

## Sri Venkateswara College

(University of Delhi)

Benito Juarez Marg, Dhaula Kuan, New Delhi-110021

Phone Off: 24112196; Telefax: 011-24118535

**Dated:** 24<sup>th</sup> April, 2026

Applications are invited from Indian nationals for the position of Senior Research Fellow (SRF) in SERB sponsored project entitled "Exploring the Biocontrol Potential of Endophytes from Commercial and resistant *Brassica juncea* against *Albugo candida*: Insights into Biochemical, Molecular and Gene Expression mechanisms" by SERB for the year 2024-2027. The appointment will be effective from the date of joining and will continue until the completion of the project on 28 February 2027.

**No. of position:** 1

**Essential qualifications:** Master's degree in any area of life science from a recognised University, with minimum of 55% marks. The candidate should have qualified NET/-JRF/LS or GATE (valid qualified score).

**Desirable qualifications:** Experience in plant biochemical and molecular techniques, as well as culturing microbes and growing plants is highly desirable.

**Fellowship:** Fellowship + HRA will be as per SERB guidelines OM SB/S9/Z-06/2019 dated 23/04/2019.

**How to apply:** Application should contain detailed resume with contact details. Candidates should bring originals of the certificates for the qualifying degree and National examination during the interview. Complete applications should reach Prof. Vartika Mathur, Animal Plant Interactions Lab, Sri Venkateswara College, Benito Juarez Marg, Dhaula Kuan, New Delhi-110021 by post or can be mailed to [vmathur@svc.ac.in](mailto:vmathur@svc.ac.in), on or before 7 days from the date of advertisement. Only shortlisted candidates will be contacted by email regarding the interview.

No TA/DA will be paid for appearing in the interview.
