20th July, 2021

Subject: Implementation of Holistic and Multidisciplinary Education

Dear Prof. Joshi,

As you are aware, one of the fundamental principles as envisaged in the National Education Policy (NEP 2020) that will guide both the education system at large, as well as the individual institutions within it is multidisciplinary and a holistic education across disciplines for a multidisciplinary world in order to ensure the unity and integrity of all knowledge.

The NEP 2020 thus envisages a holistic and multidisciplinary education that would aim to develop all capacities of human beings - intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner. Such an education will help develop well-rounded individuals that possess critical 21st century capacities.

The Institutions of Eminence (IoE) have been consistently striving towards becoming world class teaching and research institutions for achieving global academic excellence. For ensuring phase wise implementation of NEP-2020, the University Grants Commission on earlier occasions requested IoEs for establishing an Office for International Affairs, encouraging Alumni Connect and Implementation of Multiple Entry and Exit system in their campuses.

In this backdrop, I take the opportunity to request you to be a pace setter and take the lead in implementation of these recommendations of NEP along with initiatives for **Holistic and Multidisciplinary Education** in your institution. I shall be grateful if such initiatives are also shared with UGC.

With kind regards,

Yours sincerely,
