The Committee had a detailed discussion on the sanctioned strength, existing strength and vacant positions of the Printing Staff of SOL. The Chairperson apprised the members that the cadre under consideration basically was dealing with the physical publication of the educational content for students and other stake holders. Further, with most of the content now being made available in online mode, the posts in this cadre are required to be rationalized in view of modern advanced IT infrastructure and technology as posts designated for IT related work. A proposal has been moved for the same, however at present provision needs to be made to enable promotional avenues for existing staff members. The posts vacated in due course could subsequently be diverted for rationalization in accordance with current requirements viz creation of IT related cadre/posts. Accordingly, after a detailed discussion, the Committee prepared the Recruitment Rules for the Printing Staff of SOL as per the **Annexure-1**.

Regarding the Technical Staff of Computer Section, SOL, it was informed the Committee that the change of nomenclature of Console Operator and Word Processing Applicator to Senior Technical Assistant may be done on the basis of the changes made by the University of Delhi as incorporated in the Recruitment Rules, 2020.

Further, the Committee recommended that the Recruitment Rules being considered herewith will be subject to other terms and conditions of the Recruitment Rules (Non-teaching), 2020.

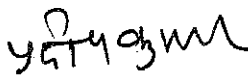

The meeting ended with a vote of thanks to the Chair.
