INTRODUCTORY TELUGU

**CREDIT DISTRIBUTION, ELIGIBILITY AND PRE-REQUISITES OF THE
COURSE**

Course title & Code	Credits	Credit distribution of the course			Eligibility criteria	Pre- requisite of the course (if any)
		Lecture	Tutorial	Practical/ Practice		
Introductory Telugu	4	04	03	01	Students who have not studied Telugu up to 8th Standard	NIL

Learning Objectives

The aim of the course is to teach basic language skills in Telugu and it intends to facilitate students in acquiring foundational skills of reading, writing and speaking in Telugu along with synonyms to expand vocabulary. This course is divided into three units and it will cover the basic language structures, the activities and functions normally explored by a beginners' syllabus, i.e. the learning Telugu syllables, making simple sentence construction and use the same sentences with fellow students, it goes further, covering situations such as working, studying and including materials focused on the Telugu media i.e., cinema, television, the press and advertising. In terms of grammar structures, the exercises are at the basic level only.

Learning outcomes

The course will enable the students to obtain the basic skills of reading, writing and speaking in Telugu along with building up a primary vocabulary. After completing the course, they can read and construct simple Telugu sentences, figure out words having conjunct character, and can learn functional, everyday conversation in different language usage situations. Students interact with classmates by using simple sentences about their daily routine matters on official and informal occasions.

COURSE**

Course title & Code	Credits	Credit distribution of the course			Eligibility criteria	Pre- requisite of the course (if any)
		Lecture	Tutorial	Practical/ Practice		
INTERMEDIATE TELUGU – (For those who have completed Introductory Telugu)	4	04	03	01	Students who have not studied Telugu up to 10 th Standard	NIL

Learning Objectives

This course has been designed for students who have the primary knowledge of the Telugu language and can make as well as to figure out simple sentences. The course enables students to construct compound and complex sentences in Telugu. Furthermore, the course empowers the students to acquire skills to comprehend small passages, writing short paragraphs, and having better conversational skills and teach them the basic rules of translation as well. The course offers a wide range of exercises from the book and challenging activities can be given to students i.e. vocabulary-based activity or a grammar drill, a language manipulation exercise or an up-to-date reading comprehension. A unit focuses on particular topic and also to those students who want to practice the language through additional independent study and open-ended exercises will be included to encourage

learners to communicate more spontaneously and to allow some autonomy and encourage creativity.

Additional materials and support will be given to the students.

Learning outcomes

The course will enable students to understand the distinctions of the language by empowering them with better reading, writing and conversational skills. Students will try to capture radio and TV advertisements, news, advertisements and other programs broadcast. They will read short paragraphs in a language related to books, newspapers, magazines, notice boards, posters, personal and other types of letters, etc., as well as the use of dictionaries and reference texts. They will also try to write a short portion on select topics and write personal and other types of letters, directly on familiar and simple topics, and write independent articles. Students will be able to translate any prose words from Telugu to English and vice versa with the help of a dictionary or through online sources.
