

Dr. B. R. Ambedkar Center for Biomedical Research University of Delhi

University Road, Delhi-110007, India

Presents

POST GRADUATE DIPLOMA IN BIOINFORMATICS, COMPUTATIONAL BIOLOGY & DRUG DISCOVERY

Jump start your career in Bioinformatics & Computational Biology

Hone your skills with Bioinformatics experts and have real-world experience by understanding how to thrive in this field by gleaning essential knowledge of what actually works

- ❑ Introducing first time in DU
- ❑ Classes by experienced faculties from DU, IIT-Delhi, NIPGR and various other industry experts
- ❑ Industrial/Academic training during the dissertation
- ❑ Start date- Current academic session of DU as per PG schedule.
- ❑ Mode of admission: Through the Entrance Examination conducted by NTA for admission to Biomedical Sciences for the current Academic year (2022-23)
- ❑ Mode of application: Candidates qualifying in the examination for admission to M.Sc. Biomedical Science Course at ACBR will be contacted after the declaration of the merit list by NTA. They will be required to fill out a form available on www.acbu.edu.
- ❑ Link for the admission form-
