

**Dr. B.R. Ambedkar Centre for Biomedical Research
University of Delhi, Delhi-110007**

Position of Senior Research Fellow

Suitable candidates are invited to participate in the cutting-edge research on drug discovery and diagnostics for the neurological disorders at Dr. B.R. Ambedkar Centre for Biomedical Research (ACBR), University of Delhi. Candidates with research experience are required for the position of Senior Research Fellow on contractual basis for the Department of Biotechnology sponsored project.

Project title: Integrative translational investigation of diabetes-linked neurovascular targets of cerebral amyloid angiopathy.

Duration of the project: 3 years

1. Senior Research Fellow: 1 position

Essential Qualifications:	M.Sc. with minimum two years of research experience in Biomedical Sciences/Life Sciences/Neuroscience or equivalent.
Desirable:	M.Phil./Ph.D. in biological sciences. Strong experience in rodent models, cell culture studies and/or clinical studies.
Remuneration:	Rs. 28000/- per month (consolidated) or as per candidate's fellowship.

Interested candidates are required to apply for this position through sending their full detailed biodata with research experience to Email: acbr20du@gmail.com. Last date to apply for this position is November 20, 2020. Only shortlisted candidates based on qualification and desired experience will be called for the interview.

No TA & DA will be paid to the candidates for attending the interview. Please provide the duration and details of the research experience clearly in your biodata. The appointment does not confer any entitlement of right over the job and will not be considered as University service. The position is purely on contractual basis. Application will be accepted only through Email: acbr20du@gmail.com till November 20, 2020. Principal Investigator: Dr. Itender Singh, ACBR, University of Delhi, Delhi-110007.
