NOTIFICATION

Applications are invited from suitable candidates for the Project Technical Support-III (02 posts) position to work on the ICMR-funded project "Bacteriophage and one-health approach tackling AMR infections in humans, animals, and environment" under the supervision of Prof. Urmi Bajpai, Department of Biochemistry, University of Delhi South Campus, New Delhi-110021.

Eligibility requirements: M.Sc. degree in Microbiology/Biochemistry/Biotechnology or related subjects in biological sciences, with first class (60% and above) marks in all degree examinations.

Desirable: Good research experience in microbiology, molecular biology, bioinformatics and bacterial and bacteriophage characterisation. Willingness to travel to multicentric sites for sample collection. Research experience demonstrated through publications, project experience, or relevant technical expertise will be preferred. Qualification in national-level exams such as NET/GATE.

Interested candidates may send their application, along with a CV, copies of marksheets, certificates, a research experience letter, and copies of publications (if any), to the undersigned by October 15, 2026. Candidates meeting the required criteria will be called for an interview, but no TA/DA will be paid. The project duration is till December 2027. It is to be noted that the post is purely temporary, subject to satisfactory performance and will terminate automatically without any notice or compensation upon termination of the research scheme.

Last date for submission of applications: October 15, 2026.

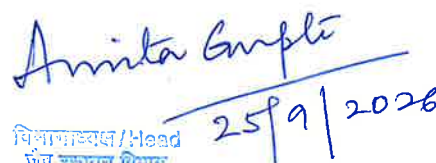

General Conditions:

1. Only shortlisted candidates will be informed via email of the date and time of the interview.
2. No TA/DA will be paid for attending the interview or joining a post.
3. Mere fulfilment of the essential qualification/experience does not guarantee selection.
4. Candidates who will be interviewed, if they are selected, will have to produce original documents of their qualifications, age and experience before joining; if the same are not found correct, their selection cannot be accepted.
