ICSSR Sponsored One-Day International Conference

on

Inclusion of Divyangjan in the Journey towards Viksit Bharat @2047

Organised by

Sri Guru Gobind Singh College of Commerce, University of Delhi
January 22, 2025 | Hybrid Mode

Sri Guru Gobind Singh College of Commerce, founded in 1984, is a premier institute of the University of Delhi specialising in Commerce, Economics, Business Studies, and Computer Science. The National Assessment and Accreditation Council has accredited it with an 'A++' grade, and in 2024, it had an NIRF Ranking of 39. The College meticulously works its way to develop future leaders in business, government, and academia by offering excellence in education and imparting training. It regularly organises Seminars, Conferences, Workshops, and Faculty Development Programmes which contribute to the holistic pursuit of education in terms of inquisitive research orientations, analytical rigour, and quantitative skill enhancement of both the student and teacher fraternity.

ABOUT THE CONFERENCE

A vision of Viksit Bharat@2047 for Persons with Disabilities (PwDs) would have to include several key components to ensure inclusivity, accessibility, and empowerment. The Indian government is working its way to a balanced, equitable and sustainable growth with a special focus on the underprivileged disabled groups, by overcoming the challenges they face. Its initiatives include the Accessible India initiative, enhancing skill development, adoption of assistive technology and ensuring employment opportunities. The National Conference on Inclusion of Divyangjan in the Journey towards Viksit Bharat is a collaborative initiative to bring together policymakers, educators, researchers, industry leaders, social workers, and disability advocates. The event aims to foster discussions on challenges, opportunities, and innovative solutions to ensure the empowerment of Divyangjan (persons with disabilities) and their active participation in building a developed nation.

This hybrid conference is a platform for showcasing research, ideas, and success stories to address the challenges faced by PwDs, promote inclusive policies and share innovative solutions to improve their quality of life.

CONFERENCE THEMES AND SUB-THEMES

1. Empowering Education: Inclusive Learning for Divyangjan

· Curriculum redesign for inclusive education.
· Training educators for inclusive classrooms.
· Role of ICT in enhancing accessibility in education.

2. Employment Opportunities for Divyangjan: Breaking Barriers

·Inclusive hiring practices.
·Public and private sector initiatives.
·Corporate social responsibility in workforce integration.

3. Assistive Technology: Enabling Independence

·Innovations in mobility aids.
·Role of AI and robotics in assistive devices.
·Challenges in the adoption of assistive technology.
