11. VACATIONS / LEAVE /STIPEND. -

- 11.1.** No vacation is permitted to any Post-Graduate (PG) Degree (MD/MS).
- 11.2.** Student will not avail any kind of leave without prior sanction.
- 11.3.** Student will submit proper application for seeking leave.
- 11.3.1.** Casual leaves up to twelve days and Eight days medical leave per academic year.
- 11.3.2.** Attending seminars, workshops, training programmes, orientation programmes, symposium etc. including days of travelling shall be considered as "Academic Leave", which would not exceed 10 days in an Academic Year.
- 11.4.** PG Student will not be allowed to take leave for more than six days (including prefix/suffix of any kind of holidays) at any point of time.
- 11.5.** During pregnancy: 180 days Maternity Leave are admissible only to candidates with less than two surviving children subject to the condition that the students will have to complete the required period of training before being allowed to appear in the upcoming semester examination. Any amendments on the duration & condition of the maternity leave, notified by the Central Govt. will stand applicable.
- 11.6.** During miscarriage/abortion (induced or otherwise): total leave of 45 days are admissible during the entire course. Leave are admissible irrespective of number of surviving children. Application should be supported by a certificate from a Registered Medical Practitioner/ Authorized Medical Attendant subject to the condition that the students will have to complete the required period of training before being allowed to appear in the upcoming semester examination.
- 11.7.** In case a student takes more leave than the prescribed leave, or remains absent from training without proper permission, he/she shall not be allowed to appear in the upcoming semester examination until he/she completes the shortage of training for that semester, which may have occurred due to extra leave/unauthorized absence, by undergoing further training beyond the normal duration of the course. The student will not be entitled for any stipend for the extended training period. Extra duties undertaken during the normal duration of the course will not compensate the shortage of training.
- 11.8.** The conditions mentioned in clause 9.1 to 9.4 are to be fulfilled by all candidates independent of requirements under clause to be eligible for appearing in the examination for the post graduate Degree/Diploma and Super specialty courses.
- 11.9.** The concerned Head of the institution should issue a notice to the student(s), who remains absent from training without permission of competent authority (HOD/ Head of the

DU Ordinance PG (Ayurveda)-2025

Institution) for a period exceeding 7 days. The name of the student, who remains absent from training without proper permission of competent authority (HOD/ Head of the Institution) for a period exceeding 30 days, would be removed, on the advice of concerned Head of the Institution, from the rolls of the Institution and the University, and his/her registration for the course would be cancelled. Such student shall not be allowed to join any other PG during the remaining duration of the course from which the registration has been cancelled.

- 11.10. The stipend shall be paid at par with other medical systems under the respective Governments, and there shall be no discrepancy between medical systems.
- 11.11. In any case, stipend shall not be granted beyond 36 months. The stipend will be paid to the candidates pursuing Postgraduate Degree Course as per rules of respective college/institution. Therefore, any grievance regarding payment of stipend shall be dealt with the concerned college / institution and University of Delhi will not entertain any such matters.
- 11.12. In any case, stipend shall not be granted beyond 36 months from the date of joining of PG program.
- 11.13. maternity, paternity and other leaves as per respective State Government or contract rules as applicable.
- 11.14. The leave remaining un-availed during a particular Academic Year would lapse at the end of the Academic Year, and will not be carried over to the next year of the course.

12. Examination and Assessment- Assessment shall be carried out in terms of formative assessment and summative assessment.

12.1. Summative Assessment:

The Postgraduate degree course or programme shall have three summative assessments examinations conducted by the University.

- 12.1.1. The university shall conduct first summative assessment at the end of the first semester for the first semester syllabus, Second summative assessment at the end of second semester for the second semester syllabus, and third summative assessment at the end of sixth semester for the third, fourth, fifth, and sixth semester syllabus
- 12.1.2. semester third, fourth, fifth and sixth have been kept as one block period so that the activities such as conduction of research activities, clinical exposure, industrial exposure, and other outside postings or activities may be performed by the students without interruption.
- 12.1.3. Before appearing for the second summative assessment at the end of second semester, it is mandatory for the student to submit the thesis-protocol within the specified period.
- 12.1.4. Before appearing for the third summative assessment at the end of the sixth semester, the student shall have;

DU Ordinance PG (Ayurveda)-2025

- (a) passed all core subjects of the first and second semesters of the Postgraduate degree programme;
 - (b) qualified minimum twelve electives (six electives from the domain specific category and six electives from the capacity enhancement category) as specified in these regulations;
 - (c) the student shall have submitted the thesis;
 - (d) published at least one preprint of the thesis in preprint repository servers such as bioRxiv or medRxiv or publish or get accepted minimum one research paper in anyone of the reputed indexed research journal (PubMed, Web of Science, Science Citation Index or Scopus); research journal and
 - (e) presented at least one paper in national or international level seminar.
- 12.1.5.** The University shall conduct summative examinations ordinarily in the months of January and July every year.
- 12.1.6.** The Preliminary and final examination mark statements shall include marks obtained in the particular papers of examination and total, as per NCISM vide letter O/o ref no.7-9/2021(Misc-BOA) dated 14.10.2022
- 12.1.7.** For the Preliminary theory and final examination, the panel of examiner/s shall be prepared by the examination branch of the University following NCISM guidelines.

12.2. Formative Assessment:

- 12.2.1.** Formative assessments (modular based) shall be carried out by the concerned Postgraduate Department at the end of each module as specified in the curriculum.
- 12.2.2.** at the end of the semester, semester grade point average (SGPA) shall be calculated as per the calculation method specified in these regulations;
- 12.2.3.** semester Grade Point Average of first semester shall be considered for first summative assessment; Semester Grade Point Average of second semester for second summative assessment and average Semester Grade Point Average of third, fourth, fifth and sixth semesters shall be considered for third summative assessment.
- 12.2.4.** Securing a minimum of sixty per cent. of the Semester Grade Point Average (SGPA) shall be the eligibility criteria for appearing in summative assessments conducted by the university as specified below,-
- 12.2.4.1.** minimum sixty per cent Semester Grade Point Average of the first semester for appearing in the first summative assessment;
- 12.2.4.2.** minimum sixty per cent. Semester Grade Point Average of the second semester for appearing in the second summative assessment;
- 12.2.4.3.** the average of third, fourth, fifth and sixth semesters 'Semester Grade Point Average' shall be minimum sixty per cent. to become eligible for appearing in the third summative assessment conducted by the University; and
- 12.2.4.4.** the ineligible students due to the shortage of Semester Grade Point Average as specified in (a), (b) and (c), shall become eligible for appearing in subsequent examination only after acquiring the required Semester Grade Point Average by

DU Ordinance PG (Ayurveda)-2025

attending the teaching and training of the same semester; in such case, the duration of the Postgraduate programme shall be extended proportionately.

- 12.2.5. The total number of subjects or papers for summative assessment and distribution of marks shall be as per the Table below:-

Table -3

Summative Assessments, Semester, Subjects, Number of Papers and Distribution of Marks

Subjects	Semester	Number of Papers	Maximum Marks	
			Theory	Practical or Clinical including Viva-Voce
(1)	(2)	(3)	(4)	(5)
Research Methodology	First	One	100	----
Biostatistics	First	One	100	----
Applied Basics of the Specialty	Second	One	100	200
Specialty specific subject	Sixth	Four	400	400*

[Note: The details such as conduction of practical or clinical examination, question paper format, blueprint etc. shall be as per the curriculum published by the Commission from time to time]

[*Note: 2 Final years - Sixth semester practical examination will be held for two days]

- 12.2.6. The calculation method of Semester Grade Point Average for each semester shall be as follow,-

Step 1: Calculation of Module Grade Point (MGP) in each subject: -

$$\frac{(\text{Number of National credit hours attended in a module}) \times (\text{Marks obtained in the modular assessment})}{(\text{Total number of National credit hours in the module}) \times (\text{Maximum marks of the module})} \times 100$$

Step 2: Calculation of Semester Grade Point Average for each subject:-
(Average of Module Grade Points in a Semester)

- 12.2.7. For being declared successful

12.2.7.1. in the first and second summative examinations, the student shall secure minimum 50% (fifty percent). in theory and minimum 50% (fifty percent) in practical or clinical including viva-voce, wherever applicable;

12.2.7.2. in the third summative assessment, the student shall have to secure aggregate of minimum 50% (fifty percent) of all papers and a minimum forty percent in each paper of theory examinations and fifty percent in practical or clinical including viva-voce separately.

12.2.8. A candidate obtaining 65% (sixty-five percent). and above marks shall be awarded first class in the subject and 75% (seventy-five percent). and above marks shall be awarded distinction in the subject.

12.2.9. If a student fails either in theory or practical/clinical, or both in any of the summative assessments, the student shall have to appear all subjects of that assessment including practical examinations wherever applicable.

12.2.10. The failed students shall appear for subsequent examinations conducted every six months by the University.

12.2.11. The Postgraduate degree shall be conferred after the thesis has been accepted and the student has passed the third summative assessment.

13. Appointment of Examiners. -

13.1. For each subject in semester-I and semester-II, the summative examination or assessment shall be conducted by two examiners, one of whom shall be an external examiner from any other medical institution and the other from the same institution as the internal examiner.

13.2. There shall be double valuation for theory answer scripts of the first and second summative assessments and the implementation of double valuation system shall be as per the guidelines published by the Commission.

13.3. The sixth semester summative assessment or examination shall be conducted by a team of four examiners, i.e., two external examiners from any other medical institution (at least one external examiner shall be from other state if Ayurveda Postgraduate institutions are available in more than one State or Union territory) and two internal examiners from the same institution.

13.4. The theory answer scripts of the third assessment shall be evaluated by all four examiners, and the average of all four evaluations shall be considered the final mark, and similarly the practical or clinical examinations including viva voce shall be conducted by all four examiners and the average marks of all four examiners shall be considered as final mark of practical or clinical including viva-voce.

13.5. There shall be no provision for re-valuation of answer scripts.

14. Eligible Postgraduate Examiner.-

14.1. A teacher with a minimum of five years of Postgraduate teaching in the concerned specialty and who has guided at least one Postgraduate thesis and the thesis has been accepted shall be considered eligible as a Postgraduate examiner for theory evaluation, conducting practical or clinical including viva voce.

14.2. The eligible Postgraduate examiner shall also be eligible for evaluation of the thesis-protocol, and thesis;

14.3. The same external examiner shall not be appointed as examiner at the same examination centre for not more than three consecutive examinations excluding supplementary examinations.

15. Thesis-protocol and Thesis.-

15.1. Each Postgraduate student shall carry out a thesis work on research topic under the supervision of an eligible Postgraduate guide of the department and submit thesis in partial fulfilment for the award of degree of post-graduation.

15.2. (a) Allotment of Guide to the PG student shall be done with the consultation of student and teacher. It will be done on the basis of seniority, availability and eligibility of Faculty under the supervision of Head of Department. Interdisciplinary P.G. Research may be done by co-opting the Co-guide from the concerned specialty;

DU Ordinance PG (Ayurveda)-2025

- (b) the institution shall notify thrust areas of research as specified for the respective Postgraduate Department, specialty, or programme in these regulations for each approved Postgraduate guide, and he or she shall continue guiding allotted Postgraduate students in the same areas of research;
- (c) the guide allotment shall be within the student-guide ratio in the department as specified in these regulations;
- (d) in cases of inter-departmental, inter-disciplinary, and trans-disciplinary research, a co-guide with minimum Postgraduate degree shall be co-opted from the concerned or collaborative specialty or unit.
- (e) the co-guide allotment from the same Postgraduate Department or specialty shall be restricted to one only and it shall be allowed from the other department in collaborative research.
- 15.3. (a) The thesis shall be innovative and translational, and the research shall be addition to the Ayurveda medical science and helpful for the promotion of the Ayurveda system;
- (b) the topic shall be within the scope of the subject specialty and shall be from the thrust areas of the research of the respective department or speciality as specified in these regulations;
- (c) the thesis title should preferably be on the lines of the results of the aptitude test conducted by the commission when it becomes operational and this aptitude test is to test the aptitude of a student towards specialist in the concerned area, clinical practice, teaching, research, technological development or entrepreneurship;
- (d) the title of the thesis shall be precise and reflect the objectives and methods of the study;
- (e) the thesis-protocol for the selected title of the thesis shall be developed as per the following format:

Title Page	Page 1
Certificate from Institution	Page 2
Introduction/ background including lacunae in existing knowledge	Page 3
Brief review of literature	Page 4-6
Objectives of research project	Page 7
Patients/ Subjects/ Materials and Methods including plan of statistical evaluation	Page 8-10
Index of references (Vancouver system of references) Appendix, if any (consent form, data sheet etc.)	Page 11-12

- (f) the thesis-protocol must be presented and discussed in the meeting of the college department before it is finalized. Each protocol should be considered and approved by the Institutional Research Review Committee, Institutional Research Committee, or Institutional Scientific Committee (IRRC/IRC/ISC) before the thesis-protocol is submitted to Faculty of Medical Sciences. IRRC/IRC/ISC should, among other things, ensure that the design of thesis-protocol fulfills the statistical requirements. The need for consideration of the protocol by Institutional Ethics Committee must be

DU Ordinance PG (Ayurveda)-2025

considered. IRRC/IRC/ISC must obtain clearance from the Institutional Ethics committee before giving approval in cases in which such clearance is needed.

- (g) one month before the last date of submission of thesis to Faculty, each institute should send a list of the thesis being processed by IRRC/IRC/ISC in the following format: SN, Institution, Department, Candidate, Supervisor, and Title; to facilitate appointment of examiners. An electronic copy of the list in a compact disc should be sent along with a printed copy.
 - (h) the Principal, while forwarding the thesis-protocol to Faculty of Ayurvedic & Ayurveda Medicine, should certify that the thesis protocol fulfills all the requirements stipulated by Faculty of Ayurvedic & Ayurveda Medicine, University of Delhi, and should identify the synopses which have been considered and approved by Institutional Ethics committee.
 - (i) the thesis-protocol would be referred to the respective Head of the University Department for observations. In case the observations of the HOD are not received within stipulated time, approval of the HOD would be assumed. The protocols, marked by HOD, would be referred back to supervisor with approval of Chairman, Board of Research Study (BRS), through Principal, for suggested clarifications/ modifications within specified time frame. The thesis- protocols, revised thesis-protocols, comments of HOD(s), and related matters would be submitted to BRS for consideration and approval.
 - (j) any request by candidate for revision in the thesis-protocol approved by BRS should have recommendations of the institution and should be received in office of Faculty of Medical Sciences within 2 months of BRS meeting in which protocol was approved. The Chairman BRS, in consultation with concerned HOD, would take a decision in the matter. In case of dispute, the Chairmen may place the matter before an emergent meeting of BRS.
- 15.4. (a) The thesis-protocol developed as per the specifications shall be subjected to departmental review; after departmental review, the completed thesis-protocol shall be submitted to the head of the respective department;
- (b) the head of the department shall forward all thesis-protocol of the department to the head of the institution;
 - (c) the head of the institution in turn forwards all the thesis-protocol to the institutional research review committee, institutional research committee, or institutional scientific committee for approval;
 - (d) corrections or modifications suggested by the aforesaid committee shall be forwarded to the respective heads of departments;
 - (e) the thesis-protocol corrected or modified by incorporating the suggestions shall be resubmitted by the student to the respective heads of departments and from the head of the department to the head of the institution;
 - (f) the head of the institution shall forward the thesis-protocol that requires ethical clearance (clinical studies or animal studies) to the respective Institutional Ethics Committees for human subjects or the Institutional Animal Ethics Committee for animal studies, as the case may be;

DU Ordinance PG (Ayurveda)-2025

- (g) corrections or modifications suggested by the aforesaid committees shall be forwarded to the respective departments;
 - (h) the thesis-protocol corrected or modified by incorporating the suggestions of the concerned committee by the student shall be re-submitted to the respective departmental head, who in turn forwards it to the head of the institution;
 - (i) submission of thesis-protocol at all stages shall be in soft copy; one hard copy of the final thesis-protocol duly signed by the student, guide, head of the department, and head of the institution shall be retained in the concerned department.
- 15.5.**
- (a) Soft copy of the thesis-protocol, completed in all aspects and obtaining approval from relevant institutional research and ethics committees, shall be forwarded to the University by the head of the Institution on or before the last working day of the 9th month of the Postgraduate degree programme during the semester-II for registration;
 - (b) submission of thesis-protocol within the prescribed time is a mandatory criterion to appear for the second semester summative assessment examination conducted by the University;
 - (c) if the student fails to submit the title of the thesis and thesis-protocol within the period specified under clause (a), his/her term for the second semester of the Postgraduate degree programme shall be extended for six months, and the thesis-protocol shall be submitted before appearing for the second summative examination. Failing which he or she shall not be eligible to appear for the second summative examination, and the second semester shall be extended for another six months and so on.
 - (d) once the student submitted the thesis-protocol, it is mandatory for the institutions to complete the approval process in stipulated time. Institute shall not charge any additional fee for thesis-protocol approval process.
- 15.6.**
- (a) After the receipt of the thesis title and thesis-protocol, the university shall register the title of the thesis and thesis-protocol by allotting registered number;
 - (b) University shall intimate the registered list of thesis titles and thesis-protocol to the concerned Postgraduate institution and display the same on the university website; the same shall be displayed on the respective college website by the institution;
 - (c) once the title of the thesis is registered by the university, the student shall not be allowed to change the title of the thesis without the permission of the university.
- 15.7.**
- (a) thesis research activity shall be started only after registration by the respective university for the thesis title and thesis-protocol;
 - (b) after receiving the registration notification from the university, the student, under the guidance of the respective guide, prepares a calendar of events of research activity and submits it to the head of the department; the same shall be verified by the institutional research review committee, institutional research committee, or institutional scientific committee while reviewing the progress of the study;
 - (c) the institutional research review committee, institutional research committee, or institutional scientific committee shall periodically (preferably at the end of third, fourth and fifth semester) monitor the thesis activity in terms of:
 - i. progress of research activity with respect to the calendar of research activity submitted by the student;

- ii. quality of research and adherence to the methods and standards as per the approved thesis-protocol.

- 15.8. (a) On completion of research or thesis activity with the recommendation of a guide through the head of the department, pre-submission of the thesis shall be arranged from the 30th to the 32nd month of the Postgraduate degree programme, wherein the institutional research review committee, institutional research committee, or institutional scientific committee reviews the entire study;
- (b) the institutional research review committee, institutional research committee, or institutional scientific committee may approve or suggest corrections or modifications, and the same shall be communicated to the student through the head of the department;
- (c) after incorporating the modifications or corrections suggested by the institutional research review committee, institutional research committee, or institutional scientific committee, the draft thesis shall be forwarded by the student to the plagiarism scrutiny cell as mentioned in the regulation 29 through the guide and head of the department;
- (d) after plagiarism checking, if the plagiarism scrutiny cell finds the plagiarism is within the permissible limits of not more than fifteen per cent., the plagiarism scrutiny cell shall issue a plagiarism clearance certificate in the Annexure-A;
- (e) in case, the plagiarism is more than fifteen per cent. the draft thesis shall be referred back to the concerned department with a plagiarism check report by the plagiarism scrutiny cell;
- (f) the plagiarism check report shall be reviewed by the Departmental Academic Integrity Committee comprising the head of the department as chairman of the committee, one faculty member from the concerned department, and one faculty member from another department; if the departmental academic integrity committee is satisfied, the committee shall recommend to the plagiarism scrutiny cell to issue a plagiarism clearance certificate in the Annexure-B; if the committee is not satisfied, the student shall be directed to modify and resubmit the draft thesis to plagiarism scrutiny cell;
- (g) the resubmitted draft thesis shall undergo the same process as specified in clause (f);
- (h) the final thesis, with certificates including a plagiarism clearance certificate, shall be submitted to the head of the institution through the head of the department in soft copy from **the 30th to the 32nd month** of the Postgraduate degree programme;
- (i) one hard copy of the thesis signed by the student, guide, head of the department, and head of the institution shall be retained in the department; and (j) the plagiarism related procedures are shown in the following image,-

- 15.9. The format and specifications in terms of pages, words, font type, line spacing, etc. shall be as per the guidelines specified in the curriculum specified by the National Commission of Indian System of Medicine.
- 15.10. (a) All the thesis approved by the institutional research review committee, institutional research committee, or institutional scientific committee, as the case may be, shall be forwarded in soft copy to the University by the head of the Institution;
- (b) thesis shall be submitted to the university during the **33rd** month of the Postgraduate degree programme during the sixth semester and the (33rd month shall be counted from the month of commencement of the course as per the academic calendar issued by the Commission for that batch);
- (c) the head of the institution shall notify the dates for the below-mentioned events well in advance.
- dates for pre-submission;
 - date of submission of the thesis to the department;
 - date of submission by departments to the head of the institution;
 - date of submission by the head of the institution to the affiliated university; and
- (d) no student shall be allowed to submit the thesis before the 30th month of the course or programme and the student shall continue his or her regular study at the institution after the submission of the thesis to complete three years of the course.
- 15.11. Submission of the thesis shall be the pre-requisite for the students to appear in the third university summative examination conducted at the end of the sixth semester. In the event of a delay in submission by the student, the student shall not be eligible to appear in a third summative assessment or examination until submission of the thesis.
- 15.12. In case of a delay in the evaluation process of the thesis, the examination results of those students shall be withheld until the approval of their thesis.
- 15.13. All the approved thesis shall be displayed either as titles or as complete thesis on the institutional website, the university website, and other related databases such as Shodhaganga, etc. as specified by the commission.

- 15.14.** Once the portal for thesis-protocol as well as the thesis management system of the Commission is operational, the process of thesis-protocol submission and approval, research progress monitoring, thesis submission and evaluation, etc. shall be through the Commission portal.
- 15.15.** (a) The thesis shall be evaluated or assessed by three evaluators or examiners.
(b) the evaluation results of the thesis shall be declared in terms of Accepted or Rejected as mentioned in the Table below.

Table Evaluation of Thesis and Results

Evaluator-I	Evaluator-II	Evaluator-III	Results and Remarks
(1)	(2)	(3)	(4)
Accepted	Accepted	Accepted	Accepted
Accepted	Accepted	Rejected	Accepted
Accepted	Rejected	Rejected	Referred to the Fourth Evaluator (If accepted by the fourth evaluator, then the thesis shall be considered accepted. If rejected, then the thesis shall be considered rejected and need resubmission of thesis)
Rejected	Rejected	Rejected	Rejected (Need resubmission of the thesis)

- 15.16. Instructions for Thesis:** Although your thesis or thesis may be prepared on a computer, consider the following requirements for meeting the standards.

15.16.1. Paper: A4 size non erasable paper, both side printing of high-quality (Glossy and Erasable paper should not be used).

15.16.2. Type Size and Print: Select fonts type Times New Roman and size of 10 to 12 characters. The size of the titles should be 14 and Bold, the size of subtitles should be 12 and bold. Print should be letter quality or laser (not dot matrix) printing with dark black characters that are consistently clear and dense. Use the same type of print and print size throughout the document.

15.16.3. Pagination: Number all of the pages of your document, including not only the principal text, but also all plates, tables, diagrams, maps, and so on. Roman numerals are used on the preliminary pages (pages up to the first page of text) and Arabic numerals are used on the text pages. The numbers themselves can be placed anywhere on the page, however they should be consistent.

- 15.16.4. Spacing:** Use double spacing except for long quotations, footnotes, and endnotes, which are single spaced.
- 15.16.5. Margins:** To allow for binding, the left-hand margin must be 1.5". Other margins should be 1.0". Diagrams, photographs, or facsimiles in any form should be a standard page size, or if larger, folded so that a free left-hand margin of 1.5" remains and the folded sheet is not larger than the standard page.
- 15.16.6. Photographs:** Professional quality black-and-white photographs are necessary for clear reproduction. Colours are allowed, but you should be certain the coloured figure will copy clearly and will not be confusing when printed in black and white.
- 15.16.7. File Format:** Thesis or Thesis format should be in .Doc (Ms Word Document) or PDF (portable Document format), Image files in JPG or TIFF format and Audio Visual in AVI (Audio video interleaved), GIF, MPEG (moving picture expert) files format.
- 15.16.8. Pendrive:** 2 Pendrive properly labelled to be submitted along with three hard copies of the thesis.
- 15.17.** No extension of time shall ordinarily be granted for submitting the thesis-protocol/ thesis beyond the last date stipulated for the purpose. The BRS may allow submission of the thesis-protocol/ thesis beyond the last date for genuine reasons on recommendations of Head of the institution. Extension for thesis submission for MD/MS beyond last date may be granted to a maximum of one month with late submission fee of Rs. 1000/- per day (as per University Notification no. Exam1/Secrecy/2024-25/690 dated 19.02.2024) (Annexure-7). In case of such late submission, of thesis beyond one month the student shall not be allowed to appear in the final examination at the end of normal duration of the course. He/she may be allowed to appear in supplementary or subsequent examinations at least six months after submission of the thesis, subject to approval of thesis. No relaxation will be granted in this regard.
- 15.18.** A student may be debarred from appearing in the examination / and his/her registration for postgraduate course may be cancelled on the recommendations of BRS, if he/she fails to submit the thesis-protocol/ thesis to the department by the stipulated date notified by the University and his/her work or conduct is reported to be not satisfactory by the Supervisor/ the Head of the department/ Head of the institution. Such student shall be

The bottom of the page features several handwritten signatures and initials in black ink. On the left, there is a signature that appears to be 'Rm'. Below it, there is a date '2/11/2024' and some other markings. In the center, there are several initials, including 'h', 'B', and 'A'. On the right, there is a signature that looks like 'M. Gaur' and another one below it.

DU Ordinance PG (Ayurveda)-2025

debarred from joining any other PG/ Post-Doctoral course for a period of five years from the date of cancellation of his/her registration.

- 15.19.** There shall be two external examiners and one referee to examine each thesis. The supervisors of the each thesis would jointly suggest names of 5 persons for inclusion in the panel of examiners/referee for the theses to the Committee of Courses and Studies (CCS). The CCS of each department should recommend names of two examiners, one reserve examiner and one referee for thesis of each candidate before the last date of submission of these. Not more than three theses can be referred to a particular examiner/referee in a particular Academic year.
- 15.20.** The examiners would be required to evaluate the thesis with help of prescribed structured evaluation protocol (Appendix-III) and grade each thesis in the following terms: Accepted/ To be resubmitted after modification as suggested/or Rejected. Both the examiners should accept the thesis before the candidate is allowed to appear in the final examination. In case of rejection of the thesis by one of the two examiners, the thesis would be referred to the Referee.
- 15.21.** Resubmitted thesis would be evaluated by the original set of examiners/referee except in case of their refusal to re-evaluate the thesis, or their non-availability. The referee would substitute the examiner, who has rejected the thesis, for evaluation of the resubmitted thesis in cases where one of the two examiners has rejected the thesis on initial evaluation. The thesis would be allowed to be resubmitted only once. A resubmitted thesis, if not accepted by both the examiners/referee, would be taken as 'Rejected'.

16. Postgraduate Guide Eligibility. -

- 16.1.** After three years of Postgraduate teaching a Postgraduate teacher shall be eligible to guide Postgraduate students of respective speciality for thesis work. The affiliating university shall issue Postgraduate guide approval letter to eligible Postgraduate teachers.
- 16.2.** The maximum number of students including Postgraduate students to be guided by a Postgraduate guide shall not exceed ten at any given point of time.
- 16.3.** Co-guide shall be a Postgraduate in the concerned research area of collaboration.
- 16.4.** The teaching staff engaged on contractual basis shall not be eligible to guide the students for their thesis.
- 16.5.** A deputed teacher shall not be allotted students to guide Postgraduate thesis unless the duration of deputation is not less than three years from the date of allotment of students for guiding.
- 16.6.** The Head of the Department in Institution shall appoint recognized P.G. teachers as supervisor/co-supervisor for thesis in such a manner that each recognized P.G. teachers gets equal opportunity to supervise thesis, under intimation to the Head of Institution

Moul

DU Ordinance PG (Ayurveda)-2025

along with a statement showing allocation of students to recognized P.G. teachers in the department for the preceding five years. The Head of Institution, on the violation of guideline, may reallocate the supervisor/Co-supervisor at his/her discretion.

- 16.7. Incorporation of recognized PG teachers as co-supervisor should be included in the department where the number of recognized PG teacher is more than the yearly uptake of PG student. However, the number of co-supervisor, including those from parent department, should not exceed three for any PG Student. Before incorporating a PG teacher from department other than parent department as Co-Supervisor, the consent of the HoD of the PG teacher should be obtained.
- 16.8. In case a co-supervisor is required to be included, due the nature of the research from a non-teaching department/institution, the Board of Research Studies may grant necessary permission on recommendation of the PG Cell, for the person to be associated as Co-supervisor in the particular thesis after considering the qualification, experience and designation of the person.
- 16.9. In case, the supervisor leaves the institute before submission/acceptance of a thesis, co-supervisor or any other PG teacher from the parent department may be appointed as supervisor provided he/she fulfils that criteria, for getting the thesis completed by Head of Department of the Institution, under intimation of Faculty of Ayurveda & Unani Medicines.
- 16.10. In case a P.G. student leaves the course in between the supervisor concerned should be allotted a student next year on priority basis.
- 16.11. If a teacher is superannuating within 4 months of the last date of submission of thesis, he/she cannot be supervisor, however, he/she can be one of the Co-supervisor.

17. Research Committees. -

- 17.1. All Postgraduate institutions shall constitute the below mentioned research committees as per requirement, -
- 17.2. (a) Every Postgraduate institution shall constitute an Institutional Research Committee, an Institutional Research Review Committee, or an Institutional Scientific Committee.
- (b) there shall be a common institutional research committee up to five Postgraduate programmes. In case of more than five Postgraduate programme, there shall be two institutional research committees namely: -
 - i. institutional research committee for conceptual and experimental studies;
 - ii. institutional research committee for clinical studies;
- (c) the committee shall perform activities, namely;
 - i. screen the thesis proposals and monitor thesis or research activities;
 - ii. ensure that the selected topics are within the listed thrust areas of research as specified by the Commission in these regulations;
 - iii. in the case of inter-disciplinary or trans-disciplinary studies, ensure the co-guide from the collaborating department, institution, or organization;

- iv. all activities of the Institutional Research Committee, Institutional Research Review Committee, or Institutional Scientific Committee shall be coordinated by the Department of Integrative Health and Translational Research;
- v. the composition of the committee shall be as detailed in Table below.

Table
Composition of the Institutional Research Committee

1	Head of the Institution	Chairman
2	Postgraduate Coordinator or Dean-Postgraduate studies or Dean Research	Member
3	Heads of Postgraduate Departments	Members
4	Biostatistician	Member
5	Two external members (one from basic sciences and one from medical sciences) from Research Councils or other Medical or Ayurveda or Pharmacy institutions	Members
6	Head of the Department of Integrative Health and Translational Research	Member secretary

- Note:** 1. Representation from each Postgraduate Department shall be ensured.
2. The external members shall be experts in relevant fields of Postgraduate Departments.
- 17.3. Institutional Ethics Committee for Human Subjects: Institutional Ethics Committee for human committee shall be constituted as per Indian Council for Medical Research guidelines.
 - 17.4. Institutional Animal Ethics Committee for Animal Studies: Institutional Animal Ethics Committee shall be constituted as per the Committee for Purpose of Control and Supervision of Experiments on Animals guidelines and should be approved by the Committee for the Purpose of Control and Supervision of Experiments on Animals.
 - 17.5. There shall be Clinical Research Cell in the hospital to coordinate the clinical research activities of the institution. UNIVERSITY OF DELHI
Scheme of evaluation of Thesis

Section		Adequate	Marginal	Inadequate or not included
Title	Appropriateness			
	Clarity and brevity			
	Focus on topic (does it raise interest in the reader)			
Introduction	Purpose of study			
	Mention of lacunae in current knowledge			
	Hypothesis, if any			
Review of Literature	Relevance			
	Completeness			
	Is it current and up-to-date			
Methods	Mention of the type of study (prospective, retrospective, controlled, double blind etc.)			
	Detail of subjects and controls			
	Details of materials (apparatus, experimental design)			
	Procedure used for data collection (Questionnaire)			
	Statistical methods employed, level of significance considered			
	Statement of limitation			
	Mention of ethical issue involved			
Observation & Result	Logical Organization in readily identifiable section			
	Correctness of data analysis			
	Appropriate use of charts, tables, graphs, figures, etc.			
	Statistical Interpretation			
	Objectivity of interpretation			
Discussion	Relevance (within framework of study) and appropriateness for date			
	Interpretation of implication of result			
	Resolution of contradictory of result			
	Statement of limitation of interpretation (Mention of appropriate caution while stating inferences)			
	Mention of unanswered questions			
	Mention of new questions raised			
References				
Appendices	Whether all required annexure and appendices are included, e.g. the clinical proforma, the questionnaire used etc.

Instructions for the Paper setting.

1. Follow all the instructions mentioned in the respective curriculum, prescribed by NCISM.
2. There will be a single application-based question (ABQ) worth 20 marks. No other questions should be asked from the same module where the ABQ is framed.
3. ABQ should be strictly selected from the module/unit as prescribed in respective curriculum of particular subject, prescribed by NCISM.
4. Long answer question should be analytical based structured questions assessing the higher cognitive ability and should be strictly selected from the specified module/unit.
5. Particular SAQ should also be strictly selected from the specified module/unit.
6. Questions should be drawn based on the table 6F of the respective curriculum of particular subject, prescribed by NCISM.
7. Marks assigned for the module in 6F should be considered as the maximum marks.
8. Refer table 6F before setting the questions. Questions should not be framed on the particular unit if indicated "NO".
9. Except the module on which ABQ is framed, at least one Short answer question should be framed from each module.
10. Use the Blue print provided in 6G or similar blue print created based on instructions 1 to 6.

Note: - For all other matters which have not been provided in this ordinance, the guidelines issued by NCISM/Ministry of AYUSH, from time to time, will be followed.
