

**UNIVERSITY OF DELHI
DEPARTMENT OF CHEMISTRY**

Applications are invited for the position of **Research Associate** (one), purely on temporary basis (co-terminus with the project) in the Department of Science and Technology (DST) supported 'ASEAN-India Collaborative R&D project entitled: "**Nanocarrier mediated targeting of viral proteins: Approach for combating Covid-19**".

Minimum Qualifications:

Candidate must have Ph.D. in Organic Chemistry from a recognized University with at least 55% marks in M.Sc. Preference will be given to candidates having research experience (with supporting publications) in the field of polymer chemistry and organic chemistry.

Duration of Project: Two years only

Notes: **1.** Fellowship/Monthly emolument and other allowances would be fixed as per the recommendation of the Selection Committee according to the University of Delhi rules or as per the sanction from the funding agency. **2.** The post is purely temporary and would continue only up to the presently sanctioned duration of the project/grant sanctioned by the funding agency. The fellowship may be terminated before time if the work report is not satisfactory. **3.** No TA/DA will be given to candidates appearing for interview.

Suitable candidates should send their application along with Resume/Bio-data and self-attested copies of the degree and certificates, experience letter and recommendation letters by email (sksharma@chemistry.du.ac.in) to the Principal Investigator **Prof. Sunil K. Sharma, Department of Chemistry, University of Delhi, Delhi – 110 007**, within 21 days from the date of publication of the advertisement. The shortlisted candidates will be intimated via email for further course of action.
