DEPARTMENT OF BIOCHEMISTRY

University of Delhi South Campus

September 21, 2026

NOTIFICATION

Applications are invited from suitable candidates for a Junior Research Fellow position to work on ANRF funded project "Deciphering the mechanism....Therapeutic Insights into HPV-Associated Cancers (ANRF/ARG/2025/004015/LS) under the supervision of Prof. Alo Nag, Department of Biochemistry, Univ. of Delhi South Campus, New Delhi-110021.

Eligibility requirements: M.Sc/M.Tech degree in Biochemistry/ Life Sciences/ Biotechnology or related subjects in biological sciences, with first class (60% and above) marks in all degree examinations.

Desirable: Good research experience in mammalian cell culture, cell biology, molecular biology and biochemical techniques. Research experience demonstrated through publications, project experience, or relevant technical expertise will be preferred. Qualification in National level exams such as NET/GATE.

Interested candidates can send their application along with CV and copies of marksheets, certificates, research experience letter and copy of publication should reach the undersigned by 25th September 2026. Candidates meeting the required criteria will be called for an interview but no TA/DA will be paid. The project has been sanctioned until 2029. It is to be noted that the post is purely temporary, subject to satisfactory performance and will terminate automatically without any notice or compensation on termination of the research scheme.

Last date for submission of applications: 25th September 2026.

General Conditions:

1. Only shortlisted candidate will be informed via email for date and time of the interview.

2. No TA/DA will be paid for attending the interview or joining a post.

3. Mere fulfilling the essential qualification/experience does not guarantee for selection.

6. Candidates, who will be interviewed, if they are selected will have to produce original documents of their qualification, age and experience before joining, if the same are not found correct, their selection cannot be accepted.
