On a separate motion, for each of the above, the following condolence resolutions, respectively, were passed by the Court, while the members stood in silence for two minutes as a mark of respect of the memory of the departed souls.

**Prof. V.B Aggarwal**

Dr. Vijay B. Aggarwal, distinguished academician, eminent alumnus of the University, and the Founder Head of the department of Computer Science.

With over 44 years of dedicated teaching and research experience, Dr. Aggarwal made pioneering contributions to the field of Computer Science in India. As the Founding Head of the Department at the University of Delhi (1981-88), he introduced the landmark MCA programme, which shaped the future of computer education at the University. A scholar of international standing, he earned his Ph.D. from the University of Illinois, Urbana, USA, and continued significant research in Supercomputers and Array processors, serving on the faculty of several universities abroad.

**Prof. P.S. Grover**

The Court of the University of Delhi places on record its deep condolences on the passing away of Dr. P.S. Grover, an eminent academician, distinguished alumnus, and former Professor, Dean, Director and Head of the Department of Computer Science, University of Delhi.

With over four decades of outstanding contributions in teaching, research, and academic leadership, Dr. Grover played a transformative role in the growth of Computer Science education. His pioneering work in Software Engineering, Autonomic systems, Quality Assurance in Higher Education, and Outcome Based Education, along with his service on research boards, editorial bodies, and accreditation agencies such as NBA, NAAC, NIEIT, and AICTE, has left an enduring impact on academia nationwide, Prof. Grover was the first donor to the Delhi University Endowment Fund

**Prof. Najma Rehmani**

Dr. Najma Rehmani, a distinguished writer, scholar, and academic, passed away on 15.3.2025. A prominent figure in the Urdu literary world, she made invaluable contributions through her writings, research, and dedication to the promotion of Urdu language and literature.

Dr. Rehmani served with distinction as the Head of the Department of Urdu at the University of Delhi, where she was deeply admired for her academic leadership, commitment to students, and passion for teaching.

Her Passing is a profound loss to the Urdu literary fraternity and the academic community. She will be remembered for her intellectual brilliance, unwavering dedication, and the lasting impact she leaves on Urdu literature and education.

The Court observed two minutes silence as a mark of respect for the departed souls.

**Prof. P.C. Joshi**

**I. ADMISSIONS FOR ACADEMIC YEAR 2025-26**

**1. This year some significant improvisations were made to the online platform to ensure the process of admissions is more student-friendly and robust:**

- a. This year, many additional features were added on the online platform to ensure reduction of grievances, transparency, fairness and ease of operations.
- b. Data driven predictive analysis was done. Extensive use of data was done to anticipate trends and seat allocations which helped in making decisions to fill the seats optimally in minimum rounds (For example, extra allocations in initial two rounds, extra allocations in all language courses (except English) across all colleges of University of Delhi)
- c. Simulated Ranks were displayed well in advance, giving candidates enough opportunity to assess their position.

- d. Minimum Allocation Scores were displayed for each round, program-wise, College-wise, Category-wise on the dashboard of every candidate for each round as well as on the Admission website for University of Delhi.
- e. The provision to raise query to communicate online with candidates was further improvised to allow candidates to upload documents in larger file formats
- f. Transparency was also established amongst colleges, as every college could witness the reasons for “acceptance” and “rejection” of other colleges.
- g. Every case that was rejected was given another chance for reconsideration
- h. Help Centers for admissions The Admission Branch had established 09 telephone Help-lines, e-mail facility (ug@admission.du.ac.in , pg@admission.du.ac.in ) and ChatBot facility to assist the students with admission.

## 2. Undergraduate Admissions:

- a. There are 69 Colleges and 79 Programs in which admissions were done.
  - i. Total number of BA Program Combinations: **186 (One hundred Eighty-Six)**
  - ii. Total number of seats: **71,624 (Seventy-one thousand Six Hundred Twenty-four)**
  - iii. **Number of candidates applied for Single Girl Child Quota: 7,243**
- a. In all, Undergraduate admissions are done for 1546 Programs+ College combinations.
- b. Number of candidates who registered: **3,14,827**
- c. Admissions were done in 6 rounds: 72230
  - 3 regular rounds, 2 upgrade rounds, 1 spot Round, 1 online Mop-up Round and 1 Physical Mop-up RoundTotal admissions done: **72230**
- d. Considering the revised list of subjects offered by NTA for the academic year 2025–26, the University had updated the eligibility conditions for most Programs. Many Programs now followed a twin eligibility model, where candidates could have either opted for one language and three subjects or two languages and two subjects. The best score obtained under either option was considered for admission.
- e. Similarly, the mandatory component of securing at least 30% in languages in CUET for BSc (Honours) Programs had been dropped.

## 3. Post Graduate Admissions:

- a. There are **83** Programs
- b. This year, the supernumerary quota for Single Girl Child had been added in Postgraduate Programs as well. One seat in each program was reserved for Single Girl Child.
- c. Number of candidates who registered: **55,132**
- d. **Total Admissions done: 10,457**

## 4. BTech Programs:

- a. Total number of candidates registered: 6,758
- b. **Total admissions: 338**

## 5. Five-year B.A. L.L.B and B.B.A LL.B

- a. Total number of candidates registered: **4,156**
- b. **Total admissions: 120**

## 6. Four-year Integrated Teacher Education program (ITEP)

- a. Total number of candidates registered: **3,250**

**Admissions for academic year 2025-26 were declared closed on September 30. 2025**

#### **J. BEST PRACTICES**

##### **(i) UDHMODYA FOUNDATION**

###### **Udhmodya Foundation: A Two-Year Journey of Growth and Impact**

Udhmodya Foundation has successfully completed two impactful years, during which it has developed state-of-the-art infrastructure and a modern co-working space, located on the 5th floor of Maharishi Kanad Bhawan.

The foundation currently supports 35 innovative start-ups, offering them essential resources such as funding, dedicated workspaces, expert mentorship, and opportunities for strategic networking.

Regular incubation visits are organized by Udhmodya Foundation for students and faculty from Delhi University-affiliated colleges. These visits provide valuable exposure and opportunities to engage directly with emerging start-ups.

In collaboration with AICTE, Udhmodya Foundation organized a Faculty Development Program (FDP) on Innovation and Entrepreneurship from 1st to 5th April 2025. The foundation received a grant of ₹3,50,000 to successfully execute this event.

The Foundation also successfully concluded its latest Udit Round, through which 5 promising ideas were offered incubation and support.

An officer from INVEST INDIA – A NATIONAL INVESTMENT PROMOTION FACILITATION AGENCY under Department for Promotion of Industry and Internal Trade, Ministry of commerce and Industry visited Udhmodya Foundation, recognizing its contribution to promoting innovation and entrepreneurship. The visit aimed to encourage start-ups and bolster the spirit of enterprise.

The 9th Board Meeting of Udhmodya Foundation was held on 20th August 2025, chaired by Prof. Yogesh Singh, Hon'ble Vice Chancellor of the University of Delhi and Chairman of the Board of Directors, Udhmodya Foundation.

On 21st August 2025, Udhmodya Foundation was delighted to be part of the Roundtable Innovation Circle: A Conversation with Startup Enablers, hosted at Board Room 3D1, R&I Park, IIT Delhi. Deputy CEO, Udhmodya Foundation, joined the discussion along with key ecosystem leaders, policymakers, and innovation catalysts. The session served as a collaborative platform to exchange insights on nurturing startups, scaling women-led ventures, and strengthening India's innovation ecosystem.

On World Entrepreneurship Day, 21<sup>st</sup> August, 2025, Udhmodya Foundation had the privilege of hosting a delegation from the Department of Innovation, Entrepreneurship & Venture Development, NSUT. The team engaged with our startups, interacted with students, and explored innovative ideas in science and entrepreneurship.

On 19th September 2025, the Udhmodya Foundation team visited BITS Pilani, where we shared our mission of building a strong, inclusive, and scalable incubation ecosystem at the University of Delhi. During the interaction, we highlighted our growing startup pipeline, ongoing incubation activities, and initiatives focused on mentorship, training, and fostering innovation. We also discussed our commitment to strengthening industry collaborations and building a support system that empowers student-led

startups to progress from idea to implementation. The visit reinforced the value of cross-institutional learning and opened avenues for future collaboration aimed at enhancing startup support and ecosystem development.

Joint CEO, **Dr. Abhishek Tandon**, represented Udhmodya Foundation at the *One-Day Capacity Building Program for Educators on the Entrepreneurial Ecosystem at the University of Delhi – A Step Toward Viksit Bharat 2047*. His participation strengthened Udhmodya's role in shaping entrepreneurial leadership and highlighted our ongoing efforts to build a robust ecosystem that nurtures innovation, supports student startups, and contributes to the national vision of fostering a future-ready India.

#### P. Examination Achievements - 2025

##### 1. Exams for Ops Sindoor students

Special examinations were organized for students impacted by Ops Sindoor, ensuring they do not face academic losses. This initiative provided timely support and fair opportunities for their educational progress.

**2. Special Chance Examinations for Old Students**

Special Chance Examinations have been initiated for old students who attempted Centenary Chance Phase-1, Phase-2, and Phase-3 but could not complete courses, enabling them another fair opportunity to qualify.

**3. Revised Passing and Promotion under NEP UGCF-2022**

The passing and promotion rules were revised under NEP UGCF-2022 framework, aligning evaluation criteria with academic progression flexibility, continuous assessment, multidisciplinary learning, and holistic development standards prescribed by the policy.

**4. PG Assessment Pattern under PGCF-2025**

A new assessment scheme under PGCF-2025 has been launched for postgraduate courses, structured on NEP 2020 guidelines. It emphasizes research orientation, skill development, flexible credits, and holistic academic evaluation.

**5. Centralised Awards Management System (CAMS)**

CAMS was introduced to streamline grading and awards processing across courses. It enables transparency, efficiency, consistency in marks compilation, result generation, and reduces manual intervention in examination-related academic records.

**6. Examinations Center Management System (ECMS)**

ECMS has been implemented to digitally manage examination centers. It regulates allocation, capacity planning, monitoring, logistics, and ensures fair distribution of candidates for conducting large-scale examinations efficiently across institutions.

**7. Examiners Management System (EMS)**

EMS was launched to manage database of approved examiners, streamline appointment, monitor evaluation timelines, and ensure transparency in assigning answer scripts, enhancing reliability, accountability, and efficiency in paper evaluations.

**8. Question Bank Portal operational**

An online centralized Question Bank Portal has been introduced to create, store, and access question papers securely. It enables standardization, facilitates paper-setting processes, and supports outcomes-based assessment strategies for examinations.

**9. Online Grievance System e-GRASS introduced**

The e-GRASS system was launched to allow students to submit and track examination-related grievances digitally. It improves speed, accountability, redressal efficiency, ensures accessibility, and enhances student satisfaction with transparent processes.

**10. Data Depository Cell created**

A centralized Data Depository Cell has been established to securely store, archive, and manage examination records. It ensures institutional memory, accessibility, data-driven decision-making, and compliance with digital governance protocols.

**11. 14,32,149 ABC/APAAR IDs generated**

In the last quarter, 14,32,149 ABC/APAAR IDs were generated to integrate students into the Academic Bank of Credits platform, enhancing mobility, credit transfers, and compliance with NEP's lifelong learning provisions.

**12. 5,21,605 Degree Certificates on DigiLocker**

A total of 5,21,605 degree certificates have been uploaded on DigiLocker, providing students safe, digital, and permanent access to credentials, ensuring authenticity, portability, and efficient verification for academic recognition.

**13. 28,41,123+ Marksheets on DigiLocker**

More than 28,41,123 marksheets have been uploaded on DigiLocker, ensuring authenticated academic records are centrally accessible to students, institutions, and employers, thereby strengthening transparency, reliability, and convenience in verification processes.

14. Special examinations were conducted for NCC cadets who missed their regular exams due to Republic Day Parade, BTR Parade, and NCC RDP celebrations, ensuring they were not academically disadvantaged for participation.
