In terms of UGC letter No. F.43-6/2021(CU) dated 23.09.2021, five posts, presently shown under the Department of Zoology in the 200 point post bas roster for the Associate Professor cadre, have been shifted to the cadre of Assistant Professor. Since this is a vacancy based and not post based roster, t conversion will not have an impact on the present status of the roster. However, vacancies corresponding to these posts in this 100 point vacancy ba roster, will be treated as having been made invalid/terminated. Therefore, there would not be any decrease in the past vacancies considered for compu the reservation for the upcoming advertisement. However, the vacancies occurring in these two departments, if any, in the year 2020 and 2021 will nc considered for computation of reservation as they stand deleted and would therefore not deemed to have occurred.
