The Council Resolved that the recommendations of the Faculty of Homoeopathic Medicine at its meeting held on 16.05.2025 regarding be accepted with minor modifications and recommended to the Academic Council for approval **(Appendix-77)**

- (1) Amendment to PG Ordinance of Homoeopathy Medicine for the students admitted in the Academic Session 2024-2025 onwards in the light of Regulations of the National Commission for Homoeopathy.
- (2) Following Partial amendment in the UG (BHMS) Ordinance 2019 in light of the CCH Regulation dated 13.07.2015:

Existing	Amended
Ordinance BHMS 2019 (Approved by the Academic Council vide Resolution no. 5-3 dated 16.01.2019 and by the Executive Council vide Resolution No. 16 dated 16.02.2019. <u>Clause no. 5(d) page no. 04</u> <u>Span period</u> Maximum of 08 (eight) years from the date of admission in the 1 st Professional BHMS Course (excluding internship training period).	In the light of CCH Regulation dated 13.07.2015 vide Notification F. No. 12-13/2006-CCII (Pt.V), Regulation No. 04 at Page No. 64. <u>Clause no. 5(d) page no. 04</u> <u>Span period</u> Maximum of 11 (eleven) years from the late of admission in the 1 st professional BHMS Course (excluding internship training period).

27/ The Council resolved that the matter of extension of span period **(N+2+1+1)** as provisioned under amended Ordinance VIII of the Ordinances of the University because of change over from CBCS to UGCF be accepted and recommended to the Executive Council for approval.

Background:

- I. The matter pertains to span period for various academic programmes conducted by the University and its Colleges both at the undergraduate and postgraduate level. The matter has been discussed at an appropriate level and is being submitted accordingly for consideration.
- II. In this connection, it is submitted that following is the amended Ordinance VIII of the Ordinances of the University as per Executive Council Resolution No. 33-9 dated 29.10.2021 (Ref. Executive Council Resolution No. 11-4 dated 28.02.2017/ 07.03.2017)
- III. Amended Ordinance VIII reads as under:
 - (2) All those students admitted from the session 2016-2017 who for whatever reasons are not able to complete the programme within the normal period of the minimum duration prescribed for the programme may be allowed two years beyond the normal period to clear the backlog to be qualified for the degree. The general formula, therefore should be as follows:
 - a) Time Span= $N+2$ years for the completion of programme where N stands for the normal or minimum duration prescribed for completion of the programme.
 - b) In exceptional circumstances a further extension of one more year may be granted. The exceptional circumstances be spelt out clearly by the relevant statutory body concerned of the University.
 - c) During the extended period the student shall be considered as a ex-student and also not be eligible for ranking.
- IV. It is relevant to mention here that the University has implemented the National Education Policy 2020 (NEP 2020) through Under Graduate Curriculum Framework 2022 (UGCF 2022) with effect from the academic session 2022-2023.
- V. The University is going to implement NEP 2020 through Post Graduate Curriculum Framework 2025 (PGCF 2025) with effect from the academic session 2025-2026.
- VI. As per provisions of the NEP 2020, a student is eligible for multiple exit and multiple entry. Further, there has been a shift from the curriculum framework, both at the Under Graduate and Post Graduate Level, from Choice Based Credit System (CBCS) to UGCF/ PGCF.
- VII. Such change of curriculum framework led to a situation where some students are unable to complete their studies within the span period prescribed under amended Ordinance VIII of the Ordinances of the University. It has been ascertained from the Council Branch that the Standing Committee (Students) has considered those matters which fall under the $N + 2 + 1$ Scheme as mentioned in the amended Ordinance VIII.
- VIII. The matter has been deliberated extensively on this backdrop in the larger interest of the students to facilitate them to complete their Under Graduate/ Post Graduate programmes under CBCS, as those students who have fallen short by one year in the twilight zone of CBCS will be able to take advantage of this measure of one additional year of span period.
- IX. In view of the position explained above, the above proposal of provision of 01 additional year of Span period for those students who pursued CBCS and

amendment of the Clause 2 of amended Ordinance VIII of the Ordinances of the University may kindly be considered by the Academic Council.
