duration from 2024-2025.
- Dr Vimal Mehta, Department of Cardiology has not been sanctioned any budget for a research project entitled "Comparison of echocardiography, MRI and cardiac catheterization in diagnosis of heart failure with preserved ejection fraction" as PI for the duration from 2024-2025.
- Dr Vishal Batra, Department of Cardiology has not been sanctioned any budget for a research project entitled "Routine Invasive Vs Ischemia Driven Strategy in Patients with ST-Segment-Elevation Myocardial Infarction Presenting Between 12-72 Hours of Symptom Onset. (LATECOMER TRIAL)" as Co-PI. The grant has been provided by ICMR and covers the duration from 2024-2025.
- Dr Vishal Batra, Department of Cardiology has not been sanctioned any budget for a research project entitled "Influenza vaccine to reduce cardiovascular events in patients with recent myocardial infarction: a multicentric randomized, double-blind, placebo-controlled trial. (FLUENT – MI TRIAL)" as Co-PI. The grant has been provided by ICMR and covers the duration from 2024-2025.
- Dr Vishal Batra, Department of Cardiology has not been sanctioned any budget for a research project entitled "A randomized, double-blind, placebo-controlled multicenter study to evaluate the effect of inclisiran on preventing major adverse cardiovascular events in high-risk primary prevention patients. (VICTORION-1 PREVENT)" as Co-PI. The grant has been provided by Novartis and covers the duration from 2024-2025.
- Dr Vishal Batra, Department of Cardiology has not been sanctioned any budget for a research project entitled "Developing and testing a collaborative quality improvement initiative for prevention of cardiovascular disease (CVD) in India. (CQIP)" as Co-PI. The grant has been provided by Population Health Foundation of India and covers the duration from 2024-2025.
- Dr Vishal Batra, Department of Cardiology has not been sanctioned any budget for a research project entitled "A phase 3, prospective, multicenter, double-blind, double-dummy, randomized, active controlled, Parallel-group, group-sequential, adaptive, event-driven study to compare efficacy, safety, and tolerability of macitentan 75 mg versus macitentan 10 mg in Patients with pulmonary arterial hypertension, followed by an open-label treatment period with macitentan 75 mg. (UNISUS)" as Co-PI. The grant has been provided by Johnson and Johnson and covers the duration from 2024-2025.
- Dr Vishal Batra, Department of Cardiology has not been sanctioned any budget for a research project entitled "The Cardiovascular Safety of Cagrilintide 2.4 Mg S.C in Combination with Semaglutide 2.4 Mg S.C (Cagrisema 2.4mg/ 2.4 Mg S.C) Once Weekly in Participants with Obesity And Established Cardiovascular Disease. (REDEFINE-3)" as Co-PI. The grant has been provided by NovoNordiskand covers the duration from 2024-2025.
- Dr Vishal Batra, Department of Cardiology has not been sanctioned any budget for a research project entitled "Effects of ziltivekimab versus placebo on heart failure symptoms and physical function in patients with heart failure with mildly reduced or preserved ejection fraction and systemic inflammation. (ATHENA)" as Co-PI. The grant has been provided by NovoNordiskand covers the duration from 2024-2025.
- Dr Vishal Batra, Department of Cardiology has not been sanctioned any budget for a research project entitled "ANT-010- A Phase 3, multicenter, randomized, double-blind, placebo-controlled, parallel-group study to evaluate the efficacy and safety of abeLacimab in high-risk patients with Atrial fibrillation who have been deemed unsuitable for oral anticoagulation

(LILAC)" as Co-PI. The grant has been provided byFortreaand covers the duration from 2024-2025.

- Dr Vishal Batra, Department of Cardiology has not been sanctioned any budget for a research project entitled "North India – Acute Myocardial Infarction Registry (NORIN-AMI)" as Co-PIfor the duration of 2024-2025.
- Dr Vishal Batra, Department of Cardiology has not been sanctioned any budget for a research project entitled "Assessment of Left Atrial Myopathy by Left Atrial Deformation Parameters in Patients of Hypertrophic Cardiomyopathy. (HOCM)" as Co-PIfor the duration of 2024-2025.
- Dr Ankur Gautam, Department of Cardiology has not been sanctioned any budget for a research project entitled "Cardiac repolarization Current Channel Expression in Rheumatic Atrial Fibrillation: a prospective observational study" as Co-PIfor the duration of 2024-2025.
- Dr Ankur Gautam, Department of Cardiology has not been sanctioned any budget for a research project entitled "To Study Correlation of Left Atrial Deformation Parameters with Left Atrial Appendage Contractile Function in Patients of Severe Rheumatic Mitral Stenosis in sinus rhythm" as Co-PIfor the duration of 2024-2025.
- Dr Ankur Gautam, Department of Cardiology has not been sanctioned any budget for a research project entitled "Effect of dapagliflozin on left atrial ejection force in hear failure with preserved ejection fraction." as Co-PIfor the duration of 2024-2025.
- Dr Ankur Gautam, Department of Cardiology has not been sanctioned any budget for a research project entitled "YEO's index for mitral valve assessment during percutaneous transvenous mitral commissurotomy" as Co-PIfor the duration of 2024-2025.
- Dr Ankur Gautam, Department of Cardiology has not been sanctioned any budget for a research project entitled "Effect of Ticagrelor Vs Prasugrel on Coronary Microvascular Function in Patients of Non-ST Segment Elevation Myocardial Infarction as Assessed by Index of Microcirculatory Resistance" as Co-PIfor the duration of 2024-2025.
- Dr Ankur Gautam, Department of Cardiology has not been sanctioned any budget for a research project entitled "Effect of SGLT-2 inhibitor on indices of atrial myopathy in rheumatic mitral valve disease" as Co-PIfor the duration of 2024-2025.
- Dr Ankur Gautam, Department of Cardiology has not been sanctioned any budget for a research project entitled "To develop a comprehensive fusion model to predict left atrial appendage inactivity from 12-lead ECG data in patients of severe rheumatic mitral stenosis in sinus rhythm" as Co-PIfor the duration of 2024-2025.
- Dr Ankur Gautam, Department of Cardiology has not been sanctioned any budget for a research project entitled "ICE guided versus fluoroscopy guided left bundle branch area pacing: a pilot randomised controlled trial" as Co-PIfor the duration of 2024-2025.
- Dr Ankur Gautam, Department of Cardiology has not been sanctioned any budget for a research project entitled "Comparative assessment of coagulation factors in patients with mitral stenosis with inactive LAA in sinus rhythm vs atrial fibrillation." as Co-PI for the duration of 2024-2025.

Seminars Organized

- Dr Antonio's Pantazis, Consultant Cardiologist, Royal Brompton and Harefield Hospitals, London, UK, delivered a talk on 'New frontiers in Pharmacotherapy of HOCM' on 17/10/2024.
- DrSenthil K Thambidorai, Regional Director of Cardiac Electrophysiology, HCA of North Texas, USA, delivered a talk on 'Advances in 3D Mapping & ICE technologies: Case-Based Discussion' on 23/07/2024.
- Dr Rajeev Pathak, Director, Canberra Heart Rhythm Centre at the Australian National University, Australia, delivered a talk on 'Carto3 V7- 3D Electro-Anatomical Mapping (EAM) and its features- Case-basedDiscussions'on 04/09/2024.
- Dr Anirban Choudhury, Professor Cardiology, Morriston Cardiac Centre, United Kingdom, delivered a talk on 'Innovation in DES technology & Tips & Tricks for CTO cases' on 19/02/2025.

- Dr Shanmuga Sundaram, Head Electrophysiologist, Velammal Medical College, Madurai, delivered a talk on “ICE guided conduction system pacing” on 11/01/2025.

Conferences Organized

- National CSI headed by Prof Dr Sanjay Tyagi in December 2024.
- Delhi CSI headed by Prof Dr Girish MP in March 2025.

National/International MoUs Signed

- An MoU was signed with University of Oxford, London, UK on 23/10/2024. Dr Jamal Yusuf from the Department of Cardiology, GIPMER serves as the coordinator. As a result of this collaboration, a joint research project on ‘To develop a comprehensive fusion model to predict left atrial appendage inactivity from 12-lead ECG data in patients of severe rheumatic mitral stenosis in sinus rhythm’ was initiated. The enrolment of the patients has been completed in May 2025 and very soon results and complete analysis will be done and thereafter it will be sent for publication in reputed international journal.

Other Collaborations

- Multiple ongoing projects are there with ICMR and IIT Delhi.

Students Under Exchange Program (Inbound/Outbound)

- DNB Medicine residents from Deen Dyal Upadhyay Hospital regularly attend 3 months posting in Department of Cardiology on rotation basis.
- DNB Medicine residents from Baba Sahab Ambedkar Hospital, Rohini regularly attend 3 months posting in Department of Cardiology on rotation basis.
- DNB Medicine residents from Rajeev Gandhi Hospital regularly attend 3 months posting in Department of Cardiology on rotation basis.
- Technicians from Jamia Hamdard University, New Delhi; Jamia Milia Islamia University, New Delhi; Galgotia University, Noida, UP; Sharda University, Noida, UP for training in Cardiovascular radiography and Electrophysiology.

Outreach activities

- Yoga clinic daily
- Lifestyle modification activities
- Regular health checkup camps

Faculty strength

- Professors and above: 10
- Associate Professors: 01

***

DERMATOLOGY AND VENEREOLOGY (MAMC)

Honors/Distinctions

Faculty

Bestowment of Dr. Sardarilal Memorial Ward 2024 to Dr. Krishna Deb Barman, HOD

Student

Gaby, student of MD DVL (2021), was awarded the Prof. V. N. Sehgal Medal for Excellence in Dermatology including Venereal Disease and Leprosy, February 03,2025

Conferences Organized

- Indian Association of Dermatologists, Venereologists and Leprologists (IADVL)- Delhi State Branch (DSB) Monthly Meet on June 30, 2024
- CME on Monkey Pox on September 5, 2024
- Post-Graduate Procedural Dermatology Training Workshop (PGPDT) organized in collaboration with IADVL-DSB and Special Interest Group (SIG)- Dermatosurgery, on December 15, 2024
- CME on Photodermatology on March 22, 2025

Extension and Outreach Activities

1. HIV awareness program
2. Leprosy awareness program
3. World Health Day Educational camp in association with IADVL--DSB (7th April 2024)

Seminars Organized

Invited guest lecture on investigations in vertigo-10 september 2024

Conferences Organized

- Laryngology hands on workshop, MAMC-19th APRIL
- Monthly clinical meet, Delhi AOI-20th APRIL
- Audiology in ENT-7th August,2024
- Guest lecture-role of investigation in a Vertigo patient, MAMC-10th SEPT, 2024
- 34 TH TEMPORAL BONE WORKSHOP-4th DEC, 2024
- ENT UPDATE-5th-7th DECEMBER
- 1ST MASTERCLASS ON LARYNGOPHARYNGEAL CANCERS, MAMC-8th MARCH 2025

***

GASTROENTEROLOGY (GOVIND BALLABH PANT INSTITUTE POSTGRADUATE MEDICAL EDUCATION & RESEARCH)

Major activities and achievements

- High-definition fluoroscopy machine installed in newly built ERCP theatre
- The advanced third-space endoscopy procedure started.
- The fecal elastase estimation test started in the Gastro lab.

Honours and distinctions

- Dr Barjesh Chander Sharma (Director- Professor) has been elected as president of INASL
- Dr Sanjeev Sachdeva (Director- Professor) is the current vice president of INMA.
- Dr Syed Ahmed (Assistant Professor) received the 2024 Early Career Investigator award at AASLD 2024
- Dr Venkatesh VS (Assistant Professor) received 1st prize for the Oral presentation in INMA, 2024

Faculty strength

- Professors and above: Director Professor: Dr Barjesh Chander Sharma, Dr Sanjeev Sachdeva, Dr Siddharth Srivastava
- Professor: Dr Ajay Kumar, Dr Ashok Dalal, Dr Ujjwal Sonika
- Assistant Professors: Dr Venkatesh V S, Dr Syed Ahmed, Dr Randeep Rana

Students with Distinctions

- Dr. Rahul Chittem, Gastroenterology (II year), won 3rd prize in the GI Emergency conference, Quiz conducted by PGI Chandigarh.
- Dr Deep Patel (II year) wonthe best Poster award in ISGCON, 2024
- Dr Shrey Bhatt and Dr Deep Patel received the Liver Care Foundation award for Travel to APASL, 2025

Research Projects

Non-Funded Projects

- Dr Ajay Kumar: Efficacy of urine NGAL and IL-18 in differentiating types of AKI in decompensated CLD patients Efficacy and safety of the recommended dose of albumin infusion vs low-dose albumin in patients with decompensated cirrhosis with AKI

- Dr Ashok Dalal: Evaluation of predictors of endoscopic healing in patients of Ulcerative Colitis on clinical remission Comparison of various scores in predicting steroid non-responsiveness in patients with acute severe ulcerative colitis

- Dr Barjesh Chander Sharma: Comparison of Neurophysiological and Neuropsychological characteristics and natural history of liver cirrhotic with minimal and grade 1 hepatic encephalopathy Evaluation of etiologies for altered mental status in liver cirrhosis and their associated outcomes

- Dr Sanjeev Sachdeva: Evaluation of Small Intestinal Bacterial Overgrowth in Patients with Functional Dyspepsia: A Case-Control Study Prevalence of fructose intolerance in patients with functional dyspepsia

- Dr Siddharth Srivastava: Comparison of magnetic resonance spectroscopy and inflammatory markers and natural history of cirrhotic patients with minimal and grade 1 hepatic encephalopathy Nutritional and quality of life assessment in patients with acute pancreatitis with won

- Dr Ujjwal Sonika: Study of Clinical outcomes of cirrhotic patients admitted with an episode of Acute decompensation Role of naltrexone in patients with alcohol related liver cirrhosis

Seminars Organised

Endoscope Cleaning and reprocessing workshop

Other Collaborations

- Dr Sanjeev Sachdeva was a part of the Asian dyspepsia consensus team
- Dr Sanjeev Sachdeva and Dr Ajay Kumar were a part of the AARC-ACLF consensus team

STUDENTS UNDER EXCHANGE PROGRAM (INBOUND/OUTBOUND)

- Dr Amit Sharma (Professor), Department of medicine, LHMC (sponsored by Ministry of health and family welfare, Government of India) came to Gastroenterology department for endoscopy training

***

G I SURGERY (GOVIND BALLABH PANT INSTITUTE POSTGRADUATE MEDICAL EDUCATION & RESEARCH)

Major activities and achievements

Organized the first 'Mastery in Minimal Access Surgery – HPB' Conference in association with AMASI from 8th – 10th November, 2024

Honours and distinctions

Student

- Dr Theakarajan, student of G I Surgery MCh course (III year), won third place in Talent young scholar award (TYSA) competition, Ahmedabad, June 12th, 2024.

Outreach activities

Conducted a health camp in association with Karnataka Sangha on January 12th, 2025

Faculty strength

a. Professors and above: Three
b. Associate professors: One
c. Assistant Professors: One

Seminars Organized

- Prof Dr Shridhar Iyer, Consultant and Group head, Division of HPB Surgery, National University Hospital, Singapore, delivered a talk on 'Use of Mixed reality in HPB surgery' on June 4th, 2024
- Prof Dr Anjan Dhar, Consultant gastroenterologist and Chair of education, British Society of Gastroenterology, UK, delivered a talk on 'Endobariatrics in Obesity Management' on January 31st, 2025.

Conferences Organized

- Conference entitled, 'Mastery in Minimal Access Surgery – HPB' was organized in association with AMASI, from 8th-10th November, 2024

STUDENTS UNDER EXCHANGE PROGRAM (INBOUND/OUTBOUND)

- Under the MoU between Ministry of Defence and Government of India, Delhi University has coordinated an inbound exchange program for one student (Lt Col Dr Sunil Julmaria) from the army, for a period of two years.

***

MAULANA AZAD INSTITUTE OF DENTAL SCIENCE

Major Activities and Achievements

MAIDS observed its Ruby Jubliee etching a history of sustenance in Oral Health Care and training in Delhi. The institute was ranked 3rd rank in NIRF and successfully renewed its NABH certification. "Dental Technology Innovation Hub" established in 2024 supported by the Department of Science and Technology (DST) under the Bio-medical Device and Technology Development (BDTD) Program which is also an ICMR – Centre for Advanced Research (CAR), has further received projects and funding. The institute renewed its MOU with MoHFW for National Resource Center for Oral Health and Tobacco Cessation under NOHP, MoHFW, Govt. of India. 6 New Mobile Dental Vans under NHM were sanctioned and Phase 2 building became operational. The independent surveys on Best Dental Colleges -2024 India Today-MDRA, Outlook-I care and The Week- Hansa have ranked MAIDS as the best dental college in India at position no.1.

Honors/Distinctions

- Dr. Sujoy Ghosh was appointed as a Nodal Officer for National Resource Centre for OPMD at LHMC, New Delhi in Oct – Dec, 2024.
- Dr. Sujoy Ghosh was awarded Fellow of International College of Dentists International College of Dentists on 23rd June, 2024.
- Dr. Sangeeta Talwar was nominated as Expert for " First Technical Advisory Committee meeting for small grant projects selected under theICMR - Investigator Initiated Research proposal – Small Grant coordinated by the ICMR- Medical Device and diagnostics Mission Secretariat (MDMS) ICMR Headquarters, New Delhi on 23rd-24th April, 2024.
- Dr. Ruchika R Nawal was appointed as an Associate Editor of Journal- Endodontology in 2024.
- Dr. Ruchika R Nawal was awarded Associate Fellowship WCLI in Laser Dentistry on 19th-21st April, 2024.

- Dr. Ruchika R Nawal was awarded Fellowship of International College of Dentist (ICD) in Nov, 2024.
- Dr. Mridula Goswami was awarded as "Visiting Scholar" for fostering community and understanding between pediatric dentistry scholars internationally Indiana University School of Dentistry, United States in July,2024.
- Dr. Aadithya B. Urs was appointed as Co-editor of Journal of Oral and Maxillofacial Pathology in February, 2024.
- Dr. Vikrant Mohanty was awarded FAIMER Fellowship at CMCH, Ludhiana on 23rd April, 2024.
- Dr. Vikrant Mohanty was elected as Vice - President of Indian Association of Public Health Dentistry in Thailand on 12th-15th Sept, 2024.
- Dr. Aswini Y Balappanavar was elected as a Fellow of Pierra Fauchard Academy, section at large, Asia Region on 6th Dec, 2024.
- Dr. Aswini Y Balappanavar was awarded the 2nd best scientific paper at, 28th IAPHD International Conference in collaboration with TSPHD and Thammasat university, Bangkok, Thailand on 12th-15th Sept, 2024.

Research Project

1. Dr. Arundeep Kaur Lamba, Department of Periodontics has been sanctioned ₹30,00,000/- for a research project entitled "Gum Drop Technique with Titanium Prepared Platelet Rich Fibrin for the Treatment of Multiple Gingival Recession: A Clinical Study" as PI. The grant has been provided by CSIR and covers the duration from March 2021 to March 2024.
2. Dr. Arundeep Kaur Lamba, Department of Periodontics has been sanctioned ₹28,00,000/- for a research project entitled "Platelet Rich Fibrin Combined with Indigenously prepared Demineralized Freeze Dried Bone Allograft for Treatment of Infrabony Defects in chronic periodontitis: A Clinical Study" as PI. The grant has been provided by the Department of Health Research and covers the duration from July 2020 to July 2023.
3. Dr. Farrukh Faraz, Department of Periodontics has been sanctioned ₹13,00,000/- for a research project entitled "Assessment of safety and efficacy of indigenously prepared xenograft to be used for regeneration and repairs in humans – An in vitro study" as PI. The grant has been provided by DTIH-ICMR and covers the duration from 2024 to 2026.
4. Dr. Rekha Gupta, Department of Prosthodontics, has been sanctioned ₹38,11,710/- for a research project entitled "A comparative evaluation of clinical and technical efficacy of denture labelling techniques using stainless steel band, dynamic quick response and near field communication tags: A randomised controlled trial" as PI. The grant has been provided by CSIR.
5. Dr. Ruchika R. Nawal, Department of Conservative Dentistry and Endodontics has been sanctioned ₹61,33,640/- for a research project entitled "Design and prototype fabrication of an Ultrasound (US)-based tooth pulp vitality tester," as PI. The grant has been provided by DST.
6. Dr. Ruchika R. Nawal Department of Conservative Dentistry and Endodontics has been sanctioned ₹18,76,362/- for a research project entitled "Development of Point-of-Care test kits for the detection of the inflammatory status of the pulp in patients with deep caries," as PI. The grant has been provided by ICMR.
7. Dr. Sangeeta Talwar, Department of Conservative Dentistry and Endodontics has been sanctioned ₹5,56,000/- for a research project entitled "Phase II - Design and development of novel instrument retrieval equipment for the removal of separated instruments during endodontic therapy," as PI. The grant has been provided by DST.
8. Dr. Tulika Tripathi, Department of Orthodontics has been sanctioned ₹35,33,124/- for a research project entitled "Artificial Intelligence (AI) based assessment and prediction for outcomes of Twin Block appliance therapy in growing patients having Class II malocclusion" as PI. The grant has been provided by CSIR and covers the duration from April 2023 to March 2026.

9. Dr. Tulika Tripathi, Department of Orthodontics has been sanctioned ₹35,33,124/- for a research project entitled "Development and validation of lateral flow immunoassay based point of care diagnostic kit for salivary IGF 1 to predict skeletal maturity" as PI. The grant has been provided by ICMR and covers the duration from March 2024 to March 2027.
10. Dr. J. Augustine, Department of Oral Pathology has been sanctioned ₹61,13,316/- for a research project entitled "Development of an artificial intelligence-based tool for automated 2D-3D comparison of smile photographs with digital dental casts" as PI. The grant has been provided by DST and covers the duration from 2023 to 2026.
11. Dr. Mridula Goswami, Department of Pediatric and Preventive Dentistry has been sanctioned approximately ₹25,00,000/- for a research project entitled "Evaluation of efficacy of 38% Silver Diamine Fluoride as an Indirect Pulp Capping Medicament in Primary Molars – A Randomized Controlled Clinical Trial" as PI. The grant has been provided by ICMR and covers the duration from 2021 to 2024.
12. Dr. Priya Kumar, Department of Oral Pathology has been sanctioned ₹13,11,922/- for a research project entitled "Development of Point-of-Care Test Kit for Diagnosis of Patients with suspected Oral Squamous Cell Carcinoma" as PI. The grant has been provided by ICMR and covers the duration from 2024 to 2027.
13. Dr. Shruti Tandon, Department of Periodontics has been sanctioned ₹5,00,000/- (approx.) for a research project entitled "A prospective, multi-center, randomized, open label, active controlled, phase II study to evaluate the efficacy, safety, and tolerability of fixed dose combination (FDC) of Doxycycline hyclate and metformin hydrochloride gel in the treatment of adults with periodontitis" as PI. The grant has been provided by Dr. Reddy's and covers the duration from 2022 to 2023.
14. Dr. Sujata Mohanty, Department of Oral and Maxillofacial Surgery has been sanctioned ₹1,20,000/- for a research project entitled "Prospective comparative evaluative of the efficacy of preoperative, intra-operative and post-operative administration of antibiotic in mandibular third molar impaction surgery" as PI. The grant has been provided by CSIR and covers the duration from 2023 to 2026.
15. Dr. Sujata Mohanty, Department of Oral and Maxillofacial Surgery has been sanctioned ₹32,17,000/- for a research project entitled "Development and design of novel prosthetic Total Temporomandibular Joint (TMJ) Reconstruction System in patients with Temporomandibular Joint disorder" as PI. The grant has been provided by ICMR and covers the duration from 2024 to 2027.
16. Dr. Sunita Gupta, Department of Oral Medicine and Radiology has been sanctioned ₹30,00,000/- for a research project entitled "Assessment of Antifibrotic Effect of Pirfenidone in Management of Oral Submucous Fibrosis (OSMF): An in-vitro study" as PI. The grant has been provided by CSIR and covers the duration from 2023 to 2026.
17. Dr. Sunita Gupta, Department of Oral Medicine and Radiology has been sanctioned ₹56,00,000/- for a research project entitled "A Randomized Clinical Controlled Trial to evaluate efficacy and safety of Triphala Rasayana and Haridradi Taila Gandusha in Chemo/Radiotherapy induced Oral Mucositis in Oral Carcinoma" as PI. The grant has been provided by the Ministry of AYUSH and covers the duration from 2024 to 2027.
18. Dr. Sunita Gupta, Department of Oral Medicine and Radiology has been sanctioned ₹38,00,000/- for a research project entitled " Therapeutic assessment of zerumbone/nano zerumbone in combination with curcumin on oral cancer cell lines." as PI. The grant has been provided by CSIR.
19. Dr. Sunita Gupta, Department of Oral Medicine and Radiology has been sanctioned ₹38,00,000/- for a research project entitled " Evaluation of audiometric findings, pre and post salivary and serum cortisol levels and response to various treatment modalities in myofascial pain syndrome." as PI. The grant has been provided by CSIR.

Seminars Organized

1. Dr. Lokesh Suri delivered a lecture on "Orthodontic Treatment Planning" at MAIDS on 21st March 2024.
2. Dr. David T.W. Wong, delivered a lecture on "Saliva Diagnostics: Saliva omics, Saliva Exomics, and Saliva Liquid Biopsy" at MAIDS, New Delhi on 18th April 2024.
3. Dr. Sharad Gupta delivered a lecture & conducted a Hands-On - on"Application of Lasers in Dentistry" at MAIDS on 13th May 2024.
4. Dr. Agam Bhatnagar delivered a lecture and conducted a CDE Program - "Rotary Endodontics in Pediatric Dental Practice" at MAIDS, New Delhi on 12th June 2024.
5. Dr. Tarek-el Bialy delivered a lecture and conducted a CDE Program - "Empowering Clear Aligners Ortho Education for University Residents" at MAIDS on 20th June 2024.
6. Prof. Dr. Amir Maroof Khan, Prof. Dr. Alpana Raizada, and Prof. Dr. Piyush Gupta delivered a lecture and conducted a Workshop - "Thesis Writing and Basic Research Methods" at MAIDS, New Delhi on 27th & 28th November 2024.

Conferences Organized

1. CDE entitled, '*Saliva Diagnostics and Beyond'* was organized at MAIDS, New Delhi on April 18, 2024.
2. CDE entitled 'Saliva Diagnostics: Salivaomics, Saliva Exomics and Saliva Liquid Biopsy' conducted by the Department of Oral and Maxillofacial Pathology, Microbiology and Forensic Odontology at M.A.I.D.S, New Delhi on April 18, 2024.
3. CDE entitled '*Addressing Oral Health Disparities among Vulnerable Communities'* was organized at MAIDS, New Delhi on October 24, 2024.
4. Conference entitled, '6th Global AAID and 12th WCOI Conference 2024' in conjunction with the 28th WCOI Japan Annual Scientific Conference was conducted at the Leela Ambience Convention Hotel, New Delhi from 8th to 10th November 2024
5. Conference entitled, '12th World Congress of Oral Implantology Conference' was organized on 8th-10th November 2024 at The Leela Ambience Convention Hotel in Delhi, India.

Other Inter-Institutional Collaboration

- An MoU was signed with the Indian Endodontic Society, in 2024 with the Dental Technology Innovation Hub, served as the coordinator. As a result of this collaboration, (1) new endodontic materials were jointly conceptualized, and (2) expert clinical feedback was integrated into design iterations.
- An MoU was signed with Indian Institute of Technology Delhi, in 2024 with Maulana Azad Institute of Dental Sciences, served as the coordinator. As a result of this collaboration, (1) joint product development was initiated under a specific project framework, and (2) translational research activities were enhanced.
- An MoU was signed with Shriram Institute for Industrial Research, in 2024 with Maulana Azad Institute of Dental Sciences, served as the coordinator. As a result of this collaboration, (1) joint product development research was started using industrial materials, and (2) material characterization and testing facilities were made accessible.
- An MoU was signed with Amity Institute of Molecular Sciences and Stem Cell Research, Amity University Noida, in 2024 with the Department of Oral Medicine and Radiology, served as the coordinator. As a result of this collaboration, (1) a randomized controlled trial on PRP and TA therapy in OSMF was initiated, and (2) collaborative research on miRNA expression profiling was undertaken.

- An MoU was signed with M/s Align Technology Inc., under the Align University Grant Program APAC Agreement, in 2024 with Maulana Azad Institute of Dental Sciences, served as the coordinator. As a result of this collaboration, (1) postgraduate students received hands-on training and certification in aligner therapy, and (2) access to educational resources and grants was provided for academic research.

Other Collaboration

- Collaboration with the Ministry of Health and Family Welfare (MoHFW), MAIDS, and Government of NCT of Delhi from December 5, 2022 for strengthening the NOHP Resource Center for Oral Health & Tobacco Cessation at MAIDS and scaling up community outreach and cessation programs. This partnership was coordinated by MAIDS and aimed at enhancing the delivery of oral health services through inter-institutional cooperation.
- Collaboration with the Central Health Education Bureau, Directorate General of Health Services, Ministry of Health and Family Welfare, Govt. of India from March 2, 2023 for establishing joint academic cooperation to advance health promotion in India. This partnership facilitates interdisciplinary collaboration in research, training, and capacity building, coordinated by Abhinay Gupta.
- Collaboration with The International Union Against Tuberculosis and Lung Disease (The Union) from October 11, 2021 for fostering joint efforts in public health with a focus on tobacco and non-communicable disease control. This collaboration aims to advance knowledge through reciprocal efforts, mutual benefit, and ongoing interaction.

STUDENTS UNDER EXCHANGE PROGRAM (INBOUND/OUTBOUND)

(Inbound)

1. As part of the ongoing academic collaboration with Boston University, USA, under the students exchange program, students participated in a knowledge exchange program from September 3, 2024, to September 4, 2024 and coordinated by The Department of Conservative Dentistry and Endodontics, Maulana Azad Institute of Dental Sciences. Students enhanced their cross-cultural understanding and developed valuable clinical & research skills relevant to their dissertation work.

(Outbound)

2. As part of the ongoing academic collaboration with Vital Strategies two students (Dr. Shubhdrangi and Dr. Mehak Jain) participated in a knowledge exchange program on October 21, 2024 and coordinated by The Department of Public Health Dentistry, Maulana Azad Institute of Dental Sciences.

3. As part of the ongoing academic collaboration with KGMU Lucknow, Dr. Shubhdrangi, PG Student, participated in a knowledge exchange program on November 23, 2024 and coordinated by The Department of Public Health Dentistry, Maulana Azad Institute of Dental Sciences.

Extension and Outreach Activities

No. of people/patients catered in 2024 (Jan-Dec)
1. Outreach Programs-Camp (5620)
2. Satellite Centers-
Barwala (340)

Child Development Center/Gynaecology (250)
3. No. of Observed Day- 08
4. No. of School centers - 03 - Patient catered - 1200
5. NGO- 02 - Patient catered – 958

Faculty Strength

Senior Professor/Professor/Director: 31
Associate Professor: 0
Assistant Professor: 51
Ad-hoc Faculty Member: 5
Guest: 5

NUMBER AND PERCENTAGE OF STUDENTS PLACED: 48(100%)

Other Significant Information

Phase 2 building having attenuated lab facilities and clinical facilities and specialized clinics has been started. Comprehensive clinic, Public Health dentistry clinic, Disability clinic and Cleft lip and Palate clinic has been started in the new space. The Oral Pathology Lab, Micro lab, Microscope lab, Prostho and Ortho labs have been shifted with increase accommodation space and facility. The E- Library facility was augmented in phase 2 with more computers and seating space. Students common room, Planning, Purchase & Accounts departments got their extensive space for their branches along with board room. CSSD got fully functional in the phase 2 building. Advanced diagnostics and Tissue Bank Lab got upgraded with new space and facilities. Research got a boost with DTIH with many funded projects. Patents and Publication saw an increase.

Library

The Maulana Azad Institute of Dental Sciences (MAIDS) features a modern library spanning 17,600 sq. ft., equipped with state-of-the-art facilities including Wi-Fi, ergonomic seating, and centralized air-conditioning. Housing around 7,000 books and 89 national and international dental journal titles with archives, the library ensures comprehensive academic support. It is a member of the National Medical Library, Delhi, and offers access to the ERMED consortium. A fully functional e-library with 40 desktop systems connected via LAN is available for digital research. MAIDS consistently updates its collection with the latest editions and rare dental books to keep students and faculty abreast of global advancements. All Dental Council of India (DCI)-recommended resources are regularly procured. The library is also secured with an Electro Magnetic Detection System and RFID-tagged materials to prevent loss. Plans are underway to acquire a full-text research database with peer-reviewed journals and plagiarism detection software, further enriching research capabilities.

Honours and distinctions

Dr Poonam Loomba

- MBBS External Examiner for II Prof Microbiology at BSAMCH in march 2024.
- Conducted workshop on soft skills in Jamia on 5th December 2024.
- External examiner for BDS exam in Jamia on 18/11/24
- Guest Lecture for foundation course in MGIMS Jaipur on 10/10/24.
- Moderator for global forum of FAIMER on 16/1/24
- Resource faculty of EGASP WHONET workshop at VMMC on 19/9/24.
- Conducted workshop on 'competency based TLA and assessment methodologies at Jamia on 22/10/24.
- Guest Lecture at AIMS, Mohali on 5th Sept 2024 on academic leadership.
- Chairperson in 1rst Annual Clinical Virology summit on 9/10/24.
- Conducted 2nd ACME workshop from 20-27th August 2024.
- Faculty for first R-FACE program of CML Ludhiana for 2024 session.
- Faculty for FAIMER at CMC Ludhiana April 15-17th 2024
- Evaluation of PHD thesis for Adesh University Jan 2024.
- Conducted first ACME course at MAMC from 20-27th Feb 2024.
- Panelist for 'Leadership in surgical practice' at HISI Delhi chapter at AIIMS on 14th dec 2024.

Dr - Manisha Jain-

- External examiner for Microbiology practical exam of 2nd year MBBS(supple batch)at BSAMCH on 15/6/24.
- External examiner for MD Microbiology practical exam and evaluation of MD Micro theory papers at JIPMER, Pondicherry on 15-17th July 2024.
- Guest speaker at ESI Basaisdharapur, Delhi during antibiotic awareness week on 21rst Nov 2024.
- Evaluation of MD thesis for AIIMS Delhi.
- External Paper setter for annual theory exam, MSc 3rd year at FMS,SGT Universityin October 2024.
- Evaluation of MSc Micro thesis for FMS, SGT university.

Dr Abha Sharma-

- Promoted to Professor on August 2024.
- External Examiner for MBBS II Prof Microbiology at VMMC 18-22 Dec 2024.
- Lecture taken on' Laboratory safety' in GLP workshop at GIPMER on 9th December 2024.

Dr Shivani Tyagi-

- Lecture taken on' Ethics' in GLP workshop at GIPMER on 9th December 2024.
- External Examiner for MBBS II Prof Microbiology(supple) at BSAMCH March 2024
- External Examiner for MBBS II Prof Microbiology at BSAMCH 19-24 Dec 2024

Research Projects

- Ongoing projects- Two MD Microbiology thesis: Dr Manyu Rishi (Supervisor Dr Poonam Loomba), Dr Sabapathy (Supervisor Dr Manisha Jain)
- Details of thesis completed during current year: - Three MD Microbiology Thesis- Dr Aditi (Supervisor Dr Poonam Loomba), Dr Wanshisha (Supervisor Dr Manisha Jain), Dr Adarsh (Supervisor Dr Abha Sharma)

Seminars Organized

- Dr Poonam Loomba tooka a Guest Lecture at AIMS, Mohali on 5th Sept 2024 on academic leadership.
- Dr Poonam Loomba took a Guest Lecture for foundation course in MGIMS Jaipur on 10/10/24.
- Dr Manisha Jain was the Guest speaker at ESI Basaisdharapur, Delhi during antibiotic awareness week on 21rst Nov 2024.
- Dr Poonam Loomba Conducted workshop on soft skills in Jamia on 5th December 2024.
- Dr Abha Sharma Lecture taken on' Laboratory safety' in GLP workshop at GIPMER on 9th December 2024.
- Dr Poonam Loomba took a lecture on 'BACLINK' in WHONET Workshop at GIPMER on March 2025.

- Dr Abha Sharma took a lecture on 'Data entry' in WHONET Workshop at GIPMER on March 2025.
- Dr Shivani Tyagi took Lecture taken on' Ethics' in GLP workshop at GIPMER on 9th December 2024.
- Dr Shivani Tyagi took a lecture on 'AMSP' in WHONET Workshop at GIPMER on March 2025.

Conferences Organized

- QCI training for ISO15189:2022 on 6-8th May 2024 at GIPMER for all faculty and residents and technical staff.
- GLP workshop organized for PGs at GIPMER on 9th December 2024-coordinator Dr Poonam Loomba.
- WHONET workshop organized by GIPMER Microbioolgy department in March 2025.

Other Significant Information

Representation on expert committee/bodies-

Dr Poonam Loomba-

- Expert for faculty, specialist grade 3 recruitment at JSSH on 6/8/24.
- Technical expert for equipment at ILBS.
- Executive member IAMM
- Resource person for four MCI Revised basic course workshops in Department of Medical Education, MAMC every quarter
- Resource person for three capsule courses for Senior Residents in Department of Medical Education in MAMC.
- Resource person for NTTC workshop in MAMC
- Faculty, Medical Education Department, MAMC.
- Member hospital equipment maintenance committee.
- Chairperson, Kitchen and cafeteria committee, Infection control committee.

Dr Abha Sharma-

- Executive member IAMM-Delhi Chapter
- Member Standing Purchase Committee for procurement of Consumables of G B Pant Hospital.
- Member physical verification committee general store of hospital

Dr Shivani Tyagi-

- Member thesis protocol committee

New facilities added: TRUENAT rapid PCR test for HBV, HCV and Dengue started. Practical training of medical lab technology in microbiology to more than 100 trainees from Jamia hamdard, Jamia Milia Islamia, NIPM Institute, Baba Haridas college of pharmacy, Aditya polytechnic, Meera Bai for a period of 12 weeks to 6 months as per request from the institution.

Research Project

Faculty: Dr. S. Anuradha, Director Professor of Medicine
Research Scheme:

- Impact evaluation of ART under NACP for “Community Viral load Testing” NACO/ ICMR (NARI)
- Phased Implementation of AHD package: Cryptococcal Meningitis.- Clinton Health Access Initiative (CHAI)
- Screening for NCDs and Mental health among PLHIV attending the ART center (I Tech and University of Washington)

Co-investigator for

- Hematological changes including thenewer parameters in people living with HIV/AIDS and their correlation with ARTtherapy and CD4 levels: a prospective study

Supervisor:

- Assessment ofnon-communicable disease(NCD)co-morbidities among aged people living with HIV (PLHIV)and their impact on quality of life.
- Assessment of Sarcopenia in people living with HIV(PLHIV) and its determinants.
- Assessment of sleep quality and disturbances in sleep among people living with HIV (PLHIV) and its impact onQuality of life (QOL).
- Assessment of polypharmacy among agedpeople living with HIV and its impact on qualityof life and adherence to antiretroviral treatment(ART). (ongoing)
- Assessment of the clinical spectrum and etiology of acute febrile encephalopathy. (ongoing)
- Assessment of Fatigue in people living with HIV and its impact on the quality of life. (ongoing)
- Assessment of pulmonary functions in people living with HIV (PLHIV) (ongoing)
- Assessment of outcome inTuberculous meningitis (TBM) and its predictors. (ongoing)

Co- supervisor:

- A Microbiological and Epidemiological study on Cytomegalovirus among People living with HIV / AIDS (submitted in 2024)
- Burden of Psoriatic arthritis among patients of Psoriasis. (submitted in 2024)

- Clinical profile and response to treatment of patients with peripheral tubercular lymphadenitis (submitted in 2024)
- Abdominopelvic findings on sonography and computed tomography in symptomatic HIV seropositive patients. (submitted in 2024)
- Association of cognitive impairment with glycemic control in patients of type 2 Diabetes mellitus (submitted in 2024)
- Vitamin D level in rheumatoid Arthritis and its association with the disease activity (ongoing)
- Sexually transmitted infections in persons living with HIV attending an antiretroviral therapy center (ongoing)
- Cardiac dysfunction in active Pulmonary Tuberculosis and its response to treatment (ongoing)
- Residual neurological sequelae and cognitive dysfunction in treated patients of Tuberculous meningitis (ongoing)
- Quality of sleep in patients with Type 2 Diabetes Mellitus (ongoing)
- Efficacy of Dolutegravir bases antiretroviral regimen in HIV positive children (ongoing)

Faculty: Dr. Sunita Aggarwal
Principal Investigator:

- A trial of ziltivekimab versus placebo on cardiovascular outcomes in patients with established atherosclerotic cardiovascular disease, chronic kidney disease, and systemic inflammation

Co-Investigator:

- NN9535-4386, SUSTAIN 11: Effect of semaglutide once-weekly versus insulin aspart threetimes daily, both as add on to metformin and optimised insulin glargine (U100) in subjectswith type 2 diabetes.
  EX9536-4388: SELECT "Semaglutide effects on cardiovascular outcomes in people withoverweight or obesity

1. Thesis work

- The clinical profile in patients with vonwillebrand disease
- Clinical Spectrum of acute poisoning cases presenting in tertiary care centres inNorth India
- A Study on the spectrum of surgical interventions in patients of hemophilia
- A study on reticulocyte Hemoglobin content in evaluation of anaemia
- A study on sarcopenia in hemophila
- A study on expression of micro RNA in chronic lympho-proliferative disorders
- Quality of life of haemophilia patients receiving regular replacement therapy
- Spectrum of clinical and psycho-logical profile of hemophilia carriers

Faculty: DR. SANDEEP GARG
As Supervisor

- Evaluation of epicardial fat thickness in patients of hypothyroidism
- Prevalence of andropause in young type II diabetic patients.
- A study on various phenotypic clusters of obesity in north India
- Study on assessment of serum galectin-3 levels in patients with heart failure with preserved ejection fraction
- A study on assessment of Apelin levels in type 2 diabetes mellitus patients

As Co-supervisor

- Pharmokinetics of first line antitubercular drugs in tuberculosis patients: A comparative study in patients with or without diabetes mellitus
- Study of thyroid function tests and other metabolites in chronic kidney patiemts
- A study on 3 Tesla magnetic resonance imaging in the evaluation of Sacroiliac joints
- A study on the ultra sound based elastographic evaluation of pancreatic stiffness in diabetes patients.

- Association of serum vitamin A level with GATA-4 promoter methylation in coronary artery disease
- Study on antidyslipidemic and insulin sensitizing effects of sargolitazar in patients with type 2 diabets.

As Investigator

- Efficacy and safety of cagrilintides.c. 2.4 mg in combination with semaglutides.c. 2.4 mg (CagriSemas.c. 2.4 mg/2.4 mg) once weekly in participants with overweight or obesity
- A trial of ziltivekimab versus placebo on cardiovascular outcomes in patients with established atherosclerotic cardiovascular disease, chronic kidney disease, and systemic inflammation (ZEUS Study)

As Co-Investigator

- Nandini Sharma, Warisha Mariam, SauravBasu, Rahul Shrivastava ,Shivani Rao , Pragya Sharma , Sandeep Garg. Determinants of Treatment Adherence and Health Outcomes in Patients with Type 2 Diabetes and Hypertension in a Low-Income Urban Agglomerate in Delhi, India: A Qualitative Study. 2023 Sharma et al. Cureus 15(2): e34826. DOI 10.7759/cureus. 34826.P1-9

Seminars Organized

Dr. S. Anuradha As Program Director, Center of Excellence in HIV organized the Organised the World AIDS day event under the aegis of the Department of Medicine on 01- December – 2024 for National AIDS Control Organization, Ministry of Health and Family Welfare, Govt. of India.
Dr. Sumeet Singla Conducted CME on Autoantibody testing – Simplified Approach on 21st Dec, 24

Faculty Strength

Senior Professor/Professor/Director: 11
Associate Professor: 0
Assistant Professor: 3
Ad-hoc Faculty Member: 1

Other Significant Information

Dr. S. Anuradha:

- Coordinator for NBE- DNB Medicine curriculum
- Member for National Strategic Plan to end TB in India 2020-2025, CTD/NTEP/ MOHFW
- Member, ART Guidelines Development Committee, NACO, MOHFW
- Member of Specialist Board of Infectious Diseases, MOHFW for DrNB(ID).
- Technical Advisor for NBE for Medicine and Family Medicine subjects
- Conducted Inspections for National Board of Examinations for DNB (Medicine)
- Core member for Curriculum revising Committee for the Postgraduate Diploma in HIV Medicine for NACO, Govt. of India and IGNOU.
- Appointed as Member Technical Specifications for National Viral Hepatitis Programme, MOHFW, GoI
- Member of Selection Committee for Interviews of MOHFW- for Regional Coordinators and Consultants (CST).

- Member, Technical working group for NCDs in PLHIV.
- Member, Personality Test Board for UPSC Medical Officers Services examination.
- Member, Interview board for DACP for UCMS, Delhi University, For Medicine
- Contributed to the National AIDS Control Programme (NACP) of GOI in capacity of Technical expert and advisor and Master trainer for the programme:
    1. Program Director, Center of excellence (COE) in HIV at MAMC. The COE is responsible for all research and training activities of the National AIDS Control Organisation (NACO), Ministry of Health and Family Welfare, Govt. of India.- trainings were held for all cadres of health care workers of the NACP.
    2. Lead, State AIDS Clinical Expert Panel (SACEP) at MAMC by National AIDS Control Organisation (NACO), Ministry of Health and Family Welfare, Govt. of India, for reviewing and consulting for Second Line and Third Line ART, and alternate first line ART and ART related toxicities for 52 ART centers of North, North West and Central India.
- Co-chair, Technical resource group (TRG) on Antiretroviral treatment (ART) for review and development of National guidelines and policies for Antiretroviral treatment for National AIDS Control Organisation by Ministry of H and FW, Govt. of India.
- Member, NACEP- National AIDS Clinical Expert Panel for review and management of referred cases from all over India.
- Member, TRG Surveillance and Epidemiology of NACO, Ministry of H and FW,Govt. of India
- Member, Technical Resource Group, HIV Counseling and Testing Services (HCTS), NACO.
- Member of Technical Working group on Elimination of Motherto child transmission EMTCT for Syphilis and HIV, NACO.
- Member Viral Load Guidelines Committee of NACO
- Technical reviewer and resource person for the revision of training curriculum for Medical Officers and Specialists of NACO.
- Member, Selection Committee for CST Consultants for NACP.
- Coordinator of Curriculum Committee for development of Curriculum for Postgraduate Diploma in HIV (PGDHIV) of NACO in collaboration with IGNOU
- Member Selection panel for interviews for posts of CST division:
- Technical Officers, Programme Officers for NACO, Min. of H and FW, GOI.
- Resource person for NACO- ITECH National Distance Learning Programme Series (NDLS)
- Coordinator for DISHA –ECHO Telemedicine Project, in collaboration with University of New Mexico, USA and National AIDS Control Organisation (NACO), Ministry of Health and Family Welfare. The Telehealth programme links all the referral ART centers for a learning programme that includes didactics and case based learning.
- Member , Technical Advisory Group for the revision of Operational Guidelines of ARTC for NACO.
- Technical reviewer and resource person for the revision of National HIV and ART guidelines.
- Technical expert for the Blended clinical curriculum for Medical Officers and Specialists of NACO

- Member for National Strategic Plan to end TB in India 2020-2025, CTD/ NTEP/ MOHFW since 2020
- Reviewer of the International Union Against Tuberculosis and Lung Disease (The Union) Online course on TB Infections (TBI)
- Reviewer for the McMaster's Textbook of Internal Medicine (South Asian Edition)

Dr. Sunita Aggarwal

- I was the part of organizing committee of National conference APICON 2024
- Celebrated world haemophilia day in MAMC
- Hemophilia conclave – organiser, speaker in IHC , Delhi
- Chairperson in international conference Current Challenges in Occupational and Environmental Health" to be
- Speaker in Hemophilia meet , Dehradun on 16th march
- Working as a resource person for "the appellate medical board/appellate disability medical board.2022, 2023, 2024

Dr. Sandeep Garg

- Working as a member of various committees formed for opinion on medical negligence cases by State Consumer Dispute Redressal Commission and Delhi Medical Council.
- Member of SAE Independent Expert Committee Central drug standard control organization of DCGI, Govt. of India
- Head of Unit VI (ward 28) of LokNayak Hospital, Delhi
- PIO for the matter related to RTI, medicolegal cases, court matters related to Medicine Department
- Nominated by Secretary Health for hospital based Authorization committee under rule 12 of the transplantation of human organs and tissues
- Nominated by Dean MAMC as Member of the medical committee for the allotment of government accommodation under medical pool.
- Was member of the Committee formed by the Dean MAMC for the Annual verification of the articles of store in Surgery Department.
- Member of committee for the upgradation of EDL of LNH
- Nominated by MOHFW as a member of Technical Expert Group for examining the second appeal filed by the various institutes under the provision of NMC Act 2019
- Member of the board for recruitment of SRs/JRs for the department
- Delivered a lecture in EDECKs conference orgnaised by LHMC on 10.3.24 on Twincretins-Current status.
- Member of Physician Research Form of Association of Physician of India (2018 & 2021)
- Was member of Editorial Board Medicine Update and Scientific committee of APICON 2023
- Member of CSIR selection committee for approval of research grant for SRF under various grants schemes
- Member of SAE Independent Expert Committee Central drug standard control organization of DCGI, Govt. of India
- Member of Ethics committee of Sir ganga Ram Hospital, New Delhi
- Member of various committee formed by CHS, NirmanBhawan
- Member of Delhi University mpopeetings of Committee of Courses and studies (CCS) and Departmental research committee (DRC) meetings at faculty of Medical Sciences, V P Chest Institute.
- Member of NAMS task force for drafting report on "Improvement in competencies & expertise of health professionals"
- Member of the committee for the formulation of CGHS guidelines for the use of Insulin pump at Nirman Bhawan

- Member of the committee constituted for Ph.D. Programme under the Faculty of Medical Sciences,
- Incharge nodal officer of the pgdgmprogramme

Dr Harpreet Singh

- Was Nominated member for faculty selection- ESIC Hospital Rohini ,New Delhi.
- Member of expert committee for Learning management system, MAMC
- Member of IT committee, LNH
- Member Of Appeal medical Board ,LNH.
- Member of Editorial board of college magazine, Spandan.
- Faculty Medical education unit -Took lectures in Both FDP(faculty) and SR workshop for all the CISP/BCME workshops held in AY 23/24
- Co-PI- Firecracker bursting during diwali and AQI parameters-5 year ongoing project-Environment centre-MAMC
- Selection panel for JR /SR interviews during 2024 LNH.
- Thesis evaluation for AIIMS,New Delhi
- External examiner at AIIMS ,New Delhi-MBBS exam.
- Co-PI-Trial -Phase 3 for development of dengue vaccine-Co-PI-Adult Arm.

Dr. Sharon T. Mathews

- Incharge of Dialysis at LNH
- Running Nephrology OPD at LNH
- Member of the State level authorization committee for organ transplant in meetings held from time to time at Dean's conference room, MAMC

***

LADY HARDINGE MEDICAL COLLEGE

Major Activities and Achievements

LHMC is a authorized embalming centre for transport of bodies at National and International levels. A 1000mA Digital X-ray system digital flat panel detector MARS 80 was installed in Dept. of Radiology. Radiotherapy equipment has been procured and has been activated for patient care. Department of ENT has successfully completed 70 cochlear Implants surgery under the ADIP scheme of Ministry of Social Justice and Empowerment.

At kalawati saran children's hospital, we have embraced new intitatives, including launch of UWIN portal, promoting child health and immunization. Our Pediatrics department has excelled, operating centres of excellence in fields such as HIV, TB, malnutrition and oncology. some other major achievements are: Launch of Pediatric drug resistant TB guidelines for national TB eradicating program (NTEP) and launch of National orientation of master trainers on Integrated Management of Neonatal & Childhood illness (IMNCI).

We have successfully implemented an e-office system, creating thousands of electronic files and enhancing administrative efficiency.

Lady Hardinge Medical College as an Institution hosld a vision for the future which encompasses delivering quality medical education and to fulfil this aim.

Honors/Distinctions

Many of our students and faculty have brought laurels by way of paper presentation awards, representing on editorial board of reputed journals, various interview panels, Technical expert on various committees, external examiner for various Universities. Several faculty got paper presentation awards and many faculty members have represented various committees at the national or international level during the year of reference, including:

- Dr. Sarita Beri, Dept. of Ophthalmology presently the Director of LHMC
- Dr. Anju Seth, Dept. of Pediatrics presently the Principal of LHMC
- Dr. Varinder Singh, Dept. of Pediatrics
- Dr. Srikant Basu, Dept. of Pediatrics
- Dr. Lalit Kr. Gupta, Dept. of Pharmacology
- Dr. Sangeeta Pahuja, Dept. of Immunohaematology & Blood Transfusion
- Dr. Arvind Kumar, Dept. of Forensic Science
- Dr. Prerna Kukreti, Dept. of Psychiatry

Faculty Strength

Senior Professor/Professor/Director: 193
Associate Professor: 15
Assistant Professor: 33
Ad-hoc Faculty Member: 31

Other Significant Information

1. Library Members increased in the Year 2024-25: 390
2. No. of Books added in the year: 425 and 5000+e-books
3. Number of Journals added in the year: 129 (Print/Online Journal)
4. One Nation One Subscription (ONOS) Introduced and Implemented.
5. On-line E resources added in the year, through Myloft remote access software
    - UptoDate Advance Database
    - Clinical Key Physicians Flax
    - Clinical Key student edition
    - Jaypee Digital e- resource
    - Clinical 3D Anatomy
    - Access Anesthesia
    - Access Obst. & Gyne
    - Access Pediatrics
    - Lippincott Medical Education
6. Four orientation programs organized in 2024-25, for UG/PGs/Nursing students and faculty.
7. Recently added facility in the faculty reading room - 72 modular work stations along with chairs installed.
8. 104 modular work station for the reading room of library are under process.

***

OPTHALMOLOGY (MAMC)

Major Activities and Achievements

Guru Nanak Eye Centre, Department of Ophthalmology, MAMC (i) A CME in the month of June 2024 on Research & publication tips with focus on increasing myopia in children was conducted. (ii) Sports day on August 11, 2024 was organised for our health care workers to take care of body & mind by physical & creative activities. (iii) GNEC participates in walkathon and Nukkad natak in hospital premises during Pharmacovigilance week (17th to 23rd September, 2024). (iv) Monthly DOS CME was conducted at GNEC Auditorium on 22nd Sep with launch of "Antimicrobial management guidelines in ophthalmology", an interdepartmental collaboration with Microbiology Pharmacology dept MAMC by Ld Dean Dr Poonam Narang and renowned ophthalmologist Dr Ramanjit Sihota. (v) Keeping in mind the mental stress of resident doctors working in GNEC round the clock, reading and recreation room was conceived by Prof Kirti Singh, Director GNEC on 21st December, 2024 (vi) A GAP workshop and Cornea CME was organized at Guru Nanak Eye Centre (GNEC) in March, 2025. (vii) 2nd DOS skilled transfer programme in coordination with Delhi Ophthalmological Society (DOS) was conducted in GNEC on 22.3.2025 with handson training on virtual reality phaco emulsification surgery and intravitreal injection techniques.

Honors/Distinctions

Faculty

- Honorary Fellowship of All India Collegium of Ophthalmology (FAICO) in Glaucoma was awarded to Dr. Kirti Singh in the year 2025.
- Dr. Punita K. Sodhi got first prize in DOS Winter Conference Free Paper session "Correlation of OCTA parameters in Diabetic macular edema with Serum VEGF A level"
- Honorary Fellowship of All India Collegium of Ophthalmology (FAICO) in Glaucoma was awarded to Dr. Arshi Singh in the year 2025.
- Honorary Fellowship of All India Collegium of Ophthalmology (FAICO) in Refractive surgery was awarded to Dr. Isha Gupta in the year 2025.
- Honorary Fellowship of All India Collegium of Ophthalmology (FAICO) in Retina was awarded to Dr. Priyadarshi Gupta, SR in the year 2025

Students

i. Dr. Aman Singh Rana, Dr. Divya D student of MS (Ophthalmology) (2022-2025), was the Best Paper Award in Annual DOS Conference "Evaluation of OCTA parameters in diabetic macular edema following Ranibizumab biosimilar", April, 2024.

ii. Dr. Aman Singh Rana, Dr. Divya D, student of MS (Ophthalmology) (2022-2025), was the Best Paper Award in Winter DOS Conference "Correlation of Optical Coherence Tomography Angiography parameters in diabetic macular edema with serum VEGF-A levels", November 23-24, 2024.

iii. Dr. Apoorva Goyal, Dr. Hiten, student of MS (Ophthalmology)) (2023-2026), was the Best Paper Award in Winter DOS Conference "Correlation of Optical Coherence Tomography Angiography parameters in diabetic macular edema with serum VEGF-A levels", November 23-24, 2024.

Research Project

Dr. Punita K. Sodhi, Director Professor Submitted following thesis titled

A) Evaluation of optical coherence tomograph angiography parameters following use of anti-vascular endothelial growth factor in non-resolving central serous chorioretinopathy
B) Evaluation of optical coherence tomography angiography parameters following use of ranibizumab biosimilar in branch retinal vein occlusion
C) An epidemiological study of visual impairment and associated factors among adolescents in a rural area of Delhi
D) Evaluating intraocular pressure and optical coherence tomography angiography parameters in preeclampsia
A) Correlation between endoscopic retinal arteriovenous ratio with coronary syntax score in patients of coronary artery disease

Dr. Punita K. Sodhi also guiding thesis titled.

a) Evaluation of ocular perfusion biomarkers in diabetic retinopathy
b) Relation between adenosine diphosphate stimulated platelet aggregation and vascular endothelial growth factor release in branch retinal vein occlusion
c) Evaluation of platelet aggregation response to agonists in subjects of retinal vein occlusion
d) Use of digital devices and ocular morbidity- A cross-sectional study on adult population of a rural area in Delhi
e) Ocular morbidities and indoor air pollution- A cross-sectional study on adult women residing in a rural area of Delhi
f) Comparison of efficacy between descemetorhexis without endothelial keratoplasty (DWEK) with or without topical rhokinase inhibitor in Fuch's endothelial corneal dystrophy (FECD)
g) Comparison of change in Kmax between accelerated epithelium-off and accelerated epithelium-on corneal collagen cross linking in patients with keratoconus
h) Evaluation of macular microvascular changes in successfully repaired retinal detachment studied with optical coherence tomography angiography
i) Evaluation of treatment response to intravitreal biosimilar ranibizumab in severe clinically significant macular edema in diabetes
j) Evaluation of the effect of vitreomacular adhesion on the efficacy of intravitreal anti-vascular endothelial growth factor therapy in patients with macular edema

Seminars Organized

(i) A CME in the month of June 2024 on Research & publication tips with focus on increasing myopia in children was conducted.
(ii) Monthly DOS CME was conducted at GNEC Auditorium on September 22, 2024 with launch of "Antimicrobial management guidelines in ophthalmology", an interdepartmental collaboration with Microbiology Pharmacology dept MAMC by Ld Dean Dr Poonam Narang and renowned ophthalmologist Dr Ramanjit Sihota.
(iii) A GAP (Gonioscopy and Perimetry) workshop during glaucoma week in March, 2025.
(iv) Cornea CME was organized at Guru Nanak Eye Centre (GNEC) on March 16, 2025.
(v) 2nd DOS skilled transfer programme in coordination with Delhi Ophthalmological Society (DOS) was conducted in GNEC on 22.3.2025 with handson training on virtual reality phaco emulsification surgery and intravitreal injection techniques

Extension and Outreach Activities

Post Graduates students go to District Residency Programme (DRP) per year as per roster.
• Every Monday and Friday 01 Senior Resident goes to High Court duty as per roster

Faculty Strength

PAEDIATRICS SURGERY (MAMC)

Major Activities and Achievements

The Department of Pediatrics continued to provide Under-Graduate and Post-graduate medical education. Faculty members continued to supervise post-graduate dissertation and continued basis research in Pediatrics. The Department also actively participated in all govt. of India programme for the welfare of children.

Honors/Distinctions

i. Dr. Simmi K Ratan received DDF professorship.
ii. Dr. Simmi K Ratan was Internal examiner for M.Ch. Pediatric Surgery exam for Delhi University
iii. Dr. Simmi K Ratan was Observer for selection of Senior Residents on regular basis for Maulana Azad Medical College.
iv. Dr. Simmi K Ratan is on the editorial board of MAMC journal of medical sciences and of innovative publications.
v. Dr. Simmi K Ratan is reviewer of

   a. Indian Journal of Pediatrics
   b. Journal of Indian Association of Pediatric Surgeons
   c. Indian journal of urology
   d. World Journal of Surgery

vi. Dr. Sujoy Neogi was-

Reviewer in-

   a. Indian Journal of Pediatrics
   b. Journal of Indian Association of Pediatric Surgeons
   c. Indian journal of urology
   d. Journal of Pediatric Surgery
   e. New Indian Journal of Surgery

Editor in –

   f. International Journal of Medical Pediatrics & Oncology
   g. Journal of Progre
   h. ss in Pediatric Urology
   i. New Indian Journal of Surgery
   j. Journal of Kidney

vii. Dr. Chiranjiv Kumar is reviewer of Journal of neonatal surgery.
viii. Dr. Md. Fahim Ahmad is a reviewer of journal

a) JIAPS (Journal of Indian Association of Pediatric Surgeons)

b) PEDN (Pediatrics and Neonatology)

c) JNS (Journal of Neonatal Surgery)

ix. Dr. Simmi K Ratan received FIAPS (Fellowship of Indian Association of Pediatric Surgeons) at IAPSCON 2024, Rishikesh.

x. Dr. Simmi K Ratan was-

- External examiner for M.Ch. Paediatric Surgery exam for I.P. University.
- External expert and observer for faculty selection at SSRGPH Noida

iv. APPLIED PEDIATRIC UROLOGY BOOK: "IAPS Textbook of Pediatric Surgery 2nd Edition" entitled to be edited by Dr. Ramesh Babu, Dr Sumitra Kumar Biswas, Dr Vikesh Agrawal, and Co-edited by Dr Rajeev Redkar and Dr Prakash Agarwal and published by Jaypee Brothers Medical Publishers Pvt. Ltd. (TO BE PUBLISHED)

Research Project

- Dr Simmi K Ratan has been sanctioned Rs 2,77,200/- for a research project titled "Occurrence of p53 mutation and chromosomal anomalies of 1p in children with solid tumor" as a PI. The Grant has been provided by MAMC, which commenced from 2020.
- Dr Simmi K Ratan has been sanctioned Rs 1,82,400/-for a research project titled "Serum Matrix Metalloproteinase-7 As A Diagnostic and Prognostic Biomarker for Extrahepatic Biliary Atresia" as a PI. The Grant has been provided by MAMC, which commenced from 2021.
- Dr Simmi K Ratan has been sanctioned Rs 2,58,085/-for a research project titled "Predictive value of serum procalcitonin and C Reactive at admission and in perioperative period of surgical neonates for post operative complications" as a PI. The Grant has been provided by MAMC.

Conferences Organized

- 16th Pediatric Surgery Update Conference was organized by Department of Pediatric Surgery, Maulana Azad Medical College and associated Lok Nayak hospital,New-Delhi from 8th to 11th February 2024 with Dr. Simmi K. Ratan as organizing chairperson, Dr. Sujoy Neogi as organizing secretary, Dr. Chiranjiv Kumar, Dr. Prafull Kumar as co-organizing secretary and Dr. Gaurav Saxena, Dr. Md. Fahim Ahmad & Dr. Sheetal Upreti as Joint organizing secretary.
- 1st Pediatric Surgery Update-Allied Subjects Conference was organized by Department of Pediatric Surgery, Maulana Azad Medical College and associated Lok Nayak hospital, New-Delhi on 7th February 2024 with Dr. Simmi K. Ratan as organizing chairperson, Dr Chiranjiv Kumar as organizing secretary, Dr Sujoy Neogi, Dr. Prafull Kumar as co-organizing chairperson, Dr. Gaurav Saxena & Dr. Md. Fahim Ahmad as Joint organizing secretary & Dr. Sheetal upreti as coordinator.
- Local DSD MDT meetings were organized by the Department of Pediatric Surgery multiple times during the period. (March, July, September, October, November 2024)
- 17th Pediatric Surgery Update including 2nd Pediatric Surgery Update-Allied Subjects Conference was organized ONLINE Through Zoom Link Platform by Department of Pediatric Surgery, Maulana Azad Medical College and associated Lok Nayak hospital, New-Delhi from 5th to 9th February 2025 with Dr. Simmi K. Ratan as organizing chairperson, Dr. Sujoy Neogi as organizing secretary, Dr. Chiranjiv Kumar, Dr. Prafull Kumar as co-organizing secretary and Dr. Gaurav Saxena, Dr. Md. Fahim Ahmad & Dr. Nitesh Kumar Sharma as Joint organizing secretary.

Extension and Outreach Activities

New facilities added:
i) Oxygen pipelines laid to various cubicles of the ward by PWD for patients.
ii) Mutipara monitors are attached with all beds of ward 5a and 5b.
iii) Neonatal HDU & Pediatric HDU were started in ward 5a & 5b respectively.

Research Projects

- Dr. Puja Sakhuja has been provided a graph for a project titled " Development of Blood based molecular test for early detection of Gallbladder Carcinoma' as an Co-PI. The grant has been provided by ICMR that covers a duration of 3 years.

- Dr. Puja Sakhuja has been granted a amount of Rs. 1.5 Cr for a project titled Identification of extracellular Vesicles- based circulatory miRNAs for earlydetection of Gallbladder Carcinoma with ICMR and NIP as an Co-PI. The grant has been provided by ICMR that covers a period of 3 years.

- Dr. Puja Sakhuja has been granted a amount of Rs. 6,05,000 for a project titled Deregulated proteome Analysis of lymph Node Metastatic Gallbladder Carcinoma to identify novel therapeutic targets DST-SERB and NIOP as an Co-PI. The grant has been provided by DST-SERB which covers a period of 3 years.

- Dr. Puja Sakhuja has been provided a grant for a project titled Brain derived neurotrophic factor (BDNF) and its receptor, TrkB in gall bladder carcinoma: potential biomarkers and prognostic markers. As an Co-PI. The grant has been provided by ICMR for a period of 3 years

- DR R K Saran has been provided a grant for a project titled GnRH Signalling in Glioblastoma as an PI. The grant has been provided by ICMR.

- Dr. Vineeta Batra has been provided a grant of Rs. 1,04,00,000 for a project titled Creating genetic, serological and ultrastructural maps in Indian patients with C3 glomerulonephritis to enable better diagnosis as an PI. The grant has been provided by ICMR which covers a period of 3 years.

- Dr. Vineeta Batra has been provided a grant of Rs 6,20,000 for a project title Role of microparticles and monocytes in the pathogenesis and disease activity of SLE and lupus nephritis as an PI. The grant has been provided by ICMR which covers a period of 3 years

- Dr Anuj Pal, Dr. R K Saran Expression of P16 by Immunohistochemistry as surrogate marker for CDKN2A deletion in diffuse astrocytoma and Glioblastoma.
- Dr. Varshitha, Dr. Puja Sakhuja Expression of the novel IHC markers ATRX, DAXX and P16 in different grades of Gastro-entero-pancreatic Neuroendocrine neoplasms
- Dr. Sai Sankari, Dr Vineeta V Batra Association of urinary biomarkers TWEAK, MCP1, and NGAL with disease activity in Lupus Nephritis.

Seminar Organized

- Dr. Tathagata Chatterjee, Director Professor, ESI Faridabad, conducted a hematology workshop from 18-19 July, 2024
- Dr. Deepti Karamchandani, University of Southern Texas, conducted a slide seminar on 18 December, 2024
- Dr. Puja Sakhuja: Organised a CME on "Diagnostic approach, pitfalls and scoring systems in Inflammatory Bowel Disease - a case based approach" at APCON 2024, 72nd Annual Conference of Indian Association of Pathologists and Microbiologists" on 13th December 2024 in Odisha

Conferences attended by residents

- 1st and 2nd February 2025 - DNACON 2025 Vivanta Dwarka, Delhi
- 22nd February 2025 - CME molecular cytopathology, MAMC DELHI
- 24th March 2025 - workshop on pathology of infections, MAMC DELHI

STUDENTS UNDER EXCHANGE PROGRAM (INBOUND/OUTBOUND)

Outbound Student Exchange

As part of the ongoing academic collaboration with Maulana Azad Medical College, New Delhi**,** postgraduate students from the department participate in periodic rotatory exchange. The students engage in routine lab work as well as undergraduate teaching activities.

Inbound Student Exchange

1. As part of the ongoing academic collaboration with Maulana Azad Medical College, New Delhi**,** postgraduate students from the department participate in periodic rotatory exchange. The students engage in routine lab work as well as undergraduate teaching activities.
2. Final year postgraduate students from Lady Hardinge Medical College, New Delhi are posted for a month for exposure to GI Pathology, Neuropathology and Renal Pathology.
3. MLT trainees are posted on rotatory basis and they engage in routine lab work.

***

PAEDIATRICS (MAMC)

Honors/Distinctions

- Dr. M. Juneja Raising Awareness on Autism Disorder, AIIMS, Guwahati 22.4.24 – 24.4.24
- Dr. M. Juneja Capacity Building of Health Professionals in Developmental Screening and Recognition of ASD in Children New Delhi 06.02.2025 – 07.02.2025
- Dr. M. Juneja City - Based Typhoid Fever Surveillance New Delhi 19.12.24

- Dr. M. Juneja Election Commission of India - Invitation to Join the Early Intervention Panel" at Sarthak Global Resource Center, 07.12.24
- Dr. M. Juneja Indian Society of Lead Awareness and research LEADCON 2024, Sir Ganga Ram, New delhi, 23.10.24
- Dr. M. Juneja Early Detection and Early Intervention of Neurodevelopmental disorders, Kerla 20.10.24 – 22.10.24
- Dr. M. Mantan ISPNCON 2024 36th Annual Conference of The Indian Society of Pediatric Nephrology held in New Delhi from 6-8th December 2024. M Mantan was the core organizing committee member and also the co- chair of the scientific committee.
- Dr. M. Mantan Organized the preconference workshop on Nephrodiagnostics on 5th December at the ISPNCON 2024 36th Annual Conference of The Indian Society of Pediatric Nephrology held in New Delhi from 6-8th December 2024.
- M Mantan was the speaker at ISPNCON 2024 36th Annual Conference of The Indian Society of Pediatric Nephrology held in New Delhi from 6-8th December 2024 and took a talk on "IgA nephropathy: The evolving therapeutic landscape'.
- M Mantan was the Moderator for the panel discussion on "Pediatric Urolithiasis" at ISPNCON 2024 36th Annual Conference of The Indian Society of Pediatric Nephrology held in New Delhi from 6-8th December 2024
- M Mantan was the invited speaker at Young Kidneys-2024 Dr. Georgi Abraham oration held on 20th July 2024 at Chennai and delivered talk on: Dialysis Prescription in special situations Are we doing it right?"
- M Mantan was the invited speaker at Young Kidneys-2024 Dr. Georgi Abraham oration held on 21st July 2024 at Chennai and delivered talk on "Mangament of IgA nephropathy in children".
- M Mantan participated as Faculty for the symposium on "Two decades of training through IPNA support" at the IPNA-AsPNA Junior Master Class (JMC) in Pediatric Nephrology held on 5-6 April 2025 at the All India Institute of Medical Sciences, New Delhi
- M Mantan invited as faculty to deliver talk on "IgA nephropathy: How do I suspect and manage?" at the 6th Pediatric Nephrology conclave held at AIIMS, Bhopal from 26-27th July 2024
- M Mantan participated as faculty in the pane discussion on "UTI guidelines" at the Phoenix of Pediatric Nephrology 2.0 held on 14th July 2024 at Welcomhotels ITC, Dwarka.
- Dr. A. Dabas Organized Strong Minds- Strong Adolescents workshop at Department of Pediatrics, Maulana Azad Medical College with Delhi Adolescent Health Academy on 20 September 2024 as part of Preconference of Pediatric Conference of North India
- Dr. A. Dabas Organised Second Hands on Workshop on Excel with Data at at Department of Pediatrics, Maulana Azad Medical College on 06 March 2025

PHARMACOLOGY (MAMC)

Major Activities and Achievements

The Department of Pharmacology has successfully established a Therapeutic Drug Monitoring (TDM) Laboratory in month of June 2024, providing services to patients of Lok Nayak Hospital. The TDM lab primarily focuses on the monitoring of anti-epileptic drugs and antibiotics to enhance therapeutic outcomes and patient safety. Over the past year, 274 patient samples were analyzed. The department continues to conduct robust academic programs for MBBS, Postgraduate, BDS, and B.Sc Nursing students. This year, two new elective postings were successfully conducted for MBBS students: (1)Drug Discovery and Development, (2)Pharmacovigilance. As a Regional Training Center for Pharmacovigilance, the department oversees more than 70 ADR Monitoring Centers and reported 1,589 Adverse Drug Reactions (ADRs) during the year. During the National Pharmacovigilance Week 2024, a walkathon, poster competition, Rangoli competition, debate competition, quiz competition, and 9 Nukkad Nataks were organized within the MAMC campus, along with 3 community sensitization activities. In the five primary health centres of MAMC, activities included a quiz competition, poster competition, sensitization lecture, 6 health talks, and 4 Nukkad Natak performances. A total of 2197 community members were sensitized.

Honors/Distinctions

- Dr. Vandana Roy received the Distinguished MAMC Alumuni award 2023, 65th MAMC annual convocation, March 5th 2025.
- Dr. Vandana Roy received Award for Outstanding work done in Pharmacoviglance from Pharmacovigilance Program of India, Indian Pharmacopoeia Commission, Ministry of Health & Family Welfare, Government of India, 2024.
- Dr. Vandana Roy received the Presidents Appreciation award, Indian Medical association, South Delhi Branch, 43rd annual convention, March 2025.4.28.
- Dr. Vandana Roy received Scroll of Appreciation on Teachers day, September 2024 from Delhi Medical Association.

Research Project

1. Dr. Girish Meshram, Department of Pharmacology (assumed from context, MAMC) has been sanctioned ₹3,00,000 for a research project entitled "To study neurobehavioral, toxicological effects of transfluthrin exposure in laboratory rats" as PI. The grant has been provided by MRU, MAMC and covers a duration for which the start and end years are not specified.
2. Dr. Vandana Roy, Department of Pharmacology (assumed from context) has been sanctioned ₹3,00,000 for a research project entitled "Effect of sulphoraphane in adenine induced chronic renal failure" as PI. The grant has been provided by the Government of Delhi, Research grant and covers a duration for which the start and end years are not specified.
3. Dr Bhupinder Kalra, Department of Pharmacology (assumed from context, MAMC) has been sanctioned ₹3,00,000 for a research project entitled "Attenuation potential of remegliflozin on non alcoholic fatty liver disease in rat model" as PI. The grant has been provided by MRU, MAMC and covers a duration for which the start and end years are not specified.
4. Dr. Akhilesh Mishra, Department of Pharmacology (assumed from context, MAMC) has been sanctioned ₹3,00,000 for a research project entitled "Evaluation of the safety and toxicity of chronic exposure of diapers in rats" as PI. The grant has been provided by MRU, MAMC and covers a duration for which the start and end years are not specified.
5. Dr. Manu Kumar has been sanctioned ₹6,00,000 for a research project entitled "In-silico AI model to predict the properties of a new drug" as PI. The grant has been provided by IIIT-Delhi and covers a duration for which the start and end years are not specified.

Seminars Organized

- Dr. Vandana Roy, Director-Professor & Head of the Department of Pharmacology, Maulana Azad Medical College, delivered a seminar/talk on an overview of the 32nd Skill Development Program in Pharmacovigilance at the National Coordination Centre, Indian Pharmacopoiea Commission, on March 7th, 2025.
- Dr. Vandana Roy, Director-Professor & Head of the Department of Pharmacology, Maulana Azad Medical College, delivered a seminar/talk on "Pharmacovigilance in the Community: An overview" at the International Conference on Patient Safety & 22nd annual conference of Society of Pharmacovigilance of India, organized by AIIMS Bhopal, on February 6th, 2025.
- Dr. Vandana Roy, Director-Professor & Head of the Department of Pharmacology, Maulana Azad Medical College, delivered a seminar/talk on "Availability of Essential Medicines & their Rational Use: Is it achievable?" at the International Pharmacology Conference & 54th National Conference of Indian Pharmacology Society, organized by AIIMS, New Delhi, on November 28-30th, 2024.
- Dr. Vandana Roy, Director-Professor & Head of the Department of Pharmacology, Maulana Azad Medical College, delivered a seminar/talk on "Looking beyond Spontaneous Reporting Systems for Monitoring Drug Safety" as an Invited Speaker & Chairperson at ISRPT 2024, organized by Government Medical College, Anantnag, on September 26th-28th, 2024.
- Dr. Vandana Roy, Director-Professor & Head of the Department of Pharmacology, Maulana Azad Medical College, served as an Invited panellist on "Making choices in drug products for Hemophilia" at the Hemophilia Conclave 2024, organized by Hemophilia & Health Collective of North, on May 17th-18th, 2024.
- Dr. Vandana Roy, Director-Professor & Head of the Department of Pharmacology, Maulana Azad Medical College, delivered a seminar/talk on "Pharmacovigilance & artificial Intelligence" at AICON 2024, organized by the Department of Pharmacology, Pt B.D.Sharma PGIMS Rohtak, on April 21st, 2024.
- Dr. Vandana Roy, Director-Professor & Head of the Department of Pharmacology, Maulana Azad Medical College, served as an Invited panellist on "Our drugs our devices, how safe are we?" organized by the Consumer Forum at India Habitat Centre, New Delhi, on April 15th, 2024.
- Dr. Vandana Roy, Prevention of Sexual Harrasment at workplaces, Maulana Azad Medical College, March 17th 2025.
- Dr. Manu Kumar, Associate Professor of Pharmacology, Maulana Azad Medical College, delivered a seminar/talk on the "Role of AI in Pharmacovigilance and Healthcare" at the NCC PvPI sponsored CME at North DMC medical college and Hindu Rao Hospital on February 28th, 2025.
- Dr. Manu Kumar, Associate Professor of Pharmacology, Maulana Azad Medical College, delivered a seminar/talk for a Webinar on the "Role of AI and ML in Pharmacology and Healthcare" organized by Ramaiah University of Applied Sciences, Bengaluru, on January 25th, 2025.
- Dr. Manu Kumar was invited as speaker for workshop on "Advanced Excel for Medical Research Data Analysis" organized by Department of Paediatrics, MAMC on 6th Feb 2025.
- Dr. Bhupinder Kalra was Organising Chairperson: Workshop on Research Methodology held in MAMC in collaboration with ICMR from 11th to 13th Dec 2024.
- Dr. Bhupinder Kalra was invited chairperson: Application of Molecular Biology techniques in forensic genetics: Organised by Dept of Forensic medicine MAMC from 22nd till 23rd Nov 2024.
- Dr. Bhupinder Kalra was invited as Chairperson: CME on Advances in Biochemical techniques held in Dept of Biochemistry, MAMC on 18th March 2025.

Conferences Organized

National Pharmacovigilance Week, organized in collaboration with Department of Community Medicine, Lok Nayak hospital, GB Pant hospital, MAIDS, sponsored by NCC Pharmacovigilance program of India from 17th Sept to 22nd Sept 2024

Other Inter-Institutional Collaboration

Collaboration with IIIT Delhi from April 20, 2024 till now for the funded project title" In-silico AI model to predict the properties of a new drug**"**

Placements Details

Four, 100%

Extension and Outreach Activities

In its community outreach efforts, the Department collaborated with the Community Medicine Department to enhance drug safety awareness, reaching 2197 individuals through talks, posters, and street plays during the National Pharmacovigilance Week . Nukkad nataks , health talks, poster making , walks through the community were organized in the five peripheral health care centres attached to Maulana Azad Medical college. The same were organized in OPDs of Lok Nayak Hospital, GIPMER , MAIDS and GNEC hospital

Faculty Strength

Associate Professor: 1
Assistant Professor: 4
Ad-hoc Faculty Member: 1

Other Significant Information

The Therapeutic Drug Monitoring Laboratory was established with the goal of enhancing clinical outcomes in epilepsy care by enabling precision in drug dosing. Through targeted monitoring of anti-epileptic drug levels, the lab empowers clinicians to fine-tune treatment regimens based on individual patient profiles—maximizing efficacy while reducing adverse effects.

Currently, the lab is actively engaged in the calibration and quality control of therapeutic drug assays. To date, over 250 patient samples have been successfully analyzed, demonstrating both the lab's operational capability and its real-world clinical impact.

In addition to clinical efforts, innovation continues to thrive. Dr. Manu Kumar Shetty has been awarded a national patent titled "Wrist Band for Measuring Blood Glucose and Cholesterol Levels" (Patent No. 447562-001, granted by The Patent Office, Government of India on 10/02/2025). This wearable device underscores the lab's broader commitment to advancing personalized healthcare through cutting-edge technology.

The Pharmacology Department has just upgraded its library. Now, it has 338 books about Pharmacology and 545 different journals. These journals cover topics in Pharmacology and are available up to 2022. This upgraded library provides a great resource for both students and researchers, helping them stay up-to-date with the latest information in the field.

PHYSIOLOGY (MAMC)

Major Activities and Achievements

The department of physiology is concerned with teaching, research and administrative works. Undergraduate Students of MBBS, BDS, Nursing, MLT, B.Sc radiology are taught. MBBS UG students of Phase III undergo Elective trainings in the department. Postgraduate MD (Physiology) students are taught, trained, and guided in various teaching learning methods as well as, scientific research projects. The department organised a symposium and workshop entitled, 'Breaking chains: understanding, preventing and overcoming addiction' was organized on March 7, 2025. Dr. Aarti Sood Mahajan, Director Prof. and Present HOD, is an honorary member of the medical education unit of MAMC.Dr. D. Robinson Is presently RTI appellate of the institute. Dr. Preeti Jain, Director Prof., is a member of the editorial board MAMC Journal of Medical Sciences. Dr Aquil Ahmad is store in-charge of MAMC.

Honors/Distinctions

Faculty

- Dr Aarti Sood Mahajan - Member, Committee for courses and studies, Delhi University; Member, Project review committee for ICMR; Co- Chairperson postgraduate protocol cell in 2024. Annual report committee-2023. Chairperson of graduate reception committee. In charge Internship program of college. Member of management committee in connection with orientation program of new entrants batch 2024. External examiner at AIIMS Jammu and SKIMS, Srinagar.
- Dr D. Robinson - Attended the 35th Annual conference of the Physiological Society of India (PHYSICON 2024) organized by Department of Human Physiology Tripura University on National Seminar on Emerging Health Issues and Challenges: Perspective from North East India from 15th to 17th November 2024; Examiner for the practical examination in the specialty of PHYSIOLOGY held at HBTMC & RN Cooper Hospital, Juhu, Mumbai, Maharashtra on 28th & 29th January 2025.
- Dr Mona Bedi: Participated as Chairperson in National Conference : Society For Nitric Oxide And Allied Science, department of Physiology, Hamdard Institute of Medical Sciences & Research (HIMSR), New Delhi on 26th September, 2024.
- Dr. Preeti Jain: Subject expert in the validation of question bank workshops organized by National Board of examinations (NBE) for conduct of various postgraduate entrance examinations including NEET, FMGE, DNB (CET), etc.; Examiner for On-site/Remote Digital Evaluation of answer sheets for DNB/DrNB Final Theory Examinations (Physiology), April and October, 2024 Session by NBE, New Delhi; External Examiner to conduct practical exam for BPT and BOT courses 2024 by the University of Delhi; Appointed Reviewer by IJPP to peer review the articles sent for publication in the journal.Officer-in-charge---Technical staff (Physiology), Internship Training Programme (MBBS). Member: Institutional MBBS UG orientation committee. Co-chairperson-- Institutional Post graduate protocol committee. Member editorial board of MAMC Journal of Medical Sciences. Member Institutional Ethics Committee of Pt Deen Dayal Upadhyaya National Institute of Persons with Physical Disabilities, New Delhi

- Dr Gaurav Swami: was a guest speaker presented a lecture entitled 'A practical Guide to Brain Computer Interface & its role in Research & Teaching' on 7 th Feb in Rajcon 2025, S.S Tantia Medical College & Research institute Sri Ganga Nagar Rajasthan
- Dr Ravi Kaushik: Principal Assessor for NABH Hospital Assessment Programs

Research Project

- Dr. Aarti Sood Mahajan, Dr Sonia Mohriwal are doing a research project entitled "Body composition analysis in reproductive age group, menopausal transition and menopausal Indian women"
- Dr Aarti Sood Mahajan, Dr Shadab Naiyer have done a research project titled "Study of thyroid dysfunction and insulin resistance in chronic kidney disease" and the duration of the research was from April 2023 till November 2024
- Dr. Aarti Sood Mahajan, Dr. Aleena S Aboobacker have been doing a thesis research project titled "Thyroid function test in women with twin gestation in first half of pregnancy" and the duration of the research is from March 2024 to August 2025.
- Dr. Aarti Sood Mahajan, Dr. Gajapriya A, have been doing a thesis research project titled " A study of thyroid function in sick preterm neonates" and the duration of study is from March 2024 till August 2025.
- Dr. Aarti Sood Mahajan, Dr. Mohd Aslam have done a research project entitled "A cross-sectional study on thyroid dysfunction among adults in the urban population of Delhi" aand the duration of the project was from may 2023 till December 2024.
- Dr. Aarti Sood Mahajan, Dr. Payal Bhalla & Dr. Shadab Ahmed Siddiqui are doing a research project titled "Comparison of peer-assisted learning using modified Peyton's 4-step method versus traditional approach in haematology practical teaching"

- Dr. Dayaram Haldwani, Dr. Abid Ahmed.c, have done a thesis research project entitled “A Study of Thyroid Function Tests and Inflammatory Markers In COPD Patients” and the duration of the project was from April 2023 till November 2024.
- Dr. Dayaram Haldwani, Dr Neethu Mary George have been sanctioned Rs 40000 for a research project entitled “A study of thyroid function tests and inflammatory response markers in acute myocardial infarction patients”. The fund has been provided by state funds under the scheme “Stg. Of medical research” during the F.Y. 2023-24 and covers the duration from April 2023 to December 2024.
- Dr. Mona Bedi, Dr. Jeetendra Singh have been doing a thesis research project entitled “The effect of a Brief, Single Bout of Walking on Cardiovascular & Cortisol Stress Reactivity in Young Adults” and the duration of the project is from March 2024 to August 2025.
- Dr. Mona Bedi, Dr. Rishav Raj have been doing a thesis research project entitled “A study of Nerve conduction velocity in normal, overweight and obese subjects and it's association with Dyslipidemia” and the duration of the project is from March 2024 to August 2025.
- Dr Mona Bedi, Dr Tangirala Siva Sankar Reddy has been sanctioned an amount of 33,600 for research project entitled “The effect of a brief heart rate variability biofeedback session on salivary cortisol, electrodermal activity and cardiovascular reactivity to mental stress”. The grant was provided from state funds under STG for medical research and covers the duration from April 2023 till Nov 2024.
- Dr. Preeti Jain, Dr. Akshara Awasthi is doing thesis research project titled "Physical Activity levels, dietary patterns and biomarkers in patients with depression" and the duration of the project is from March 2024 till August 2025.
- Dr. Preeti Jain, Dr. Sudesh Kumar has been sanctioned an amount of of ₹ 35,000 for thesis research project titled "Role of meditation on cognitive functions and subjective well-being in adults with internet addiction" and covers duration from March 2024 till August 2025.
- Dr. Preeti jain, Dr. Sushant Shekhar Katiyar has been sanctioned an amount of ₹ 40,000 for Thesis research titled "Comparison of Cognition, Personality and Psychological Health Parameters between Action and Puzzle Mobile-Gamers" as Co-PI/ PI. The grant was provided from state funds under STG for medical research and covers the duration from April 2023 till Nov 2024.
- Dr. Ravi Kaushik, Dr. Parul Horo have been doing a research project entitled “Evaluation of empathy and communication skills and their association with clinical exposure in medical interns” and the duration of the project is from from September 2024 till September 2025.

Conferences Organized

- Symposium and workshop entitled, ‘Breaking chains: understanding, preventing and overcoming addiction’ was organized on March 7, 2025.

Placement Details (Number and percentage of students placed)

PGs: 3(100%)

Extension and Outreach Activities

The department collaborates with other institutes like NBE, AIIMS, HBTMC, HIMSR, SKIMS and other state level universities. Our faculty are examiners and participate in research activities, conferences and administrative capacity.

Faculty Strength

Total: 11 (Eleven) - (Professor – 09, Associate Professor – 02)

Other Significant Information
We have special labs like electrophysiology lab, autonomic function test lab, body composition analysis lab, pulmonary function test lab, exercise physiology lab.

***

PSYCHIATRY (MAMC)

Research Projects

- Dr. Raj Kumar: 'Prevalence of abuse in children and adolescents with dissociative and/ or conversion disorder'
- Dr. Freeda Tamut: 'Association of social media use with body dissatisfaction, eating pattern and social comparison in young adults'
- Dr Bhawna: 'A comparative study of insight and delusional belief in follow up patients of schizophrenia and psychotic mania'
- 'A comparative study on resolution of delusion among the follow up patients of schizophrenia, delusional disorder, psychotic mania and psychotic depression'
- The study of Effect of modified electro-convulsive (MECT) treatment on the clinical profile & outcome of mentally ill persons in a tertiary care general hospital psychiatry unit'
- 'A study of use of psychotropic in male and female psychiatric in-patients'
- 'A study on resolution of symptoms of dissociative seizure (pseudoseizure) treated with adjuvant short term dynamically oriented cognitive behavioral therapy'
- None of these projects are sponsored or financially

Training course/conference/workshop organized:

- Diamond Jubilee CME on Mental health at work place on 08.10.24

Conference / workshops/symposiums attended

- Conference attained by Dr M Kapoor at Misore
- Conference attained by Dr Goyal

Other Collaborations

- Nursing students Ahiyabai Nursing College, N Delhi St Stephen's college of Nursing RAK college of nursing, N Delhi Over total 2 months (aprox.)
- PGDGM IGNOU, N Delhi, Over total 1 months (aprox.)
- PGs of Forensic Medicine Department Forensic Medicine Department, MAMC One week

New Facilities added

New modified ECT with EEG monitoring

Other Significant Information

Lab data:-

a) Name of the lab: ECT OT: No of sessions=245

b) Name of the tested perform: EEG done in 85 patients

c) Percentage of growth compared to last year: 25%

RADIOLOGY (GOVIND BALLABH PANT INSTITUTE POSTGRADUATE MEDICAL EDUCATION & RESEARCH)

Major activities and achievements

- Delhi IRIA monthly meet organized by Radiology Department, GIPMER on 4th May 2024
- International guest faculty lecture on Neuroimaging by Dr. Girish Bathla in Feb 2025
- M.D. RadiologyAnnual DU exam conducted in January 2025 for the first time in Department of Radiology GIPMER
- All the faculty members attended many state and national conferences
- Faculty delivered many lectures in state and national conferences
- Faculty also invited as chairpersons in various state and national conferences
- Faculty invited as External examiner for PDCC and MD exams
- The residents presented oral paper and posters in various national conference.

RADIOTHERAPY (MAMC)

Honors/Distinctions

Students

- Dr. Tanshi Daljit, Senior Resident Department of Radiotherapy won the Best Poster Award & Young Investigator Award for ILCC 2024, 28/09/24
- Dr. Tanshi Daljit, Senior Resident Department of Radiotherapy secured the 3rd position in in E-poster at ONCOVISION 2025, AHRR, 19/01/25
- Dr. Tanshi Daljit, Senior Resident Department of Radiotherapy stood 2nd in Quiz at ONCOVISION 2025, AHRR, 19/01/25
- Dr. Rajeev Dahiwal, second year student of MD Radiotherapy, successfully cleared FRCR Clinical Oncology part I examination in Feb 2025
- Dr. Rajeev Dahiwal, second year student of MD Radiotherapy, successfully completed Advanced training course on sample size determination & power analysis in health research from December 28 – 30, 2024.
- Dr. Rajeev Dahiwal, second year student of MD Radiotherapy, successfully completed TMC Hybrid Physics-Radiobiology- Genetics course on 1-2 June 2024.

- Dr. Saarthak Miglani, second year student of MD Radiotherapy secured 2nd place in Quiz at ONCOVISION 2025, AHRR, 19/01/25
- Dr. Saarthak Miglani, second year student of MD Radiotherapy secured 4th position in Quiz at ONCOPULSE 2025 quiz, 30/03/25

UNIVERSITY COLLEGE OF MEDICAL SCIENCES

MAJOR ACTIVITIES AND ACHIEVEMENTS

University College of Medical Sciences (UCMS), a NAAC accredited constituent college of the University of Delhi is ranked among top medical colleges in India. The college is running several academic programs, and celebrated its 53rd Foundation Day and Convocation on October 25, 2024. During this prestigious ceremony, degrees were conferred to 146 MBBS students, 145 MD/MS students, 17 B.Sc (MT) Radiology students, and 4 M.Sc (R&MIT) students; and 62 awards were distributed by Shri Jagat Prakash Nadda, Hon'ble Union Minister of Health & Family Welfare to meritorious students. The faculty of UCMS have published over 300 research articles in this duration and are involved in several research projects funded by various agencies like ICMR and DBT. The Multidisciplinary Research Unit (MRU) of UCMS was honored with the 'Excellence Award' by the Department of Health Research-ICMR at Medical College Research Connect 2025. Apart from academic research, UCMS organized various lecture series, seminars and workshops for its faculty and students like IDEAS, Basic Course in Medical Education (BCME) Workshop, Proposal Writing and Processing for Research Grant Workshop, Medical Simulation training, and Public awareness lectures for its faculty, students and general public.

HONOURS/DISTINCTIONS

- Dr SV Madhu was invited by President of Bharat to at home reception at Rashtrapathi Bhavan as 'Eminent Doctor' on the occasion of Independence Day on August 15,2024.

- Dr Pooja Dewan, Department of Pediatrics was elected as the Editor-in-Chief, Indian Pediatrics, Official Journal of Indian Academy of Pediatrics (2024-2026).

- Dr Farah Khaliq completed a 2-year fellowship - Foundation for Advancement of International Medical Education and Research (FAIMER) in April 2024.

- Dr Satendra Singh was selected as one among the 20 Commissioners on Lancet's first ever Commission on Disability and Health.

- Dr Deepika Pandhi was awarded the prestigious Dr LK Bhutani award (National award given by the Indian Association of Dermatology Venereology and Leprology to one member for achievement in teaching and research in clinical dermatology) at DERMACON 2025, held from 6-9th February 2025, at Jaipur.

- Dr Amitesh Aggarwal was awarded prestigious 'Prof. Halberg Medal' at 13th International Congress of Cardiology & Diabetes on 9th Nov 2024, New Delhi.

Research Projects

- Dr. Vipin Arora has been granted Rs 96,79,800 for a research project titled" Functional characterization of patient derived single cell spheroids from oral squamous cell carcinoma to decipher clinical hetererogeneity: A tool for drug screening and radiation sensitivity. " as an Co-PI. The grant has been provided by SERB and covers the duration from 2024-2027.
- Dr..Shukla Das has been granted Rs. 31 lakhs for a research project titled "MoU UCMS & GTB Hospital Delhi and National centre for Disease Control for National Programme on AMR containment during 2024-25" as an PI. The grant has been provided by NCDC and covers the duration of 2024 to 2027
- Dr. Rajesh Arora has been granted 6,00,000/- for a research project titled" Comparison of T and B cell immune responses to autologous bone graft versus allogenic bone graft in patients of non-union of long bones: A Pilot study." as an PI. The grant has been provided by IGIB &MRU-UCMS that covers the duration of 2025-2027.

- Dr. Dheeraj Shah has been granted 41.155 lac for a research project titled "Rapid Assessment of WHO NPSN Transitioning from Polio to Strengthening Public Health System in India NACO V Mid-term Assessment" as an PI. The grant has been provided by NACO that covers the duration of 2024-2025.

- Dr Nishant Raizada has been granted 6,96,25,805 for a research project titled "Identification of gene-environment and polygenic risk score-environment interactions among Indians that determine the risk of prediabetes and type 2 diabetes mellitus" as an PI. The grant has been provided by ICMR that covers the duration of 2024-2028.

- Dr AG Radhika has been granted Rs 5.135 Lakhs for a research project titled "Scoping Review Common Bacterial Organisms that cause Vaginal Discharge and their Antibiotic Susceptibility Profiles in Indian Subcontinent" as an PI. The grant has been provided by Dept. of health research, ICMR that coversthe duration of 2025-2025.
- Dr Deepika Pandhi has been granted 22,81,828 for a research project titled "Diagnostic and therapeutic validation of dermatology standard treatment workflow in an Urban health and training center in Delhi". The grant has been provided by ICMR that covers the duration of 2024-2025
- Dr Deepika Pandhi has been granted 15,00,000 for a research project titled "A multicentric cross-sectional observational study on the prevalence and impact of filaggrin gene mutations in

Indian patients with atopic dermatitis". The grant has been provided by Society for Eczema Studies that covers the duration of 2024-2025

Seminar Organized

- Pre-conference workshop on "Obstetric emergencies and labour analgesia" on 26th September 2024 at UCMS as part of state conference ISACON Delhi 2024
- A seminar on Droplet digital PCR' at UCMS on 4th December 2024 by Kotru M, Department of Pathology, UCMS.
- AI in Medicine: Developing Intelligence and Insight by Dr Anirban Bhattacharya, Assistant Professor of Medicine, Mayo Clinic, USA on 10/03/2025 at LT-1 , UCMS.
- Dr Dheeraj Shah organized "National Consultation on ICMR-NIN Dietary Guidelines (South Zone), NIN Hyderabad" funded by NIHFW and Primus partners on 16th December 2024.
- Department of Dermatology organized IADVL DSB Clinical meet, November 2024.

Conferences Organized

- Hands-On Head and Neck Cadaveric Dissection and Reconstruction Workshop, organized in collaboration with Departments of Anatomy, Forensic Medicine and Plastic Surgery, sponsored by ICMR, held on December 21-22, 2024 in UCMS
- UCMS-UChicago International conference on Head and Neck Cancers, organized in collaboration with Otorhinolaryngology and head and neck department, University of Chicago, Chicago, USA, sponsored by SERB, held on December 23-24, 2024, in University of Chicago Centre in Delhi
- A workshop on "U-WIN Citizen Self Registration" for ASHAs was conducted on 08.06.2024 by Department of Community Medicine under the supervision of Dr Aparna (CMO In charge) & HOD Prof SK Bhasin at Ghazipur Health Training Center.
- 05 day workshop on "Serological and Molecular Techniques for Viral Diagnosis" organized by VRDL (DHR-ICMR) at UCMS and GTBH from 2.12.2024 to 6.12.2024.
- 2-day workshop in VRDL" Molecular Techniques for Viral Diagnosis" being organized by VRDL (DHR-ICMR) at UCMS and GTBH" (26-27 Nov 2024)
- One-day course on Good Clinical Practice for the postgraduate students organised by The VRDL, Dept of Microbiology in collaboration with MELAP organised (24.08.2024 and 06.09.2024)
- Proposal Writing and Processing for Research Grant" on 24th April.2024 organized by MRU-UCMS and ICMR at UCMS.
- Faculty Development introductory workshop on Moodle, a Learning management system, in collaboration with Medical Education Unit, UCMS on 26th April 2024 at UCMS, Delhi.
- Faculty Development Workshop on Digital Logbook (including e-portfolio) for medical postgraduates in collaboration with Medical Education Unit, UCMS Delhi, on 5th November 2024
- CME on "Basic Dermatopathology for Residents" at UCMS on 22nd September 2024, by Dr N Tanveer & Dr S Sharma, Department of Pathology, UCMS.
- CME on Breast Pathology: Essentials for Residents at University College of Medical Sciences. 23 November 2024, by Dr N Tanveer & Dr S Sharma, Department of Pathology, UCMS.
- Dr Dheeraj Shah organized "Capacity Building of Health Professionals in Developmental Screening and Recognition of Autism Spectrum Disorders (ASD) in Children" funded by NIHFW on 6-7 February 2025.
- Dr Deepika Pandhi ASTICON 2024 Organized with IASSTD and AIDS by Dr. Deepika Pandhi at Eros Hotel Nehru Palace on 30th 2024 August to 1st September 2024
- Dr Aaradhana Organized a CME on Adolescent Health care Awareness Week on 10th October 2024 at UCMS & GTBH. The program included a talk on mental health issues in adolescents by Dir. Prof Monica Juneja (HOD Pediatrics, MAMC), and a panel discussion on Adolescent health assessment: a holistic approach moderated by Dir. Prof Harish Pemde (MS. KSCH) and esteemed Panelists.

National/International MoUs Signed:

Department of Microbiology signed a MoU with Ministry of Health and family welfare under NCDC on Antimicrobial resistance programme.

Department of Microbiology signed a MoU with Ashoka university on AMR genome project.

Other Collaborations

Department of Microbiology has an institutional collaboration with Institute of Genomics Integrated Biology (IGIB,Delhi) for genomic, proteomic studies of fungal pathogens

.

Students under exchange program (inbound/outbound):

Mr. Islamudin Aldanov, a Final Year Medical Student from First Moscow Medical University (Sechenov University), visited Department of pathology from 3-8 February 2025 under ECRC-EAFO Student Research Fellowship.

EXTENSION AND OUTREACH ACTIVITIES

Delhi was conducted at the Maulana Azad Institute of Dental Sciences, New Delhi on 27th and 28th Nov 2024. This hands-on interactive workshop focused on the essentials of research methodology and how to write the thesis and thesis protocol.

• Under the iHEAR initiative of Sangath Bhopal Hub, to sensitize medical educators about Transaffirmative competencies, two 1-day workshops were held, one at Malabar Medical College on 27th Oct '24 and another at Govt Medical College, Kozhikode, on 28th Oct 2024. Prof Satendra Singh and Prof Khan Amir Maroof from MEU, UCMS and GTB Hospital were the resource faculty for these workshops.

• Celebrating International Women's Day at UHTC Ghazipur, on March 8th, 2025, Department of Community Medicine hosted an empowering Health Talk to honor women's rights and well-being.

• Red Ribbon Club (RRC), UCMS & GTBH in collaboration with ART Centre and the Department of Community Medicine conducted the Health talks on Prevention & Control of HIV/AIDS on 6th & 7th September, 2024 at Rural Health Training Centre (RHTC), Singhola and at Urban Health Training Centre (UHTC), Dilshad Garden, respectively.

• Department of Microbiology provides Anti-HBs antibody titre services for East Delhi dispensaries and Hospitals.

• Department of Community Medicine is running two Urban Health and Training Centres: one each in Dilshad Garden and Ghazipur in East Delhi, and is catering to the outreach areas of Tahirpur Sarai, Tahirpur village adjoining Dilshad Garden and urbanized village of Ghazipur.

LIBRARY DEVELOPMENT

During the year 2024-2025, the UCMS College library purchased 376 textbooks and reference books and subscribed 45 journals (28 Foreign Journals and 17 Indian Journals) for ₹ 34,77,711.53/-. The total number of books in the library is 21,554. In addition, library has an asset of 26,074 bound journals, 1,534 WHO Publications, 1,148 Thesis and 416 CDs. The library is member of NML-ERMED Consortium through which users can access 242+ e-journals from five publishers' viz. British Medical

Journal (BMJ), Cambridge University Press (CUP), Lippincott Williams & Wilkins (LWW), Oxford University Press (OUP) and Wiley. Further, through ERMED consortium our users also have access to three major databases i.e. McGraw Hill's Access Medicine Database, Elsevier's Clinicalkey and Thieme's MedOne. The college is also a part of the ONOS (One Nation One Subscription) initiative by Government of India via which access to 13,000+ e-journals is provided from 30 reputed publishers.

FACULTY STRENGTH

Total 182 (One Hundred & Eight Two): Senior Professor/ Professor/Director: 84, Associate Professor: 46, Assistant Professor: 46, Ad-hoc: 6

OTHER SIGNIFICANT INFORMATION

- UCMS introduced an eco-friendly golf cart, reflecting our commitment to accessibility and inclusivity to support students with reduced mobility.
- The patient care was further improved with the introduction of BD FacsLyric flow cytometry in the Department of Pathology, a state of art equipment for diagnosis of various Hematological disorders.
- Intramural NICU facility was inaugurated in the Department of Pediatrics & Division of Neonatology.
- Tobacco Cessation Center (TCC) in UCMS & GTBH, was inaugurated virtually on 24.09.2024 by the Hon'ble Union Minister of Health & Family Welfare.
- Release of the newsletter & antibiogram 2025 by the Department of Microbiology to promote antimicrobial stewardship in the institution.
- UCMS organized a swachhata survey across the campus as part of the Special Campaign 4.0 for swachhata and Minimizing Pendency in higher education institutes, the spots were identified for cleaning, staff & students were made aware about the importance of hygiene and cleanliness in the campus.
- The college celebrated Anti-Ragging week between 12-18th August 2024 celebration and a mentoring program was introduced wherein Faculty mentors were allotted to the students (mentees)of MBBS Batch 2024-25.
- Public lecture series was started on 8th October,2024, "it is time to prioritise mental health at work place" and a public lecture is being carried out through on second Tuesday of the month from 3-4pm in Lecture Theatre with live streaming on you tube channel of University College of Medical Sciences.

VALLABHBHAI PATEL CHEST INSTITUTE

Major Activities and Achievements

VPCI continued its 'education', 'research' & 'patient care' activities. Conducted postgraduate medical courses viz MD, DM and PhD in chest medicine and other pre & para-medical disciplines, short-term training to graduate/post-graduate students of prestigious institutions. A total of 07 MD (2020-23 batch) students passed out. Students on rolls were: MD(2022-25): 09; MD(2023 26): 10; MD(2024 27): 10; DM(2021-24): 02; DM(2022-25): 02; DM(2023- 26): 02; MSc(2023-25): 01; MSc(2024-26): 02; and PhD: 04 students. VPCI had 16 ongoing projects funded by MOHFW, DHR, ICMR, DST, DRDO, CCRYN, WHO, NCDC etc which received grants of Rs. 3.23 Crores. VPCI has been awarded NABH-EL accreditation in May 2023. The DHR-MRU at VPCI is actively involved in various research

activities since its inception. In 2024-2025, 15 projects were functional out of which 03 completed. The hospital wing registered 9,719 new patients and 47,841 follow-up patients. Indoor General Ward admitted 13,771 patients and Emergency Ward provided treatment to 25,502 patients. RICU admitted 1,547 patients for intensive care. No. of diagnostic tests done were: 8,298 Spirometry, 1,101 Complete Pulmonary Function Tests, 24,025 X Rays, 9,187 Biochemistry tests, 15,045 Pathology tests, 6,534 Immunology tests, 2,915 Virology tests, 7,740 Microbiology tests, 56 RT-PCR tests and 164 polysomnograms.

Honours/Distinctions

Faculty

- Dr. Ankit Arora Assistant Professor completed NMC approved Basic Course in Medical Education September 25-27, 2024

- Dr. Ankit Arora chaired a session on 'Food Allergy' at 58th Annual Conference of the Indian college of Allergy, Asthma & Applied Immunology, VPCI, Delhi December 19-22, 2024

- Dr. Kavita Gulati Director-Professor & Head, Dept. of Pharmacology represented ADR Monitoring Center of VPCI as Coordinator during 12th Induction-cum-Training Programme via digital/virtual platform to aware Coordinators/Deputy Coordinators of hospitals/clinical establishments, who newly recognized as Medical Device Adverse Event Monitoring Centres (MDMCs) in order to strengthen the Materiovigilance programme of India, 30 July, 2024

- Prof. Kavita Gulati was Subject Expert for Scientific Advisory Research Committee (SARC) of PhD in Department of Biotechnology School of Chemical and Life Sciences, Jamia Hamdard, 19 August, 2024

- Prof. Kavita Gulati was the Chairperson at National Conference of Society for Nitric Oxide And Allied Radicals (SNOAR), Hamdard Institute of Medical Sciences and Research (HIMSR) September 26, 2024

- Prof. Kavita Gulati was the Chairperson during Workshop on 'Good Clinical Laboratory Practices (GCLP)', VPCI Delhi, September 27, 2024

- Prof. Kavita Gulati was the Expert in Departmental Scientific Research Committee at DPSRU, October 14, 2024

- Prof. Kavita Gulati was the Subject Expert in the Board of Studies Meeting, Department of Pharmacology, SPER, Jamia Hamdard on October 15, 2024

- Prof. Kavita Gulati was the Chairperson of the Symposium on Allergic Rhinitis during ICAAICON -2024, Dec 19-22, 2024

- Prof. Kavita Gulati was the Judge for the NS Dhalla Award for the best Poster during Joint International Conference (JIC)-2025, Ahmedabad, Gujarat, January 10-12, 2025

- Prof. Kavita Gulati was the Chairperson for the Plenary lecture and Devendra K Agrawal Oration during Joint International Conference (JIC)-2025, Ahmedabad, Gujarat, January 10-12, 2025

- Prof. Kavita Gulati was Expert for Institutional Human Ethics committee (IHEC) meetings held by IHEC, ABVIMS, Dr. RML Hospital, Delhi on 24.10.2024, 5.12.2024, 16.1.2025, 14.2.2025.

- Prof. Kavita Gulati was Member, Sub-committee to access the SAE Death reported in clinical study titled "ARTEMIS – Effect of Ziltivekimab versus Placebo on Cardiovascular Outcomes in Patients with Myocardial Infarction", IHEC, ABVIMS, Dr RML Hospital, February 05, 2025

- Prof. Kavita Gulati was subject expert for Doctoral Research Committee of Ms Monika Sharma, and Mr. T Bhanuteja, DIPAS, DRDO, February 19, 2025

- Prof. Kavita Gulati represented Multidisciplinary Research unit (MRU) of VPCI during Medical Colleges Research Connect-2025, Bharat Mandpam, Delhi, March 20-21, 2025

- Prof. Kavita Gulati was Expert for Departmental Assessment Board (DAB) for Group A Technical Officers at CCRUM, March 24, 2025

- Dr. Ankit Arora Assistant Professor completed NMC approved Basic Course in Medical Education, September 25-27, 2024

- Prof. Madhu Khanna was recipient of Global Health Travel award from Bill and Melinda Gate Foundation to attend the Keystone Symposium on HIV and (Re)Emerging Viruses: Aligning Lessons Across Pandemics at Hannover, Germany April 8 - April 11, 2024

- Prof. Madhu Khanna was recipient of IVS-Young Scientist Award conferred to Dr. Roopali Rajput, Research Associate-II, C/o Professor Madhu Khanna, Virology Unit, Department of Microbiology, VPCI, for oral presentation of research work entitled "Potential of engineered phage display antibodies in epitope mapping of influenza A virus antigens" at the International VIROCON-2024 conference on the theme 'Emerging Viruses: Pandemic & Biosecurity Perspectives' organized by DRDO- Defence Research & Development

- Prof. Madhu Khanna was invited to deliver a 'Lead Lecture' at the prestigious Asia-pacific Forum on RNA Therapeutics and Vaccines (APFRTV), 24-25 February 2025 held at Jawaharlal Nehru University, Delhi, India.

- Prof. Raj Kumar was the University Representative, Reappointment for Governing Body of Swami Sharddhanand College, University of Delhi, Delhi w.e.f. 04.05.2024 dt. 24.04.2024.

- Prof. Raj Kumar received ATS Public Service Award, Outstanding contributions, Improvement of air quality, eradication of tobacco usage, prevention of lung disease during ATS International Conference, San Diego Convention Center, American Thoracic Society dt. 18.05.2024.

- Prof. Raj Kumar was Member, 'Technical Expert Group for Chronic Respiratory Diseases' under the Natnal Program for Prevention and Control of Non-Commnicable Diseases (NP-NCD) dt. 20.07.2024.

- Prof. Raj Kumar received Late Dr. Ramkrishna Modi Samriti Samman-2024 Contribution in the field of Allergy, Modi Allergy Clinic, Patna dt. 18.09.2024.

- Prof. Raj Kumar was Member, Nominated by VC regarding guest faculties in faculty of Law for the appointment of academic year 2024-25 dated 17th September, 2024.

- Prof. Raj Kumar was Chief Guest, Invited as Chief Guest in Annual Function "Pratibimb" of Nutan Vidhya Mandir on 26th October, 2024 at NVM Sr. Sec. School, Dilshad Garden, Delhi.

- Prof. Raj Kumar received ESDA National Pride Award 2024 Outstanding Achievement and Remarkable Contributions in the Field of Tobacco Cessation, Environmental and Social Development Association dt. 17.11.2024.

- Prof. Raj Kumar received Lifetime Achievement Award Great recognition and appreciation in the Respiratory Allergy, Asthma and Immunology during ICAAICON-2024 Conference (w.e.f. 19th – 22nd Dec., 2024), Indian College of Allergy Asthma and Applied Immunology dt. 20.12.2024.

- Dr. Sonam Spalgais received the V Raju Award during the 58th ICAAICON 2024 held at VP Chest Institute, Delhi during December 19-24, 2024.

- Dr. Sonam Spalgais was awarded Best oral paper presentation ICAAICON 2024 held at VP Chest Institute, Delhi during December 19-24, 2024.

- Dr. Sonam Spalgais was awarded Best poster paper presentation ICAAICON 2024 held at VP Chest Institute, Delhi during December 19-24, 2024.

- Prof. Vishwajeet Rohil was invited and participated as Chairperson for the session on "Drug Delivery and Therapeutics", Symposium-23 scheduled for Saturday, 7th December 2024 in the Golden Jubilee Conference of the Association of Clinical Biochemists of India (ACBICON 2024) organized by Department of Biochemistry, PGIMER Chandigarh from 5th to 7th December 2024 at Hotel Mount View, Chandigarh.

- Prof. Vishwajeet Rohil was invited and participated as Expert in the Panel discussion for the Session titled "Use of AI for Outcome-Based Teaching Learning" on 1st Feb 2025 (11:45 am –12:45 pm) at the National Symposium on "Empowering Faculty: Advancing Excellence for NextGen Education" from January 31 to February 5, 2025 by Sharda University, Greater Noida, 201310.

- Prof. Vishwajeet Rohil was invited and participated as External Expert for the Comprehensive Review of Pedagogical Proficiency invited by Teaching Learning Centre, Sharda University, in its endeavour to increase and improve faculty standards across all levels, for the Programmes of "Biochemistry", "Clinical Research". "Physiology" and "BMLT" on Saturday, 1st March 2025 at 10:30 am - 1:00 pm at Sharda School of Applied Health Sciences, Greater Noida, 201310.

- Prof. Vishwajeet Rohil was appointed as Examiner for the Examinations of Post Graduate MD (Biochemistry) Annual Examination-2025 (Batch-2021) on 29th & 30th January 2025 which was held at University College of Medical Sciences, Delhi-110095 (Center of Practical Examination).

- Prof. Vishwajeet Rohil was invited and participated as PhD open defence viva as an External Expert on January 18, 2025, at 11:00 AM at Jaypee Institute of Information Technology, A-10, Sector-62, Noida, U.P., INDIA

- Dr. Vishnu Priya V, MD student was awarded the Best e- Poster Presentation for paper entitled “To study the PXR gene polymorphisms and its association with the serum aminophylline concentration” in The South Zone ACBI Conference on “Translation from the bench to the bedside: Emerging trends in Clinical Biochemistry to improve patient outcomes” organized by ACBI held at JIPMER, Puducherry on 24 to 25 Jan 2025.

Students

- Dr. Navnika Kapoor, student of MD (Pharmacology) 2021-24 session successfully completed the course.

- Dr. Pranab Sarma, student of MD (Pulmonary Medicine) 2021-24 session successfully completed the course.
- Dr. Lehar Batra, student of MD (Pulmonary Medicine) 2021-24 session successfully completed the course.
- Dr. Anushree Kesarwani, student of MD (Pulmonary Medicine) 2021-24 session successfully completed the course.
- Dr. Katasani Giridhar Reddy, student of MD (Pulmonary Medicine) 2021-24 session successfully completed the course.
- Dr. Arathy Jayakumar, student of MD (Pulmonary Medicine) 2021-24 session successfully completed the course.
- Dr. Karishma Birde, student of MD (Biochemistry) 2021-24 session successfully completed the course.
- Dr Sumit Biswas, student of MD Pharmacology completed Basic Course in Biomedical Research (BCBR-80%), March 16, 2025
- Dr. Ankit Arora achieved 2nd Prize in essay competition organised during Fit India Week, December 2024

Seminar Organized

- Prof. AK Janmeja, Dept. of Pulmonary Medicine, MM Institute of Medical Sciences & Research, Solan (Himachal Pradesh) delivered the 23rd Prof. Raman Vishwanathan Oration on April 07, 2024.
- Prof. CP Baveja, Former Professor of Excellence, Dept. of Microbiology, Maulana Azad Medical College, New Delhi delivered the 9th Prof. HS Randhawa Oration on "HIV Prevention" on 13th January 2025.
- Prof. Raj Kumar, Director, VPCI delivered a talk on 'Good Clinical Laboratory Practices (GCLP)' on September 27, 2024.
- Prof. Ashok Shah, Former Professor, VPCI delivered the 18th Prof. Autar Singh Paintal Memorial Oration on "Reflections with gratitude: VPCI my guiding beacon" on September 24, 2024.
- Prof. Raj Kumar, Director, VPCI delivered a talk on 'Allergy Diagnosis in-vivo' during 48th workshop on Respiratory Allergy: Diagnosis & Management on October 25, 2024.
- Prof. Raj Kumar, Director, VPCI delivered a talk on 'Diagnosis & Management of Food Allergy' at the 58th ICAAICON-2024 during December19-22, 2024.
- Prof Kavita Gulati delivered a talk on 'Pharmacovigilance: Concepts and application' on September 19, 2024 at VPCI Delhi

Conferences Organized

- Conference entitled, "23rd Prof. Raman Vishwanathan-VPCI Oration "was organized by VPCI on April 04, 2024.
- Conference entitled, "World No Tobacco Day "was organized by VPCI on May 31, 2024.
- Conference entitled, "18th Prof. Autar Singh Paintal Memorial Oration" was organized by VPCI on September 24, 2024
- Conference entitled, "48th Workshop on Respiratory Allergy Diagnosis & Management" was organized by VPCI on September 24, 2024
- Conference entitled, "Certificate Course on Diagnosis of Respiratory Allergy and Immunotherapy" was organized by VPCI on November 29, 2024 to December 01, 2024.
- Conference entitled, "8th Dr. VK Vijayan Oration" was organized by VPCI on October 28, 2024.
- Conference entitled, "58th Annual Conference of the Indian College of Allergy, Asthma & Applied Immunology" was organized by VPCI on December 19 to 22, 2024.

- Conference entitled: “National Pharmacovigilance Week Activities” was organized on daily basis by VPCI Dept of Pharmacology from September Activities, 2024

National/International MOU’s Signed

•An MoA was signed for establishment of Viral Research Diagnostic Laboratory (VRDL), between Vallabhbhai Patel Chest Institute, DU and Department of Health Research, Ministry of Health & Family welfare, Govt. of India for “Setting Up Nation-Wide Network Of Laboratories For Managing Epidemics And National Calamities”.

Other Collaborations

- Prof. Ritu Kulshrestha has worked in Collaboration with Dept of Health Research, MOHFW, GOI established Model Rural Health Research Unit (MRHRU) at Khotpura, Panipat, Haryana in collaboration with the Kalpana Chawla Government Medical College, Karnal under mentorship of ICMR-NICPR, Noida, as Co-chairperson of Research Advisory Committee (LRAC)
- Prof. Ritu Kulshrestha has worked in Collaboration with Dept of Health Research, MOHFW, GOI established Model Rural Health Research Unit (MRHRU) at Dhadha, Gautam Buddha Nagar, under mentorship of ICMR-NICPR, Noida, as Co-chairperson of Research Advisory Committee (LRAC)
- Prof. Ritu Kulshrestha has worked in Collaboration with INMAS, DRDO as External Member of the 29th ‘Soldier Health & Drug Development’ as specialist panel member and as Expert Member, TASK monitoring committee (TMC) in review meetings at INMAS, DRDO, Delhi held on 5th December 2024 and 15th January 2025.
- Prof. Ritu Kulshrestha has worked in Collaboration with School of Allied Sciences, Delhi Skill & Entrepreneurship University (DESU) as Member of Board of Studies
- Prof. Ritu Kulshrestha has worked in Collaboration with Dept. of Paramedical Sciences, Faculty of Allied Health Sciences, SGT University, Gurgaon as Member, Board of Studies
- Prof. Ritu Kulshrestha has worked in Collaboration with Ambedkar Centre of Biomedical Research (ACBR), University of Delhi as Bio-Safety Officer for the Institute Biosafety Committee, since June 13, 2024
- Prof. Ritu Kulshrestha has worked in Collaboration with Dept. of of Biosciences, Jamia Milia Islamia, New Delhi as Biosafety Officer of Institutional Biosafety Committee (IBSC)

Number And Percentage Of Students Placed :

7(100%)

Extension and Outreach Activities

- Swachhata Pakhwada was conducted during April 01-15, 2025 under the aegis of Swachha Bharat Mission. The campaign covered extensive cleanliness drives and beautification in the institute, hospital and residential premises, coupled with various cleanliness awareness campaigns.
- Seminars and Public lectures were conducted biomedical waste management, hand-wash hygiene, good lab practices, pollution and health effects,
- Awareness campaigns were conducted including swachhta pledge oath taking ceremony, swachhta rally and awareness campaign in community, seminar cum mock drill on fire safety etc.

Library Development

Established in 1955, the VPCI Library is an essential hub for academic and research support in Biomedical Sciences, particularly pulmonary diseases and Allied fields. It serves faculty, resident

doctors, researchers, and students with over 10,142 books, 25,026 bound journals, 595 theses, 178 CDs, and 32 reports. The library holds complete runs of renowned medical journals, some over a century old. It receives 20 journals through exchange and complementary programs and subscribes to newspapers in English and Hindi. A member of the ERMED Consortium since 2018, it provides access to 238+ e-journals and databases like Access Medicine, BMJ, ClinicalKey, and MedOne, along with Cochrane Library and ONOS via INFED. The library is fully automated with LibSys 4.0 and equipped with DUCC LAN and a 10 Mbps MTNL leased line. It offers Current Awareness, SDI, inter-library loans, and reprography. It remains open Monday to Saturday for DU-affiliated researchers and students.

OTHER SIGNIFICANT INFORMATION

- Patient Education Centre provided services to 4,840 patients. Cardio-Pulmonary Rehabilitation Clinic provided breathing retraining & education to 348 patients and enrolled 31 patients for supervised rehabilitation. Tobacco Cessation Clinic registered 200 new and 43 follow-up cases. Over 500 patients availed Telemedicine services offered by VPCI. At the Pollen Count Station, a total of 730 slides were mounted and analyzed. At the National Tobacco Quit Line Service over 3.20 lakh IVR inbound tele-calls were answered by counsellors of which 22,570 users quit successfully with success rate being 24%.
- Since launch of Kayakalp Scheme for central government hospitals and institutes by the Ministry, Vallabhbhai Patel Chest Institute (VPCI) has taken up several initiatives independently for improvement of hygiene and cleanliness in and around the Institute's premises in accordance with the guidelines contained in the Kayakalp Scheme from time to time.
- Swachhta Pakhwada is observed every year wherein extensive cleanliness drives are conducted besides seminars for nursing and laboratory staff, public lecture on health topics, swachhta rallies in community and participatory competitions on swachhta related topics.
- The Institute has internal administrative committees for Kayakalp Internal Assessment, Infection Control & Biomedical Waste Management which regularly monitor hygiene and cleanliness parameters as per established guidelines and practices.
- There is a feedback mechanism in place for obtaining suggestions and complaints from the patients / visitors and progress on resolving issues is regularly monitored.
- Rain Water harvesting system (200 cubic litres per season approx.), recycling of bio-degradable vegetative waste through composter (50 kg per day approx.).
- Counselling services for quitting tobacco through NTQLS)
- Patient Education Centre providing counselling and education to patients through audio-visual means regarding proper use of medical aids like inhalers, nebulizers etc;
- Providing guidance to the patients and visitors through a dedicated "May I help You Desk".

FACULTY OF MUSIC AND FINE ARTS

DEPARTMENT OF MUSIC

Major Activities and Achievements

Having instituted in 1960, with an endowment from Sir Shanker Lal foundation, Faculty of Music and Fine Arts achieved several greats under the able guidance of veterans in the field such as Prof. R L Roy, Sh. C S Panth, Sh. Pran Nath, Prof. V. V. Shadagopan, Smt. Ambujam, Prof. Debu Choudhury, Prof. V K Aggrawal and Prof. T N Krishnan. It has produced many promising talents in the field who already made their footprint in the field; out of whom many received National and International achievements. Our students are doing many services to society in general, university in particular. At present faculty of Music and Fine Arts stands with more than five hundred regular students, and more than hundred research scholars, who are well placed in the academia.

Students with Distinctions

- Nihal PK, MA Final (2025), National Winner 2nd Position, 03/06/2025
- Sandeep Mohanty, MA Final (2024), Harivallabh Sangeet Samellan Pratiyogita 27/12/2024
- Sandeep Mohanty, MA Final (2025), Wah Ustad Wah Reality Show, 04/19/2025
- Khurram Ali, MA Previous (2025), Gold Medallist AIU, 02/2025

FACULTY OF SCIENCE

ANTHROPOLOGY

Major Activities and Achievements

The Department of Anthropology has once again reaffirmed its global academic standing by securing a position within the 51–100 QS World University Rankings by Subject 2025. This consistent recognition reflects the department's enduring commitment to academic distinction and global recognition. During the academic year 2024–2025, the Department achieved several milestones in the areas of teaching, research, outreach, and overall academic excellence, as outlined in the following sections.

Honours/Distinctions

Faculty

- Dr. Durga Rao Pedada serve as an Editorial Board Member of the Journal of Criminology and Forensic Studies (JOCFS), Medwin Publishers (ISSN: 2640-6578), since 6 December 2024.

Students

- Ms. Monika Bisht was selected for a four-month NIH-funded academic exchange program at Harvard T. H. Chan School of Public Health, USA, where she received advanced training in environmental health under Dr. Jaime Hart (2024–2025).

- Ms. Shromona Das was awarded a place in a two-week knowledge exchange training at the University of Reading, UK, under Prof. Vimal Karani, funded by SAAgeNet (October 2024).
- Ms. Inderdeep Kaur was selected for a week-long SAAgeNet-funded training at Lancaster University, UK, under Prof. Carol Holland on cognitive frailty evaluation (November 2024).
- Mr. Abhijeet Singh Dewari (MSc Student) won the First Prize of National Argumentative Essay Writing Competition 'Simultaneous Election in India: One Nation, One Election' organised by ICSSR, New Delhi and Ministry of Education, Govt of India.

Research Projects

- Dr. Durga Rao Pedada, Department of Anthropology has been sanctioned ₹ 16,00,000 for a research project entitled "Health Behavioural Determinants among the Women of Reproductive Age in Uttar Pradesh: A Mixed Methods Approach" as PI. The grant has been provided by Indian Council of Social Science Research (ICSSR) and covers the duration from March 2025 to March 2027.
- Dr. D.V. Prasad, Department of Anthropology has been sanctioned ₹ 5,00,000 for a research project entitled "Role of Gunda Dhur in Freedom Struggle: An Anthropological Study of Dhurwa Movement against British in Bastar" as PI. The grant has been provided by Indian Council of Social Science Research (ICSSR) and covers the duration from 2024 to 2025.
- Dr. Naorem Kiranmala Devi, Prof. K.N. Saraswathy, and Dr. Abigail Lalnuneng, Department of Anthropology has been sanctioned ₹ 24,00,000 for a research project entitled "Barriers and Facilitators of Hypertension control programs: A study in high-risk state, Sikkim, India" as PI and Prof. K.N. Saraswathy, and Dr. Abigail Lalnuneng as Co-PIs. The grant has been provided by Indian Council of Social Science Research (ICSSR) and covers the duration from September 2024 to September 2025.

- Dr. Shivani Chandel, Department of Anthropology has been sanctioned ₹ 16,00,000 for a research project entitled "Physical Frailty, Cognitive Impairment and its associated Bio-social risk factors among two communities of Older Adults from Delhi-NCR" as PI. The grant has been provided by Indian Council of Social Science Research (ICSSR) and covers the duration from February 2024 to February 2026.
- Dr. Shivani Chandel, Department of Anthropology has been sanctioned ₹ 3,00,000 for a research project entitled "Musculoskeletal Disorder among Elderly Population of Manipur" as PI. The grant has been provided by Institute of Eminence, University of Delhi and covers the duration from August 2024 to February 2025 (Ongoing).

Patents Filed/Granted

- Dr. Pulakes Purkait, Ms. Jyoti Garhewal,Pritam Das, Vivek Newar, Dr. Ramesh Sahani, Institute of Nutrigenetics & Nutrigenomics Research, Institute of Translational Health Science, Embryogenesis-Infertility Diagnostics & Research. Digital Biothesiometer. Dr. Pulakes Purkait, Ms. Jyoti Garhewal,Pritam Das, Vivek Newar, Dr. Ramesh Sahani. Patent Class 24-01. 05-02-2024. National.

Seminars Organized

- Prof. S.M. Patnaik, Head, Department of Anthropology, University of Delhi (Convener), organised the National-Level Doctoral Research Seminar from 9 to 11 July 2024 at the Department of Anthropology, University of Delhi.
- Prof. S.M. Patnaik, Head, Department of Anthropology, University of Delhi (Convener), organized an International Colloquium on "Indigenous and Tribal Studies: Perspectives from the Global South" in collaboration with Centre for Tribal Studies (CTS), University of Delhi, and the Center for Indigenous and Colonial Studies (CEIC), National University of Jujuy, Argentina on 10 September 2024.
- Prof. S.M. Patnaik, Head, Department of Anthropology, University of Delhi (Convener), and Dr. Avitoli G. Zhimo (Co-convener) organised 'Janjatiya Gaurav Diwas' on 16 November 2024 at the Conference Centre, University of Delhi, to commemorate the birth anniversary of Bhagwan Birsa Munda.
- Dr. Shivani Chandel, Department of Anthropology, University of Delhi, hosted and organised the 3rd Knowledge Exchange Meeting and Research Symposium of the Global Partnering Award—Ageing Network: South Asia (SAAgeNet) from 25 to 27 November 2024 at the Department of Anthropology, University of Delhi.
- A One-Day National Seminar on "New Frontiers in Forensic Science" was organised on 20 March 2025 at the Department of Anthropology, University of Delhi. Prof. S.M. Patnaik, Head, Department of Anthropology, University of Delhi, served as Chairperson; Prof. P.R. Mondal as Convener; and Dr. Meenal Dhall and Dr. Abigail Lalnuneng as Co-conveners.

Conferences Organized

- Conference entitled, 'Hypertension in Focus: An Anthropological Exploration to Health and Wellness' was organized by Dr. Naorem Kiranmala Devi, Prof. K.N. Saraswathy, and Dr. Abigail Lalnuneng, Department of Anthropology, University of Delhi on March 25-26, 2025 in collaboration with Dr. Charisma K. Lepcha, Department of Anthropology, Sikkim University of Delhi and sponsored by Indian Council of Social Science Research and University of Delhi from October 21-22, 2024.
- Conference entitled, 'Indian Tribes, Constitution and Governance' was organized by Prof. S.M. Patnaik, Head, Department of Anthropology, University of Delhi (Convener), and

Dr. Avitoli G. Zhimo (co-convener), Centre for Tribal Studies & Department of Anthropology, University of Delhi on March 25-26, 2025.

Students under Exchange Programme

Outbound Student Exchange

- As part of an academic collaboration with Harvard T. H. Chan School of Public Health (HSPH), USA, Ms. Monika Bisht, PhD Scholar from the Department of Anthropology, University of Delhi, participated in a four month exchange program from September 2024, to January 2025. Under the Supervision of Dr. Vipion Gupta, the program was funded by NIH, USA. She received advanced training in exposure assessment in environmental health, under Dr. Jaime Hart. Associate Professor, Department Environmental Health, HSPH, Boston, USA.
- Ms. Shromona Das, Ph.D. research scholar in the Department of Anthropology, University of Delhi, working under the supervision of Dr. Shivani Chandel, successfully completed a two-week knowledge exchange training program at the University of Reading, United Kingdom, in October 2024. The program was funded by the South Asian Partner of the Global Partnering Award—Ageing Network: South Asia (SAAgeNet). During this period, she received training under Prof. Vimal Karani, Professor in Nutrigenetics & Nutrigenomics, University of Reading.
- Ms. Inderdeep Kaur, doctoral research fellow under the supervision of Dr. Shivani Chandel in the Department of Anthropology, University of Delhi, completed a week-long knowledge exchange training visit to Lancaster University, United Kingdom, in November 2024. Funded by the South Asian Partner of the Global Partnering Award—Ageing Network: South Asia (SAAgeNet), the program involved training under Prof. Carol Holland. During the visit, she acquired practical knowledge in methods of cognitive frailty evaluation in community settings, contributing to the enhancement of cross-cultural research collaboration between the University of Delhi and Lancaster University.

Inbound Student Exchange

- Under the MoU between Lancaster University, UK, and the Department of Anthropology, University of Delhi, Dr. Danni Collingridge Moore, post-doctoral fellow at International Observatory on End of Life, Lancaster University visited the Department of Anthropology, University of Delhi from 23rd September to 11th October 2024. The exchange was coordinated by Dr. Shivani Chandel under the student exchange program of SAAgeNet.
- Under the MoU between Lancaster University, UK, and the Department of Anthropology, University of Delhi, Daniel Allen, Senior Research Associate at Lancaster University Medical school, UK visited the Department of Anthropology, University of Delhi from 25th to 29th November 2024. The exchange was coordinated by Dr. Shivani Chandel under the student exchange program of SAAgeNet.
- Under the MoU between Lancaster University, UK, and the Department of Anthropology, University of Delhi, James Smith, Ph.D. student at Lancaster University, UK visited the Department of Anthropology, University of Delhi from 25th to 29th November 2024. The exchange was coordinated by Dr. Shivani Chandel under the student exchange program of SAAgeNet.
- Under the MoU between Lancaster University, UK, and the Department of Anthropology, University of Delhi, James Smith, Dr. Priyanka Chaurasia, assistant professor at School of Computing, Engineering, and Intelligent Systems, Ulster University, UK visited the Department of Anthropology, University of Delhi from 18th

to 22nd March 2025. The exchange was coordinated by Dr. Shivani Chandel under the student exchange program of SAAgeNet.

Extension and Outreach Activities

- In an environmental initiative, the Department donated approximately 2500 saplings of the Maulshree Plant to the Give Me Trees Trust (Pipal Baba).
- Dr D.V. Prasad delivered a popular lecture on the occasion of World Anthropology Day at Bastar Women's College, Jagdalpur.

Social Outreach

- The Department of Anthropology, University of Delhi observed Anti-Ragging Day on August 12, 2024, followed by Anti-Ragging Week from August 12 to 18, 2024, to promote awareness and unity against ragging.
- The Centre for Tribal Studies, University of Delhi, organized the "International Day of the World's Indigenous Peoples" on August 9, 2024.
- The Department of Anthropology, University of Delhi held a condolence meeting in remembrance of Professor Mohinder Kumar Bhasin on October 29, 2024.
- The Centre for Tribal Studies, University of Delhi organized Janjatiya Gaurav Divas 2024 on November 16, 2024.
- The Centre for Tribal Studies, University of Delhi organized Constitution Day 2024 with the theme "Celebrating 75
- Years of India's Democracy: Fundamental Duties & Citizens' Responsibilities: A Discussion" on November 26, 2024.
- The Department of Anthropology, University of Delhi celebrated International Women's Day with the theme "Celebrating Women" on March 8, 2025.

Other Significant Information

The Department of Anthropology documented the academic activities spanning the last five years (2019–2023). Hard copies of archived materials were compiled and displayed, covering areas such as alumni engagement, student life histories, number of Ph.D. scholars, research publications, international collaborations, and related photographic records.

Department organized more than 10 lectures and invited talks between April 01, 2024 to March 31, 2025. Dr. M.A. Kalam addressed key concerns in migration studies; Dr. Ritu Gairola Khanduri (University of Texas, Arlington) on bridging academia and industry through

anthropology in tribal studies; Prof. Grit Kirstin Koeltzsch (National University of Jujuy, Argentina) delivered two talks on embodied ethnographic practices and cultural epistemologies; Dr. Danni Collingridge Moore (Lancaster University) on ageing; and Prof. Thomas Reuter (University of Melbourne) on culture and sustainability further expanded the discourse. Prof. Rajat Pawa (Michigan State University) shared on palliative care, and Dr. Simashree Bora (Cotton University) explored island studies in Majuli, Assam. Legal expert Naushina Ali discussed the forensic implications of new criminal laws, and Prof. Soumhya Venkatesan (University of Manchester) reflected on ethics in anthropology; Dr. Krithiga Shridhar on cancer stigma in India, Prof. M.C. Arunkumar (Manipur University) examined identity along the India-Myanmar border; Yeshey Choden (Royal Government of Bhutan) on space science as a catalyst for cultural and educational transformation in Bhutan, and Dr. Priyanka Chaurasia (Ulster University) on assistive technologies for health.

In addition to these academic events, the department successfully hosted an online Faculty Development Programme on Forensic Science from 6–18 April 2024 under the aegis of UGC-MMTTC at SGTB Khalsa College in collaboration with Acharya Narendra Dev College, University of Delhi, the programme was led by Prof. S.M. Patnaik, with key coordination by Prof. P.R. Mondal, Dr. Durga Rao Pedada, Dr. Ramesh Sahani, and Dr. Abigail Lalnuneng.

BOTANY

Major Activities and Achievements

The Department of Botany continues to be engaged in a productive manner in both teaching and research. M.Sc. Botany program imparts education in diverse subject areas related to Plant Sciences with an objective of providing holistic, experimental and an interdisciplinary education to students. Interdisciplinary papers offered by the faculty members engaged in high quality research on several plant species ranging from algae, bryophytes, pteridophytes and gymnosperms to crop plants and forests. Research paradigms range from morphological, anatomical, genetic, physiological and biochemical studies, ecology and environmental science, systematics and evolution, to use of genomics, proteomics and transgenic technologies, study of ecosystems, conservation, agriculture and plant based Nano technological approaches. This extensive diversity of research paradigms allows students to gain a multidisciplinary outlook and training in cutting-edge technologies. The faculty has an active publication profile and their work is recognized in various National and International forums. The Department regularly organizes seminars/lectures by leading experts in all aspects of plant biology for the benefit of students & faculty.

Honours/Distinctions

Students

- Namita Pathania, student of M.Sc. Botany (Final year), won Prof. S. S. Bhojwani medal for securing highest CGPA in the first year of M.Sc during academic session 2024-2025, Department of Botany, University of Delhi, April 24, 2025.
- Namita Pathania, student of M.Sc. Botany (Final year), won Prof. R. N. Kapil medal for securing highest CGPA in the subject of Developmental Biology of Plants during academic session 2024-2025, Department of Botany, University of Delhi, April 24, 2025
- Namita Pathania, student of M.Sc. Botany (Final year), won Prof. K. G. Mukherjee medal for securing highest CGPA in the subject of Pathogen and Pests of Crop plants during academic session 2024-2025, Department of Botany, University of Delhi, April 24, 2025

- Namita Pathania, student of M.Sc. Botany (Final year), won Prof. S. C. Gupta medal for securing highest CGPA in the subject of Cell and Molecular Biology during academic session 2024-2025, Department of Botany, University of Delhi, April 24, 2025.
- Shivani Yadav, student of M. Sc. Botany (II year), was the recipient of the Prof. U. K. Sinha Medal in Genetics, April 24, 2025.
- Neha Sehrawat, student of M.Sc Botany (ll year), recipient of Prof. K.G. Mukherjee medal, April 24, 2025.
- Stuti Mahendra, student of M.Sc. (II year) was awarded with Prof. H.Y. Mohan Ram medal in Plant Biotechnology and Resource Utilization, April 2025.
- Stuti Mahendra, student of M.Sc. (II year) was awarded with Prof. U.K. Sinha medal in Genetics and Cytogenetics.
- Shipra Sharma, student of M. Sc. (II year), won best poster presentation (PG category) in International Conference and Workshop on Twelve Principles of Green Chemistry, organized by Green Chemistry Network Centre, Hindu College, November 9-10th, 2023.
- Shipra Sharma, student of M. Sc. (II year), won Prof. H. Y. Mohan Ram Medal in academic excellence in Plant biotechnology and Resource Management, Department of Botany, April 24th, 2025.
- Jessica Kannanthanam, M.Sc student at Department of Botany (II year) was the topper in 'Genetics and Cytogenetics' paper and received the Prof. U.K. Sinha medal for the same.
- Nishika Ravi, student of M.Sc. Botany (II year) received academic excellence award by Hindu college for securing rank 1 in M.Sc. Botany Prev. Feb 17th, 2025.

Research Projects

- Dr. Ratul Baishya has been sanctioned Rs. 6 lakhs for a research project entitled "Evaluating the Role of Biological Soil Crusts (BSC) in Enhancing Soil Health: Impacts on Soil Respiration, Nutrient Cycling, and Enzymatic Activities in Arid and Semi-Arid Ecosystems" as PI: The grant has been provided by Institution of Eminence (IoE), FRP Grant and covers the duration from September 2024 till May 2025.
- Prof. Renu Deswal has been sanctioned an amount of ₹ 71,145/- (£625) for a research project entitled "Beyond Stereotypes: A Comparative Analysis of Fellowships, women's representation in Indian Science Academies". The grant has been provided by the Biochemical Society's Diversity in Science Grant and covers the duration from July, 2024 till Feb 2025.
- Prof. Renu Deswal has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, "Deciphering nano-bio interactions in Indian mustard (Brassica juncea) following a nano-proteomics approach". The grant has been provided by Institute of Eminence, DU and covers the duration from Sep, 2024 till March 2025.
- Prof. Yashwanti Mudgil has been sanctioned an amount of Rs. 5494148/- for a research project entitled, 'Characterization of Metal Stress Interactome of G protein's NDL1-AGB1 module in Arabidopsis thaliana: Tools Strategies towards crop improvement.' as PI. The grant has been provided by Anusandhan National Research Foundation and covers the duration from December 2024 till November 2027.

Seminars Organized

- 5th Plant Proteomics Workshop on "Nano-proteomics workshop: Training workforce for sustainable and stress-resilient crop production" organized in collaboration with Department of Botany University of Delhi (DUBS) and sponsored by Department of Biotechnology and Proteomics society of India was organized from 24th -30th December, 2024 at Department of Botany, University of Delhi, India.
- Prof. Ved Prakash, Former Chairman, University of Grants Commission (UGC), New Delhi delivered a Memorial lecture entitled, "Professor Panchanan Maheshwari Memorial Lecture – 2024" was organised on November 11, 2024 at Department of Botany, University of Delhi.
- Prof. Shekhar C. Mande, Former Director General, Council of Scientific and Industrial Research (CSIR), New Delhi, invited as Chief Guest at Inaugural function of Delhi University Botanical Society (DUBS) on Thursday, 14th November, 2024 at the Department of Botany, University of Delhi.
- National Workshop on "Urban Heat Island & Spreading awareness on emerging Challenges of air Pollution and Climate Change on Human Health in Urban Ecosystem" in collaboration with Environmental Pollution Laboratory (EPL), Department of Environmental Studies, University of Delhi. Was organised at Department of Botany, University of Delhi during 5-6 August, 2024.
- Workshop and Hands on Training entitled, 'Bio- Entrepreneurship in Hydroponics' organized by Delhi University Botanical Society (DUBS), Department of Botany, University of Delhi, Delhi-110007, India in collaboration with Institute of Horticulture Technology (IHT), Greater Noida, Uttar Pradesh, Date: October 4-5, 2024, Venue: Department of Botany, University of Delhi, Delhi, Institute of Horticulture Technology (IHT), Greater Noida, U.P.

Other Inter-Institutional Collaboration

- Collaboration with Cotton University Guwahati, Assam from April 15, 2024 for exploring the bryophyte diversity in Assam. This partnership aims to train the students in Bryophyte biosystematics. The collaboration is also intended to support capacity-building workshops and shared publications.
- Collaboration with University of Jammu, Jammu from September 12, 2024 for exploring the bryophyte diversity and ecological study in Udhampur district Assam. This partnership aims to train the students in Bryophyte biosystematics. The collaboration is also intended to support capacity-building workshops and shared publications.

Students under Exchange Programme

As part of the ongoing academic collaboration with Purdue University, USA and the Department of Botany, University of Delhi, One Ph.D. student Ms. Anshu Siwach, participated in a year-long overseas training from August 2023 to August 2024. The students engaged in lab-based research focused on "*Modelling the effect of mosses on soil thermal, moisture and carbon dynamics using Terrestrial Ecosystem Model (TEM) under current and future climate scenarios*". Coordinated by SERB and Purdue University, the program was funded under India's Science and Engineering Research Board (SERB) Overseas Visiting Doctoral Fellowship Program (OVDF) at Purdue University. Student enhanced her cross-cultural understanding and developed valuable research skills relevant to her research work. The students published an article in the journal CATENA, Elsevier as an outcome of this scheme

Extension and Outreach Activities

- 35 students of Zakir Husain Delhi College came to see the herbarium facility of the Department of Botany for educational purpose on May 5, 2024.
- Valedictory function of Delhi University Botanical Society (DUBS) at the Department of Botany, University of Delhi was organized on Thursday, 24th April, 2025.
- Students of SGTB Khalsa College came to see the herbarium facility of the Department of Botany for educational purpose on 11th April, 2025.
- 41 students of Bhaskaracharya College of Applied Sciences came to see the herbarium facility of the Department of Botany for educational purpose on 5th April, 2024.
- 38 students of Miranda House came to see the herbarium facility of the Department of Botany for educational purpose on 28th March 2025.
- 27 Students of CPA College of Global Studies, Puthanathani, Malappuram district, Kerala (affiliated to University of Calicut, Kerala) came to see herbarium, museum, library as well as research labs at Botany Department of University of Delhi on 29.01.2025.
- Sports Day Celebration –"Endeavoure at Department of Botany, University of Delhi, was organized on 25th January, 2025.
- Inaugural function of Delhi University Botanical Society (DUBS) at the Department of Botany, University of Delhi was organized on 14th November, 2024.
- Meet entitled, '75 Years of Delhi University Botanical Society (Dubs), Alumni and Botany Teachers Meet' at Department of Botany, University of Delhi was organized November 9, 2024.

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D. : 13

Faculty Strength

Total: 19 (Nineteen) – (Senior Professor/ Professor/ Director – 13, Associate Professor – 03 and Assistant Professor – 03)

FUNDS UTILIZED (Crores)

Rs.1.40Crores

FUNDS ALLOCATED (Crores)

Rs.0.75 Crores

***

CHEMISTRY

Major Activities and Achievements

The Department of Chemistry is one of the premier teaching and research Departments in the country. The spectrum of research areas pursued here is broad, ranging from experimental to theoretical studies on chemical biology, synthetic methodology development, electrochemistry, polymers, bio-organic, coordination, green material, medicinal, natural products, nano-, and synthetic chemistry. In the last one-year, faculty members published more than 150 research papers in high-impact peer-reviewed journals and 39 Ph.D. degrees were awarded. Apart from collaborating internationally, faculty members were invited to share their work through keynote, plenary and invited lectures in national/international conferences and various institutions. Extramural research projects secured by faculty facilitated in developing and upgrading state-of-the-art laboratory facilities and in training young research scholars. Many faculty members were conferred prestigious medals, honors and awards. Several M.Sc students graduating from the Department chose to pursue Ph.D. in chemistry in reputed global institutions.

Honours/Distinctions

Faculty

Prof. M. D. Milton - Attended the meeting of the ACS Committee on Chemical Safety during American Chemical Society (ACS) Spring Meeting 2025 in San Diego. California (USA) in March 2025.

Prof. M. D. Milton - Serving as an Associate member on the ACS Committee on Chemical Safety (2024, 2025) (only member from India).

Prof. M. D. Milton - A research article from her laboratory was included in a themed collection of Royal Society of Chemistry entitled "Celebrating International Women's Day 2025: Women in Materials Science."

Prof. Rajeev Gupta- Elected Fellow, Indian Academy of Sciences - January 2025

Prof. Ramendra Pratap - Best Teacher Award, University of Delhi, 2024-2025.

Prof. Sandeep Kaur- Selected as one of the 75 Women in "She Is – 75 Women In Chemistry" book, fourth edition of "She Is" by Beyond Black in partnership with the Office of the Principal Scientific Adviser, Govt. of India and Royal Society of Chemistry, UK.

Dr. Pushpal Ghosh- Elected as the Member of the Executive Council of Society for Materials Chemistry (SMC), (Bhabha Atomic Research Centre, Govt of India) for the tenure 2025-2028.

Dr. Shiv Kumar-Awarded "RSC Researcher Collaborations Grant" by Royal Society of Chemistry (RSC), UK, 16 December 2024, £5000 to establish new research collaborations.

Research Projects

Prof. A. K. Verma, has been sanctioned an amount of ₹ 49,20,000/- for a research project entitled, 'Engineering Small Organic Molecules of Pharmaceutical Interest from Enynes- ANRF' as PI. The grant has been provided by ANRF, New Delhi and covers the duration from March 2025 till March 2028.

Prof. A. K. Verma, has been sanctioned an amount of ₹ 59,48,080/- for a research project entitled, 'Mechanistic Analysis/ Confirmation of Organic Reaction by Capturing Fleeting/ Stable intermediates by Real-time Mass Monitoring' as PI. The grant has been provided by SERB, New Delhi and covers the duration from April 2023 till April 2025.

Prof. A. K. Verma, has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Construction of Small Heterocyclic scaffolds having Biological Importance' as PI. The grant has been provided by IOE, University of Delhi and covers the duration from July 2024 till February 2025.

Prof. S. Kukreti, has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Structural Characterization and Recognition of Guanine-rich Structures located in promoter region of Cox-20 gene' as PI. The grant has been provided by IOE, University of Delhi and covers the duration from July 2024 till February 2025.

Prof. S. Kukreti, has been sanctioned an amount of ₹ 15,00,000/- for a research project entitled, 'In Vitro Investigation of the role of Antiepileptic Drug in oxidative stress and ABCC2 activity and potential of alpha-lipoic acid as antioxidant' as PI. The grant has been provided by TARE (Teachers Associateship for Research Excellence) Grant as Mentor from Science and Engineering Research Board of the Department of Science and Technology (DST, Gov. of India) March 2023 till March 2026.

Prof. Rakesh Kumar, has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Development of rhodamine, barbiturate, and coumarin-based colorimetric and fluorometric chemosensors: computational assessment, cytotoxicity evaluation, and enhanced cell imaging' as PI. The grant has been provided by IOE, University of Delhi and covers the duration from July 2024 till February 2025.

Prof. M. D. Milton, has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Synthesis and characterization of novel phenothiazine-based red-light emitting dyes and their applications' as PI. The grant has been provided by IOE, University of Delhi and covers the duration from July 2024 till February 2025.

Prof. Rakesh K. Sharma, has been sanctioned an amount of ₹ 57, 16, 548/- for a research project entitled, 'Study of adsorption behavior of active components in homoeopathic medicine on nanoscale materials for therapeutic applications' as PI. The grant has been provided by Central council for research in homeopathy and covers the duration from August 2024 till August 2027.

Prof. N. Thirupathi, has been sanctioned an amount of ₹ 5,00,000/- for a research project entitled, 'Base Mediated Skeletal Rearrangements of Indole N-Carboximidamides that Lead to the Formation of Imidazoquinolines' as PI. The grant has been provided by IOE, University of Delhi and covers the duration from July 2024 till February 2025.

Prof. Firasat Hussain, has been sanctioned an amount of ₹ 10,00,000/- for a research project entitled, 'Silico tungstate embedded 3d-4f polyoxometalates and its magnetic properties' as PI. The grant has been provided by CSIR, New Delhi and covers the duration from September 2021 till September 2024.

Dr. Shiv Kumar, has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Synthesis and investigation of organic mixed ionic-electronic conductors for organic electrochemical transistor-based neuromorphic memristive devices' as PI. The grant has been provided by IOE, University of Delhi and covers the duration from July 2024 till February 2025.

Dr. Shiv Kumar, has been sanctioned an amount of £5000/- for a research project entitled, 'Synthesis and investigation of organic mixed ionic-electronic conductors for organic electrochemical transistor-based neuromorphic devices' as PI. The grant has been provided by Royal Society of Chemistry (RSC-RSC Researcher Collaborations Grant) and covers the duration from March 2025 till February 2026.

Dr. Surajit Ghosh, has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Physiological biomembrane models for investigation of membrane-specific cellular events' as PI. The grant has been provided by IOE, University of Delhi and covers the duration from September 2024 till February 2025.

Dr. Surajit Ghosh, has been sanctioned an amount of ₹ 45000/- (first year) for a research project entitled, 'Biomimetic bacterial outer membrane models for antibiotic permeability assessment' as PI. The grant has been provided by UGC-DAE consortium and covers the duration from March 2025 till March 2028.

Dr. Sumanta Sarkar, has been sanctioned an amount of ₹ 40000/- (first year) for a research project entitled, 'Investigation of structure-property correlations in new polyanionic lithium based solid-state conductors by Neutron Diffraction' as PI. The grant has been provided by UGC-DAE consortium and covers the duration from March 2025 till March 2028.

Patents Filed/Granted

Rakesh Kumar, Sanjay Kumar Dey, Keshav Kumar Saini, Ravindra Kumar Upadhyay, Diksha Raini. Biologically active anti-cancer compound and derivative thereof, and green synthesis thereof. Patent Application Number: 202411007373 (Patent office Journal No. 07/2024). 16/02/2024. National.

Rakesh Kumar. Triazole Based Sprio-Oxindoles and derivatives thereof and method for synthesis thereof. Patent Application Number: 202411059481. 06/08/2024. National.

Seminars Organized

Dr. Kevin Shuaughnessy, Professor, Department of Chemistry and Biochemistry, University of Alabama, USA, delivered a seminar/talk (Prof. T. R. Seshadri Memorial Lecture) on 'Organic Chemistry Seminar for M.Sc. students' on July 19, 2024.

Dr. H. Ila, Professor, delivered a seminar/talk on 'Empowering Women in Chemical Science' on March 8, 2025.

Dr. Dipti K. Thukral, Scientist G, ANRF, delivered a seminar/talk on 'Empowering Women in Chemical Science' on March 8, 2025.

Dr. Akhila K. Sahoo, Professor, School of Chemistry, University of Hyderabad, Hyderabad, delivered a seminar/talk (Prof. T. R. Seshadri Memorial Lecture) on 'Di-Functionalization Through Double C (sp^2 & sp^3)-H Activation' on March 22, 2025.

Conferences Organized

Conference entitled, 'Emerging Trends in Chemistry to Revolutionise Indian Chemical Industries for Viksit Bharat @ 2047 (Annual Convention of Chemists -ACC 2024)', organized in collaboration with Indian Chemical Society and Department of Chemistry, JECRC University, Jaipur on December 19-21, 2024.

Other Inter-Institutional Collaboration

Collaboration of Shiv Kumar with Prof. Yoeri van de Burgt, Eindhoven University of Technology, Netherlands.

Collaboration of F. Hussain with Hiroshima University, Japan and CNRS Research lab, Paris.

Collaboration of I. Roy with Professor Irina Zavestovakaia from the P.N. Lebedev Physical Institute of the Russian Academy of Sciences (LPI RAS), Moscow, Russia, on the topic of development of new materials for nuclear nanomedicine.

Placement Details (Number and percentage of students placed)

10

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D. : 16

Faculty Strength

Total: 53 (Fifty-three) - (Senior Professor/Professor – 30, Associate Professor – 16 and Assistant Professor – 7)

Other Significant Information

Prof. Rakesh Kumar - 12th Asian Network for Natural and Unnatural Materials (ANNUM-XII), Department of Chemistry, IIT Bombay (Chairperson) 2024

Prof. Rakesh K. Sharma- Session chair- Indo Australian conference and workshop on 'Biomimicry'. Nature's perfect innovation system to design sustainable future (under the aegis of MHRD-SPARC). Jamia Millia Islamia January 31, 2025- February 7, 2025.

Dr. Shiv Kumar- Attended "Webinar European Research Council: Essential Tips and Guidance for the Indian Researchers" held online on 13 November 2024

Participated in "17th User Awareness Workshop (Virtual) on Device Fabrication and Characterisation" held at IIT Delhi, 13-14 November 2024.

Participated as Local Advisory Committee Member in "International Symposium on Nanomedicine: Nanomedical Sciences based new genera on affordable healthcare" held at University of Delhi, 27 November 2024.

Attended "Navigating the pathways of publishing in High-quality journals with Scopus" held at the University of Delhi, 10 March 2025.

***

ENVIRONMENTAL STUDIES

Major Activities and Achievements

The Department teaches and researches through its two post-graduate courses in Environmental Studies (M.A. in Environmental Studies and M.Sc. in Environmental Studies) and Ph.D. program. Each year, we admit 68 students (M.Sc. 39 and M.A. 29) from varied academic backgrounds across various disciplines through an all-India entrance test conducted by the National Testing Agency. The department has fifteen regular faculty members involved in teaching and research in fundamental and applied aspects of ecology and the environment. The department is actively involved in socially relevant research connected to national development and environmental health, thereby mitigating issues arising from environmental degradation. The faculty has successfully secured extramural research projects over the years, which have helped develop state-of-the-art laboratory facilities and train research scholars, leading to publications in top-tier journals such as Nature, Science, and other high-impact journals. The faculty members are recognized globally, collaborating widely with international experts, and delivering keynote and plenary lectures on their research findings at National and International Institutions/conferences.

Honours/Distinctions

Faculty

Professor Inderjit Singh-Awarded the JC Bose National Fellowship grant 2024.

Professor S.D. Biju - Elected Fellow of the Indian National Science Academy (FNA, INSA), New Delhi, India, 2024.

Dr. Bharath G. -Selected as an Associate Fellow of the Telangana Academy of Sciences 2024.

Students

Angelina Guruaribam, student of M.Sc. (Environmental Studies) - (II year), selected for the IASc-INSA-NASI Summer Research Fellowship, Indian Academy of Sciences, June 10, 2024.

Joswin P Joy, student of M.Sc. (Environmental Studies) (II year), was the University topper and recipient of the University Medal.

Kamaljeet Kaur, student of M.A. (Environmental Studies) (II year), was the University topper and recipient of the University Medal.

Joswin P Joy, student of M.Sc. (Environmental Studies) (II year), qualified UGC-JRF, 2024.

Fahad T K, student of M.Sc. (Environmental Studies) (II year), qualified UGC-JRF, 2024.

Devansh Rughwani, student of M.Sc. (Environmental Studies) (II year), qualified UGC-JRF, 2024.

Sahil Buri, student of M.Sc. (Environmental Studies) (II year), qualified UGC-JRF, 2024.

Amal Narayan, student of M.A. (Environmental Studies) (II year), qualified UGC-JRF, 2024.

Santhaseelan M, student of M.Sc. (Environmental Studies) (II year), qualified UGC-JRF, 2024.

Abhilasha Sharma, student of M.Sc. (Environmental Studies) (II year), qualified UGC-JRF, 2025.

Research Projects

Dr. Alok Kumar, has been sanctioned an amount of ₹ 44,56,208/- for a research project entitled, 'Biogeochemical transformation and fate of reactive nitrogen species in the aquatic ecosystems of semi-arid region of Rajasthan' as PI. The grant has been provided by Anusandhan National Research Facility (formerly SERB) and covers the duration from February 2023 till February 2026.

Dr. Alok Kumar, has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Tracing Carbon and Nitrogen biogeochemical processes in the endorheic saline lake of Rajasthan, India' as PI. The grant has been provided by the Institution of Eminence, University of Delhi and covers the duration from September 2024 till March 2025.

Dr. Ashwini Kumar Ray, has been sanctioned an amount of ₹ 39,68,360/- for a research project entitled, 'A multi-omics approach to understanding the impact of climate change on heart failure using *Caenorhabditis elegans* as an animal model' as PI. The grant has been provided by the Department of Health Research, Indian Council of Medical Research and covers the duration from February 2023 till February 2026.

Dr. Ashwini Kumar Ray, has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'To decipher the impact of heat stress *C. elegans* an animal model' as PI. The grant has been provided by the Institution of Eminence, University of Delhi and covers the duration from September 2024 till March 2025.

Dr. Atinderpal Singh, has been sanctioned an amount of ₹ 25,40,000/- for a research project entitled, 'Enhancement in the black carbon absorption due to the lensing effect' as PI. The grant has been provided by the Institution of Eminence, University of Delhi and covers the duration from August 2022 till March 2025.

Prof. Chirashree Ghosh, has been sanctioned an amount of ₹ 39,94,900/- for a research project entitled, 'Spreading Awareness on Emerging Challenges of Air pollution and climate change on human health in urban ecosystem' as PI. The grant has been provided by the Department of Science and Technology and covers the duration from June 2023 till June 2025.

Prof. Chirashree Ghosh, has been sanctioned an amount of ₹ 39,68,360/- for a research project entitled, 'A multi-omics approach to understanding the impact of climate change on heart failure using *Caenorhabditis elegans* as an animal model' as Co-PI. The grant has been provided by the Department of Health Research, Indian Council of Medical Research and covers the duration from February 2023 till February 2026.

Prof. Chirashree Ghosh, has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Study on the dynamics of crop micro plastics, MP-heavy-metal interaction and the assessment of its natural abundance in farm outputs' as PI. The grant has been provided by the Institution of Eminence, University of Delhi and covers the duration from September 2024 till March 2025.

Prof. David Kothamasi, has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Evaluation of native arbuscular mycorrhizal (AM) fungal potential in crop growth improvement in relation to introduced commercial AM fungal inoculum' as PI. The grant has been provided by the Institution of Eminence, University of Delhi and covers the duration from September 2024 till March 2025.

Dr. Kalyan Yakkala, has been sanctioned an amount of ₹ 39,84,446/- for a research project entitled, 'Development of Optically Responsive Polymer Sheets and Membranes for Monitoring Toxic Gases and Air Pollutants' as PI. The grant has been provided by the Board of Research in Nuclear Sciences, Department of Atomic Energy and covers the duration from April 2024 till March 2027.

Prof. Radhey Shyam Sharma, has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Microbial Response to Long-Term Azo Dye Exposure: Acid Orange 7 in Floodplain Soil' as PI. The grant has been provided by the Institution of Eminence, University of Delhi and covers the duration from September 2024 till March 2025.

Dr. Shailender Kumar Verma, has been sanctioned an amount of ₹ 36,88,696/- for a research project entitled, 'Development and characterisation of climate-resilient biofortified crops: An approach towards climate-smart agriculture' as PI. The grant has been provided by Anusandhan National Research Facility (formerly SERB) and covers the duration from March 2023 till March 2026.

Dr. Shailender Kumar Verma, has been sanctioned an amount of ₹ 49,00,000/- for a research project entitled, 'Wheat metallome analysis and development of mineral micronutrient-related gene-specific molecular markers for biofortification programs' as PI. The grant has been provided by Scheme for Transformational and Advanced Research in Sciences (STARS), Ministry of Education and covers the duration from October 2023 till October 2026.

Dr. Shailender Kumar Verma, has been sanctioned an amount of ₹ 150,00,000/- for a research project entitled, 'Climatic Changes, Wild Plants and Sustainable Development Goals: A Longitudinal Study in Himachal Pradesh' as Co-PI. The grant has been provided by the Indian Council of Social Science Research, Ministry of Education and covers the duration from September 2024 till September 2029.

Dr. Shailender Kumar Verma, has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Chemical fingerprinting of bread wheat and its climate-resilient wild relatives with contrasting levels of grain Zn content' as PI. The grant has been provided by the Institution of Eminence, University of Delhi and covers the duration from September 2024 till March 2025.

Prof. Vandana Mishra, has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Harnessing Algal Biocathodes for Sustainable Treatment of Textile Wastewater in Microbial Fuel Cells' as PI. The grant has been provided by the Institution of Eminence, University of Delhi and covers the duration from September 2024 till March 2025.

Prof. Vandana Mishra, has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'EIA of Sharavathy Pumped Storage Project, Karnataka' as PI. The grant has been provided by the Water and Power Consultancy Services Limited and covers the duration from April 2024 till March 2025.

Prof. Vandana Mishra, has been sanctioned an amount of ₹ 18,00,000/- for a research project entitled, 'EIA of Sharavathy Pumped Storage Project, Karnataka' as PI. The grant has been provided by the

Water and Power Consultancy Services Limited and covers the duration from April 2024 till March 2025.

Seminars Organized

Padma Shri Prof. Mahesh Verma, Vice Chancellor, Indraprastha University, delivered a talk at the 'National workshop on Spreading Awareness on Emerging Challenges of Air pollution and climate change on human health in urban ecosystem' on April 4, 2024.

Dr. Vijay Soni, Head, EMRC, Indian Meteorological Department, delivered a talk at the 'National workshop on Spreading Awareness on Emerging Challenges of Air pollution and climate change on human health in urban ecosystem' on April 4, 2024.

Prof. Varun Joshi, Dean USEM, delivered a talk at the 'National workshop on Spreading Awareness on Emerging Challenges of Air pollution and climate change on human health in urban ecosystem' on April 4, 2024.

Dr. Ranit Chatterjee, Co-founder, RIKA India, delivered a talk at the 'National workshop on Spreading Awareness on Emerging Challenges of Air pollution and climate change on human health in urban ecosystem' on August 5-6, 2024.

Dr. Sanjukta Sahoo, Assistant Professor, KIIT University, delivered a talk at the 'National workshop on Spreading Awareness on Emerging Challenges of Air pollution and climate change on human health in urban ecosystem' on August 5-6, 2024.

Dr. Shailesh Aggarwal, Executive Director, Building Materials and Technology Promotion Council, delivered a talk at the 'One-week national Faculty Development Program on Urban Infrastructure Resilience in the context of Extreme Weather events in collaboration with NIDM' on September 9-13, 2024.

Dr. Amir Ali, HoD, RID, National Institute of Disaster Management, delivered a talk at the 'One-week national Faculty Development Program on Urban Infrastructure Resilience in the context of Extreme Weather events in collaboration with NIDM' on September 9-13, 2024.

Dr. Anshu Sharma, Co-founder, SEEDS ASIA, delivered a talk at the 'One-week national Faculty Development Program on Urban Infrastructure Resilience in the context of Extreme Weather events in collaboration with NIDM' on September 9-13, 2024.

Dr. Smita Nath, UCMS, Delhi University, delivered a talk at the 'One-week national Faculty Development Program on Urban Infrastructure Resilience in the context of Extreme Weather events in collaboration with NIDM' on September 9-13, 2024.

Dr. Surya Kant, Professor and Head of the Department of Respiratory Medicine, King George's Medical University, Lucknow, Uttar Pradesh, delivered a talk at 'National Workshop on Spreading Awareness on Emerging Challenges of Air pollution and climate change on human health in urban ecosystem' on November 11, 2024.

Dr. G C Kisku, Head, Environmental Monitoring Division, Scientist in charge of Gheru campus, CSIR – IITR Lucknow, Uttar Pradesh, delivered a talk at 'National Workshop on Spreading Awareness on Emerging Challenges of Air pollution and climate change on human health in urban ecosystem' on November 11, 2024.

Prof. Madhu Upadhyay, UCMS, Delhi, delivered a talk at 'National conference on urban waste management and sustainable solutions under the aegis of Spreading Awareness on Emerging

Challenges of Air pollution and climate change on human health in urban ecosystem' on March 3-4, 2025.

Dr. Bhupinder Singh, IARI, PUSA, Delhi, delivered a talk at 'National conference on urban waste management and sustainable solutions under the aegis of Spreading Awareness on Emerging Challenges of Air pollution and climate change on human health in urban ecosystem' on March 3-4, 2025.

Other Inter-Institutional Collaboration

Collaboration with the Department of Natural Resources, TERI School of Advanced Studies; Department of Environmental Science, Central University of Rajasthan, from January 2021, for exploring the geochemistry of different ecosystems. This partnership aims to facilitate access to high-throughput instrumentation, allowing joint analysis of environmental samples. The collaboration is also intended to support shared publications on geochemistry. (Dr. Alok Kumar)

Collaboration with the School of Biotechnology, Jawaharlal Nehru University, New Delhi; Department of Gastroenterology, AIIMS, New Delhi; Department of Medicine, K.D. Medical College and Hospital and Research Centre, Mathura; Department of Genetics and Bioinformatics, Dasman Diabetes Institute, Kuwait City, Kuwait; International Centre for Genetic Engineering and Biotechnology, New Delhi, India, from January 2021, for exploring gut microbiome and environmental stresses. This partnership aims to facilitate access to high-throughput sequencing platforms and expertise in bioinformatics, allowing joint analysis of environmental samples. The collaboration is also intended to support capacity-building workshops and shared publications on gut microbiome and environmental stresses. (Dr. Ashwini Kumar Ray)

Collaboration with the Ariel University-Israel; KLE Technological University, Hubli, Karnataka, from January 2021, for exploring bioenergy. This partnership aims to facilitate access to high-throughput reactors, allowing joint analysis of environmental samples. The collaboration is also intended to support shared publications on bioenergy. (Dr. Bharath Gandu)

Collaboration with the Khalifa University of Science and Technology, Abu Dhabi, UAE, for exploring microplastics and remediation. This partnership aims to facilitate access to high-throughput instruments, allowing joint analysis of environmental samples. The collaboration is also intended to support shared publications on remediation. (Prof. Radhey Shyam Sharma and Prof. Vandana Mishra)

Collaboration with the University of Warwick, United Kingdom from 11.04.2024 to 10.06.2024, 21.06.2024 to 20.07.2024 and 09.03.2024 to 15.04.2025 for exploring smart and climate resilient agriculture. The collaborative visits are funded by the Royal Society (London) under the Newton International Fellowships alumni grants. The collaboration is also intended to support shared publications. (Dr. Shailender Kumar Verma)

Students under Exchange Programme

As part of the ongoing academic collaboration with Khalifa University of Science and Technology, Abu Dhabi, UAE, one PhD student, Abhishek Bharti, from the Department of Environmental Studies, University of Delhi, participated in a semester-long exchange program from September 1, 2024, to January 15, 2025. The students engaged in coursework and lab-based research focused on sustainable remediation techniques. Students enhanced their cross-cultural understanding and developed valuable research skills relevant to their dissertation work.

Placement Details (Number and percentage of students placed)

06 & 15%

Extension and Outreach Activities

Prof. Chirashree Ghosh is leading MoES sponsored SAFAR- an air quality program in collaboration with the Indian Meteorological Department.

Prof. Vandana Mishra is leading as Principal Investigator, DU-DDA Biodiversity Parks Program, Delhi.

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D. : 03

Faculty Strength

Total: 15 (Fifteen) - (Senior Professor/Professor – 03/06, Associate Professor – 00 and Assistant Professor – 06)

Other Significant Information

Social Outreach - Prof. Vandana is providing consultancy services for developmental projects on Hydropower plants.

Funds utilized (Crores)

0.54148

Funds allocated (Crores)

GEOLOGY

Major Activities and Achievements

The Geology Department of the University of Delhi is committed to provide the highest levels of education through continuous revisions and expansion of our educational, research, and interactive programs in order to produce well-trained, competent, academic and professional geologists capable of scaling new heights in frontiers of geoscience. The Department of Geology was selected for the FIST program of DST 2024 (TPN -107283) vide sanction letter no. SR/FST/ES-II/2024/155 dated 20th December 2024.

Honours/Distinctions

Faculty

Prof. Ashutosh K Singh

- Selected as Joint Secretary at the Paleontological Society of India, Lucknow, India
- Appointed as OSD at Delhi school of climate change, University of Delhi.
- Member, Board of Studies, Post Graduate, Department of Geology, Indira Gandhi University, Haryana

Dr. Anindita Dey

- Received ESPRIT post-doctoral fellowship from the Austrian Science Fund (Project no: ESP 675-N) to join University of Vienna, Austria.

Students

- Niranjana Joy M received Future Research Talent Travel Award 2024 by Australian National University.
- Shrestha Gupta received Future Research Talent Travel Award 2024 by Australian National University.

Research Projects

- Prof. Anupam Chattopadhyay has been sanctioned Rs. 12,15,000/- for a consultancy project entitled “Structural and petrographic study of granitic rocks from parts of the CITZ for assessing their geothermal potential” as PI. The grant has been provided by Reliance Industries Ltd, Navi Mumbai and covers the duration from March 2023 to May 2024.
- Prof. Anupam Chattopadhyay has been sanctioned Rs. 10,20,000/- for a consultancy project entitled “Integrated subsurface characterization of faults and fractures in the Sohagpur West block, M.P.” as PI. The grant has been provided by Reliance Industries Ltd, Navi Mumbai (DU-RIL consultancy project) from March 2024.
- Prof. Ashutosh K Singh has been sanctioned Rs. 38 Lakhs for a research project entitled “Late Neogene-Quaternary Multi-Proxy Records of El Niño variability: Implications on Tropical Indian Ocean Paleoclimate and Paleoceanography” as PI. The grant has been provided by Ministry of Earth Sciences (MoES), New Delhi Government of India and covers the duration from Feb 2020-March 2024.
- Prof. Ashutosh K Singh has been sanctioned Rs. 48 Lakhs for a research project entitled “Investigating the role of Interoceanic exchange on Indian Ocean Surface heat redistribution and its impact on Indian Monsoon during Quaternary: A multiproxy approach” as Co-PI. Grant is RUSA sponsored.
- Prof. Vimal Singh, Pranmati Basin, Himalaya Critical Zo has been sanctioned Rs. 38 Lakhs for a research project entitled “ne Observatory (2021-24) 5.34 crores (DU component - 2.42 crores) Ministry of Earth Sciences.
- Dr. Ashima Saikia has been sanctioned Rs. 6 Lakhs for a research project entitled “Insight on the source lithology and Pressure temperature condition of Basalt generation in Nidar

ophiolite, North West Himalaya." As PI. The grant has been provided by Institution of Eminence (IoE), University of Delhi and covers the duration from 2024 to 31.3.2025.

- Dr. Ashima Saikia has been sanctioned Rs. 4348696 /- for a research project entitled "Understanding the magma dynamics in the generation of mafic –ultramafic complex of Gaya and Aurangabad area of Chotanagpur Granite Gneiss Complex, Eastern India: Implication for the amalgamation and fragmentation of the Greater Indian Landmass" as PI. The grant has been provided by Department of Science and Technology- Science & Engineering Research Board (POWER Grant) and covers the duration from 11-9-2023 to 11-9-2026.
- Dr. Monica Gupta received grant for a research project entitled "Microwave satellite data assimilation in Weather Research and Forecasting Model through deep learning for improved forecasting of surface and sub-surface soil moisture" as Co-PI. The grant has been provided by ANRF, 2541240/- CRG/2022/006070, 2/03/2023.
- Dr. Priyanka Singh Rao has been sanctioned Rs. 47,99,696/- for a research project entitled "Characterizing the geomorphic expression of active faults along the frontal thrust, Northeast Himalaya" as PI. The grant has been provided by Department of Science and Technology- Science & Engineering Research Board (DST-SERB), Empowerment and Equity Opportunities for Excellence in Science (EEOES) and covers the duration from March, 2023 to March, 2026.
- Dr. Priyanka Singh Rao received SERB International Research Experience fellowship for training on "Estimation of long-term interseismic deformation of the eastern Himalaya using InSAR measurement: Insight on Seismic potential". Sanctioned amount is Rs 16 lacs. The project period is Feb'2024 to July'2024.
- Dr. Saquib Abdullah has been sanctioned Rs. 3025000/- for a research project entitled "The petrological, geochemical, and textural characteristics of Nagaland Manipur ophiolite North-East India: Implication for the Neo-Tethyan tectonics and evolution of Indo-Myanmar Range" as PI. The grant has been provided by Department of Science and Technology- Science & Engineering Research Board (DST-SERB) (Startup grant).
- Dr. Shubham Mukherjee has been sanctioned Rs. 35 Lakhs for a research project entitled "Zircon and monazite as proxies for the crustal evolution: applications to parts of the Proterozoic mobile belts of India" as PI. The grant has been provided by Department of Science and Technology (DST-INSPIRE) and covers the duration from 2020-2025.

Patents Filed/Granted

- Prof. Suman Kundu - "Lorem ipsum dolor sit amet, consectetuer adipiscing elit, sed diam nonummy nibh euismod tincidunt ut laoreet dolore magna aliquam erat volutpat.), Final Indian Patent submitted (ID 201711036983), October 16, 2018; Abstract of Patent published on page number 25766 in the journal number 25/2019 on 21/06/2019. Filed for examination on 04/01/2021

Other Inter-Institutional Collaboration

- Prof. Partha Pratim Chakraborty has research collaboration with Jadavpur University (Kolkata), Indian Institute of Technology (Kharagpur), Hiroshima University (Japan) and Niigata University (Japan).
- Dr. Ashima Saikia has research collaboration with Geological Survey of India (Patna, Bihar), Geological Survey of India (Guwahati, Assam), Cotton University (Guwahati, Assam), University of Tasmania (Australia) and School of Earth Science and Resources, China University of Geosciences (Beijing, China).

Number of M.Phil./Ph.D. Degrees Awarded

Ph. D. : 06

M. Phil.: 01

Faculty Strength

Total: 18 (Eighteen) - (Senior Professor/ Professor/ Director – 09, Associate Professor – 02 and Assistant Professor – 07)

FUNDS UTILIZED (Crores)

Rs. 0.4418926

FUNDS ALLOCATED (Crores)

Rs. 0.846

Other Significant Information

- Prof. Anupam Chattopadhyay is national mentor for IASc-INSA-NASI summer research fellowship (since 2011).
- Prof. Anupam Chattopadhyay is Chairman of Screening-cum-scrutiny committee, National Geoscience Awards 2023, Ministry of Mines, Govt. of India.
- Prof. Anupam Chattopadhyay is a Member of Governing Body of the Wadia Institute of Himalayan Geology, Dehradun (2022-2025).
- Prof. Anupam Chattopadhyay is a Member of Expert committee on SERB-IRHPA programme (2022-2027).
- Prof. Partha Pratim Chakraborty has conducted field workshop for ONGC and Oil India geologists at the Andaman Group of Islands in January, 2025.
- Prof. Shashank Sekhar is a member of Expert Appraisal Committee (EAC) for reviewing the impact assessment reports and hydrogeological reports submitted by project proponents for seeking NOC for ground water abstraction, Central Ground Water Authority (CGWA), Department of Water Resources, RD & GR , Ministry of Jal Shakti, Government of India (09-04-2021 onwards).
- Prof. Shashank Sekhar is a member, Committee for excess quantum allowance over and above NOC quantum and issues related to environmental compensation and water audit, Central Groundwater Authority, Government of India (2024).
- Prof. Shashank Sekhar is a member, Committee to standardize the Ground Water Modelling Report format, and review the existing SOP for Ground Water modelling, Central Groundwater Authority, Government of India (2024).
- Dr. Ashima Saikia has chaired session IV-Metamorphism in National Conference on Women in Geosciences: Opportunities, Challenges, and Accomplishments, 2- 4th Sep 2024, NCESS, Trivandrum.
- Dr. Ashima Saikia has chaired session 1 -Tectonic and geodynamic evolution of NER. National Conference on Sustainable Development of North Eastern India: A Geoscience Perspective organised by Ministry of Earth Sciences, Geological Survey of India, North Eastern Hill University and Krishnunni Memorial Charitable Trust from 14 th to 16 th, November, 2024.
- Dr. Pramod Kumar is a Faculty Advisor of American Association of Petroleum Geologists (AAPG) Student Chapter, Delhi University started in 2013. More than 226 student members from the Department of Geology. Activities include scientific talks from eminent scientists, Quiz competition, interactive sessions for researchers and field visits.
- Mr. Rahul Dixit worked as the faculty expert for a geological field workshop on the “MCT (Vaikrita Thrust) and its effect on geothermal regime of Tapoban area, Uttarakhand”, 1st to 5th September 2024. Organized by Frontier Basins, ONGC.

PHYSICS & ASTROPHYSICS

Major Activities and Achievements

The Department of Physics and Astrophysics has maintained its position as the topmost QS ranked university physics department in India. It is also one of the largest physics departments in the country, with nearly 780 MSc students and over 180 PhD students, in addition to the presently available 53 regular faculty members. It has sustained its high quality in research, which is evident from over 200 research publications during the year. The department's faculty members have received several national and international grants and have participated in several collaborative projects across the globe. The department has also hosted various eminent researchers who gave inspiring lectures to motivate young students. The department's Master's curriculum provides a wide choice of electives, including interdisciplinary subjects. Moreover, the various sorts of methodology applied over time to time, in order to enhance learning experiences, such as

(1) Online resources, e.g. lecture notes, links to video lectures or experimental demonstrations, and other study materials being provided to the students in online classes, in the Google classrooms or the Microsoft Teams platform.

(2) Interactive classroom sessions, with instant quizzes, group discussions, as well as time-bound assignments, with the provision of students' self-assessment being emphasized.

Honours/Distinctions

Faculty

Prof. B.C. Choudhary, Prof. Ashutosh Bhardwaj, Prof. Kirti Ranjan, Prof. Md. Naimuddin, Dr. Ashok Kumar, Dr. Arun Kumar: Recipient of Breakthrough Prize in Fundamental Physics from four experimental collaborations for the LHC at CERN, Geneva, Switzerland, in 2025.

Prof. B.C. Choudhary: (a) Spokesperson (till 2026), Indian Institutions: Fermilab Collaboration in Neutrino Physics, (b) Recipient of Outstanding Faculty Award in Experimental High Energy Physics in India, from Careers 360, in 2024.

Prof. Debajyoti Choudhury: (a) Member, PAC of DST, (b) Member, Selection Committee for INSPIRE Faculty Awards.

Prof. Patrick Dasgupta: President, Indian association of General Relativity and Gravitation (IAGRG), from 2020.

Prof. S. Annapoorni: Member, Academic council, Jawaharlal Nehru University, Pondicherry University and Amity Institute of Nanotechnology.

Prof. Ajit K. Mahapatro: Extraordinary Professor, Department of Physics & Astronomy, University of Western Cape, Bellville, South Africa, from January 2025.

Prof. Nivedita Deo: Member, Complex Systems Society (CCS), Inc.

Prof. Awadhesh Prasad: Member, PAC of DST.

Prof. Samit K. Mandal: Member, Selection committees for JRF/Research Associate/Scientist, Inter-University Accelerator Center, DU.

Prof. Shyama Rath: Member, Editorial Board, Applied Surface Science, Elsevier Publications.

Dr. Sourav Sur: (a) Visiting Associate, IUCAA Pune, (b) Member, Indian association of General Relativity and Gravitation (IAGRG).

Students

Ms. Umang Rawat, a student of M.Sc. Physics (Final year, in 2024), has been the University topper and the recipient of Dr. K. S. Krishnan Gold Medal awarded by the University of Delhi at the 101st Annual Convocation, for securing First division with CGPA - 9.250 in the M.Sc. Examination in Physics.

Research Projects

Prof. Ajit Kumar Mahapatro has been sanctioned ₹6,00,000 for a research project entitled "Zinc oxide nanowires for thermoelectric generation", as PI. The grant has been provided by the IoE, University of Delhi and covers a duration from 2024 to 2025.

Prof. Amarjeet Kaur has been sanctioned ₹6,00,000 for a research project entitled "Investigation of Vanadium Oxides and Graphene Nanoribbon Composites for Fabricating High-Performing Quasi-Solid State Zinc Ion Batteries" as PI. The grant has been provided by the Institution of Eminence and covers a duration from 2024 to 2025.

Dr. Amol Singh has been sanctioned ₹35,88,000 for a research project entitled "Unraveling Electronic Structures of Quantum Materials: A Synchrotron Spectroscopy Study via Resonant Inelastic X-ray Scattering (RIXS)" as PI. The grant has been provided by the ANRF and covers a duration from 2024 to 2027.

Dr. Amol Singh has been sanctioned ₹6,00,000 for a research project entitled "Pressure-Induced Possible Electronic and Atomic Structure Transition Study Using X-ray Absorption and X-ray Photoemission Spectroscopy" as PI. The grant has been provided by the IoE, University of Delhi and covers a duration from 2024 to 2025.

Dr. Abhass Kumar has been sanctioned ₹35,00,000 for a research project entitled "Links Between Primordial Black Holes, Baryogenesis and Inflation" as PI. The grant has been provided by the Department of Science & Technology, Government of India and covers a duration from 2021 to 2026.

Prof. B. C. Choudhary has been sanctioned ₹3,46,00,000 for a research project entitled "Indian Participation in the CMS Experiment at CERN: Maintenance, Operation and Upgradation" as PI. The grant has been provided by SERB-DST and covers a duration from 2022 to 2027.

Prof. B. C. Choudhary, Prof. Debajyoti Choudhury, and Prof. Samit K. Mandal have been sanctioned ₹2,80,00,000 for a research project entitled "Indian Institutions – Fermilab Collaboration in Neutrino Physics" as PI and Co-PIs. The grant has been provided by DST and covers a duration from 2019 to 2024.

Prof. Binay Kumar has been sanctioned ₹6,00,000 for a research project entitled "Synthesis of piezoelectric nanoparticles for energy harvesting applications" as PI. The grant has been provided by the IoE, University of Delhi and covers a duration from 2024 to 2025.

Dr. Debabrata Mishra has been sanctioned ₹6,00,000 for a research project entitled "Design and development of spin-based electrodes and flexible devices for energy harvesting and bio-sensing applications" as PI. The grant has been provided by the IoE, University of Delhi and covers a duration from 2024 to 2025.

Prof. D. N. Gupta has been sanctioned ₹25,33,696 for a research project entitled "Exploring quantum electrodynamic plasmas at the new laser intensity frontier" as PI. The grant has been provided by ANRF and covers a duration from 2023 to 2026.

Prof. D. N. Gupta has been sanctioned ₹25,33,696 for a research project entitled "PVD based plasma deposition on fabrics and its application in healthcare" as PI. The grant has been provided by IoE, University of Delhi and covers a duration from 2024 to 2025.

Prof. D. N. Gupta has been sanctioned ₹6,00,000 for a research project entitled "Fabrication of Anti-Microbial Textile Clothing with Cold Plasma PVD Technology" as Co-PI/Mentor. The grant has been provided by DST and covers a duration from 2022 to 2025.

Dr. Govind Dayal Singh has been sanctioned 1 JRF + Beam time for a research project entitled "Graphene Monolayer on Nanopatterned Silicon for Molecular Detection" as PI. The grant has been provided by IUAC and covers a duration from 2025 to 2028.

Prof. Kirti Ranjan and Prof. M. Naimuddin have been sanctioned ₹15,05,00,000 for a research project entitled "Indian Participation in the CMS Experiment at CERN: Maintenance, Operation and Upgradation" as PI and Co-PI. The grant has been provided by SERB-DST and covers a duration from 2022 to 2027.

Dr. Krishnakanta Mondal has been sanctioned ₹5,00,000 for a research project entitled "Understanding the Effect of Ligand and Metal in MOF for CO2 Mitigation" as PI. The grant has been provided by the IoE, University of Delhi and covers a duration from 2024 to 2025.

Dr. Mangilal Choudhary, Department of Physics and Astrophysics, DU, has been sanctioned ₹20,40,802 for a research project entitled "Degradation of Organic Pollutants (Synthetic Dyes) Using Non-Thermal Atmospheric Pressure (Transient Spark Discharge) Plasma" as PI. The grant has been provided by SERB and covers a duration from 2024 to 2026.

Dr. Om Prakash has been sanctioned ₹60,00,000 for a research project entitled "Topological Superconductivity and Quantum Criticality in Half-Heusler Compounds" as PI. The grant has been provided by the ANRF PM Early Career Research Grant and covers a duration from 2025 to 2028.

Prof. S. Annapoorni has been sanctioned ₹20,81,000 for a research project entitled "The Role of Spacer Layer in Exchange-Coupled Bi-Phased Magnetic Multilayers and Nano-Composites" as PI. The grant has been provided by SERB-DST and covers a duration from 2023 to 2028.

Prof. S. A. Hashmi has been sanctioned ₹27,00,000 for a research project entitled "Development of eco-friendly sodium-ion storage devices with sustainable carbon electrodes and bio-degradable polymer-based electrolytes" as PI. The grant has been provided by the IoE, University of Delhi and covers a duration from 2022 to 2025.

Prof. Sevi Murugavel has been sanctioned ₹1,35,000 for a research project entitled "Singular Structural and Charge Transport Properties of Highly Defective Polyanionic Solids" as PI. The grant has been provided by UGC-DAE CSR and covers a duration from 2022 to 2025.

Prof. Shyama Rath has been sanctioned ₹42,46,000 for a research project entitled "Generation and Assessment of Optically Addressable Point Defects in Silicon Carbide for New Quantum Technologies" as PI. The grant has been provided by SERB-DST and covers a duration from 2021 to 2024.

Prof. Shyama Rath has been sanctioned ₹10,11,000 for a research project entitled "Control of the Optically and Spin Active VSi and NC-VSi Defects in 4H-SiC for Quantum Metrologies" as PI. The grant has been provided by IUAC, UGC and covers a duration from 2024 to 2027.

Prof. Shyama Rath has been sanctioned ₹5,00,000 for a research project entitled "Laser Interference Lithography Using HeCd Laser for Nanostructure Fabrication" as PI. The grant has been provided by the Institution of Eminence and covers a duration from 2024 to 2025.

Dr. Sourav Sur has been sanctioned ₹5,00,000 for a research project entitled "Towards potential resolutions of existing cosmological conundrums and tensions via dark energy-matter interactions" as PI. The grant has been provided by the IoE, University of Delhi and covers a duration from 2024 to 2025.

Dr. Subhajit Paul has been sanctioned ₹4,85,000 for a research project entitled "Conformations and dynamics of inertial active polymers" as PI. The grant has been provided by the IoE, University of Delhi and covers a duration from 2024 to 2025.

Dr. Sumalay Roy has been sanctioned ₹1,35,000 for a research project entitled "Magneto-Topological Insulator Interface: Synthesis and Structure-Property Correlation Studies" as PI. The grant has been provided by UGC-DAE CSR and RRCAT, Indore, India and covers a duration from 2022 to 2025.

Dr. Suman Chowdhury has been sanctioned ₹5,00,000 for a research project entitled "Thermoelectric and Thermal Transport Properties of Boron-Arsenide Nanotubes" as PI. The grant has been provided by the IoE, University of Delhi and covers a duration from 2024 to 2025.

Dr. Utkarsh Mishra has been sanctioned ₹5,00,000 for a research project entitled "Optimising Complex Quantum Systems Using QUBO and Quantum Annealing: Applications in Density Functional Theory and Theoretical Physics Simulations" as PI. The grant has been provided by the IoE, University of Delhi and covers a duration from 2024 to 2025.

Seminars Organized

Dr. Nishta Arora, The University of Queensland, Australia, delivered a talk on 'Nanomechanics: Investigating Physics and Applications at the Nano Frontier' on April 5, 2024.

Dr. Anu Gupta, Weizmann Institute of Science, delivered a talk on 'Oxygen Reduction Reaction (ORR): A possible tool to probe coherence in electrons as well as the relation between respiration and general anesthesia' on May 2, 2024.

Dr. Avijit Misra, TCG CREST, Kolkata, delivered a talk on 'Work extraction and excitation trapping in quantum optical setups' on July 20, 2024.

Prof. Koushik Ray, IACS Kolkata, delivered a talk on 'Scale Invariance and Superfluid Turbulence' on July 26, 2024.

Prof. Farook Rahaman, Jadavpur University, Kolkata, delivered a talk on 'Evolving Traversable Wormholes' on July 29, 2024.

Dr. Mudit Rai, Department of Physics & Astronomy, Texas A&M University, delivered a talk on 'Gravitational Waves from Naturalness' on August 9, 2024.

Dr. Tania Paul, MagTop, Institute of Physics, Warsaw, Poland, delivered a talk on 'Effect of excitons in spin quantum Hall effect' on August 16, 2024.

Dr. Dibya Chakraborty, Postdoc, IIT Madras, delivered a talk on 'Inflationary Models in Perturbative LVS' on August 20, 2024.

Prof. Y. Fukuma, Kyushu Institute of Technology, Lizuka, Japan, delivered a talk on 'Spinorbitoronics' on August 29, 2024.

Prof. Gautam Basu, Department of Biophysics, University of Calcutta and Department of Biology, IISER Kolkata, delivered a talk on 'The Madras Triple Helix, the Calcutta Electron Microscope and the Birth of Biophysics Research in India' on September 2, 2024.

Dr. Akashrup Banerjee, Nuclear Physics Division, Saha Institute of Nuclear Physics, delivered a talk on 'FRENA: India's first 3MV Nuclear Astrophysics Accelerator' on September 9, 2024.

Dr. Ramkishor Sharma, CEICO, Institute of Physics of the Czech Academy of Sciences, Prague, delivered a talk on 'Gravitational Wave Background: A Probe for the Early Universe' on October 17, 2024.

Prof. Madhavan Varadarajan, Raman Research Institute, delivered a talk on 'Spherical Collapse and Black Hole Evaporation' on November 22, 2024.

Dr. Unmesh Mondal, Associate Editor, Discover Journals, Springer Nature, delivered a talk on 'Discover: A fully open-access, inclusive brand by Springer Nature' on November 26, 2024.

Prof. Hans Radhoe and Prof. Sheetal K. Bhardwaj, Vitrotem, Amsterdam, North Holland, Netherlands, delivered a talk on 'Automated Graphene Liquid Cell (GLC) fabrication' on December 13, 2024.

Prof. Sudip Jana, Harish Chandra Research Institute, delivered a talk on 'Shining Light on Neutrinos: Exploring Electromagnetic Properties' on December 17, 2024.

Dr. Aritra Ghosh, IIT Bhubaneswar, delivered a talk on 'Some classical and quantum exactly-solvable systems with an equispaced spectrum' on January 9, 2025.

Dr. Brij Mohan, IISER Mohali, delivered a talk on 'Coherent Heat Transfer Leads to Genuine Quantum Enhancement in Performances of Continuous Engines' on January 20, 2025.

Dr. Tarak Nath Maity, University of Sydney, delivered a talk on 'Neutrinos at direct detection: friend or foe?' on January 21, 2025.

Dr. Rajibul Islam, University of Alabama at Birmingham, delivered a talk on 'Discovery and Prediction of Quantum Phases for Next Generation Technology: An ab-initio Approach' on February 4, 2025.

Dr. Shishir Khandelwal, Lund University, Sweden, delivered a talk on 'Creating maximally entangled states through autonomous quantum evolution' on February 10, 2025.

Dr. Conrad Rizal, Seed NanoTech International Inc., Ontario, Canada, delivered a talk on 'A Comparative Analysis of Research Commercialization in India and Canada' on February 14, 2025.

Dr. Rishav Roshan, School of Physics and Astronomy, University of Southampton, UK, delivered a talk on 'Using Gravitational Waves to see the Early Universe' on February 18, 2025.

Prof. Deshdeep Sahdev, Director, Quazar Technologies, New Delhi (Former Professor of Physics, IIT Kanpur), delivered a talk on 'Unconventional Job Options for People with an MSc or PhD in Physics' on February 27, 2025.

Prof. Charanjit S. Bhatia, Spin & Energy Lab (SEL), ECE Department, National University of Singapore, IBM/HitachiGST, San Jose, CA, and UC Berkeley, Berkeley, CA, delivered a talk on 'Frontiers in Magnetic Recording Research: Towards 10 Terabits/In² (Innovation Driving Global Impact)' on March 3, 2025.

Dr. Amitayus Banik, PostDoctoral Fellow, Chungbuk National University, South Korea, delivered a talk on 'The Sound of Dark Sectors in Pulsar Timing Arrays' on March 6, 2025.

Conferences Organized

International Symposium on 'Promises and Challenges in Plasma Sciences', funded by ICPDP Society and IPR, India, was organized during 5-6 April 2024, in the Department of Physics & Astrophysics, University of Delhi. [Convenor: Prof. D. N. Gupta]

Half-day Symposium on 'Gravitation, Particle-Astrophysics and Cosmology' was organized (in the honour of Professor Patrick Das Gupta) on 22 April 2024, in the Department of Physics & Astrophysics, University of Delhi. [Convenor: Dr. Sourav Sur]

International Conference on 'Nuclear Physics and its Applications' (ICPNA-2024), funded by BRNS, Govt. of India, was organized during 21-25 October 2024, in the Department of Physics & Astrophysics, University of Delhi. [Chairperson: Prof. Sanjay Kumar Chamoli, Convenors: Prof. D. N. Gupta, Prof. Ajit Kumar Mahapatro and Prof. Suresh Kumar]

Other Inter-Institutional Collaboration

The Department of Physics and Astrophysics, University of Delhi, has been collaborating with the international CMS experiment group working on the Large Hadron Collider (LHC) at CERN, Geneva, Switzerland, for many years. In particular, in collaboration with BARC, Mumbai, the University of Delhi has supplied silicon sensors for the Phase-1 CMS experiment. The Delhi University Physics analysis team worked for long to optimize analysis schemes to discover the Higgs "God" particle in the year 2012, for which the Nobel Prize in Physics was given in the year 2013. Moreover, the Delhi university team members are among authors of this year's "2025 Breakthrough Prize in Fundamental Physics". Presently six permanent faculty members (namely, Prof. Brajesh Chandra Choudhary, Prof. Kirti Ranjan, Prof. Md. Naimuddin, Prof. Ashutosh Bhardwaj, Dr. Ashok Kumar and Dr. Arun Kumar), along with their PhD stunts, are working for the Phase-2 upgrade of the CMS experiment, and are hosting a high-tech Silicon Qualification center (SQC) for validating silicon sensors for the upcoming Inner Tracker of Phase-2 CMS experiment.

The Department of Physics and Astrophysics, University of Delhi, also has a Production facility for fabricating and testing GEM based Muon detectors, and have recently supplied 16 GEM detectors for the GE1/1 station of the CMS experiment. Currently the facility is producing GEM based detectors for the ME0 station of the CMS. Prof. Brajesh Chandra Choudhary is the Muon IB (Deputy Chair), Prof. Md. Naimuddin is the GEM (Project Manager - Deputy) and Dr. Ashok Kumar has recently finished a 3 year tenure at CERN, Geneva, Switzerland, as Technical Coordinator of the GEM project.

There are several other (either continuing or freshly started) research collaborations of individual faculty members, viz.:

Prof. Brajesh Chandra Choudhary is one of the key members of the international NOvA collaboration. NOvA is a long-baseline Neutrino Oscillation Experiment with two functionally identical detectors, 810 km apart (one at Fermilab, Illinois and other in Ash River, Minnesota) and 14.6 milli-radians off-axis from the Fermilab NuMI beam-axis. The experiment aims to study three-flavour neutrino oscillations, disentangle the neutrino mass ordering and help understand leptonic CP violation through

nu(mu) disappearance and nu(mu) to nu(e) appearance. Nine Institutions in India (AMU-Aligarh, PU-Chandigarh, UoH-Hyderabad, CUSAT-Kochi, CUSB-Gaya, DU-Delhi, NISER-Bhubaneswar, IIT-Guwahati and IIT-Hyderabad), under the leadership of Prof. Brajesh Choudhary of DU as the Spokesperson for the Indian institutions, collaborates with Fermilab on several neutrino experiments including NOvA under the DST funded project "Indian Institutions Fermilab Collaboration in Neutrino Physics", since 2012.

Prof. S. Annapoorni collaborates with (i) Prof. Yasuhiro Fukuma, Graduate School of Computer Science and Systems Engineering, Kyushu Institute of Technology, Kawazu, Iizuka, Fukuoka, Japan, and (ii) Prof. Shyam S. Pandey, Division of Green Electronics, Graduate School of Life Science and Systems Engineering, Kyushu Institute of Technology, Hibikino, Wakamatsu, Kitakyushu-shi, Fukuoka, Japan.

Prof. Shyama Rath collaborates with (i) Inter-University Accelerator Centre, India, (ii) National Institutes for Quantum Science and Technology (QST), Japan, (iii) University of Lisbon, Portugal, (iv) University of Petroleum and Energy Studies, Dehradun, India, (v) National Centre for Nuclear Research, Otwock, Poland, and (vi) Solid State Physical Laboratory (SSPL), India.

Prof. Jyoti Rajput collaborates with Dr. Dariusz G. Piekarski, Institute of Physical Chemistry, Polish Academy of Sciences, 01-224 Warsaw, Poland.

Dr. Sourav Sur collaborates with Prof. Saurya Das, Department of Physics & Astronomy and Quantum Alberta, University of Lethbridge, Alberta, Canada.

Students under Exchange Programme

As a part of the ongoing academic collaboration with CERN, Geneva, Switzerland, several Ph.D. students from the Department of Physics and Astrophysics, University of Delhi, have participated as short-term visiting fellows at CERN, ranging from 15 days – 60 days, during the period: 1 April 2024 to 31 December 2024. Such students have been engaged in detector maintenance, detector operation, physics analysis, etc. at CERN. Coordinated by DST and the University of Delhi, the program has been funded by the DST, Government of India (under appropriate research project). This has been immensely beneficial to those students as they have enhanced their cross-cultural understanding and developed valuable research skills relevant to their thesis work.

Placement Details (Number and percentage of students placed)

06 & 15%

Extension and Outreach Activities

Annual Meet: Welcome Party (November 2024), involving about 450 M.Sc. and Ph.D. students in the Department of Physics and Astrophysics, University of Delhi.

Fitness Week (2-6 December 2024), involving Teaching and Non-Teaching Staff, as well as PhD Students in the Department of Physics and Astrophysics, University of Delhi.

Science Day Celebration (19-20 February 2025), comprising: ‘Swaranjalee’ (19 February 2025, 5-7 PM), Poster Presentation and Quiz, Star Gazing, 120 Participants included from the Department of Physics and Astrophysics, University of Delhi.

The following events have also been organized to facilitate the placement of students:

(i) "STEM Forward Beyond MSc Physics: Exploring Career Avenues in STEM", in collaboration with Career Plan B by Ms. Shahnaz Hussain, Founder & CEO of Career Plan B, 8 February 2025, from 4:30 PM to 6:00 PM, at the D S Kothari Lecture Hall (DSKL), Department of Physics and Astrophysics, University of Delhi.

(ii) "Research & Fellowship Opportunities: India and Abroad ", Mr. Kapil Chandok, Founder Director at KAAISER, Australian Education Specialist, 3 March 2025, from 3:30 PM to 5:30 PM, at the D S Kothari Lecture Hall (DSKL), Department of Physics and Astrophysics, University of Delhi.

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D.: 33

Faculty Strength

Total: 57 (Fifty-seven) - (Senior Professor/Professor - 33, Associate Professor – 03, Assistant Professor – 17 and Guest - 4 (3 INSPIRE FACULTY and 1 WOMAN SCIENTIST)

ECA/Sports

Football Tournament (November 2024 to February 2025), held at the Delhi University's Sports Ground, involving 60 participants from the Department of Physics and Astrophysics, University of Delhi.

Badminton Tournament (February 2025), events: Men's Doubles, Women's Doubles and Mixed Doubles, held at the Delhi University's Indoor Stadium, involving 90 participants from the Department of Physics and Astrophysics, University of Delhi.

Cricket Match (December 2024), involving 30 Ph.D. Students in the Department of Physics and Astrophysics, University of Delhi.

ZOOLOGY

Major Activities and Achievements

Department of Zoology is one of the premier research-intensive Departments in the country. Research is conducted in diverse areas ranging from microbes to humans. Previous year, department has published more than 45 research articles in the peer-reviewed journals of high impact. They have also presented their findings in various National and International conferences. Many of them have received substantial funding from various funding agencies both from National and International. The Department of Zoology has been recognized for DST-FIST, UGC-SAP/CAS schemes. The department imparts M.Sc. teaching and training in advanced areas of Zoology. Last year in the session 2024-25, 119 candidates obtained Master's degree in Zoology. Among them, more than thirty students has qualified NET/JRF and several are pursuing doctoral degree from reputed institutes/Universities. In addition, 19 students awarded Ph.D. degree.

Honours/Distinctions

Faculty

- Prof. Rina Chakraborty received 8th Visitor’s Award in the field of Biological Sciences given by Honourable President of India, Respected Madam Droupadi Murmu on March 3, 2025
- Prof. Rita Singh received, Prof. Pera Govindarajulu Gold Medal Oration 2023 in recognition of research contributions in the field of Reproductive Endocrinology,

"Environmental Oestrogens, Immunomodulation and Fertility" during "International Conference on Reproductive Sciences and Molecular Medicine: Innovations in Therapeutics and Technologies 2024 and 41st SRBCE Annual meeting, 15-17 November 2024.

- Prof. Rita Singh received, Visiting researcher award (France), 2024 INRA, Director of Research, CNRS, Tours Centre de Recherches, Val de Loire, Nouzilly, France, May-July 2024.
- Prof. Rita Singh received, QUAD Faculty (USA), Inaugural Faculty from Year 2022-2024: Member of Faculty Panel (Review committee) for Quad Fellowships (In STEM Scholars of Quad Countries), Institute of International Education, New York, USA.
- Prof. Rita Singh was Organising Chairperson, ICRSMM-2024 & SRBCE-2024 entitled "International Conference on Reproductive Sciences and Molecular Medicine: Innovations in Therapeutics and Technologies 2024 and 41st SRBCE meeting, 15-17 November 2024.
- Prof. Alok Chandra Bharti is Subject Area Expert at National Testing Agency (NTA), University Grants CommissionNational Eligibility Test (UGC-NET), Ayurveda Biology and Biomedical Research Eligibility Test (BRET) (Since 2024).
- Prof. Alok Chandra Bharti is Subject Area Expert in Union Public Service Commission (UPSC) (Since 2024).

Research Projects

- Prof. Alok Chandra Bharti, Department of Zoology has been sanctioned ~84 lakhs for a research project entitled "Identification of Homoeopathic medicines with Anti-Cervical Cancer and Anti-HPV Activity (Phase II)", as PI. The grant has been provided by Central council for Research In Homoeopathy and covered duration from May 2024 to May 2027.
- Prof. Alok Chandra Bharti, Department of Zoology has been sanctioned ~6 lakhs for a research project entitled "Assessment of Anti-Cervical Stem Cell Activity of Morusin" as PI. The grant has been provided by Institute of Eminence (IoE), University of Delhi and covered duration from August 2024 to May 2025.
- Prof. Alok Chandra Bharti, Department of Zoology has been sanctioned ~2.2 Crore lakhs for a research project entitled "STAT3 - HPV Flow-FISH: Development of innovative single molecule RNA (smRNA) detection, flowcytometry-based quantitative and diagnostic assay for detection of transcriptionally active high risk-HPV infections" as PI. The grant has been provided by ICMR-ICRC and covered duration from January 2021 to December 2024.

- Prof. Alok Chandra Bharti, Department of Zoology has been sanctioned ~99 lakhs for a research project entitled "Circulating tumor cells in cervical cancer: identification, characterization and prognostic evaluation in predicting distant metastasis by omics approach" as PI. The grant has been provided by ICMR-AdHOC and covered duration from October 2023 to October 2026.
- Dr. Ashish Kumar Singh, Department of Zoology, has been sanctioned an amount of 28,98,226/- for a research project entitled," Elucidating roles and regulation of Eukaryotic Translation Initiation Factor 5A (eIF5A) in plant and insect vector following geminivirus infection" as PI. The grant has been provided by Sciece and Engieerig Research Board and cover the duration from 24th January 2024 to 23rd January 2026.
- Dr. Kamlesh Kumari, Department of Zoology, has been sanctioned an amount of 6,00,000/- for a research project entitled," Study the impact of Dinotefuran on the development of zebrafish (Danio rerio): In vivo, in-silico, UV spectroscopic and Electrochemical studies" as PI. The grant has been provided by the Institute of Eminence (IOE) and covers the duration from 1st September 2024 to 31st May 2025.
- Dr. Kamlesh Kumari, Department of Zoology, has been sanctioned an amount of 41,04,000/- for a research project entitled," Integrated ecological profiling and isolation of thermozymes from high altitude hot spring in district Kinnaur, Himachal Pradesh, India; A culturable and unculturable approach with SeqCode taxonomy" as Co-PI. The grant has been provided by the Ministry of Environment, Forest and Climate Change (MOEF) and cover the duration from 09st September 2024 to 09st September 2026.
- Dr. Mamta Tripathy, has been sanctioned an amount of ₹ 54,50,000/- for a research project entitled, 'Exploring the effect of gestational diabetes mellitus on adipokine profile and ovarian functions of female offspring mice.' as PI. The grant has been provided by Indian Council of Medical Research and covers the duration from January 2024 till January 2027.
- Prof. Namita Agrawal, Department of Zoology has been sanctioned an amount of 6,00,000 for a research project entitled, 'Deciphering response of surveilling immune cells during HD progression using a transgenic model of Drosophila melanogaster' as PI. The grant has been provided by Institute of Eminence, University of Delhi and covers the duration from August 2024 till May 2025.
- Dr. Narender, Department of zoology has been sanctioned ₹4438196/- for a research project entitled "Role of extracellular vesicles in wound response and repair of Caenorhabditis elegans " as PI. The grant has been provided by SERB and covers the duration from 14-Mar-2023 to 13-Mar-2026.
- Dr. Pushp Lata, Department of Zoology project has been sanctioned an amount of ₹ 41,04,000/ for a research project entitled "Integrated Ecological Profiling and Isolation of Thermozymes from High-Altitude Hot Spring in District Kinnaur, Himachal Pradesh, India: A Culturable and Unculturable Approach with SeqCode Taxonomy" as PI. The grant has been provided by Ministry of Environment, Forest Climate Change covers the duration from September 2024 to September 2026.
- Prof. Ram Krishan Negi, Department of Zoology project has been sanctioned an amount of 43,12,000/- for a research project entitled "Metabolomics and Metagenomic Profiling of the Fish Gut Microbiome: Uncovering Key Metabolomic Pathways and Interactions for Understanding Fish Health Consequences" as PI. The grant has been provided by DST-SERB.
- Prof. Ram Krishan Negi, Department of Zoology project has been sanctioned an amount of 32,52,300/- for a research project entitled "To study the microbial diversity associated with fish gut by using culture–dependent and independent approaches" as PI. The grant has been provided by ICAR-NBAIM: Microbial Genetic Resource Portal.

- Prof. Rina Chakrabarti, Department of Zoology project has been sanctioned an amount of 70 lakhs for a research project entitle "macrophytes-based feed on the growth, gut physiology, expression of specific genes involved in the biosynthesis of DHA & EPA and production of quality freshwater fishes" as PI. The grant has been provided by Department of Biotechnology (DBT), New Delhi and covers the duration from 2021 to 2025.
- Prof. Rina Chakrabarti, Department of Zoology has been sanctioned an amount of 6 lakhs for a research project entitle "Application of Artificial Intelligence (AI) for the formulation of feed for Ornamental fish" as PI. The grant has been provided by Institute of Eminence, University of Delhi, and covers the duration from 2024 to 2025.
- Prof. Rita Singh, Department of Zoology has been sanctioned an amount of Rs 84 Lacs for a research project entitled "Polycystic ovary syndrome: Impact of gonadotropin hormone imbalance: its consequences for maternal and the infant health". The grant has been provided by ICMR and covers the duration from 2021 to 2024.
- Prof. R. Rajagopal, Department of Zoology, has been sanctioned an amount of Rs. 600000/- for a research project entitled 'Elucidating the interaction of Thrips palmi cyclophilin protein with Ground Nut Bud Necrosis Virus (GBNV) encoded Nucleocapsid (N) protein' as PI. The grant has been provided by IoE, University of Delhi and covers the duration from August 2024 to March 2025.
- Dr. Shashank Kumar Maurya, Department of Zoology has been sanctioned an amount of ₹ 52,24,744/- for a research project entitled, 'Understanding the therapeutic role of cannabidiol-loaded nano vesicles in Autism Spectrum Disorder (ASD)' as PI. The grant has been provided by Indian Council of Medical Research (ICMR) and covers the duration from December 2023 till December 2026.

Patents Filed/Granted

- Alok Chandra Bharti, Detection of Oncogenes and Biomarkers in Cervical Lesions, Patent (TEMP/E-1/116615/2024-DEL), 18/12/2024, National
- Dr. Kamlesh Lumari, A Method For The Detection Of Chromium Ions (Application No.202411080393 A) Indian Patents 2024.
- Sharma, J. G., Chakrabarti, R. and Chakraborty, P. 2024. A Reusable Digestion Tube for Amino Acid Assay. Indian patent application, Patent no.: 551061, Date of grant: September 25, 2024 (National).
- Chakrabarti, R., Sharma, J. G. and Chakraborty, P. An IOT-based Indoor-Outdoor Hybrid Aquaponics System. Indian patent application, Patent application no.: 202411043730, Date of filing: June 5, 2024, Date of publication: June, 28, 2024, Application status: Under examination (National).

Conferences Organized

- Prof. Alok Chandra Bharti organized Conference entitled "Inaugural Conference of Indian Society for Extracellular Vesicles (InSEV) - EVOLVE-2025", in collaboration with AIIMS, New Delhi and sponsored by DST-SERB, CSIR, INSA, from March 24-26, 2025.
- Prof. Rita Singh organized Conference entitled, 'International Conference on Reproductive Sciences and Molecular Medicine: Innovations in Therapeutics and Technologies (ICRSMM-2024) 41st Annual Meet of Society for Reproductive Biology and Comparative Endocrinology (SRBCE)" was organized on November 15-17, 2024.
- Dr. Kamlesh Kumari organized conference entitled, '5th International Conference on recent trends in life sciences and Biotechnology' was organized by Department of Bio-Sciences

and Technology, M.M. Engineering College, Maharishi Markandeshwar (Deemed to be University), on December 12-14, 2024 as Co-Convenor.

- Dr. Mamta Tripathy, Organizing committee member for "International Conference on Endocrinology, Metabolism, and Reproduction: Exploring New Frontiers" held at Department of Zoology, University of Jammu from October 22 to October 25, 2024.
- Dr. Pushp Lata, Organizing Secretory for 8th International Conference of Indian Network for Soil Contamination Research & 4th International Symposium on Ciliate Biology from 3rd April to 5th April 2024 Conference center University of Delhi.
- Dr. Pushp Lata, Organizing Committee member International Conference on Reproductive Sciences and Molecular Medicine: Innovations in Therapeutics and Technologies (ICRMM-2024) 15th November to 17th November 2024 organized by the Department of Zoology University of Delhi
- Prof. Ram Krishan Negi, Organized a one-day workshop and Hands-On-Training Program on Fish Molecular Biology under the aegis of DST SERB-Scientific Social Responsibility for the project entitled "Metabolomics and Metagenomic Profiling of the Fish Gut Microbiome: Uncovering key Metabolomic Pathways and Interactions for Understanding Fish Health Consequences" on 1st March, 2025 in Department of Zoology, University of Delhi, Delhi-110007.

Extension and Outreach Activities

- Prof. Rita Singh delivered an awareness lecture "PCOS/PCOD: A threat to reproductive health, mental and physical wellbeing in young women, organized by Department of Zoology, Banaras Hindu University, 21.09. 2024.
- Prof. Rita Singh delivered an awareness lecture "Lifestyle and hormones: A leading science of Subfertility, Infertility and/or Mental disturbances in youth, National Webinar on Modern Lifestyle and Female Reproductive Health organized by Department of Prasuti Tantra and Department of Zoology, Banaras Hindu University, 03.04. 2024.
- Prof. Rina Chakrabarti delivered an invited talk on "Ornamental Fish Culture" at the Student Development Programme organized at Daulat Ram College, University of Delhi on November 22, 2024.

Number of M.Phil./Ph.D. Degrees Awarded

Ph.D. : 19

Faculty Strength

Total: 21 (Twenty One) - (Senior Professor/ Professor/ Director – 11 and Assistant Professor – 10)

SOCIAL OUTREACH

Prof. Rita Singh organizes awareness program under National Conference on Technological Advancements in Adolescent Health Research, organized under the auspices of the Indian Society for the Study of Reproduction & Fertility (ISSRF) lecture entitled "Impact of Endocrine Disrupting Chemicals on Adolescent Health, held at Senior School Birla Balika Vidya Peeth BBVP, BITS Campus, Pilani, Rajasthan, Sept. 28-29, 2024.

FUNDS UTILIZED (Crores)

0.348

FUNDS ALLOCATED (Crores)

0.357

Other Significant Information

Faculty members of the Department, in addition to the teaching and research, also serve as experts in government research funding bodies. Our esteemed faculty members are also part of the editorial team of high-impact journals of international repute and empaneled as experts in various central and state selection commissions.

****

FACULTY OF SOCIAL SCIENCES

CONTINUING EDUCATION AND EXTENSION

Major Activities and Achievements

The course curriculum of the M.A. in Lifelong Learning program encompasses topics that are highly relevant to local, national, regional, and global developmental needs. This alignment is clearly reflected in the Program Outcomes (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs) of the programs offered by the University.

The Department of Continuing Education and Extension consistently integrates cross-cutting issues into the curriculum. Critical themes such as Gender and Development, Human Rights, and Population and Development Education are included to address these important areas.

The Department regularly organizes Faculty Development Programs (FDPs), seminars, and conferences to bridge the gap between academia and industry. Over the years, the number of Scopus-indexed publications by faculty members has steadily increased. Faculty are also actively engaged in self-improvement through participation in various research methodology programs. The quality of publications, along with the number of research grants secured for projects, has shown significant growth. Moreover, several faculty members serve on the editorial and review boards of nationally and internationally reputed journals.

In line with its commitment to inclusivity and gender equality, the Department has also established a Transgender Resource Center. The center aims to promote gender equity and ensure the integration of a gender-sensitive approach across all departmental activities and policy initiatives.

Students with Distinctions

- Siya Bihari, student of Research Scholar (2nd year), selected for Digital Library Research Project Internship, ASEM Lifelong Learning Hub, April 30, 2024.
- Nitish Anand, student of Research Scholar (Ph.D awarded 2024), selected for Digital Library Research Project Internship, ASEM Lifelong Learning Hub, April 30, 2024.
- Ayesha Siddique, student of M.A. (II year), selected for Digital Library Research Project Internship, ASEM Lifelong Learning Hub, April 30, 2024.
- Nidhi Sargam, student of M.A. (II year), selected for Digital Library Research Project Internship, ASEM Lifelong Learning Hub, April 30, 2024.
- Timsi Garg, student of M.A. (II year), selected for Digital Library Research Project Internship, ASEM Lifelong Learning Hub, April 30, 2024.

- Ayesha Siddique, student of M.A. (II year), was the Director, Vishalakshi Foundation for exceptional work, leading 4000+ volunteers in 25+ Delhi University college teams, managing high-impact projects (Project Hunger, Project CNG, Dream Slum, Dream School), securing 40+ collaborations for Global Roti Day, and receiving Letters of Recommendation, Trophy, and Appreciation Certificates, 2024 University of Delhi, April15, 2024.

Honours/Distinctions

Prof. Rajesh appointed as Honorary Director at IAEA in 2025

Prof. Rajesh was appointed as the overall incharge for the Transgender Resource and Training Cell, University of Delhi.

Dr. Geeta Mishra was appointed as the Nodal Officer for the Transgender Resource and Training Cell, University of Delhi.

Extension and Outreach Activities

Faculty and students undertook visits to Jagatpur, Jharoda, and Mukundpur villages to address community issues and engage with grassroots realities, aligning with the constitutional values of equality and justice. The Department collaborated with the Vision Divyang Foundation to promote inclusivity and raise awareness about the rights and dignity of differently-abled individuals. A Househ old Needs Assessment Survey was conducted during September and October 2024, covering 486 households and approximately 2,000 individuals across five villages under the Unnat Bharat Abhiyan initiative. A Model Learning Centre and Community Library were inaugurated on October 18, 2024, in Harijan Basti, Jharoda Village, under the same initiative. A field-based community internship was organized from October 2024 to April 2025, involving 12 student interns from the Cluster Innovation Centre (CIC) and Zakir Husain Delhi College in a peri-urban settlement to foster social inclusion. The Model Learning Centre offers inclusive education for children through activity-based and play-oriented pedagogies such as educational games and storytelling. Additionally, life skills training and career counseling sessions were delivered to adolescents and youth, promoting empowerment and self-reliance. Weekly Sunday outreach programs were held at the *chaupal* in Harijan Basti, with a key community meeting scheduled for March 23, 2025, to strengthen collaboration and trust. Furthermore, under the leadership of a department-affiliated director, the Vishalakshi Foundation mobilized over 4,000 volunteers from more than 25 Delhi University college teams—along with partners such as MAIMS and other city-based teams—for high-impact social development projects.

SOCIAL OUTREACH

Community interventions were strategically aligned with the Sustainable Development Goals (SDGs), with a particular focus on SDG 4 (Quality Education) and SDG 10 (Reduced Inequalities), through inclusive education and empowerment programs. Efforts were made to promote sustainable community practices, thereby enhancing both environmental and social resilience in marginalized areas. The Department strengthened community initiatives by fostering partnerships with local residents and academic institutions, ensuring holistic development across the five villages under the Unnat Bharat Abhiyan initiative. Further steps were taken to expand these efforts by engaging more students in upcoming internship programs, with the aim of institutionalizing sustainable models of community learning, in line with the vision of Prof. Rajesh.

ECA/SPORTS

Students keep organizing events and participate in the extra-curricular activities such as poster making competition, role plays, Nukkad Natak on issues relevant to the society. Students also participated in the One National One Election Run organised at University of Delhi

OTHER SIGNIFICANT INFORMATION

Faculty members are constantly engaged in conduction FDPs, seminars, conferences for better industry academia interface. Also the Department has a transgender resource center which is aimed at enhancing the gender parity and sensitization amongst all faculty and staff members.

***

AFRICAN STUDIES

Major Activities and Achievements

The Department organized a series of intellectually engaging events aimed at fostering critical discussions and cultural understanding. These included a workshop on *Understanding Kashmir and Abyei*, and film screenings of *The Battle of Algiers* and *Bab'Aziz: The Prince Who Contemplated His Soul*. The latest edition of the *Indian Journal of African Studies* was released, followed by a panel discussion on *India–Africa Connections and Disconnections in the 21st Century*. A talk on *India–Ethiopia Relations in the 21st Century* provided insights into contemporary diplomatic ties, while a scholarly discussion was held in honour of Namibia's Independence Day. Additionally, the department hosted a talk titled *Alphabets of Africa*, and a book discussion on *Food and Identity in Nineteenth and Twentieth Century Ghana: Food, Fights, and Regionalism*, enriching the academic discourse on cultural identity and regional politics.

EAST ASIAN STUDIES

Major Activities and Achievements

Three students of Japanese Language from the University of Delhi won prizes in the All India Japanese Language Essay Contest, organized by the Japanese Language Teachers' Association of India (JALTAI) in 2024:

- Ms. Sanvi Rastogi**,** St. Stephen's College, University of Delhi *Third Prize*
- Mr. Priyanshu Tripathi, Daulat Ram College, University of Delhi *Third Prize – Senior Category*

- Ms. Geetika Bindra, Department of East Asian Studies, University of Delhi *Third Prize*

Students with Distinctions

1. Anil Mehta, Student of M.A. Japanese (2024) was the Gold Medallist, 02/22/2025
2. Nongallembi Thangjam, Student of M.A. East Asian Studies (2024) was the Gold Medallist, 02/22/2025
3. Ankit Ramayan Dubey, Student of M.A. East Asian Studies (2024) was the Gold Medallist, 02/22/2025

Seminars Organized

1. Lt General (Retd) Rakesh Sharma, delivered talk on 'India-China Relations Envisioning the Future' on April 15, 2024.
2. H.E. Sang Woo Lim Deputy Chief of Mission, Embassy of The Republic of Korea, delivered talk on 'Korea's Indo-Pacific Strategy Challenges And Opportunities' on April 22, 2024.
3. Prof. Anthony J. Spires , University of Melbourne, Australia delivered talk on 'Global Civil Society and China: Impacts and Prospects' on September 19, 2024
4. K.K. Venkatraman, An Alumnus of Defence Service Staff College Wellington, delivered talk on 'Researching the Chinese PLA: Sources and Method' on October 21, 2024

National/International MoUs Signed

1. MoU between Korea Foundation and University of Delhi(Department of East Asian Studies), October 5, 2023 to February 2025.
2. MoA between Kyungpook National University and University of Delhi (Department of East Asian Studies), February 26, 2024.
3. MoU between University of Tokyo and University of Delhi (including Department of East Asian Studies), 2024

Students Under Exchange Program (Inbound/Outbound)

Memorandum of Understanding Regarding Agreement for Educational Cooperation Between, Department of East Asian Studies, University of Delhi, India and Faculty of International Relations, Daito Bunka University, Japan, five students participated in a 40 hour long exchange program in October 2024.The students engaged in intensive Hindi study course. Coordinated by Dr. Alok Chandan.

ECONOMICS

MAJOR ACTIVITIES AND ACHIEVEMENTS

For the tenth consecutive year, the Department has been ranked the highest among university economics departments in India by RePEc, a globally recognized electronic archive of working papers and publications in Economics. In the field of Economics and Econometrics, the University of Delhi holds the second position nationally and has consistently improved its ranking over time.

Major Activities:

The Winter School 2024 was held from December 12 to 14, 2023. The event featured a series of lectures by distinguished invited speakers, as well as contributed talks by other participants. Each invited speaker—Rohini Pande (Yale University), Samuel Kortum (Yale University), Thomas Piketty (Paris School of Economics), Arvind Panagariya (Columbia University), and Julia Cagé (Sciences Po Paris)—delivered lectures that provided deep insights and surveyed recent advances in their respective areas of research.

The Young Scholar Seminar 2025 was held on February 28 and March 1, 2025. Ph.D. scholars from various institutions were invited to the Delhi School of Economics campus to present their ongoing research. The seminar served as a platform for constructive feedback, intellectual exchange, and networking with faculty and scholars from the Department of Economics, University of Delhi.

HONOURS/DISTINCTIONS
• Anish Gupta

- Nominated as a member of the Academic Council of NIEPA, New Delhi.
- Nominated as the Visitor's nominee to the Executive Council of the University of Hyderabad.
- Nominated as the Visitor's nominee to the Court of the University of Hyderabad.
- Nominated as a subject expert on the UGC committee for creating Learning Outcomes-based Curriculum Frameworks (LOCF) in Economics to integrate Indian Knowledge Systems (IKS).
- Nominated by the UGC as Coordinator for implementing NEP 2020 recommendations in the LOCF.

Dibyendu Maiti

- Nominated as an official member of the Technical Advisory Group for Enterprise Surveys, NSSO, Ministry of Statistics and Programme Implementation (MoSPI), Government of India.

Ram Singh

- Visiting Research Professor, Institute of Law and Economics, Hamburg University, Germany (2024).
- Member, Monetary Policy Committee, Reserve Bank of India.
- Nominated as a member of the Indian Council for Social Science Research (ICSSR), Ministry of Education, Government of India.

Rohini Somanathan

- Elected to the Council of the Econometric Society for the term 2024–2028.
- Panel Member for Social Sciences, European Research Council.
- Invited visitor under the Kuznets Visitor's Program, Yale University, November 11–20, 2024.
- Member, CII Economic Affairs Council, 2024–2025.

Research Projects

- Dr. Anish Gupta, Department of Economics, has been sanctioned ₹800000/- for a research project entitled "*Migration Patterns and Inclusivity in Higher Education Institutions of Kerala*" as Project Coordinator. The grant has been provided by ICSSR and covers the duration September 2024 up to 5 years as an ongoing project. Project Directors: Dr. Sandip Datta (DSE), Sudhakar Venukapalli (IEDS), Dr. Samson R. Victor (IGNTU), Dr. Vinod Sen (IGNTU), and Vishnu Achutha Menon (IEDS).
- Dr. Anish Gupta, Department of Economics, has been sanctioned ₹8000000/- for a research project entitled "Enhancing Socio-Economic Well-Being of E-Waste Collectors through Targeted Interventions" as Project Director. The grant has been provided by ICSSR and covers the duration as an ongoing project.
- Prof. Dibyendu Maiti, Department of Economics, has been sanctioned ₹3,00,000/- for a research project entitled "Growth, Development and Productivity – 75 Years of Indian Experiences" as PI. The grant has been provided by ICSSR (Seminar Grant) and covers the duration from 21 to 23 March 2024.

- Prof. Paramjit, Department of Economics, has been sanctioned ₹46,72,800 for a research project entitled "Concurrent Feedback of NFSM Scheme" as Co-PI. The grant has been provided by Ministry of Agriculture & Farmers Welfare (MoA&FW), Government of India, under the AER, DES Allocated Study (2024), and covers the duration from 2024to Ongoing. Project Directors: Prof. Paramjit and Yogesh Bhatt. The consolidated report for MoA&FW is currently under progress.
- Prof. Paramjit, Department of Economics, has been sanctioned ₹6.85,208 for a research project entitled "Concurrent Feedback of PM-KISAN Scheme" as Co-PI. The grant has been provided by Ministry of Agriculture & Farmers Welfare (MoA&FW), Government of India, under the AER, DES Allocated Study (2024), and covers the duration from 2024 to Ongoing. Project Directors: Prof. Paramjit and Yogesh Bhatt. The participating centre and field survey for MoA&FW has been completed.
- Prof. Paramjit, Department of Economics, has been sanctioned ₹5,08,345 for a research project entitled "Concurrent Feedback of PMFBY Scheme" as Co-PI. The grant has been provided by Ministry of Agriculture & Farmers Welfare (MoA&FW), Government of India, under the AER, DES Allocated Study (2024), and covers the duration from 2024to Ongoing. Project Directors: Prof. Paramjit and Yogesh Bhatt. The participating centre and field survey for MoA&FW has been completed.
- Prof. Ram Singh, Department of Economics, has been sanctioned $33,000 for a research project entitled "Does Privatization Lead to Better Quality of Roads?" as Principal Investigator. The grant has been provided by Harvard University and covers the duration from March 2020 to September 2024. Co-Investigators: Edward Glaeser (Harvard University) and Andrei Shleifer (Harvard University).
- Prof. Ram Singh, Department of Economics, has been sanctioned ₹1400000/- for a research project entitled "Relationship between Income, Wealth, and Tax Payment in India" as Principal Investigator. The grant has been provided by ICSSR and covers the duration from September 2022 to June 2025.
- Prof. Ram Singh, Department of Economics, has been sanctioned ₹10,504,400/- plus institutional Charges for a research project entitled "Catalyzing MSMEs as an Engine of Inclusive Growth and Employment for India at 2047" as Principal Investigator. The grant has been provided by the Ministry of MSMEs, Government of India and covers the duration from March 2024 to March 2026.
- Dr. Sandip Datta, Department of Economics, has been sanctioned ₹800000/- for a research project entitled "*Migration Patterns and Inclusivity in Higher Education Institutions of Kerala*" as Project Coordinator. The grant has been provided by ICSSR and covers the duration September 2024 up to 5 years as an ongoing project. Project Directors: Dr. Anish Gupta (DSE), Sudhakar Venukapalli (IEDS), Dr. Samson R. Victor (IGNTU), Dr. Vinod Sen (IGNTU), and Vishnu Achutha Menon (IEDS).
- Prof. Rohini Somanathan, Department of Economics, has been sanctioned SEK 591,840 for a research project entitled "Distributional Effects of the COVID-19 Lockdowns in India" as Principal Investigator. The grant has been provided by Environment for Development Initiative (EDI), University of Gothenburg and covers the duration from January 2021 to June 2025.
- Prof. Rohini Somanathan, Department of Economics, has been sanctioned USD 114,304 for a research project entitled "Studying Vaccine Market Models" as Principal Investigator. The grant has been provided by The Bill and Melinda Gates Foundation, and covers the duration from August 3, 2020 to oct 2024.

Seminars Organized

Kiriti Kanjilal, IIIT Delhi, delivered talk on 'Merger Guidelines in Polluting Industries: When Do They Matter?' on July 25,2024.

Abhiroop Mukhopadhyay, ISI, delivered talk on 'Science on the Move: How 'Experiential Learning' Shapes Human Capital' on August 22, 2024.

Neelanjan Sen, Madras School of Economics, delivered talk on 'Endogenous Merger under Product Differentiation and Price Competition: The Role of High-quality producer' on September 25, 2024.

Partha Chatterjee, Shiv Nadar University, delivered talk on 'Low Labor Force Participation Rate: Macroeconomic and Household Factors in a Search Model' on Novmber 7, 2024.

Anup Pramanik, Shiv Nadar University, delivered talk on 'Domains where Local Strategy-Proofness Implies Dictatorship' on November 28, 2024.

Gaurav Chiplunkar, University of Virginia, delivered talk on 'Gender Barriers, Structural Transformation, and Economic Development' on January 7. 2025.

Anirban Mitra, University of Kent, delivered talk on 'Political Dynasties and Economic Development: Theory and Evidence from India' on January 23, 2025.

Ritwik Banerjee, IIM Bangalore, delivered talk on 'Interpreting Intolerance' on February 14. 2025.

Donald R. Davis, Columbia University, delivered talk on 'Segregation, Spillovers, and the Locus of Racial Change' on March 25, 2025.

Conferences Organized

Conference entitled, 'Winter School 2024', organized in collaboration with Econometric Society and sponsored by ICSSR, NABARD, and Murthy Trust on December 12-14, 2024.

Conference entitled, 'Young Scholar Seminar 2025', organized in collaboration Centre for Development Economics sponsored by ICSSR, NABARD, and Murthy Trust on February 28 and March 1, 2025.

HISTORY

Major Activities and Achievements

The Department of History has achieved significant milestones during the assessment period. It has been ranked in the 101–150 range globally, making it the highest-ranked History department in India. Faculty members have brought international recognition to the department by securing two of the most prestigious fellowships—the Fulbright Fellowship and the Humboldt Fellowship. The department's seminar committee actively hosted a series of lectures and discussions featuring scholars of international repute, enriching the academic environment. In terms of scholarly output, faculty members have published five books with renowned global publishers, along with 16 Scopus-indexed or peer-reviewed journal articles and four book chapters with leading academic presses.

The department continues to demonstrate its academic strength through impactful student and faculty achievements. A substantial number of research scholars have been appointed as Assistant Professors across various colleges of the University of Delhi. Several faculty members have presented papers and delivered keynote speeches at esteemed national and international forums. The academic potential of students is also reflected in the significant number of research fellowships, such as UGC-JRF, secured during the period. Moreover, many students have gained admission to PhD programs at prestigious universities across Europe and the United States, including Ivy League institutions like Stanford University.

HONOURS/DISTINCTIONS

Yasser Arafath – Completed Fulbright Fellowship at the University of Pennsylvania, USA.

Ritesh Jaiswal – Awarded Humboldt Fellowship at Bonn University, Germany.

Santosh Kumar Rai – Member, Board of Governors, Govind Ballabh Pant Social Science Institute, Jhunsi, Allahabad (a constituent institute of the University of Allahabad), January 20, 2023 – January 19, 2025.

SOCIOLOGY

Major Activity and Achievements

Research Colloquiums

During the academic year, the Department organized twenty-four research colloquiums, providing a vibrant platform for intellectual exchange. These sessions featured presentations by distinguished scholars from India and abroad, enriching the academic environment and fostering scholarly dialogue.

Alumni Connect Event

An Alumni Connect event was held on 11th October 2024, during which Mr. A.P. Parigi, a distinguished alumnus, conducted an insightful session titled *"Leadership and Communication: An Unorthodox Perspective"*. The event facilitated interaction between current students and alumni, offering valuable perspectives on leadership and professional growth.

Workshops Organized

The Department conducted a series of workshops to enhance research capabilities and academic skills among students:

- 30th August 2024: *Research Scholars Workshop* – Focused on research methodologies and peer learning.
- 8th November 2024: *Workshop on the Shiv Lal Sawhney Scholarship* – Provided guidance on scholarship opportunities and application procedures.
- 5th February 2025: *One-Day Hands-On Workshop in Programming in R for Social Scientists* – Introduced participants to data analysis using R.
- 4th March 2025: *Workshop on Research Proposal Writing* – Designed for MA Final Year students to strengthen academic writing and proposal development.

***

SOCIAL WORK

Major Activities and Achievements

In the *India Today* and *Outlook-ICARE* 2024 rankings, the Department of Social Work (DSSW) secured the 3rd position among the best Social Work departments in India for the academic year 2024–

25, reflecting its continued excellence in teaching, research, and community engagement. One of its flagship student-led initiatives, the *Green Dreams Club*, was featured on *The Better India* in March 2025 for its innovative vertical garden project, showcasing the department's commitment to sustainability and environmental consciousness.

Several impactful events marked the academic year. On September 27, 2024, the Department launched the celebration of "National Self-Respect Day." Later, on November 26, 2024, the *Fitness Warriors* initiative organized a 3km and 5km walk-and-run event, which saw enthusiastic participation from around 50 faculty members and students. In support of academic equity, a sustainable scholarship scheme—funded by departmental member contributions—now supports at least three students annually. Complementing this, a mentoring program connects students with experienced professionals to ease their transition into the workforce.

Community spirit and alumni engagement remain central to DSSW's mission. Through crowdfunding efforts, the department installed a *Pledge Plaque* to symbolize core social work values. An ongoing online *Alumni Talk* series continues to inspire students with insights across a range of relevant topics. Additionally, heritage walks organized around Delhi helped participants build intergenerational connections while exploring the city's rich cultural legacy. A creative platform titled *Baithak* allowed students and members to showcase their artistic talents in singing, poetry, and *shayari*, further enriching the department's vibrant community life.

Students with Distinctions

- Elmina Lucke Award – *Ms. Poornima M*: Awarded to the student who scores the highest marks in fieldwork in both years.
- Gyan Pandit Award – *Ms. Aastha Drall & Mr. Deep Raj Sharma*: Awarded to an M.A. Final student based on performance in the M.A. Previous examination.
- B.S. Kumedan Award – *Mr. Shambhu Kumar Jaiswal*: Awarded to an M.A. Final student for the best use of library resources.
- Sudhir E. Michigan Memorial Medal – *Mr. Deep Raj Sharma*: Awarded to the student who scores the highest marks in *Social Work with Groups* (Course SW 201).
- L.D. Mehta Memorial Award – *Ms. Palak Deswal*: Awarded to the student who scores the highest marks in *Quantitative Research Methods* (Course SW 202).
- B.C. Jain Memorial Award – *Ms. Anushka Saraswat*: Awarded to the student who scores the highest marks in *Social Welfare Administration* (Course SW 301).
- Ms. Janaki Devi Ahuja Memorial Award – *Ms. Aastha Drall*: Awarded to the student who scores the highest marks in *Social Justice and Empowerment* (Course SW 203).
- Ms. Madhu Pandey Nagpal Memorial Scholarship – *Ms. Jyoti*: Awarded to an M.A. Final student on a need-cum-merit basis, preferably to a woman candidate.
- Dr. Sudarshan Kumari Scholarship – *Ms. Shaheen Khan*: Awarded to an M.A. Final student on a need-cum-merit basis, awarded to a woman candidate.
- Phyllis Gore Medal – *Ms. Anushka Saraswat*: Awarded for all-round performance in academic and extra-curricular activities in M.A. Previous.
- Smt. Kunda Datar Gold Medal – *Ms. Sanchita Modi*: Awarded to the student securing the first position in M.A. (Final).
- Society for Developmental Action Gold Medal & Ms. Kusum Gupta Memorial Award – *Ms. Poornima M*: Awarded for the highest marks in fieldwork in both years.
- National Institute of Personnel Management Award – *Ms. Aastha Drall*: Awarded for the highest marks in *Organizational Behaviour and Employee Development* (Course SW 3024).
- Divyagyan Puraskar – *Mr. Abhishek Singh Verma*: Awarded to the student who scores the highest marks in *Social Work with the Elderly* (Course SW 4013).

- Shankar H. Pathak Memorial Award – *Ms. Aastha Drall*: Awarded to the student who scores the highest marks in *Social Policy* (Course SW 302).
- Prof. K.D. Gangrade Award – *Ms. Aastha Drall*: Awarded to the student who scores the highest marks in *Social Justice and Empowerment* (Course SW 203).

Dr. Sudhir Maske, Department of Social work has been sanctioned Rs. 18,00,000/- for a research project entitled, 'Empowering Social Work Practitioners, Enhancing Skills and Competencies to Bring Positive Social Change: An Action Research Study' as PI. The grant has been provided by ICSSR Delhi and covers a duration from 2024 and 2 years.

National/International MoUs Signed

1. MoU signed with Centum Foundation on November 2024. As a result of this collaboration, key outcomes include:
    a. Strengthening social work students' professional competencies and employability through structured learning interventions, and
    b. Equipping students with essential workplace, communication, technical, and managerial skills through capacity-building sessions and expert-led training modules.
2. MoU signed with Cyber Peace Foundation on January 15, 2025. As a result of this collaboration, key outcomes include:
    a. Strengthening partnerships for social impact and capacity building in the field of social work, and
    b. Exploring opportunities for joint initiatives and projects in areas of mutual interest.

Other Collaborations :

DSSW collaborated with Bisleri International Pvt, Ltd from 12th February, 2025 signed a LoA collaboration on waste management and plastic recycling. On 18th February 2025 the Department of Social Work organized an Orientation Session on "Waste Management" Green Dreams, Environmental Club, Department of Social Work in collaboration with Bisleri.

DSSW Collaborated with Northern Michigan University, Central University of Rajasthan, and Vishwa Yuvak Kendra from February 28th to March 10th, 2025 for strengthening inter-institutional ties, enhanced student global perspectives, and fostered intercultural learning and networking. Key contributors included Dr. Vikash Kumar, Prof. Sanjoy Roy, Mr. Udaya Shankar, and Dr. Sudhir Maske. The program featured an inaugural session, an international colloquium with community visits, and a valedictory session. NMU faculty (Prof. Sarah Carlson, Dr. Ashley Provost) also participated.

EXTENSION AND OUTREACH ACTIVITIES

As a premier institution for social work education, the Department has actively undertaken field action projects to demonstrate the practical relevance of social work interventions in addressing complex social issues. Two key initiatives—the *Centre for Child and Adolescent Well-Being* (CCAW) and

the *Centre for Community Development and Action*(CCDA)—serve as living laboratories for applied learning and community engagement.

SOCIAL OUTREACH
The *Green Dreams Club* at the Delhi School of Social Work marked its first anniversary in March 2025, having grown from 18 to 55 active members. Over the year, the club spearheaded several impactful initiatives, including the creation of vertical gardens and the promotion of eco-friendly celebrations, effectively fostering environmental awareness and community engagement. Recognized by *The Better India* for its innovative work, the club continues to champion sustainability and environmental stewardship. It stands as a vibrant platform for nurturing eco-conscious leadership and instilling a strong sense of social and environmental responsibility among students.

ECA/SPORTS

The *Fitness Warriors* initiative, led by Dr. N.T. Thomas, brought together over 50 faculty members and students for a 3km and 5km walk-and-run event, promoting physical fitness, community engagement, and holistic well-being. Held as part of the *National Self-Respect Day* celebrations, the event aimed to foster self-esteem, dignity, and a sense of community pride.

The departmental badminton tournament was another resounding success, with enthusiastic participation from students across all batches. The tournament not only encouraged physical wellness but also nurtured values of sportsmanship, teamwork, and camaraderie, reinforcing the importance of a healthy and balanced lifestyle.

In a show of compassion and solidarity, the department also launched a donation drive to collect clothes and essential items for the underprivileged. Students contributed generously, and the collected items were distributed to residents in and around Indira Basti. This initiative exemplified the department's deep-rooted commitment to social responsibility, empathy, and community service.

FACULTY OF TECHNOLOGY
COMPUTER ENGINEERING

Major Activities and Achievements

During the academic year, the department actively engaged in various academic and co-curricular activities to enhance student and faculty development. Several expert talks were organized, featuring distinguished speakers from academia and industry who shared valuable insights on current trends and technologies. Faculty members and students actively participated in national and international conferences, presenting research papers and gaining exposure to scholarly discussions. Our students enthusiastically took part in various technical events, including coding competitions, gaming contests, and hackathons, where they showcased their creativity and problem-solving skills. Notably, some students achieved commendable results and recognition in these events. A few students also completed internships with reputed organizations, gaining hands-on experience and practical knowledge in their respective fields. These internships have significantly contributed to their professional growth and industry readiness. Through these activities, the department has demonstrated its commitment to fostering academic excellence, innovation, and holistic development among students. The active involvement of faculty and students in knowledge-sharing platforms and competitive events reflects a vibrant educational environment that promotes continuous learning and real-world engagement.

Honours/Distinctions

Students

- Aaryan Gupta, student of B.Tech CSE --- (I year), Gauri Dahiya, student of ECE – B ---(I year), Pravin Kumar Majhi, student of Faculty of Law --- (II year), Mohammed Muzammil, student of CSE, DTU --- (I year), Mantavya Arun Kumar, student of CSE, NSUT --- (I year), was the finalist and team leader at UDGAM'25 DISRUPT Startup Bootcamp, IIT Guwahati, for the Medi Rakshak startup idea, ranked in the top 15 teams out of 600+ teams, February 2025.
- Aaryan Gupta, student of B.Tech CSE B --- (I year), was the youth volunteer responsible for crowd management, ticket process, and coordinating entry for students and parents (10,000+ attendees), UDGAAR Festival 2024, Delhi University, October 18, 2024.
- Aditya Kumar Yadav, student of BTech CSE --- (I year), has cleared UPSC NDA I 2024 Written, April 21, 2024 and. UPSC NDA I 2025 Written, April 13, 2025.
- Anish Kumar, Avi Pandey, Ronit Jaiswal, Priyanshi Meena, Animesh Kumar, Rishabh dev Prasad, B.Tech CSE --- (II Year), were the Finalists in Smart India Hackathon 2024, December 11-12, 2024.
- Arshdeep Singh, student of B. Tech. CSE --- (II year), selected as a delegate for the HPAIR Harvard Conference 2025, focusing on leadership and innovation after a rigorous interview process, October 2024.
- Arshdeep Singh, Tushar Chopra and Dhairya Jain, students of B. Tech. CSE --- (II year), won Fourth position as a team out of 100+ teams by developing a solution focused on digital security and cryptocurrency regulation, Innokshetra Hackathon, NIT Kurukshetra, September 2024.
- Ayush Mahlawat, student of B.Tech CSE – B --- (II year) has completed an internship at Mapup.ai in hybrid mode, June 10,2024 to August 9, 2024.

- Brijesh Kumar Morya, student of B.Tech CSE --- (II year), was the participant at the 25th India Innovation & Technology Summit (INDIASOFT 2025), March 19–20, 2025
- Debojyoti Roy, student of B.Tech CSE --- (II year), was awarded best paper at NIT Silchar, January 29-31, 2025.
- Gurhans Grover, student of B.Tech CSE (II year), won Gold Badge for C on HackerRank Badge, December 3, 2023.
- Harsh Narayan, student of B.Tech CSE --- (II year), was a Gaming Admin at KRAFTON INDIA's BGMI event (India Gaming Show 2025, Bharat Mandapam), part of the Production Team at Snapdragon Pro Series ESL 2025 (Noida Indoor Stadium), and Gaming Admin for Vi India's Call of Duty event (IMC 2025).
- Harsh Nath Tripathi, student of B.Tech (Computer Engineering) --- (I year), participated in the Diplomatic Simulation, US Embassy, New Delhi, December 5, 2024.
- Harsh Nath Tripathi, student of B.Tech (Computer Engineering) --- (I year), selected for the GenAI Internship at IndieRise Research Labs, a startup incubated at the IIT Madras Research Park, contributing to real-world Generative AI projects, May 1- July 31, 2025.
- Harshit Yadav, student of B,Tech CSE --- (II year), was the Cultural President of DUSU since February 27, 2025.
- Ibrahim Ibn Tanweer Almadani, student of B.Tech CSE --- (II year), completed the Foundation level of IIT Madras BS Degree in Data Science with CGPA of 9.75, September 15, 2024
- Jas Simarjeet Singh, student of B.Tech CSE --- (II year), completed the NPTEL courses on Database Management System, September 21, 2024, Data Structures and Algorithm using Java, October 26, 2024 and Programming in Java, April 27, 2024.
- Jas Simarjeet Singh, student of B.Tech CSE --- (II year), was the Volunteer Event Manager at the Conference of Women Peacekeepers from the Global South, organized by CUNPK, joint venture of Ministry of Defence , Ministry of External Affairs and Indian Army, February 24-26, 2025.
- Jashwanth B, Student of BTech CSE --- (I year), was the core member in Code Catalyst Workshop event, Faculty of Technology, February 6, 2025.
- Nishant Gupta, Ronit Jaiswal and Harsh Verma ,student of B.Tech CSE --- (II year), won the First Prize in the Newtonion Hackathon, KMC, Delhi University, February 24, 2025.
- Nishant Gupta, Ronit Jaiswal, Harsh Verma, Deepali Talreja, and Akaksha Singh, student of B.Tech CSE, won the Third Prize in Tech Crisis competition, IIIT Delhi, March 22, 2025.
- Pranjal Gupta, student of CSE --- (II year), was volunteer for 3 days in Indian Defspace Symposium, Indian Space Association, April 07- 09, 2025.
- Ramchandra, student of B.Tech CSE --- (I year), won the Second Position in blind coding, SANKALAN 2025, Department of CSE, University of Delhi, April 19 -20,2025.
- Shubhika, student of B. Tech (CSE-A)(II year), completed the IBM SkillsBuild Summer Internship Program on Artificial Intelligence, from July 15, 2024 to August 5, 2024
- Siddhi Srivastava and Debojyoti Roy, student of B.Tech.CSE --- (II year), won Best Paper Presentation Award for presenting paper "On the Regression Models for Prediction of Proton Induced Radiation Damage in Silicon MOSFETs" in The International Conference on "Innovation in Science and Technology: A perspective of Viksit Bharat @2047", Dean Dayal Upadhyaya College, March 19-21, 2025.
- Siddhi Srivastava, student of B.Tech. CSE- Section B --- (II Year), selected for a research internship on "Plane MOSFETs for Reliable Operation in Foreign Environments" at DBT Star College Laboratory, Deen Dayal Upadhyaya College, University of Delhi, June 15, 2024 to July 31, 2024.
- Suzain, student of B. Tech CSE (II year), Ansh Gupta, student of B.Tech ECE --- (II year), won the First Position in Code Phantom 1.0, March 27, 2025.

- Tushar Chopra, student of B.Tech CSE --- (II year), completed his Internship with Infosys Springboard as AI/ML Intern, October 3, 2024 to December 5, 2024.

Seminars Organized

- Dr. Praveen Singh Thakur, former Scientist at DRDO delivered an expert talk on 'Big Data Analytics' on November 26, 2024.
- Mr. Anuvrat Parashar, Founder, Essentia. Dev delivered an Expert Lecture on 'Fundamentals of Cybersecurity' on February 6, 2025.
- Prof. Merlyne De Souza, Professor, University of Sheffield, UK delivered an IEEE Distinguished Lecture on 'Physical Reservoir Computing' on March 18, 2025.

Extension and outreach activities

The department actively encourages students to participate in socially impactful initiatives beyond the classroom to help develop a sense of civic responsibility and national consciousness. In line with this vision, many students enthusiastically took part in "UDGAAR – An Expression of Goodness and Joy", a mega youth festival focused on the theme Making India Addiction-Free. The event was organized by the Ethiccraft Club and Delhi University, in collaboration with the Ministry of Social Justice and Empowerment, Government of India, on October 18, 2024. Through cultural performances, interactive sessions, and public pledges, students contributed to spreading awareness about drug abuse prevention and promoting mental and emotional well-being among the youth. Additionally, students from the department participated in the Smart India Hackathon (SIH) 2024, one of the largest innovation challenges organized by the Government of India. Students proposed practical and impactful solutions addressing real-time problems posed by various ministries and organizations. Their participation reflected a strong commitment to using technology and creativity for building a better society and a stronger nation. These activities provided students with valuable exposure to national-level platforms and encouraged them to apply their skills for social good. The department remains committed to supporting such outreach initiatives, which not only contribute to the betterment of society but also help students grow into responsible, aware, and proactive citizens.

Faculty strength

Total: 09 (Nine) - (Assistant Professor – 03 and Guest – 06)

Social Outreach

Department motivates students to participate in social events that are organized by university of Delhi and other organizations.

ECA/Sports

The department places strong emphasis on the holistic development of students by encouraging active participation in extra-curricular and sports activities. In a landmark achievement, the Faculty of Technology organized its very first cultural fest, Spandan, where students participated with great enthusiasm and energy. The event showcased diverse talents through music, dance, poetry, and other creative performances. Students also played a key role in organizing and managing the event, demonstrating excellent leadership, teamwork, and organizational skills. In the field of sports, students took part in various activities such as chess, cricket etc, promoting a healthy competitive spirit and physical well-being. These events provided a platform for students to balance academics with recreation and fitness. In alignment with the National Education Policy (NEP), the department also offered a variety of Value-Added Courses (VACs) to support students' physical and mental development. Courses such as 'Sports for Life', and 'Fit India' were successfully completed by many students, helping them adopt healthier lifestyles and improve their overall well-being. Through such activities, the department fosters a vibrant and inclusive campus culture that supports both personal and professional growth among students.

ELECTRONICS & COMMUNICATION ENGINEERING

Major Activities and Achievements
The Department of Electronics and Communication Engineering (ECE) organized several significant academic activities during 2024–2025. Internationally, invited talks were coordinated by Dr. Diptiranjan Samantaray and Mr. Khushwant Sehra, including a session by Prof. Ladislau Matekovits on metasurfaces (October 2, 2024), and another by Prof. Merlyne De Souza from the University of Sheffield on physical reservoir computing (March 18, 2025). Nationally, a talk by Prof. Manoj Saxena on AI in semiconductors was held on October 9, 2024. The department also hosted expert lectures, such as Dr. N. D. Kaushika's talk on energy futures (November 14, 2024), and one by scientists from CSIR–NPL on memristors in e-textiles (August 9, 2024). Technical workshops and training programs were conducted on CADFEM Ansys (November 13, 2024), CST Studio (September 18–20, 2024), and NI Multisim (August 12–13, 2024), providing hands-on experience to students and faculty. These events,

under the aegis of IEEE chapters and the Faculty of Technology, Delhi University, enhanced academic engagement, interdisciplinary learning, and industry exposure.

Honours/Distinctions

Faculty

Prof. Raj Senani

- Included in the list of Top 2% Scientists of the World (Career -wise) in the areas of Science, Engineering and Technology, as per a report published in August 2024, by a group of Stanford University and Elsevier researchers.
- On 14th September, 2024, was conferred with the `IETE Lifetime Achievement Award for 2024`, by the Institution of Electronics and Telecommunication Engineers (IETE), India, for outstanding research in the field of Circuits and Systems spanning over five decades and for distinguished services to the IETE journals.

Other Significant Information

Faculty members from the Department of Electronics and Communication Engineering (ECE) have actively engaged in a range of academic and professional development activities across conferences, workshops, and faculty development programs.

Dr. Diptiranjan Samantaray served as Session Chair at two prestigious conferences: the Microwave, Antenna and Communication (MAC) Conference 2024 and the Springer International Conference on Signal and Data Processing (ICSDP-2024). Additionally, he delivered two invited lectures. The first was on "Green Electronics: Sustainable Solutions for the Future" at Sriram College, Balasore, Odisha, held from March 10–11, 2025. The second was as a resource person at the Centurion University of Technology and Management, Odisha, where he delivered an expert talk on "Next-Generation Microwave and Metasurface Technologies: From Theory to Real-World Applications" on March 12, 2025.

Mr. Khushwant Sehra also demonstrated significant academic involvement. He participated in and chaired a session during the International Conference on Innovations in Science and Technology organized by Deen Dayal Upadhyaya College, University of Delhi, from March 19–20, 2025. He served as a resource person for a tutorial session titled "The Dominance of GaN and GaN-Based Devices (HEMTs) & Hands-on with Silvaco" during a hands-on workshop on TCAD for semiconductor device simulation held on March 29, 2025, at the same institution. In the realm of professional development, Mr. Sehra completed two Faculty Development Programs (FDPs) conducted by the Electronics & ICT Academy, C-DAC Hyderabad. The first FDP, titled "Python Programming for Data Analysis," took place from November 20–24, 2024. The second, "Fundamentals of Machine Learning," was conducted from December 20–24, 2024. These engagements reflect the department's continued commitment to academic excellence, capacity building, and knowledge dissemination in emerging and advanced areas of electronics and communication engineering.

ELECTRICAL ENGINEERING

Major Activities and Achievements

During the academic year, Faculty members actively participated in prestigious Faculty Development Programs (FDPs), workshops, and international conferences, enhancing their expertise in advanced topics such as smart grids, electric vehicles, renewable energy integration, artificial intelligence, and machine learning. Several faculty delivered invited lectures and chaired sessions at renowned conferences, reflecting their recognition in the academic community.

Faculty served as resource persons for national-level FDPs, further contributing to the professional development of peers across India. The department's active participation in global summits and technical events, such as ELECRAMA and IEEE conferences, strengthened its academic and industry linkages.

Major Activities and Achievements

AERC Delhi continued to perform the research and policy activities during the Financial Year 2024-25. There have been contributions in the form of ongoing regular research projects as well as concurrent feedback surveys on various major agricultural schemes of Ministry of Agriculture and Farmers' Welfare. The research team at the centre performed various rounds of field surveys throughout the year in various districts of Haryana and Uttarakhand started in April 2024 till the end of March 2025 for the ongoing regular and concurrent research studies of the MoA&FW. The centre continue progressing under the able guidance of Prof. Surender Kumar, Chairman, GB and Prof. Paramjit, Director (Acting) of the centre, both are the senior faculties at the Delhi School of Economics, University of Delhi.

Research Projects

Paramjit & Yogesh Bhatt, Agricultural Economics Research Centre, Delhi has been sanctioned the MoA&FW grant on regular basis for the project entitled "Pradhan Mantri Kisan Samman Nidhi (PM

KISAN): Performance, problems and prospects" as PI and Co-PI. The grant has been provided by Ministry of Agriculture and Farmers' Welfare and covers the duration from April 2024 to March 2025.

Paramjit & Yogesh Bhatt, Agricultural Economics Research Centre, Delhi has been sanctioned the MoA&FW grant on regular basis for the project entitled "An Assessment of Kisan Credit Cards (KCC) with special reference to Animal Husbandry and Fishery Sectors in India", as PI and Co-PI. The grant has been provided by Ministry of Agriculture and Farmers' Welfare and covers the duration from April 2024 to March 2025

Paramjit & Yogesh Bhatt, Agricultural Economics Research Centre, Delhi has been sanctioned the MoA&FW grant on regular basis for the project entitled "A Detailed Analysis of Millets Value Chain in India- The Production, Processing, Consumption and Export" as PI and Co-PI. The grant has been provided by Ministry of Agriculture and Farmers' Welfare and covers the duration from April 2024 to March 2025

Paramjit & Yogesh Bhatt, Agricultural Economics Research Centre, Delhi has been sanctioned the MoA&FW grant on regular basis for the project entitled "Paramjit & Yogesh Bhatt (2024). An Empirical Study of Farming Community Development under Aspirational Districts Programme of India" as PI and Co-PI. The grant has been provided by Ministry of Agriculture and Farmers' Welfare and covers the duration from April 2024 to March 2025

Paramjit & Yogesh Bhatt, Agricultural Economics Research Centre, Delhi has been sanctioned the MoA&FW grant for the concurrent feedback of major agricultural Schemes project entitled "Concurrent Feedback of NFSM Scheme" as PI and Co-PI. The grant has been provided by Ministry of Agriculture and Farmers' Welfare and covers the duration from April 2024 to March 2025

Paramjit & Yogesh Bhatt, Agricultural Economics Research Centre, Delhi has been sanctioned the MoA&FW grant for the concurrent feedback of major agricultural Schemes project entitled "Concurrent Feedback of PM-KISAN Scheme" as PI and Co-PI. The grant has been provided by Ministry of Agriculture and Farmers' Welfare and covers the duration from April 2024 to March 2025

Paramjit & Yogesh Bhatt, Agricultural Economics Research Centre, Delhi has been sanctioned the MoA&FW grant for the concurrent feedback of major agricultural Schemes project entitled "Concurrent Feedback of PMFBY Scheme" as PI and Co-PI. The grant has been provided by Ministry of Agriculture and Farmers' Welfare and covers the duration from April 2024 to March 2025

CENTRE FOR DETECTOR AND RELATED SOFTWARE TECHNOLOGY

Major Activities and Achievements

The Centre has been working on the deliverables related to, inter alia, the state-of-the-art Silicon Micro strip detectors, for the CMS Experiment Upgrade at CERN, Switzerland. For this purpose, a sensor qualification centre for silicon detectors has been established at DU, where the silicon sensors are qualified. These sensors will be installed in the CMS Experiment during Phase II. The Centre has also

been involved in the CMS detector maintenance, physics analyses using the CMS data coming from the pp collisions at 13.6 Tev. Faculty and research students regularly visit CERN to actively participate in the data taking and detector management.

Research Projects

Prof. Kirti Ranjan, Department of Physics and Astrophysics project has been sanctioned an amount of ₹ 15,05,80,000/- for a research project entitled, 'Indian Participation in the CMS Experiment at CERN: Maintenance, Operation and Upgradation' as PI. The grant has been provided by DST, Govt. of India and covers the duration from December 2022 till June 2027.

CENTRE FOR ENVIRONMENTAL MANAGEMENT OF DEGRADED ECOSYSTEMS

Major Activities and Achievements

The Centre for Environmental Management of Degraded Ecosystems (CEMDE) is a premier Centre of the University and has been working on action research and capacity building in action research in the areas of ecology of invasive alien species and contemporary environmental problems. Prof Inderjit, Director is working on the different facets of invasion ecology. Prof C R Babu, Professor Emeritus in the CEMDE is running Biodiversity program and has been developing bioremediation technologies for treatment of sewage and also for decontamination of contaminated soils and surface and ground waters with spent wash from distilleries. Seven Biodiversity Parks have been developed by the financial assistance from the Delhi Development Authority. CEMDE is not directly involved in the managing funds received from the DDA or other agencies for the biodiversity parks. Prof CR Babu, professor Emeritus in the CEMDE, is handling the affairs of biodiversity parks. These parks are first of their kind and contributing to environmental sustainability of Delhi.

Honours/Distinctions of The Teaching And Non-Teaching Staff

Prof Inderjit Singh, Director was awarded J. C. Bose National Fellowship, Science and Engineering Research Board, Government of India in 2023. The fellowship was started in October 2024.

Research Projects

Project entitled "Integrated Project on the Restoration and Restitution of Degraded Landscapes and Waterscapes and also for Prevention and Control of Pollution in and around Simbhaoli area (including Phuldera Drain and Syana Escape Canal) degraded by M/s Simbhaoli Sugars Ltd." funded by Uttar Pradesh Pollution Control Board (UPPCB), Government of U.P, has sanctioned to Prof C R Babu with Prof. Radhey Shyam Sharma as Co-PI at Department of Environmental Studies, University of Delhi. CEMDE does not have financial details. Prof Babu can be contacted for further details.

Prof Inderjit has submitted papers through the University to release contingent grant (Rs 15 lakhs per year) sanctioned under J. C. Bose National Fellowship, Science and Engineering Research Board, Government of India in 2023.

Other Collaboration

Prof CR Babu is providing technical advices to State Government Departments of UP, MP, AP, Chhattisgarh, Maharashtra and Bihar, for development of Biodiversity Parks and development of constructed wetlands for treatment of sewage.

Prof. Inderjit has collaborations with University of Montana, USA, University of Toronto, Canada, Montana State University of Montana, USA, Max Planck Institute for Chemical Ecology, Germany, Martin-Luther University Halle, Germany, and Institute of Botany, Czech Republic.

Extension and Outreach Activities

The Biodiversity Parks Programme is fully funded by DDA with annual grant of about Rs 12 crores (data given by Prof Babu). This is the largest outreach programme of the University and serving as hub for imparting practical environmental education for 0.2 million students including DU students every year (details given by Prof Babu). Director CEMDE does not have any details on funding. Details are available with Prof CR Babu.

Faculty Strength

Senior Professor/Professor/Director

Director who has substantive position in the Department of Environmental Studies

Social Outreach

Students from different colleges and Schools visit biodiversity parks. The DDA staff and other renowned people also visit parks from time to time.

₹ FUNDS UTILIZED (Crores)

CEMDE has no funds allocated by the University maintenance grant. Biodiversity parks have funds from DDA and other agencies that was handled by Prof C R Babu and they maintain their own record. CEMDE has no record.

Other Significant Information

CEMDE does not receive any funds from the University maintenance grant. Biodiversity parks, headed by Prof C R Babu receive regular funding from DDA and other agencies. Director CEMDE has no details.

***

CENTRE FOR GENETIC MANIPULATION OF CROP PLANTS

Major Activities and Achievements

CGMCP has been involved with the genetic improvement of oilseed mustard (Brassica juncea) through conventional and molecular breeding. Extensive work has been carried out on field breeding, application of microspore-derived doubled haploids (DH) in breeding, transgenic development, and application of molecular mapping and genome sequencing in marker-assisted breeding. The work has led to the development of some CMS-based and GM-based productive hybrids, several pure lines with improved quality and white rust resistance lines, and the identification of some promising combiners for heterosis breeding. A transgenic mustard hybrid DMH-11 has been approved by the Government of India for environmental release. Brassica improvement research is being carried out under DBT-UDSC partnership Phase-II (2023-2028) program. It is a multi-institutional program involving five collaborators- NIPGR Delhi; NIPB, Mohali; ICAR-IIRMR, Bharatpur; GBPUAT, Pant Nagar.

Honours/Distinctions

Prof Deepak Pental - Awarded ANRF-National Science Chair (2022-2025)

Research Projects

Prof Jagreet Kaur, CGMCP, has been sanctioned an amount of Rs.13. 66 Crore for a research project entitled DBT-UDSC Partnership Centre on Genetic Manipulation of Brassicas Phase II. The grant has been provided by DBT, GoI, and covers the duration from Dec 2023-to Dec 2028.

Prof Jagreet Kaur, CGMCP, has been sanctioned an amount of Rs.38.1 lakhs for a research project entitled "Testing the efficacy of the Brassica juncea glyphosate resistant transgenic lines against *Orobanche aegyptiac*a infections" The grant has been provided by DBT- BIRAC, GoI , and covers the duration from Sept 2023 to Sept 2028.

Prof Jagreet Kaur, CGMCP, has ben sanctioned and amount of Rs.27.0 Lakhs for a for a research project entitled "Deciphering the genetics of tolerance of *B. juncea* germplasm against *S. sclerotiotum* using GWAS." The grant has been provided by CSIR, GoI, and covers the duration from Nov 2024 to Oct 2027.

Extension and Outreach Activities

Educational trip:

Students of the Microbiology Department of Ram Lal Anand College visited the field research station of CGMCP at Bawana to collect infected leaf samples and learn about the brassica breeding program.

CENTRE FOR GLOBAL STUDIES

About Us

The Centre for Global Studies, earlier known as Developing Countries Research Centre (dcrc) was set up by the University of Delhi on April 20, 1993 under the Board of Interdisciplinary Program through Ordinance XV-A. The academic space so created soon became a hub for teachers, students and researchers engaged in researching developing societies of Asia, Africa and Latin America. The year 2004 was a historic moment in the life of dcrc. Vide Ordinance XX (9) it acquired the status of a constituent of the Faculty of Social Sciences, though it was formally inaugurated by Professor G. Ram Reddy, Chairperson, UGC, on August 05,1994. It was supported by the UGC during initial years.

In pursuit of its objectives, the Centre has organized seminars and conferences both at national and international levels. At times it has organised events in collaboration with prestigious institutions such as the Nehru Memorial Museum and Library, AKUT Group of Uppsala University (Sweden), Max Mueller Bhavan, Centre for Study of Developing Societies (CSDS), Aligarh Muslim University, International History Congress, V.V. Giri National Labour Institute, Central Social Welfare Board, Women's Studies and Development Centre, Planning Commission, Institute for Human Development, DESTIN of the London School of Economics and Political Science, DFID, Japan Foundation, Vidyajyoti and the constituent colleges of the University of Delhi. Scholars from across the board, such as Political Science, Economics, Sociology, History, Geography, Education, Philosophy, Psychology, Literature, Film and media studies have been involved in this effort. The main objective is to thematize knowledge so gained and critically engage students with such insights while teaching at the undergraduate and postgraduate level in the vast network of Delhi University. Above all, the objective is to build dcrc as a centre that can act as a springboard of critical and creative theory. The Centre ensures critically and creativity in its academic work by entailing two key things in the main. It structures is academic activity in a way that builds an interface between inputs gathered from academics and grass root activists, which turn out to be a critical laboratory of testifying knowledge for both, theory and practice. The other key aspect is that the Centre encourages scholars to adopt methods of academic engagement that rescue disorientation in knowledge production, which generally occur while studying developing societies from the dominant paradigms of the West. The larger endeavour is to have an alternative world-view of how to look at issues related to culture, nationalism, gender, sexuality, religious minorities and other narratives.

The Centre got Prof. Sunil K Choudhary as Director since July 2015. The Centre has seven committees headed by fellow conveners. These committees include Purchase, Seminar/Conference, Library, Website, Gender Sensitization, Printing/Publication and Scrap. The Advisory Committee headed by Hon'ble Vice Chancellor is the apex decision making body of the Centre, while the Fellow Council and Research Committee are meant for discussing various issues of academic interest. All the fellows are members of these committees. The fellows and conveners meet regularly in their respective committees and contribute to the corporate life of the Centre.

The Fellow Council meets on the 14th date of every month. The Fellow Council discussion is preceded by an academic discourse covering issues of contemporary relevance. For all research related decisions,

the Centre has the Research Committee which meets quarterly to discuss, deliberate and decide on the research issues. With much efforts and pursuance by the director of the esteemed centre, the University of Delhi in its notification dated September 14, 2021 vide Executive Council Resolution No. 8-6 has changed the nomenclature of Developing Countries Research Centre [dcrc] as **Centre for Global Studies [CGS].**

Academic Activities and Programs at the Centre during 2024-2025

The Centre organized various activities in the academic year 2024-25 which is an achievement in itself. The Annual Report apart from providing an overview of the Centre, gives a glimpse of Centre's major activities in the previous year to its readers.

Conference, Seminar and Workshops

Interaction with Medical Practitioner, Dr. Partha Pratim Bose

Dr Partha Pratim Bose, Senior Consultant and Pulmonologist, delivered a presentation titled 'Skilling is Scaling: Embrace, Educate, Empower and Engage' at the Centre on June 14, 2024. Dr. Partha emphasized the importance of reaching people and making a difference in their lives through core values such as Quality, Reliability, Trust, Innovation, and Empathy. He highlighted the mission to 'change through human chain'. He focused on the challenges of the Public vs. Private healthcare expenditure, and the goal of strengthening the healthcare workforce in India by 2047. Dr. Bose also highlighted the grassroots work undertaken through the SAKSHAM initiative.

CGS Webinar: Yoga and Life

On the tenth International Yoga Day, the Centre celebrated the significance of yoga with an insightful session delivered by renowned Spiritual Guru, Professor Pawan Sinha on June 21, 2024. Speaking at the session, Prof Pawan highlighted a difference between the meaning of Yoga prevailing from the ancient to the modern philosophy. He emphasized on Ashtanga Yoga given by Patanjali where Yoga imbibes both internal and external facets.

CGS Webinar on UK Polls 2024

As the United Kingdom (UK) was heading to its national polls on July 04, 2024, the Centre conducted a webinar titled, 'UK Polls 2024: Changes and Challenges'. The discussion was led by Shri Anurag Bana, a senior legal advisor in International Bar Association, UK. The session was introduced by, Prof Sunil K Choudhary, Former Director of the Centre. Prof Sunil briefly presented the demographic and electoral profile of United Kingdom with the fellows and scholars. The general election of UK is broadly analysed in four different regions viz., England, Wales, Scotland and Northern Ireland. Under the Westminster System of Government, the House of Common as the lawmaking body consists of 650 members which chooses the Prime Minister.

In the poll discussion, the Keynote Speaker of the session, Shri Anurag Bana, enlightened the researchers with the changes and challenges seen in the democratic politics of UK.

CGS Webinar on The New Criminal Laws: Exploring the Shift from 'Danda to Nyaya'

On the occasion of introducing the New Criminal Laws in the Indian justice system from July 1, 2024 onwards, the Centre organized a Webinar highlighting a shift from 'Danda to Nyaya'. Moving beyond the studies of Political Science and International Relations, the Centre sought to broaden the horizon of the intellectual series of the social science discourse towards the law discourse.

Addressed by Dr Ruchita Chakraborty, CGS Fellow and Assistant Professor at Faculty of Law, University of Delhi, the Webinar attempted to decode the new criminal laws and explore its shift from Danda to Nyaya.

Dr Ruchita presented three New Criminal Laws defined as, the Bhartiya Nyaya Sanhita (BNS), the Bhartiya Nagarik Suraksha Sanhita (BNSS), and the Bhartiya Sakshya Adhiniyam (BSA) replacing respectively the three colonial-era criminal codes, viz., Indian Penal Code 1860 (IPC), the Code of Criminal Procedure 1973 (CrPC) and the Indian Evidence Act 1872 (IEA). Dr Ruchita argued that in order to understand any criminal law, the motive must be identified since it plays a important role in knowing the basic ingredients of the laws. The first law, the BNS is the substantive law which provides the community with the services of different types of punishment from sexual offences to hit run cases. The second and third laws BNSS and BSA are the procedural laws that tend to explain the proceedings and evidences requirements in the cases. It starts from the registration of FIRs to collection of evidences.

CGS Webinar on Bangladesh

The Centre conducted a Webinar on the title, 'Bangladesh Crises: Implications for India'. The Keynote Speaker for the session was Prof Sanjay K Bhardwaj, from the School of International Studies, Jawaharlal Nehru University, New Delhi. The Webinar was held amidst the political crisis in the country where the democratically elected Prime Minister was ousted by a student coup. The session was chaired by Prof. Sunil K Choudhary, Former Director, CGS.

CGS Foundation Day Celebration and Academic Interaction

The Centre celebrated its foundation day on September 14, 2024. Delving on the transformation of the Centre from DCRC (Developing Countries Research Centre) to Centre for Global Studies, the former Director highlighted the key milestone achieved in the span of this journey besides indicating the new vision and mission of the Centre.

The Foundation Day celebration was followed by an academic interaction in the presence of Mr Nakagawa Kozi, a Japanese scholar of great repute.

CGS Samiksha 2024: Field Visits, Forecasting and Felicitation

CGS Samiksha 2024: Jammu & Kashmir and Haryana Assembly Election Surveys

The CGS Samiksha has been the incredible flagships election study program of the Centre beginning 2017. This was the Twelfth major election survey conducted by the Centre under its CGS Samiksha Series. The Centre highlighted the victory of National Conference-Congress in Jammu & Kashmir and Congress in Haryana elections by a survey study conducted on the basis of its own unique methodology.

This trend of election results by the Centre was based on the study of 8,429 voters of 90 seats in Jammu & Kashmir and 90 seats in Haryana during September 11-October 03, 2024. The survey was conducted by the Centre in association with approximately 700 students and research scholars from various colleges/institutions/universities of Delhi and the poll-bound states.

CGS Samiksha 2024: Maharashtra and Jharkhand Election Surveys

A systematic, scientific and objective online survey was conducted by the Centre for Global Studies, University of Delhi to study the recent Maharashtra & Jharkhand Assembly elections. This is the Fourteen major election survey conducted by the Centre in the series of 'CGS Samiksha'. The Centre estimates the victory of Maha Yuti in Maharashtra and NDA in Jharkhand elections by a survey study conducted on the basis of its own unique methodology.

CGS Samiksha 2024: Delhi Election Survey

An objective offline field survey was conducted by the Centre for Global Studies, University of Delhi, to study the Delhi Assembly elections 2025. This is the Fifteenth major election survey conducted by the Centre in the series of 'CGS Samiksha'. The student surveyors, during the elaborate exercise spanning 24 days, attempted to study various issues that may have a bearing on voting trends. These included development, governance, pollution, corruption, education, and welfare schemes.

CGS Advisory Committee Meeting

A meeting of Advisory Committee of the Centre for Global Studies (CGS) was held on Tuesday, October 08, 2024 at 3:00 p.m. in the Vice Chancellor's Office, Viceregal Lodge, University of Delhi. The Advisory Meeting witnessed participation and discussion on the key issues of the agenda from all the internal and external members. It was in the Advisory Meeting that the Hon'ble Vice Chancellor acknowledged the work of the Centre and appreciated the direction in which it is moving to achieve its motto, *Aiming High, Touching Sky.*

NAAC Peer Team Visit

The Centre made extensive preparations to welcome the visit of the NAAC Peer Team during October 23-25, 2024. Renovation of the Fellow Room, activation of the electronic gadgets, documentation of the past five-year record, presentation of the academic journey of the Centre were some of the highlights of the Centre during the period.

CGS in News

The Centre has been consistently in news throughout this quarter. With the sincere and solemn efforts of its Media Coordinators – Mr. Vikas and Ms Drishti, the Samiksha Series of the Centre got significant projections in the electronic, print and social media. The Centre's news over activities and book discussion were also published in the national Hindi dailies. The Centre's Former Director, Prof Sunil K Choudhary and Deputy Director, Dr Mahesh Kaushik participated as Subject Panellists in various discussions under the Sansad TV covering areas like Budget, UK Elections and the like.

New Director for the Centre for Global Studies

Professor Amarjiva Lochan has joined as Honorary Director of Centre for Global Studies on February 07, 2025. Prof Amarjiva Lochan is also working as Dean, FSR and Joint Dean, International Relations, University of Delhi. He teaches at Department of History as Professor. Recently, he has been also appointed as Nodal Officer for the Ministry of External Affairs Distinguished Lecture Series.

CENTRE FOR HIMALAYAN STUDIES

Major Activities and Achievements

Himalayan Geosystem: Society and Sustainability' was organized on May 24, 2024.

Himotsav 2024: 'Himalaya: The Crown of Life and Culture' was organized on September 9, 2024

'Mountain Resilience: Securing the Future of the Himalaya in the Era of Anthropocene Climate Change' was organized on December 10, 2024

‘5th HHRS Significance of Growing Cooperation between Bharat and Extended South (Southeast) Asian Nations’ was organized on January 30-31, 2024.

Seminars Organized

Prof. Grit Kirstin Koeltzsch, Professor of Anthropology, National University of Jujuy, Argentina, delivered a seminar/talk on ‘Bodily Knowledge of Cultural Practices: Analytical Tools towards an Embodied Epistemology’ on September 13, 2024.

Conferences Organized

‘Himalayan Geosystem: Society and Sustainability’ was organized on May 24, 2024.
Himotsav 2024: ‘Himalaya: The Crown of Life and Culture’ was organized on September 9, 2024
‘Mountain Resilience: Securing the Future of the Himalaya in the Era of Anthropocene Climate Change’ was organized on December 10th, 2024
‘5th HHRS Significance of Growing Cooperation between Bharat and Extended South (Southeast) Asian Nations’ was organized on January 30-31, 2024.

National/International MOUs Signed

An MoU was signed with Indraprastha College for Women, University of Delhi, on April 25, 2024. Dr. Rajan Maurya, from the Department of Geography, served as the coordinator.
An MoU was signed with Maharaja Agrasen College, University of Delhi, on August 01, 2024. Prof. Neeraj Singh, from the Department of Geography, served as the coordinator.
An MoU was signed with Miranda House, University of Delhi, on October 17, 2024. Dr. Om Jee Ranjan, from the Department of Geography, served as the coordinator.
An MoU was signed with Kirori Mal College, University of Delhi, on February 01, 2025. Dr. Suman Das, from the Department of Geography, served as the coordinator.
An MoU was signed with Dyal Singh College, University of Delhi, on April 04, 2025. Dr. Abhay Shankar Prasad, from the Department of Geography, served as the coordinator.
An MoU was signed with Kamala Nehru, University of Delhi, on April 17, 2025. Dr. Atithi Pant, from the Department of Geography, served as the coordinator.

CENTRE FOR INDEPENDENCE & PARTITION STUDIES

Major Activities and Achievements

CIPS has interviewed 43 Partition Survivors.

Organized an Orientation Program on Wednesday, July 24, 2024 to discuss the Philosophical and Operative content of the Centre's work.

A National Seminar to commemorate Partition Horrors Remembrance Day was organized on Wednesday, August 14, 2024 in collaboration with NCPSL and IGNCA on 'Unraveling the Partition of India'. The event began with inauguration of a Photography Exhibition by the Chief Guest, Shri Arjun Ram Meghwal, Hon'ble Minister of Law and Justice, GoI, and Prof. Yogesh Singh, Hon'ble Vice Chancellor, University of Delhi.

A Catalogue of Books and Research Theses was also released on August 14, 2024.

The official website of CIPS was also launched.

CIPS organized a Logo designing Competition for the students in July-August 2024. The winning Logo has been officially adopted by CIPS.

A Videography Competition was organized in September 2024.

YouTube Channel of CIPS was officially launched on Monday, December 09, 2024 by the Hon'ble Vice Chancellor.

CIPS was honoured by a surprise visit of Sh. Sanwal Dhami on Thursday, February 06, 2025. Sh. Sanwal Dhami runs stories of Partition survivors through his YouTube channel, SantaliNama.

Seminars Organized

The Centre collaborated with the Colleges for organising One-day National Seminars

CIPS, in collaboration with the Department of Punjabi, Dyal Singh College organized a One Day National Seminar on 'Bharat Ka Vibhajan aur Manviye Rishton ke Hanan ki Dastan' on February 18, 2025.

Another Seminar was organized in collaboration with SGTB Khalsa College on Friday, March 21, 2025. The theme of the Seminar was 'Re-visiting Partition 1947: Historical. Socia-Cultural and Political Perspectives.'

Extension and Outreach Activities

CIPS organized an academic excursion to President House. Around 28 Students, admitted to the various Colleges/Departments of the University of Delhi under the Orphan Category, met the Hon'ble President of India, Smt. Draupadi Murmu ji on Friday, March 28, 2025. The excursion was jointly organized by the Centre and the Office of Dean, Students' Welfare.

The delegation was led by Shri Anoop Lather, PRO, University of Delhi, and Chairperson Cultural Council, along with Prof. Ranjan Kumar Tripathi, Dean, DSW and Prof. Ravinder Kumar, Director,

CIPS. The team also included Prof. Jyoti Trehan Sharma, Joint Director, CIPS, Prof. Sangeeta Gadre, Joint Dean, DSW, Professor Hena Singh, Joint Dean, DSW, and Dr. Hemant Verma, Joint Dean, Cultural Council along with 28 UG and PG students.

Shri Anoop Lather presented a souvenir to Smt. Droupadi Murmu, Hon'ble President of India. Prof. Ravinder Kumar highlighted the introduction of the orphan category as an empowerment initiative of Prof. Yogesh Singh, the Honourable Vice Chancellor of the University, besides other initiatives. The Honorable President appreciated this initiative taken by the University of Delhi. She also interacted with the students and encouraged them to share their experience of college life. The interaction ended with a group photograph, followed by high tea hosted by Rashtrapati Bhavan.

The team got to see the Amrit Udyan, a guided tour of the President house and an opportunity to visit the Rashtrapati Bhavan Museum. The officials of the Rashtrapati Bhavan very modestly hosted the entire team.

CENTRE FOR INNOVATION IN INFECTIOUS DISEASE RESEARCH, EDUCATION AND TRAINING

Major Activities and Achievements
Centre for Innovation in Infectious Disease Research, Education, and Training (CIIDRET) was established under the ordinance XV-A of the University of Delhi in October 2015. In the eight years since inception, as per its mandate, CIIDRET has carried out path-breaking Innovation-driven translational research in Infectious diseases for improved human health. CIIDRET has been carrying out outreach activities involving interaction with college students of science to inspire them to take up a research career. CIIDRET has organized Public Lectures by international and national scientists, Industry-Academia Interaction through 'Entrepreneurship Guest Public Lecture Series' and Hands-on training courses covering different aspects of Genomics and Proteomics in collaboration with Industry Experts. CIIDRET provides state-of-the-art Proteomic and Genomic services along with expert advice to scientists, and offers consultancy to the Biotech Industry. Professor Vijay Chaudhary was the Founder Director followed by Professor Yogender Singh. Professor Amita Gupta is the current Director of CIIDRET.

Honours/Distinctions **-**
Prof. Amita Gupta appointed Director, Delhi School for Skill Enhancement & Entrepreneurship

Development (DSSEED), Institution of Eminence (IoE), University of Delhi Dr. Vijay Chaudhary appointed Advisor, Delhi School for Skill Enhancement & Entrepreneurship Development (DSSEED), Institution of Eminence (IoE), University of Delhi Prof. Amita Gupta was awarded 2024- Lifetime Achievement Award by the Society for Bacteriophage Research and Therapy.

Extension and Outreach Activities
Provided DNA Sequencing services to scientific community Pan-India.

Faculty Strength
SENIOR PROFESSOR/PROFESSOR/DIRECTOR 2

Research Projects:
Prof. Amita Gupta, CIIDRET, has been sanctioned Rs. 1.6856 crores for a research project entitled "Cellular and humoral immune responses in Nipah virus infection and development of monoclonal antibodies against Nipah virus" as PI. The grant has been provided by ICMR and covers the duration from February 2025 to January 2026.

Conferences Organized

Hands-on Workshop for Students on "Recombinant Protein Expression & Enzyme Linked Immunosorbent Assay (ELISA)" was organised from July 15-20, 2024 at CIIDRET, University of Delhi South Campus.

Hands-on Workshop for Students on "Techniques for Manipulation of Nucleic Acids for Application in Genomics, PCR & Sequencing" was organised from July 8-13, 2024, at CIIDRET.

CENTRE FOR PROFESSIONAL DEVELOPMENT IN HIGHER EDUCATION

Major Activities and Achievements

CPDHE is one of the best MMTTC s in the country and is reputed for its dynamic and interdisciplinary programmes round the year. Thus, it leads an example for other MMTTC s through its innovative practices and has created a niche for itself in the country than any duplication of work. It is very much reflected from the number of applications it receives per course per year. Thus, CPDHE tries to have the most innovative and vibrant courses and practices (as per the feedback of the resource persons and participants). In accordance with UGC Guidelines, the curriculum of every programme is carefully framed keeping Indian educational philosophy and goal of national integration at its core. Aimed at contributing to the overall professional development and intellectual growth of the teachers, these courses in turn also helps in development of students through their teachers' growth. Teacher attending courses here learn about most effective teaching methodology and ways of designing creative curriculum.

CPDHE organised 31 programmes with 3674 participants during the year 2024-25:

19 NEP Orientation & Sensitization Programme (8-Days, 2679 participants),

3 Faculty Induction Programme (4-Week, 239 participants),

5 Refresher Courses (2-Week, 373 participants) and

4 Short Term Courses (1-Week/3-Day/1-Day, 383 participants)

Conferences Organized

NEP Orientation & Sensitization Programme sponsored by UGC from April 15, 2024 to April 25, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from May 7, 2024 to May 16, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from May 20, 2024 to May 30, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from June 4, 2024 to June 13, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from June 18, 2024 to June 27, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from July 2, 2024 to July 11, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from July 16, 2024 to July 26, 2024.

Faculty Induction Programme (FIP-5) sponsored by UGC from July 23, 2024 to August 20, 2024.

Faculty Induction Programme (FIP-6) sponsored by UGC from July 23, 2024 to August 20, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from August 5, 2024 to August 14, 2024.

Refresher Course in Environmental Studies and Ecocentric Development (IDC) sponsored by UGC from August 27, 2024 to September 9, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from September 3, 2024 to September 12, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from September 18, 2024 to September 27, 2024.

Refresher Course in Mathematical Sciences (Mathematics/ Statistics / Operational Research/ Computer Sciences) sponsored by UGC from September 18, 2024 to October 1, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from October 8, 2024 to October 17, 2024.

Refresher Course in Academic Leadership, Governance and Management (IDC) sponsored by UGC from October 15, 2024 to October 28, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from October 21, 2024 to October 30, 2024.

Short Term Programme on Research for Resurgence sponsored by UGC from October 7, 2024 to October 14, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from November 5, 2024 to November 14, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from November 19, 2024 to November 28, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from December 3, 2024 to December 12, 2024.

10 Days National Workshop on Research Methodology organized in collaboration with Maharishi Mahesh Yogi Vedic Vishwavidyalaya, Katni, Madhya Pradesh from December 9, 2024 to December 19, 2024.

NEP Orientation & Sensitization Programme sponsored by UGC from December 17, 2024 to December 27, 2024.

Faculty Induction Programme (FIP-7) sponsored by UGC from December 26, 2024 to January 22, 2025.

NEP Orientation & Sensitization Programme sponsored by UGC from January 6, 2025 to January 15, 2025.

NEP Orientation & Sensitization Programme sponsored by UGC from January 21, 2025 to January 30, 2025.

NEP Orientation & Sensitization Programme sponsored by UGC from February 18, 2025 to February 28, 2025.

Refresher Course in भारतीय दर्शन, अध्यात्म एवं पर्यावरण (IDC) sponsored by UGC from February 21, 2025 to March 7, 2025.

Short Term Programme on पंचकोश, योग एवं अध्यात्म sponsored by UGC from March 11, 2025 – March 18, 2025.

Capacity Building Programme on the Political and Cultural Traditions of Ancient and Medieval India organized in collaboration with India Foundation and Indian Council for Social Science Research from March 17, 2025 to March 29, 2025.

2 Days Seminar on भगवान बुद्ध से सम्राट हर्षवर्द्धन तक - साक्ष्यों के आधार पर ऐतिहासिक कालक्रम organized in collaboration with Indic History Awareness & Research Association (IHARA) from March 18, 2025 to March 19, 2025.

Honours/Distinctions

Awarded "शिक्षारत्न संकृति गौरव सम्मान"by Khushhali Foundation on April 03, 2024.

CENTRE FOR TRIBAL STUDIES

Major Activities and Achievements

National Conference on "Indian Tribes, Constitution, and Governance"

The Constitution, and Governance" on March 25-26, 2025 at the Department of Anthropology. The Inaugural Session was graced by Prof. Debajyoti Choudhury, Dean, Faculty of Science, University of Delhi, as the Chief Guest, and Prof. Nupur Tiwari, Special Director, National Tribal Research Institute, as the Guest of Honour. The keynote address was delivered by Prof. Virginius Xaxa, former Professor at the Delhi School of Economics. The Valedictory Session was graced by Prof. Kishore K. Basa, Chairman, National Monuments Authority of India, as Chief Guest, and Prof. Siva Prasad Rambhatla, former Honorary Professor, CDLTR, University of Hyderabad delivered the Valedictory Address. The sessions were chaired by Prof. S. M. Patnaik, Director, Centre for Tribal Studies and Head, Department of Anthropology. The main objective of the National Conference was to explore the legal, social, and policy dimensions of tribal rights in India. It invited interdisciplinary discussions on the challenges faced by tribal communities and aimed to bridge the gap between constitutional provisions and on-ground realities.

JANJATIYA GAURAV DIVAS 2024

Gaurav Diwas on November 16, 2024 to mark the 150th birth anniversary of Bhagwan Birsa Munda. Hon'ble MP Smt. S. Phangnon Konyak, the first tribal woman from Nagaland elected to the Rajya The Centre for Tribal Studies, University of Delhi, celebrated Janjatiya Sabha, was the chief guest. The event included tribal performances and a skit by students. As a run-up to the main event, essay and painting competitions were held on November 14, 2024 on the theme "Life and Works of Bhagwan Birsa Munda still remains a source of inspiration," with over 200 student participants from across DU.

WINNERS OF ESSAY WRITING COMPETITION:

Pratyashree Das from the Department of Anthropology, DU
Vipraja Rao from the Department of English, DU
Anusha Garg from Lady Shri Ram College
Priya Dwivedi from Miranda House
Salangkrita Sarma from Maitriyi College

WINNERS OF THE PAINTING COMPETITION

David Kamlianmang Simte from Rajdhani College
Saakshi Gurjar from Indraprastha College for Women
Harish Oraon from Ramanujan College
Ashutosh Kisku from Kirori Mal College
Puneet Verma from Hans Raj College
Juvaria Hashmi from Miranda House.

CELEBRATING THE CONSTITUTION DAY: NOVEMBER 26, 2024

Centre for Tribal Studies and Department of Anthropology celebrated 78 years of India's democracy on the occasion of November 26, 2024, which is celebrated as Constitution Day. On this occasion, a panel discussion was organised with the purpose of making the students and other stakeholders aware of the fact that how the edifice of the nation is based on the Constitution of India. International Day of the World's Indigenous Peoples The Centre for Tribal Studies (CTS) at the University of Delhi

organised a remarkable International Day of the World's Indigenous Peoples on August 9, 2024. Held at the Department of Anthropology, the event was a resounding success, showcasing a deep commitment to inclusivity and cultural appreciation. The event was honoured by the presence of Prof. Bijayalakshmi Nanda, Principal of Miranda House as the Guest of Honor, with Professor Sucheta Sen Chaudhuri (Central University of Jharkhand) delivering a thought-provoking keynote address on "Anthropology Indigenous Literature and Beyond." Professor Soumendra M Patnaik, Director of CTS, set the tone with his opening remarks, advocating for a shift from traditional evolutionary approaches to a more inclusive and civilisational perspective in the study of tribal communities. In her address, Professor Bijayalakshmi Nanda emphasised the need for privileged groups to actively promote inclusivity and support marginalised communities in their quest for dignity and respect. Her inspiring words highlighted the crucial role of societal involvement in achieving equitable progress.

INSTITUTIONAL COLLABORATION

The Centre for Tribal Studies, University of Delhi, in collaboration with the Center for Indigenous and Colonial Studies (CEIC), National University of Jujuy, Argentina, organized an international colloquium titled "Indigenous and Tribal Studies: Perspectives from Global South" on September 10, 2024. The event took place at the Department of Anthropology, University of Delhi, and brought together scholars and students to engage in critical conversations surrounding indigenous and tribal perspectives across global southern contexts.

SPECIAL TALK/ LECTURE

A special talk titled "Empowering Tribal Studies: Bringing Academia and Industry with Anthropology Skills" was delivered by Dr. Ritu Gairola Khandura, University of Texas, Arlington on July 31, 2024. The event was held at the Seminar Hall, Department of Anthropology, University of Delhi.

A public lecture titled "Bodily Knowledge of Cultural Practice: Analytical Tools Towards an Embodied Epistemology" was delivered by Prof. Grit Kirstin Koeltzsch, Department of Anthropology, National University of Jujuy, Argentina, on September 13, 2024. CLUSTER INNOVATION CENTRE

Major Activities and Achievements

The Cluster Innovation Centre organised a series of Workshops on the Undergraduate Research and Project-based Learning in the context of National Education Policy 2020 and University of Delhi's Undergraduate Curriculum Framework 2022 for the constituent colleges of the University of Delhi in an offline mode. The following are the details of the same:

Teacher-training program entitled 'Undergraduate Research and Project Based Learning' was organised from January 10-11, 2025 at the Cluster Innovation Centre.

Teacher-training program entitled 'Undergraduate Research and Project-Based Learning' was organised in collaboration with IQAC Bharti College on February 4, 2025.

A capacity-building workshop entitled 'Project-Based Learning' was organised in collaboration with IQAC Kamla Nehru College on March 6, 2025

Teacher-training program entitled 'Undergraduate Research and Project Based Learning' was organised from March 25-26, 2025 at the Cluster Innovation Centre.

The Centre also organised a Capacity-building programme for the Jammu University. Workshop entitled 'Capacity Building in Innovative Pedagogy for Implementation of NEP 2020' was conducted by CIC at Jammu University from January 22-25, 2025

Honours/Distinctions

Sparsh Chauhan, student of MME (II semester), selected for PM-YASASVI (Prime Minister's Young Achievers Scholarship Award Scheme for Vibrant India) scholarship by the Ministry of Social Justice and Empowerment, March 18, 2025.

Raj Vardhan Tomar, student of VIII semester B.Tech. (IT and MI), awarded the 2024 cohort of the Undergraduate Research Internship Program at the Mohamed bin Zayed University of Artificial Intelligence, UAE.

Kritika Verma, student of VIII semester B.Tech. (IT and MI), awarded an international research internship with a fellowship of 6,000 USD at the University of Colorado Anschutz Medical Campus, June 2024 to August 2024.

Extension and Outreach Activities

The Centre also organised a Capacity-building programme for the Jammu University. Workshop entitled 'Capacity Building in Innovative Pedagogy for Implementation of NEP 2020' was conducted by CIC at Jammu University from January 22-25, 2025

MME Semester II students organized mathematical activities in Delhi government schools.

May 24, 2024: Students organized a workshop entitled "Animation vs Maths" at Govt Sarvodaya Vidyalaya, Lancer Road.

May 09, 2024: Students organized a workshop in Govt. Sarvodaya Vidyalaya, Shakti Nagar on the topic "Vedic Mathematics - The Ancient Secrets of Effortless Calculations".

DELHI SCHOOL OF SKILL ENHANCEMENT & ENTREPRENEURSHIP DEVELOPMENT

Major Activities and Achievements

The Delhi School of Skill Enhancement & Entrepreneurship Development (DSSEED) at the University of Delhi was established under Ordinance XX -U of the University as a part of the Institution of Eminence status conferred to the University of Delhi. The DSSEED is mandated to serve as the key platform to promote and foster research and teaching excellence through Skill Enhancement Courses and inculcate Entrepreneurial spirit among all stakeholders again through different courses and inspirational interactions. DSSEED aims to fill the gap in the current knowledge delivery at DU for meeting the immediate and future challenges with ever-evolving programs involving all streams of education with training across faculties including Sciences (Biological, Chemical and Physical, Mathematical and Informatics), Humanities, Social sciences, Commerce and Economics, Finance and Management. DSSEED has introduced 7 Generic Elective courses in Entrepreneurship under UGCF (NEP-2020). The courses are being offered in 12 colleges of University of Delhi.

Honours/Distinctions

Prof. Amita Gupta appointed Director, Delhi School for Skill Enhancement & Entrepreneurship Development (DSSEED), Institution of Eminence (IoE), University of Delhi.

Dr. Vijay Chaudhary appointed Advisor, Delhi School for Skill Enhancement & Entrepreneurship Development (DSSEED), Institution of Eminence (IoE), University of Delhi.

Extension And Outreach Activities

Organized the second one-day orientation workshop "Empowering Educators for Entrepreneurial Excellence - A Step Towards Viksit Bharat 2047" for teachers on March 26, 2025, at Maharishi Karnad Bhawan, University of Delhi.

Organized a workshop on "Teaching Entrepreneurship Essentials" for teachers on September 26, 2024, at Maharishi Karnad Bhawan, University of Delhi.

Organized a one-day orientation workshop "Empowering Educators for Entrepreneurial Excellence - A Step Towards Viksit Bharat 2047" for teachers on August 6, 2024, at Maharishi Karnad Bhawan, North Campus, University of Delhi.

The GE courses in Entrepreneurship under UGCF-NEP2020 offered by DSSEED are currently running in 12 colleges of University of Delhi.

DSSEED has drafted the syllabus for ENTREPRENEURSHIP TRACK (7th & 8th Semester of UGCF) and the same has been approved by the Academic Council and Executive Council for implementation.

DELHI SCHOOL OF JOURNALISM

Major Activities and Achievements

The students of Delhi School of Journalism won a total of 65 awards across various disciplines in the academic year 2024-25.

The Debate Society secured 35 awards, including wins at St. Stephen's, SRCC and the Mewar University.

Students won 10 awards in poetry, content writing, and podcast-making.

Photography and video editing entries earned 10 awards.

Five awards were won in filmmaking for direction, editing, and storytelling.

The quiz team achieved 5 major wins.

The Swami Vivekananda Memorial National Debate was held at Vice Regal Lodge, University of Delhi with the theme "One Nation, One Election" and participation from 35 institutions.

Drishtant – Frame by Frame Film Festival showcased award-winning student documentaries, fiction and experimental films and was graced by the presence of esteemed filmmakers.

Swaraj Utsav was held on the birth anniversary of Chhatrapati Shivaji Maharaj highlighting his statesmanship, perseverance and valour.

At DU's Madaari Festival, DSJ performed Aadambar, a street play on sexual assault survivorship.

Students with Distinctions

Anshika Shukla, student of FYIPJ (1st Year), was the Winner (Best Recitation) in Vasantoutsav, February 3, 2025.

Mayank Shekhar, student of FYIPJ (4th Year), was the Winner of Kavyanchal, March 20, 2025.

Kanishka Jha, student of FYIPJ (1st Year), was the Runner Up of Kavyanchal, March 20, 2025.

Megha Joshi, student of FYIPJ (1st Year), was the Second Runner Up of Kavyanchal, March 20, 2025.

Pragya, student of FYIPJ (1st Year), received a Special Mention in Kavyanchal, March 20, 2025.

Kalilou Coulibaly, student of FYIPJ (2nd Year), received a Special Mention in Kavyanchal, March 20, 2025.

Ankit Kumar, student of FYIPJ (2nd Year), was the Winner in multiple poetry and slam competitions across Delhi University colleges.

Misbah Mohsin, student of FYIPJ (2nd Year), was the Winner, Content Writing Competition, at Dr. Akhilesh Das Gupta Institute of Professional Studies.

Kartikey Diwakar, student of FYIPJ (2nd Year), was the Winner, Podcast Making Competition, Kamla Nehru College.

Deepanshu Jha, student of FYIPJ (3rd Year), was the Best Team, Conventional Debate, Jaypee Institute of Information Technology.

Harsh Prakash Jha, student of FYIPJ (2nd Year), was the Best Speaker, Conventional Debate, Kamla Nehru College.

Yash Vardhan Singh, student of FYIPJ (2nd Year), was the Second-Best Speaker, Speech Competition, Satyawati College.

Harshit Bhatia, student of FYIPJ (3rd Year), was the Best Speaker, Arun Jaitley Memorial Debate, Shri Ram College of Commerce.

Siddhi Khurana, student of FYIPJ (1st Year), received High Commendation at Viksit Bharat MUN, Ramjas College.

Jayant Kumar, student of FYIPJ (3rd Year), was the Winner of Heads Up, April 3, 2025.

Sneh Rishav, student of FYIPJ (3rd Year), was the Winner of ParyaGyaan – The Eco Quiz, February 27, 2025.

Md. Shafiul Islam Mahin, student of FYIPJ (Year not specified), was the Winner, Photography Competition, Annual Flower Show.

Anshika Mishra, student of FYIPJ (1st Year), was the Winner, Videography Competition, Kirorimal College.

Shruti, student of FYIPJ (1st Year), was the Winner of DSJ's Got Latent, October 4, 2024.

Vivek Chib, student of FYIPJ (2nd Year), was the Winner of Campus-wood, April 4, 2025.

Mishti Lohare, student of FYIPJ (1st Year), was the Winner, Article Writing Competition, World Cancer Day, February 4, 2025.

Tanishka Panwar, student of FYIPJ (Year not specified), was the Winner of Rang Utsav – Holi Short Video Competition, March 21, 2025.

Krrish, student of FYIPJ (Year not specified), was the Winner of Immagini Incredibili, January 29, 2025.

Ishita, student of FYIPJ (1st Year), was the Runner Up of Immagini Incredibili, January 29, 2025.

Devika, student of FYIPJ (Year not specified), was the Winner of Freeze the Beat as Team "Senko".

Megha, student of FYIPJ (1st Year), was the Winner of Freeze the Beat as Team "Senko".

Ritika Rawat, student of FYIPJ (Year not specified), was part of the team "The Beat Brigade" which was among the winners of Freeze the Beat

Placements

Devanshi Verma, student of FYIPJ – Master's Programme (Final Year), selected as Reporter, Informist Media Pvt. Ltd., May 2025

Nripendra Kumar Maurya, student of FYIPJ – Master's Programme (Final Year), selected as Trainee Reporter, News Nation Network Pvt. Ltd., May 2025

Avirup Mazumder, student of FYIPJ – Master's Programme (Final Year), selected as Research Executive, Zee Studios Ltd. (for Zee TV program), May 2025

Harshul Bhatia, student of FYIPJ – Master's Programme (Final Year), selected as Research Executive, Zee Studios Ltd. (for Zee TV program), May 2025

Shubham Gupta, student of FYIPJ – Master's Programme (Final Year), selected as Research Executive, Zee Studios Ltd. (for Zee TV program), May 2025

Sneha Jingala, student of FYIPJ – Master's Programme (Final Year), selected as Intern (Gadgets 360 Team), NDTV, May 2025

Rishabh, student of FYIPJ – Master's Programme (Final Year), selected as Junior Producer, Bajarbattu Content Vibes Pvt. Ltd., May 2025

Rakesh Kumar Jha, student of FYIPJ – Master's Programme (Final Year), selected as Junior Producer, Bajarbattu Content Vibes Pvt. Ltd., May 2025

Krishan Kant, student of FYIPJ – Master's Programme (Final Year), selected as Junior Producer, Bajarbattu Content Vibes Pvt. Ltd., May 2025

Pranjal Roy, student of FYIPJ – Master's Programme (Final Year), selected as Trainee Reporter, Amar Ujala Ltd., May 2025

Seminars Organized

Shri Vilas Tawde, Advisor, Oil & Gas Professional - Unconventional, delivered a seminar/talk on "Chhatrapati Shivaji Maharaj: The Management Guru" on March 5, 2025.

Dr. Tilak Jha, Associate Professor of Journalism, Bennett University, delivered a seminar/talk on Media Literacy (FactShala Workshop) on March 19, 2025.

Dr. Saurabh Ranjan, Secretary, Pyramid Meditation Channel Hindi, and Ms. Alka Singh, Assistant Professor, Janki Devi Memorial College, University of Delhi, delivered a seminar/talk on "Stress-Free Success through Yoga and Meditation" on March 26, 2025.

Garima Sharma Nijhawan, Founder, Oathenticity, delivered a seminar/talk on "How to Be Industry Ready and Land Your Dream Job?" on April 7, 2025.

Seminars Organized

Summer Undergraduate Research Program (SURP) was organised from 12 June- 12 July, 2024

Prof. Anurag Agrawal, Dean Biosciences and Health Research, Ashoka University, delivered a talk on Digital Transformation for Health: AI and beyond on 12 June, 2024.

Prof. M. M. Chaturvedi, Retired Professor, University of Delhi, delivered a talk on Energetics, metabolism, and epigenetic regulation of gene expression, 24 June, 2024.

Prof. Ritu Gaur, Dean (R& D), South Asian University, delivered a talk on The invisible world of viruses on 1 July, 2024.

Prof. Anand Ranganathan, JN University, delivered a talk on Inhibiting Protein-protein interactions to block pathogenic invasions on 8 July, 2024.

Prof. Pawan Malhotra, ICGEB, delivered a talk on Drug targets in *Plasmodium* and development of new anti-malarials on 15 July, 2024.

Prof. T. P. Singh, SERB Distinguished Fellow, AIIMS, delivered a talk on Empowering and Exploiting the Innate Immunity Proteins to Fight Fiercely Against Invading Microbes on 19 July, 2024.

Event: One day hands-on animal handling workshop 18 June, 2024

Prof. Harmeet Singh Rehan, Director & Head, Department of Pharmacology, LHMC, and Dr. Surendra Singh, Veterinary Officer, NII, delivered talks on principles of animal welfare, ethics, record keeping, reporting requirements, and animal handling, etc.

Students under Exchange Program (Inbound/Outbound)

Under the MoU between George Washington University, Columbia, USA**,** and the University of Delhi**,** one undergraduate student from George Washington University is visiting DU from September 2, 2024 to September 1, 2025**.** The exchange was coordinated by Prof. Neera Agnimitra and Prof. Sunit K. Singh (Mentor) and focuses on 'Exploring an empowerment-based healthcare model for family planning delivery'. Student participated in field visits to Pune and AIIMS, New Delhi, for her project.

Students under Exchange Program (Inbound/Outbound) – 1

Extension and Outreach Activities

Critical Language Enhancement Award (CLEA/Fullbright-Nehru Grant) from United States-India Educational Foundations (USIEF) to Ms. Sezin Sakmar from George Washington University, District of Columbia, USA under the mentorship of Prof. Sunit K. Singh, Director, DSPH.

Other Significant Information

DSPH has six MKPDF working in various Departments of the University. They have published 6 publications in internationally reputed Scopus-indexed journals and also presented 10 papers (Oral/poster) in conferences/symposia.

DELHI SCHOOL OF PUBLIC POLICY AND GOVERNANCE

Major Activities and Achievements

DSPPG has conducted the training and development programme of the IES officers at the DSPPG, IoE, DU. DSPPG, in collaboration with the Legal Aid Society, organized a Certificate Course on Alternative Dispute Resolution (ADR) from February 10-14, 2025 at IoE, Maharishi Kanad Bhawan. This initiative was undertaken as part of the University's commitment to extending academic knowledge to broader segments of society and fostering public engagement through professional skill development. The course was designed to introduce participants to ADR mechanisms such as mediation, arbitration, and negotiation. The sessions were conducted by eminent industry experts, ensuring practical insight into the evolving landscape of dispute resolution. This five-day programme provided a platform for students, young professionals, and legal aspirants to gain hands-on understanding of ADR processes, thereby complementing their formal education. The course also addressed the growing need for alternative mechanisms to resolve disputes outside the traditional courtroom setup, aligning with the objectives of access to justice and legal empowerment. With a strong focus on capacity building, legal awareness, and outreach, the course encouraged interdisciplinary engagement and promoted the application of ADR in diverse fields such as commercial disputes, family law, and public policy.

Honours/Distinctions

Prof. Ram Singh (Director-DSPPG):

Visiting Research Professor, Institute of Law and Economics, Hamburg University, Germany (2024)

Member, Monetary Policy Committee, Reserve Bank of India

Was awarded Bharat Shiksha Samman, 2025

Member, Indian Council for Social Science Research (ICSSR), Ministry of Education, Government of India

Prof. Amit Kumar Singh (Joint Director-DSPPG)

Appointed Chairman of Governing Body, Rajdhani College, University of Delhi (commencing March 2025).

Chairman of VKRV Rao Hostel, University of Delhi.

Nodal Officer from the University of Delhi for SEBI's Financial Awareness Programme.

Member of the UG Board of Studies in Banking Technology in the Pondicherry University.

Member of the Board of Studies in JIIT- Noida (Humanities and Social Sciences). Member of the Governing Body of Hansraj College, University of Delhi.

Honoured and felicitated by the Vice Chancellor, Prof. Yogesh Singh, for work done in Internal Complaints Committee.

Member of the Board of Studies of Central University of Haryana, Haryana as a subject expert for three academic sessions (2023-2026).

DR. B. R. AMBEDKAR CENTER FOR BIOMEDICAL RESEARCH

Major Activities and Achievements

ACBR at DU was instituted in 1991 and became fully operational in 1998. The center is unique of its kind in imparting quality education and research(E&R) in BMS. The course curricula of M.Sc BMS facilitate the students at ACBR to gain practical based learning in diverse subjects at the chemistry-human biology-disease biology interface . ACBR is engaged in research on diseases of national importance employing the state of the art technology. Twelve faculty-members at ACBR have research expertise in key areas like Atherosclerosis, Epilepsy, Ischemia, Hypoxia, Alzheimers, Parkinsons, Tuberculosis, Malaria, Fungal and Viral diseases.

Some of the current areas of interest include the mechanism/s of disease progression at cellular and organ system level related to the pathogenesis, diagnosis, prognosis and therapeutics of these diseases. The faculty also works in areas of drug discovery and therapeutics through expertise in bioinformatics, cheminformatics, organic drug synthesis and natural product chemistry.

The expertise of faculty in diverse areas give an academically enriched environment for the budding research scientists/ Ph.D students through intradepartmental interdisciplinary interactions as well as productive collaborations with national and international institutes. The quality education and research is demonstrated through the high number of publications, citations and patents from ACBR.

Students with Distinctions

Mr. Ozasvi Shanker, Student of PhD (Biomedical Sciences), win Best Basic science poster Tadokoro award at 15th Asian & Oceanian Epilepsy Congress February 20-23, 2025 New Delhi, India.

Mr. Pulkit Soni, Student of PhD (Biomedical Sciences), win the Best poster award at ISAR DCCON 2024 at Hindu Rao Hospital & North Delhi Municipal Corporation Medical College & Delhi-110007 (MCD) for “Harnessing TGF-β and PDGF Signaling to Drive MSC Differentiation into Vascular Smooth Muscle Cells: A Novel Approach for Cardiovascular Regeneration”

Ms. Sarika Bano, Student of PhD (Biomedical Sciences), win the “Best oral presentation award” from the Internation Conference 2024, organized by the Jamia Millia Islamia, on October 2024, Delhi, India (2024).

Ms. Sarika Bano, Student of PhD (Biomedical Sciences), win the “Best poster award” from the Biophysika National Conference 2024, organized by the Jamia Millia Islamia, on 28th February 2024, Delhi, India (2024).

Research Projects

Prof. K. Natarajan, ACBR, project has been sanctioned an amount of ₹ 37,40,000/- for a research project entitled, ‘Deciphering the role of potassium ion channels during mycobacterial infection’ as PI. The

grant has been provided by Department of Biotechnology, Ministry of Science and Technology, Government of India. and covers the duration from July 2024 till July 2027.

Prof. Manisha Tiwari, ACBR, project has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Investigating the Anti-Cancer Activity of Curcuma caesia Extract in Cervical Adenocarcinoma HeLa and SiHa Cell Lines' as PI. The grant has been provided IoE Grant from University of Delhi. and covers the duration from 2024(One Year).

Dr. Aparna Dixit, ACBR, project has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Pharmacological intervention of protein tyrosine kinase Pyk2 in Temporal Lobe Epilepsy rat model to evaluate its role in seizure susceptibility and synaptic plasticity' as PI. The grant has been provided IoE Grant from University of Delhi. and covers the duration from 2024(One Year).

Dr. Sanjay Kumar Dey, ACBR, project has been sanctioned an amount of ₹ 52,80,000/- for a research project entitled, 'Mechanistic investigation of human receptors to decipher their roles in hypertension and atherosclerosis associated cardiovascular disorders for therapeutic intervention (CRG/2023/007380)' as PI. The grant has been provided by SERB, ANRF. and covers the duration from 2024-27(Three Years).

Dr. Sanjay Kumar Dey, ACBR, project has been sanctioned an amount of ₹ 6,00,000/- for a research project entitled, 'Investigation of human ORX to decipher its role in breast cancer for therapeutic application' as PI. The grant has been provided IoE Grant from University of Delhi. and covers the duration from 2024(One Year).

Seminars Organized

Seminar Series under SURP-2024 from June 01 – July 15, 2024

12th Workshop on Bioinformatics and Drug Design: Artificial Intelligence and Machine Learning-Based Methods (BIF-DD-2024), December 18-20, 2024

National/International MOUs Signed

MoU between Sri Ganga Ram Hospital, New Delhi and Dr. B.R. Ambedkar Center for Biomedical Research, University of Delhi was signed on March 04, 2025.

The MoU will facilitate collaborations in research and research guidance, organizing conferences and seminars and writing joint projects and publications.

Honours/Distinctions

Prof. Sunit K. Singh Received PHSS Foundation Award for Science Communication, 2024

Faculty Strength

Senior Professor/Professor/Director	8
ASSISTANT PROFESSOR	4
GUEST	2

Degree Awarded

Number of Ph.D. Degree Awarded	14

₹ FUNDS UTILIZED (Crores)	20064591

₹ FUNDS ALLOCATED (Crores) 21795142

Other Significant Information

Selected 24 students from various university throughout India, SURP-2024.

***

INSTITUTE OF CYBER SECURITY AND LAW

Major Activities and Achievements

Post Graduate Diploma in Cyber Security and Law (PGDCSL) started its first batch from the Academic Session 2018-19 under the aegis of Institute of Cyber Security and Law (ICSL) University of Delhi with Shaheed Sukhdev College of Business Studies. This is a Self- financing course wherein the faculty is delivery of the course is through Industry as per the GFR and Guidelines for Information Technology projects. The 2024-25 batch enrolled 34 students.

Students with Distinctions

Harshit Kumar, student of PGDCSL (2024-25) selected for Hacktify Internship, Working (Research on the topic Social Media Cyberbullying and Cyber Threats)

Ankit Kumar, student of PGDCSL (2024-25) selected for comptia security +701 certification

Nitin Yadav, student of PGDCSL (2024-25) selected for Hacktify cybersecurity internship (penetration tester)

Priyanshu Yadav, student of PGDCSL (2024-25) selected for Hacktify cybersecurity internship (penetration testing)

Keshav Kumar, student of PGDCSL (2024-25) selected for Hacktify cybersecurity internship (penetration testing), ISO27001 certification

Neha Kriplani, student of PGDCSL (2024-25) selected for Hacktify cybersecurity (penetration testing)

Sanchit Ganwar, student of PGDCSL (2024-25) selected for Hacktify cybersecurity internship (penetration testing)

Drishti Raheja, student of PGDCSL (2024-25) selected for Hacktify cybersecurity internship (penetration testing)

Abakar Ousmane, student of PGDCSL (2024-25) selected for Hacktify cybersecurity internship (penetration testing)

Tisha Khanijo, student of PGDCSL (2024-25) selected for Tensecure Cybersecurity Onsite Internship

Vivek Srivastava, student of PGDCSL (2024-25) selected for Hacktify Cybersecurity Internship/Tensecure Cybersecurity Onsite Internship

Sanjay singh, student of PGDCSL (2024-25) Featured on Times Square Billboard,

Featured on topmate.io landing page under General Cybersecurity & Ethical Hacking, Hacktify Cybersecurity internship (Penetration Tester)

Seminars Organized

Col. Rajesh Shivgovind Dubey, CEH and Forensic investigator, delivered a seminar/talk on 'Vulnerability Assessment and Penetration Testing (VAPT)' on January 11, 2025.

Talha Parker, consultant at Havish M Consulting, delivered a seminar/talk on 'Real-World Applications of Machine Learning & AI in Industry' on March 4, 2025.

Other Collaborations

Collaboration with EC-Council from January 2025 for discounts on the Certified Ethical Hacking certification examination and other similar examination.

Honours/Distinctions

First Course to run in Academia-Industry partnership under Delhi University Banner

Number and Percentage of Students Placed 34,100%

EXTENSION AND OUTREACH ACTIVITIES

Seminars and workshops organized for students

Faculty Strength	Industry professionals are teaching the course
₹ FUNDS UTILIZED (Crores)	Self-Financed
₹ FUNDS ALLOCATED (Crores)	Self-Financed

INSTITUTE OF INFORMATICS AND COMMUNICATION

Major Activities and Achievements

The Institute has been instrumental in setting up & development of the ERP SAMARTH. The platform addresses key institutional needs, including admissions, academic management, examination workflows, human resources, financial systems, and more — all through a unified digital framework. SAMARTH also supports the implementation of the National Education Policy (NEP) 2020 by fostering transparency, data-driven governance, and seamless information flow across departments.

Key Objectives of SAMARTH:

Provide a centralized digital ecosystem for HEIs.

Enhance institutional efficiency, transparency, and accountability.

Integrate academic and administrative workflows for improved service delivery.

Promote evidence-based decision-making and policy implementation.

Strengthen digital infrastructure in alignment with NEP 2020.

INSTITUTE OF LIFELONG LEARNING

Major Activities and Achievements

The Academic Writing Program (In English and Hindi both)

Competence Enhancement Scheme - the admissions under the CES 2023-24 has completed successfully and 2024-25 is continuing presently

Kamala Nehru College, University of Delhi and Institute of Lifelong Learning, University of Delhi are conducting a Faculty Development Programme (FDP) on "Techniques in Research Methodology, Systematic Literature Review, and Bibliometric Analysis" in January 13-17, 2025 at Kamala Nehru College, DU.

Department of Commerce, Kirori Mal College, University of Delhi in collaboration with Institute of Lifelong Learning presents Essential Skills for Students in VIKSIT BHARAT 2047: Empowering Future Visionaries on March 7-8, 2025.

The Department of Social Work, University of Delhi, in collaboration with the Institute of Lifelong Learning (ILLL), University of Delhi, and the Department of Social Work, Northern Michigan University, USA, is organizing a short-term training program on "Social Audit as a Tool of Social Work Practice"

Research Projects

ICSSR Project: sanctioned an amount of Rs. 1400000/- , Project titled: Understanding the Law, Life world and Marginality of Religious Converts in Southern States of India. PI: Prof. Sanjoy Roy, Director,

ILLL, DU, Co-PI: Dr. Sanjeer Kumar, Assistant Professor, SPM College, Fellow, ILLL, University of Delhi & Director, SHD Research Foundation, Duration: 2024-26.

Seminars Organized

FDP: Kamala Nehru College, University of Delhi and Institute of Lifelong Learning (Prof. Sanjoy Roy, Director), University of Delhi are conducting a Faculty Development Programme (FDP) on "Techniques in Research Methodology, Systematic Literature Review, and Bibliometric Analysis" in January 2025 from 13th to 17th at Kamala Nehru College, DU.

Organizing Awareness-cum-Training Workshop on 'Competence Enhancement Scheme (CES) and Research Method Training' on January 21, 2025 (ILLL & SHD Research Foundation) by Prof. Sanjoy Roy, Director, ILLL.

Online Workshop: Shaivaite Meditation: Research Scope on March 02, 2025 (ILLL & SHD Research Foundation).

Workshop: Department of Commerce, Kirori Mal College, University of Delhi in collaboration with Institute of Lifelong Learning (Prof. Sanjoy Roy, Director) presents Essential Skills for Students in VIKSIT BHARAT 2047: Empowering Future Visionaries on March 7-8, 2025.

PAHAL, Multipurpose Social Service Organisation in collaboration with SHD Research Foundation & Institute of Lifelong Learning (Prof. Sanjoy Roy, Director), University of Delhi, Celebrating Womanhood: Honoring Achievers, April, 2025.

(9)Conferences Organized (Arranged chronologically from April 1, 2024, to March 31, 2025)

Faculty Strength
Senior Professor/Professor/Director
Prof. Sanjoy Roy, Director, ILLL
Prof. Yukti Sharma, Jt. Director, ILLL

Associate Professor
Academic Fellows:
Prof. Ishwar Singh, Hansraj College,
Prof. Mukesh Agarwal, Maharaja Agrasen College,
Dr. Minakshi Lahkar, Ramanujan College,

Assistant Professor
Academic Fellow: Dr. Sanjeev Kumar, SPM College, Delhi University

₹ FUNDS UTILIZED (Crores) 10.5 Lakhs(approx.)
₹ FUNDS ALLOCATED (Crores) 20 Lakhs (UDF)

Other Significant Information

The Competence Enhancement Scheme (CES) is a pet project of Prof. Yogesh Singh, Vice Chancellor, University of Delhi. The Competence Enhancement Scheme conducts by ILLL and its aims to achieve various outcomes, including: enhancing entrepreneurs' businesses through new skills and technology, improving managerial skills of middle-level personnel, providing opportunities for higher education to those who couldn't pursue it earlier, enhancing senior citizens' knowledge and skills, up skilling traditional artisans and workers through modern technology, building confidence and purpose among

students, utilizing university resources effectively, increasing student mobility, and enabling society to adapt to evolving business and work needs. The scheme aims to promote lifelong learning, skill development, and social mobility, leading to personal and professional growth, and contributing to the betterment of society. In this scheme, 180 registrations in the session 23-24.

Presently, work is in progress under CES 2024-25 for the next session (Semester II, IV, VI for colleges & departments).

***

INTER-DISCIPLINARY CENTRE FOR PLANT GENOMICS

Major Activities and Achievements

In the past year, the Interdisciplinary Centre for Plant Genomics (ICPG) has made significant research contributions across diverse domains of functional genomics and plant biology. Within plant systems, the functional characterization of Mediator subunits and general transcription factors has revealed their central roles in development and stress response. The identification of rice OsMED14_2 and OsTFIIB5 as key regulators in hormonal signalling and seed quality underscores this direction. Advances were also made in dissecting stress-responsive pathways, such as the role of A20/AN1 proteins in ABA-mediated water-deficit tolerance, and the identification of universal stress proteins and cytokinin oxidases involved in abiotic stress mitigation.

In collaboration with groups in other institutions, the researchers contributed towards establishing that the allelic variations in a MATE transporter were linked to domestication-associated seed colour changes in chickpea. Additionally, T-DNA mutants defective in tRNA methylation were shown to exhibit altered translational landscapes and reduced stress resilience. A dedicated effort led to the creation of a comprehensive protein–protein interaction database for the Mediator complex, offering valuable insights into transcriptional regulation across eukaryotes.

Parallel investigations have deepened our understanding of the genetic architecture of amyotrophic lateral sclerosis (ALS), elucidating key overlaps between sporadic and C9orf72-related forms.

UNIVERSITY SCIENCE INSTRUMENTATION CENTRE

Major Activities and Achievements

A centralized facility with sophisticated analytical instruments is maintained by the University Science Instrumentation Center (USIC) for all researchers and faculty members of science departments and constituent colleges of the University of Delhi. The USIC is in-campus research facility center established by University of Delhi to impart state of the art sophisticated scientific instruments to facilitate high quality research work in the emerging areas of physical and life sciences. The University departments under Faculty of Science actively involved in conducting research in various disciplines, in addition to teaching. In order to carry out the experimental research work, the researchers need various scientific sophisticated analytical instrument facilities. These facilities are mainly supported by the USIC to various departments, centers and colleges. This is reflected by the huge number of research publications appearing consistently in journals of international repute over the years. In addition to internal users, currently the facility is extended to outside users (academic and industry) on payment basis. In addition to providing access to modern research facilities, the center also extends the mentorship through training and workshops for researchers.

Extension and Outreach Activities

Training programs
Laboratory Staff Training Program July 8 -12, 2024
Laboratory Staff Training Program July 22 - 26, 2024
Laboratory Staff Training Program August 5 -9, 2024
Laboratory Staff Training Program August 27 -30, 2024
Workshop/Training Program
Two days hands on training Workshop on Thermal Analysis (TGA/DSC/ITC) for PhD students November 11 -12, 2024
Two days hands on training Workshop on Single Crystal X-Ray Diffraction and Structural Analysis for PhD students December 5 -6, 2024

₹ Funds Utilized (Crores)	Rs. 88,00,000/-
₹ Funds Allocated (Crores)	Rs. 92,60,000/-

Other Significant Information

WOMEN'S STUDIES AND DEVELOPMENT CENTRE FOR ADVANCES STUDIES

Major Activities and Achievements

July 16,2024: Dr. Nupur Gosain, HRF, WSDC, DU attended Multi-stakeholder Consultation (roundtable) Workshop on "Gender Equality and Social Inclusion Law and Policy Reforms in India" at Maple Room, India Habitat Centre (IHC), Lodhi Road, New Delhi - 110003. organised by The Asian Development Bank (ADB) South Asia Department (SARD) between 09:30 A.M. to 2:00 P.M. through the mail invited from Ankitha Rao, Consultant │ Human and Social Services, Government & Public Services (G&PS), KPMG in India, +91 7249354148 | ankitharao@kpmg.com

September 29, 2024: Women's Studies and Development Centre, DU in collaboration with High Commission of Malta, New Delhi organised a lecture on 'Understanding Gender and Identity: Literary Landscapes of Bharat and West' and a book reading session of Marta Marta' by Maltese Author Ms. Loranne Vella, Speaker: Prof. Vasiraju Rajyalakshmi, HRF, WSDC, DU held on 26-09-2024 at 03:00 p.m. to 06:00 p.m. at the Conference Room of the Centre. Total 125 male and female faculty, researchers and student attended the lecture. A Certificate award given to all participants for attending the event.

December 01, 2024: Women's Studies and Development Centre, DU organised an in-house open Discussion on "Bal Vivah Mukt Bharat" held in the Conference Room at the Centre from 10:00 am onwards by Prof. Payal Mago, Director, WSDC, DU. All Honorary Research Fellow (HRF) of the Centre participated in the discussion. All students, research scholars, and staff attended the discussion.

December 06, 2024: Women's Studies and Development Centre, DU organised an event lecture on the topic "Understanding Sexual Harassment at Workplace" under the regulation act 2013 and 2015 with the guidelines of the UGC circular dt. November 22, 2024 from 10:00 am onwards at the Conference Room, WSDC, DU by Prof. Payal Mago, Director, WSDC, DU with the Honorary Research Fellows (HRF) presented the lecture on the topic. All students, research scholars, and staff attended the event.

December 19, 2024: Women's Studies and Development Centre, DU organised a Discussion programme on the topic "Skill Development Courses" from 10:00 am onwards by Prof. Payal Mago, Director, WSDC, DU with the Honorary Research Fellows (HRF) participated in the event discussion. All students, research scholars, and staff attended the discussion programme.

March 07, 2025: Women's Studies and Development Centre (WSDC) in collaboration with Campus of Open Learning (SOL), SHoDH, Delhi and Dialogues for Viksit Bharat by 2047 in lieu of International Women's Day (IWD) organised A Discussion on "Women's Leadership in Shaping Viksit Bharat

2047". On the occasion Prof. Rina Chakarabarti was the Chief Guest, Ms. Rami Niranjan Desai, Author and Columnist, Prof. Amita Gupta, Head Deptt. of Biochemistry, University of Delhi Prof. Payal Mago, Director, WSDC and Director, COL, University of Delhi and Prof. Suman Sharma, Joint Director of WSDC presented lecture on the topic. Dr. Nupur Gosai, HRF, WSDC and Dr. Alok Kumar Singh, HRF WSDC, DU represented & hosted the guests of the event. Around 130 female and male faculties, students, researchers, and non-teaching staff participated the event.

Honours/Distinctions of The Teaching And Non-Teaching Staff

The Centre's Advanced Course is popular with the cross section of students belonging to different departments. This Centre provides a unique interdisciplinary space and interaction to the students.

Other Inter-Institutional Collaborations

The Centre has collaborated with the Woman's Development Cells and Sensitisation Units of various Colleges in the University of Delhi in order to institute the WSDC Forum.

Extension and Outreach Activities

WSDC draws students from various constituent colleges, departments and Faculties of University of Delhi and other State and Central Universities across India. Students drawn from University of Delhi offer the centre with a cross-section of participants across different regions, nationality, ethnicity, promoting inclusive and holistic learning irrespective of gender, caste and identity. Post graduate and Research Students across diverse disciplines in Natural Science, Mathematics, Commerce, Humanities and Social Science Management participate in the courses offered by WSDC. They bring with them learning and perspectives from their fields that blends with the interdisciplinary approach offered by the centre and women's studies as a field. The staff and faculty at WSDC have a harmonious blend of cultural and regional variation. Bilingualism (Both English and Hindi) as a mode of communication and discourse for teaching and research is promoted and followed.

Faculty Strength

Prof. Payal Mago, Director, WSDC, DU
Prof. Suman Sharma, Joint Director, WSDC, DU (Joined on March 03, 2025)

****

COLLEGES

ACHARYA NARENDRA DEV COLLEGE

Major Activities and Achievements

Acharya Narendra Dev College (ANDC) has been accredited with A + Grade with a score of 3.29 by NAAC, the college holds the 18th position in NIRF. ANDC organized three international conferences, five faculty development programs, and several workshops/seminars. One of the college's faculty was honoured with the prestigious Padma Shri Award. Faculty members are also actively engaged in collaborative research with international partners. The college was recognized with Best Exhibitor Award at Annual International Conference-cum-Exhibition "Skills, Start-Ups and Entrepreneurship" and has been sanctioned a Start-up India Project. Research projects, with over ₹4.58 crore are currently running in the college. This year, four students completed their Ph.D., and four more submitted their theses. Currently, the college hosts 43 Ph.D. scholars and one postdoctoral fellow. The faculty has produced 145 publications in reputed international journals, along with numerous books and conference proceedings. Undergraduates benefit from strong research mentorship, including guidance from PMRF from IIT Delhi, Jamia Millia Islamia, and University of Delhi through summer research projects and

workshops. SPIE Student Chapter of at ANDC is the proud First Runner up of SPIE Presidential Award 2024 across the world.

Honours/Distinctions of the Teaching and Non-teaching Staff

Dr Satyapal was awarded Padma Shri 2025 for being a renowned para-athletics coach. His trained players have won many Paralympic medals, World Championship Medals, Asian Medals and Arjuna Awards.

Prof. Sarita Kumar is member of the Scientific Advisory Committee (SAC) of ICMR-RMRC-NE, Dibrugarh, Assam for reviewing ongoing scientific endeavours and new project proposals and is collaborator in two international research projects guided by Department of Parasitology, Faculty of Medicine, University of Indonesia, Indonesia

Dr Sunita Jetly received an appreciation certificate for serving as the University Coordinator for Thalassemia Awareness and Screening Camps by the State Blood Cell under the National Health Mission and Maulana Azad Medical College (MAMC) on June 14, 2024.

Prof. Urmi Bajpai was chair of session on “Role of Industries, Start-ups in Developing Novel Interventions to Tackle AMR” at the National Conference on Antimicrobial Resistance (AMR): Research Priorities & Action Plan, organized by Research and Development Cell (RDC) Swami Rama Himalayan University, Dehradun, Uttarakhand on April 06, 2024.

Prof. Sandeep Kumar Goel and Dr. Jitender Goel received Best Paper Award on AI-Powered Business Transformation: Shaping the future of Management Practices for Viksit Bharat 2047" in National Conference on "Viksit Bharat 2047: Reimagining Management and Business Practices in the Age of Artificial Intelligence" organized by Maitreyi College, University of Delhi during March 20 - 21, 2025.

Dr. Shalu Mahajan was awarded Best Paper Award for paper entitled- Indian Urban Local bodies preparedness of debt servicing of Municipal bonds: An EBIDA Approach in the 12th ICBM, 2025 conference Sustainable Business Transformation: Driving Innovation & Impact through technology, organised by Department of commerce, Shaheed Bhagat Singh College in collaboration with Delhi School of Economics, University of Delhi during February 18-19, 2025.

Prof. Seema Gupta participated as an observer in the 56th International Chemistry Olympiad held in Riyadh, Saudi Arabia, July 21-30, 2024.Three students Hridya Warrier, Nidhi Singh and Rishika of B.Sc.(H) Chemistry, under the mentorship of Prof. Neeti Misra won first prize in the poster presentation at International Conference on Chemical, Biological and Environmental Sciences,2025 (IUPAC-ICCBES, 2025) organized by Miranda House, University of Delhi on February 11-12 , 2025.

Aradhy Srivastava and Muskan Saini of B.Sc. Life Sciences, III year under the mentorship of Prof. Seema Gupta and Prof. Pooja Bhagat won first prize in the oral presentation at the National Conference on ‘Skill Enhancement: A Roadmap of ‘Atmanirbhar Bharat’ organized by Gargi College, University of Delhi on November 12-13, 2024.

Prof. Pankaj Khanna is a Member of the Board of Studies of the Faculty of Applied Sciences, Indira Gandhi Delhi Technical University for Women (IGDTUW) for two years from October 2024.

Students with Distinctions

Chetna Panchal, student of B.Sc. Physical Sciences (III Year), was the 1st position holder in University of Delhi, 2020-2023.

Abdul Hannan Mallik, student of B.Sc. (H) Electronics (I Year), was the 1st position holder in the University of Delhi and in University of Delhi South Campus, 2023-2024.

Shimukh Yadav, student of B.Sc. (H) Electronics (III Year), was the 2nd position holder in University of Delhi and University of Delhi South Campus, 2023-2024.

Anshika Bansal, student of B.Sc. (H) Biomedical Sciences (III Year), was the 3rd position holder in University of Delhi and University of Delhi South Campus, 2023-2024.

Ritu Papney, student of B.Sc. (H) Biomedical Sciences (III Year), was the 3rd position holder in University of Delhi and University of Delhi South Campus, 2023-2024.

Ruchika, student of B.Sc. (H) Biomedical Sciences (III Year), was the 3rd position holder in University of Delhi and University of Delhi South Campus, 2023-2024.

Shashank, student of B.Sc. (H) Chemistry (II Year), was the 2nd position holder in University of Delhi South Campus, 2023-2024.

Arti Kumari, student of B.Sc. (H) Zoology (1Year), was the 3rd topper in University of Delhi South Campus, 2023-2024.

Fellowship/Internship/Research Program

Nanda Gopal Jena, student of B.Sc. (H) Physics, was selected for Inspire-Scholarship for higher education (SHE) by Ministry of Science & Technology, Department of Science & Technology in 2024.

Vaibhav Srivastava, student of B.Sc. (H) Physics, was selected for Inspire-Scholarship for higher education (SHE) by Ministry of Science & Technology, Department of Science & Technology in 2024.

Mayank Kumar, student of B.Sc. (H) Computer Science (III Year), was selected for the VC Internship Scholarship by University of Delhi for winter internship 2024-25.

Shalini, student of B.Sc.(H) Zoology (II Year), was selected for the VC Internship Scholarship by University of Delhi for winter internship 2024-25.

Ananya, student of B.Sc. (H) Computer Science (III Year), was selected for the VC Internship Scholarship by University of Delhi for winter internship 2024-25.

Kallyani T S., Shashank, Hriday S Warrier and Sunny Kumar, students of B.Sc. (H) Chemistry, were selected for Meritorious Award by the University of Delhi for the year, 2024-2025.

Vaibhav Srivastava, Naman Thakur, Abhijeet Singh Rajput and Prasun Kumar Pal students of B.Sc. (H) Physics, were selected for Meritorious Award by the University of Delhi for the year, 2024-2025.

Yash Bhargava, Shreya Gupta, Mahima Kumari and Ayush Shukla, students of B.Sc. (H) Botany, were selected for Meritorious Award by the University of Delhi for the year, 2024-2025.

Arti Kumari, Niharika Talukdar, Shalini and Shalini Maurya, students of B.Sc. (H) Zoology, were selected for Meritorious Award by the University of Delhi for the year, 2024-2025.

Aparna Chowdhury, student of B.Sc.(H) Zoology (III Year), completed her Internship, Infrastructure Professionals Enterprise Global, June 2024.

Manvi Kalra, student of B.Sc. (Hons) Zoology (ll year), completed Data Analyst internship in collaboration with IIT Roorkee, September 01, 2024.

Drishti, Naman Seri, student of B.Sc.(H) Electronics (II Year), completed IoTronics-Training Program on Hands -on Practical Training on Arduino, ESP32, Blynk Cloud and TinkerCAD, Deen Dyal Upadhyaya College, University of Delhi, October 13-14, 2024.

Devika, student of B.Sc.(H) Zoology (III Year), completed her Internship at Cochin University of Science and Technology in 2024.

Pulkit Deswal, student of B. Sc. (Hons) Zoology (II year), selected for the Skill development and entrepreneurship in water resources management internship, Safe water networks and skill council for green jobs, October 24-November 25, 2024.

Siya Gupta, student of B.Sc. (H) Zoology (II Year), successfully completed an internship as a Subject Matter Expert (SME), October 24, 2024.

Nikhil, student of B.Sc.(H) Electronics (II Year), successfully completed Seven Days Web Development Bootcamp, conducted by Campus Code, February 4, 2025.

Anuj Purohit, student of B.Sc. (H) Electronics (II Year), successfully completed his Internship as a Video Editor, offered by Budding Mariners, from November 18, 2024 –January 11, 2025.

Vanshika Jain, student of B.Sc. (H) Biomedical Science (I Year), was selected for Agnirva Space Internship, AICTE, February 15, 2025.

Anupama, student of BSc (H) Zoology (II year), completed internship in Digital Outreach Team, January 08- February 19, 2025.

Siya Gupta, student of B.Sc. (H) Zoology (II Year), successfully completed the internship as Human Resource Intern at Passionmojo Pvt. Ltd., January 13 to February 24, 2025.

Priya Ranjan, Abdul Hannan Malik, Nasreen, Mirza Mohammad Ain Ali and Himanshu, students of B.Sc.(H) Electronics (II Year), Govind Kushwaha and Dhristi of B.Sc.(H) Electronics (III Year), completed one-month hands-on training on Verilog implementation of Digital Circuit Design on FGPA using Vivado (in collaboration with CoerEL technologies), Deen Dayal Upadhayay College, University of Delhi, from January 27, 2025 to February 28, 2025.

Awards

Aishani Vashisht, student of B.Sc. (H) Biomedical Science (I Year), won INSCR emerging researcher award, 8th International Conference of Indian Network for Soil Contamination Research (INSCR-2024) on ‘Exploring the Microbial World from Human Health to Environmental Sustainability’ and 4th International Symposium on Ciliate Biology (ISCB-2024) organized by Acharya Narendra Dev College, April 03-05, 2024.

Govind Kushwaha, student of B.Sc. (H) Electronics (III Year), won 1st Prize in Brain Drain Quiz organized by Rajdhani College, April 02, 2024.

Hariom Chaudhary, student of B. Sc. (H) Biomedical Science (II Year), won Best Poster Presentation, 8th International Conference of Indian Network for Soil Contamination Research (INSCR-2024) on ‘Exploring the Microbial World from Human Health to Environmental Sustainability’ and 4th International Symposium on Ciliate Biology (ISCB-2024), organized by INSCR and Acharya Narendra Dev College, April 03-05, 2024.

Shashwat, student of BSc (H) Chemistry (III Year) won the following prizes

First prize in quiz competition, Deshbandhu College, April 04, 2024.

Second prize in policy presentation competition, Saheed Bhagat Singh College, April 15, 2024.

Got third prize in Quiz competition, DCAC in 2024.

Second prize in poetry competition, SGND Khalsa College, September 12, 2024.

First prize in debate competition, ADGIPS, February 19, 2025.

First in speech competition, Zakir Hussain Delhi College, on February 25, 2025.

Second prize in debate competition, Muslim Rashtriya Manch, March 01, 2025.

Sahil Kumar, student of B.Sc. (H) Zoology (III Year) won:Second position in Cricket Championship League held in Meerut.

Defeated Ramanujan College thrice in inter college Volleyball Match in 2024-25.

Defeated IIT Delhi twice in inter college Volleyball Match 2024-25.

Anupama, student of B.Sc. (H) Zoology (II year), won Second prize in National Level Online Speech Competition, July 07, 2024

Anupama, student of B.Sc. (H) Zoology (II year), won Second prize in National Level Online Conventional Debate Competition, August 12, 2024

Swastika Tiwari, student of B.Sc. (H) Computer Science (II Year), won 2nd position for a oral presentation on paper "Innovative Approach to Cartesian Coordinate" at IAPT (Indian Associate of Physics Teachers) RC-01, August 31, 2024.

Naman Beri, student of B.Sc. (H) Electronics (II Year), won First position for paper titled Experiential Learning & integration of Physics in building an 8-bit computer, 11th Annual convention of IAPT, RC-1 organized by Amity International school, August 31, 2024.

Sandeep Gupta, student of B.Sc. (Hons.) Biomedical Sciences (III Year), won 1st Prize in हिन्दी व्याकरण प्रश्नोत्तरी प्रतियोगिता organized by Hindi Parishad, ANDC, September 14, 2024.

Mirza Mohammad Ain Ali and Abdul Hannan Malik, students of B.Sc.(H) Electronics (II Year), won Best Idea Award in Tech-Bio Ideathon, IISc-Software Team, iGEM 2024, September 15-16, 2024.

Aradhy Srivastava and Muskan Saini, students of B.Sc. Life Sciences (III year), won the first prize in oral presentation at National Conference on ‘Skill Enhancement: A Roadmap of Atmanirbhar Bharat’ organized by Gargi College, University of Delhi, November 12-13, 2024.

Shashwat Shukla, student of B.Sc. (H) Electronics (II Year), won first prize in a photography competition, Dakshi and Kirori Mal College, November 26 ,2024.

Shaili Pal, student of B.Sc. (H) Zoology (III year) won First Prize, 5km Marathon, international student house University of Delhi, 2024.

Sandeep Gupta, student of B.Sc. (Hons.) Biomedical Sciences (III Year), won Top Campus Coordinator in Mimamsa 2025 Prelims (A National Level Annual Science Competition) organized by IISER Pune, January 19, 2025.

Alia Siddiqui, student of B.Sc. (H) Biomedical Science (III Year), won first place in Sci Vision-Scientific Poster Presentation organized by Bhaskaracharya College of Applied Sciences, January 27, 2025.

Muskan Yadav, student of B.Sc.(H) Zoology won for the best oral presentation, ISCB conference, Archarya Narendra Dev College, February 05-07, 2025.

Mahaprasad Nayak, Priyanshu Pradhan and Aditya Raj Mishra, students of B.Sc. (H) Zoology (III Year), won 1st prize in poster presentation titled "Evaluation of In-silico Antihyperglycemic potential of Traditional anti-diabetic plants" in ISCB 2025 organized by INSCR and Acharya Narendra Dev College, University of Delhi, February 05-07, 2025.

Sandeep Gupta, student of B.Sc. (H) Biomedical Sciences (III Year), won Best Oral Presentation in International Symposium on Ciliate Biology and Interdisciplinary Research (ISCB) 2025 organized by Acharya Narendra Dev College, University of Delhi, February 07, 2025.

Hridya Warrier, Nidhi Singh and Rishika, students of B.Sc.(H) Chemistry (III Year), won the first prize in poster presentation at International Conference on Chemical, Biological and Environmental Sciences,2025 (IUPAC-ICCBES, 2025) organized by Miranda House, University of Delhi, February 11-12, 2025.

Anuj Purohit and Nikhil, students of B.Sc. (H) Electronics (II Year), were part of the team that participated in InFroniX hackathon organized by BYLD, IEEE, and Electroholics, held at IIIT Delhi on February 16, 2025. Their team was amongst the top three teams.

Manvi Kalra and Gifty Saini, students of B.Sc. (H) Zoology (II Year), won second prize for the presentation entitled "Seri Glow: Organic Shine-boosting Shampoo", International conference on 'Emerging Technologies in Silk Sector- SILKTECH-2025" organized at Bharat Mandapam, February 17, 2025.

Sudhanshu Kumar, student of B.Sc. (H) Electronics (II Year), won 1st prize for best paper presentation titled 'Patient Recognition and Smart Healthcare system', Three-day international conference on 'Recent Advances in medical Diagnostics: from Chemicals to AI (RAMD-2025) organized by ARSD College, University of Delhi, February 19-21, 2025.

Anupama, student of B.Sc. (H) Zoology (II year), won First prize in Inter Colligate Turncoat Debate Competition, Deshbandhu College, February 20, 2025.

Anupama, student of B.Sc. (H) Zoology (II year), won Second prize in Inter College Debate Competition, Deshbandhu College, 27th February 2025.

Anupama, student of B.Sc. (H) Zoology (II year), won Second prize in Inter College Poetry Competition, Maharaja Agrasen College, February 28, 2025.

Diya Bilahari, student of B.Sc. (H) Zoology (III Year) won Second prize, English Extempore conducted by Sashakt for self-esteem boost month February 2025.

Acharya Narendra Dev College Football Team was awarded 1st place in Athleema Tournament in 11 aside Football organized by Asian Education Group, February, 27-March 01, 2025. Team won 1st position and was also awarded cash prize worth Rs. 11000 at the prestigious Jasola Sports Complex, New Delhi.

Siya Gupta, student of B.Sc. (H) Zoology (II Year), secured First Prize in the Poetry Competition organized by the Deshbandhu College at National Ashwagandha Conference Held on March 05, 2025.

Rishabh Ojha, Arti Kumari, Niharika Talukdar student of B. Sc. (H) Zoology (II Year), won First Prize in Poster presentation in National conference on Ashwagandha, a health promoter, Deshbandhu college, March 05, 2025.

Nikhil, student of B.Sc.(H) Electronics (IV Semester), was part of the team that participated in one week hybrid BUILDWITHINDIA hackathon, organised by Hackwith India, from March 07 - 14. Their team was certified for being amongst the top 5000 teams out of 25000 participating teams.

Pulkit Deswal, student of B.Sc. (H) Zoology (II Year), won Third Prize in advertisement video making, Rajdhani College, March 18, 2025.

Pulkit Deswal, student of B. Sc. (H) Zoology (II Year), won Third Prize in Buisness Plan competition, Rajdhani College, March 18, 2025.

Siya Gupta, student of B.Sc. (H) Zoology (II Year), won Third Prize in the Marksoc, Advertisement Video Making Competition organized by Rajdhani College, University of Delhi, on March 18, 2025.

Siya Gupta, student of B.Sc. (H) Zoology (II Year), won Third Prize in Pitchverse, Business Plan Competition organized, Rajdhani College, March 18, 2025.

Prateek Sheokh and Sudhanshu Kumar, students of B.Sc. (H) Electronics (II Year), won 1st prize for best poster presentation titled 'Integrating Machine Learning and IoT for seamless Face Recognition based Attendance Management System', International Conference on "Innovations in Science and Technology: A Perspective of Viksit Bharat @ 2047" organized by Deen Dayal Upadhyaya College, March 19-20, 2025.

Ms. Shruti Kumari and Ms. Aparna Chaurasia, students of B.Com. (H), won best paper award for the paper on"AI-Powered Business Transformation: Shaping the future of Management Practices for Viksit Bharat 2047" in National Conference on "Viksit Bharat 2047: Reimagining Management and Business Practices in the Age of Artificial Intelligence" organized by Maitreyi College, University of Delhi, March 20 -21, 2025.

Aditya Maurya, Adi Maqsood, Mayank Kumar and Nishant Pratap Singh, students of B.Sc. (H) Computer Science (III year), were selected as one of the 12 finalist teams out of 304 teams. This team demonstrated their project titled "Augmenting GNN with Smart Drainage System for Mitigating Urban Flooding" at the eYIC National Finals 2024-25, March 28 - 29, 2025.

Acharya Narendra Dev College Football Team was awarded the 1st place in Maharaja Agrasen Cup organized by Maharaja Agrasen College, University of Delhi in March 2025.

Research Projects

Prof. Urmi Bajpai has been sanctioned Rupees 46,81,404 for a research project entitled Bacteriophage and one health project tackling AMR infections in humans, animals and environment as PI by ICMR for a period of 3 years from 2025-2028.

Prof. Urmi Bajpai has been sanctioned Rupees 71,87,000 for a research project entitled Indo-UK- DBT-BBSRC Multi-centric Project: A Comparative One-Health Approach Tackling AMR Infections in UK and Indian Livestock as PI by DBT-BIRAC for three years from 2024-2027

Dr Sunita Jetly has been sanctioned Rupees 26,00,000 for a research project entitled Multiplexing for easy and affordable Detection of Myeloid Lukemia (CML & AML-M2) as PI by BITS BioCyTiH foundation for a period of 1 year from 2024-2025.

Prof. Sarita Kumar is Collaborator in the Hibah PUTI 2024 research project entitled "The effects of ivermectin and d-limonene on Culex quinquefasciatus larva: Mortality, glutathione S-transferase, and gene expression" guided by Dr. Rizal Subahar, Department of Parasitology, Faculty of Medicine, University of Indonesia, Indonesia

Prof. Sarita Kumar is Collaborator in the Hibah PUTI 2025 research project entitled "In vitro toxicity of gallic acid loaded chitosan/alginate nanoparticles against Aedes aegypti (Diptera: Culicidae): oxidative stress, rhodopsin, histopathological changes in midgut, eyes, and antennae of larvae" guided by Dr. Rizal Subahar, Department of Parasitology, Faculty of Medicine, University of Indonesia, Indonesia.

Prof. Arijit Chowdhuri has been sanctioned Rupees 1,81,00,000 L for a research project entitled Development of MxOy thin film layers for UV – A, B and C sensing utilizing Surface Acoustic Waves [DGTM/ERIP/GIA/24-25/520/015 dated February 14, 2025] by DRDO as Co-PI by for a period of 2 years from 2025-2027.

Prof. Arijit Chowdhuri has been sanctioned Rupees 31,00,000 for a research project entitled Embedding Ferroelectric Hafnium-Zirconium Oxide (HZO) in gate stack of GaN based junction less transistor [SERB/F/14517-2023 – 2024 by DST as Co-PI by for a period of 3 years from 2024- 2027.

Prof. Arijit Chowdhuri has been sanctioned Rupees 10,00,000 for a research project entitled Growth of crystalline single phase Ga2O3 thin film for Broadband Deep UV Photodetector [Proposal ID:22571] as Co-PI by CSIR for a period of 2 years from 2023- 2025.

Prof. Arijit Chowdhuri has been sanctioned Rupees 36,00,000 for a research project entitled Fabrication of packaged high frequency SAW devices of given specification [1115/TS/SPL/CARS-98/2022] as Co-PI by DRDO for a period of 2 years from 2023- 2025.

Prof. Arijit Chowdhuri has been sanctioned Rupees 32,00,000 for a research project entitled Development of thermoelectric energy harvester using Indium Selenide thin films [CRG/2022/005474] as Co-PI by DST for a period of 3 years from 2023- 2026.

Seminars Organized

Prof. Dinabandhu Sahoo, Head Department of Botany, University of Delhi delivered a talk on Environment, development and happiness on April 30, 2024.

Prof. Rupam Kapoor, Department of Botany, University of Delhi, India delivered a talk on Decoding Virulence Factors in Botrytis Cinerea: The Power of Agrobacterium Tumefaciens-Mediated Transformation on March 01, 2025.

Prof. K.C. Bansal, G J, University of Science and Technology, Hisar, India delivered a talk on Genome Editing: A transformative Technology of the 21st Century on March 01, 2025.

Prof. Manish Kumar, Professor, School of Physical Science, Jawahar Lal Nehru University, Delhi, delivered a talk on Perovskite Solar Cells: Challenges and Future Aspects on 24 March, 2025.

Prof. Sobha Bhagi, Professor, CIC delivered a talk on Research Methodology on March 24, 2025.

Conferences Organized

International Conferences

Conference entitled, 8th International Conference of Indian Network for Soil Contamination Research (INSCR-2024) and 4th International Symposium on Ciliate Biology, was organized jointly by Indian Network for Soil Contamination Research (INSCR), Acharya Narendra Dev College and PhixGen in association with of various colleges of University of Delhi, Symbiosis International University, Dev Bhoomi Uttarakhand University, and Jamia Millia Islamia and sponsored by Indian National Science Academy-IUMS, Department of Biotechnology (DBT) and Department of Science & Technology (DST), Govt. of India, at Conference Centre, University of Delhi, Delhi, India from April 03-05, 2024.

Co-organized the International Conference on Reproductive Sciences and Molecular Medicine: Innovations in Therapeutics and Technologies (ICRSMM 2024) and 41st Annual Meeting of Society for Reproductive Biology and Comparative Endocrinology (SRBCE) in collaboration with Division of Molecular Endocrinology and Reproduction and Department of Zoology, University of Delhi at Conference Centre, University of Delhi, Delhi, India from November 15-17, 2024.

Symposium entitled International Symposium on Ciliate Biology and interdisciplinary research (ISCB 2025) was organized in collaboration with ISoCB and INSCR under the aegis of DBT Star College Scheme and IQAC. The conference was sponsored by Ministry of Environment, Forest and Climate Change ((MoEFCC), Zoological Survey of India (ZSI), International Society of Protistology (ISOP), Department of Science and Technology (DST), Department of Biotechnology (DBT), International Union of Biological Sciences (IUBS), Council of Scientific and Industrial Research (CSIR), Ministry of Earth Sciences (MOES) at Acharya Narendra Dev College, University of Delhi, Delhi, India from February 05-07, 2025.

Workshops

Organized the workshop on Art of Scientific Writing and Communication in association with Federation of European Microbiological Societies (FEMS) & Indian Network for Soil Contamination Research (INSCR) on April 02, 2024.

Organized the workshop on Genomics, Metagenomics & Bioinformatics in Microbial Ecology in association with the International Society for Microbial Ecology (ISME) & Indian Network for Soil Contamination Research (INSCR) on April 02, 2024.

Organized NEP 2020 Orientation & Sensitization Programme under Malaviya Mission Teacher Training Programme (MM-TTP) of University Grants Commission (UGC) organized by UGC-MMTTC (GAD-MMTTC), Sri Guru Tegh Bahadur Khalsa College, University of Delhi from June 04-14, 2024.

Ms. Vishali Pathania and Ms. Shubhangi Majumdar, PMR Fellows from IIT Delhi organized 6-Hour workshop on Magic of Light: Workshop on UV-Visible, Steady State and Time Resolved Fluorescence Spectroscopy from September 21-22, 2024.

Mr. Raju Sen and Mr. Abhijeet Singh, PMR Fellows from IIT Delhi organized 6-Hour Workshop on ‘GC and HPLC from September 29- October 05, 2024.

Mr. Ankit Rai PMR Fellow from IIT Delhi organized workshop on Characterization Techniques of Inorganic Solids, Part-1on October 17, 2024

Mr. Ankit Rai PMR Fellow from IIT Delhi organized Workshop on Characterization Techniques of Inorganic Solids, Part-2 on October 24, 2024.

Mrs. Ranju Minhas environmentalist and founder of a beauty products company IARI, New Delhi organized One-day workshop for undergraduate students on "The Natural Way to skin Care Products on November 11, 2024

Mr. Ankit Rai PMR Fellow from IIT Delhi organized an online workshop on Exploring the fundamentals of Powder X-Ray Diffraction on November 14, 2024

Organized the pre-symposium workshops in the International Symposium on Ciliate Biology & Interdisciplinary Research 2025 in association with Indian Society of Ciliate Biology (ISOCB) affiliated society of Indian Network of Soil Contamination Research (INSCR) & International Society of Protistologists (ISOP) on February 03, 2025.

Organized Bootcamp 3.1 V LAB DEVELOPMENT under the aegis of IQAC in collaboration with VLAB@ANDC from February 12-13, 2025.

Organized workshop entitled Jab we met: Thermo & Quantum, A Lab-Based Experimental Physics Workshop on Thermodynamics and Quantum Concepts was organized by SPIE Student Chapter, in collaboration with IAPT RC 1 & BVN-IAPT Anveshika on February 24, 2025.

Mr. Vikas Tiwari and Mr. Daksh Singh Davas PMR Fellows from IIT Delhi organized 6 hour workshop on Computational Chemistry, Biology, and Machine Learning from February 16 -23, 2025.

Organized National Faculty Development Programme on Molecular Biology Techniques in association with UGC-MMTTC, S.G.T.B. Khalsa College, University of Delhi on February 25-March 04, 2025.

Organized a one-week national faculty development program, AI EdVantage: Shaping Educators with Smarter AI Teaching Skills organized by Department of Electronics in collaboration with UGC-MMTTC/GAD-MMTTC, SGTB Khalsa College, University of Delhi and industry partner Zetrance from February 25, 2025 to March 04, 2025.

National/International MoUs Signed

An MoU was signed with Auburn University of Montgomery, Alabama, USA (International) on December 06, 2021. Prof. Urmi Bajpai from the Department of Biomedical Sciences, served as the coordinator. As a result of this collaboration, (1) international credit transfer and progression arrangements were established through academic articulation agreements across various programs, facilitating seamless student mobility and recognition of coursework, and (2) initiatives such as the exchange of research and academic materials, collaborative research projects, faculty expertise sharing, development of e-learning modules, and the application of distance learning were launched to enhance academic engagement and global learning opportunities.

An MoU was signed with Open Health System Laboratory (OHSL), USA, to establish the International Bacteriophage Research Consortium (IBRC) and promote collaborative research on November 05, 2018. Prof. Urmi Bajpai from the Department of Biomedical Sciences, served as the coordinator. As a result of this collaboration, (a) joint efforts were initiated to develop funding proposals for enhancing research infrastructure at the drug discovery laboratory at ANDC and at the forthcoming International Research Center of OHSL in Jhajjar, Haryana, and (b) collaborative academic activities were launched, including an online workshop on "Genome Analysis of Bacteriophage for Clinical Applications" held in association with Mahatma Gandhi University, SBRT, OSPF, and KHERN, as well as international clinician-led talks during World Antibiotic Awareness Week 2023 to promote awareness and clinical use of phage therapy.

An MoU was signed with the National Institute of Immunology (NII), India, under the Science-Setu Programme on September 04, 2021. Prof. Seema Makhija and Dr. Archna Pandey from Acharya Narendra Dev College served as the coordinators. As a result of this collaboration, (a) an integrated programme was launched to connect undergraduate biology education with advanced research at NII, including student and teacher internships, mentorship for science projects, and exposure to cutting-edge scientific methodologies, and (b) a series of activities such as lectures, lab exercises, discussions, and career guidance sessions were initiated—delivered through both online and on-site modes—to nurture scientific curiosity and guide students toward careers in science and technology.

An MoU was signed with the Translational Health Science and Technology Institute (THSTI) under the Science-Setu Programme on August 05, 2020. Prof. Urmi Bajpai, Dr. Anupama Shukla, Prof. Seema Makhija, Dr. Satendra Singh, Dr. Sumit Sahni, and Dr. Rahul Dev served as the coordinators. As a result of this collaboration, (a) a structured platform was established for THSTI scientists to engage with undergraduate students and faculty of Acharya Narendra Dev College through research-focused interactions, and (b) academic enrichment activities such as research presentations, mentoring, and discussions were initiated to foster interest in translational health sciences among budding life science students. The MoU has been renewed for a period of three years until 2026.

An MoU was signed with IIT Delhi under the Ministry of Education's Virtual Labs initiative (NMEICT) for the creation of Virtual Labs at Acharya Narendra Dev College on September 13, 2021. Prof. Seema Makhija, Dr. Sumit Sahni, Prof. Sharanjit Kaur, Dr. Pooja Bhagat, and Dr. Vineet Kumar Singh served as the coordinators. As a result of this collaboration, (a) Acharya Narendra Dev College became the first institution in the University of Delhi to launch V-Lab@ANDC, a virtual platform providing remote access to laboratory experiments for undergraduate science students, and (b) a range of future-ready e-content and simulations aligned with NEP 2020 were developed and hosted across four domains—Biological, Chemical, Physical, and Electronics Sciences—spanning seven departments, with active involvement of students in content creation and platform management. Two bootcamps for V-Lab development were also conducted in 2023 and 2024 to train faculty and students in simulator design.

An MoU was signed with the Entrepreneurship Cell, School of Open Learning, University of Delhi on September 09, 2021. Prof. Sandeep Kumar Goel served as the coordinator. As a result of this collaboration, (a) a six-month certificate course in entrepreneurship and startups was introduced under the UGC's National Skills Qualifications Framework, open to students who have completed 10+2, and (b) dedicated support was provided to potential entrepreneurs from ANDC to access various central and state government entrepreneurship schemes.

An MoU was signed between Acharya Narendra Dev College (University of Delhi) and SPIE, the international society for optics and photonics on August 6, 2010. Prof. Amit Garg from the Department of Physics served as the coordinator. As a result of this collaboration: (a) A series of student-led technical and outreach projects were initiated, including those focused on smart micro-irrigation systems, AR/VR applications in STEM education, and laser-based security systems, with several projects presented at national and international conferences and slated for publication; (b) An academic enrichment program was launched, enabling students to participate in specialized workshops (e.g., 3D printing, IoT, machine learning) and institutional visits (e.g., IUAC, Rashtrapati Bhavan Museum), while also facilitating student participation in national-level competitions and exchange of knowledge with alumni pursuing higher studies abroad.

An MoU was signed with PhiXgen Pvt. Ltd. on January 30, 2018. Prof. Ravi Toteja and Prof. Seema Makhija served as the coordinators for this collaboration. As a result of this partnership, (a) joint research activities focusing on advancing bioinformatics skills and their responsible global application

will be pursued, and (b) technical services, including support for Next Generation Sequencing projects in Genomics, Transcriptomics, and Proteomics, will be provided to beginners facing challenges in their projects. Additionally, (c) training courses for graduates, post-graduates, and corporate professionals in the fields of bioinformatics and related areas will be organized both onsite and online.

An MoU was signed with TSD Consulting, a Singapore-based entity, on August 29, 2023 to establish the ANDC-InStart Foundation TSD SCII Hub. Acharya Narendra Dev College (ANDC) InStart Foundation (AIF), a business incubator hosted and promoted by ANDC, coordinated the collaboration. As a result of this partnership, (a) Centres of Excellence (COE) will be set up, including the Centre for Quality Education, Life-Long Learning, Skills Training, and Professional Development (LLL) and the Centre for Entrepreneurship, Startups, Ventures, and Investments (ESVI). These centres will offer various services such as International Visiting Professors, Campus Talks with Industry Leaders, Entrepreneurship Foundation Modules, Exchange Programs, Internships, Co-working Space, Startup Incubator Services, and Acceleration Programs. (b) In addition, AIF has signed two Tripartite MOUs with Jaganath International Management School (JIMS), Kalkaji, and Bhagini Nivedita College, University of Delhi, to expand the TSD SCII Hub and share resources for incubation. (c) Over 700 students from the partner institutions have been sensitized about entrepreneurship as a career path through sensitization sessions conducted under the MOUs.

An MoU was signed with Jagannath International Management School (JIMS), Kalkaji, on August 4, 2023 to establish the "JIMS ANDC InStart Business Incubator," a joint incubation facility managed and operated by the Acharya Narendra Dev College InStart Foundation (AIF). Prof. Amit Garg from the Department of Electronics, served as the coordinator. As a result of this collaboration, (a) AIF expanded its co-working space by 15 seats and provided its incubated startups with access to JIMS, Kalkaji's institutional infrastructure, including meeting rooms, an auditorium, and conference rooms. (b) In addition, AIF extended incubation facilities to students of JIMS, Kalkaji. (c) Over 10 major events, sessions, and workshops on entrepreneurship were conducted at JIMS, Kalkaji, including an investor pitch event where over 200 startups from across India participated, with 15 shortlisted startups pitching their business ideas to renowned investors. (d) This year, the duration of the MoU with JIMS, Kalkaji was extended for another five years. (e) AIF currently supports 19 Incubatees and 7 Pre-Incubatees across sectors such as EdTech, Biotechnology, Gaming, Media, Consumer Goods, Agriculture, Retail, Ecommerce, and IT, and enters into Incubation Agreements with its incubatees and pre-incubatees as part of its onboarding process.

An MoU was signed with Breakthrough Trust in September 2022 to create a cooperative alliance aimed at sensitizing and building capacity among college students on issues related to sexual harassment, gender-based violence, gender equality, and corresponding rights and laws. The collaboration was coordinated by Sashakt (Society for Women's Empowerment), ANDC. As a result of this partnership, awareness programs and workshops will be conducted to address these critical social issues, fostering a deeper understanding of gender-related challenges and legal frameworks.

Other Collaborations

MoU between ANDC inStart Foundation and Mergerdemo on January 09, 2020.

Tri-Patriate MOU between ANDC inStart Foundation & T.S.D Consulting LLP and Jagannath International Management School on August 04, 2023.

Tri – Patriate MOU between ANDC inStart Foundation & T.S.D Consulting LLP and Bhagini Nivedita College on August 29, 2023.

MOU between ANDC inStart Foundation and Maharaja Agrasen Innovation and Incubation Foundation on January 03, 2024.

MOU between ANDC inStart Foundation and Samarth Bharat on February 14, 2025.

MOU between ANDC inStart Foundation and GK Consulting on February 22, 2025.

Number and Percentage of Students Placed

42 Placements and 37 Internships

Number of Companies Visited for Campus Recruitment 08

Extension and Outreach Activities

Co-organized Rural Outreach Program BIAR INITIATIVE: A SCHOOL OUTREACH PROGRAM on January 24, 2025.

Independence Day Camp (IDC 2024): The volunteers of NSS ANDC actively participated in the Independence Day celebrations at the Red Fort, after receiving extensive training under the Ministry of Youth Affairs and Sports and the Ministry of Defence.

National Adventure Camp: This initiative aimed at fostering teamwork, resilience, and leadership among volunteers.

Sahyog: Diwali Mela Date:With the objective of extending support to underprivileged communities, the NSS ANDC unit organized Sahyog: Diwali Mela, a cultural event that welcomed participation from seven NGOs.

National Integration Camp – IGU, Rewari Dates: October 21-27, 2024: This camp was instrumental in fostering unity and social cohesion among volunteers from various states.

Seven-Day Special Camp Dates: March 22-28, 2025: The Camp was designed to enhance the personal and professional development of volunteers through comprehensive workshops.

Free Education Program – "Project Vidipsa: Intelligenzia" Implementation: Ongoing throughout the Year. NSS volunteers dedicated their efforts to educating underprivileged children from Govindpuri slums and neighboring localities

Eco-Club conducted Plantation Drive at Tughlakabad Biodiversity Park, Ek Ped Maa Ke Naam on August 30, 2024.

Students conducted a certificate course on skill development and entrepreneurship in water resource management, October 24, 2024 till November 25, 2024.

College has a Promotional Partnership with AIESEC in IIT, Delhi.

Various Activities under Unnat Bharat Abhiyan including Thalassemia Awareness Drive, Voting Awareness Week, Project Project Amrit: Clean Water, Clean Mind

Library Development

Our library currently holds 35,438 books in its collection, alongside 18 magazines and journals. During this past year, we added 589 new books to our shelves. We've expanded our digital resources by creating login credentials for the Delhi University E-Library System and N-LIST, which are available to students and faculty members upon request. On October 17-18 2024, we hosted our Annual Book Exhibition,

welcoming participation from distinguished publishers and booksellers including Prentice Hall of India, Unilib Book Distributors, Asian Book Centre, Pearson Education, S. Chand & Co., CBS Books, DSR Publications, Monika Books, Upkar Publications, Techniz Books International, and Taxmann Publications. Our commitment to professional development continues through our internship program, which recently hosted Library and Information Science students from the School of Open Learning's Bachelor program from January 27 to March 07, 2025. These interns received comprehensive practical training in library operations and functions.

Other significant information

College provides scholarship to students belonging to economically weaker sections.

College has ignited young minds for research by providing scholarships like ELITE

College has built up infrastructure for Skill enhancement Courses. The facilities were visited by the Honorable Vice-Chancellor, Prof. Yogendra Singh on August 29, 2024

College is the Nodal Centre for Sericulture Skill and Research Centre.

This year Six faculty members have been promoted to Professor Grade.

College has successfully completed DBT STAR STATUS Project for promoting research, college has created a corpus fund by the name Anusandhan Kosh

****

ADITI MAHAVIDYALAYA

Major Activities and Achievements

Aditi Mahavidyalaya has proactively translated the vision of NEP 2020 into impactful action through a powerful blend of academic excellence, community engagement, and social innovation through events like Geo-Fest, and sessions on AI, Digital Marketing & Digital Communication: Innovative Aspect of NEP, Job Readiness, Internship Drives, and Investor Awareness fostered interdisciplinary learning, boosted employability and industry aligned skills. Our major highlight was the international talk by Prof. Michael Lin (Taiwan University) offering students global exposure. Our Eco-Club led SDG-aligned initiatives, while Green, Gender, and Disability Audits ensure inclusivity and responsiveness to stakeholder needs. We promoted weekly Legal Awareness Sessions through a fully operational Legal Aid Clinic in collaboration with the DLSA. Initiatives like the Viksit Bharat@2047 Ideathon, Common Service Centre, Cyber Awareness, Bhagavad Gita workshops, Kavi Sammelan, heritage seminars,

Awareness for Organ Donation empowered students as informed citizens. Enriching experiences from NSS, NCC, Sports, B.El.Ed school internships, and Social Work community outreach strengthened holistic growth. NEP Saarthi Ms. Sanskriti was recognised by our University . We were Awarded with the second Institutional Best Practice award "Green Genesis - Cultivating Sustainable Futures" in the first Best Practice conference on 8th and December 09, 2024 organised by International Science Community Association.

Honours/Distinctions of The Teaching And Non-Teaching Staff

Prof. Mamta Sharma, Principal has been awarded with the following HONOURS/DISTINCTIONS

Awarded with World Peace Education and Promotion Award in the World Peace Congress organized on December 29-31, 2024.

Awarded with Ecological Education Award in the International Felicitation of Ecophilosophy Summit and 34th World Environment Congress at India international Center on November 21, 2024 organized by the Governing Council of Indira Gandhi Technological and Medical Sciences, University Arunachal Pradesh, Confederation of Indian Universities, Indian Institute of Ecology and Environment, World Academy of Higher Education and Development GPF-India, National Institute of Cleanliness Education and Research and International Association of Educators for World Peace - Affiliated to United Nations ECOSOC, DPI.

Awarded with Certificate of Honour by His Excellency Mr Fernado Bucheli, Ambassador of Ecuador in the Indo - Ecuador Friendship Summit 2024 held on October 25, 2024 at India International Centre, New Delhi

Awarded with Senior Ambassador for Viksit Bharat@2047 on October 10, 2024 jointly organized by World Academy of Higher Education and Development, GPF-India, Confederation of Indian Universities (CIU), Indian Institute of Ecology and Environment, National Institute of Cleanliness Education and Research (NICER) and International Association of Educators for World Peace affiliated toUnited Nations : ECOSOC, DPI

Certificate of Recognition by Dr Kiran Bedi from Navjyoti Foundation in Project Kaushal for the year 2023-24 on August 29, 2024.

Awarded with National Innovative Skill Training Initiative Award for outstanding contribution on the occasion of World Youth Skill Day Celebrations 2024 on July 15, 2024 by World Academy of Higher Education and Development, Indian Institute of Ecology and Environment, International Association of Educators and National Institute for Skilling at India International Centre

Awarded with Global Femina Excellence Award by Dr Kalam International Foundation in association with International Association of Quality Education (Sri Lanka) at International Conference on Quality Education on May 28, 2024. 2023-24. AW. Incorporated Sudhakar award.pdf

Certificate of Appreciation by FIN X, NSDC Bombay Stock Exchange for contributing in enhancing employability of students of Aditi Mahavidyalaya. 2023-24. AW Incorporated Fin X Bombay Stock Exchange

Certified International Mentor with I2OR India 2023-24. AW Incorporated Publication4-28.pdf

Awarded with IRSD Distinguished Educator Award 2024 during the 13th International Conference on Interdisciplinary Research for Sustainable Development 2024 (IRSD 2024) organized by Green ThinkerZ, India & International Institute of organized Research (I2OR), India; in association with Jamia Hamdard, New Delhi, India; IIT Bombay Spoken Tutorial, India; Centre for Modern Construction,

Western Sydney University, Australia; Elsevier's Mendeley and The Intelligent Indian on May 30, 2024 in Jamia Hamdard, New Delhi, India. 2023-24 AW NED 2023-19_19.pdf.

Awarded along with Prof. Neelam Rathi, Dr. Punita Gupta and Dr. Mali Devi Sawariya awarded as Ambassador for Viksit Bharat @2047, in recognition of outstanding contribution to higher education and research, conferred by World Academy of Higher Education and Development (W-AHEAD), on the occasion of World Teachers' Day Celebrations, held at India International Centre, New Delhi, on October 05, 2024.

Students with Distinctions

Sapna, Student of B.A. (Prog). (III Year), won Bronze in 10 National yoga sports championship Surat-Gujrat, March 20-23, 2025.

Manisha, Student of B.A. (Prog). (III Year), won Bronze in 10 National yoga sports championship Surat- Gujrat, March 20-23, 2025.

Sonam Yadav, Student of B.A. (Prog). (II Year), won Bronze in 10 National yoga sports championship Surat- Gujrat, March 20-23, 2025.

Sandhya, Student of B.A. (Prog). (I Year) Participation 10 National yoga sports championship Surat-Gujrat, March 20-23, 2025.

Nishigandha Mudgal, B.A. (Prog). (II Year), won Silver in (64 Kg) Weight Lifting- Inter collegiate Ramanujan college, November 21, 2024.

Aishwarya, B.A. (Prog). (II Year), Won Bronze in (71 Kg) Weight Lifting- Inter collegiate Ramanujan college, November 21, 2024.

Taniya, B.A. (Prog). (I Year) Won Bronze in (59 Kg) Weight Lifting- Inter collegiate Ramanujan college, November 21, 2024.

Vanshika Jakhar, B.A. (Hons.) Hindi Patrikita, (I year), won Bronze in (65-70 Kg) Boxing Inter collegiate Dayal Singh College, November 21-23, 2024.

Varsha, B.A. (Prog). (II year), won Silver in Kabaddi – district Khel ground Jagatpur Delhi – 110084, November 24-25, 2024.

Shweta, Student of B.A. (Prog). (I Year), won Silver in Kabaddi – district Khel ground Jagatpur Delhi – 110084, November 24-25, 2024.

Renu Tomar, B.A. (Hons.) Hindi Patrikita (I Year,) won Silver in Kabaddi – district Khel ground Jagatpur Delhi - 110084 November 24-25, 2024.

Sonam Meena, B.EL. ED (I Year), won Silver in Kabaddi – district Khel ground Jagatpur Delhi – 110084 November 24-25, 2024.

Sapna, Student of B.A. (Prog). (III Year), won Bronze in 10 National yoga sports championship Surat-Gujrat, March 20-23, 2025.

Research Projects

Prof. Beena Antony Reji

Saksham Pramaan Major Development Research Project with TISS and NACO at Aditi Mahavidyalaya - 2024-25, Saksham (which means "making capable") is a flagship project supported by the international organisation Global Fund. National AIDS Control Organisation (NACO), as the Principal Recipient of

the Global Fund grant, has partnered with Tata Institute of Social Sciences (TISS) as the Sub-Recipient (SR). In turn, TISS is implementing the project Saksham-Pramaan, which focuses on conducting comprehensive external evaluations of Target Intervention and Link Worker Scheme organisations across all Indian states. For effective execution and regional reach, TISS has collaborated with five institutions designated as Regional Institutes of Capacity Building and Evaluation (RICEs). These institutions act as Sub-Sub Recipients (SSRs) and are strategically located across six geographical zones in the country to manage evaluations within their respective regions.Aditi Mahavidyalaya, University of Delhi, has been selected to coordinate for the Northern Region states and Union Territories. Aditi Mahavidyalaya together with NACO and TISS are working closely with the State AIDS Control Societies for the evaluations of Targeted Intervention community-based organisations in the eight northern states and UTs. The decentralised approach not only strengthens the quality of evaluations but also creates a network of trained institutions and professionals capable of supporting India's public health goals. By promoting collaboration and knowledge-sharing, Project Saksham Pramaan is contributing to a more inclusive, data-driven, and community-centred public health ecosystem. Aditi Mahavidyalaya along with other Partners, are playing a crucial role in ensuring accountability, improving program implementation, and supporting evidence-based decision-making in India's HIV/AIDS response., UG Project: Gardening as a Relaxation Technique Among College Students: An Evidence-Based Action Research, Co-Investigator: Dr. Gyanvati

AHILYA BAI COLLEGE OF NURSING

Major Activities and Achievements

Ahilya Bai College of Nursing has experienced and dedicated qualified faculty in all Nursing Departments, with the staff–student ratio maintained as per INC norms. Faculty members upgrade their knowledge and skills by attending seminars and conferences. The college has 15 faculty members specializing in Medical Surgical Nursing, Psychiatric Nursing, Pediatric Nursing, Obstetrical Nursing, and Community Health Nursing. Dr. Shobha Gusain co-authored *Clinical Case Record for Students of Midwifery Obstetrics & Gynae with Important Notes* with Dr. Molly Babu and published a research article titled "Non-modifiable risk factors for breast & cervical cancer and their association with sample characteristics" in *Journal of Nurse Midwifery & Mental Health*, Red Flower Publication 2024, 10(2), pp. 59–65. She supervised students (interns) during pulse polio duty on May 25, 2024, and election duty on February 5, 2025. Mrs. Nisha Thomas supervised first-year students during pulse polio duty on December 9, 2024, and serves as Secretary of CNE. Ms. Yogita completed 14 certified sessions from AIIMS Delhi CON on Cervical & Breast Cancer (under ECHO) and one certified session on research methodology. Ahilya Bai College of Nursing fosters a competitive, nurturing environment in academics, sports, and extracurriculars. Faculty and the Principal ensure equal opportunities so students realize their potential. B.Sc(N) students achieved 100% results in the last academic year. Ms. Rinki from the 2020–2024 batch topped the NORCET exam, making the college proud. The master rotation plan is successfully implemented across all semesters (I to VIII). Alongside the B.Sc(Hons.) Nursing course, faculty members also teach MBBS students of Maulana Azad Medical College. Students gain clinical experience from Lok Nayak Hospital, GB Pant, GNEC, and community experience at Urban Health Centre, Mandi House, and Barwala Village, New Delhi. Various committees function smoothly: Staff Welfare, Student Welfare, Anti-ragging, Hostel Welfare, Disciplinary Committee, Library Committee, Sports Committee, and Student Nurses' Association (SNA). National Pharmacovigilance Week was organized in MAMC from September 17, 2024, to September 23, 2024. All interns attended the Continuing Medical Education (CME) program at GB Pant Hospital. Additionally, they took part in a walkathon on September 17, 2024, to mark the beginning of Pharmacovigilance Week. A Nukkad Natak was performed on September 18, 2024, as part of the same program.

Honours/Distinctions

Shikha Kumari – 2nd Position – Handmade Poster Competition – *Pharmacovigilance Week*

Varuna, Vishakha, Yashvi, Yushra, Parul – 2nd Position – Group Project (Handmade Poster on Adverse Drug Reaction) – *Microbiology Deptt, MAMC*

Bhawana, Bhoomika, Dimpal, Chetna, Gaurisha – 1st Position – Group Project (Handmade Poster on Adverse Drug Reaction) – *Microbiology Deptt, MAMC*

Bhawana – Participation Certificate – E-Poster on Adverse Drug Reaction – *Pharmacovigilance Week*

Bhoomika – Participation Certificate – E-Poster on Adverse Drug Reaction – *Pharmacovigilance Week*

Bhawana, Bharti, Annu, Ankita – Participation Certificate – Group Rangoli on Adverse Drug Reaction – *Microbiology Deptt, MAMC*

Chetna Malhotra – Participation Certificate – Debate Competition – *Pharmacovigilance Week*

Deepali, Aparna, Bhumika, Kanchan – Certificate of Appreciation – Rangoli Competition – *Pharmacovigilance Week*

Sandhya – 2nd Prize, Certificate of Appreciation – Handmade Poster on Breastfeeding – *Pharmacovigilance Week*

Jasleen Kaur – 2nd Prize – Saraswati Vandana Rangoli Competition – *Paediatric Surgery Update on February 7, 2024*

Priyanka Goel – Certificate of Appreciation – Handmade Poster Competition – *Pharmacovigilance Week*

Sazia – Certificate of Appreciation – Handmade Poster & Rangoli Competition – *Pharmacovigilance Week*

Preeti – 2nd Prize, Certificate of Appreciation – Rangoli & Breastfeeding Poster Competition – *Pharmacovigilance Week*

Sonia – Certificate of Appreciation – Rangoli Competition – *Pharmacovigilance Week*

Kanchan – 1st Prize, Certificate of Appreciation – Poster & Rangoli Competition – *Pharmacovigilance Week*

Sulekha Vats – 3rd Position (2nd Bronze Medal) – Delhi State Judo Championship (Junior & Senior Categories) – *Delhi Judo Council*

Shalu, Pushpanjali, Priyanka Choudhary, Sheetal Tyagi – Certificate of Participation – Group Rangoli, Handmade Poster & E-Poster Competition – *Pharmacovigilance Week*

ARYABHATTA COLLEGE

Major Activities and Achievements

Now in its 11th year, Aryabhatta College continues to uphold its legacy of academic distinction and holistic development. The institution has made remarkable strides in education, research, and student engagement. The college celebrated strong national rankings, with top placements for its English, History, and Psychology departments in the India Today 2024 rankings. Student and faculty achievements shone brightly—Enactus Aryabhatta secured the Taco Bell Foundation's Ambition Accelerator Seed Prize, while student Ayushree Malik earned the Liva Miss Diva Supranational 2024 crown. The college hosted a significant ICSSR-sponsored national seminar and entered into multiple MoUs for skill-based courses and internships, including partnerships with The Mind Garden, Ninth Quadrant (UK), and Trigya School of Finance. Faculty promotions, impactful research projects funded by ICSSR and IKS, and collaborations with IKS Centre and MM-TTC Ramanujan College underlined the institution's commitment to academic excellence. Notably, projects addressing mental health, ancient Indian knowledge systems, and nationalism received major grants. Aryabhatta College's progress in 2024 reflects a seamless blend of innovation and tradition, reinforcing its vision of comprehensive growth for both faculty and students.

Honours/Distinctions of the Teaching and Non-Teaching Staff

Prof.-Principal Dr. Manoj Sinha was re-appointed as Principal of Aryabhatta College in November 2024. He was honored with the Dr. Sarvepalli Radhakrishnan National Educationist Award by the Welfred Foundation for his outstanding contributions to education on October 5, 2024.

Dr. Ankit Prakash (Project Director) and Dr. Anisha Juneja (Co-Project Director) received an ICSSR grant of ₹9,00,000 for a project on elderly mental health in Haryana (2025–2026).

Dr. Priti Jagwani, Dr. Krishna Murari, and Dr. Varsha Singh were awarded ₹18,00,000 by the IKS Division, Ministry of Education for research on ancient Indian mathematics and astronomy (2023–2025).

Prof. Satish Jha and Ms. Namita received an ICSSR grant of ₹7,50,000 for a study on nationalism in India and Britain (2025–2026).

Mr. Binoy Bhushan Agarwal served as Returning Judge for the Queen's Commonwealth Essay Competition 2024, organized by the Royal Commonwealth Society, London.

Dr. Shivani Raheja was appointed as a Doctoral Committee Member at the School of Management, SASTRA University, Thanjavur, in September 2024.

Over 70 research papers were published by faculty members—45 in national journals and 25 in international journals. The Research was featured in Scopus-indexed journals such as Indian Journal of Finance, South Asia Economic Journal, and Annals of the Bhandarkar Oriental Research Institute.

The Faculty presented papers at international academic forums in the United Kingdom, Czech Republic, and Malaysia, reflecting the institution's growing global academic presence.

Students with Distinctions

Moksh, student of B.A. (Hons) Psychology (2024), secured First Position at North Campus Inter-College Dance Competition

Rudhransh Kandelwal, student of B.A. (Hons) Psychology (2024), won Gold in Shooting at Khelo India Youth Games 2024-25.

Parul, student of B.A. (Hons) Hindi (2024), secured Second Position at Delhi State Kabaddi Championship 2024-25

Life Adlakha, student of B.A. Programme (2024), won Gold in Gymnastics at the 38th National Games 2024

Rajesh, student of B.A. (Hons) History (III Year), secured Second Position with the team at the National Kho-Kho Championship.

Aryabhatta College Volleyball Team secured Second Position at the 38th National Games 2024.

Uday and Shagun, students of Aryabhatta College, won Bronze at the Delhi University Inter-College Judo Championship

Shayma, student of Aryabhatta College, secured the position of Second Best Adjudicator at *Razm 2.0*, a Parliamentary Debate Competition organized by Maharaja Agrasen College, October 5–6, 2024.

Misha, student of Aryabhatta College, broke as an Adjudicator at the 10th Edition of *Shivaji Bhosale Parliamentary Debate*, held at Shivaji College, October 19–21, 2024.

Research Projects

Dr. Ankit Prakash, Department of Psychology, has been sanctioned an amount of ₹ 9,00,000/- for a research project entitled *'Cultural Dynamics of Mental Health and Well-being: An Exploratory Study of Elderly People in Haryana'* as Project Director. The grant has been provided by ICSSR and covers the duration from April 2025 till April 2026

Dr. Priti Jagwani, Department of Computer Science, has been sanctioned an amount of ₹ 18,00,000/- for a research project entitled *'IKS Shikshak Prashikshan Kendram for Ancient Indian Mathematics and Indian Astronomy'* as PI. The grant has been provided by IKS Division, Ministry of Education, and covers the duration from April 2023 till April 2025.

Prof. Satish Jha, Department of Political Science, has been sanctioned an amount of ₹ 7,50,000/- for a research project entitled *'New Age Nationalism in the 21st Century and its Cultural Roots: A Study of India and Britain in the Era of Globalisation'* as PI. The grant has been provided by ICSSR and covers the duration from April 2025 till April 2026.

Patents Granted

Chandrasekhar Nishad. *A System and Method for Modelling the Dynamics of Tumour Growth and Treatment Using Delay Differential Equations*. The Patent Office, Government of India. Patent 202511015975. February 24, 2025. National.

Pradeep Singh. *Smart Glass*. The Patent Office, Government of India. Patent 437415-001. February 13, 2025. National.

Seminars Organized

Dr. Ankit Prakash, Convenor, Department of Psychology, Aryabhatta College, University of Delhi, delivered a seminar/talk on *'Discipline Formation in Decolonized India'* on February 25–27, 2025 during the two-day ICSSR-sponsored National Seminar.

Members of Sant Nirankari Charitable Foundation (SNCF), delivered a seminar/talk on 'Water Conservation' on February 17, 2025, at 11:30 AM in the seminar hall. The seminar was organized by the National Service Scheme and Department of Environmental Science, Aryabhatta College, under "Project Amrit".

The English Department delivered a seminar/talk on *'Dalit Literature: From Margins to Mainstream – A Quest for Equality.*

National/International MoUs Signed

MoU signed with Beacon IAS, New Delhi, on 2024-25, Prof. Manoj Sinha, Aryabhatta College, served as the Convenor. As a result of this collaboration (1) Internship opportunities under the Internship, Apprenticeship & Community Outreach (IAC) guidelines of NEP 2020 (Duration: 60 hours). (2) Skill-based training in civil services preparation through structured workshops.

MoU signed with The Mind Garden, New Delhi, on 2024-25, Prof. Manoj Sinha, Aryabhatta College, served as the Convenor. As a result of this collaboration, (1) Psychological counseling sessions for students to support mental health and well-being.

(2) Workshops and seminars focusing on personal development and stress management.

MoU signed with The Mind Garden, New Delhi, on 2024-25, Prof. Manoj Sinha, Aryabhatta College, served as the Convenor. As a result of this collaboration, (1) Internship opportunities under the Internship, Apprenticeship & Community Outreach (IAC) guidelines of NEP 2020 (Duration: 60 hours) (2) Skill-based training in counseling and therapeutic techniques for students and professionals.

MoU signed with Ninth Quadrant, United Kingdom, on 2024-25, 2025-26, for Internship opportunities under the Internship, Apprenticeship & Community Outreach (IAC) guidelines of NEP 2020 (Duration: 60 hours).

MoU signed with Trigya School of Finance and Management Pvt Ltd, on 2025-26, 2026-27, for a Skill-based Certificate Program in New Age Banking (Duration: 50 hours).

Other Collaborations

Collaboration with IKS Centre, Ministry of Education, Govt. of India from 2023 till 2025 for conducting faculty development programs and research initiatives on Ancient Indian Knowledge Systems. This collaboration aims to promote the integration of traditional knowledge in contemporary academic curricula, enhance the understanding of ancient mathematical concepts, and encourage the preservation

and dissemination of India's rich intellectual heritage. It also seeks to support faculty in delivering innovative and culturally relevant educational experiences.

Collaboration with MM-TTC Ramanujan College, Delhi from November 14–20, 2024 for organizing a 7-day Faculty Development Programme (FDP) cum Short Term Programme on 'Significance of Vedic Gyan Parampara in Modern Era' under the MM-TTP of UGC. This collaboration aimed to enhance faculty members' understanding of the relevance of Vedic knowledge traditions in modern education, encouraging the integration of ancient wisdom into contemporary academic practices, and fostering innovative teaching methodologies in the field of mathematics.

Number and percentage of students placed	150
Number of companies visited for campus recruitment	112

Extension and Outreach Activities

Warmth4All winter donation drive by the Northeast Students' Society, distributing essentials to the underprivileged.

NSS volunteer participation at the National Integration Camp in Bengaluru and Khelo India Para Games 2025, aiding event coordination and cultural exchange.

Enactus Aryabhatta's social enterprises, including:

Project Aarazi – Developed and tested organic pesticides.

Project Ibtida – Launched carbon-negative hemp-based products.

Project Palaash – Produced incense cones from floral waste.

Campaigns: Abir (organic gulal), Bandhan (eco-friendly rakhis), and Utsav (attar-infused soy wax candles).

Laasya's semi-classical performance at SAM NGO to foster community spirit.

PICWIC's external outreach:

Coverage of Diwali celebrations at Vikara Foundation NGO.

Collaborative photography workshops and photowalks encouraging cultural exposure.

Finance & Investment Cell's initiative 'Samarth', promoting financial literacy among underprivileged communities.

Sahāyana Peer Support Initiative, offering psychological peer support, orientation sessions, and curated lists of low-cost mental health services.

Heritage Society's educational excursion to Mehrauli Archaeological Park and cultural festivals like Onam and Navratri.

Gender Sensitization Committee's POSH workshop, menstruation awareness session, and visual/verbal campaigns during the college fest.

NCC Cadets' participation in Swachh Bharat Abhiyan, Global Roti Day Walk, Anti-Drug Drive, and Social Justice Day.

Aryabhatta Incubation Centre's Edu-Hub, providing free academic resources and scholarships funded through its ventures.

Rangmanch Theatre Society created socially aware productions such as NIRMOOL, raising awareness on pressing issues.

Library Development

The library has made impressive strides in its development, housing 55,406 barcoded books, 11 journals, and 1,143 new titles for 2022-23, including 207 in English and 936 in Hindi. It subscribes to 11 newspapers and magazines and provides access to over 98,000 e-books and 10,000+ e-journals through NLIST-INFLIBNET. Specialized resources for visually impaired users include Kibo software and Sugamya Pustakalaya with NVDA. Faculty theses and publications are carefully archived for preservation.

Key services include OPAC, a faculty research corner, and more than 8,000 books available through the Students Aid Fund. Plagiarism checking is facilitated by DRILBRIT software. The library is equipped with an e-resource section, newspaper stands, filtered drinking water, and fire safety equipment, enhancing the user experience. The Gallery of Fame promotes art and history. The library has also upgraded to ILMS SOUL version 3.0, ensuring accessibility with resources in both English and Hindi.

Other Significant Information

Since its establishment in 2014, Aryabhatta College has seen remarkable infrastructural and academic progress, including the development of modern classrooms, laboratories, and a fully functional library. A major highlight has been the nearing completion of a new seven-storey academic block with enhanced learning and co-curricular spaces. Sustainability remains central, with rooftop solar panels and rainwater harvesting systems integrated into the campus. The new sports ground has further propelled the college's performance in athletics.

The college has celebrated an outstanding year in sports. Rudhransh Khandelwal represented India at the Paralympics Shooting Games 2024 and clinched Gold at the Khelo India Youth Games. Life Adlakha won Gold at the 38th National Games in Gymnastics. Students earned multiple accolades in wrestling, judo, volleyball, kabaddi, and kho-kho at university and national levels, underscoring Aryabhatta's growing sporting prowess.

NCC cadets brought laurels through their commendable performances across inter-college competitions, winning events such as Guards competitions, Squad Drills, Cultural contests, and Quiz

rounds. Cadets LCPL Dushyant and Abhishek Asiwal represented the college at the Republic Day and PM Rally parades, respectively, showcasing exemplary dedication.

Students have also excelled in the cultural domain. The Music Society won several top positions at institutions like IIT Roorkee, BITS Pilani, and SRCC. The Laasya Dance Society's classical and folk wings earned multiple awards, including 1st positions at ARSD and Swami Shraddhanand College. Debaters secured best speaker and adjudicator awards at major competitions, including Maharaja Agrasen, JMC, and Ramjas.

The Quizzing Club claimed top ranks in prestigious competitions across Delhi University. PICWIC members excelled in photography and film-making, while Enactus received national recognition through the Taco Bell Foundation's Ambition Accelerator. The Nibs & Brushes Society made impactful contributions through mural art and won prizes at various arts festivals. Member Shreya Chugh's published book further adds to the society's literary accomplishments.

ATMA RAM SANATAN DHARMA COLLEGE

Major Activities and Achievements

Atma Ram Sanatan Dharma (ARSD) College has achieved remarkable milestones across academics, research, sustainability, and cultural pursuits. The college holds the highest NAAC accreditation score among all DU colleges, with an A++ grade and a CGPA of 7

In the National Institutional Ranking Framework (NIRF) 2024, ARSD ranked 5th in the college category with a stellar research score of 984, the second highest in India. Its Perception score leaped from 17 in 2014 to 587 in 202 Subject-wise, it ranked 5th in B.A. Political Science, 7th in B.A. History, 8th in Commerce, 9th in Arts, and 15th in Science.

The college has been honored as the "Eco-SDG Champ 2024" by APEX SDG, Hyderabad, and received the "District Environment Championship Award 2024–25" for South West Delhi by the National EduTrust of India—both under the MSME, Government of India—for outstanding efforts in environmental sustainability.

ARSD was awarded the "Certificate of Excellence" for its exceptional completion of the Action Research Project under the Skill-to-Entrepreneurship Program. It also hosted the 10th Rangsheersh Jaidev Theatre Festival (January 28-30, 2025).

The college won seven prizes at the Delhi University Annual Flower Show, including two first prizes, one third, and four commendations for excellence in horticulture.

Honours/Distinctions of the Teaching and Non-Teaching Staff

Dr. Manish Kumar from Department of Physics was recommended to the post of "Adjunct Faculty" at the University Center for Research & Development (UCRD) Chandigarh University.

Women in Science and Engineering Post-Doctoral Fellowship (WISE-PDF) awarded to Dr. Poonam Kumari, ex-Ph.D. Student (under the mentorship of Prof. Sunita Bhagat, Department of Chemistry, ARSD College) awarded by the Department of Science and Technology(DST) with total project grant of Rs.36,12,000/-.

The sanction of fund of Rs. 42,62,960/- (for a duration of three years) towards prestigious fellowship WISE-PDF by DST, Government of India for research in chemical sciences under the Umbrella Scheme

S&T Institutional and Human Capacity Building was given to Dr. Poonam Kumari, WISE-PDF under the mentorship of Prof. Sunita Bhagat, Department of Chemistry, ARSD College.

Dr. Anjali Sharma Kaushik from Physics Department has developed a Thermoelectric measurement set up for thin films and has transferred this technology to one industry M/s Optochem International.

Dr. Anjali Sharma Kaushik from Physics Department Received "Excellence Award for Teacher in Service (under 45 years age)" on Annual Award Ceremony of Delhi University on October 17, 202

Prof. (Capt) Sandeep has been honored with the Additional Director General (ADG) NCC Award 2025 for his outstanding dedication and exemplary contribution to the NCC.

Students with Distinctions

Aditya Agrahari, student of B.A. PolSc (Hons) II Yr, was awarded with First Best Speaker in Traditional Debate Competition organized by Department of Microbiology, Ram Lal Anand College, October 12, 2024.

Kshitij Kumar, student of B.A. PolSc (Hons) II Yr, won the First Prize in Inter-College Traditional Debate Competition organized by Gandhi Study Circle, Kamala Nehru College, October 15, 2024.

Harshvardhan Srivastava, student of B.A. PolSc (Hons) I Yr, won the First Prize in Inter-College Turncoat Debate Competition organized by Viksit Bharat Club and Abhivyakti Debate Committee, Janki Devi Memorial College, October 17, 2024.

Rajneesh Kumar, student of B.A(Prog) II Yr, was awarded with Best Speaker (For) in Mantrana: Inter-College Bilingual Traditional Debate Competition organized by Department of Economics, Rajdhani College, October 19, 2024.

Rajneesh Kumar, student of B.A(Prog) II Yr, was awarded with Best Speaker (For) in Mantrana: Inter-College Bilingual Traditional Debate Competition organized by Department of Economics, Rajdhani College, October 22, 2024.

Simar Bagga, B.Com IIIrd Yr. Vedika Jaiswal Eco (Hons)IIIYr., and Yuvraj Jindal, B.Sc Maths II , won the First Position in Metamorphosis: Short Filmmaking Competition organized by Photography and Filmmaking Club of BITS Pilani, October 23-27, 2024.

Ayush Bhardwaj, student of B.A.PolSc (Hons) I Yr, and Aditya Agrahari, student of B.A.PolSc (Hons) II Yr, won the First Prize in Dispute Summit: Debate Competition organized by Youth Sphere, November 16-18, 2024.

Ratna Kumari, student of B.A.PolSc (Hons) II Yr, won the Second Prize in Dispute Summit: Debate Competition organized by Youth Sphere, November 16-18, 2024.

Karan Kishore, student of B.A.PolSc (Hons) III Yr, won the Third Prize in Dispute Summit: Debate Competition organized by Youth Sphere, November 16-18, 2024.

Ayush Bhardwaj, student of B.A.PolSc (Hons) I Yr, and Mohan Mishra, student of B.A.PolSc (Hons) I Yr , won the Best Team in Tatvachintan 0: Novice Parliamentary Debate Competition organized by Aryabhatta College, November 17-18, 2024.

Simar Bagga, student of B.ScIC(P)II Yr, won the Best Documentary Award in Cinephile: International Film Festival organized by Vivekananda School of Journalism and Mass Communication, Vivekananda Institute of Professional Studies, November 19, 2024.

Prince, student of B.com Hons III Yr, won the First Prize in Online Photostory Competition organized by Photographic Society of St. Stephen's College, January 14, 2025.

Harshvardhan Srivastava, student of B.A.PolSc (Hons) I Yr, and Ayush Bhardwaj, student of B.A.PolSc (Hons) I Yr, won the Best Team in Inter-College Traditional Debate Competition organized by Maitreyi College, January 22-23, 2025.

Rajneesh Kumar, student of B.A(Prog) II Yr, and Harshvardhan Srivastava, student of B.A.PolSc (Hons) I Yr , won the Best Team in Inter-College Traditional Debate Competition organized by PGDAV College, January 31, 2025.

Harshvardhan Srivastava, student of B.A.PolSc (Hons) I Yr, was awarded with Best Speaker (Against) in Inter-College Traditional Debate Competition organized by PGDAV College, January 31, 2025.

Mahak Maurya, student of B.A(Prog) II Yr, and Aditya Agrahari, student of B.A.PolSc (Hons) I Yr , won the Best Team in Swami Vivekananda Memorial National Bilingual Traditional Debate Competition organized by Delhi School of Journalism, February 2, 2025.

Nitya Ahuja, student of B.A(Prog) II Yr, was awarded with Best Speaker in Inter-College Traditional Debate Competition organized by Maitreyi College, February 11, 2025.

Abir Bhunya, student of B.Sc Physics (Hons) II Yr, was awarded with Best Speaker in Inter-College Bilingual Traditional Debate Competition organized by Department of History, Atma Ram Sanatan Dharma College, February 14, 2025.

Harshvardhan Srivastava, student of B.A.PolSc (Hons) I Yr, was awarded with Second Best Speaker in Inter-College Bilingual Traditional Debate Competition organized by Department of History, Atma Ram Sanatan Dharma College, February 14, 2025.

Rishi Kant, student of B.A Prog II Yr., won the First Position in Online Graphic Designing Competition organized by Film and Photography Society of Daulat Ram College, February 19, 2025.

Mahak Maurya, student of B.A(Prog) II Yr, and Aditya Agrahari, student of B.A.PolSc (Hons) II Yr, won the Best Team in Dr. Kalam Series: National Science and Environment Traditional Debate Competition organized by Lady Irwin College, February 21, 2025.

Shivangi Sharma, student of B.A(Prog) III Yr, and Dheeraj Kumar, student of B.Sc IC (P) III Yr Course Name] ([Year]), won the Best Team in Inter-College Traditional Debate Competition organized by Jesus and Mary College, February 21, 2025.

Prince, student of B.Com III Yr, won the First Position in Online Photography Competition organized by Photography Society of Indian Institute of Foreign Trade, February 23, 2025.

Harshvardhan Srivastava, student of B.A.PolSc (Hons) I Yr, won the First Prize in Inter-University Traditional Debate Competition organized by Jamia Millia Islamia, February 24, 2025.

Rajneesh Kumar, student of B.A(Prog) II Yr, won the Second Prize in Inter-University Traditional Debate Competition organized by Jamia Millia Islamia, February 24, 2025.

Mahak Maurya, student of B.A(Prog) II Yr, and Aditya Agrahari, student of B.A.PolSc (Hons) II Yr , won the Best Team in Swami Vivekananda Memorial National Bilingual Traditional Debate Competition organized by Delhi School of Journalism, March 2, 2025.

Ritesh Dongre, student of B.A.PolSc (Hons) II Yr, won the First Prize in Inter-College Extempore Competition organized by Dr. B.R. Ambedkar University, March 4, 2025.

Prince, student of B.Com (Hons) III Yr, won the First Position in Spot Photostory Competition organized by Effulgence: Photography Society of Sri Venkateswara College, March 4, 2025.

Prince, student of B.Com (Hons) III Yr, won the First Position in Online Photography Competition organized by Eco-Club of Bharati College, March 4, 2025.

Prince, student of B.Com (Hons) III Yr, won the First Position in On The Spot Photography Competition organized by Chemistry Department, ARSD College, March 5, 2025.

Umang and Mishthi, students of B.A.PolSc (Hons) II Yr, won the Best Team in Tejas Gurtu Memorial Debate organized by Maharaja Agrasen College. Mishthi was awarded Best Speaker in the finals.

Sarthak, student of B.A.PolSc (Hons) II Yr, was awarded with Best Overall Speaker in Tejas Gurtu Memorial Debate organized by Maharaja Agrasen College.

Dharmendra Choudhary, Ex-Cadet, was recommended from 17 Armed Forces Service Selection Board (SSB) Bangalore, through the rigorous SSB process.

Research Projects

Dr. Anjali Sharma Kaushik, Department of Physics project has been sanctioned an amount of ₹32,00,000/- for a research project entitled, 'Development of thermoelectric energy harvester using Indium selenide thin film' as PI. The grant has been provided by SERB and covers the duration from 2023-2

Dr. Priyanka Yadav, Department of Mathematics project has been sanctioned an amount of ₹22,70,000/- for a research project entitled, 'Predictive online convex optimization with online perturbed constraints' as PI. The grant has been provided by SERB-DST and covers the duration from 2022-2

Prof. Sunita Bhagat, Department of Chemistry project has been sanctioned an amount of ₹42,44,000/- for a research project entitled, 'New strategies for Regioselective C-H functionalization of Aromatic and Heterometric Precursors' as PI. The grant has been provided by SERB-DST and covers the duration from 2021-2

Patents Granted

Dr. Shankar Subramanian, A SYSTEM, METHOD AND COMPOSITION FOR PREPARING HYDROELECTRIC CELL BASED ON La67Ca33 MnO3 NANOCOMPOSITE. P. Dr. Shankar Subramanian. Patent No. 55925 January 30, 202Indian Patent.

Dr. Anjali Sharma. Lithium Doped Potassium Sodium Niobate Thin Film Based Mems Pressure Sensor. Monika Tomar, Anjali Sharma, Lokesh Rana, Reema Gupta, Shweta Sharma. December 20, 202Application No.- 20231102320 Indian Patent

Dr. Anjali Sharma. Indian Patent Lamb Wave Resonator Device For Pressure Sensing. Monika Tomar, Lokesh Rana, Reema Gupta, Anjali Sharma, Pradip K. Jha, Manisha Bharti, A. T. Nimal, Upendra Mittal, July 12, 202Application No.- 20231100211 Indian Patent

Dr. Anjali Sharma. Integration Of Niobium Lead Zirconium Titanate (PNZT) Thin Film Lamb Wave Acoustic Device Indian Patent. Monika Tomar, Lokesh Rana, Vandana, Reema Gupta, Anjali Sharma, Manisha Bharti, A. T. Nimal, Upendra Mittal, James Ajit Raymond. November 29, 202Application No.- 20231103661 Indian Patent

Dr. Anjali Sharma.Fabrication of Lamb Waver Acoustic Device using Potassium Sodium Niobate (KNN) thin films. A. T. Nimal, Upendra Mittal, Monika Tomar, Lokesh Rana, Reema Gupta, Anjali Sharma, Shweta Sharma, Manisha Bharti. June 14, 202Application No.- 20221107094Indian Patent

Patents Filed

Mr. Amit Kumar, Prof. Mahipal Singh, Dr. V. K. Sachdev, Anjali Sharma, Arijit Chowdhuri, Monika Tomar, A method of fabricating a composite material for EMI shielding. Application No.- 20251100523Applied on February 21, 202Indian Patent.

Jainder Pal Singh, Satyam Garg, Ajay Kumar Sao, Babita Sharma, Kajal Jindal, Reema Gupta, Mallika Verma, Anjali Sharma, Arijit Chowdhuri, Upendra Mittal, A. T. Nimal, Monika Tomar Indian Patent (): Method of Preparing Diamond-Like Carbon (DLC) Coated Substrate. Application No.- 20241106982 Applied on September 16, 202 Indian Patent.

Seminars Organized

Prof. Amit Prakash Singh from the University School of Information, Communication & Technology, Guru Gobind Singh Indraprastha University, delivered a seminar on the topic "Research Opportunities in IoT"on August 28, 202Prof. Singh highlighted the transformative impact of IoT across sectors like healthcare, smart cities, and industrial automation, emphasizing key research areas such as sensor networks, data analytics, and security enhancements, while discussing emerging trends like AI integration and addressing challenges including interoperability and sustainability.

Prof. R.K.Singh Senior Prof., Department of Commerce, Faculty of Commerce and Business Delhi School of Economics, University of Delhi delivered a talk on the topic, "AI and Education," On October 5, 202Prof. Singh's discussion focused on how artificial intelligence is reshaping the educational landscape, particularly in personalizing learning experiences, improving student engagement, and streamlining administrative tasks.

Prof. Pravin Chandra from the University School of Information, Communication & Technology, Guru Gobind Singh Indraprastha University delivered a seminar on the topic “Adaptive Methods for Supervised Learning” on November 11, 202Prof, Chandra explained how adaptive methods enhance the learning process by enabling algorithms to adjust to new, incoming data. He provided a comprehensive overview of supervised learning techniques, emphasizing their importance across various domains, while also discussing about neural networks and the brain-like pattern recognition and predictive capabilities.

Dr Indu Aggarwal, HoD, Department of Preventive Oncology, Rajiv Gandhi Cancer Institute and Research Centre, Delhi and Dr Satinder Kaur, Director, Surgical Oncology, Max Hospital, delivered a seminar on the topic "Polycystic Ovarian Disease (PCOD)" on November 14, 2024

Prof. Sukrita Paul Kumar, a distinguished poet, critic, and guest editor of Sahitya Akademi's Indian Literature, alongside Prof. Nishat Zaidi, Prof. Jaydeep Sarangi, senior poet &Principal, New Alipore College, Kolkata, and Prof. Sanjeev Kaushal were part of National level symposium organized in the memory of poet Keki N. Daruwalla under the joint venture of the EDA and the Seminar Committee exploring "Intricacies of Post Modern Indian English poetry" on October 22, 202 Featuring eminent scholars, including keynote speaker, the symposium effectively explained the evolving nature and distinctiveness of the "Decolonised muse."

Prof. Ujjwal Kumar Singh, Department of Political Science, University of Delhi delivered a seminar on the topic "The Indian Constitution, Then and Now, "shedding light on the historical context of the Constitution's framing and the evolution of its interpretation over the decades On November 25, 202

Padma Shri Prof. Akhtarul Wasey President (Vice Chancellor) of Maulana Azad University, Jodhpur, Rajasthan delivered a talk on the topic, "Sufism – Genesis, History, Legacy, and Relevance." On February,13 202Prof. Wasey traced the origins of tasawwuf, elaborated on its principles, and emphasized its enduring relevance in modern times.

Fifteen-Day National Workshop on the Textual Study of Ashtavakra Gita (February 14–28, 2025). Key objectives of the workshop included the development of high-level logical reasoning skills, a mature understanding of spiritual knowledge, the ability to identify hypocrisy in the spiritual domain, and gaining the strength to overcome despondency in life.

A two-day workshop titled "Data Science for Sustainable Development: A Path to Viksit Bharat" (March 20–21, 2025) featured experts from premier institutions who spoke about AI, data analytics, and scientific computing in the context of sustainability.

Conferences Organized

Three-Day International Conference on Recent Advances in Medical Diagnostics (RAMD-2025), held from February 19–21, 2025, in hybrid mode, under the aegis of IQAC by Department of Botany and Zoology. The conference emphasized the importance of rapid and accurate diagnostics and featured a stellar lineup of eminent national and international speakers. The Keynote Address was delivered by Dr. Pragya D. Yadav, Director In-Charge, National Institute of One Health, Nagpur; Scientist 'F' and Group Leader, Maximum Containment Laboratory, ICMR-NIV, Pune, and a recent recipient of the President's Award. She shared insights into India's preparedness against pandemics. Prof. V. K. Chaudhary, NASI Fellow and also a recipient of the President's Award, shared his inspiring journey of developing rapid diagnostic tools. Other notable speakers included Dr. Amit Kumar Yadav (THSTI, Faridabad), Dr. Kumardeep Chaudhury (IGIB), Dr. Himanshu Narayan Singh and Dr. Sanjay Singh (USA), who discussed recent developments and challenges in diagnostics. Dr. Tushar Sehgal, Associate Professor of Haematology, AIIMS, highlighted healthcare challenges and introduced a Made-in-India diagnostic innovation. Prof. R. Elangovan (IIT Delhi) shared his expertise in the field of X-ray imaging, while Prof. Rup Lal presented his 25 years of groundbreaking research in genetic manipulation for anti-tuberculosis drug development. Dr. Sonu Gandhi also shared her contributions in diagnostic research.Dr. Sachin Kumar Agrawal from SONY India, who introduced the audience to the emerging world of Artificial Intelligence in diagnostics.

One-day International Seminar on the theme "Autobiographical Elements and Genres of Hindi Literature" was organized on February 20,2025 under the joint aegis of the Hindi Parishad and the Hindi Seminar Committee. It witnessed the esteemed participation of Dr. Marina Rimasha from the Hebrew

University, Jerusalem, Israel. Renowned critic Kamalanand Jha from Aligarh Muslim University presented his views on "Autobiographical Elements in Poetry," while Professor Devendra Chaubey from the Centre of Indian Languages, Jawaharlal Nehru University, delivered his address on "Autobiographical Elements in Hindi Fiction." Bajrang Bihari Tiwari gave a lecture on the theme "The Other in Autobiography." Several research papers were also presented during the seminar.

National Seminar on the theme of 'Politics in the Digital Era: State, Society, and Economy' with the collaboration of PNB, LIC India and Chanakya IAS on February 27-28, 202 Many distinguished speakers came to speak in this national seminar Dr. Shamika Ravi, Member EAC to the PM, Prof, Lawrence Liang, Ambedkar University, Dr. UshaRamanathan, International legal researcher, Prof. CharuMalhotra, IIPA, Prof. PapiaSen Gupta, JNU, Prof. Ujjwal Kumar Singh, DU, Prof. VashudhaBhatnagar, DU.

3rd International Conference on "Advanced Functional Materials and Devices for sustainable development (AFMD-2025)" Organized by Department of Physics and Internal Quality Assurance Cell (IQAC) March 03-05, 2025 via online mode

Fifteen-Day National Workshop on Sanskrit Sentence Construction (Fifteen-day National workshop on "Sanskrit Sentence Construction" was organized in online mode by the Sanskrit Sabha under the aegis of the Internal Quality Assurance Cell (IQAC) of Atma Ram Sanatan Dharma College, in collaboration with the Department of Sanskrit between October 10-25, 2024)

National/International MoUs Signed

University of the Philippines Manila, 2023, 5 Years, MoU promotes academic and research collaboration and joint initiatives to strengthen global education and interdisciplinary engagement.

University of Delhi, School of Open Learning (Campus of Open Learning), Bhaorao Deoras Sewa Nyas, and Atma Ram Sanatan Dharma College, 2023, 5 Years, this collaboration supports community outreach, vocational education, and inclusive academic programs through multi-institutional partnerships, fostering holistic development and access to lifelong learning opportunities.

Aditya Birla Trust – Mpower, 2025, 1 Year, The partnership focuses on mental health awareness, counselling services, and resilience-building among students through expert-led sessions and outreach initiatives, creating a supportive campus environment.

Government PG College, Berinag & Karanprayag under Vidya Vistar Scheme (V2), 2021, 5 Years, The MoU facilitates academic resource sharing, faculty training, and digital collaborations, enriching education in remote areas through curriculum enhancement and regular academic interactions.

NSUT, 2021, Ongoing, This ongoing partnership provides students with opportunities in research, internships, and innovation-driven projects, encouraging interdisciplinary learning and access to advanced technical infrastructure.

National Productivity Council, 2021, 5 years, The MoU focuses on promoting productivity enhancement, quality standards, and capacity-building through training programs, research collaboration, and awareness campaigns aligned with national development goals.

Arvind Mahila College, Patna, 2024, Ongoing, The agreement aims at academic collaboration, exchange of best practices, and joint initiatives in cultural, sports, innovation, and research activities to foster holistic student development.

SDRS, New Delhi, 2018, Ongoing, The partnership supports sustainable development research, policy-based studies, and student-led projects that emphasize environmental awareness and rural engagement through practical learning modules.

NSS ARSD & Connecting Dreams Foundation, 2017, Ongoing, This MoU enables youth-driven social innovation, leadership development, and grassroots community initiatives, empowering students to create impact through structured, real-world problem-solving projects.

Ministry of MSME, 2016, Ongoing, The collaboration promotes entrepreneurship, skill development, and startup support through workshops, training programs, and incubation linkages aimed at fostering a culture of innovation and self-reliance.

KaroSambhav (E-waste Management), 2025, 1 Year, The initiative supports environmental sustainability through e-waste awareness campaigns, collection drives, and educational activities aligned with the Sustainable Development Goals (SDGs).

Learning Links Foundation – "Women in AI" Programme, 2025, Ongoing
This MoU empowers female students by providing AI-related training, mentorship, and exposure to emerging technologies, promoting gender inclusivity in the field of artificial intelligence.

AKMV Consultants Pvt. Ltd., 2025, Ongoing, The partnership strengthens the institutional incubation ecosystem through funding assistance, stakeholder coordination, and capacity-building for startup support, innovation management, and entrepreneurship development.

Other Collaborations

Fifteen-Day National Workshop on Sanskrit Sentence Construction (October 10–25, 2024) With the aim of enhancing the ability to construct sentences in Sanskrit and to comprehend the meaning of Sanskrit sentences, a fifteen-day National Workshop on Sanskrit Sentence Construction was organized in online mode by the Sanskrit Sabha, under the aegis of the Internal Quality Assurance Cell (IQAC) of Atma Ram Sanatan Dharma College, in collaboration with the Department of Sanskrit.

The Fine Arts and Crafts Society of the college collaborated with Prashraya, a dedicated NGO working towards the beautification and revitalization of MCD schools across Delhi, January 27, 202 As part of this initiative, the students contributed their artistic talents to transform the Andrewz Ganj MCD School into a vibrant and welcoming space. Through creative wall paintings, thematic murals, and colorful decor, they enhanced the aesthetic environment of the school. This effort not only brought smiles to the students and staff but also instilled a sense of pride and ownership in the school community. It was a meaningful step towards community engagement through art.

FactShala Workshop (February,10 2025), conducted in collaboration with PTI, DataLeads, and the Google News Initiative. The session focused on media literacy, fact-checking, and digital awareness.

The Fine Arts and Crafts Society of the college proudly collaborated as an Official Partner for the prestigious DU Literature Fest held at Shri Ram College of Commerce (SRCC) from February 21-23, 202 As part of the partnership, students from the Fine Arts and Crafts Society played a pivotal role in enhancing the campus ambiance by undertaking extensive beautification work. From installing artistic displays and banners to creating literary-themed murals and decorative elements, their creative efforts transformed the venue into a lively and inspiring space for literature enthusiasts. This collaboration provided students with an excellent platform to showcase their skills while supporting a major academic event.

Number and Percentage of Students Placed 427(30%)

Number of Companies Visited for Campus Recruitment

Companies visited :42 Companies Visited (42) like EY India, StoreHippo, Coding Ninjas, Deloitte USI, KPMG India, Placify, CodeYoung, RMSI, Carpel.ai, Park+, Internshala, Preferred Square, Accenture, Ditto, Big Oh, Notations, Growtomation, Tripple One, MyFollo, Adverk Technologies, Intect, Hike

Education, Academor, Upriver, Mndenious, Zyoin, BDO Rise, Glowlogics, Cars24, Shakti Legal Compliance India, Galytix, Infollion Services, Zomato, Savills India, IHCL, Lenskart, HCL Tech, Accobloom, Aditya Birla, AKMV Consultants, uBreathe, City Union Bank, Grantley.

Extension and Outreach Activities

In the academic year 2024–25, ARSD College organized a wide array of enriching academic, social, and outreach activities. Various departments facilitated educational trips—Electronics students visited PowerGrid Academy (Manesar) to explore power transmission technologies, while Botany and Zoology students participated in a school outreach program showcasing biological tools. The Physics department arranged visits to the National Science Centre and institutions like IUAC and AMD, enhancing exposure to space and nuclear science. The English department visited the Partition Museum, integrating history, literature, and art.

Enactus ARSD spearheaded impactful initiatives under projects Kalakaari, Avni, Niramaya, Samvedna, and Srijan, focusing on women empowerment, healthcare, education, and sustainability through workshops, outreach, and environmental activities. Notable events included pottery and coconut recycling workshops, a winter collection drive, and plantation drives in collaboration with NGOs. NSS also conducted several socially driven activities including cleanliness drives under the "Plastic-Free Abhiyan," tree plantation under "Ek Ped Maake Naam," a health fair, and a blood donation camp. Cleanliness efforts extended to the Yamuna riverbanks and city parks, emphasizing environmental responsibility.

Interactive student engagements included group discussions on ethical voting and cleanliness, and poster-making competitions on road safety, voting, and Swachhta. Workshops on yoga, self-defense, and sustainable pottery further encouraged well-being and skill development.

A major outreach program on September 24, 2024, involving seven departments, welcomed school students for hands-on learning under VVM 202 Together, these initiatives cultivated academic enrichment, civic awareness, community engagement, and holistic student development across diverse domains.

Library Development

The College Library serves as a comprehensive resource center, offering printed and electronic materials, including 127,315 books, reference works, and newly acquired 1,869 books, 23 periodicals, and 39 magazines in 2024–2 It supports a wide user base, recording visits from approximately 69,053 students and 1,409 faculty, with 12,348 books issued and 12,612 returned. The Library provides access to University of Delhi e-resources, NLIST, DELNET, and ONOS, enabling remote access. Automated through SOUL 0, it features OPAC and RFID systems. Its infrastructure includes 35 PCs, OPAC terminals, and a dedicated Divyang section with assistive tools. With a seating capacity for 150 students and 30 faculty, it offers inclusive, modern facilities. The Library hosts internships for students from Delhi University, DLA, and IGNOU. It also promotes professional development through events like book exhibitions. Notably, it has procured specialized equipment for visually impaired students, enhancing accessibility and inclusivity in its services.

Faculty Strength

Senior Professor/Professor/Director	18
Associate Professor	66
Assistant Professor	105
Ad-Hoc.	2

Guest	28
₹ Funds Utilized (Crores)	807500000
₹ Funds Allocated (Crores)	797500000

Other Significant Information

Atma Ram Sanatan Dharma (ARSD) College, under the University of Delhi, is a premier institution recognized for its academic excellence, forward-looking initiatives, and commitment to holistic student development. The college has carved a niche by integrating employability, entrepreneurship, innovation, and sustainability into its core values.

A key highlight is the establishment of the Centre for Innovation and Entrepreneurial Leadership (CIEL) and the Technology Business Incubator (TBI), the first among Delhi University colleges, supported by the Ministry of MSME. These platforms empower students to turn ideas into viable ventures, supported by expert-led workshops, internships, and industry interactions. Events like the Export Development Programme and Industrial Motivation Campaign enhance industry-academia collaboration.

The college's collaborations with FutureSkills Prime, NIESBUD, and the National Productivity Council foster digital literacy, leadership, and self-reliance. Through its Placement and Skill Development Cells, over 2800 students have gained access to Coursera courses, and job fairs with recruiters like EY, Wipro, KPMG, and L&T have expanded employment opportunities.

As a network institute of the Indian Institute of Remote Sensing (ISRO), ARSD has conducted certified courses on remote sensing and GIS. It is also a DBT STAR College with a ₹94 crore grant, boosting science education through the PRABODH Scheme and Central Instrumentation Facility (CIF), which support in-house research, patents, and international recognition.

Inclusivity and creativity thrive through vibrant student societies—Rangayan (dramatics), Enactus ARSD, and various cultural and creative clubs—encouraging leadership, social innovation, and alignment with the UN Sustainable Development Goals. A unique production-oriented theatre course also enriches creative learning.

A pioneer in sustainability, ARSD has received accolades such as the District Eco-SDG Champion and Green Campus Awards. Through projects in solar lighting, waste management, and rainwater harvesting, and with inclusive infrastructure for Divyangjan, ARSD exemplifies education for impact and transformation.

***

BHAGINI NIVEDITA COLLEGE

Major Activities and Achievements

Professor Shri Prakash Singh, Director, South Campus, University of Delhi was the Chief Guest at the Annual Day and Prize Distribution Function 2023-24 held on April 16, 2024. Padam Shri Dr. Nalini Asthana and Dr. Kamalini Asthana were the Guests of Honour. The college celebrated its Founder's Day on August 24, 2024. On this occasion, Prof Yogesh Singh, Hon'ble Vice Chancellor, University of Delhi unveiled the statuette of Sister Nivedita in the college premises. The Music Department, Performing & Fine Arts Society and the Department of Environmental Studies together, in collaboration with SPIC MACAY, organized an Odissi Dance Lecture Demonstration by the renowned Odissi Dancer Padmashri Vidushi Madhavi Mudgal on October 17, 2024. The Music Department hosted a musical recital by the esteemed Padma Shri Vidushi Malini Awasthi on March 5, 2025. Dr Punam Dagar,

Associate Professor, Dept of Political Science was awarded a Major Research Project on 'Empowering Tribal Communities: A Community based Tourism Approach in Himachal Pradesh - Step for Viksit Bharat@ 2047' by the Indian Council of Social Science Research (ICSSR). The Physics Department, under the aegis of IQAC, organized a National Workshop on "Fundamentals of Research Methodology: Empowering Research Minds" on March 24-25, 2025.

Honours/Distinctions of the Teaching and Non-Teaching Staff

Maj Parminder Sehgal, ANO was awarded the Silver medal in the Refresher Course held at Officers Training Academy, Gwalior (April 15, 2024 to May 04, 2024).
Mr. Jeetendra Kaushik, Jr. Assistant (Accounts) Cleared UGC NET exam in Commerce and qualified for Assistant Professorship and admission to Ph. D.

Students with Distinctions

Ms. Sanjana, a student of B.A Programme 2nd year, was awarded the prestigious Hana Scholarship worth about forty-two thousand rupees by Hana Nanum Foundation.

Ms. Prabjot Kour, a student of BA. Prog. 1st Year (241996), won the 1st Positions in 11TH National TANG SOO DO - LOBA-FIGHTING, AERO SQAY, BOARD BREAKING Championships 2024-25 held in Delhi. She won the 1st and 2nd Positions in 6th Tri-Nation SQAY MARTIAL ARTS Championship held in Kathmandu, Nepal.

Research Projects

Dr Punam Dagar, Associate Professor, Dept of Political Science was awarded a Major Research Project on 'Empowering Tribal Communities: A Community based Tourism Approach in Himachal Pradesh - Step for Viksit Bharat@ 2047' by the Indian Council of Social Science Research (ICSSR).

Seminars Organized

The Fabric and Apparel Science Discipline of the Department of Home Science successfully organized a one-day seminar on "Integrating Indian Knowledge System into Fashion for a Sustainable Future" on March 26, 2025. Dr. Anamika Pathak, Former Curator, National Museum, delivered an enlightening presentation on the role of the Indian Knowledge System in traditional textiles, tracing the historical roots and symbolic meanings embedded in indigenous crafts. Dr. Gurvinder Kaur Gundev, Head of Archives at Tarun Tahiliani Design gave a talk on how traditional textiles have found new expression in modern Indian fashion. Dr. Venkatesan, Assistant Professor at IIT Delhi, provided a thought provoking perspective on sustainability in the textile sector.

Number and Percentage of Students Placed 06

Extension and Outreach Activities

VISIT TO OLD AGE HOME: NSS volunteers undertook a week-long programme of visiting an old age home from April 24-30. The NSS volunteers spread cheer by playing games, singing and dancing with the residents and learnt from their experiences. INAUGURATION OF LIBRARY AND SKILL DEVELOPMENT CENTRE: the NSS unit established and held the Inaugural ceremony of a library and skill development centre at the Sapera Basti on March 06, 2025 to promote reading habit among the children of the basti.

BOOK DONATION DRIVE: A book donation drive was run from February 25, 2025 to March 05, 2025. Donations were made by the teaching and non-teaching staff and students. NSS volunteers collected more than 300 books for the needy people.

Library Development

Collection Enhancement: The college library has collection of approximately 34,499 books. About 514 books added during the year 2024-25

Periodicals and Newspapers: subscribe 44 journals and magazines, along with 14 popular newspapers. Internet Access: Access to internet-based services within the library premises, facilitating research and learning activities.

Online Public Access Catalog (OPAC): Our library is equipped with the Libsys software package. One Nation One Subscription (ONOS) : College Library is a member of One Nation One Subscription (ONOS) portal in which Access to journals are being provided through national subscription coordinated by the Information and Library Network (INFLIBNET) Centre.

Plagiarism Check Facility: In line with the commitment to promoting academic integrity, we have implemented the Turnitin software facility. This tool, initiated by MHRD, INFLIBNET, UGC, allows scholars to conduct plagiarism checks on their publications, thereby enhancing the quality and originality of research output.

BHARATI COLLEGE

Major Activities and Achievements

Bharati College had the honour of hosting the Hon'ble Vice President of India in August 2024 for an inspiring address and interaction on the theme "Role of Women in Viksit Bharat." To promote research, the College published the December 2024 issue of its journal Arthavaan. Additionally, five focused sessions were held on key research themes including plagiarism, research writing, and the use of R in Business Analytics. An internal Academic Audit conducted in April 2024 enabled departments to reflect on and enhance academic practices.

In recognition of its horticultural excellence, the College received an Appreciation Award at the 37th Garden Tourism Festival organized by Delhi Tourism. At the Annual University Flower Show, the Salvia and Anglonema exhibits were adjudged best. Further we won first prize in the tray garden category, and third place for best lawn. Our students remain central to the College's achievements. Their innovation was rewarded with a cash prize at the University of Delhi's Startup Competition. They also contributed significantly to the launch of The Dhairya Civil Services Times. In sports, Aasin represented Delhi in major hockey championships, while Sanskriti secured first place in the Inter College Taekwondo Championship, University of Delhi.

Honours/Distinctions

Faculty

- Prof Saloni Gupta received the Ecological Education Award at the 34th World Environment Congress.
- Prof Saloni Gupta was conferred with the Eco Visionary Certificate Award by the National EduTrust of India.
- Dr. Abhishek Puneet, Dr. Vandana Yadav, Dr. Bhavan Sivan and Dr. Vasundhara received the World Peace Education and Promotion Award.
- Dr. Shilpi Sahi received the Prof. Om Prakash Best Paper Award at the XXVI Annual International Conference on Viksit Bharat organized under the joint auspices of DSPSR (IP University) and Trinity University of Asia, Philippines.
- Dr. Bindia Trivedi was awarded the Outstanding Paper Presenter Award in the Fourth International Sanskrit Conference jointly organized by Maitreyi College University of Delhi and the Institute of Advanced Sciences, USA.

Students

- Sanjana student of B.Sc Hons. Mathematics was College topper with a CGPA of 9.50.

- Arhama Malik of B.A Hons. English was awarded the Most Original Concept in Play Production Award in the National Drama Competition organised by the Shakespeare Society of India on February 15, 2025.
- Anshika Jha was awarded the Best Speaker Award in the Inter College Declamation Competition organised by Republica, Atma Ram Sanatan Dharma College on January 25, 2025.
- Divya Malhotra of B.A Hons. English was awarded the Outstanding Paper Award at the Young Scholar's National Conference organised by Janki Devi Memorial College on April 18-19, 2024.

Seminars Organized

- Prof Raj Nehru, Vice-Chancellor of Shri Vishwakarma Skill University, Prof Raj Kumar Mittal, former Vice-Chancellor of Chaudhary Bansi Lal University, Alok Tripathi, Director (Scheme & Skilling) at MEIT, Government of India, Sanjay Sharma, Member of Legislative Assembly, Uttar Pradesh, Prof Pradeep Chouhan of Jawahar Lal Nehru University (among others) were speakers at the National Seminar on 'Bharat@2047: Inspiration for World Economies' held on April 6 2024 (in association with Swadeshi Shodh Sansthan).
- Ms Neha Dixit, an award-winning independent journalist and author delivered a talk on "Women in Media: Exploring the Intersection of Gender and Media Ethics" on September 25, 2024.
- Prof. Seema Bawa, Professor, Department of History, University of Delhi delivered a talk on Discourse of Pleasure and Leisure in Mathura Art on February 24, 2025.
- Prof. Jagdish Mukhi (Former Governor of Assam, Nagaland & Mizoram), Dr. Prassana Kumar Pathak (Dean, Faculty of Agriculture, Assam Agricultural University), and Dr Martin Kamodong, Department of Sociology, Jamia Millia Islamia were speakers in the One Day National Seminar on "Society and Sustainability for Vision Viksit Bharat @2047: Addressing Socio-Economic and Environmental Challenges in the North East Region of India" held on January 31, 2025 (in association with ICSSR).
- Mr. Pradeep Rai, Maitreyi College, University of Delhi delivered a talk on Plagiarism Detection and Removal, Koha Software and Managing Citations on January 29, 2025.

Conferences Organized

- Round Table Conference entitled "One Nation, One Election." was organised on November 26, 2024.
- Undergraduate Interdisciplinary Conference entitled "Conspiracy Theories: Power, Politics, and Society" was organised on February 10-11, 2025.
- Conference entitled "International Conference on the Concept of Motherland in Hindi and Russian Literature" was organised in collaboration with M.Gorky Institute of World Literature, Russian Academy of Science, Embassy of the Russian Federation in New Delhi and the Leo Tolstoy Museum on February 24-25, 2025.
- Conference entitled "Second Global *Vidushi* Conference" was organised in collaboration with Mata Sundri College and the Global Sanskrit Forum on March 20-21, 2025.

National/International MoUs Signed

- An MOU was signed with Samarth Bharat on June 20, 2024. Mr. Vimlok Tiwari was the Single Point of Contact from Bharati College. As a result of this collaboration, students will be trained in skill enhancement courses such as Nail Art and Bakery.
- An MOU was signed with Goonj on April 12, 2024. Bharati College was represented by Prof Saloni Gupta- Principal. As a result of this collaboration, Bharati College now serves as a dropping centre for collection of household utility material.
- An MOU was signed with Salam Balak Trust on April 10, 2024. Bharati College was represented by Prof Saloni Gupta- Principal. As a result of this collaboration, students of Bharati College strengthened their learning experience and were able to work towards meeting the requirements for the paper titled "Internship, Apprenticeship, & Community Outreach" under UGCF.

- An MOU was signed with NewsRoot on April 4, 2024. Bharati College was represented by Prof Saloni Gupta- Principal. As a result of this collaboration, students of Bharati College strengthened their learning experience and were able to work towards meeting the requirements for the paper titled "Internship, Apprenticeship, & Community Outreach" under UGCF.
- An MOU was signed with Lady Florence Convent School on April 6, 2024. Bharati College was represented by Prof Saloni Gupta- Principal. As a result of this collaboration, students of Bharati College strengthened their learning experience and were able to make efforts to fulfill the requirements for the paper "Internship, Apprenticeship, &Community Outreach under UGCF.
- An MOU was signed with SOL(DU) and Bhaorao Deoras Sewa Nyas on February 7, 2023 (for a duration of 5 years). Bharati College was represented by Prof Saloni Gupta- Principal. As a result of this collaboration, it is proposed to set up a Career Development Centre in Bharati College.

Other Inter-Institutional Collaboration

- Collaboration with Cluster Innovation Centre, University of Delhi for a Training Programme on Undergraduate Research and Project Based Learning on February 4, 2025. This training was particularly relevant in light of the Undergraduate Curriculum Framework recently introduced by the University of Delhi in alignment with the principles of NEP 2020, which encourages student research initiatives during the fourth year of their studies.
- Collaboration with Zigly Foundation for a Seminar on Caring for Animals on October 8, 2024.
- Collaboration with Clean to Green TM society for a training programme on Waste Management on September 13, 2024. Such training is essential for sensitization towards the environmental challenges of our times.
- Collaboration with NIELIT to provide quality technical education.
- Collaboration is ongoing with several institutions (Renukiran Welfare Foundation, Pehchaan, National Thalassemia Welfare society, Sparsh Social Welfare and Charitable Organization among others) to provide internship opportunities for students.

Placement Details (Number and percentage of students placed)

Number and percentage of students placed: 29(34.12%)

Extension and Outreach Activities

- Village Adoption & Medical Support: The College adopted five neighboring villages under UBA—Possangipur, Tihar, Titarpur, Hastsal, and Chaukhandi. Through Project Ayushman, regular medical camps were organized providing healthcare services to the residents.A menstrual health and hygiene seminar as well as blood donation drives were also conducted.
- Support for Marginalized Communities: In collaboration with Sewa Bharati, NSS volunteers visited GB Road to understand the challenges faced by sex workers and participated in ongoing medical camp.
- Partnership with GOONJ: We are a collection center for household materials by the NGO GOONJ.
- Project Pashusneh launched with the objective of fostering compassion towards animals. For eg. Water Pots were installed on campus.
- Emergency Preparedness Training: The NSS, in collaboration with AIIMS, organized a First Responders Workshop to train participants in essential life-saving techniques.

- Gender Awareness and Advocacy: The Girl Up Agni cell led several impactful initiatives, including Aagaz I Nari, a digital campaign aimed at challenging gender stereotypes. They also conducted community surveys to promote women's safety.
- Organ Donation Awareness: In association with Dadhichi Deh Daan Samiti, the College undertook significant efforts to promote the importance of organ donation.
- LGBTQIA+ Inclusion: The IRIS Queer Collective organized sensitization workshops to promote gender inclusivity and hosted the Bi Bazaar to support queer-owned small businesses.
- Civic Engagement: The Viksit Bharat Ambassador Club led a public awareness campaign to emphasize the importance of voting.
- AudioBlock Podcast: Technophiles society runs Audioblock, a podcast that spotlights critical issues. This year, episodes included themes like Women in STEM.

Other significant information

Under the aegis of the Internal Quality Assurance Cell (IQAC), Bharati College has undertaken a series of initiatives aimed at enhancing and securing campus life.

In December 2024, a highly instructive and successful Demonstration Programme on Disaster Management and Fire Safety was conducted in collaboration with the Delhi Fire Service and the Organisation of Disaster Managers. In recognition of its commitment to health and hygiene, the College has been certified by the Food Safety and Standards Authority of India (FSSAI) as an Eat Right Campus.

Furthering its objective of capacity building, the IQAC organised an intensive three-day Training Programme on General Administration and Finance, which was open to professionals from universities across the country. The College's collaboration with Samarth Bharat continues to thrive, particularly through the Nail Art and Bakery Skill courses, which have seen sustained demand due to their success in previous sessions.

A positive trend has also emerged in the growing number of students undertaking internships—many of which hold the potential to translate into full-time placement opportunities.

Throughout the reporting period, the College has had the privilege of hosting esteemed experts and dignitaries from various fields. Notable among them were Prof. Jagdish Mukhi, Shri Jagdish Yadav, Chairman, Commission for OBC, Government of NCT, Delhi, Prof Vempaty Kutumba Sastri, Vice Chancellor Shri Chandra Shekharendra Saraswati Mahavidyalaya, Kanchipuram and Prof. Murli Manohar Pathak, Vice Chancellor, SLBSLR Vidyapeeth, Delhi whose visits enriched the academic and cultural environment of the institution.

Financial Allocation and Utilization

Grants allocated:	₹ 45.01 crore
Grants utilized:	₹ 44.74 crore

***

BHASKARACHARYA COLLEGE OF APPLIED SCIENCES

Major Activities and Achievements

The college was appreciated by Dadhichi Deh Daan Samiti for creating awareness among students about the importance of organ donation on March 16, 2025. The college was recognized by the Sant Nirankari Charitable Foundation for its active participation in the 2024 Yamuna River cleaning initiative on February 4, 2025. CPDHE, UGC-MMMTTC, University of Delhi, in collaboration with our college and Catholicate College (MG University, Kottayam), organized an Online FDP on "NEP Orientation and Sensitization" from January 6 to 15, 2025. The event featured 16 distinguished speakers from 15 institutes and 151 participants across disciplines. College was felicitated by the Delhi State AIDS Control Society (DSACS) on World AIDS Day, December 1, 2024, for the AIDS awareness activities under the Red Ribbon club. The College participated and completed the 30-Day Environmental Challenge during August-September 2024, given by National Edu Trust of India (Registered under Ministry of Micro, Small and Medium Enterprises, Government of India (UDYAM-CH-01-0039500). The CTO, NCC of the college, received the rank of Lieutenant and is designated as an Associate NCC officer (ANO) by NCC. In 2023-24, the college recruited the first batch of 22 cadets and four cadets were awarded rank on April 30, 2024. In the second batch, 18 students were selected for the first year of the NCC program 2024-25.

Honours/Distinctions

Faculty

Dr. Amandeep Kaur, Convener Eco Club collaborated with the National Edu Trust of India, NEI and successfully completed the 30 -Day Environmental Challenge during August-September 2024 with active participation from the students of our esteemed college.

MOOC "Environmental pollution and human health" developed by Dr. Neha Singh of our college in collaboration with Dr. Tejpal Singh (Faculty, Central University of Haryana) received the best MOOC award at the 26th CEC, UGC Educational Film Fest.

Dr. Shikha Srivastava has been officially certified as a Master trainer in Indian Knowledge System by the Ministry of Education, Govt. of India on 09th August 2024.

Students

Aaryan Srivastav, Ashish Jayant, Anjali Chaurasia, Aakash Kaira, and Rajdeep Das of the second year of B.Sc. (Hons.) Microbiology (II year) secured First Prize in the National Calendar Making Competition 2025 organized by the Microbiologists Society, India.

Atmajyoti Panda of B.Sc. (Hons.) Zoology (I year) presented a Poster titled Role of Biotechnology in Biological Sciences in the International Conference: Role of Biotechnology in Biological Sciences Striving for a Sustainable Future" RBBS-2025 organized by the Department of Zoology, Miranda House, University of Delhi from February 6-8, 2025.

Avinash Kumar Gupta of B.Sc. (Hons.) Electronics (III year) presented a poster entitled Advancements in Microbial Community Analysis in Bionsensor for Hazardous Gas Sensing using MFC Technology during an International Conference organised by Environment and Social Development Association (ESDA) on November 16-18th 2024.

Chhavi Podwal, student of B.Sc. (Hons.) Food Technology (III year) was the University topper and recipient of the University Medal.

Himanshu Kumar Yadav of B.Sc. (Hons.) Microbiology (I year) won Second Prize in the Food-o-shark tank as an entrepreneur, organized at Shaheed Rajguru College of Applied Sciences for Women on February 24, 2025.

Ishra Parveen of B.Sc. (Hons) Botany (III year), was awarded Third Prize in Oral Presentation Competition on topic "Ozone: Past & Present Scenario" organized by the Department of Botany, Hindu College, University of Delhi, on September 17th, 2024.

Kushal Das, student of B.Sc. (Hons.) Instrumentation (III year) was the University topper and recipient of the University Medal.

Meenakshi and Sonakshi Srivastava of B.Sc. (Hons.) Biomedical Science (III year) won the first prize in National Rangoli Making Competition. The college rangoli competition entries were selected in the undergraduate category as one of the top 14 colleges in the National Rangoli Making Competition.

Pradeep Kumar Gupta of B.Sc. (Hons.) Electronic Science (III year) participated and presented a paper (oral) entitled Advancements in Microbial Fuel Cell based Biosensors- A Comparative Analysis of Configurations, Sensitivity and Applications during an International Conference on "Innovations in Science and Technology: A Perspective of Viksit Bharat @ 2047" held at Deen Dayal College, on March 19-20, 2025.

Prince Gupta, student of B.Sc. (Hons.) Polymer science (III year) was the University topper and recipient of the University Medal.

Rina Chowdhary of B.Sc. (Hons.) Biomedical Sciences (III year) presented her paper “Revolutionizing Protein Crystallization for In-Space Manufacturing: Microgravity's Influence on Fluid Dynamics, Experimental Techniques, and Biological Implications” in the International Astronautical Congress October 14-18, 2024 at Milan, Italy.

Shashwat S Nair of B.Sc. (Hons.) Microbiology (III year) won First Prize in the Poster Presentation session organised on the occasion of National Science Day, National Institute of Immunology on February 28, 2025.

Shashwat S Nair of B.Sc. (Hons.) Microbiology (III year) won First Prize in the Microbioword, a crossword puzzle competition organized by the Department of Microbiology Government Institute of Science, Chhatrapati Sambhajinagar, on January 18, 2025.

Sunny Kumar of B.Sc. (H) Food Technology (III year) has been selected by All India Food Processors Association (AIFPA) for Italian Technical Services Award 2024 which carries a Silver Medal and its certificate on March 6, 2025. He was awarded Merit-cum-Means Scholarship Mentorship for the Undergraduate Students of Food Science & Nutrition by Protein Foods & Nutrition Development Association of India for the year 2024.

Uday Sharma, of B.Sc. (Hons) Zoology (I Year) Presented a Poster titled Application of environmental DNA to detect Substratum and Aquatic Invasive Species in the international Conference: Role of Biotechnology in Biological sciences Striving for a sustainable Future” RBBS-2025 organized by the Department of Zoology, Miranda House, University of Delhi, February 6-8, 2025.

Utsav Goyal of B.Sc. (Hons) Electronic Science (III year), presented a poster titled” Microbial Fuel Cell Biosensor: leveraging Electroactive microorganisms for Carbon Monoxide Detection” during an International Seminar held at Lakshmibai College, University of Delhi during February 06-07, 2025.

Vaishnavi Bhardwaj of B.Sc. (Hons) Zoology (II Year), Presented a Poster titled in the International Conference: Role of Biotechnology in Biological Sciences Striving for a Sustainable Future, RBBS-2025 organized by the Department of Zoology, Miranda House, University of Delhi, February 6-8, 2025

Vanshika of B.Sc. (Hons.) Biomedical Sciences (I year) was awarded for best interjection in the 7th Annual National Debate competition under Dr. Kalam Series on Science and Environment on "Emerging trends are not yet ready to realize the true potential of blockchain technology" organised by Department of Science, Lady Irwin College, University of Delhi on February 21, 2025.

Research Projects

Dr. Anil Barak, Department of Polymer Science has been sanctioned ₹826,900/- for a research project entitled "Development of eco-friendly and sustainable natural dyes from plant extract" as Co-PI. The grant has been provided by Indian Knowledge Systems Division, Ministry of Education @ AICTE and covers the duration from December 2022 to December 2024.

Dr. Anjali Saxena, Department of Zoology has been sanctioned ₹12,75,000/- for a research project entitled "Producing Novel Therapeutics for Heart Health and Disease The Role of Gut Microbiota" as

PI. The grant has been provided by Ministry of Micro, Small & Medium Enterprises, Government of India and covers the duration from March 2024 to March 2025.

Prof. Avneesh Mittal, Department of Electronic Science has been sanctioned ₹913,402/- for a research project entitled "Metagenomic analysis of pulmonary microbiome to understand susceptibility to SARs-CoV and associated mucormycosis" as PI. The grant has been provided by ICMR and covers the duration from June 2022 to June 2024.

Prof. Avneesh Mittal, Department of Electronic Science has been sanctioned ₹826,900/- for a research project entitled "Development of eco-friendly and sustainable natural dyes from plant extract" as Co-PI. The grant has been provided by Indian Knowledge Systems Division, Ministry of Education @ AICTE and covers the duration from December 2022 to December 2024.

Prof. Balaram Pani, Department of Chemistry has been sanctioned ₹913,402/- for a research project entitled "Metagenomic analysis of pulmonary microbiome to understand susceptibility to SARs-CoV and associated mucormycosis" as PI. The grant has been provided by ICMR and covers the duration from June 2022 to June 2024.

Prof. Eram S. Rao, Department of Food Technology has been sanctioned ₹50,000/- for a research project entitled "Developing Plant-based food products" as PI. The grant has been provided by Natturz Bio Kontrol Pvt. Ltd. and covers the duration from July 2023 to July 2024.

Prof. Eram S. Rao, Department of Food Technology has been sanctioned ₹96,000/- for a research project entitled "Development of Food Technology for New Unani Ahaar" as PI. The grant has been provided by Central Council for Research in Unani Medicine, Ministry of AYUSH, Govt. of India and covers the duration from January 2025 to March 2025.

Dr. Meenakshi Garg, Department of Food Technology has been sanctioned ₹50,000/- for a research project entitled "Developing Plant-based food products" as PI. The grant has been provided by Natturz Bio Kontrol Pvt. Ltd. and covers the duration from July 2023 to July 2024.

Dr. Meenakshi Garg, Department of Food Technology has been sanctioned ₹96,000/- for a research project entitled "Development of Food Technology for New Unani Ahaar" as Co-PI. The grant has been provided by Central Council for Research in Unani Medicine, Ministry of AYUSH, Govt. of India and covers the duration from January 2025 to March 2025.

Prof. Siddharth Sirohi, Department of Polymer Science has been sanctioned ₹826,900/- for a research project entitled "Development of eco-friendly and sustainable natural dyes from plant extract" as PI. The grant has been provided by Indian Knowledge Systems Division, Ministry of Education @ AICTE and covers the duration from December 2022 to December 2024.

Prof. Uma Chaudhry, Department of Biomedical Science has been sanctioned ₹913,402/- for a research project entitled "Metagenomic analysis of pulmonary microbiome to understand susceptibility to SARs-CoV and associated mucormycosis" as PI. The grant has been provided by ICMR and covers the duration from June 2022 to June 2024.

Prof. Uma Dhawan, Department of Biomedical Science has been sanctioned ₹2,854,500/- for a research project entitled "Role of RNA-binding proteins in rapid eye movement sleep loss associated neurodegeneration" as PI. The grant has been provided by SERB- DST and covers the duration from January 2023 to January 2026.

Patents Filed/Granted

Seminars Organized

Vardaan Sehgal, Quantum Software and Solutions Head at Womanium Quantum and our Alumnus, Department of Physics, delivered a lecture on 'Quantum Computing and Career Opportunities' on March 3, 2025.

Prof. Laishram R Singh, Professor, and Dr. Meenakshi Sharma, Assistant Professor, Dr. B.R. Ambedkar for Biomedical Research, University of Delhi delivered talks on 'How do Proteins avoid Roadside Accidents Enroute to their Native States' and 'An Elegant Worm for Biomedical Research' respectively on February 27, 2025.

Prof. Kahnu Charan Raj, Plant Head, Rubber Technologist, Defeail Technology Limited, and Prof. A.P. Gupta, Retired Professor, DTU delivered talk on 'Where Rubber meets Reliability' and 'PVC: A Potential Materials for Polymer Industries' respectively on February 18, 2025.

Dr. Prashant Rawat, our alumnus at EMBO Postdoctoral Fellow, at ETH Zurich, Switzerland, delivered a lecture on Cell Bio 2.0: Principles of Phase Separation and Redefining Biological Understanding on January 9, 2025.

Prof. Jeyam Subbiah, Division of Agriculture, University of Arkansas., USA. Prof. Subbiah gave a talk on 'Emerging Trends in Food Processing' on September 10, 2024.

Dr Anil Kumar, Staff Scientist V, National Institute of Immunology delivered seminar on 'The Microbiome Connection: Bridging Microbial Life and Human' on September 4, 2024.

Conferences Organized

Hands-on Workshop entitled 'EEG and Blood Pressure Measurement Techniques' by our alumnus Mr. Manish Kumar, Technical Sales Executive, Gentech Marketing and Distribution Pvt. Ltd. was organized on February 18, 2025.

Hands-on Workshop entitled 'E-Content Development For MOOC' was organized on February 8-9, 2025.

NEP 2020 Orientation & Sensitization Programme under the Malaviya Mission Teacher Training Programme (MMTTP) of UGC, organized by CPDHE (UGC MMTTC), University of Delhi, was organized from January 6-15, 2025.

Conference entitled 'Food for All: Achieving Sustainable Food Systems for the Amrit Peedhi' organized in collaboration with PHD Chambers of Commerce was organized on October 16, 2024.

Hands-on training on Bioenzyme from Fruit Peels by Dr. Smitha Sundaram, Assistant Professor, Department of Environmental Studies was organized on August 29, 2024.

Workshop entitled 'Microgreens' by Ms. Anjana Charu, Environment Enthusiast, organized was organized on August 28, 2024.

A two-day Industrial training workshop entitled 'Sensory Science and its Application in Product Development' for DS group at DS group by Prof. Eram S Rao, Professor, Bhaskaracharya College of Applied Sciences was organized on June 11-12, 2024.

Workshop entitled 'Rendezvous with NGS- from Genomics to Proteomics' by Dr. Suresh Nair, Arturo Falaschi Emeritus Scientist (Retd.), ICGEB, New Delhi, was organized on April 9, 2024.

National/International MoUs Signed

An MoU was signed with Catholicate College on January 1, 2025. Prof. Sidhharth from department of Polymer Science served as the coordinator. As a result of this collaboration:
a) Mutual exchange of students can happen for a short period happens.
b) Joint research activities and projects in creating awareness are encouraged.
An MoU was signed with the Central Council for Research in Unani Medicine (CCRUM) on December 18, 2024. Prof. Eram Rao and Dr. Meenakshi Garg from the Department of Food Technology served as the coordinators. As a result of this collaboration:
a) Unani Aahaar-based functional foods to improve their acceptance among all age groups was developed.

An MoU was signed with Smart City Foundation on December 10, 2024. Prof Uma Chaudhry from the Department of Biomedical Science served as the coordinator. As a result of this collaboration:
a) Skill Development workshops are facilitated;
b) Mentoring support is provided to Student Change Agents.

An MoU was signed with JAAGRUTI Waste Paper Recycling Services (under Bhaanti Consultancies Pvt. Ltd.) on February 1, 2024. Dr. Kapil Roy from the Department of Biomedical Science served as the coordinator. As a result of this collaboration:
a) Waste paper is regularly collected from the college premises for recycling;
b) The recycled paper is used to produce paper products like notepads and A4 sheets for institutional use.

An MoU was signed with M/S SMS Water Grace BMW Pvt. Ltd. on January 29, 2024. Prof. Uma Dhawan from the Department of Biomedical Science served as the coordinator. As a result of this collaboration:
a) Properly segregated and labelled biomedical waste is collected from the college regularly;
b) Ensures safe and compliant disposal of biomedical waste in line with environmental norms.

An MoU was signed with the Department of Microbiology, Maharishi Dayanand Saraswati University, Ajmer on September 18, 2023. Dr. Pawas Goswami from the Department of Microbiology served as the coordinator. As a result of this collaboration:
a) Joint academic activities and collaborative research in life sciences are encouraged;
b) Faculty and scientific personnel from both institutions engage in cooperative projects and knowledge exchange.

An MoU was signed with Delhi State AIDS Control Society on August 14, 2023. Prof. Uma Dhawan from the Department of Biomedical Science. As a result of this collaboration:
a) Red Ribbon Club was established to educate youth on HIV/AIDS, STIs, and related issues;
b) Facilitated organization of voluntary blood donation camps and youth mobilization efforts.

An MoU was signed with NavTATVA Educare Pvt. Ltd. on August 8, 2023. Prof. Uma Chaudhry from the Department of Biomedical Science served as the coordinator. As a result of this collaboration:
a) Enabled digitization of curriculum content across academic departments;
b) Facilitated delivery of technology-enhanced pedagogy to improve student learning outcomes.

An MoU was signed with Innovative Power Solutions on June 3, 2023. Dr. Swati Gupta from the Department of Chemistry served as the coordinator. As a result of this collaboration:
a) LCD/LED screens were installed across campus for digital display of college communications;
b) Improved dissemination of information through real-time digital notice boards.

An MoU was signed with Leibniz Institute for Astrophysics Potsdam (AIP), Potsdam, Germany on May 1, 2023. Dr. Partha Pal from the Department of Physics served as the coordinator. As a result of this collaboration:

Library Development

The library has a collection of 27906 volumes of books, 350 bound volumes of journals, and many CDs/DVDs. It has regular subscription to some Journals, newspapers & magazines, and has renewed its subscription to the N-LIST (National Library and Information Services Infrastructure for Scholarly Contents) program of INFLIBNET. This enables access to a large number of e-resources for the students and staff throughout the year, 24/7. The library block is under CCTV camera surveillance. The library committee, every year, organises a workshop on "Library Resources Awareness Program" for all the first-year students. This year it was from 7-9 October. The workshop aims at educating the students as to how to use and search the books available for issue in the library and reserve the book in KOHA Software. Students got the knowledge about N-List software and were aware of the various facilities available at the college library.

COLLEGE OF ART

Major Activities and Achievements

The College of Art actively engaged with both government and non-government organizations, contributing to various design and art projects, while collaborating on student initiatives. Students gained admission to prestigious art colleges and PhD programs, and participated in events like the TB Seal Contest Design for the New Delhi Tuberculosis Center. They also took part in numerous national and international workshops, exhibitions, and seminars, enhancing their artistic knowledge.

Faculty members represented the college at prominent art exhibitions and contributed to recruitment efforts at other institutions. The college organized workshops on Gond and Madhubani Art, with notable artists leading sessions. Students interned at leading organizations and contributed to events such as the Delhi University literature fest and India Art Fair.

The department also achieved significant recognition in competitions, with students winning awards in poster-making, cartooning, and other art forms. Students exhibited their work at high-profile platforms like the India Art Fair, Lalit Kala Academy, and Max Mueller Bhavan, and participated in global initiatives such as the International Art, Architecture, and Design Biennale.

The department collaborated with cultural institutions, organized skill development workshops, and engaged in community-based projects, solidifying its role in fostering artistic growth and professional development.

Research Projects

Dr. Jyoti Taneja and Dr. Sunita K. Yadav, Zoology Department, have been sanctioned 30 lakhs for a research project titled "To investigate the clinical spectrum; health trajectories, incidence, and risk factor of post-acute sequelae of COVID-19 in multi-centric cohort study" as Principal and Co-Principal Investigator respectively. The grant has been provided by CSIR-ASPIRE and covers the duration from September 3, 2024 to March 2027.

Dr. Meenakshi Thakur (PI) and Dr. Anna Senrung (Co-PI), from Zoology and Dr. Divya Mathur (Co-PI) from Chemistry Department, have been sanctioned 30 lakhs for a research project titled "Design and Synthesis of novel Coumarin-pyridine/quinoline/quinazoline hybrids as angiogenesis inhibitors targeting VEGFR-2 TKD against tumor microenvironment". The grant has been provided by CSIR-ASPIRE EMR II and covers the duration from 2024 to 2027.

Dr. Pooja Sharma, Economics Department, Daulat Ram College, University of Delhi, has been sanctioned 12 lakhs for a collaborative research project titled "Analyzing Pathways of Solar Energy Deployment Factors, Challenges, and Way Forward" as Project Director. The grant has been provided by ICSSR and covers the duration from January 1, 2025 to January 1, 2026.

Patents Granted

Arti Jain, Kavita Khatana, Tasneem K.H. Khan, Diksha Jindal, H. Mihamed Kasim Shelt, Rani Rajput, N. Nagabhoosanam. High Performance Thin Layer Chromatography (HPTLC) for Analysis of Chemical Compounds. The Patent Office, GOI. Patent 423620-001. August 26, 2024. National.

Seminars Organized

Dr. Vidhi Chaudhary, Assistant Professor, Botany Department, Daulat Ram College, University of Delhi (under IQAC) in collaboration with MOE's Innovation Cell (MIC) and Institution's Innovation Council (IEC) convened a Seminar on 'Skills for Personal Growth, Entrepreneurship and Community Development' on May 2, 2024.

Dr. Samla Devi, Assistant Professor, Hindi Department, Daulat Ram College, in collaboration with Hindi Parishad organised a Seminar on 'वैश्विक स्तर हिंदी शिक्षण की चुनौतियाँ'on September 5, 2024.

Dr. Jyoti Sharma, Assistant Professor, Hindi Department, Daulat Ram College, in collaboration with Hindi Akademi convened a Seminar on 'हिन्दी के प्रसार में सोशल मीडिया की भूमिका'on September 20, 2024.

Gandhi Study Circle of Daulat Ram College organised a Seminar on "Gandhi ke Sapno ka Bharat: Viksit Bharat @ 2047" on October 7, 2024.

Department of Sanskrit, Daulat Ram College in collaboration with WAVES organised a national seminar on "Relevance of Vedic Knowledge Tradition in Modern Times" on December 6, 2024.

(9) Conferences Organized (Arranged chronologically from April 1, 2024, to March 31, 2025)

Conference entitled, 'Mutasir: The Annual Youth Conference' was organized on April 22, 2024 by the Economics Department of Daulat Ram College.

Conference entitled, 'एक दिवसीय अंतरराष्ट्रीय संगोष्ठी (वैश्विक स्तर पर हिन्दी शिक्षण की चुनौतियाँ'was organized on September 5, 2024 by Hindi Department of Daulat Ram College.

International conference entitled, 'Reproductive sciences and molecular medicine' was organized from November 15, 2024 to November 17, 2024 by the Zoology Department of Daulat Ram College.

Conference entitled, 'Mutasir: The Annual Youth Conference' was organized on March 6, 2025 by the Economics Department of Daulat Ram College.

Conferences Organized

Conference entitled, 'Mutasir: The Annual Youth Conference' was organized on April 22, 2024 by the Economics Department of Daulat Ram College.

Conference entitled, 'एक दिवसीय अंतरराष्ट्रीय संगोष्ठी (वैश्विक स्तर पर हिन्दी शिक्षण की चुनौतियाँ'was organized on September 5, 2024 by Hindi Department of Daulat Ram College.

International conference entitled, 'Reproductive sciences and molecular medicine' was organized from November 15-17, 2024 by the Zoology Department of Daulat Ram College.

Conference entitled, 'Mutasir: The Annual Youth Conference' was organized on March 6, 2025 by the Economics Department of Daulat Ram College.

National/International MoUs Signed

On April 04, 2024, an MoU was signed between the college and Eco Prabandhan to foster collaboration in sustainability initiatives.

The college executed an agreement on April 15, 2024 to operate an Amul Parlour on campus.

Outcome: To provide healthy and hygienic beverages to students and staff.

The National Service Scheme (NSS) of the college signed an MoU with the Sulabh Sanitation Club on September 17, 2024 to organize the Swachhata Hi Sewa event at Kaushal Bhawan. This collaboration extended to conducting cleanliness drives under Swachhata Pakhwada until October 02, 2024.

On October 01, 2024, the college entered into an agreement with the National Institute of Electronics and Information Technology (NIEIT) to secure skilled and technical IT professionals for the institution.

Outcome: College has hired professionals from NIEIT who have been handling and processing data.

An MoU was signed on October 22, 2024 between Daulat Ram College and the Village Head of Anandpur Village to facilitate training and supervision in fish culture, nutrition, and related practices.

Outcome: The aquarium construction project in the village has provided a safe habitat for local aquatic species, enhanced biology education about fish and promoted environmental awareness. It has supported employability for local community through proper tank design and water quality management, and sustainable Aquaculture practices.

On December 03, 2024, Daulat Ram College entered into an MoU with Vardhman Mahavir Medical College and Safdarjung Hospital to conduct health checkup camps.

Desired Outcome: To provide low- cost screenings, and offer counselling and educational sessions aimed at reducing stigma around reproductive and sexual health issues.

On November 28, 2024, the college signed Power Purchase Agreement (PPA) with Talf Renewable Private Limited to ensure uninterrupted power supply.

Outcome: The average energy consumption has come down by 66%. The excess electricity generated by solar energy is being fed into the grid. This initiative has resulted in a remarkable reduction in electricity expenses, bringing the monthly bill down from ₹6 lakhs to ₹2 lakhs.

An MoU was formalized on January 22, 2025 between Mr. Bhomik Gaba, a renowned choreographer, and Zenith, the Western Dance Society of the college.

Outcome: To choreograph students for their Annual Production performances at major IIT events, DU Fest, and festivals hosted by other prestigious institutions. Trained college students have performed at several events, and received prominent accolades

On January 28, 2025, an MoU was signed between Priceless Moments, a beauty and wellness company, and the college.

Desired Outcome: To promote skill-based education in cosmetology and beauty wellness.

MOU with Sansriti foundation for Collaborative Research and Education with Zebrafish model organism (2022-27).

Outcomes:

Number of Research Interns who worked in the Lab during the Year: 10

Summer Training 5 days workshop on Zebrafish Model System 11 students of DRC participated (July 22–26, 2024).

Ph.D students working in Lab = 3

Ms. Garima Jindal (Registered in Jamia Hamdard, Delhi)

Ms. Srabaita (Registered in KSBS, IIT Delhi)

Ms. Soni (Registered in Delhi University)

MOU with Noida Institute of Engineering and Technology (Pharmacology College): for Collaborative Research and Education with Zebrafish model organism (2024- 25).

Outcomes: 1. Capacity Building One day workshop on Zebrafish Model System for 2 faculty and 14 students of Noida Institute of Engineering and Technology (Pharmacy Institute) Noida, on September 28, 2024

2. Capacity Building One day workshop on Zebrafish Model System for 10 faculty and 20 students of Noida Institute of Engineering and Technology (Pharmacy Institute) Noida, on March 01, 2024.

Other Collaborations

To equip the educators with the ICT skills required under NEP 2020, the Daulat Ram College of the University of Delhi in association with the UGC Malaviya Mission Teacher Training Centre (GAD-MMTTC, Formerly GAD TLC), A Centre of UGC & Ministry of Education. SGTB Khalsa College, University of Delhi organised a one-week Interdisciplinary Faculty Development Programme on ICT Based Classroom Teaching: Digital Pedagogy specifically for its faculty from July 22-27, 2024.

Daulat Ram College offers part-time Certificate, Diploma, and Advanced Diploma courses in seven foreign languages, with 496 students currently enrolled in the Centre for Foreign Languages. Additionally, thirty students have completed their certificate course under the Legal Literacy Awareness and Aid program, running in collaboration with the Delhi State Legal Services Authority (DSLSA).

On November 14, 2024, Daulat Ram College, in collaboration with Tirath Ram Shah Hospital, organized a Free Health Check-Up Camp and a lecture on health awareness for young girls.

On May 2, 2024, the Department of Botany, Daulat Ram College, under IQAC, in collaboration with the Institution's Innovation Council (IIC) and MOE's Innovation Cell (MIC), conducted a one- day workshop on the theme "Skills for Personal Growth, Entrepreneurship, and Community Development." The workshop was open to students from various courses across the college.

On 6th December 2024, the department, in collaboration with WAVES-India, organized a One- Day National Seminar on "Relevance of Vedic Knowledge Traditions in Modern Times." The event featured distinguished speakers, including Prof. Haneet Gandhi, Dean of Admissions, University of Delhi; Prof. Om Nath Bimali, Head of the Sanskrit Department at the University of Delhi; and keynote speaker Prof. Shashi Tiwari from WAVES-India.

Number and Percentage of Students Placed

Highest package placed	9 LPA
Minimum package	4.26 LPA
Average package	7.06 LPA
Median package	6.89 LPA

Extension and Outreach Activities

Free Health Check-up Event (October 14–15, 2024): Organized by the NHE Department with Clove Dental and Whistle, the event offered free dental, eye, and general health screenings to promote preventive healthcare.

Blood Donation Camp (January 15, 2025): The Student's Union, in collaboration with Chandra Laxmi Hospital, conducted a successful camp with over 50 donors, emphasizing the importance of voluntary blood donation.

Educational Visit to Research Lab (November 13, 2024): B.Sc. (H) Physics students explored laboratory techniques and research methodologies during their visit to the Department of Physics and Astrophysics.

Drosophila Handling Workshop (June 2024): Held by the Drosophila Resource Centre, the students gained hands-on experience in advanced genetic research techniques.

Mental Health Day Celebrations – "Manotsav" (October 15, 2024): This event included expert panels, therapy workshops, and booths to promote mental health awareness and well-being.

Health Check-Up Program for Young Girls (November 14, 2024): In collaboration with Tirath Ram Shah Hospital, the program addressed cervical cancer prevention, reproductive health, and menstrual hygiene.

Astro Walk (February 6, 2025): Students observed the alignment of Venus, Mars, Saturn, and Jupiter through telescopes during an astronomy event.

DRC co-hosted BioE3 Policy Event with NII (September 2, 2024): The event introduced the Department of Biotechnology's BioE3 Policy, emphasizing sustainable biotechnology advancements.

Global Bio-India 2024 (September 12, 2024): Students explored biotechnology innovations at this national-level event.

Workshop on Gardening Skills (May 2, 2024): This workshop equipped students with gardening skills, promoting sustainability and entrepreneurship.

Library Development

The college library serves as a hub of knowledge, offering over one lakh books, 27 magazines, and 11 newspapers alongside rare publications and curated collections like Shrimad Bhagwat Geeta in 13 languages. It provides access to DELNET and NLIST, INFLIBNET for e-resources and hosts a Library Internship Programme, benefitting 31 students. Initiatives include the "Shri Ramalaya" section on Lord Shri Ram literature, the Ram Rasaayan journal on indigenous knowledge, and a Braille edition of Ram Charit Manas. Events such as Book Discussion Hour and research support in Ramayan studies enhance engagement. The library embraces inclusivity through Braille magazines and KIBO software, enabling audio resources for differently-abled students. With 803 new books, 5,125 members, and approximately 24,000 website visitors, the library remains a cornerstone of academic excellence, fostering innovative

learning and holistic education. Statistics reflect strong footfall and diverse usage, underscoring its vital role in the college community.

Other Significant Information

The College has maintained strong rankings over the years, securing the 72 rank in the 'Colleges' category according to the NIRF ranking 2024.

In 2024, Daulat Ram College achieved a #16 rank in the 'B.A.' and 'B.Com.' categories, while securing #9 in the 'B.Sc.' category, as per the India Today rankings

The Skill Development Programme (SDP) for the academic year 2024–2025 was launched under the theme "Skills for Promoting Self-Reliance, Employability, and Community Development." The aim of this initiative was to provide students with training in technical, academic, and vocational skills to foster innovative thinking and creativity.

***

DELHI COLLEGE OF ARTS & COMMERCE

Major Activities and Achievements

In DU VC's first visit, he inaugurated the Media Studio lab, state of the art seminar hall and conference room, and 4 computer labs and participated in a video interview. Ram Vatika garden with indigenous plant and herb varieties also inaugurated. College reaffirmed its commitment towards an Atmanirbhar Bharat, participating in the Viksit Bharat run organized by Viksit Bharat Ambassador Club. College hosted Prince Lakshyaraj Singh Mewar for a talk show. Partition Horrors Remembrance Day was commemorated on 14th August via a photography exhibition. Free distribution of write-off books was facilitated in October. College hosted the 2nd Anniversary of CDCs of DU. A certificate course in video editing was launched in collaboration with Samarth Bharat. On International Women's Day, Justice Swarana Kanta Sharma, Delhi HC Judge and Mrs Monika Sharma, Senior Advocate, SC of India and Dr Nandini Sharma were felicitated. First girl's batch of NCC Girls wing was inaugurated in October. College participated in NIRF ranking and secured 97th position and successfully participated in NAAC second cycle. Prof. Srikant Pandey, department of Political Science was appointed as Vice-Principal. College organized a 7-day special camp on Sustainable Development Goals and Viksit Bharat at 2047 from March 21s to 27th.

Honours/Distinctions of The Teaching and Non-Teaching Staff

Six teachers received their professorship: Prof. Bir Singh from the Department of Economics, Prof. (Capt.) Bhupinder from the Department of Commerce, Prof. Mukesh Bagoria from the Department of

Political Science, Prof. Vinita Gupta Chaturvedi from the Department of English, Prof. Rajesh Kumar from the Department of Political Science, and Prof. Sanjeeb Kumar from the Department of Hindi.

Five Teachers were promoted as Associate Professors: Mrs Prerna Gautam and Mr Awdhesh Kumar Sah from the Department of History, Mr Jeremiah Pamei and Dr Shilpa Choudhary from the Department of English, and Dr Vipra Kapoor from the Department of Commerce.

Two teachers were promoted to Stage II: Dr Ankita Gupta from the Department of Commerce and Dr Manoj Kumar Rathi from the Department of Physical Education.

Two faculty members were awarded their PhDs: Dr Sudhanshu Kumar from the Department of Political Science and Dr Pooram Rani (Librarian) from the Department of Library Science.

Students with Distinctions

Devsena Pal, student of BA(Hons.) Economics (2nd year) secured 9.09 CGPA

Sakshi, student of B.COM (Hons.) (2ND year) secured 9 CGPA

Taufan Singh Bujetia, student of BA(Prog.) (2nd year) secured 9 CGPA

Sajal Patel, student of B.COM (Hons) (1st year) secured 8.965 CGPA

Ahana Das, student of BA (Hons.) English (1st year) secured 8.73 CGPA

Research Projects

Mr. Aman Kumar Pandey, Department of Computer Science has been sanctioned ₹ 34.15 lakhs for a research project entitled "Vision Based Pose Estimation for Non-Cooperative Docking/Inspection Satellite using Deep Learning AI Algorithms" as Co-PI. The grant has been provided by Indian Space Research Organisation (ISRO) and covers the duration of two years.

Patents Granted

Aman Kumar Pandey, A System for Monitoring an Individual's Physiological Status, Patent 202411094184 A, 3rd January 2025, National.

Seminars Organized

Professor Sumanyu Satpathy, Former Professor and Head, Department of English, University of Delhi, delivered a talk on the emergence of a new literary culture in Eastern India, engaging closely with the stakes of writing in and against crisis on April 2, 2024

Mr. Anurag Dasgupta, Sports journalist delivered a talk on sports journalism in India on November 13, 2024.

Ms. Sakshi Jain, Geopolitical Risk and Intelligence Analyst had an interactive session on geopolitics with students of the Department of Spanish on April 9, 2024.

Dr. Charu Gupta, Associate Professor, Institute of Home Economics, delivered a talk on Sarees of India-Changing Perspectives on April 4, 2024.

Dr. Gautam Choubey, Assistant Professor, Department of English, ARSD College, University of Delhi delivered a talk on 'The Life and Opinions of Nirala' on April 02, 2024

National/International MoUs Signed

National MoU signed with OW DataLEADS Pvt Ltd on February 13, 2025. Dr Neha Jingala served as the convenor/coordinator. This collaboration led to the establishment of a Media Literacy Hub under the FactShala University Network Programme, a media and information initiative supported by the Google News Initiative. This initiative, designed by DataLEADS and supported by the Google News Initiative, aims to provide training and resources to faculty members and students to foster a collaborative learning environment that engages students, faculty, and stakeholders in media and information literacy initiatives.

Extension and Outreach Activities

ENACTUS DCAC, a vibrant and socially conscious student organization at Delhi College of Arts and Commerce, dedicated the academic year to executing a wide array of impactful activities that aimed at fostering positive change in the community. Through various initiatives, collaborations, and accomplishments, ENACTUS DCAC displayed its commitment to social entrepreneurship and sustainable development.

Under Project Riayat, a new collaboration with Chamiah Dewey an adaptive clothing brand based in the UK was undertaken.The founder offered to design our products for an Indian market and also help with boosting sales using connections. This brand makes adaptive clothing based in Kolkata.

We also collaborated with Prabhav Trust which offers mental health counseling sessions and they help us provide that through our Riayat Portal. Additionally they help us in community recognition, community events, and installing a cross-referral marketing system between them and us.

APD became our sensitization camp parter and trained us and organized a sensitization camp at D.E. Shaw.

At the ground level we conducted a 10-day survey at Pt. Deendayal Upadhyaya National Institute for Persons with Physical Disabilities, combining all data collected in a systematic database. We went to our Production unit - Family of Disabled in Najafgarh and fabricated three products.

Additionally, we conducted 3 accessibility drives in collaboration with APD, and one sensitization camp.

We managed to set up pop-up stalls across three locations, selling handicrafts made by specially-abled individuals at FoD.

Library Development

Library boasts a rich collection of 63862 at cost of 6,94563.5. 23 periodicals/magazines. Library subscribes to 13 newspapers. Rs. 1,15194/- were spent on periodicals and newspapers. Library introduced wooden display almirahs and computers for easy access to special collections, including

faculty publications, previous year question banks, rare books, journalism projects, dictionaries, book bank, religious books, and the Rachana Wali and Granth Wali collections etc. The library has successfully registered on the One Nation One Subscription (ONOS) platform. Access to 55179 approx. e-journals and 613597 approx. e-books and 187 approx. databases.The college library hosts its Institutional Repository on the cloud using DSpace software, providing 24/7 access from anywhere. With a seating capacity of 172, library sees a footfall of 30193 and 13728 issue/renew/return transactions. The college library has issued RFID smart cards to all students and faculty, providing secure and efficient access, ensuring seamless entry and enhanced user experience.

DEEN DAYAL UPADHAYAYA COLLEGE

Major Activities and Achievements

The college has been ranked 14th in science colleges, 9th in Delhi and 12th in Delhi amongst Commerce colleges, 15th all over India and 4th in Delhi amongst Management colleges and 40th amongst Arts colleges in India by the India Today MDRA Best Colleges Ranking 2024.

The college has been ranked 26th out of 3,371 participating colleges in the NIRF India Rankings 2024 conducted by the Ministry of Education.

'Principal Internship Scheme', in line with the Vice Chancellor's Internship schemes at the University level has been instituted for the college students.

The college has been selected under DBT Star College Status Program (2022 – 2025) and has been sanctioned Rs.1,61,87,340/-.

11 Major and Minor Research Projects, worth Rs. 1,97,11,917/- granted by prominent agencies like DST, CSIR, SERB etc to the faculty members of the college.

246 students of 2nd and 3rd year were granted scholarships worth Rs. 24,60,000/- by the College.

Department of Zoology was granted a sum of Rs. 3,00,000/- for the establishment of Pearl, Zooplankton and Ornamental Fish Culture Facility as a Skill Development Centre.

Department of Botany was granted a sum of Rs. 7,50,000/- for the establishment of Mushroom Culture Facility as a Skill Development Centre.

Honours/Distinctions of the Teaching and Non-Teaching Staff

Prof. Hem Chand Jain, Principal was nominated for the Capacity Building Program (Phase III) conducted by University of Delhi in collaboration with Liverpool University on Global Trends in Academic Administrations.

Prof. P. K. Jha, Department of Physics was nominated for the Capacity Building Program (Phase III) conducted by University of Delhi in collaboration with Durham University on Global Trends in Academic Administrations.

Prof. Sachin Mittal, Department of Chemistry was nominated for the Capacity Building Program (Phase III) conducted by University of Delhi in collaboration with Durham University on Global Trends in Academic Administrations.

Prof. Rampal Singh, Department of Computer Science, was awarded travel grant of Rs. 50,000/- from Deen Dayal Upadhyaya College, University of Delhi to present a paper titled "Smart Forecasting of Ultraviolet Index Through Transformer: A deep learning model at the 3rd World Conference on Information Systems for Business Management at Bangkok, Thailand.

Dr. Sudhir Verma, Department of Zoology, was awarded Research Travel Grant-2024 of USD 1500.00 from International Society for Hyaluronan Sciences (ISHAS) to visit the lab of Dr. Adam Hall, Wake Forest University, North Carolina, to carry out Hyaluronan size characterization using solid state nanopore technology.

Dr. Lalit Kumar, Department of English, served on the esteemed jury of Banaras Literature Festival Book Awards and Valley of Words Awards, in November 2024 at Dehradun, an International Art and Literature Festival.

Dr. Meghna Aggarwal, Department of Commerce, won the Best Paper Presentation Award for the paper titled "The Future of Financial Inclusion: Is Digital UBI the Next Step?" at the International Conference on Innovations in Science and Technology: A Perspective of Viksit Bharat@2047 on March 19-20, 2025.

Mr. Ashwani Thakur was awarded Best Non-Teaching Award for 2023-24. The award comprises of a Citation, Certificate and cash of Rs. 21,000/-.

Students with Distinctions

Muskan Sharma, student of B.Com. (H) won VICE-CHANCELLOR'S GOLD MEDAL (PHYSICALLY CHALLENGED STUDENT) COMMERCE STREAM on February 22, 2025 in 101st Annual Convocation-2024.

Sushankita Srivastava, student of B.Sc. (H) won UNIVERSITY MEDAL in B.Sc. (H) Botany on February 22, 2025 in 101st Annual Convocation 2024.

Anmol Bajaj, student of BMS (2nd year) won the Reliance Foundation Under graduation Scholarship worth Rs. 1,50,000/-.

Alluri Ganesham, student of BMS (2nd year) won the Reliance Foundation Under graduation Scholarship worth Rs. 1,50,000/-.

Kashvi Batra, student of B.Com (H) (2nd year), Rudra Pandey, student of BMS (2nd year), Suparsh Jain, student of BMS (2nd year) and Ganesh Verma, student of B.Com (H) (2nd year) secured National Rank 2 in Havoc, a case competition organized by IIM Bangalore in July 2024.

Aryan Gupta, student of B.Com (H) (3rd year) and Shubham, student of B.Com (H) (2nd year) won 1st position at BITS Hyderabad National B-Plan Competition.

Aryan Gupta, student of B.Com (H) (3rd year), Dev Mahajan, student of B.Com (H) (2nd year) and Sambhav Chhabra, student of B.Com (H) (2nd year) won 1st position in National Case Competition at IIM Ahmedabad.

Priyanshu Bhalothia, student of B.Com (H) (1st year) won 2nd postion at 32nd Junior national Baseball Championship (boys).

Chetna Singh, student of B.Sc. Mathematical Sc. (3rd year) won 1st position at 40th Delhi State Senior Taekwondo Championship 2024.

Kunal Nath, student of B.Com (H) (2nd year) won 3rd position at Inter-College Weight Lifting Tournament.

Research Projects

Prof. Manoj Saxena, Department of Electronics has been sanctioned Rs. 58,83,108/- for a research project entitled "I-V and C-V characterization of sub-micron Design, Optimization and Fabrication of Radiation Hardened Sub 0.15-micron gate length InAlN/GaN HEMT for Ku band application" as Co-PI. The grant has been provided by SERB-POWER and covers the duration from 2022 to 2025.

Prof. P. K. Jha, Department of Physics has been sanctioned Rs 31,84,000/- for a research project entitled "Development of Thermoelectric Energy Harvester using Indium Selenide thin films" as PI. The grant has been provided by SERB and covers the duration from 2023 to 2026.

Prof. P. K. Jha, Department of Physics has been sanctioned Rs. 30,00,000/-for a research project entitled "Study of optical properties of magnon dynamics for quantum device applications" as PI. The grant has been provided by DST and covers the duration from 2024 to 2027.

Prof. P. K. Jha, Department of Physics has been sanctioned Rs. 29,80,000/- for a research project entitled "Modelling of Sensitive Ring Laser Gyroscope for Meteorological Application" as PI. The grant has been provided by CSIR and covers the duration from 2023 to 2026.

Dr. Sudhir Verma, Department of Zoology has been sanctioned USD 15000.00 for a research project entitled "Characterizing the limbal extracellular matrix (ECM)during hypothermic storage of human donor cornea to formulate improved storage media with stem cell supportive components" as Co-PI.

The grant has been provided by Eversight Eye and Vision Research Grant, USA and covers the duration from 2024 to 2025.

Prof. Manoj Saxena, Department of Electronics has been sanctioned Rs. 10,00,000/- for a research project entitled "Capacity Building in Modelling and Simulation of Radiation Hardened HEMT Design and Energy-Efficient Devices for Space Application." as Co-PI. The grant has been provided by Institute of Eminence (IoE), University of Delhi Research Project and covers the duration from 2022 to 2025.

Dr. Sudhir Verma, Department of Zoology has been sanctioned USD 10000.00 for a research project entitled "Hyaluronan as a potential diagnostic marker for corneal stem cell quality and preservation medium supplement for improving transplantation success" as Co-PI. The grant has been provided by Lions Foundation for Sight, Texas, USA and covers the duration from 2023 to 2024.

Dr. Sangeeta Mohan, Department of Management Studies has been sanctioned Rs. 5,00,000/-for a research project entitled "Role of illiteracy in Tribal and its Impact on various government policies" as PI. The grant has been provided by ICSSR and covers the duration from 2022 to 2024.

Dr. Sudhir Verma, Department of Zoology has been sanctioned USD 5000.00 for a research project entitled "Characterizing the progenitor- like properties of Transient Amplifying Cells (TACs) that present a Hyaluronan (HA)-rich glycocalyx" as Co-PI. The grant has been provided by ARVO Foundation for Eye Research and Eye Bank Association of America, USA and covers the duration from 2023 to 2025.

Prof. P. K. Jha, Department of Physics has been sanctioned Rs. 3,00,000/- for a research project entitled "First-principles study of Rashba spin-orbit interaction and its tunability via doping and strain engineering in 2D materials and oxide hetero structures for spintronic application" as PI. The grant has been provided by DDU College and covers the duration from 2024 to 2026.

Prof. Nityananda Agasti, Department of Chemistry has been sanctioned Rs. 3,00,000/- for a research project entitled "Synthesis, Characterization and Catalytic Application of doped CeO2 nanostructures" as PI. The grant has been provided by DDU College and covers the duration from 2024 to 2026.

Patents Granted

Dr. Jaya Bansal, Dr. Sofia Gupta, Dr. Mahaveer Genwa, Dr. Chhagan Lal, Dr. Chetna Angrish and Dr. Shalom Akhai. MULTIFUNCTIONAL SPOON BRUSH HYBRID. The Patent Office, Government of India. Patent 429913-001. November 28, 2024. National.

Suresh Kumar, Dolly Kain, Vandana and Atul Arya. ANTIBACTERIAL COMPOUNDS ISOLATED FROM PLANT ACHILLEA MILLEFOLIUM L. The Patent Office, Government of India. Patent 202111025439. January 22, 2025. National.

Tahir Ahmed, Kajal Jindal, Dr. Monika Tomar, Prof. Pradip K. Jha. ELECTRO-OPTIC ENHANCEMENT BY A CA SUBSTITUTION IN SBN60 THIN FILMS. The Patent Office, Government of India. Application number: 202511010821. Date of filling of the patent: February 10, 2025. National

Seminars Organized

Prof. Rup Lal, NASI Senior Scientist, delivered a talk during the Seminar on the occasion of International Micro-organisms Day under Microshere-4.0 on September 18, 2024.

Dr Saarthak Bakshi, Founder and CEO of Neos Angels and Risaa IVF delivered a talk during the Seminar on October 21, 2024.

Prof. Kenneth Timmis, Professor, University of Brunsweig, Germany and Dr. Meenakshi Munshi, Fulbright Fellow, UC Davis, USA. Visiting Professor, UPES, Dehradun Consultant Manipal Academy of Higher Education, Manipal, Former Scientist G/Adviser, Department of Biotechnology, Ministry of Science & Technology, GOI delivered talks during International Symposium on "Science and Society" on November 19, 2024.

Prof. Shantesh Kumar Singh, former Director of the Human Rights Studies Programme, School of International Studies, Jawaharlal Nehru University (JNU) delivered a talk during the seminar on India's Foreign Policy in a Changing World Order on February 12, 2025.

Ms. Ekshita Kumar, currently serving as the Head of Strategy for AWS North America Sales at Amazon delivered a talk during the seminar titled Making Strategies Real: Influencing Stakeholders to Drive Decisions on March 19, 2025.

Conferences Organized

Conference entitled "10th ANNUAL INTERNATIONAL COMMERCE CONFERENCE on GOVERNANCE IN AMRIT KAAL", organized in collaboration with Department of Commerce, Faculty of Commerce and Business on January 06-07, 2025.

Conference entitled "XXVI ANNUAL INTERNATIONAL CONFERENCE on VIKSIT BHARAT@2047", organized in collaboration with Delhi School of Professional Studies and Research on January 11-12, 2025.

Conference entitled "4th INTERNATIONAL CONFERENCE ON THE PRAYAGA MAHAKUMBHA 2025", organized on March 03-04, 2025.

Conference entitled "INTERNATIONAL CONFERENCE ON "INNOVATIONS IN SCIENCE & TECHNOLOGY: A PERSPECTIVE OF VIKSIT BHARAT", organized in collaboration with IEEE Electron Device Society (EDS) Delhi Chapter on March 19-20, 2025.

National/International MoUs Signed

An MoU was signed with National Institute of Electronics and Information Technology (NIELIT), Delhi an autonomous Scientific Society of Ministry of Electronics and Information Technology (MeitY), Government of India on April, 25, 2024. Prof. Anurag Mishra, Department of Electronics, served as the coordinator. As a result of this collaboration NIELIT Delhi and DDUC have principally agreed to enter into an agreement with the intent for the rollout of training programs offered by NIELIT to students and officials of DDUC.

An MoU was signed with PhiXgen Pvt. Ltd. on September 18, 2024. Dr. Shailly Anand, Department of Zoology and Dr. Renu Solanki, Department of Zoology, served as the coordinators. As a result of this collaboration PhiXgen and DDUC will work together to explore activities of mutual interest that endeavour to advance research and improving bioinformatics skills and their responsible application worldwide.

An MoU was signed with Department of Commerce, Faculty of Commerce and Business, Delhi School of Economics, University of Delhi on December, 03 2024. Dr. Renu Aggarwal, Department of Commerce, served as the coordinators. As a result of this collaboration both parties have mutually agreed for organizing the 10th Annual International Commerce Conference (10th AICC) to be held on

January 06-07, 2025 on the theme of 'Governance in Amrit kaal', as a joint endevor to enhance academic engagement and foster research discussions.

Other Collaborations

Fifteen-Day National Workshop on Sanskrit Sentence Construction (October 10–25, 2024) With the aim of enhancing the ability to construct sentences in Sanskrit and to comprehend the meaning of Sanskrit sentences, a fifteen-day National Workshop on Sanskrit Sentence Construction was organized in online mode by the Sanskrit Sabha, under the aegis of the Internal Quality Assurance Cell (IQAC) of Atma Ram Sanatan Dharma College, in collaboration with the Department of Sanskrit.

The Fine Arts and Crafts Society of the college collaborated with Prashraya, a dedicated NGO working towards the beautification and revitalization of MCD schools across Delhi, January 27, 2025. As part of this initiative, the students contributed their artistic talents to transform the Andrewz Ganj MCD School into a vibrant and welcoming space. Through creative wall paintings, thematic murals, and colorful decor, they enhanced the aesthetic environment of the school. This effort not only brought smiles to the students and staff but also instilled a sense of pride and ownership in the school community. It was a meaningful step towards community engagement through art.

FactShala Workshop (February 10, 2025), conducted in collaboration with PTI, DataLeads, and the Google News Initiative. The session focused on media literacy, fact-checking, and digital awareness.

The Fine Arts and Crafts Society of the college proudly collaborated as an Official Partner for the prestigious DU Literature Fest held at Shri Ram College of Commerce (SRCC) from February 21-23, 2025. As part of the partnership, students from the Fine Arts and Crafts Society played a pivotal role in enhancing the campus ambiance by undertaking extensive beautification work. From installing artistic displays and banners to creating literary-themed murals and decorative elements, their creative efforts transformed the venue into a lively and inspiring space for literature enthusiasts. This collaboration provided students with an excellent platform to showcase their skills while supporting a major academic event.

Number And Percentage of Students Placed 50 (34%)

Number of Companies Visited for Campus Recruitment 28

Extension and Outreach Activities

April 21, 2024: An Industry Academia Awareness Program was organized on the occasion of International Earth Day on "E-Waste Management and Recycling: A Path towards a Sustainable Earth".

September 13, 2024: An Industrial Visit to Semicon India 2024, Noida, Uttar Pradesh was organized providing students with first-hand exposure to cutting-edge technologies, advancements and breakthroughs in the semiconductor industry and industry trends.

September 22, 2024: a field visit to an Orphanage: Prerna Niketan Sangh to familiarize first-year students with the core values of SRC creating a positive impact and nurturing a culture of social responsibility among students.

September 27, 2024: An Outreach at DIET (Coordinator: Mr. Mithilesh) – Empowering Educators was organized, with hands-on experience in Canva.

October 26, 2024: An Educational Visit was organized to the Akashvani Bhawan Delhi to hear the lecture of eminent scientist Dr. S. Somanath, ISRO Chief.

November 23, 2024: SRC organized the Jute Bori Drive in collaboration with Aavya, Miranda House, DU, and Ehsaas, DCAC, DU to provide warmth to stray animals during the chilly winter season.

January 24, 2025: Rural Outreach Programs - Bani School Innovation Camp VI (BaSIC VI) conducted at Government Senior Secondary School at Bani village in Hamirpur district of Himachal Pradesh

February 01–02, 2025: Students under EDC visited the IIT Bombay Campus to participate and attend the E-Summit 2025. Real-world giants like Anupam Mittal, Raj Shamani, Sonam Wangchuk, etc. graced the summit as speakers.

Library Development

The library has added 1723 volumes of books this year, making its total collection as 52,560 volumes of books. The library subscribed to 44 journals & magazines of national and international repute in the relevant subject areas. Besides this, the library subscribed to 16 national newspapers. It has 613 bound volumes of journals/ periodicals and 850 CDs in its collection. The library compiled two issues of Bibliography comprising of new titles acquired during the FY 2024-25, namely September- December, 2024 and April, 2024 - March, 2025. It also compiled two issues of Table of Contents comprising of content pages of all the issues of magazines & journals subscribed in the library, vide two issues, April-September, 2024 and October-December, 2024. The library compiled and shared Documentation List on the topic One Nation One Election'. Library organized book exhibition on December 27, 2024, in which as many as 12 prominent publishers participated.

Faculty Strength

Senior Professor/Professor/Director	26
Associate Professor	52
Assistant Professor	5
Ad-Hoc.	11
Guest	72
₹ Funds Utilized (Crores)	558693365
₹ Funds Allocated (Crores)	558693372

Other Significant Information

State of the art sound system worth Rs. 22.5 lakhs and an LED video wall worth Rs. 15 lakhs have been approved for upgradation of the auditorium in January, 2025.

Procurement of 220 Desktops at a total cost of Rs. 1,87,00,000/- has been approved for the purpose of skill development in January, 2025.

To enhance the Sports Infrastructure new basketball equipment worth Rs. 16,00,000/- have been approved in January, 2025.

ICT Equipment and 13 smart-boards worth Rs. 49,65,00,000/- are to be procured to enhance the teaching-learning experience by students in January 2025.

***

DESHBANDHU COLLEGE

Major Activities and Achievements

Deshbandhu College, a fully maintained constituent college of Delhi University, was established in 1952 by the Ministry of Rehabilitation, in the memory of Lala Deshbandhu Gupta, a veteran freedom fighter and has the distinction of being the oldest and the largest co-educational institution in South Delhi. Today, it offers 18 undergraduate and six post-graduate courses, catering to over 5000 students annually.

The college has been awarded NAAC Grade A++ with CGPA of 3.65 and secured All India rank 16 under Colleges Category in NIRF 2024. Awarded "DBT-Star College Scheme" by the Department of Biotechnology, under which the I-4 Centre (Student Research Centre) was established for interdisciplinary research. A strong research profile with more than 100 research papers published in SCI/SCOPUS/UGC CARE indexed journals and research grants in excess of Rs. 26 Lakh. College Library is one of the largest in Delhi University. The College is a Green Campus with more than sixty percent green cover, solar panels (installed capacity of 72 kW), PNG for laboratories, rainwater harvesting, LED lighting and 5 STAR and VRF air-conditioning and integrated composting facility. The college is 100% accessible for differently-abled.

Honours/Distinctions of the Teaching and Non-Teaching Staff

More than 33 faculty members published 33 research papers in Scopus and web of Science indexed, UGC CARE listed and reputed International and National peer reviewed journals

More than 5 faculty published 14 books.

5 faculty were awarded/having research projects during the period April 01, 2024 to March 31,2025.

22 faculty are recognized as research supervision from University of Delhi and had 15 students registered as Ph.D. scholars under them.

Students with Distinctions

Vishesh Lonial, student of B.A. Prog., III year, achieved Lala Deshbandhu Gupta Award for Academic Excellence in All Humanities and Commerce of Rs. 25,000/- for Toppers of the college in University Exam on March 27, 2025.

Ayushi Pandey, student of B.A.(H) Sanskrit, III year, achieved Lala Deshbandhu Gupta Award for Academic Excellence in All Humanities and Commerce of Rs. 25,000/- for Toppers of the college in University Exam on March 27, 2025.

Mariyam Kidwai, student of B.Sc. Prog Life Sicence, III year, achieved Lala Deshbandhu Gupta Award for Academic Excellence in Science Course of Rs. 25,000/- for Toppers of the college in University Exam on March 27, 2025.

Preeti, student of B.Sc. (H) Botany, III year, achieved Lala Deshbandhu Gupta Award for Academic Excellence in Science Course of Rs. 25,000/- for Toppers of the college in University Exam on March 27, 2025.

Alon Karki, student of B.A. (H) History, III year, achieved Lala Lajpat Rai Gold Medal of Rs. 5,000/- for Best N.S.S worker for three years on March 27, 2025.

Pranamaya Pradeep, student of B.Sc. (H) Bio-Chemistry, III year, achieved Nirmal Gian Prakash Gold Medal of Rs. 5,000/- for all-rounder in Biochemistry on March 27, 2025.

Sanjeeva, student of B.Sc. (H) Chemistry, I year, achieved Mrs. Gauri Bhan Gold Medal of Rs. 5,000/- for first position in Chemistry (H) on March 27, 2025.

Muskan, student of B.Com. (H), I Year, achieved Seema Saxena Kulshreshta Memorial Scholarship of Rs. 5,000/- for Female Topper on March 27, 2025.

Dhruvi Goel, student of B.A. (H) Sanskrit, I year, achieved Smt. Manorma Joshi Scholarship of Rs. 5,000/- for First position in Sanskrit (H) I year on March 27, 2025.

Kshitij Srivastava, student of B.A. (H) Sanskrit, II year, achieved Sh. Trilochan Dutt Joshi Scholarship of Rs. 5,000/- for First position in Sanskrit (H) II year on March 27, 2025.

Ayushi Pandey, student of B.A. Sanskrit (H), III year, achieved Sh. Anjan Dutta Memorial Prize of Rs. 5,000/- for First position in Sanskrit (H) III year on March 27, 2025.

Mariyam Kidwal, student of B.Sc. Life Science, III year, achieved Sh. Avatar Krishan Dhar Scholarship of Rs. 5,000/- for First positon in B.Sc. Life Science (aggregate of I, II and III year) on March 27, 2025.

Riya Dhawan, student of B.Com. (H), III year, achieved Dr. Ruchi Sharma Memorial Prize of Rs. 5,000/- for First positon in B.Com. (H) (aggregate of I, II and III year) on March 27, 2025.

Debopam Paul, student of B.Sc. (H) Zoology, III year, achieved Prof. R.K. Mathur Memorial Prize of Rs. 5,000/- for First positon in B.Sc. (H) Zoology (aggregate of I, II and III year) on March 27, 2025.

Ashutosh Shivam, student of B.Sc. (H) Maths, III year, achieved Sh. Dinesh Chandra Pant Memorial Prize of Rs. 5,000/- for First positon in B.Sc. (H) Maths (aggregate of I, II and III year) on March 27, 2025.

Tanya Pandey, student of B.A. (H) Economics, III year, achieved Smt. Ganeshi Chawla Memorial Award of Rs. 5,000/- for female topper with 1st Division in B.A. (H) Economics on March 27, 2025.

Manit Puneyani, student of B.A. (H) Economics, III year, achieved Smt. Ganeshi Chawla Memorial Award of Rs. 5,000/- for topper with 1st Division in B.A. (H) Economics (aggregate of I, II and III year) on March 27, 2025.

Inderjeet Singh, student of B.A. (H) Hindi, III year, achieved Dr. M.P. Singh Memorial Award of Rs. 5,000/- for Topper with 1st Division in B.A. (H) Hindi (aggregate of I, II and III year) on March 27, 2025.

Chetan, student of B.sc (P) applied physical science with industrial chemistry, won first prize in academic, Deshbandhu college, March 27,2025

Dhruvi Goel, student of B.A. (Hons), II year, was awarded with Annual Academic Award, Deshbandhu college, March 27, 2025.

Dhruvi Goel, student of B.A. (Hons), II year, was awarded with Smt. Manorma Joshi Scholarship, Deshbandhu college, March 27, 2025.

Mrinal Khawas, student of B.Sc. (Hons) Biochemistry, II year, was awarded with Annual academic award in Annual Day, Deshbandhu college, March 27, 2025

Barha Sajid, student of B.Sc. (Hons) Biochemistry, III year, was awarded with Annual Academic Award in Annual Day, Deshbandhu College, March 27, 2025.

Sambit Acharya, Shriya Mathur and Rutvi Bhisht students of B.A. (Hons) Political Science, II year, won First Prize as a team in the Case-o-Cause Case Study Competition, organised by NSS, Shri Ram College of Commerce, March 27, 2025.

Praveen Chaudhary, student of B. Sc. (Hons), II year won First Prize in Inter-College Best Cadet Competition, Miranda House College, March 27-28, 2025

Praveen Chaudhary, student of B. Sc. (Hons), II year, won First Prize in Inter-College Best Cadet Competition, Lady Shri Ram College, March 7, 2025

Praveen Chaudhary, student of B. Sc. (Hons), II year, won First Prize in Inter-College Best Cadet Competition, Kalindi College, March 03, 2025

Praveen Chaudhary, student of B. Sc. (Hons), II year, won First Prize in Inter-College Best Cadet Competition, Gargi College, February 28, 2025

Eshaan Naithani, student of B.Sc. (Hons.) Mathematics, III year, won Second Prize in the NEWTONIAN'25 Chess Tournament, Kirori Mal College, University of Delhi, February 24, 2025.

Azam Husain, student of B.A. Programme, III Year, from DSQUAD Society secured 1st Position in open mic Talent hunt competition, Hansraj College, October 03,2024.

Barha Sajid, student of B.Sc. (Hons) Biochemistry, III year, was awarded with the Best Pitch prize in Bioinfluence Biohackathon 2nd Edition organized by Rishihood University, September 14, 2024.

Adeeba, student of B.Sc. (Hons) Biochemistry, III year, was awarded with the Best Pitch prize in Bioinfluence Biohackathon 2nd Edition organized by Rishihood University, September 14, 2024.

Riya Banerjee, student of B.Sc. (Hons) Biochemistry, III year, was awarded with the Best Pitch prize in Bioinfluence Biohackathon 2nd Edition organized by Rishihood University, September 14, 2024.

Suprita Verma, student of B.Sc. (Hons) Biochemistry, III year, was awarded with the Best Pitch prize in Bioinfluence Biohackathon 2nd Edition organized by Rishihood University, September 14, 2024.

Barha Sajid, student of B.Sc. (Hons) Biochemistry, III year, won 3rd prize in Intercollege Poster Presentation Competition organized by Indraprastha College for Women, September 03, 2024.

Suprita Verma, student of B.Sc. (Hons) Biochemistry, III year, won Top performer Prize in Skill development program in Bioinformatics and Data analytics organized by BioPractify, August 03, 2024.

Patrick Ngudo Khemai, student of B.Sc. (Hons) Biochemistry, III year, won the 2nd position in Cultural dance competition organised by Jesus and Mary College, April 12, 2024.

Research Projects

Dr. Pratibha Singh, Department of Chemistry has been sanctioned ₹4,00,000/- for a research project entitled "Design and development of smart nanomaterial-based biosensors for pesticide detection in food" as PI. The grant has been provided by ₹4,00,000/- and covers the duration from 2021-2024.

Dr. Umesh Kumar, Department of Chemistry has been sanctioned ₹4,50,000/- for a research project entitled "SERB" as PI. The grant has been provided by ₹4,50,000/- and covers the duration from 2023-2026.

Prof. Indrakant K. Singh, Department of Zoology has been sanctioned ₹41,26,000/- for a research project entitled "Identification of the molecular mechanism of mechano-transduction pathways that act upstream of Hippo Pathway for treatment of breast cancer" as PI. The grant has been provided by ₹13,75,333/- and covers the duration from 2023-2026.

Prof. Indrakant K. Singh, Department of Zoology has been sanctioned ₹10,00,000/- for a research project entitled "Immunotherapeutic role of Vitamin A (Retinoic acid) in the in vitro model of tuberculosis" as PI. The grant has been provided by ₹3,33,000/- and covers the duration from 2022-2024.

Indian Council of Philosophy Research (Ministry of Education, Government of India) grant of Rs. 40,000/- for disbursement to Dr. Subasini Bank organizing the Indian Philosopher's Day duration from 2024.

Seminars Organized

Dr. Dau Dayal, Assistant Professor, Department of Biochemistry, University of Delhi South Campus delivered a lecture on Unravelling Disease pathophysiology and their therapies using Model Ofganisms and Gene Expression Regulators on March 19, 2025.

Shri T.D. Dhariyal, Former Dy. Chief Commissioner, Disability & Member Secretary, Rehablitation Council of India, GOI delivered a seminar on Empowering Lives: Building an inclusive society for differently abled individuals on February 24, 2025.

Prof. Jaykant Singh Sharma, Vyakaran Vibhag, Shri Lal Bahadur Shastri Rashtriya Sanskrit Vishwavidyalaya, New Delhi delivered a lecture on Prayag-Mahakumbh ki Pauranikta avm uski Sampratik Prasangikta on February 13, 2025.

Prof. Bhartendu Pandey, Department of Sanskrit, DU delivered a lecture on Sadharnikaran avm Rasaswaad on January 30, 2025.

Dr. Sabareesh, Consultant with the Ministry of Science and Technology and Ministry of Earth Sciences, GOI, delivered a talk on Netaji Subhash Chandra Bose: An inspiring personality on January 23, 2025.

Dr. Priti Rai, Associate Professor, Department of Commerce, Shyama Prasad Mukherji College delivered a talk on Organ Donation Awareness Campaign on January 14, 2025.

Sh. Raghvendra Kumar, Helmet Man of India, delivered a talk on Every Life Matters cultivating a culture of Road Safety on January 28, 2025.

Dr. Nilam, Associate Professor, DTU delivered a webinar on Application of Mathematics in Providing Solutions to Real Life Problems on December 22, 2024.

Prof. Sampadananda Mishra, Director, Centre for Human Sciences, Rishlhood University, Sonipat, delivered a talk on Journey of Indian Philosophy Over the ages on December 18, 2024.

Prof. Dinabandhu Sahoo, HOD, Department of Botany delivered a lecture on Beyond the Classroom-Environmental Education to Action on November 19, 2024.

Prof. Shashi Bhushan Pandey, Advisor (Scientist G), Anusandhan National Research Foundation (ANRF) delivered a seminar on Anusandhan National Research Foundation: Programs & Prospects on November 14, 2024.

Prof. (Dr.) Ramesh Dawar, MBBS (AIIMS), MD. Maryland, USA, Vice President & Director DHRC WOD Pathology & Transfusion Medicine- DHRC delivered a talk on Our Health, Our Power: Shielding against Cancer on October 18, 2024

Prof. G. N. Trivedi, Retd. Prof. of Political Science, Motilal Nehru College (Evening), delivered a talk on Gandhi Discerned: An overlapping dimension of personality on October 18, 2024.

Mr. Anurag Kulshrestha, Founder President of Team TRAX and a renowned road safety expert delivered a talk on Road Safety Awareness on October 16, 2024.

Syed Fraz Haider Nabi, Assistant Director General (Philately) Department of Posts, Ministry of Communications, GoI delivered a talk on Philately of Animals on October 15, 2024.

Dr. Vandana Mehta, Director Professor & Head of Department, Anatomy, Vardhman Mahavir Medical College delivered a talk on Meditation Session

Advocate Mandeep baisla, Supreme Court delivered a seminar on Women's Legal Rights Against Workplace Harassment on October 04, 2024

Prof. Rakesh Sinha, Ex-MP, Rajya Sabha, delivered a talk on My journey across academics, social work and politics on October 08, 2024.

Prof. Sachchidananda Mishra, Member Secretary, Indian Council of Philosophical Research delivered a Seminar on Mahima Dharma and Darshana: Altruism beyond Orthodoxy on May 23-24, 2024.

Prof. Godabarisha Mishra, Nalanda University, Former member Secretary ICPR, Delivered a Talk on Decoding the Language of Love: Unfolding and Upanishadic Worldview on May 04, 2024.

Dr. Taruna Gautam, Vice Chancellor, IILM University, Greater Noida, Delivered a Talk on Emerging Start-ups, Innovation and Design Thinking on May 03, 2024.

Conferences Organized

Conference entitled, Species –Specific National Campaign on Ashwagandha- A Health Promoter organized by Deshbandhu College and sponsored by National Medicinal Plants Board, Ministry of Ayush, GOI on March 04-05, 2025.

Conference entitled, Punyashloka Ahilyabai Holkar: Rajmata se Lokmata tak ki Yatra, organized by Bhartiya Gyan Parampara Kendra and IQAC, Deshbandhu College and Indraprastha Adhyan Kendra and sponsored by Deshbandhu College on February 25, 2025.

Conference entitled, One Day International Seminar on Cancer Biology, organized in association with Anushandhan Prakoshth, Bhartiya Shikshan Mandal and sponsored by Deshbandhu College on July 08, 2024.

National/International MoUs Signed

MoU signed with Aabir Bio-Services Foundation (ABSF), Noida on August 21, 2024 served as the Principal, Deshbandhu College.

MoU signed with Dr. Shroff's Charity Eye Hospital, a Trust on December 19, 2024 served as the Principal, Deshbandhu College. Key outcomes: jointly developing a software and diagnostic tool for developing glaucoma detection model.

MoU signed with Varunshri Media Solutions on September 09, 2024 served as the Principal, Deshbandhu College.

MoU signed with M/s. Green-O-Tech India on January 05, 2024 served as the Principal, Deshbandhu College. Key outcomes: for recycling paper waste of college and providing stationary to college.

MoU signed with Palacky University Olomouc on March 06, 2023 served as the Principal, Deshbandhu College. Key outcomes: Joint research collaboration in the field of Medicine and Biotechnology.

MoU signed with Centro Escolar university, Manila, Philippines on March 04, 2023 served as the Principal, Deshbandhu College. Key outcomes: joint research collaboration in the field to Artificial Intelligence and Big Data Management.

MoU signed with Pettigrew College of the Manipur University on February 09, 2021 served as the Principal, Deshbandhu College. Key outcomes: organized more than 20 extensions and outreach activities.

MoU signed with University of Delhi and School of Open Learning and Bhaorao Deoras Sewa Nyas on February 07, 2023 served as the Principal, Deshbandhu College. Key outcomes: Skill Development Programs for start-ups with Samarth Bharat.

Number and Percentage of Students Placed 551 (33.43%)

Number of Companies Visited for Campus Recruitment 113

Extension and Outreach Activities

Painting & Poster making competition

Blood donation Camp

Nirbhaya Nari

Meditation Session

Cyfle, The Placement Cell (Annual Job Festival Asterin 2025)

Scientific exposure visit to Jamia Hamdard

Road Safety Awareness

Tabir-e-Khwab: Where Classical Meets Western

Illuminating Minds, Igniting Futures

Mehendi Competition

Pradeepan (The NSS Annual Diwali Mela)

Kavi Semmelan

3-day certificate workshop on Yogasana and Pranayama under Vidya Vistar Scheme

Vidya Vistar Scheme

Lecture Cum Virtual Lab Visit On Microbiological Testing of Food

The Recruitment Quiz

Talk on Prevention of Sexual Harassment in College

Seminar on climate change and future of the world

Seminar on Nadi ko jano

Lecture cum virtual lab visit on Landfill: A Public & Environmental Health perspective

Webinar on “Reflections of Indian Knowledge system: Heritage, Culture, Society and Science

Webinar on "Role of Bhagini Nivedita in Freedom Movement

Leadership series

Investor Education Programme

Workshop on Karma Yoga

The Wildlife Week: Wild-O-Vigus

Cleanliness Drive

Plantation Drive

Swachhata Pakhwada

20 departments conducted National Seminar Cum Workshop Cum Annual student's society festival.

Library Development

The College library has undergone a major transformation and upgradation in the past one year. The college library has registered the college for 'One Nation One Subscription' scheme of Ministry of Education Govt. of India. The flooring of the library has been completely changed. New air-conditioned reading rooms for teachers and an air-conditioned seminar room have been added. The library has created a dedicated space for an air-conditioned e-library through which all faculty and students can access all online e-resources and subscribed databases. The college library procured 1877 new books and also subscribed to many journals and magazines. The library has also installed SS railings on staircase for added safely.

Faculty Strength

Senior Professor/Professor/Director	37
Associate Professor	39
Assistant Professor	137
Ad-Hoc.	1
Guest	41
₹ Funds Utilized (Crores)	93.2
₹ Funds Allocated (Crores)	89.41

Other Significant Information

Strengths:

Implementation of NEP-2020: The College has completely adopted and implemented the new structure and curriculum approved by the University of Delhi as per NEP-2020 and started the four-year degree program with different courses like Core, Elective, Ability Enhancement, Skill Enhancement and Value Added courses with option to students for choosing all courses except core courses and also offering multiple entry and exit options.

Infrastructure Augmentation and Green Campus: It is a green campus and successfully conducted its Green Audit from a Government certified agency and was conferred the "World Ecology Environment

and Development" award by International Association of Educators for World Peace (affiliated to UN) and "Plastic Free College" Awards by the International Association of Educators for World Peace, Indian Institute of Ecology & Environment and National Institute of Cleanliness Education & Research in 2018.

Library: The College library is one of the largest and best-maintained libraries in DU being ranked the 'Best College Library' in the University in 2020 in a study published in DESIDOC Journal of Library and Information Technology, DRDO and recipient of 'Best managed Library Award-2017' by International Association of Educators for World Peace (affiliated to UN).

Sports: Sports is considered to be the Hallmark of Deshbandhu College with its students winning laurels in Archery, Athletics, Badminton, Boxing, Carom, Chess, Cricket, Football, Judo, Kabaddi, Power-lifting, Shooting, Taekwondo, Volleyball, Weight-lifting, Wrestling and Yoga.

DR. BHIM RAO AMBEDKAR COLLEGE

Major Activities and Achievements

Dr. Bhim Rao Ambedkar College came into existence in the year 1991 during the birth centenary year of Bharat Ratna Baba Saheb Dr. Bhim Rao Ramji Ambedkar. It is a constituent co-educational college of the University of Delhi and is 100% funded by the Delhi government. Over the years, our college has become an important institution of learning and knowledge, with cultural and sports activities. The Career Fair 2025, held at Dr. Bhim Rao Ambedkar College, University of Delhi, on February 24, 2025, served as a pivotal platform for students and job seekers to engage with industry professionals, gain insights into various career opportunities, and explore potential employment prospects.

Our college has organized the 5th World Environment Summit 2024 on 16-17, November 2024 at the NDMC Convention Centre, Sansad Marg, New Delhi, and on November 18, 2024 at Hansraj College, North Campus Galgotias University, Greater Noida, in collaboration with Environment and Social Development Association (ESDA) Delhi, G D Goenka University, AUH, Gurugram, Dr. Bhim Rao Ambedkar College, RCCV Girls College, Ghaziabad, CSIR-National Environmental Engineering Research Institute (NEERI), Villa College Maldives, Tribhuvan University Nepal, and Zoological Society of Bangladesh are supported by Indian Council of Medical Research, New Delhi.

Honours/Distinctions of the Teaching and Non-Teaching Staff

Prof. Rakesh Sahani, recipient of the (1) Best Research Paper Award for the paper "Examining the Dynamic Integration of India's Green Benchmark Indices: Global Peers or Traditional Crude, paper presented at the International Conference, Adani University, December 11-12, 2024. (2) Best Research Paper Award for the paper "The Nexus between Economic Growth, Urbanization, Trade, Biocapacity, and Ecological Footprint: The Indian Experience, a paper presented at the 7th Biennial International Conference: Vision India@2047: Global Leader in Economic Growth, Sustainability & Decarbonization, March 21-22, 2024, at Sri Guru Gobind Singh College of Commerce, Pitampura, New Delhi. He has also served as an external evaluator. Acted as reviewer of papers of Scopus-indexed journals and external evaluator of PhD thesis of HSB GJUS&T, PhD supervisor, DU; participated in time series workshop with 'R' at Dayal Singh College, DU, December 02-03.

Prof. Narender Thakur & Professor Sada Nand Prasad, recipient of the Best Paper Award on "Environmental Degradation, Income Inequality, Poverty, and Unemployment in the Global North and South Countries: An Econometric Analysis for Sustainable Development and Climate Action Policies" at the international conference organized by World Environment Summit 2024.

Prof. Deepali Jain got the (1) Best Research Paper Award for a paper titled "Sustainable Tax Saving for Eco-friendly Tax Payers in the Urban Capital: A Multiple Method Analysis Approach," presented at the 10th Annual International Commerce Conference organized by the Department of Commerce, Delhi School of Economics, University of Delhi, and Deen Dayal Upadhyaya College, University of Delhi, on January 6-7, 2025. (2) Best Research Paper Award in the 5th World Environment Summit 2024, organized by the Environment and Social Development Association (ESDA India) and Dr. B. R. Ambedkar College, DU, and others on November 16-18, 2024.

Prof. Mamta, recipient of the (1) Best Research Paper Award for a paper titled "Sustainable Tax Saving for Eco-Friendly Tax Payers in the Urban Capital: A Multiple Method Analysis Approach presented at the 10th Annual International Commerce Conference. (2) Best Research Paper Award in the 5th World Environment Summit 2024, organized by the Environment and Social Development Association (ESDA India) and Dr. B.R. Ambedkar College, DU, and served as a Viksit Bharat Ambassador for active participation in Nari Shakti Conclave at Delhi University on March 07, 2024.

Prof. Poonam Mittal (1) Got Best Research Paper Award for a Paper titled "Sustainable Tax Saving for Eco-Friendly Tax Payers in the Urban Capital: A Multiple Method Analysis Approach, presented at the 10th Annual International Commerce Conference organized by the Department of Commerce, the Delhi School of Economics, University of Delhi and Deen Dayal Upadhyaya College, University of Delhi on January 6-7, 2025

Dr. Nishi Sharma was awarded a certificate of appreciation and prize money for the best paper presentation at the ICSSR-sponsored First International Conference on Business Research and Innovation (BRAIN' 24), held on August 09-10, 2024 at the Department of Management Studies, Netaji Subhas University of Technology, New Delhi.

Prof. Richa Chowdhary has received an award for social service on International Women's Day by Vishwa Yuvak Kendra, Chanakyapuri.

Prof. Tushti Bhardwaj was awarded (1) the Best Presentation award for Cross-cultural validation of IPOS for patients living with cancer in India, Outcome measurements in palliative and end-of-life care with POS family of measures, presented at the IPOS training workshop organized by the Cicely Saunders Institute, King's College London, London, April 30 –May 01, 2024. (2) Completed an ICSSR-funded project under the PM Year of Millets scheme titled "Health benefits of millets in routine diet: A study on assessing the awareness and consumption of millets among youth in Delhi NCR.

Prof. Bishnu Mohan Dash served as a Nodal Officer, G20, Vikshit Bharat, Unnat Bharat Abhiyan, and Convenor of the International Cooperation Committee.

Dr. Deepshikha Chowdhary received an award for social service on International Women's Day from Vishwa Yuvak Kendra, Chanakyapuri, Delhi.

Kumar Satyam, received honour for 'Excellence in Social Work' by the All India SC, ST, OBC and Minorities Doctors Association, Poorvanchal Vichar Manch, Maya Narayan Memorial Trust, Doctors Association of UCMS & GTB Hospital on December 10, 2024.

Students with Distinctions

Aayush Sharma, student of BBE-3rd Year, recipient of Yogesh Varshney Memorial Gold Medal.

Roshani Kumari, student of BA(H) HJMC, recipient of Maa Laxmi Devi Memorial Gold Medal.

Divyanshu Rathour, student of BA(H) HJMC, recipient of Sheetal Prasad Singh Gold Medal

Ankita Singh, student of BSW-3rd Year, recipient of Bapu P.N Singh Gold Medal

Priya Arora, student of BCH-3rd Year, recipient of Sultan Chand Memorial Gold Medal.

Mohan Kumar, student of BCH-3rd Year, recipient of Sultan Chand Memorial /2nd Position.

Ritu Gupta, student of BCH-2nd Year, recipient of Sultan Chand Memorial/2nd Position

Kaashvi Oberoi, student of BCH-2nd Year, recipient of Sultan Chand Memorial/2nd Position

Kavita, student of BA(P)-1st Year, recipient of B.P. Maurya Memorial Meritorious Award.

Atharv Gajanan Pawar, student of BA(P)-2nd Year, recipient of B. P. Maurya Memorial Meritorious Award.

Muskan, student of BA(P)-1st Year, recipient of Jayant Smt. Kamalawati Shastri Award.

Rubina BA, student of (P)-2nd Year, recipient of the Jayant Kumar Pandit Vimal Dev Shastri Award.

Ranjit Kumar Mandal, student of BA(P)-1st Year, recipient of Jayant Memorial Award.

Anagha Ragesh, student of BA (H) Applied Psychology-VI, recipient of the Manvati Gautam Memorial Gold Medal.

Meetikala Mohan Babu, student of BA(H) Social Work, recipient of Sita Patanjali Memorial Award.

Suraj, student of B.A. (H) Social Work III Year, recipient of Swami Sarvadanand Bhikshu Best Human Service Award.

Mr. Abhishek Sharma (CDT, NCC-Navy), B.A.(HONS) Geography, 2nd year, Recipient of Best Student Trophy

Gungun Jain student of BCOM(H)/2ND Sem scored 1st Position

Palak student of BCOM(H)/2ND Sem scored 2nd Position

Palak Pandey student of BCOM(H)/2ND Sem scored 2nd Position

Ayukta Goyal student of BCOM(H)/2ND Sem scored 2nd Position

Ritu Gupta student of BCOM(H)/2ND Year scored 1st Position

Kaashvi Oberoi student of BCOM(H)/2ND Year scored 2nd Position

Priya Arora student of BCOM(H)/3rd Year scored 1st Position

Mohan Kumar student of BCOM(H)/3rd Year scored2nd Position

Tanisha student of BCOM(P)/1st Year scored1st Position

27 Vinay Gupta student of BCOM(P)/1st Year scored 2nd Position

28 Govind Jain student of BCOM(P)/2nd Year scored1st Position

29 Nimisha Sinha student of BCOM(P)/2nd Year scored2nd Position

30 Prerana Dwivedi student of BCOM(P)/3rd Year scored 1st Position

Aarav Patel, student of B.A.(HONS) Geography, 1st Year scored 1st Position

Shagun Mishra, student of B.A.(HONS) Geography, 1st Year scored 2nd Position

Khushi Kanaujiya, a student of B.A.(HONS) Geography,2nd Year scored 1st Position

Satwik Dhar Diwan, a student of B.A.(HONS) Geography,2nd Year 2nd Position

Yash Raj student of B.A.(HONS) Geography,2nd Year scored2nd Position

Moupiya Samadder, student of B.A.(HONS) Geography,3rd Year scored1st Position

Aayushi Kumari student of B.A.(HONS) Geography,3rd Year scored2nd Position

Areeba Khan, student of B.A.(HONS) History,1st Year scored1st Position

Shubhanshu, a student of B.A.(HONS) History,1st Year scored2nd Position

Urzilla Aijaz student of B.A.(HONS) History,2nd Year scored1st Position

Harshit Gunj, a student of B.A.(HONS) History,2nd Year scored2nd Position

Shivam Sharma, a student of B.A.(HONS) History,2nd Year scored2nd Position

Sahil Khan Salmani, a student of B.A.(HONS) History,3rd Year scored1st Position

Vivek Sethi, student of B.A.(HONS) History,3rd Year scored1st Position

Aryan B.A.(HONS) History,3rd Year scored 2nd Position

Ashika B.A.(HONS) Hindi,1st Year scored 1st Position

Shivam Yadav B.A.(HONS) hindi,1st year scored 2nd position

Anjali B.A.(HONS) hindi,2nd year scored1st position

Sahil Singh, student of B.A.(HONS) Hindi,2nd Year scored 1st Position

Kanchan Panday, a student of B.A.(HONS) Hindi,2nd Year scored 2nd Position

Aaditya Panday, student of B.A.(HONS) Hindi,3rd Year scored 1st Position

Nitin Kumar, a student of B.A.(HONS) Hindi,3rd Year scored 2nd Position

Pragati Gupta, a student of B.A.(HONS) HJ&MC,1st Year scored 1st Position

Saumya Patel, a student of B.A.(HONS) HJ&MC,1st Year scored 1st Position

Rupali Sharma, a student of B.A.(HONS) HJ&MC,1st Year scored 2nd Position

Md Saif, a student of B.A.(HONS) HJ&MC,2nd Year scored 1st Position

Gungun, a student of B.A.(HONS) HJ&MC,2nd Year scored 2nd Position

Roshani Kumari, a student of B.A.(HONS) HJ&MC,3rd Year scored 1st Position

Mohd Firdous Alam, a student of B.A.(HONS) HJ&MC,3rd Year scored 2nd Position

Shale T Mary John, a student of B.A.(HONS) Social Work, 1st Year scored 1st Position

Varsha Jha, a student of B.A.(HONS) Social Work, 1st Year scored 2nd Position

Ankita Singh, a student of B.A.(HONS) Social Work, 2nd Year scored 1st Position

Arya K P, a student of B.A.(HONS) Social Work, 2nd Year scored 2nd Position

Savvy Jain, a student of B.A.(HONS) Social Work, 3rd Year scored 1st Position

Anjali Gupta, a student of B.A.(HONS) Social Work, 3rd Year scored 2nd Position

Shavia Naaz, a student of B.A.(HONS) Business Economics,1st Year scored 1st Position

Riddima, a student of B.A.(HONS) Business Economics,1st Year scored 2nd Position

Rishab Kapoor, a student of B.A.(HONS) Business Economics,2nd Year scored 1st Position

Shourya Sharma, a student of B.A.(HONS) Business Economics,2nd Year scored 2nd Position

Aayush Kumar, a student of B.A.(HONS) Business Economics,3rd Year scored 1st Position

Priyansh Aggarwal, a student of B.A.(HONS) Business Economics scored 3rd Year 2nd Position

Srishty Roy, a student of B.A.(HONS) Economics,1st Year scored 1st Position

Muskan Singh, a student of B.A.(HONS) Economics,1st Year scored 2nd Position

Diya Alwani, a student of B.A.(HONS) Economics,2nd Year scored 1st Position

Parul Gupta, a student of B.A.(HONS) Economics,2nd Year scored 2nd Position

Abhinav Chauhan, a student of B.A.(HONS) Economics,3rd Year 1st Position

Adya Sheel, a student of B.A.(HONS) Economics,3rd Year scored 2nd Position

Prince Raj, a student of BA(P), 1st Year scored 1st Position

Purvi Yadav, a student of BA(P), 1st Year scored 2nd Position

Ishika Jindal, a student of BA(P), 1st Year scored 2nd Position

Shipra, a student of BA(P), 2nd Year scored 1st Position

Krishna Bhatia, a student of BA(P), 2nd Year scored scored2nd Position

Pragya Pathak, a student of BA(P), 3rd Year scored1st Position

Divya Singh, a student of BA(P), 3rd Year scored 2nd Position

Harshita Purohit, a student of B.A.(HONS) Applied Psychology, 1st Year scored 1st Position.

Palak Gupta, a student of B.A.(HONS) Applied Psychology,1st Year scored 2nd Position

Angel Narwal, a student of B.A.(HONS) Applied Psychology,2nd Year scored 1st Position

Harsh Meena, a student of B.A.(HONS) Applied Psychology,2nd Year scored 2nd Position

Neha Rousa, a student of B.A.(HONS) Applied Psychology,2nd Year scored 2nd Position

Anagha Ragesh, a student of B.A.(HONS) Applied Psychology,3rd Year scored 1st Position

Prerita Bahri, a student of B.A.(HONS) Applied Psychology,3rd Year scored 2nd Position

Seminars Organized

Dr. Atul Pratap Singh, Professor, delivered a talk as a Resource Person on 'School Social Work: Opportunities, Challenges, Roles and responsibilities' in a one-day webinar on 'Need for School Social Work and Role of Practitioners', organized by Dr. Babasaheb Ambedkar College of Social Work, Morane, Dhule, Maharashtra, August 16, 2024.

Dr. Bishnu Mohan Dash, Professor, delivered a lecture on " Social Work in a Dynamic Era: Paving way for Viksit Bharat' at the International Conference in Social Sciences at Amity University, Noida, on March 6, 2024.

Dr. Deepali Jain, Professor, delivered a talk on the National Education Policy (NEP) 2020 during the orientation program of NCWEB, held on September 23, 2024.

Dr. Navin Kumar, Professor, delivered a talk as a keynote speaker on psychological issues related to human trafficking at the Embassy of Chile in India, Delhi, on July 30, 2024.

Dr. Tushti Bhardwaj, Professor, invited speaker for 32nd International Conference of the Indian Association of Palliative Care (IAPCON 2025), for presenting "Appraising and Applying Evidence from Qualitative Study into Clinical Practice" to be held on January 31 - February 02, 2025.

Conferences Organized

5th World Environment Summit 2024 on November 16-17, 2024 at the NDMC Convention Centre, Sansad Marg, New Delhi and on November 18, 2024 at Hansraj College, North Campus Galgotias University, Greater Noida in collaboration with Environment and Social Development Association (ESDA) Delhi, G D Goenka University, AUH Gurugram, Dr. Bhim Rao Ambedkar College, RCCV Girls College, Ghaziabad, CSIR-National Environmental Engineering Research Institute (NEERI), Villa College Maldives, Tribhuvan University Nepal and Zoological Society of Bangladesh and supported by Indian Council of Medical Research, New Delhi.

'National Consultation on Bharatiya Model of Community Development' organized by Dr Bhim Rao Ambedkar College, University of Delhi and KKM College (SKM University), Dumka, Jharkhand on October 15, 2024.

National/International MoUs Signed

An MOU was signed with the University of Pamulang, Indonesia, on November 2, 2024. Prof. Bishnu Mohan Das (Convener of the International Cooperation Committee) served as the coordinator. As a result of this collaboration, it aims to promote academic exchange, research initiatives, and cultural understanding between the two institutions. This collaboration reflects the college's dedication to fostering meaningful international academic partnerships. The committee is committed to expanding

collaborations with other global institutions to enhance opportunities for student and faculty development.

An MOU was signed with CSR, Bisleri International Pvt. Ltd., Bottles for Change Program, on December 17, 2024 under the Community Engagement Program of Dr. Bhim Rao Ambedkar College, University of Delhi. The purpose: "To inculcate civic sense among students and educate on responsible disposal of plastics from the campus, thus achieve zero plastic waste to landfill". Prof. Richa Chowdhary (Chief Coordinator), Dr. Deepshikha Chowdhary (Program Coordinator), and Dr. Sukriti Chowdhary (Program Co-Coordinator) will coordinate the training program. "Bottles for Change" is a flagship campaign that aims to educate citizens about the correct ways of using and disposing of plastic by recycling.

Number and Percentage of Students Placed

30% i.e. More than 150 students from our college was offered immediate placements and 50+ students were offered internships making it the biggest number of recruitment ever done in Dr. Bhim Rao Ambedkar College on a single day. Few of the remarkable placements offered were: Sudiksha Kandhway from B.com(prog) of 3rd year Dr. Bhim Rao Ambedkar College being offered a placement of 12lakh per annum from Hired Placement Agencies making it the highest offer given to any candidate. Subham Kumar from BA(Eco+OMSP) of 3rd year Dr.Bhim Rao Ambedkar College being offered a placement of 6lakh per annum from Ambit Collective LLP. Tanya Arya from BA(hons)SocialWork of 3rd year Aditi Mahavidhyalaya being offered a placement of 4.8lakh per annum from Ambit Collective LLP. Tanisha from B.com(prog) of 3rd year Dr.Bhim Rao Ambedkar College being offered a placement of 4lakh per annum from ICICI Bank. Priya from B.com(prog) of 3rd year Dr. Bhim Rao Ambedkar College being offered a placement of 6lakh per annum from Hired Placement Agencies.

Number of Companies Visited for Campus Recruitment

26 companies visited the campus. The fair featured participation from a diverse range of companies across multiple industries ,including: 1.Mynd Integrated Solutions Pvt. Ltd. 2.Om Logistics 3.Conneqt Business Solutions Limited 4.Genpact 5.Choice Consultancy Services 6.Quess CorpLtd 7.Wipro Limited 8.Mysore Deep Perfumery House 9.Teleperformance 10.Transcom(India) Private Limited 11.Siddhi Infotech India Pvt Ltd 12.ICA Edu Skills Pvt Ltd 13.Axis Bank Ltd 14. IFLL td 15.Paytm 16.ICICI Bank 17.Kotak Mahindra Bank 18.Writer Information Management Services 19.Global Credit Solutions 20.My Money Mantra 21.Germanium Technologies Ltd 22.Ambit Collective LLP 23.VP Softwares Private Limited 24.Magic Pin 25.Hired Placement Agencies 26.DBS Securities

Library Development

DURGABAI DESHMUKH COLLEGE OF SPECIAL EDUCATION (VISUAL IMPAIRMENT)

Major Activities and Achievements

College organized professional development programmes for in service teachers working in special school and inclusive schools under Continuing Rehabilitation Education programs, two times in an academic year. Details are under, 'Need Assessment of Persons with Visual Impairment', 'Training Orientation & Mobility Skills'. Different lectures were organised by the college. Prof. Vandana Saxena, Department of Education, University of Delhi delivered a lecture regarding teachers' value and importance in student's lives. Highlighting the point, she added, "Teachers are the guiding light of the student's life", they give us the right direction and as a student it's our duty to move on the right path. Prof Prem Pal Singh (Former) from Department of Hindi delivered an orientation session on the topic 'Disability and Inclusion' in our college. Her talk was centred on the integrated and pivotal relationship between the teacher, students and education. She delineated the role and responsibilities of a teacher especially in an inclusive classroom. Teaching is not just imparting knowledge rather it's a moral responsibility of building the future of tomorrow. College also provided its teachers trainees various opportunities and exposure of activities in different institutions at local and national levels by way of organizing educational visits.

Honours/Distinctions

Faculty

- Thirty-Five years long and meritorious service award conferred to Dr Swati Sanyal by our parent organization, Blind Relief Association, Delhi.
- Fifteen years long and meritorious service award conferred to Dr Sudeep Kumar Dubey by our parent organization, Blind Relief Association, Delhi.
- Fifteen years long and meritorious service award conferred to Mr. Shanti Bhushan Sharma by our parent organization, Blind Relief Association, Delhi.
- Ten years long and meritorious service award conferred to Mr. Narendra Kumar Jha by our parent organization, Blind Relief Association, Delhi.

Students

- Ms. Surbhi Singh, students of B.Ed Special Education (V.I.) was the college topper and recipient of the University medal.
- Ms. Nandita, students of B.Ed Special Education (V.I.) stood second in the University Annual Examination.
- Mr. Suraj kumar students of B.Ed Special Education (V.I.) stood third in the University Annual Examination.

Seminars Organized

- Dr. Sudeep Kumar Dubey, Course Director delivered a talk on 'An Introduction to Orientation and Mobility' in Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on the theme 'Training Orientation & Mobility Skills' in the Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on July 13, 2024.
- Mr. Virender Kumar delivered a talk on 'the importance of white cane' in Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on the theme 'Training Orientation & Mobility Skills' in the Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on July 13, 2024.
- Mr. Anil Kumar, National Association for the Blind, delivered a talk on the topic 'Pre Cane Skills and Sighted Guide Techniques' in Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on the theme 'Training Orientation & Mobility Skills' in the Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on July 13, 2024.
- Mr. Narendra Kumar Jha & Mr. Mr. Ramashray Ram delivered a talk on 'Preparation and use of Mobility Map' in Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on the theme 'Training Orientation & Mobility Skills' in the Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on July 13, 2024.
- Ms Poonam from National Association for the Blind delivered a talk on the topic 'orientation & mobility for Deaf Blind persons' in Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on the theme 'Training Orientation & Mobility Skills' in the Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on July 13, 2024.
- Dr. Sudeep Kumar Dubey delivered a talk on **'**Need and importance of Assessment of Different Areas' in Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on the theme 'Need Assessment of Persons with Visual Impairment' on January 10, 2025.
- Mr. Narendra Kumar Jha delivered a talk 'Functional Skills Inventory for the Blind' (FSIB) in Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on the theme 'Need Assessment of Persons with Visual Impairment' on January 10, 2025.

- Mr. Virender Kumar Tyagi delivered a speech on 'Assessment of O&M and ADL Needs' Functional Skills Inventory for the Blind' (FSIB) in Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on the theme 'Need Assessment of Persons with Visual Impairment' on January 10, 2025.
- Dr. Sunita Lulla, Director, Aqua Vision Hospital 'Clinical Assessment of Low vision' in Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on the theme 'Need Assessment of Persons with Visual Impairment' on January 11, 2025.
- Mr. A. David, Dy. Executive secretary, The Blind Relief Association delivered a talk on 'Assessment of Generic and specific job skills' in Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on the theme 'Need Assessment of Persons with Visual Impairment' on January 11, 2025.
- Ms. Chanchal Gupta delivered a talk on 'Assessment of sensory training' in Continuing Rehabilitation Education (CRE) approved by Rehabilitation Council of India (RCI) on the theme 'Need Assessment of Persons with Visual Impairment' on January 10, 2025.

Placement Details (Number and percentage of students placed)

Percentage of students placed: 50%

Extension and Outreach Activities

- Students of the college took part in creating awareness about Disability issues in Inclusive Schools of Directorate of Education as a part of their curriculum. In the year 2024, the theme was, "Amplifying the leadership of persons with disabilities for an inclusive and sustainable future".
- On October 15, 2024 students at our college organized "White Cane Day" in near community to give message the importance of the cane for a Blind person. Prevention of Diarrhoea role play.

DYAL SINGH COLLEGE

Major Activities and Achievements

Dyal Singh College was ranked 34th in the college category by NIRF. A one-day national seminar on 'Indian Knowledge System: Wisdom through Ages and the Way Forward', was organised on the occasion of Founder's Day. ITR assistance help desk was set up to help the employees. International AI Symposium was organised on October 22. The Science Day was celebrated on the theme "Empowering Indian Youth for Global Leadership in Science & Innovation for Viksit Bharat" on

February 27, 2025. A national seminar was organised on "Bharat ka Vibhajan aur Manviye Rishton ke hanan ki Dastan". 'Decoding Life For A Purposeful Future', a motivational talk was organised on February 28, 2025. The Summer Research Internship Program (SRIP-2024), an IQAC initiative, was conducted in the month of June-July 2024. On the occasion of National Conference on Environment 2025, the college was awarded for 'Environment Conservation and Eco-friendly practices', by the National Green Tribunal. The Green Audit Report of the college was prepared. College organized the Inter College Boxing Championship, November 21-23, 2024. In the men category our students won 8 gold and 2 bronze and women category won 1 gold, 1 silver and 2 bronze. The college won the championship in the men's category.

Honours/Distinctions

Faculty

- Prof. A. K. Nain ranked in the World's Top 2% Scientists in 2024 on the basis of Scopus data of research analysis by Stanford University, USA with the Global Rank 258 out of 79,314 researchers in Chemical Engineering Category.
- Prof. A. K. Nain ranked in AD Scientific index 2024 rankings of the world based on Google Scholar data of nearly ~1.7 million Scientists from all subject areas. He is ranked 29th in University of Delhi.
- Prof. Minakshi Kar is UGC nominated member of Finance Committee, Jamia Hamdard University since 2024.
- Dr. Vandana Tulsyan received the 'Best Paper' award for the paper 'The Enigma of Sex Ratio in India' presented at Christ University, Delhi NCR Campus.
- Dr. Shweta Rani received Best Paper Award on 'Assessing the Fire Hazard Vulnerability, management Strategies, and Sustainable Solutions, for Resilient Educational Institutions: A Case Study of Dyal Singh College, New Delhi.', presented in CPDCON ERA 2024 – Second International Conference on 'Educational Reforms and Advancements' organized by Council for Teachers Professional Development (CTPD) India from September 28-29, 2024.
- Ms Nidhi Gaur won the Best Paper Award for the paper entitled, 'The Gendered Visions of Nationhood: Exploring the Interplay of Gender, Reform and Nationalism in the ideologies of Savarkar, Ambedkar and Gandhi', presented in an International Seminar and Workshop on Exploring Gender: Concepts, Conversations and Change organised by Shyama Prasad Mukherji College, University of Delhi in collaboration with the Wollstonecraft Society on January 28, 2025.
- Dr. Monu Mishra was awarded with Financial Support from International Travel Scheme of Anusandhan National Research Foundation (ANRF), DST, Govt. of India to present research work at 17th European Vacuum Conference / 37th European Conference on Surface Science (EVC 17/ ECOSS 37) at United Kingdom held from June 17 - 21, 2024.

Students

- Kriti Tejas Kant, a student of B.A. (Hons) (I Year), won Gold medal in Inter College Boxing Championship and participated in All India University Championship in 46-48 kg Weight category.
- Yash Kumar, a student of B. Com (Prog.) (I Year), won Gold medal in Inter College Boxing Championship in 48-51 kg weight category, won Bronze medal in Delhi Senior State.
- Vipul Bisht, a student of B. Com (Prog.) (I Year), won Gold medal in Inter College Boxing Championship and participated in All India University Championship in 51-54 kg weight category.

- Aniket Singh, a student of B. A. (Prog.) (II Year), won Gold medal in Inter College Boxing Championship and participated in All India University Championship in 54-57 kg weight category, Won Gold medal in Delhi Senior State.

- Aditya Bisht, a student of B. Com (Hons) (II Year), won Gold medal in Inter College Boxing Championship and participated in All India University Championship in 57-60 kg category, Won Bronze medal in Delhi Senior state.

- Dev Aryan Sharma, a student of B. A. (Prog.) (III Year), won Gold medal in Inter College Boxing Championship and participated in All India University Championship in 67-71 kg weight category.

- Sohit Drall, a student of B. A. (Hons) English (II Year), won Gold medal in Inter College Boxing Championship and participated in All India University Championships, he won Gold medal in Delhi Senior State and won Bronze medal in senior national championships and won Bronze medal in National Games held at Uttarakhand in 75-80 kg weight category.

- R. Praveen Kumar, a student of B. A. (Prog.) (II Year), won Gold medal in Inter College Boxing Championship and participated in All India University Championship in 80-86 kg weight category.

- Sakshi Sagar, B.A. (Hons) English (I Year), won Gold medal in Inter College Boxing Championship and participated in All India University Championship.

- Kamya Bharadwaj, a student of B. Sc. (Hons) Zoology (I Year), won gold medal in intercollege swimming tournament.

- Aman Suchiang, a student of B.A. (Hons) Geography (II Year), secured 1st Position in Quiz and Extempore competition held as a part of National Conference on Environment- 2025.
